667 franconp 06-04- 2015 09:41 AM ET (US)	I don't know but you should do something quick as you are in serious trouble now.
668 ourobolus 06-04- 2015 09:44 AM ET (US)	Yeah. Not sure at this point, dude. But fran's right, you gotta say -something-.
669 Hobohodo 06-04- 2015 09:46 AM ET (US)	Just going to have to go with what I've got really. Short of trying out an elaborate role claim not much else i got.
670 ourobolus 06-04- 2015 09:46 AM ET (US)	Shit, I may have to vote for Hobo if this keeps going south.
671 Hobohodo 06-04- 2015 09:50 AM ET (US)	Agreed, I will chuck a vote on for Salva soon but he will vote for me so they are pretty much redundant votes from us both.
672 ourobolus 06-04- 2015 09:51 AM ET (US)	Well, good luck, man. I hope this works out, but it looks grim :/
673 franconp 06-04- 2015 09:51 AM ET (US)	If I don't miss anything I think we are 4 votes each right now. Hobo: Razmos, Toma, Launchpad, Darryl Salva: Ouro, Fran, Haly and Ezekel You should vote for salva and I'm sure he will vote for you so that will make each of

	you 5. RNH hasn't voted yet but if he is our partner he will vote Salva too. That will put Salva one vote ahead. We know that KK doesn't want to evict you yet, so maybe he will vote for Salva this time. That would give us a leverage. I don't know about the rest of them.
674 ourobolus 06-04-2015 09:55 AM ET (US)	The problem for me is that if it's clear that Hobo is going to lose, I'm going to have to switch my vote. The moment that they figure out he's HHA, they're going to look at the people that didn't vote for him.
675 Hobohodo 06-04-2015 09:56 AM ET (US)	Yeah, even if I get through today fran is going to have to 'investigate' me really. So my time is limited whatever happens.
676 Hobohodo 06-04-2015 09:57 AM ET (US)	Yeah as much as it seals my own fate if I get a few more votes one of you needs to vote for me. But it's gotta be timed right so that it isn't seen as a 'Well that dude is leading with 5 votes, may as well vote him as 'proof' I'm good!' kinda thing.
677 ourobolus 06-04-2015 10:02 AM ET (US)	It might be best at that point if you just come clean and role claim. Then I think we can vote without drawing suspicion. What do you think, fran?
678 francomp 06-04-2015 10:03 AM ET (US)	Let's try to wait to the last second. I'm not to sure he will be evicted this phase.
679 ourobolus 06-04-2015 10:04 AM ET (US)	Right, don't do it now!
680 francomp 06-04-2015 10:07 AM ET (US)	I don't think he should roleclaim. His role is suspicious and it will not help much. And if he stay alive this turn it will make my investigation the next turn weaker. Maybe you could roleclaim something else that will get you out of the spot right now and I can say you are lying the next turn. If we go that you can say you are a doctor or a roleblocker.

681 ourobolus 06-04- 2015 10:08 AM ET (US)	I'm just saying if it looks like a sure thing that he will get evicted he should claim something at the last second, Star Wars style.
682 ourobolus 06-04- 2015 10:08 AM ET (US)	I like the idea of the "Shopkeeper" / Doctor.
683 franconp 06-04- 2015 10:12 AM ET (US)	I have some doubts about that. Our thread isn't like the Star Wars thread, we are a lot less frenetic than them. A last minute roleclaim it may not be seen or answered by many. But a last minute roleclaim will give them less time to think about it and force them to change the vote if they are afraid to lose an important role.
684 Hobohodo 06-04- 2015 10:13 AM ET (US)	I was secretly hoping to get through this day phase and just get to have a whole day of star wars style fuckery when I was outed as Tommy Nook, but ahh well. I will make sure to pop in to get some posts done at the end there but a last minute role claim could buy me the night just to be investigated by fran the next day.
685 ourobolus 06-04- 2015 10:14 AM ET (US)	I was sorta joking about the Star Wars bit. :P
686 franconp 06-04- 2015 10:17 AM ET (US)	I will say it again. You should not roleclaim your actual role. Say you are a roleblocker or something like that.
687 ourobolus 06-04- 2015 10:17 AM ET (US)	Agreed.
688 Hobohodo 06-04- 2015 10:19 AM ET (US)	Yeah I won't role claim as Tommy if it comes to it, as if I make it through you can still get my sorted the next day then. If we go this route should I have a name or just make up some ability?
689 franconp	Just make up some ability.

06-04-2015 10:20 AM ET (US)	
690 ourobolus 06-04-2015 10:20 AM ET (US)	I would go with "Shopkeeper," or something AC-related.
691 ourobolus 06-04-2015 10:20 AM ET (US)	Doesn't he need to say a name so you can catch him in a lie tomorrow?
692 Hobohodo 06-04-2015 10:26 AM ET (US)	Yeah I will need a name. Crazy Redd is a travelling shop keeper who sells black market stuff so I could use him.
693 ourobolus 06-04-2015 10:28 AM ET (US)	Do we still like the idea of him "protecting" franconp during Night 3?
694 franconp 06-04-2015 10:29 AM ET (US)	Not necessarily. You can claim you are some sort of doctor and can protect people sometimes. Say you protected Ultron and Me the last phase but they don't get notifications. Don't give your role name. The next day phase I will say I had doubts about that roleclaim, investigated you and post you role name as I found it weird. Then we can use the explication we made about your role and see if it will go. I don't think so but it will at least buy us this phase.
695 ourobolus 06-04-2015 10:32 AM ET (US)	You and I both know they are going to press him for his role name though if he goes through with this.
696 ourobolus 06-04-2015 10:37 AM ET (US)	Don't worry. No one seems to be able to spell "Ourobolus" either. :P
697 franconp 06-04-2015	He doesn't have to make another post. Just say you make that post because you will be busy and don't know if you will be able to post again before the deadline and don't want to be evicted so you are forced to roleclaim.

10:39 AM ET (US)	Say you will try to log in near the end of the phase to answer questions but you aren't sure you will be able to.
698 Hobohodo 06-04- 2015 10:39 AM ET (US)	I have been calling you francorp all game... I am SO sorry!
699 ourobolus 06-04- 2015 10:40 AM ET (US)	Ehhh...I don't know about that. If you're on the brink of eviction it stands to reason that you'd try to keep up. I guess he can say that he will try, but from my perspective I'd see it as suspicious or just dodging.
700 francomp 06-04- 2015 10:41 AM ET (US)	Yeah, I'm just joking. I'm amazed how they can post Toma's name ok but they always have trouble with mine.
701 Hobohodo 06-04- 2015 10:50 AM ET (US)	Just gonna post the thoughts on all the players I've written down whilst refreshing the thread. Nothing particularly new or exciting but in case I get evicted i will leave behind what I can here. Haly: After the HippieHobo incident he was a little quieter day 3 but has been far quieter day 4. It was also this day that he said ' the wind has been taken out of his sails' now maybe this is the truth, I am kind of inclined to believe him. The only other possibility I see is that he was alerted to the fact he was targeted night 3 somehow and so he is laying low. I am more inclined to believe he is an odd night commuter however as this is consistent with Kalor's findings. RNH: So we are all feeling that he could be our secret partner and odd post aside here or there I believe he could be, he also hasn't yet jumped on bandwaggoning me so that's something. Toma: Confirmed light sleeper, not got many feelings on him really. He was clever in that he waited to release the information about not detecting activity on night 1 straight away so he is definitely one to watch, however he has been vocal than others so not as immediately dangerous. Ouro: Glorious member of the HHA Eekel: I reckon he is a normal villager, he replaced an inactive probably due to being seen as having a 'normal' role and if he has a power role it would mean that column 1 is actually full of special roles with not a single villager. He is good at consolidating info for everyone so getting rid of him may result in more people missing things. Kalor: Nothing much really, just we know he is also a light sleeper. Foshy: Going to be alive till the very end as they pose no threat to us as they never post, has he even stated what he is doing with Nin? Nin: Erratic and jumpy can't make up my mind if he would have a power making him

nervous about acting or if he is just a jumpy town. He has been a bit quieter this day phase however.

Kingkitty: Looking back at what he has said he is either definitely town or playing a long game. In night 2 he was invited to Mazre's chat. Here he role claimed as an ordinary villager but didn't reveal the name of the role, as if me or Mazre were mafia we could use it against him (at this point Coppanuva hadn't been evicted so the role was not known in the thread). On day 3 Fran came out as an investigator, and king kitty was being proposed as a target for investigation, he then made claims about not wanting his role revealed and so on. In the chat on night 3 he said he did this so that the mafia wouldn't be able to get a list of people with no abilities to early in the game. Now this all makes sense, but his actions today have had him seem suspicious of me, odd that he would spell out his actions so clearly if that was the case.

Mazre: Gossip, not been as active recently but seems a pretty intelligent poster.

Salvapot: Posts a lot but doesn't say much. Town have been considering him a few times, like they are now, so I can see town voting him out and you guys not really needing to worry about him.

Hobohodo: The first great casualty of making our town great.

Franconp: Glorious member of the HHA

Ultron: The role claim is interesting he did it early on but he seems like someone who knows what he is doing based on others mentioning him from the last game. The thing is that role claim could easily be made up and he is just a normal player. Either way he is irrelevant as Fran's fate is tied up with him.

LaunchpadMcQ: We can all agree that we need him gone ASAP.

Darryl: As discussed before got to be something up with him, else I am the only special role that Razmos could invite. And we still don't know what information on a player was revealed after Darryl entered the chat.

Razmos: Gossip, not much to say.

Timeaisis: We know he is ordinary and he is also pretty middle of the road when it comes to what he says, definitely bigger threats.

Lunatic's Space: I mean can't really comment on Lunatic, but for the same reason as Ezekel I think this is a normal villager square. Hence two inactives when they got to it.

Also some general thoughts. If RNH is the secret partner then we form a rectangle, just something curious to take note of.

Going down the list of players still alive just then I noticed there are a fair few confirmed special roles without the more traditional ones such as Doctor or Bodyguard being present so far. This version has some unique roles due to the use of the town map, so I wonder if they may actually not exist in this variation?

If we don't get any strange activity tonight then I don't think we have any neutral parties, or if we do they don't actually have the ability to act at night.

703

Finally, just been looking at who was active this time last week, and it is essentially all

Hobohodo 06-04- 2015 11:05 AM ET (US)	the people who are there at the moment, most of which have voted suggesting they won't be able to get back on. If RNH and I do go Salva that will put me two votes ahead. Salma wasn't posting around this time last week so maybe we will get fortunate there.
704 ourobolus 06-04- 2015 11:06 AM ET (US)	Yeah, this game is a little odd when it comes to the roles. And yes, we might get lucky, but we need RNH to change his vote at some point.
705 franconp 06-04- 2015 11:11 AM ET (US)	There's a tie right? I find it weird nobody is posting as the deadline is getting closer and if it ends like this we get a not eviction.
706 Hobohodo 06-04- 2015 11:12 AM ET (US)	So the place where I teach has no signal at all as we are down in a basement essentially. So just before I go in (about half hours time) I will post a vote for Salva. After that the classes are 45 minutes each so I will pop out in between classes to see whats up and wether further action or a role claim is needed.
707 Hobohodo 06-04- 2015 11:13 AM ET (US)	Currently there is a tie yeah, but the same thing happened last week really with little activity as we got to our deadline. I think it's why Kark is gathering the timezones of everyone, so that he can try and have it end at a more active time.
708 ourobolus 06-04- 2015 11:54 AM ET (US)	Godspeed, Hobo.
709 ourobolus 06-04- 2015 12:15 PM ET (US)	We'll need to be a little careful here. All 3 of us are voting for Salva.
710 franconp 06-04- 2015 12:23 PM ET (US)	Yes, but right now, if I'm correct, we are 5 votes to salva vs 4 votes to Hobo (I think Mazre did a mistake and I don't plan to say anything). We don't have a choice.
711 franconp 06-04- 2015	FUCK, I want to change my vote to Darryl so much and try to evict him. I think it may be posible but it's too much of a risk.

12:49 PM ET (US)	
712 ourobolus 06-04- 2015 12:50 PM ET (US)	I do too. If LMQ does, I may follow.
713 franconp 06-04- 2015 12:52 PM ET (US)	I'm thinking the same.
714 Hobohodo 06-04- 2015 01:02 PM ET (US)	Ok quick check up and all is okay as I can hope still. I'm going to try and pop in about 15 mins from the end but I don't know that I will be able to stay for those 15.
715 Ourobolus 06-04- 2015 01:15 PM ET (US)	I feel like I need to post something casting my doubt on our choices, but I've no idea what I should say.
716 ourobolus 06-04- 2015 01:22 PM ET (US)	Are you still planning on "investigating" hobo tonight if he survives this?
717 franconp 06-04- 2015 01:26 PM ET (US)	Being honest, I don't have a clue. I don't know what to do right now, either with the investigation or the eviction. I have a few completely different plans but no idea will would be best. I'm thinking waiting until the end of this phase and see what will happen. After that will post here the different theories that I have.
718 ourobolus 06-04- 2015 01:30 PM ET (US)	How does this sound? "I've been racking my brain for like an hour now and I think I've just made myself even more confused. I totally get the arguments for both people currently in the running, and I think they're both valid. Hobo has been relatively benign the whole game, but his position is suspicious, and Salva has been a bit of an anomaly practically the whole game in my mind. But now that we're getting to the end here, I'm starting to doubt damn near everything. "
719 ourobolus 06-04- 2015	+ "That said, it's a little odd that Salva hasn't shown up yet to defend his position (despite his discussion with LMQ on the last page).

01:35 PM ET (US)	Shit. I've got a bad feeling about both of these now. "
720 ourobolus 06-04- 2015 01:41 PM ET (US)	Shit, it's tied now.
721 franconp 06-04- 2015 01:45 PM ET (US)	I don't think it will make a difference. Right now it all depends on the few people who hadn't vote. Let's hope RNH change his vote.
722 ourobolus 06-04- 2015 01:45 PM ET (US)	I don't intend to sway anyone, I'm just trying to cover my own ass.
723 franconp 06-04- 2015 01:45 PM ET (US)	Well, he just voted. Salva hasn't voted so we aren't safe yet.
724 franconp 06-04- 2015 01:46 PM ET (US)	I don't think it's a problem with that.
725 ourobolus 06-04- 2015 01:47 PM ET (US)	Huh? I don't follow.
726 franconp 06-04- 2015 01:48 PM ET (US)	Yeah, I should have reread before I posted. I don't think you are in trouble.
727 ourobolus 06-04- 2015 01:48 PM ET (US)	Ok, I'll not post then.
728	Crap, Hobo might need to roleclaim soon - Salva would push it over the edge.

ourobolus 06-04- 2015 01:49 PM ET (US)	
729 francomp 06-04- 2015 01:49 PM ET (US)	FUCK. KK voted for Darryl if he had done that 1 hour earlier I would have voted too. Now it's too risky.
730 ourobolus 06-04- 2015 01:50 PM ET (US)	I just saw that, too. Goddammit.
731 ourobolus 06-04- 2015 01:51 PM ET (US)	We've got 9 minutes left. I think he should roleclaim.
732 francomp 06-04- 2015 01:52 PM ET (US)	At this point I think the same. If salvapot votes he is out.
733 ourobolus 06-04- 2015 01:52 PM ET (US)	Especially if for some reason Salva shows up at the last minute.
734 ourobolus 06-04- 2015 01:52 PM ET (US)	Yeah. Hobo, if you're reading this, roleclaim now!
735 ourobolus 06-04- 2015 01:53 PM ET (US)	WAIT!
736 ourobolus 06-04- 2015	And ultron with the save! For now!

01:53 PM ET (US)	
737 franconp 06-04- 2015 01:54 PM ET (US)	Maybe there's no need. Ultron to the rescue. If salvapot votes Hobo to save his ass, KK will vote Salva and we are safe.
738 ourobolus 06-04- 2015 01:55 PM ET (US)	I know KK said that, but we can't assume he won't go the other way, either...
739 Hobohodo 06-04- 2015 01:55 PM ET (US)	Ok I'm here I'm on spotty 3G and I can stay till 7. Maybe fran an say he will consider investigating me tonight if I live, it's what KK wants after all and he still has a vote?
740 franconp 06-04- 2015 01:56 PM ET (US)	WHAT!!!!!!
741 ourobolus 06-04- 2015 01:56 PM ET (US)	No, fran shouldn't say anything right now. We pretty much have to keep quiet. Ugh.....
742 ourobolus 06-04- 2015 01:56 PM ET (US)	FUCK! Role claim!
743 Hobohodo 06-04- 2015 01:56 PM ET (US)	So attempt a role claim? Dunno if 4 mins is enough time...
744 ourobolus 06-04- 2015 01:56 PM ET (US)	WAIT! GODDAMMIT KINGKITTY MAKE UP YOUR MIND
745	God damm it!

Hobohodo 06-04- 2015 01:57 PM ET (US)	I role claim a protector if needs be yeah?
746 ourobolus 06-04- 2015 01:58 PM ET (US)	Shit, if Salva shows up he needs to roleclaim.
747 ourobolus 06-04- 2015 01:58 PM ET (US)	It might be too late now though. FUCK
748 franconp 06-04- 2015 01:58 PM ET (US)	You need to do something. Right now we are 7 - 7 and Salvapot is missing.
749 Hobohodo 06-04- 2015 01:58 PM ET (US)	Let's hope he won't, he isn't normally active now...
750 franconp 06-04- 2015 01:59 PM ET (US)	Damn Ezekel!!!! We were almost safe.
751 Hobohodo 06-04- 2015 01:59 PM ET (US)	7-7 thought king kitty tipped us to be + 1?
752 ourobolus 06-04- 2015 01:59 PM ET (US)	No, Ezekel changed his vote.
753 ourobolus 06-04- 2015	holy shit it's a tie

02:00 PM ET (US)	
754 ourobolus 06-04- 2015 02:01 PM ET (US)	And Darryl actually saves us!
755 Hobohodo 06-04- 2015 02:01 PM ET (US)	Who was Daryll on? 3G is such a pain.
756 ourobolus 06-04- 2015 02:01 PM ET (US)	GODDAMMIT KK
757 Hobohodo 06-04- 2015 02:02 PM ET (US)	How does Kark rule this? Technically that post was at 1 minute past, or does day not end till he calls it?
758 ourobolus 06-04- 2015 02:02 PM ET (US)	I don't know. Roleclaim, fran? I think he has to.
759 ourobolus 06-04- 2015 02:03 PM ET (US)	Too late. FUCK
760 francomp 06-04- 2015 02:03 PM ET (US)	I don't know what will Kark do.
761 ourobolus 06-04- 2015 02:04 PM ET (US)	Wait, is Kark calling it at 2? Oh man, we may have dodged a bullet.....
762	God lets hope, 10 minute drive home for me now. God knows what will have happened

Hobohodo 06-04- 2015 02:08 PM ET (US)	when I'm back.
763 Hobohodo 06-04- 2015 02:23 PM ET (US)	I need the summary now.
764 ourobolus 06-04- 2015 02:25 PM ET (US)	Be gentle, Kark!
765 ourobolus 06-04- 2015 02:29 PM ET (US)	I think I'm seeing 8-7 for Salva eviction. I THINK. It's hard to keep track.
766 ourobolus 06-04- 2015 02:31 PM ET (US)	No. It's 7-6 for Salva if Darryl's vote counts and KK's doesn't. If KK's counts or neither count, it's a tie. I THINK we are ok.
767 ourobolus 06-04- 2015 02:33 PM ET (US)	Actually, if KK's vote counts, it's a Hobo eviction. Shit.
768 Hobohodo 06-04- 2015 02:33 PM ET (US)	Ok, so if I'm safe we start to plan operation Hobohodo the dead dodo yes?
769 Hobohodo 06-04- 2015 02:34 PM ET (US)	Nooooo, please Kark D=
770 ourobolus 06-04- 2015	Lol, there's Salva's vote.

02:36 PM ET (US)	
771 ourobolus 06-04- 2015 02:42 PM ET (US)	Holy shit you survived. Go buy a goddamned lottery ticket, Hobo.
772 Hobohodo 06-04- 2015 02:45 PM ET (US)	Good god I can't believe that, also turns out he was ordinary after all so nothing to him being seperated from everything.
773 franconp 06-04- 2015 02:46 PM ET (US)	AND WE ARE SAFE AGAIN!!!!!!!!!!!!!! What a day!!!!
774 ourobolus 06-04- 2015 02:47 PM ET (US)	Jesus Christ that was stressful. I feel like I need to lie down.
775 franconp 06-04- 2015 02:47 PM ET (US)	Tonight I will post some of my thoughts about the eviction and the investigation.
776 ourobolus 06-04- 2015 02:48 PM ET (US)	I'll post my eviction idea. LaunchpadMcQ - I think it may draw attention to Darryl. Or it might draw attention to RNH, but he kinda screwed himself over with that one post about Hobo's role.
777 Hobohodo 06-04- 2015 03:08 PM ET (US)	This is the day where he didn't point fingers at you particulalry so there are defined gonna be some benefits to getting him now. Anyway, Operation Hobohodo the Dead Dodo is go!
778 ourobolus 06-04- 2015 03:10 PM ET (US)	Yeah, that's my thought too. As for investigation, maybe Darryl? We can figure it out and then if we have to claim you investigated Hobo we can do that as well. Given the closeness of the vote today it probably makes the most sense that everyone is going to go straight for Hobo.
779	How much fun was tallying those votes, Kark? :P

ourobolus 06-04- 2015 03:45 PM ET (US)	
780 Hobohodo 06-04- 2015 04:11 PM ET (US)	Yeah, tomorrow people will probably suspect the HHA are happily throwing me to the wolves after today but I also think it's fair to assume someone in Fran's position would investigate me with votes being that close.
781 Hobohodo 06-04- 2015 04:13 PM ET (US)	Just noticed that King Kitty posted in Mazre's chat as soon as Kark called it saying he hopes I'm not Mafia. God I wanna mess with him =P
782 Ourobolus 06-04- 2015 04:23 PM ET (US)	Lol at LMQ's post in the Mafia thread.
783 Hobohodo 06-04- 2015 06:07 PM ET (US)	Yeah that gave me a laugh.
784 franconp 06-04- 2015 07:30 PM ET (US)	I'm going to give a number of possibility and ideas that I have (long post incoming): Eviction: - The best course of action to me would be evicting Launchpad. We want him out of the game. Also I don't think anyone will be suspicious of any of us with his eviction as he has accused EVERYONE during the game. If we evict Launchpad the biggest suspect would be Darryl right now and I think there are several player that want him out (KK, Nin and all of us would be ok with his eviction and I don't think the rest will be too interested in saving him). My biggest regret evicting Launchpad will be that he trust me. -If it isn't Launchpad I'm leaning towards Mazre or Kalor. If we decide not to evict Launchpad I think we should be evicting someone who has already roleclaimed and proved to be town. We want to reduce the number of trusted players and leave only the ones that are suspicious. Mazre, Kalor, Timeaisis, Razmos and Toma are trusted townies after they roleclaimed and I validated for some of them. They will not be evicted by town. We want them out the sooner the better as if they remain in the game the voting will be targeted between fewer players. I put Mazre and Kalor up in the list as they are the more talkative of the bunch. Investigation: -I think we should investigate Darryl. We need to know what he can do, know if he has some way to gain info. If Darryl has some sort of new role and the name isn't to

revealing I can pressure him to roleclaim and see what he says. Maybe it can create even more suspicious on him.

-If we don't investigate Darryl my main targets would be Ezekel and Nin. I'm leaning regular townie for Ezekel but I'm not too sure. With Nin I don't have a clue, I think he has some sort of power role but I don't know what it could be.

Next day phase:

This is where I'm having more doubts. The main problem I have is between saying I investigated Hobo or don't. There were a lot of suspicious voting near the end of the deadline. KK, RNH and Darryl did some weird things towards the end and they will be questioned and doubted about it the next phase. This could give us a little leverage the next day phase as maybe town will be more concern about them that towards Hobo, so maybe there's not need to put him on the spot.

But if I decide to say I investigated Hobo and found something weird and say his role and he doubted and evicted when they find out that he is HHA the main targets for the next phases will be KK, RNH and Darryl as they did all that weird thing towards the end and they will be accused of protecting him. I think town will concentrated on them for several phases giving us some time to take out other players. The downside is that we lose Hobo =(And if RNH is our partner he will be in danger.

I'm not to sure If say or not because if Hobo isn't in much danger the next phase we will just making the danger ourselves and if Hobo is in danger we need to say I investigated him as I will gain more credit with town and I can use that to help Ouro. Also I can't post anything until we are sure how it will go as it would be weird that I started posted and just when Hobo is in trouble I come forward with is role. That will make me look like his partner and that I'm giving him to town to clean my name.

I think the best course of action it would be to evict Launchpad and investigate Darryl. I will disappear from the thread for the first day or half a day to see how are the things going. If the town are doubting of Hobo I should say I was busy and could connect and say I investigated him, that I just saw the results and post his role. If the town isn't to worried of Hobo but instead they are interrogating KK, RNH or Darryl (or anyone else for that matter) and we have some interesting info on Darryl I think we should go for him. If he is just a regular townie... I'm not to sure what to do. Let's decide then.

Ha! Good to know we are on the same page.

I'm definitely thinking LMQ over Kalor and Mazre. The main reason is that this has been the one day where he hasn't really gone after us, and while he trusts you, I don't think there's a real downside there (Haly "trusts" you too). I do think that we need to go down the trusted list after evicting him though.

We definitely need to investigate Darryl. I don't know what's going on with him, but I am 100% positive he has a special role - so far all of the gossip ranges have 1 HHA (Hobo and myself), 1 Gossip, 1 Ordinary Villager (freak, Timeaisis, maybe nin1000), and 1 Special Villager (Tucuh, KK, maybe Darryl - assuming nin1000 is Ordinary, which I believe to be the case).

	The next day phase is going to be rough. I'm almost positive that the three people in everyone's sights are going to be Hobo, Darryl, and RNH. Hobo because we evicted Salva yesterday, Darryl, because of his general douchebaggery (and that we will evict LMQ during the night), and RNH, because he posted that comment about Hobo bring useful which was laughed off. We should assume that Hobo will get evicted tomorrow, but plan for that also not being the case. If there's a chance we can turn the sights to Darryl, all the better. As much as I want to bring RNH into the team, he's still kinda on his own for right now since we can't coordinate with him. Luckily, he's been pretty good at following our voting patterns, so maybe we'll get lucky. That said, we need to prepare for the eventuality that Hobo is called out tomorrow - so I don't think we can claim we investigated anyone else. Good call on watching how it all unfolds for the first day or so - we'll need to see how everything is going. If Hobo is evicted tomorrow, we definitely need to take out 2 confirmed villagers. Mazre and Kalor are good options for that.
787 franconp 06-05- 2015 11:29 AM ET (US)	I think KK will be even in a worse situation. His last minute change made a tie and if Darryl didn't change his vote it was a no eviction. He said that he didn't realized that and said a joke but several townies will find this suspicious.
788 Ourobolus 06-05- 2015 11:41 AM ET (US)	Yeah, KK isn't in a good spot either. And he's suspicious of Darryl too, so if they go at it that could be really good for us.
789 Hobohodo 06-05- 2015 12:41 PM ET (US)	Well The Witcher made me forget about posting earlier...whoops!
	Anyway I was not really going to say much more than Ouro has so we seem to be in pretty good agreement on our plan moving forward. I will say if we go down the outing me route it would be good if we can try and coordinate it around a time we are all able to be active, or more specifically me and fran. I'm not saying I wanna be there to instantly counter Fran's post, as that will seem to obvious, but wanna be around so that if everyone goes 'That name MUST be HHA!' I can get in there and try the whole shopkeeper protector angle. Don't want to get a majority before I can even show up after all!
790 Ourobolus 06-05- 2015 03:06 PM ET (US)	I'd need to be there too, because I plan to say something like "You gotta be fucking kidding me" the moment fran outs your role. I am going to be voting against you from the get-go, FYI.
791 franconp 06-05- 2015 03:21 PM ET (US)	I was thinking posting Monday around 2 PM here (I'm GTM -3), almost a day after we start the next phase if it's OK with everyone.

792 Ourobolus 06-05-2015 03:22 PM ET (US)	I think that's...2 or 3 hours ahead of me, so I think that works. Just post in here when you're gonna do it so we get a heads-up.
793 franconp 06-05-2015 03:28 PM ET (US)	Yes, I was thinking giving a heads-up here half an hour earlier. Edited 06-05-2015 04:05 PM
794 Hobohodo 06-05-2015 04:06 PM ET (US)	So that's about 6/7PM my time, sounds good.
795 franconp 06-06-2015 04:24 PM ET (US)	I have already PM Kark. Let's see what info we get on Darryl.
796 Ourobolus 06-06-2015 04:49 PM ET (US)	K. Shall I evict LMQ?
797 Ourobolus 06-06-2015 05:42 PM ET (US)	Done. Just in case. :)
798 Hobohodo 06-07-2015 03:40 AM ET (US)	Looks like I've lost Mazre's trust. He hasn't posted anything into his chat. Has Froshy spoke at all?
799 Ourobolus 06-07-2015 06:53 AM ET (US)	Not a word.
800 Karkador ★	As a result of investigating Darryl , you find that he's the lost HHA partner

06-07-2015 01:32 PM ET (US)	Darryl will now formally join your team, and be allowed to chat in here. Please welcome them!
801 Hobohodo 06-07-2015 01:41 PM ET (US)	Wait really! For real!? I'm at a loss for words. Welcome Darryll! What's up with RNH then...he just seems to agree with everything...
802 Ourobolus 06-07-2015 01:43 PM ET (US)	Holy shit. Was not expecting that.
803 Ourobolus 06-07-2015 01:44 PM ET (US)	All right then. Time to focus on RNH. welcome, Darryl!
804 Ourobolus 06-07-2015 01:47 PM ET (US)	Dammit. Now I have to find a hat to eat.
805 Hobohodo 06-07-2015 01:48 PM ET (US)	So two HHA are able to get to Razmos' chat...madness. So Darryl have you got any special abilities?
806 Hobohodo 06-07-2015 02:26 PM ET (US)	And to think there was a moment at th end of the last day phase where the idea if pushing for his eviction was bandied around! The fact that he actually saved me also makes sense now.
807 franconp 06-07-2015 02:29 PM ET (US)	Wtf!!! I didn't expect that. Welcome darryl!!!
808 franconp 06-07-2015	Yeah, we are lucky we didn't push for his eviction. Edited 06-07-2015 02:30 PM

02:30 PM ET (US)	
809 franconp 06-07- 2015 02:33 PM ET (US)	Maybe it was a mistake to evict launchpad.
810 Ourobolus 06-07- 2015 02:33 PM ET (US)	Also, did you claim anything in Razmos' chat?
811 Ourobolus 06-07- 2015 02:35 PM ET (US)	Fran - I thought that too, but I think most people will still be focused in Hobo or RNH.
812 franconp 06-07- 2015 02:39 PM ET (US)	And kk. Darryl is a corporate lackey. No idea what he can do.
813 Ourobolus 06-07- 2015 02:49 PM ET (US)	Good. Looks like our eviction actually worked this time.
814 Hobohodo 06-07- 2015 02:50 PM ET (US)	Yeah, now we wait and see how this all pans out.
815 franconp 06-07- 2015 03:07 PM ET (US)	It didn't start well. Razmos and ezekel still doubt hobo.
816 Ourobolus 06-07- 2015 03:09 PM ET (US)	Yeah, I was expecting that. At some point I want to point out RNH's weird comment about Hobo's usefulness though.
817	I think we can use that after hobo is revealed.

franconp 06-07- 2015 03:13 PM ET (US)	
818 Hobohodo 06-07- 2015 03:27 PM ET (US)	Could be useful for splitting votes between us, I mean something seema funny with him as he has nearly always gone wig us, where no one else did. Also allow me to put on my tinfoil hat but I was expecting our secret partner to be Lyle, who actually runs the HHA in your town in AC, no way we could have another member is there?
819 Ourobolus 06-07- 2015 03:55 PM ET (US)	Darryl - here's a link to the spreadsheet we've been using to track everything. Feel free to update with your notes. https://docs.google.com/spreadsheets/d/1G-...it?usp=docslist_api
820 Hobohodo 06-07- 2015 06:12 PM ET (US)	Ok so just before the nigh ended Mazre and KK posts once more in the topic. Mazre claims to have no particular feelings on who the HHA, but he wants l push for a roomie eviction today. He reckons based of people's comments throughout day 4 that a vote in that way should gain traction. He wouldn't say what the exact argument will be though, he is saving that for the main thread. Kingkitty reckons it's risky to do this with fran being an investigator, be he has expressed an interest in a roomie eviction before. He is waiting for the argument Mazre makes however. Kingkitty claims to mainly suspect RNH and Haly, dunno if he didn't wanna name me as I'm in the thread. But again perhaps RNH is a possible push we can make?
821 Ourobolus 06-07- 2015 06:17 PM ET (US)	I think we'd have a good shot at going after RNH. I don't have a good argument ready for going after Haly though.
822 Ourobolus 06-07- 2015 06:32 PM ET (US)	I have an idea. If we, say, go after Mazre tonight, would it make sense for one of you to do the eviction? This way, Kalor will trigger his Light Sleeper ability and it will throw them all off of the Stealth Kill ability.
823 Hobohodo 06-07- 2015 06:40 PM ET (US)	That's an interesting idea, if we get me through the day phase then I may as well do it as I'm kind of a dead man walking at this point.
824 franconp 06-07- 2015 07:40 PM ET (US)	Mazre should be my main target, it's a shame we didn't get that info sooner. Maybe he was a better target than launchpad. Now I realize that kark sure had a good laught when we were sorry that we didn't have enough time to push for darryl eviction last phase.

	Also I realized that I have to say I investigated hobo as I don't have anything. I could say I don't want to share the info, but there are several people asking for the results. It may be dangerous. Edited 06-07-2015 07:41 PM
825 Ourobolus 06-07-2015 07:49 PM ET (US)	Yeah. I think you'll have to post his info at some point this day phase. I don't think there's a way around it.
826 Ourobolus 06-07-2015 09:17 PM ET (US)	Hmmm...what's squidyj's deal?
827 Darryl 06-07-2015 09:18 PM ET (US)	You guys almost let it all slip through your fingers on Hobo. Jesus. If he was out they would've had you all
828 Ourobolus 06-07-2015 09:22 PM ET (US)	Yeah. We were definitely scrambling last day phase.
829 Darryl 06-07-2015 09:24 PM ET (US)	I made a huge roleclaim in chat. I claimed I was a Nosy Neighbor and got alerts when players were evicted if HHA were nearby. I planned to have myself offed before you guys could find me.
830 Darryl 06-07-2015 09:25 PM ET (US)	I have no role otherwise outside of being HHA
831 Ourobolus 06-07-2015 09:25 PM ET (US)	Hm. That'll be interesting. Do you have any actual abilities with your actual role?
832 Ourobolus 06-07-2015	Nvm.

09:25 PM ET (US)	
833 franconp 06-07- 2015 09:26 PM ET (US)	If you read some of the older post you will see we were panicking. I don't think they would relate Hobo to us. It would lead mostly to KK and RNH. What can your role do? Also, I want to congratulate you. You deceived all of us, neither of us expected you to be our partner.
834 Ourobolus 06-07- 2015 09:26 PM ET (US)	Anyway, we're kinda assuming Hobo may be evicted this phase. Fran "investigated" him last night and may post his role if necessary. At least we'll get two evictions out of it, but there's not much we can do to save him really at this point. At the very least it should make everyone trust Fran.
835 franconp 06-07- 2015 09:37 PM ET (US)	A little summary: I said the truth, I'm an investigator and can learn people roles, Ouro can perform silent evicts (he evicted tucuh) and when Hobo is evicted we get 2 evictions the next night phase. Right now we are assuming Hobo is beyond salvation so, if we can't find a way to save him, I'm going to say I investigated him and find something weird. He will roleclaim being some sort of doctor or blocker but we don't think it will be enough to avoid eviction. When Hobo is acknowledged as HHA we think town will pursue KK and RNH as they did some weird votes the last phase. At the night phase we plan to evict Mazre and Kalor as we need to start evicting accepted townies. Also last phase we targeted Haly and it didn't go through so we think he may be the other commuter.
836 Darryl 06-08- 2015 12:24 AM ET (US)	I didn't want you guys to find me. Lol. Reading these messages is hilarious tho. Anyways, it sucks that Haly couldn't have gotten evicted. She was my #1 threat. She's impossible to get with an evict unless another town brings something out. I'm hoping we can get Ezekel. He, Kingkitty, RNH, Toma might be possible.
837 Hobohodo 06-08- 2015 03:36 AM ET (US)	Yeah it is looking like fran will need to out me more and more at the discussed time.
838 franconp 06-08- 2015	I'm now thinking it isn't a good plan. If you are out I'm out for sure the next phase as the HHA will have 2 evictions and didn't use any of them on me. I will be in more trouble the longer I stay in the game, sadly my roommate situation isn't good. New plan: If I'm going to go let's go with a bang. What if I say I investigated Ezekel and

07:08 AM ET (US)	claim he has Ouro's Role. I can say he is the silent destroyer and push for his eviction, if he doesn't have a way to prove he is town It could go through. If he is out this phase we can go for Mazre this night phase, I'm sure I will be evicted the next day phase for lying (with Ultron) and we can take out Haly the next night phase. That would give us 2 turns and we can take out 3 townies.
839 Ourobolus 06-08- 2015 08:18 AM ET (US)	I still think it's a good plan (at least considering what options we actually have). Here's how I see it playing out. Day 5: Hobohodo Night 5: Mazre and Kalor (or EzekelRAGE) Day 6: Possibility that franconp is trusted and the HHA suspicion falls on ultron. Depending on how the day goes you can either say you investigated me for protection, or you can push my role on someone else (maybe Haly). Night 6: Haly (if still around). Or else a confirmed townie or a threat. Day 7: Roommates. Probably. Night 7: Townie or a threat. Day 8: This is where it gets funky. All of your roles that have been identified are now in doubt, so it's possible that we can work on Timeaisis. RNH is still suspicious in the thread though. Regardless, I think my plan gives us at least an extra day.
840 Ourobolus 06-08- 2015 08:35 AM ET (US)	I'm going to go ahead and vote for Hobo. Considering they are throwing my name around, it might make more sense for me to lead the voting.
841 franconp 06-08- 2015 08:38 AM ET (US)	I don't think I will stay that long. We know that Mazre is going for me and several are doubting me. We need to use the little trust they have in my roleclaim and use it to take out Ezekel. If I'm not taken out in the double eviction I can't vouch for anyone and I will be the next one out of the door. This is how I see it can go: Day 5: Ezekel Night 5: Mazre Day 6: Ultron/me Night 6: Haly Day 7: Maybe we could go for Timeasis as we can say protected him. Most probably Hobo is out. If hobo is out we could take out Kalor and Toma that night phase. And the next day phase will be interesting as KK and RNH will be suspicious for they voting the last day phase and Timeaisis doesn't have a confirmation on his role. Anything could happen.
842 franconp 06-08- 2015 08:40 AM ET (US)	It wouldn't be logical that I found a HHA and don't get evicted when they have 2 shots.
843 Ourobolus	Again, the logic is that they assume ultron is the HHA, and don't want to give him up. Regardless, either way is risky. I'm going to at least get my vote out there for Hobo,

06-08-2015 08:41 AM ET (US)	because I need to start building up some sort of trust, since it looks like you and Hobo are going to be taken out sooner rather than later.
844 francomp 06-08-2015 08:44 AM ET (US)	I think if Ultron was the HHA he would sacrifice himself to take out an investigator. I would do it if our situations were reversed.
845 Ourobolus 06-08-2015 08:46 AM ET (US)	Probably. But I don't know if we can really make that assumption with 100% accuracy. It's probably true though. The way I see it, if you trick the town into voting out someone else, you're 100% done. If you confirm Hobo and survive, you at least may have a chance.
846 francomp 06-08-2015 09:16 AM ET (US)	I want to know what the rest think. We have still some time.
847 Darryl 06-08-2015 10:00 AM ET (US)	I can't see us ever evicting the roommates tbh. I wonder if Kark thought that role out. So don't throw self under the bus if you don't need to
848 francomp 06-08-2015 10:13 AM ET (US)	So that would mean that I post Hobo's role or do I say I investigated someone who is just a regular townie and don't want to share who? Also I will post something a little earlier than planned. Maybe half an hour. I will give you a heads-up before.
849 Ourobolus 06-08-2015 10:16 AM ET (US)	I'm leaning towards you posting Hobo's role. It looks like most of the playing field still suspects him so I think he'll be evicted regardless - so it would help you out if you out what his role is. I'd avoid being secretive about your investigations since you've been pretty open about them so far.
850 Ourobolus 06-08-2015 10:30 AM ET (US)	Darryl, sometimes I can't tell if you're an idiot or a genius. :P
851 francomp 06-08-2015	I'm still can't believe he is our partner. Maybe it's a joke from Kark and he is the one posting here with Darryl's name.

10:33 AM ET (US)	
852 Ourobolus 06-08- 2015 10:39 AM ET (US)	The Star Wars thread went crazy again.
853 Hobohodo 06-08- 2015 10:41 AM ET (US)	Darryl is actually a Happy Home infiltrator. When we investigated him it allowed him to enter the fold as a HHA. His allegiances are still with town. Evict: Darryl
854 francomp 06-08- 2015 10:48 AM ET (US)	I don't understand Star Wars thread. They are completely nuts.
855 francomp 06-08- 2015 10:50 AM ET (US)	I'm posting something in around one hour. The "Hobo has a weird role" plan is still OK?
856 Ourobolus 06-08- 2015 10:52 AM ET (US)	I'm fine with it. For now I just don't see a reason for you to throw yourself under the bus just yet.
857 Hobohodo 06-08- 2015 10:53 AM ET (US)	Yeah my gut says that outing me is better than outing you right now. Lets be honest it's perfectly reasonable that if you were town you would investigate me after how the last day went. Sure they may see it as you throwing me to the wolves to cement your innocence but that theory is going to come up whenever we do this,
858 Darryl 06-08- 2015 11:34 AM ET (US)	I have never really had a strategy other than to make everything difficult on everyone. I guess right now I'm trying to uncement some posters from the groupthink. I want players like NIN to speak up. If we get a successful Hobo eviction, it's just down the list to Ouruborus. Then what? It's me and the roommates? We are playing a losing game
859 Darryl 06-08- 2015 11:37 AM ET (US)	Getting Francomp trusted has never been a thing that mattered. Ever. We needed Ouruborus and Hobo off the hot list.

860 Hobohodo 06-08- 2015 11:41 AM ET (US)	We may be able to get Ouro off but not sure if we can really manage it for me at this point. Fran can always claim Ouro is a Villager instead if we think we can manage to get someone but me voted out today.
861 franconp 06-08- 2015 11:48 AM ET (US)	We are playing a losing game since the setup. Sorry Kark but it's true. My situation with Ultron was extremely suspicious from the start and there wasn't much we could do. And Hobo's position was dangerous as soon the town gossips revealed their roles. That's half the team. I'm not too sure in Ouro. It's obvious that there is an HHA in the light sleepers zone but that includes 7 players so his chances are much higher. Right now we just try to stay the longer and have fun with the game. I'm open to any situation: -Say Hobo's role -Accuse Ezekel -Say nothing and see how it goes.
862 Ourobolus 06-08- 2015 12:01 PM ET (US)	I don't think we had any delusions that we were at any sort of advantage. Fran's and Hobo's positioning is immediately suspect, and we didn't know who our fourth party member was at the outset. I'm just having fun and would like to see how long we can take this.
863 Darryl 06-08- 2015 12:29 PM ET (US)	Put myself out there hardcore now
864 Ourobolus 06-08- 2015 12:31 PM ET (US)	Lol. This should be interesting.
865 franconp 06-08- 2015 12:31 PM ET (US)	I have some complications at work so I didn't have to make the post and I need to rush to a meeting in a couple of minutes. I think I will post in about an hour, hour and a half. Will read your opinions here before posting anything.
866 Ourobolus 06-08- 2015 12:51 PM ET (US)	No worries, man. Take your time.
867 Hobohodo	'The fact that Daryl finds me suspicious is actually kind of comforting, because I think he's assuming that I'm HHA because he's not.'

06-08-2015 01:07 PM ET (US)	lol (As long as Daryl isn't some weird red herring role, still can't believe it.)
868 Ourobolus 06-08-2015 01:11 PM ET (US)	If we all somehow manage to survive today, I'm going to go buy a lotto ticket.
869 Darryl 06-08-2015 01:16 PM ET (US)	For the record I am Lyle. I really doubt there is another HHA. But we could have neutrals.
870 Ourobolus 06-08-2015 01:30 PM ET (US)	Yeah, I don't think there are any more HHA out there. As for neutrals...well my only guesses would be ultron, kingkitty, or maybe one of the replacements (though that seems unlikely). Not having any seems likely too.
871 Ourobolus 06-08-2015 02:15 PM ET (US)	I knew squidyj was going for me.
872 francomp 06-08-2015 02:42 PM ET (US)	I'm here. I will post hobo's role and let's see how it goes. Hobo your role's name is "the younger nephew" right?
873 Ourobolus 06-08-2015 02:44 PM ET (US)	"Tommy Nook, the younger nephew," according to his post way back at the beginning.
874 francomp 06-08-2015 02:45 PM ET (US)	Yes, I want to confirm that. If there's is a mistake I'm out.
875 Ourobolus 06-08-2015	Here, Hobo Hobo Hobo.

03:00 PM ET (US)	
876 Ourobolus 06-08- 2015 03:09 PM ET (US)	Squidyj is also calling Hobo out now.
877 Hobohodo 06-08- 2015 03:27 PM ET (US)	Sorry guys was eating food, lemme go check my PM to get it right.
878 Hobohodo 06-08- 2015 03:29 PM ET (US)	Yeah, Tommy Nook, the Younger Nephew.
879 franconp 06-08- 2015 03:35 PM ET (US)	Well, let's start this.
880 Ourobolus 06-08- 2015 03:38 PM ET (US)	*crosses fingers* Go big or go home.
881 franconp 06-08- 2015 03:48 PM ET (US)	Done. Don't jump to soon Hobo.
882 Hobohodo 06-08- 2015 03:50 PM ET (US)	Not gonna, it's Game of Thrones time in the UK so I'll check in after that.
883 Hobohodo 06-08- 2015 04:01 PM ET (US)	Shopkeeper/Protector kinda role we sticking to as I scramble about yeah?
884	Sounds good to me. "Protecting" the roomies seems legit for now.

Ourobolus 06-08-2015 04:05 PM ET (US)	
885 Darryl 06-08-2015 06:11 PM ET (US)	I'm gonna miss u hobo
886 Hobohodo 06-08-2015 06:16 PM ET (US)	Ok so gist of my post is going to be that: 1. Confirm that is my role, and that an older nephew also exists. I don't know who that is and believe they have a slightly modified ability to me. 2. Timmy and Tommy are shopkeepers with access to pitfall seeds. Each night I can plant pitfall seeds around a house which stop players going IN. 3. As it is specified my seeds stop players going IN, I believe that the older nephew stops players going OUT. My name suggests some kind of pairing, so I felt this was the best way to go. Suggesting the other pair is a blocker would make sense that they won't out themselves. It's the best I can think of as I felt some form of duality was needed for my 'role'. Any major objections to that? I don't wanna collude to much so that when I most likely get taken out today nothing can be traced back to you.
887 Hobohodo 06-08-2015 06:16 PM ET (US)	Gonna miss you to Darryl, our time together was to short. :'(
888 Darryl 06-08-2015 06:17 PM ET (US)	I like that. It could be worth a try
889 franconp 06-08-2015 06:21 PM ET (US)	I like.
890 Hobohodo 06-08-2015 06:32 PM ET (US)	Well, here we go.
891 Ourobolus	Good post, Hobo.

06-08-2015 06:39 PM ET (US)	
892 Hobohodo 06-08-2015 06:45 PM ET (US)	Right gonna go through the thread to make sure anyone I 'targeted' matches up with the night activity the light sleepers detected. If I say something which contradicts a third light sleeper and we get them out in the open then that's still good for us.
893 Ourobolus 06-08-2015 06:46 PM ET (US)	You're going to clarify that they are not notified, right? I'm not gonna jump in until then.
894 Ourobolus 06-08-2015 06:47 PM ET (US)	Not the light sleepers - your targets.
895 Hobohodo 06-08-2015 06:56 PM ET (US)	Yeah will say that the targets aren't notified that they have been targeted. For who I planted seeds around I'm thinking. Night 1: Mazre - He made a bit of a splash day 1 where he kinda took control by stoping us from No Evicting to early so I felt mafia may see this as an active player to get early. He is in Kalor's zone who detected activity on night 1. Night 2: Roomies - Was banking on mafia not going for them night 1 as it felt to obvious, but Night 2 I wanted to protect them just in case. Night 3: Roomies - Fran had come out as investigator at this point, I felt he was to valuable a role to risk. Night 4: Myself - After the events of the day I was concerned with my own safety.
896 Ourobolus 06-08-2015 06:57 PM ET (US)	Most times a doctor cannot self-medicate. But that may not matter.
897 Hobohodo 06-08-2015 07:00 PM ET (US)	Yeah, only reason I thought to claim I protected my self is that in the star was game those guys who had shields and guns could give them selves shields.
898 Ourobolus 06-08-2015	Oh, really? Well ok then.

07:02 PM ET (US)	
899 Hobohodo 06-08- 2015 07:03 PM ET (US)	Because of the fact neither Kalor or Toma detected activity last night I have to stay out of there range, really the only players outside that range I would probably wanna protect after yesterday would be my self or the roomies again as I truly believe we need Fran alive. But I feel like 3 roomie protections in a row is a bit to much.
900 Ourobolus 06-08- 2015 07:06 PM ET (US)	That's fine. I think self defense can work.
901 Hobohodo 06-08- 2015 07:11 PM ET (US)	Yeah, I just double checked and the one guy gave himself a shield. The only issue I could see someone having with Mazre is that I was actually invited Day 1, and so was in the chat Night 1, but as that has been proven to not cause activity I think it is fair to say that the Gossips' chats also bypass any seeds I plant.
902 Hobohodo 06-08- 2015 07:18 PM ET (US)	Fucking hell, squidj.... He can take McCokedups place as our danger target.
903 Ourobolus 06-08- 2015 07:19 PM ET (US)	Yeah. Though his post is kinda funny. Got all three of us right there. Hahaha. But yes, I don't think we can do it tonight, but he's definitely on the list.
904 franconp 06-08- 2015 07:24 PM ET (US)	You can't say you protected yourself last night. As you said your role it prevents people from reaching you so you would be safe from everything, even my investigation.
905 Hobohodo 06-08- 2015 07:24 PM ET (US)	Daryll is my new favourite player. Never know what your going to get with each post.
906 franconp 06-08- 2015 07:25 PM ET (US)	If you say that i couldn't investigate you.
907	Maybe they won't pick up on it. Or, they'll catch his lie and he'll be out.

Ourobolus 06-08-2015 07:26 PM ET (US)	I may call it out later if we need to.
908 Ourobolus 06-08-2015 07:27 PM ET (US)	Also yes, Darryl. I'm convinced he's a genius now. Hahaha.
909 Hobohodo 06-08-2015 07:27 PM ET (US)	Ahh good point Fran, unfortunately I've all ready posted. =/ As I am claiming a variation on Doctor though perhaps we can explain it away as the act of killing I block rather than the act of getting to me. The older nephew being the role blocker would be the one that stops you doing anything. If anyone questions it I'll just try and say I tarted it up a bit with how I explained it there or something. I wasn't expecting people to be so receptive of it anyway so I'm currently pretty surprised.
910 Ourobolus 06-08-2015 07:28 PM ET (US)	Actually, it's good that he messed up. It looks like all eyes are on me, Darryl, and hobo, and of those, hobo actually gives is a benefit if he gets evicted.
911 francomp 06-08-2015 07:29 PM ET (US)	I'm soo glad Darryl is on our side.
912 Ourobolus 06-08-2015 07:30 PM ET (US)	Yeah, no kidding. Fran, if this doesn't somehow get turned around on me, are you going to "investigate" me tonight?
913 Hobohodo 06-08-2015 07:32 PM ET (US)	I feel like our HHA headquarters is like the most delicate house of cards ever. I'm just waiting for it to come crashing down around us.
914 Ourobolus 06-08-2015 07:33 PM ET (US)	I know, man! It's fun as hell though.
915 Darryl	Now that I've gotten intermingled I'm gonna bring you guys down with me lol

06-08-2015 07:37 PM ET (US)	
916 franconp 06-08-2015 07:39 PM ET (US)	I'm not too sure yet. If I claim you are ordinary villager maybe they won't do anything or maybe they will evict you to prove Hobo and mine roles. An ordinary villager would be an easy eviction to prove our alignment. If that happen it's all over.
917 Ourobolus 06-08-2015 07:39 PM ET (US)	Oh come on!
918 Ourobolus 06-08-2015 07:40 PM ET (US)	Fran - i am assuming hobo gets evicted in this scenario.
919 franconp 06-08-2015 07:41 PM ET (US)	We would need a strong role to keep them from evicting you. I can say you are the brother but finding the 2 brothers one after another if would be a looooooot of luck. I don't think they will buy it.
920 franconp 06-08-2015 07:42 PM ET (US)	If hobo is evicted then yes. I'm not too sure hobo will be evicted.
921 Ourobolus 06-08-2015 07:44 PM ET (US)	I'm willing to call out the Night 4 discrepancy if necessary. I like Hobo and all, but I think his eviction would get a lot of people off of the rest of our backs.
922 Hobohodo 06-08-2015 07:44 PM ET (US)	Gonna have to acknowledge Ezekel, he has asked why I wasn't putting up a fight twice now. I'm just gonna tell him the truth really. Timing of everything meant I really wasn't able to get on.
923 franconp 06-08-2015	Will Haly admit he is the commuter?

07:53 PM ET (US)	
924 Ourobolus 06-08- 2015 07:54 PM ET (US)	I don't know. But if KK is to be believed, he may have a different role, or just might be a villager.
925 Ourobolus 06-08- 2015 08:00 PM ET (US)	Hobo, what did KK say in chat?
926 Hobohodo 06-08- 2015 08:11 PM ET (US)	He said he is a normal villager, his opening line regarding his role was even something like 'My power is to vote'. The villagers role PM says 'Your Vote is your Power!' or something to that effect and this was before a villager had been killed yet making the PM common knowledge. There are other factors as well in pretty sure but I gotta head off to bed now. Need to be up at 6AM in 5 hours time so that people can buy that new Elder Scrolls game early, so I will double check it all tomorrow. The short of it was that I was pretty sure he was an ordinary villager. Also if we do point out the night 4 discrepancy can we wait till tomorrow when we are all around so that I can throw up something?
927 Ourobolus 06-08- 2015 08:14 PM ET (US)	Yeah, I can hold off until then.
928 Hobohodo 06-08- 2015 08:16 PM ET (US)	Thanks man! Also, Darryll <3
929 Hobohodo 06-08- 2015 08:18 PM ET (US)	Welp, Mazre beat us to it. =/
930 Ourobolus 06-08- 2015 08:19 PM ET (US)	Ah, Mazre beat me to it.
931 Darryl	That could throw fran under the bus too

06-08-2015 08:22 PM ET (US)	
932 Ourobolus 06-08-2015 08:24 PM ET (US)	How so? He wasn't notified according to the fake role, and if Hobo is evicted the role Fran claimed is still accurate.
933 Hobohodo 06-08-2015 08:25 PM ET (US)	Why Fran?
934 franconp 06-08-2015 08:26 PM ET (US)	Fuck. It was going soo well. It's a shame I couldn't come home a little bit earlier to point the mistake. I don't think it will throw me under the bus as I just said his role and if he is evicted I didn't lie.
935 Hobohodo 06-08-2015 08:28 PM ET (US)	Yeah I'm annoyed with my self for not spotting my own contradiction. For a second it looked like we had bought our selves some time.
936 Ourobolus 06-08-2015 08:28 PM ET (US)	A noble effort, Hobo. You did good.
937 Hobohodo 06-08-2015 08:30 PM ET (US)	The question is, now do we go all Star Wars
938 Ourobolus 06-08-2015 08:32 PM ET (US)	Here come the votes. Tomorrow will be interesting. I think we can maybe focus on RNH. We're gonna have to put in work to keep Darryl alive though.
939 Darryl 06-08-2015	Nevermind. It was from the outside looking in.

08:36 PM ET (US)	
940 Darryl 06-08- 2015 08:37 PM ET (US)	I wouldn't worry about me yet. Let me fall on my own sword.
941 Hobohodo 06-08- 2015 08:37 PM ET (US)	Gonna make some dumb post and say that investigators obviously use binoculars so can avoid the pitfall seeds before going to bed for good. It's been fun guys!
942 Darryl 06-08- 2015 08:37 PM ET (US)	My roleclaim is gonna come out sooner or later.
943 Darryl 06-08- 2015 08:38 PM ET (US)	See ya hobo. Was fun.
944 Ourobolus 06-08- 2015 08:42 PM ET (US)	Take care man. Good playing with ya!
945 Ourobolus 06-08- 2015 08:49 PM ET (US)	So Fran, who are you going to actually investigate? My vote is EzekelRage if we decide not to evict him, and squidyj if so.
946 francomp 06-08- 2015 08:53 PM ET (US)	I'm on mobile so can't look it up but squidyj isn't replacing foshy? I was thinking nin too.
947 francomp 06-08- 2015 08:56 PM ET (US)	Also it was fun playing with you hobo!!
948	No, RetroGamer replaced Foshy.

Ourobolus 06-08-2015 09:12 PM ET (US)	
949 franconp 06-08-2015 09:16 PM ET (US)	So he is replacing lunatic then. I think he is a regular townie but it could be an option.
950 Ourobolus 06-09-2015 11:37 AM ET (US)	I wish people would hurry up and just knock this day out.
951 Darryl 06-09-2015 12:14 PM ET (US)	McQ has had me rolling this entire time. I had to step out of the waiting room at my doctor the other day when he posted that image of me pissing on his grave.
952 Hobohodo 06-09-2015 12:15 PM ET (US)	I honestly don't know why they haven't just piled on me.
953 Ourobolus 06-09-2015 12:15 PM ET (US)	I was dying at that picture as well. You two guys...lol.
954 Ourobolus 06-09-2015 12:16 PM ET (US)	I really want this to end before RNH re-votes. That would make tomorrow much easier.
955 Hobohodo 06-09-2015 12:19 PM ET (US)	I really wanna post 'Everything is going according to keikaku.jpg' but people may think I'm serious. Especially as I kind of am
956 Ourobolus 06-09-2015	Yeah. I wouldn't do that just yet. :P

12:19 PM ET (US)	
957 Ourobolus 06-09- 2015 12:20 PM ET (US)	2 more votes and we can end this day, as entertaining as it was.
958 franconp 06-09- 2015 12:29 PM ET (US)	They blocked GAF at work :(I now have to browse by phone when I'm here so I will be checking a lot less.
959 Ourobolus 06-09- 2015 12:30 PM ET (US)	Sucks dude. You try neogaf.net?
960 franconp 06-09- 2015 12:37 PM ET (US)	Also blocked. I suppose I have to work now. FUCK.
961 Darryl 06-09- 2015 12:42 PM ET (US)	He kinda took some gravity out of my last message with his after commentary. Should've kept it in the other thread. It's good that crab noticed. Hopefully other people noticed I put alotta work into finding the right zinger to piss Squidyj off and have a few people take me more seriously. The comparisons squidy was making by grouping me hobo and Ouro were dangerous if they were taken seriously in the least bit.
962 Ourobolus 06-09- 2015 12:44 PM ET (US)	You mean LMQ? Yeah. And good work with squidy. I mean, I don't know if people are thinking town for you or just that you're nuts, but...eh. I think it did it's job. As for you, I was dying at the sherlock comment.
963 Ourobolus 06-09- 2015 12:46 PM ET (US)	Hmm...what's RNH up to?
964 franconp 06-09- 2015 12:47 PM ET (US)	They didn't blocked 67.227.255.239 so I can check the thread but can't log in. I will have to post by phone.

965 Darryl 06-09- 2015 12:50 PM ET (US)	Lol RNH. I hope he drank the kool aid.
966 Ourobolus 06-09- 2015 01:02 PM ET (US)	Well ultron is certainly suspicious of fran. Not much we can do about that though.
967 Ourobolus 06-09- 2015 01:05 PM ET (US)	Would it make sense for Hobo to just vote for himself to push it over the line? Or would that seem too defeatist and suspicious?
968 franconp 06-09- 2015 01:33 PM ET (US)	Why would it seem suspicious? He will be out.
969 Ourobolus 06-09- 2015 01:33 PM ET (US)	Once they see the effect his role has, there's gonna be a question or two.
970 Ourobolus 06-09- 2015 01:38 PM ET (US)	Sigh. Goddamn you, squidyj.
971 franconp 06-09- 2015 01:49 PM ET (US)	I'm can find the argument why anyone should vote for you. It's a case for Darryl.
972 Ourobolus 06-09- 2015 01:50 PM ET (US)	Yeah, I have a post ready, but I'm not going to reply in case people start piling in.
973 franconp	I can't find.... I should read what I wrote before posting.

06-09-2015 01:53 PM ET (US)	
974 Ourobolus 06-09-2015 01:53 PM ET (US)	I don't know what he means by hiding - I'm in the top 3rd of posters in the thread. As far as "sheeping," I've led 2 of the votes out of the 5 days.
975 Darryl 06-09-2015 02:08 PM ET (US)	I swear to god they can read our minds
976 Ourobolus 06-09-2015 02:09 PM ET (US)	Yeah, he doesn't really have an argument against me. His initial vote for me was basically "I'm suspicious of Ouro. Vote: Ouro."
977 Ourobolus 06-09-2015 02:10 PM ET (US)	LOL. It definitely feels that way some times.
978 Darryl 06-09-2015 02:23 PM ET (US)	lol
979 Darryl 06-09-2015 02:23 PM ET (US)	Just threw all my chips in
980 Ourobolus 06-09-2015 02:24 PM ET (US)	Haha, I was going to post something similar, but obviously not in your...specific manner of speaking to him. Lol.
981 Ourobolus 06-09-2015	You are my mouthpiece. The words that I cannot say, but need to be said. Darryl...I think I love you.

02:25 PM ET (US)	
982 franconp 06-09- 2015 02:25 PM ET (US)	I think that Kark gave everyone a link to this chat and they are laughing at us in a private chat of their own. They just keep the game going to see our reactions.
983 franconp 06-09- 2015 02:27 PM ET (US)	I'm dying with Darryl's post. Lol.
984 Darryl 06-09- 2015 02:30 PM ET (US)	I wouldn't even be mad. I think anyone should be able to tell at this point that there is just something about the 4 of us. We are all standing out. I'm on the outside looking in and I'm not buying my own case anymore.
985 Ourobolus 06-09- 2015 02:40 PM ET (US)	Yeah. Still should be interesting taking out who we can on the way out.
986 Ourobolus 06-09- 2015 02:44 PM ET (US)	Thank you, Timeasis.
987 Ourobolus 06-09- 2015 02:46 PM ET (US)	Well Hobo, enjoy watching the chaos from afar. Had fun playing with ya!
988 Hobohodo 06-09- 2015 02:46 PM ET (US)	Shall I vote myself out guys to take it to ten? Stops them discussing stuff after all.
989 Hobohodo 06-09- 2015 02:47 PM ET (US)	Oops thought Timeasis took it to nine, it's been fun guys!
990	It's at 10 now with Time's vote.

Ourobolus 06-09-2015 02:48 PM ET (US)	
991 Ourobolus 06-09-2015 02:49 PM ET (US)	Oh, dammit, Hobo. I hope that didn't raise even more suspicion. :P
992 Darryl 06-09-2015 02:50 PM ET (US)	That was a great note to end the day on
993 Ourobolus 06-09-2015 02:52 PM ET (US)	Welp, even if we go down in flames, it'll be worth it for the reactions, lol
994 Ourobolus 06-09-2015 02:53 PM ET (US)	Lol, looks like Kark got my PM that we reached a majority. XD
995 Hobohodo 06-09-2015 03:03 PM ET (US)	It's ok guys, going off McCokedUps count I think I can post here 6 times after death and have it be all good!
996 Ourobolus 06-09-2015 03:28 PM ET (US)	Operation keep Ouro and Fran alive is a go! Despite Darryl being totally nuts he seems to be off of most people's radar, lol. My votes: Evict: Mazre, EzekelRAGE (he suspects both me and RNH, but I think if we evict him and don't also evict squidj it might work in our favor...maybe.) Investigate: squidj
997 Karkador ★ 06-09-2015 03:30 PM ET (US)	GG Hobo, you had a good run. As per the rules, you wont be allowed to post in here anymore, but you're free to keep reading.
998 franconp	My votes:

06-09-2015 03:41 PM ET (US)	Evict: Mazre and Kalor. Investigate: RNH
999 Darryl 06-09-2015 03:44 PM ET (US)	Mazre is asking to go by now. And he left having caught Hobo so his eviction is explainable. I've already told the people in my gossip with my ridiculous roleclaim that he is villager 100%. So far I haven't been caught in a lie with this claim. From there I could go: Ezekel, Kalor, Kingkitty Ezekel could help push an RNH eviction or an Ouro.
1000 Ourobolus 06-09-2015 03:47 PM ET (US)	Why investigate RNH?
1001 Ourobolus 06-09-2015 03:50 PM ET (US)	Also, I want to test a theory: we can propose that HHA didn't "miss" a kill on Night 3, but instead found their partner by accident. Kalor was triggered that night, I believe, so maybe it's an argument for Haly? Although Fran also investigated up there. Shit. Though without Mazre around it might be believable.
1002 franconp 06-09-2015 03:51 PM ET (US)	I'm reading the role description of Hobo and there's something that seems weird: Your partners are <redacted>. You also have another partner who is unknown to you, but THEY do know who you are. I'm having problem with "THEY". The first part makes me think we have only another partner and also my investigation PM says "you found THE lost HHA partner" but the second part makes me think there may be more than one. Maybe is a typo so maybe Kark could explain.
1003 Ourobolus 06-09-2015 03:52 PM ET (US)	That's what confused me at the beginning of this game, lol, remember?
1004 franconp 06-09-2015 03:52 PM ET (US)	Because we don't know his role and also I could say I investigated you if needed.
1005 franconp 06-09-2015 03:52 PM ET (US)	Did Kark said anything? I can't remember.

1006 Ourobolus 06-09-2015 03:54 PM ET (US)	No, but I think he just meant it instead of "he or she"
1007 Karkador ★ 06-09-2015 03:54 PM ET (US)	"they" in that case just means one person edit: yeah, what ourobolus said Edited 06-09-2015 03:54 PM
1008 Darryl 06-09-2015 03:54 PM ET (US)	Just sounds like a way to have avoided him her pronouns
1009 Ourobolus 06-09-2015 03:58 PM ET (US)	Also, are we going to have me do the evictions? Actually...that gives me an idea. What if Darryl does the evictions on Mazre and we potentially leave Kalor alone. Then his ability will be triggered and it wouldn't be a stealth kill. Though...shit. Odd commuter would trigger it too. Dammit. Nvm.
1010 Darryl 06-09-2015 04:00 PM ET (US)	Ezekel has a target on his head so if we remove him, it could just be that much harder to control the vote. What I'm curious about is how much players like Haly and Ultron suspect low profile posters like Kalor. It doesn't seem like they suspect them at all.
1011 Ourobolus 06-09-2015 04:01 PM ET (US)	Who is suspicious of Ezekel other than you?
1012 Ourobolus 06-09-2015 04:02 PM ET (US)	Also I don't think they suspect light sleepers because that's a strange role for mafia rather than town. And so far Kalor's activity is legit, especially if Haly is an odd commuter. He'd be able to call BS immediately.
1013 Darryl 06-09-2015 04:03 PM ET (US)	http://m.neogaf.com/showpost.php?p=166819155
1014 Ourobolus	Ah, that's right. Haly also suspects me though.

06-09-2015 04:04 PM ET (US)	
1015 Ourobolus 06-09-2015 04:04 PM ET (US)	Actually, all of us.
1016 Darryl 06-09-2015 04:05 PM ET (US)	Yea he had been right on the button.
1017 Ourobolus 06-09-2015 04:10 PM ET (US)	Well, I think the best course of action is for Fran to confirm me as villager. It's obviously easy to counter by simply evicting me, but other than simply installing some doubt some other way, it's probably the best chance here. Fran probably got a little cred today , but given Hobo's role it isn't perfect.
1018 Ourobolus 06-09-2015 04:12 PM ET (US)	Hobo, you gotta change your avatar so that it has eyes like Tommy Nook.
1019 Darryl 06-09-2015 04:40 PM ET (US)	Lol I think I may have got that Haly post in the main topic. 1. He thinks we are gonna evict him, not realizing that we know he's a commuter and we can't evict him today. (That's correct, no?) 2. He probably thinks we won't evict the roomies. So in his math he is thinking they are just gonna lose a single villager. Probably Mazre.
1020 Ourobolus 06-09-2015 05:01 PM ET (US)	I'm not sure about that first point. I think he is just implying the second point.
1021 Ourobolus 06-09-2015 05:03 PM ET (US)	Also. We are assuming Haly is a commuter. For all we know it could be a Tough Guy role that can survive more than one shot. Commuter makes more sense to me though.
1022 francomp	I'm almost sure he is the commuter. I want to investigate RNH to have something to protect Ouro if needed, but I won't say

06-09-2015 05:16 PM ET (US)	a thing unless is completly necessary. I will say that I found and Ordinary Villager and nothing else. If they go after you I could go to the rescue. I'm pretty sure RNH is a normal villager but I can't protect you in any other way.
1023 Ourobolus 06-09-2015 05:19 PM ET (US)	I'm fine with that. I'm pretty sure RNH is ordinary as well.
1024 franconp 06-09-2015 05:23 PM ET (US)	Another option would be investigating someone outside the light sleeper's zone (Ezekel, Nin or squidj) and I say I wanted to investigate Haly during the night phase but couldn't get any result. It could put him on the spot and force him to admit he is the commuter. Maybe it could lead to an eviction.
1025 Ourobolus 06-09-2015 05:29 PM ET (US)	I doubt that would lead anywhere, since I'm pretty sure they'd find a commuter as a townie. Unless you think that they'd think he was lying.
1026 franconp 06-09-2015 05:33 PM ET (US)	They could doubt he is the commuter and think he may be an HHA who can't be investigated. It's a long shot.
1027 Ourobolus 06-09-2015 05:37 PM ET (US)	So you can still do that even if you investigate RNH. Haly should trigger the light sleeper anyway.
1028 Ourobolus 06-09-2015 05:38 PM ET (US)	Ah, I guess we're evicting Kalor in your scenario as well. So we're gonna get Mazre, and we're divided on Kalor and Ezekel. I think Darryl is right and it might not be a good idea to get Ezekel I suppose, since it might draw attention to me (or RNH).
1029 Darryl 06-09-2015 06:37 PM ET (US)	Ezekel could be good or bad. It's a huge gamble. He is already onto Ouro and headhunting. He's a wild card whereas people like Kalor I doubt would ever find much to go on outside of the obvious, which is that we are the HHA. Eze may flip and go towards RNH to be a contrarian. Who knows
1030 Darryl 06-09-2015	And if Eze flips, there's is Nin, Retro, Kingkitty who are solid bandwagon candidates.

06:39 PM ET (US)	
1031 Ourobolus 06-09- 2015 07:10 PM ET (US)	Ugh. I dunno. Haly suspects both me and RNH, so it's a bit of a toss up. The thing is if we convince them of RNH tomorrow, what then? I think we need to confirm my role as villager, work on RNH, and then try to focus on Haly. Although tomorrow night would be the perfect time to get rid of him, so maybe Ezekel.
1032 Ourobolus 06-09- 2015 07:13 PM ET (US)	How about this? We evict Mazre and Kalor. Fran holds back and decides whether to say he investigated me or Haly, depending on how it goes.
1033 Darryl 06-09- 2015 07:23 PM ET (US)	What do Light Sleepers do
1034 Ourobolus 06-09- 2015 07:31 PM ET (US)	They detect activity around them in a 1x1 square. They just get notified if there is activity or not.
1035 Darryl 06-09- 2015 07:45 PM ET (US)	Then would evicting Mazre and Kalor throw some suspicion onto Haly and Kingkitty? Since that has another angle of using the double eviction to hide evidence.
1036 Darryl 06-09- 2015 07:45 PM ET (US)	Maybe people would question why Kalor was hot all of a sudden. Kingkitty was suspicious for flipping a few turns ago. I dunno.
1037 Ourobolus 06-09- 2015 08:00 PM ET (US)	My thought was that evicting Kalor would throw suspicion on RNH. But I would love if we could redirect it onto Haly
1038 Darryl 06-09- 2015 09:11 PM ET (US)	My gossip chat thinks the no evict day was likely an HHA player being converted
1039	Kark threw us a bone by putting that line in there

Darryl 06-09-2015 09:12 PM ET (US)	
1040 Ourobolus 06-09-2015 09:32 PM ET (US)	Yeah, it's good that Kark left that out. Otherwise Fran would be fucked.
1041 franconp 06-09-2015 09:50 PM ET (US)	I think it's even worse. Why didn't HHA ever tried to evict me? I'm not in a good position.
1042 Ourobolus 06-09-2015 09:55 PM ET (US)	Because ultron is HHA. ;)
1043 Ourobolus 06-09-2015 10:30 PM ET (US)	Out of curiosity why would you think it is worse? If you were HHA and there was a stealth kill role, why would you ever do the evictions and thus put the blame on yourself?
1044 franconp 06-09-2015 11:01 PM ET (US)	I said it before. If Ultron and mine roles were different and I was the HHA with the troublemaker role and Ultron a town investigator I would have sacrificed myself as soon as he roleclaimed. I would prefer to loose a member but to take out an investigator. At this point, and more after the double eviction, I don't think a lot of people will think that I'm not HHA. There's not other way I can stay this long in the game. That's why I wanted to lie about Ezekel role last phase. At that point my survival was still believable: The first nigh wasn't target because it was too risky, the second I was suspicious and decided that it would be an easy target for eviction the next day phase, the 3rd night after the roleclaim they went after me but were blocked. That I survived the fourth night is weird but it could be that HHA decided to play cautiously and after a failed attempt decided to not take chances and evict someone else. But this night phase we have 2 evictions. There's no way they don't target us with one of them. Now I don't think I can do it because it will be suspicious that I find 2 HHA two consecutively rounds. Maybe it could work but maybe not. I still think we should evict Mazre and Kalor this phase and investigate RNH. If all of us survive this phase I think we should evict Haly and I investigate Ezekel and, if he doesn't have a role he can prove, I try to say I investigated him and he is the other nephew. If we can push for his eviction we could gain a couple of rounds. It would be like this:

	Night 5: Evict Kalor/Mazre Day 6: Evict RNH or KK Night 6: Evict Haly Day 7: Evict Ezekel Night 7: Evict Razmos Day 8: Evict Ultron/Fran Night 8: Evict Timeaisis If we can make it all go that way we could be with the 2 of you vs 5 of them (KK or RNH, Toma, Nin, RetroGamer and Squidyj). That way we could have some chances. It's a long shot but I think it may be our best shot.
1045 Ourobolus 06-10-2015 08:20 AM ET (US)	Eh, you're probably right. We may get lucky and they won't suspect you this round, but it's iffy.
1046 Ourobolus 06-10-2015 09:33 AM ET (US)	All right. I'm fine with the plan. We'll have to play the next phase by ear though, as we might not need to reveal anything if people suspect RNH off the bat. We may be able to play off the fact that HHA values the investigator too, as it helps them determine where the power roles are? I dunno. Darryl, you have any problems with the plan?
1047 franconp 06-10-2015 10:51 AM ET (US)	I don't know it will work. I'm leaning to failure. It depends on a lot of things that I'm not sure will work now. Maybe RNH or KK will be in trouble because they sort of protected Hobo last phase. But maybe they aren't and go after us. I also don't know if I will have enough credit to push for Ezekel's eviction. I don't think so. I think it could have worked the last phase. I'm thinking maybe I should say I investigated RNH and found out he is an Ordinary Villager. That will tell us how much town trust me. There's are 2 possibilities: -They don't trust me and evict RNH to have some prove that I'm lying and protecting a fellow HHA. When they found out he is town and that I was right of his role it may give me a little trust boost and maybe I could lie to get Ezekel evicted the next day phase. -They still sort of trust me and don't evict RNH so we would need to push for someone else eviction (KK most likely). It's risky because they could go for any of you. The next day phase I could lie to get Ezekel evicted and after I'm out RNH would be a big target. Or there's the possibility they evict me this turn. Who knows. What I'm certain is that I can't protect Ouro (or Darryl) as, after I'm gone, the people who I said were Ordinary Villagers would be the biggest suspects.
1048 Ourobolus	I don't think any of us have any grand feelings that we are at any sort of advantage here, Fran. :P

06-10-2015 10:53 AM ET (US)	Play it by ear next phase. If they trust you, you can protect me. If they don't, you can use RNH as leverage.
1049 franconp 06-10-2015 11:03 AM ET (US)	I think that way we could get some info how people feel about me. Edited 06-10-2015 11:07 AM
1050 franconp 06-10-2015 09:26 PM ET (US)	I have sent the PM investigating RNH.
1051 Ourobolus 06-10-2015 10:02 PM ET (US)	All right, I'm gonna PM the evictions for Mazre and Kalor.
1052 Darryl 06-11-2015 12:48 AM ET (US)	Sounds good. Let's just yolo it. Let's see how people react to the evictions.
1053 Darryl 06-11-2015 12:51 AM ET (US)	Best to admit with 90% certainty we lost and just try to go down as hard as we can at this point. Ouro try to be a little less cautious, a little more angry. Fran try to stir some shit. Throw some ether at Ultron. I dunno.
1054 Darryl 06-11-2015 12:53 AM ET (US)	On paper a lot of people are suspicious right now. It isn't just us 3.
1055 franconp 06-11-2015 07:01 AM ET (US)	Yeah, I'm thinking KK, RNH, Ultron, Retrogamer, Haly and Nin. In that order. Ouro, don't tell you painted as evicted Mazre and Kalor on the spreadsheet again. Last time you jinxed it.
1056 Ourobolus 06-11-2015	>_> I'll remove it. But I think we are probably safe this time...

07:17 AM ET (US)	
1057 Ourobolus 06-11- 2015 08:09 AM ET (US)	And Darryl - I'm already planning to be a pain in the ass to squidyj. Other than that, I'll have to see how the reactions go.
1058 Ourobolus 06-11- 2015 08:09 AM ET (US)	Oh, and it looks like Nin is in my chatroom now.
1059 franconp 06-11- 2015 08:38 AM ET (US)	Did he said anything? I'm still not sure if he have a power role or not.
1060 Ourobolus 06-11- 2015 08:40 AM ET (US)	He hasn't really said much about his role, just that he is a "villager." I don't think he has a power role, honestly. He was initially suspicious of Foshy/Retro because he didn't actually think he was a gossip. Other than that, he's poking Retro about why he didn't vote for Hobo, so maybe he's wary of Retro's alignment.
1061 Ourobolus 06-11- 2015 08:41 AM ET (US)	Er, I mean he said he was "town-aligned."
1062 franconp 06-11- 2015 11:01 AM ET (US)	So, he may have a role. I think he does. I even think he may be another light sleeper. I think Retro will be in danger eventually. It's weird that there are 3 gossips. They may believe one of them could be HHA. If we take out Mazre and Razmos first and they are proven town he may be in trouble.
1063 Ourobolus 06-11- 2015 11:03 AM ET (US)	I like the idea that there is a red herring gossip area - since Hobohodo was in between the other two, I think it might be unlikely anyone will really suspect Darryl because of that. And maybe Retro's area is just there to throw the townies off. Nin might be a Light Sleeper, I suppose, but I'm not sure. Though I can't imagine BOTH he and Ezekel are Ordinary.
1064 Darryl 06-11- 2015 08:41 PM ET (US)	Lol squid could be a Light Sleeper. Imagine if you make that revelation. Why didn't he give the village that important info?
1065	For some weird reason, nin is suspicious of Timeaisis. Looks like he forgot you

Ourobolus 06-12-2015 08:04 AM ET (US)	investigated him or doesn't believe you either.
1066 franconp 06-12-2015 08:18 AM ET (US)	That's what I meant before, when I'm evicted everyone that I claimed they are Ordinary Villager will be suspicious. That's why I don't think it would do any good I say you are one.
1067 Ourobolus 06-12-2015 08:41 AM ET (US)	I get that. Nin has always seemed a little off though. Like I said, we'll just have to see the level of trust when the day starts.
1068 franconp 06-12-2015 03:35 PM ET (US)	I got Kark PM and RNH is an Ordinary Villager. I will share the info in the thread later.
1069 Ourobolus 06-12-2015 03:49 PM ET (US)	Not surprised. But still, don't share it unless people clearly don't trust you.
1070 franconp 06-12-2015 03:59 PM ET (US)	Both are out and Ultron used his role. This could be troublesome. I'm planning to say it if RNH is in trouble. That will show if I'm trusted or not. Or if they ask who I investigated.
1071 Ourobolus 06-12-2015 04:06 PM ET (US)	I had a feeling he would use his role. I'd wait for now. Determine if you are trusted or not and go from there. I'll be whatever opposite you are. As in, if you go for RNH, I'll call bullshit on him being town.
1072 Ourobolus 06-12-2015 04:18 PM ET (US)	Wait a sec. Toma said there was no activity. But you investigated RNH.
1073 franconp 06-12-2015	Yeah. I'm going to inform that.

04:24 PM ET (US)	
1074 Ourobolus 06-12- 2015 04:27 PM ET (US)	Oh snap. Here we go :)
1075 Ourobolus 06-12- 2015 04:35 PM ET (US)	Oh goddammmmit. That would have made it easy.
1076 Ourobolus 06-12- 2015 04:37 PM ET (US)	I think Darryl should implicate either Haly or KK now, based on the light sleeper stuff.
1077 Ourobolus 06-12- 2015 05:27 PM ET (US)	Fuck it, I'm going all in.
1078 Ourobolus 06-12- 2015 05:31 PM ET (US)	Welp, here goes vague claim.

1082 franconp	Where's is Darryl when we need him?

06-12-2015 06:15 PM ET (US)	
1083 franconp 06-12-2015 06:15 PM ET (US)	I tried to put some suspicious on KK. Let's see how it goes.
1084 Ourobolus 06-12-2015 06:17 PM ET (US)	What should I role claim?
1085 Ourobolus 06-12-2015 06:19 PM ET (US)	I'm thinking "cop," since I know all of the roles.
1086 franconp 06-12-2015 06:26 PM ET (US)	There isn't much you can roleclaim. If you had an active role it would have been revealed with Toma's role. You need to have a Passive role.
1087 franconp 06-12-2015 06:26 PM ET (US)	So not doctor or cop.
1088 Ourobolus 06-12-2015 06:45 PM ET (US)	How does this sound; [QUOTE=EzekelRAGE;167561861]Haly squid are voting for u, and you are one of my top 2 for voting today as well. So spill it.[/QUOTE] I get that. But I'd rather the town learn something from my eviction than otherwise. I don't have a defense. You don't have to believe me. All I can say is that Timeaisis, Mazre, Kalor, and Launchpad(sadly gone), are Town. I can only check alignment.
1089 Ourobolus 06-12-2015 06:49 PM ET (US)	Shit. What do you think about labeling me as Town cop?
1090 franconp 06-12-2015	I think it will raise some doubts about my role. I have an idea. You can say you have a role that, when you are evicted in a night phase, it will make public the name of the one who evicted you so you didn't want to say anything because that way the HHA wouldn't attack you and you need them to attack

06:57 PM ET (US)	you so it can give info to town. If they asked you about the silent killer you can say you asked Kark about it and he will appear in the info too as you are different that the light sleepers. Maybe it could work. It will make sense why you didn't want to say anything. I don't have a name for the role yet. Maybe security freak or something like that.
1091 Ourobolus 06-12-2015 06:58 PM ET (US)	Should I post this? Let me rephrase - I don't "know" that Fran is town, but I don't, so far, have any reason to believe otherwise, unless there is some ridiculously complex scenario going on.
1092 Ourobolus 06-12-2015 07:06 PM ET (US)	I'm going to be fighting off squidgy day, aren't i?
1093 francomp 06-12-2015 07:13 PM ET (US)	The problem with that role is that I'm not to sure it will save you.
1094 Ourobolus 06-12-2015 07:14 PM ET (US)	Here's something that may help. Anyway, my point here is that if we have two people who have claimed ordinary in the first column (A), that leaves us with Haly, RNH, and EzekelRAGE.
1095 Ourobolus 06-12-2015 07:17 PM ET (US)	Fuck. I gotta claim something.
1096 francomp 06-12-2015 07:24 PM ET (US)	I want a taco now. Edited 06-12-2015 07:24 PM
1097 Ourobolus 06-12-2015 07:31 PM ET (US)	Lol. I'm working with what I have!
1098	Ouro roleclaim something. It doesn't look good. It just have to be something passive

franconp 06-12-2015 07:56 PM ET (US)	that wouldn't trigger the Light Sleeper role. I'm dying with Darryl's description. lol.
1099 Ourobolus 06-12-2015 07:58 PM ET (US)	I know. I don't have an idea. I'm just stalling at this point.
1100 franconp 06-12-2015 08:33 PM ET (US)	I think you could go with the role I said if you have nothing.
1101 Ourobolus 06-12-2015 08:40 PM ET (US)	There is zero chance LS would work since Toma is next to me.
1102 Ourobolus 06-12-2015 08:42 PM ET (US)	Welp, let's see how this goes...
1103 Darryl 06-12-2015 08:42 PM ET (US)	claim your the fucking guy who goes in and out of town, whatever its called. haly obviously waited too long
1104 Ourobolus 06-12-2015 08:49 PM ET (US)	Yep, it's what I am going to post next. Way ahead Of you :)
1105 Ourobolus 06-12-2015 08:50 PM ET (US)	Actually; shit - that wouldn't make sense given Toma's role
1106 franconp 06-12-2015	He can't because of the light sleeper. You need a passive role. What I said it wouldn't notify a Light sleepers as you aren't using any role yet.

08:51 PM ET (US)	
1107 Ourobolus 06-12-2015 08:52 PM ET (US)	Commuter triggers the light sleeper though. Maybe Tough Guy?
1108 franconp 06-12-2015 08:59 PM ET (US)	Could be.
1109 Ourobolus 06-12-2015 10:02 PM ET (US)	Who are we going for this round? I think RNH is an easy target - maybe Haly for the other?
1110 Ourobolus 06-12-2015 10:11 PM ET (US)	Lol, I have no idea what in doing. I just realized I said that I thought RNH was town a couple pages ago and then voted for him a few posts later. Shit.
1111 Darryl 06-12-2015 10:14 PM ET (US)	Going fucking hard on Haly
1112 Darryl 06-12-2015 10:14 PM ET (US)	All in baby. Live and let live or die trying.
1113 Ourobolus 06-12-2015 10:17 PM ET (US)	I love you, Darryl. Edited 06-12-2015 10:24 PM
1114 Darryl 06-12-2015 10:38 PM ET (US)	I love u 2
1115	I think we could get a Haly eviction, the problem is the other one. We need to target one

franconp 06-12-2015 10:39 PM ET (US)	of them. KK defended himself well so I don't think we have a clear suspect beside Ouro. We need to do something to clear your name.
1116 Ourobolus 06-12-2015 10:46 PM ET (US)	Yeah, though I think at least Ezekel is suspicious of KK. No idea what to do with me though, since you already claimed you investigated RNH. Edited 06-12-2015 10:48 PM
1117 franconp 06-12-2015 11:00 PM ET (US)	I could vouch for you. It would help in the long run. As soon as I'm gone you were next. We need to find a way to survive this phase. If we don't have any losses this turn I think we have a chance.
1118 Ourobolus 06-12-2015 11:02 PM ET (US)	How would you vouch for me this turn?
1119 franconp 06-12-2015 11:05 PM ET (US)	I couldn't vouch for you. It wouldn't help in the long run. As soon as I'm gone you were next. I said the opposite what I meant to write.
1120 Ourobolus 06-12-2015 11:06 PM ET (US)	Lol. Gee, thanks. :P
1121 Ourobolus 06-12-2015 11:09 PM ET (US)	What passive role should I go for? I can't pick cop because it would implicate Fran, and I dunno if we can go with doctor again.
1122 Ourobolus 06-12-2015 11:10 PM ET (US)	And it has to be something that hasn't been triggered so far. I'm thinking Tough Guy.
1123 franconp 06-12-2015	If we try to win this we need both of you alive. We can't win if I'm alive and when I'm gone all the people who I vouched for are next in line.

11:14 PM ET (US)	
1124 francomp 06-12- 2015 11:19 PM ET (US)	Cop or Doctor is not good. It contradicts with Toma's claim that there was no activity in the area. And they will believe Toma. Tought Guy could be but why keep it soo secret. I don't buy it. It wouldn't be easy to HHA to evict you so it makes no sense to keep quiet about it.
1125 Darryl 06-12- 2015 11:22 PM ET (US)	Yea Ultron made an amazing play by throwing two people under the axe. It really fucked us. But if we can turn the tides. Who knows. Our chances may have gone through the roof out of no where. The fact that the spotlight has hit Ezekel, RNH, KK, and Haly is amazing for us.
1126 Ourobolus 06-12- 2015 11:24 PM ET (US)	My point about Tough Guy is maybe they tried to hit me on night 3. But yes. Ultron is a fucker. I had a feeling he was gonna pull that damn card.
1127 Ourobolus 06-12- 2015 11:24 PM ET (US)	Shit, they couldn't have targeted me because Toma wasn't triggered. Well, then I guess I can survive a night then.
1128 francomp 06-12- 2015 11:25 PM ET (US)	Other possibility is that you have a role that evicts the player that target you with a night eviction. Some sort of revenge for evicting you. That would be passive and wouldn't trigger Toma's role.
1129 francomp 06-12- 2015 11:26 PM ET (US)	Wasn't there one of those in the Star Wars thread?
1130 Ourobolus 06-12- 2015 11:28 PM ET (US)	I'm not sure. I got lost a few pages into the Star Wars game, lol. I still think Tough Guy is a bit more believable.
1131 francomp 06-12- 2015 11:29 PM ET (US)	The tough guy would trigger Toma's ability as you could be targeted by a silent killer so there wasn't any notification. But they are leaning at the fact that we found our lost partner and I don't think it's a good idea to try to change their mind. It would be suspicious.
1132	Right, but that's assuming they targeted me. Me being secretive is because I don't want

Ourobolus 06-12-2015 11:34 PM ET (US)	them to basically know I have two lives.
1133 franconp 06-12-2015 11:34 PM ET (US)	The problem I have with the Tough Guy is why you didn't roleclaimed as soon as you where in trouble. There's no motivation to keep it secret as, at this late of the game, you aren't likely to be attacked by HHA if you had that role. You need to have some sort of pasive role that town could benefit with you keeping it hidden, and you are only sharing it now because it wouldn't be good to be evicted during the day phase.
1134 Darryl 06-13-2015 12:00 AM ET (US)	what about one of those defense roles. you win when _____ survives etc think about something from animal crossing then work backwards lol
1135 Darryl 06-13-2015 12:05 AM ET (US)	these guys battling it out is popcorn material. hilarious
1136 Ourobolus 06-13-2015 08:58 AM ET (US)	I'm drawing a blank here. It has to be something passive that has yet to trigger. Tough Guy? Paranoid Gun Owner? Bomb?
1137 Darryl 06-13-2015 12:33 PM ET (US)	Lol I'm strapped and on eviction I have to pick someone around me to diw
1138 Darryl 06-13-2015 12:34 PM ET (US)	Die. It's better claim than to just fizzle out
1139 Darryl 06-13-2015 01:13 PM ET (US)	That would've been the perfect roleclaim in a gossip chat lol. You can't tell anyone or the mafia will evict me. Etc
1140 Ourobolus	I could say that when I am evicted, I randomly take out a person around me as well. That would leave Retro, nin, Toma, and Ezekel vulnerable.

06-13-2015 01:22 PM ET (US)	
1141 franconp 06-13-2015 01:49 PM ET (US)	With that you would need to claim neutral. You couldn't be town with that ability. Maybe they will not vote you if they are afraid to lose another player. If you were neutral what would be your winning conditions?
1142 Ourobolus 06-13-2015 01:52 PM ET (US)	Hm. Not sure if I want to claim neutral. I suppose I just need to outlive the gossips, maybe, if I need a win condition.
1143 Ourobolus 06-13-2015 01:58 PM ET (US)	I could say my role is Agoraphobe. I don't like to leave my house, and if forced out I'll fly into a rage and take someone out with me. I win when the town stops talking about me - I.e., I outlive the gossips. Edited 06-13-2015 01:59 PM
1144 franconp 06-13-2015 02:01 PM ET (US)	With that role you would need to be neutral or hha, there isn't any benefit to town. Also with that winning condition you will be evicted. There are only 2 more gossips and both are well know. Also it make us difficult to evict the gossips in the night phase as we would be giving you the win.
1145 Ourobolus 06-13-2015 02:02 PM ET (US)	All right, what's a better win condition then? I can claim neutral.
1146 Ourobolus 06-13-2015 02:04 PM ET (US)	What about I win if the nephews are evicted?
1147 franconp 06-13-2015 02:12 PM ET (US)	Then they will evict you as if not town can't win. Another idea would be saying you are A Vengeful Villager. Your role takes revenge of the one who evicted you and evict him too. It would affect the one who performs the night action (HHA) or the one who voted for you last if it's a day eviction. With that you can say you are town and you didn't wanted to say anything so, if you were night evicted you would take out an HHA also. That's why you said evicting you would be harmful to town. Maybe they will be afraid and back down from voting you. Loosing 3 players in a day phase could make some of them to back down.

1148 Ourobolus 06-13-2015 02:13 PM ET (US)	That's true. I'll keep that in mind in case this keeps going towards me. KK is in the spotlight, and I know I'm second right now.
1149 franconp 06-13-2015 02:18 PM ET (US)	Actually I think you are first as you have 3 votes (updated the spreadsheet). I think you shouldn't wait to long before roleclaim. There are 2 evictions this time so you need to lose those votes quick.
1150 Ourobolus 06-13-2015 02:25 PM ET (US)	Ah, I miscounted.
1151 Ourobolus 06-13-2015 02:29 PM ET (US)	All right, I'll role claim in a sec. Let's see what happens.
1152 Ourobolus 06-13-2015 02:41 PM ET (US)	How's this look: Well I was hoping that while I slept we'd hopefully go in a different direction, but it doesn't look like this is the case, and I can't keep being dodgy about my role. It's something I've wanted to be kept hidden in case the HHA tried to evict me, but judging by how today is going they may never get the chance. I am a [b]Vengeful Villager[/b]. If evicted at night, I will take out my attacker as well. If evicted during the day, I take out the last vote against me. It's a useful role, and the reason I was being especially cryptic with my role, potentially drawing out HHA into going after me tonight. As for now, I'll settle for not evicting another townie with me on the way out.
1153 Ourobolus 06-13-2015 02:52 PM ET (US)	Screw it. The votes keep coming.
1154 Darryl 06-13-2015 04:20 PM ET (US)	We are going down down down
1155 Darryl	I bet they think I'm a village idiot role

06-13-2015 04:21 PM ET (US)	
1156 Ourobolus 06-13-2015 04:21 PM ET (US)	Dooooooooowwwwwwn Dooooooooowwwwwwn
1157 Darryl 06-13-2015 04:21 PM ET (US)	How fitting would that b3
1158 franconp 06-13-2015 04:38 PM ET (US)	Ouro, did you ran over squidyj's dog or something?
1159 Darryl 06-13-2015 04:43 PM ET (US)	These guys have me rolling. Kk and eze. Just change the topic guys. LOL
1160 Darryl 06-13-2015 04:44 PM ET (US)	Squidyj is just right on the money. I knew you were gonna get caught for your early game activity sooner or later. It was obvious from being in the mindset of a Townie that you were acting odd and had more than you were letting on. Hobo less so, because he talked less
1161 Ourobolus 06-13-2015 04:45 PM ET (US)	Yeah. I figured it might come back to bite me. Ah well.
1162 Darryl 06-13-2015 04:46 PM ET (US)	Squidyj just laid down pure knowledge and kk and eze rambling about garbage leads
1163 Ourobolus 06-13-2015	Replacing players really screwed us since an inactive player like that tends to not be mafia, so we had two extra players that have zero suspicion on them regardless of anything they've said, sadly.

04:46 PM ET (US)	
1164 Darryl 06-13-2015 04:47 PM ET (US)	There were 3 reps. And yea, it totally fucked us. I still feel like Eze is untouchable from an evict stand point.
1165 Ourobolus 06-13-2015 04:47 PM ET (US)	It'll be interesting to see what happens after I get evicted. You and Fran are seemingly non-suspicious for some reason.
1166 Ourobolus 06-13-2015 04:48 PM ET (US)	Oh yeah, forgot about Foshy.
1167 Darryl 06-13-2015 04:54 PM ET (US)	Let's let Eze and Kk lead the round table discussion. Try not to provoke Haly or squidy. Wait till these guys play out
1168 Darryl 06-13-2015 04:56 PM ET (US)	There are still more inexperienced players than good players in the game. If we can just keep the spotlight off you maybe people will forget
1169 Darryl 06-13-2015 05:03 PM ET (US)	I'll get outed for my roleclaim and be forced to explain and get out. Then by logical conclusion they evict francomp.
1170 francomp 06-13-2015 05:05 PM ET (US)	What did you roleclaim?
1171 francomp 06-13-2015 05:11 PM ET (US)	I'm thinking say it is too risky to evict Ouro after his roleclaim without any info so I could investigate him this night phase and see if his info is true or not. Maybe it will buy us an extra turn and then we could discuss how to proceed. Opinions?
1172	Nosy Neighbor. Which I told them gave me an alert on every evict as to whether they

Darryl 06-13- 2015 05:11 PM ET (US)	were bordering an HHA member.
1173 Darryl 06-13- 2015 05:12 PM ET (US)	They've ignored it absolutely because otherwise Razmos wouldn't be trying to get KK out. But eventually it will be put out there for the more experienced players to tear apart.
1174 Darryl 06-13- 2015 05:13 PM ET (US)	It could work
1175 Darryl 06-13- 2015 05:19 PM ET (US)	I WASN'T PLANNING ON BEING THE LAST ONE STANDING GOD HELP ME
1176 franconp 06-13- 2015 05:20 PM ET (US)	I'm pretty sure you will be the last one.
1177 Ourobolus 06-13- 2015 05:20 PM ET (US)	Nothing ever goes according to plan
1178 franconp 06-13- 2015 05:24 PM ET (US)	I think it's the best option.
1179 franconp 06-13- 2015 05:31 PM ET (US)	Let's see how it goes.
1180 Ourobolus 06-13- 2015	I don't know, man. It's a ballsy move, and I don't see what the alternative is. Vote nin? Haly? Instead of me.

05:34 PM ET (US)	
1181 francomp 06-13- 2015 05:35 PM ET (US)	Haly?
1182 Ourobolus 06-13- 2015 06:05 PM ET (US)	I mean who would you propose people vote for instead? Also, I wouldn't push them much more.
1183 Ourobolus 06-13- 2015 06:09 PM ET (US)	I was waiting for retro to say something about that. Maybe I can swing that into saying I am an ordinary villager, but I didn't have any way to prove it so I made up a role to try and save myself?
1184 francomp 06-13- 2015 06:41 PM ET (US)	Let's see if we can put some suspicious in Haly.
1185 francomp 06-13- 2015 06:43 PM ET (US)	Ouro, if I can save you from eviction this phase you owe me a taco.
1186 Ourobolus 06-13- 2015 06:44 PM ET (US)	Deal. I'll get you a dozen.
1187 Darryl 06-13- 2015 08:24 PM ET (US)	LOL. I love the way the tide is turning atm
1188 Ourobolus 06-13- 2015 08:27 PM ET (US)	This is so ridiculous.
1189	If I'm going out I'm going to take some of them with me.

franconp 06-13-2015 08:58 PM ET (US)	
1190 Ourobolus 06-13-2015 09:05 PM ET (US)	I love that squidy can say whatever the fuck he wants since he was a replacement.
1191 Darryl 06-14-2015 03:59 PM ET (US)	this is just so i don't have to vote in the second round with the inevitable townie eviction. sorry ouro, there's absolutely no way you can get out of this. :<
1192 Ourobolus 06-14-2015 04:00 PM ET (US)	I'm totally changing my vote to Haly at the last second. Let's try to keep kingkitty within 1 of Haly's vote. :D
1193 Ourobolus 06-14-2015 04:01 PM ET (US)	I wonder...if there is a slim chance we can push a vote for nin...
1194 Darryl 06-14-2015 04:05 PM ET (US)	stage a phony argument with someone or something so you can throw them into the suspicion pool via accomplices afterwards
1195 Ourobolus 06-14-2015 04:37 PM ET (US)	Huh. Maybe it's possible. Slim, but maybe possible. Darryl you need to focus on nin and someone else, of you think it can work.
1196 franconp 06-14-2015 04:39 PM ET (US)	I want to evict squidyj this night phase. All in favor?
1197 Ourobolus 06-14-2015	AYE AYE AYE

04:40 PM ET (US)	
1198 Ourobolus 06-14-2015 04:41 PM ET (US)	I love the argument that KK is putting forward. We should put forth that it is unlikely that there are two mafia in one chat and go after nin and Haly. Granted I won't survive tomorrow if I make it tonight, but still.
1199 Darryl 06-14-2015 04:47 PM ET (US)	i wanted to duck out while i was out of the crossfire lol. talking too much isn't helping this game. i'm not gonna get the spotlight shifted off you and the second spot is 95% gonna be an innocent at this point.
1200 Ourobolus 06-14-2015 05:06 PM ET (US)	Yeah, I figure. I'm gonna try to steer the discussion towards nin and the fact that it's unlikely there are two+ mafia in any single chat.
1201 Ourobolus 06-14-2015 07:16 PM ET (US)	And Haly is the commuter. Bout time we got confirmation on that.
1202 Darryl 06-15-2015 03:45 AM ET (US)	I have a paranoia that a few of the more outspoken aren't exactly convinced that I'm town but they are just trying to win my favor so I shut up until my fellow HHA mates are gone
1203 Ourobolus 06-15-2015 08:22 AM ET (US)	Yeah, I'm not sure how it's going to play out for you, but you've got the best chance out of all of us. Well, since it looks like I won't survive the day, I'll make sure you guys can still access the spreadsheet if you like. Probably won't be much help at this point, but hey, why not?
1204 Ourobolus 06-15-2015 12:34 PM ET (US)	I'm really hoping this manages to make it a kingkitty/Haly tie for second, because I'm planning on slipping in a vote at the last second if that happens.
1205 Ourobolus 06-15-2015 03:05 PM ET (US)	There is no way that this is going to end up working in my favor, is there? I mean, kingkitty is only one vote behind me (4-3), and "No Evict" has 2.
1206	And yes, I evicted myself already on the spreadsheet. Maybe I can jinx my way into

Ourobolus 06-15-2015 03:06 PM ET (US)	surviving, lol.
1207 Ourobolus 06-15-2015 03:27 PM ET (US)	I'm just flailing now, but if it somehow ends up with 4 for me, and 4 for the next (No Evict/KK), and 3 for the other (No Evict/KK)...holy shit. I would die laughing the following day phase.
1208 Darryl 06-16-2015 01:43 AM ET (US)	the votes are still so close lol.
1209 Darryl 06-16-2015 01:44 AM ET (US)	we need to get some vote fuckery going on here. it'd be hilarious if we got kingkitty and a noe vict, then we'd get a villager lynch, then they'd get ouro, then we'd get a 2nd lynch
1210 francomp 06-16-2015 06:52 AM ET (US)	If needed will you change your vote? I'm not too sure about doing that.
1211 Ourobolus 06-16-2015 07:01 AM ET (US)	If the votes stay like this...lol.
1212 Ourobolus 06-16-2015 07:05 AM ET (US)	I'm dead no matter what, whether it is today or tomorrow, so I will definitely do some vote fuckery.
1213 Ourobolus 06-16-2015 07:09 AM ET (US)	Hey, Kark - what happens if there is a 3-way tie?
1214 Ourobolus 06-16-2015	I don't know how Darryl can change his vote. If for some reason I have less than kingkitty, for sure squidy will switch back. The only vote I can see fran doing is voting "No Evict," but then again I'm not sure about that.

08:21 AM ET (US)	
1215 franconp 06-16- 2015 09:40 AM ET (US)	Maybe, and just maybe, if he is the last vote as he is right now he can say he doesn't want to take a chance and change his vote. I don't think he should as I think he is one of the most trusted townies.
1216 Ourobolus 06-16- 2015 09:41 AM ET (US)	Yeah, that was my thought as well. For some reason Darryl is like Teflon right now. But still, if we can pull this off, I'm buying a lotto ticket.
1217 franconp 06-16- 2015 11:16 AM ET (US)	There is a triple tie right? What will happen if that's the case? I'm sure it will not happen.
1218 Ourobolus 06-16- 2015 11:34 AM ET (US)	I'm sure it won't, but my guess is just straight "No-Evict," especially since one of the votes is for No Evict, and then Kark would have to basically flip a coin for the other, which isn't really fair.
1219 franconp 06-16- 2015 11:45 AM ET (US)	I'm going to vote KK. It will be weird to not to vote and we need to make sure to get an evict this phase.
1220 Ourobolus 06-16- 2015 11:48 AM ET (US)	Godspeed, sir.
1221 Ourobolus 06-16- 2015 11:57 AM ET (US)	Welp, there goes Darryl's option.
1222 Ourobolus 06-16- 2015 12:50 PM ET (US)	I'm hoping people just think I gave up.
1223	Lol, RNH on point.

Ourobolus 06-16-2015 01:01 PM ET (US)	
1224 franconp 06-16-2015 01:03 PM ET (US)	And if nothing goes wrong Ouro votes No evict and we are safe again. Something will go wrong.
1225 Ourobolus 06-16-2015 01:05 PM ET (US)	I'm curious what nin and ultron will do though. That'll be interesting.
1226 Ourobolus 06-16-2015 01:05 PM ET (US)	oh shit he just voted kingkitty
1227 Ourobolus 06-16-2015 01:07 PM ET (US)	Welp, if ultron votes for me, I'm screwed.
1228 franconp 06-16-2015 01:59 PM ET (US)	I know it would be best to evict Haly as we can't evict him the next night but I decided to evict squidyj and won't change my mind.
1229 Ourobolus 06-16-2015 02:00 PM ET (US)	I'm totally fine with squidyj.
1230 Ourobolus 06-16-2015 02:32 PM ET (US)	God I love when people post their opinions on Darryl. Makes me giggle. Edited 06-16-2015 02:32 PM
1231 Ourobolus 06-16-2015	SHUT UP HALY

02:40 PM ET (US)	
1232 Ourobolus 06-16- 2015 02:42 PM ET (US)	Goddammit. There it is.
1233 Darryl 06-16- 2015 03:07 PM ET (US)	Wait what happens if it goes 1. Kk 2. No evict / ouro?
1234 Ourobolus 06-16- 2015 03:08 PM ET (US)	My guess is KK + No Evict.
1235 Darryl 06-16- 2015 03:08 PM ET (US)	Oh fuck
1236 Darryl 06-16- 2015 03:09 PM ET (US)	No way to fuck the votes
1237 Ourobolus 06-16- 2015 03:09 PM ET (US)	Yep.
1238 Ourobolus 06-16- 2015 03:09 PM ET (US)	I'm boned. Oh well.
1239 Darryl 06-16- 2015 03:09 PM ET (US)	God damn it razmos
1240	Yeah. I'll hang around until 4 just in case maybe someone does something beneficial,

Ourobolus 06-16-2015 03:10 PM ET (US)	but I highly doubt it at this point.
1241 Darryl 06-16-2015 03:10 PM ET (US)	That was almost a major victory
1242 Ourobolus 06-16-2015 03:10 PM ET (US)	Hopefully I can at least take KK out with me. I guess Razmos doesn't trust my role either :P
1243 Ourobolus 06-16-2015 03:12 PM ET (US)	Or maybe someone will pipe up that KK is just stalling for an extra day. I dunno.
1244 franconp 06-16-2015 03:13 PM ET (US)	KK makes sense with his post. I'm not going to post anymore so I can say I didn't see that post.
1245 Darryl 06-16-2015 03:13 PM ET (US)	We got fucked by nintendo. If they had a good e3 Ramos would've been too distracted
1246 Darryl 06-16-2015 03:14 PM ET (US)	I can't change at this point without it directly implicating me. :<
1247 franconp 06-16-2015 03:16 PM ET (US)	But Square's was great!!! Not Sony's great but still great.
1248 Ourobolus 06-16-2015	Yeah, no, I'm not asking you guys to. Just false hope on my end. I'm pretty sure I'm fucked here. :P

03:16 PM ET (US)	
1249 Ourobolus 06-16- 2015 03:18 PM ET (US)	God Sony's was amazing.
1250 franconp 06-16- 2015 03:25 PM ET (US)	If they had done it today with Gaf down and everyone talking about FF VII, Shenmue and TLG we could have save you. Instead we had Nintendo showing us Mario Maker. FUCK!!!!
1251 Ourobolus 06-16- 2015 03:26 PM ET (US)	C'est la vie. I think I did ok at my first time at Mafia online, so I'm not too pissed. I just want you guys to get as far as you can. AVENGE ME, DARRYL
1252 Ourobolus 06-16- 2015 03:30 PM ET (US)	Darryl, there's a chance for you to change your vote.
1253 Ourobolus 06-16- 2015 03:33 PM ET (US)	This is it. Going in hard here.
1254 Ourobolus 06-16- 2015 03:42 PM ET (US)	Well, managed to get one vote back in my favor...
1255 Ourobolus 06-16- 2015 03:42 PM ET (US)	3-way tie! LOL
1256 franconp 06-16- 2015 03:45 PM ET (US)	It's the count right??? I think someone will post the count again (Ezekel).
1257	with my self-vote, it's 4 for me and 3 for the others. all I have to do is switch to KK at

Ourobolus 06-16- 2015 03:46 PM ET (US)	the last second.
1258 franconp 06-16- 2015 03:47 PM ET (US)	Let's hope for the best.
1259 Ourobolus 06-16- 2015 03:48 PM ET (US)	Sorry, it's 5-4-4.
1260 Darryl 06-16- 2015 03:48 PM ET (US)	who has 5?
1261 Ourobolus 06-16- 2015 03:49 PM ET (US)	Me. With my self-vote.
1262 Ourobolus 06-16- 2015 03:50 PM ET (US)	Oh dammit Darryl, don't post that shit. :(
1263 Darryl 06-16- 2015 03:50 PM ET (US)	oh my god LOL
1264 Darryl 06-16- 2015 03:50 PM ET (US)	i'm trying to scare people into not switching and just let you fuck the votes yourself
1265 franconp 06-16- 2015	If you are alive the next phase and we evict squidyj during the night phase I'm going to be so happy.

03:53 PM ET (US)	
1266 Ourobolus 06-16- 2015 03:53 PM ET (US)	Oh my god I am dying here
1267 Darryl 06-16- 2015 03:53 PM ET (US)	this would be unreal
1268 Ourobolus 06-16- 2015 03:54 PM ET (US)	I have to time this just right. The moment I see it change to 4:00 I'm posting.
1269 Ourobolus 06-16- 2015 03:55 PM ET (US)	OH MY GOD
1270 Darryl 06-16- 2015 03:55 PM ET (US)	so if you switch to KK, then 2nd will be tied with you and a no evict. will the no evict overwrite you?
1271 Darryl 06-16- 2015 03:56 PM ET (US)	LOLOLOLOLOL
1272 Darryl 06-16- 2015 03:56 PM ET (US)	last fucking minute change your vote to a no evict
1273 Ourobolus 06-16- 2015 03:56 PM ET (US)	ultron just voted for KK, so I assume I need to vote No Evict now to make no evict higher than myself.
1274	how on earth did this happen

Darryl 06-16- 2015 03:57 PM ET (US)	
1275 Darryl 06-16- 2015 03:57 PM ET (US)	Noooooooooooooooooooo
1276 Darryl 06-16- 2015 03:58 PM ET (US)	n0n000000000000000000000000
1277 Ourobolus 06-16- 2015 03:58 PM ET (US)	FUCK
1278 Darryl 06-16- 2015 03:58 PM ET (US)	our house of cards
1279 franconp 06-16- 2015 03:59 PM ET (US)	I want to change to no evict so much.
1280 Ourobolus 06-16- 2015 04:00 PM ET (US)	Too late. GG, guys.
1281 Darryl 06-16- 2015 04:01 PM ET (US)	:/
1282 Darryl 06-16- 2015	we are so fucked

04:01 PM ET (US)	
1283 Ourobolus 06-16- 2015 04:03 PM ET (US)	At least KK is gone too.
1284 franconp 06-16- 2015 04:03 PM ET (US)	I was good playing with you Ouro. I promise I will avenge you!!!!!!
1285 Ourobolus 06-16- 2015 04:04 PM ET (US)	Well guys, it was fun. Get 'em good for me. :)
1286 Ourobolus 06-16- 2015 04:04 PM ET (US)	I WAS SO CLOSE
1287 Darryl 06-16- 2015 04:05 PM ET (US)	You were right at that line man
1288 Darryl 06-16- 2015 04:29 PM ET (US)	this is going to be a silent game now sadly. just a lot of sitting and hoping no one points at me before they choke on themselves
1289 Darryl 06-16- 2015 06:15 PM ET (US)	i'm 100% sure our greatest chance for survival is to evict haly. then i'll try to convince my gossip to allow a nin eviction. i'll tell my gossip that there's someone near ouro. then say we should see who pushes for a nin eviction to see who it might be, and that nin is useless anyways and he's obviously not paying attention. i'll play on razmos's guilt for a kingkitty eviction since i told my gossip on the last turn that kk had to be innocent. lets try to push a world where it is my gossip chat + franconp vs. everyone else. then after haly > nin > we get squidyj. and after that, we just mow down the bottom left corner. one by one. until it is just me, timeasis, razmos, and ultron/franconp.
1290 Darryl 06-16- 2015	i'm convinced squidyj will go hard on nin. which will be hilarious to see him push so hard for nin and fail. then he gets evicted. it's his bittersweet end for fucking us so hard.

06:16 PM ET (US)	
1291 franconp 06-16- 2015 10:35 PM ET (US)	I think some of them will go for me. If there's people doubting why I didn't get evicted this night phase I will try to say that it seems HHA only have 2 more players and it was to risky to Ultron to evict himself. Maybe it will work. If I'm evicted I'm sure the next targets will be Timeaisis and RNH. That will give you at least a phase. I would prefer to evict squidyj as he has a thing for me but I'm ok with evicting Haly if not. If we don't evict him this phase we can't the next one. I'm thinking investigating Nin. Before pushing forward we need to know what he can do. If he is an ordinary villager and someone ask who did I investigated I can say that I investigated Haly.
1292 Darryl 06-17- 2015 12:07 AM ET (US)	i think squidy is too bullheaded and will try to find the 3rd mafia before he gets evicted. we need both him and haly out and if we don't get haly now, we won't get her next phase. that combo is what we need to be afraid of. i think we can deal with squidy w/o haly for one turn. he's gonna be up for questioning too because he was on the kingkitty brigade
1293 franconp 06-17- 2015 06:22 AM ET (US)	But he was also the one who pushed for Ouro's eviction. I don't think they will question him.
1294 Darryl 06-17- 2015 07:26 AM ET (US)	maybe not, but in the end it doesn't matter. it just matters that during the next phase they follow the wrong lead and evict someone innocent - rnh, nin, eze.
1295 Darryl 06-17- 2015 07:29 AM ET (US)	we gotta drag this out until the good players are gone. after that, the chance of me being role questioned shrinks (if i'm role questioned and pressed hard, i'm fucked). the chance of them drumming up an eviction for you shrinks. i can kinda see a victory for us here if the next day or so goes right.
1296 franconp 06-17- 2015 08:27 AM ET (US)	Let's see what you think about this: Night 6: We evict Haly this phase and I investigate Nin. Day 7: If Nin is an Ordinary Villager (so he can't prove his role) I will say I investigated him and he is the corporate lackey and push for his eviction. If he has some role I say I investigated Haly and we see how to proceed. Night 7: We evict squidyj and Investigate Ezekel as he will be the only one left to know his role. Day 8: As I lied about Nin I will be evicted with Ultron Night 8: You should evict Razmos. Day 9: As I'm proved HHA the main targets would be Timeaisis and RNH. One of them is out. Night 9: You evict Ezekel. Day 10: It's only you, Toma, Timeaisis/RNH and Retrogamer. The remaining one between Timeaisis and RNH could be the biggest target.

	Night 10: You evict one of the two remaining players. I think it may work. When I get evicted RNH and Timeaisis will be big targets as it will seem that I protected them. Maybe we can get 2 turns out of it.
1297 franconp 06-17-2015 08:29 AM ET (US)	That way the main focus on the next 2 day phases will be Nin first and Me/Ultron the second. With Razmos out and Timeaisis in trouble you could say you are an Ordinary Villager and I don't think anyone will suspect.
1298 franconp 06-17-2015 09:06 PM ET (US)	Also if you are OK I will make the eviction.
1299 Darryl 06-18-2015 01:13 AM ET (US)	go ahead and make it. let's try to keep the momentum going and get a NIN evict. but let's implicate others in the eviction of NIN
1300 franconp 06-18-2015 06:55 AM ET (US)	Done.
1301 Ourobolus 06-19-2015 06:14 PM ET (US)	Was nin Ordinary?
1302 franconp 06-19-2015 07:46 PM ET (US)	Nin is Ordinary. I'm planning to say I investigated Haly but he didn't survive the night as I can't clear nin's name. I will post tomorrow as i'm busy today. If you have any idea I will read tomorrow.
1303 franconp 06-19-2015 07:48 PM ET (US)	I didn't realize it was ouro's post. You are back from the grave?
1304 Ourobolus 06-19-2015	Heh, no. I was just curious. I won't post any advice or strategy or anything.

07:51 PM ET (US)	
1305 Karkador ★ 06-19- 2015 07:57 PM ET (US)	Hey hey, no posting in here, Ouro!
1306 franconp 06-19- 2015 07:59 PM ET (US)	You are always welcomed ouro. At least until Kark ban you.
1307 Ourobolus 06-19- 2015 07:59 PM ET (US)	Oh fine. Sorry! :P
1308 franconp 06-19- 2015 08:00 PM ET (US)	There it is!!! The law has come.
1309 Darryl 06-20- 2015 06:43 PM ET (US)	If that doesn't earn me Townie cred than we are fucked.
1310 franconp 06-21- 2015 11:14 AM ET (US)	Darryl, do you have an AC character assigned to your role?? I realize that Ouro, Hobo and me have characters of the game assigned to our roles (Tom, Timmy and Tommy) but, reading the role's PM of the ones that have been evicted so far they don't have a character assigned. What's strange is that Nin assumed a character as soon the game started, talking about the coffe shop, changing his avatar, etc. Maybe we can use this at our advantage. We can say he didn't know that only the HHA had a character assigned to them.
1311 Darryl 06-21- 2015 05:29 PM ET (US)	Yea. I'm Lyle, The Corporate Tool or something. Also "manufactured rivalry". Lol.
1312 Darryl 06-21- 2015	You could attempt to lead a vote on Nin

05:30 PM ET (US)	
1313 francomp 06-21- 2015 06:13 PM ET (US)	Let's see if it works.
1314 Darryl 06-22- 2015 04:08 PM ET (US)	You needed to vote for nin. Lol. Like awhile ago
1315 Darryl 06-23- 2015 12:13 AM ET (US)	this is hilarious. i actually think my argument against him is strong. but squidy is right, i don't think the town is very smart. this is nearing gg status. now if squidy goes then i'm up on the chopping block
1316 Darryl 06-23- 2015 12:14 AM ET (US)	we needed you to make this about NIN as soon as possible :<
1317 Darryl 06-23- 2015 04:55 AM ET (US)	This game would've been a lot more interesting if at any given point more than 2 people were playing and it's been like this all fucking game
1318 francomp 06-23- 2015 06:58 AM ET (US)	I don't know what you expect to gain fighting Ezekel and Squidyj. You just need to stay low for a couple or turns and can win this. After I'm gone the next couple of day phases they will go for Timeaisis and RNH for sure and you just need to survive another night phase an we win. Day 7: Ultron/me Night 7: Squidyj Day 8: Timeaisis/RNH Night 8: Ezekel Day 9: Timeaisis/RNH Night 9: Razmos That will leave you, toma, retrogamer and nin. At this point you can push for a Nin eviction and, if you succed, win the game. I think you should avoid any confrontation for the next couple of days and try to make a strong case in Nin, toma or retrogamer.
1319 francomp	And I'm out. Goodluck Darryl!!!!

06-23-2015 02:40 PM ET (US)	
1320 Darryl 06-23-2015 04:56 PM ET (US)	Blah I wish you guys never found me. Now in all alone. :(
1321 Darryl 06-23-2015 04:58 PM ET (US)	G-guys...? Anyone h-home.... x.x
1322 Ourobolus 06-23-2015 04:58 PM ET (US)	OOOOOOOooooooOOOOOO I'm a ghoooooooooost
1323 Darryl 06-23-2015 06:02 PM ET (US)	Just the comforting sound of the wind :)
1324 Hobohodo 06-27-2015 07:26 PM ET (US)	'My plan was to never be found and get killed off first' Brilliant.
1325 Darryl 06-28-2015 08:46 PM ET (US)	yea that plan backfired LOL. god help me
1326 Darryl 06-30-2015 04:17 PM ET (US)	LOL that fucked me so hard. God damn it squidy. I didn't even want him gone that much either.
1327 Darryl 07-01-2015	I regret evicting squidy so much. This is going to be a fucking snore till the end now. Just slow painful death.

06:40 AM ET (US)	
1328 Hobohodo 07-01- 2015 08:38 AM ET (US)	Don't give up man #hotoutthefuckinggate
1329 Ourobolus 07-03- 2015 07:32 AM ET (US)	You got this, dude
1330 Darryl 07-07- 2015 05:39 AM ET (US)	If we even barely discuss this role in detail it's gonna get fucked so hard.
1331 Darryl 07-08- 2015 02:12 PM ET (US)	well i conned my way into the last possible turn, that seems like at least some form of victory. tbh i got neutral / hha vibes off both retro and toma. so i'm interested to see if i evicted one of my own LOL
1332 Hobohodo 07-10- 2015 04:20 PM ET (US)	Now is your time to shine Darryl. Edited 07-10-2015 04:20 PM
