5 Makai★ 05-16-2015 07:57 PM ET (US)	And two of those in the UNKNOWN category are fellow HUTTS.
6 OceanicAir★ 05-16-2015 08:02 PM ET (US)	The major thing that sucks is that we could accidentally kill them as well as lynch them. Or wait can we kill them or will it fail? Also, I have a feeling that we are not the only ones with a Mob mentality.
7 OceanicAir★ 05-16-2015 08:06 PM ET (US)	Additionally, how familiar with mafia are you guys? I have read through a bunch of games online and the first one on Neogaf but this is the first forum based one that I actually participated in. The one live game I played I was the first target of the mafia lol.
8 Makai★ 05-16-2015 08:06 PM ET (US)	You mean you think there's another private forum?
9 Makai★ 05-16-2015 08:10 PM ET (US)	This is also my first time participating in forum Mafia.
10 Makai★ 05-16-2015 08:18 PM ET (US)	I'd recommend reading the Animal Crossing thread: http://www.neogaf.com/forum/showthread.php?t=1044457 In that thread, people brought suspicion upon themselves by recommending who to evict first. We should just keep our heads low for the first day. Vote NO DETAIN and make an emotional appeal to keeping our fellow rebels alive if others make the statistical argument for eviction.
11 Makai★ 05-16-2015 08:20 PM ET (US)	I think it's actually a huge asset that we haven't participated before. People hold grudges from previous games and seem to be more suspicious of people they know. I'm gonna play up the newbie element a lot - "has this worked before?", rule clarification from a town perspective, etc. Don't overdo it, of course.
12	Not entirely sure but I think there are at least some non-town or mafia roles in this

OceanicAir★ 05-16-2015 08:21 PM ET (US)	game. But anyway what's our game plan? Should we talk to each other often or not? Also in the last game people noticed mafia posting and voting one after the other in bunches, so we need to make sure we avoid this.
13 Makai★ 05-16-2015 08:23 PM ET (US)	I think we shouldn't overthink it too much.
14 Makai★ 05-16-2015 08:24 PM ET (US)	Delusional people are going to notice false patterns - people who live in the same time zone post together, etc.
15 Makai★ 05-16-2015 08:26 PM ET (US)	I think rule #1, though, should be no "gambits" in the early game. No making up elaborate lies about our role. We are generic rebels with no special abilities.
16 OceanicAir★ 05-16-2015 08:26 PM ET (US)	Well you answered my question already, agreed on all counts, especially newbing it up. Though I think whatever decisions that are made, we all shouldn't make the same ones. I definitely don't want to bring attention to myself, leaving myself to the middle of the pact, not posting too much but not getting eyes on me for posting too little.
17 OceanicAir★ 05-16-2015 08:29 PM ET (US)	We do need a back-up role because if someone can see what we do during the night while one of us is killing somebody then questions will arise. But you're right, no overthinking. It's only Day 1!
18 Makai★ 05-16-2015 08:32 PM ET (US)	If we post autonomously, I think we'll just naturally disassociate from each other. We'll vote and talk independently but decide who to kill together.
19 Makai★ 05-16-2015 08:33 PM ET (US)	That way we don't have to coordinate posting times or anything like that. :)
20 Makai★	Oh for backup roles, I'm thinking one of these:

05-16-2015 08:37 PM ET (US)	http://wiki.mafiascum.net/index.php?title=Bomb http://town-of-salem.wikia.com/wiki/Jester
21 Makai★ 05-16-2015 08:42 PM ET (US)	We should also consider rotating kills to reduce our individual risk. We could do it alphabetically: Makai -> OceanicAir -> Raindoc I assume we're all Hutt Mob Goons and have the same abilities. I have the power to tweet the rebels through MattyG at night.
22 OceanicAir★ 05-16-2015 08:45 PM ET (US)	Those are awfully strong roles to take up. I feel that they would take a whole lot of attention in your direction. But hopefully it won't come to that! I hope somebody brings attention to themselves that isn't one of our fellow mafia, because someone inevitably will.
23 Makai★ 05-16-2015 08:46 PM ET (US)	Well, if somebody asks, we're normal rebels with no abilities. Those roles would be if we were uncovered and being voted for lynching.
24 Makai★ 05-16-2015 08:47 PM ET (US)	In the animal crossing thread, a bunch of people revealed their roles on the first day, although it might be because of rule differences.
25 OceanicAir★ 05-16-2015 08:55 PM ET (US)	Actually, I am the Hutt Mob Leader (respect me dang it! lol) which means that I will turn up as a rebel when someone investigates me. I could definitely take more of the killings than you guys for sure. But I still don't know the other mob members :(.
26 Makai★ 05-16-2015 09:00 PM ET (US)	Oh, cool. Can you send spooky messages, too?
27 Makai★ 05-16-2015 09:00 PM ET (US)	You're basically the Godfather: http://wiki.mafiascum.net/index.php?title=Godfather
28 OceanicAir★ 05-16-2015	What do you mean by spooky messages? But yeah, looks like a Godfather role, better not waste it!

09:07 PM ET (US)	
29 Makai★ 05-16- 2015 09:07 PM ET (US)	If I am a Goon, the mystery members are likely either a Traitor or Prostitute: Goon: http://wiki.mafiascum.net/index.php?title=Goon Traitor: http://wiki.mafiascum.net/index.php?title=Traitor Prostitute: http://wiki.mafiascum.net/index.php?title=Roleblocker
30 Makai★ 05-16- 2015 09:09 PM ET (US)	I can ask MattyG to send a tweet-length message to a random player.
31 Makai★ 05-16- 2015 09:11 PM ET (US)	Like, if you get in a bind at some point and claim to be another role, I could send a message that says "OceanicAir tells the truth."
32 Makai★ 05-16- 2015 09:13 PM ET (US)	The rebels won't know who sends them, so it will aid our disinformation campaign.
33 Makai★ 05-16- 2015 09:22 PM ET (US)	Or, "I am a Cop. _____ is a rebel."
34 OceanicAir★ 05-16- 2015 09:22 PM ET (US)	That messaging ability sounds cool! I hope town has the ability too, to really mess with their heads but no spooky messages for me :/ I wonder what format it will come out as I how they will receive it. Do you only have one opportunity to do it or is it once a night? But I agree with your assumptions for what the possibilities are for our unknown brethren.
35 Makai★ 05-16- 2015 09:29 PM ET (US)	It's once per night. It has to be 140 characters or less, and they get it as : "You have been sent a mysterious message at night. It reads [sentence here]." There's a discrepancy here about whether I get to choose the recipient. I asked MattyG for clarification.
36 Makai★ 05-16- 2015 09:34 PM ET (US)	MattyG says I get to pick the recipient. 8)

37 OceanicAir★ 05-16-2015 09:35 PM ET (US)	Nice!
38 Makai★ 05-16-2015 09:36 PM ET (US)	"Unvote or you're next." lol I want to keep the charade that the messages are coming from a rebel, but I can do something like that later. I wonder if the other Hutt has the same power.
39 Makai★ 05-16-2015 09:47 PM ET (US)	If we're forced to vote someone out, I'm gonna recommend voting for one of the inactive people.
40 OceanicAir★ 05-16-2015 09:54 PM ET (US)	Definitely, it works out from a least hurtful perspective and no real blame can be sourced back to us. (hopefully)
41 Makai★ 05-16-2015 09:59 PM ET (US)	Nobody's even pointing at me and I'm already starting to sweat at the idea of getting lynched! Haha.
42 OceanicAir★ 05-16-2015 10:02 PM ET (US)	I nearly had a heart attack when I saw my role. Hopefully I can cool down as time passes (but not enough to make a crucial slip!)
43 Makai★ 05-16-2015 10:14 PM ET (US)	If it goes down like Animal Crossing, people will vote and accuse each other, but No Detain will win out in the end.
44 Makai★ 05-16-2015 10:21 PM ET (US)	My tentative candidates for death: Palmer and Terabyte. If Palmer really would be a "rebel asset" as Lord of Castamere says, we should axe him. Terabyte could have a special power. Leaning towards Palmer since the mob could turn against Terabyte if he's overselling his special knowledge.

45 OceanicAir★ 05-16-2015 10:22 PM ET (US)	Wouldn't be the worst result. The best one would be that we lynch a unresponsive townie and we get to kill someone at night. I just hope lots of targets are made so we can coast.
46 OceanicAir★ 05-16-2015 10:26 PM ET (US)	Again with the overthinking, I thought that Terrabyte might be baiting the mafia lol. But I really don't mind getting him, Palmer, or Lord of Castamere.
47 Makai★ 05-16-2015 11:03 PM ET (US)	Boom. There we go!
48 Makai★ 05-16-2015 11:11 PM ET (US)	I don't have any strong evidence but my gut says exmachine is a Hutt!
49 Makai★ 05-17-2015 12:39 AM ET (US)	I don't think we should be concerned about lynching Hutts. It helps our case if we vote for them. The rebels don't know that we don't know some of the Hutts.
50 raindoc★ 05-17-2015 12:45 AM ET (US)	Wow, you guys have been busy. it's Sunday morning 6:40am over here, just to clarify. Now I got some reading to do with my morning coffee. brb
51 Makai★ 05-17-2015 12:56 AM ET (US)	1AM here (EST). I woke up late today.
52 raindoc★ 05-17-2015 12:58 AM ET (US)	Okay - I agree with keeping things simple at first. we might have to come up with false roles later on, but IIRC that claim led to the demise of one of the mafiosi in the last game. so we gotta be really careful when choosing those. I propose that we post all our LIES here to have them double and triple-checked. I also agree that there's no need to come up with elaborate plans in the starting phase. everyone vote as they seem fit. As for my Special Ability: I'm a Thief - I can steal Blasters, Shields & whatever gimmick MattyG came up with from the rebels and use those items later on.

53 Makai★ 05-17-2015 01:02 AM ET (US)	Oh, cool! Do you know what those items do?
54 Makai★ 05-17-2015 01:08 AM ET (US)	I agree about posting lies here. Any serious gambit should be discussed here first. I'm going to claim to be a normal rebel with no abilities for as long as possible.
55 Makai★ 05-17-2015 01:21 AM ET (US)	Here's the general outline for how I plan to use my spooky voice ability. On night 1, it will say that it is a cop and ask who it should investigate. Every time it investigates someone it will say the person was a town. If spooky voice says somebody is town and it's revealed that they are actually mafia, spooky voice can claim that people might be able to hide their alignment (which is true of Oceanic). Edited 05-17-2015 01:21 AM
56 Makai★ 05-17-2015 01:26 AM ET (US)	Just to clarify, by "we shouldn't worry about lynching Hutts," I was referring to the unknown Hutts. No need to second guess ourselves. If we figure out one of them is a Hutt, so do the rebels.
57 raindoc★ 05-17-2015 01:27 AM ET (US)	I just read through the Role-PM again and it's just blasters and shields. Regarding your message: i feel like even "I'm a cop" is too much detail. I'd play it slow. Unless something come ups, my first message would simply be ("you are not alone") to let them know someone is out there. You can go for a specific role later on, but at first I'd keep it as simple as possible. The lies will stack up rather quickly anyway ;)
58 Makai★ 05-17-2015 01:28 AM ET (US)	The voice is anonymous. If it's revealed to be a liar, I can switch its role to intimidation. "Vote ____ or you're next!" or whatever.
59 Makai★ 05-17-2015 01:30 AM ET (US)	And if I tell them there is a character limit (which there is), I can restrict my ability to give specific info and contradict myself.
60 raindoc★ 05-17-2015 01:32 AM ET (US)	MattyG - What happens to the Characters I steal the items from. Do they loose their ability for the rest of the game? Example: a Vigilante-type role looses his ability to kill completely? or does he have a spare?
61 Makai★	First message will probably be: "I am cop but have limits."

05-17-2015 01:33 AM ET (US)	
62 Makai★ 05-17-2015 01:35 AM ET (US)	How many days should we expect the game to last?
63 raindoc★ 05-17-2015 01:39 AM ET (US)	Makai - Sure, the voice is anonymous - but it's more helpful to us if if the town has trust in it? Adding as few lies as possible makes it simpler for us. And it would allow you to be more flexible. Maybe it will be useful to claim another role later on? I don't think we should add a detail to a lie if we don't need said detail yet.
64 Makai★ 05-17-2015 01:44 AM ET (US)	Well, consider if the voice were actually from a cop. What reason would you have to conceal that fact? I'd be reporting everyone I investigate ASAP. I think it will be harder for the voice to role-claim later if it waits. And if the voice were from a generic rebel, then why should anybody think anything of it? It's just some guy that knows as much as anyone else. The cop is more trust worthy. The amount of days the game lasts matters, but if it's too long I can just not send out a message every day. The messages fail sometimes or whatever.
65 raindoc★ 05-17-2015 01:48 AM ET (US)	A cop with the ability to post anonymous would be an extremely powerful role and that alone would make me suspicious. And I'm not saying you should claim to be a common rebel. I'm asking you to claim nothing until you need to. Time is on our side.
66 Makai★ 05-17-2015 01:48 AM ET (US)	Yeah, that's true. How about, "I will share what I know" ?
67 Makai★ 05-17-2015 01:51 AM ET (US)	Or "I am with you. Tell others."
68 Makai★ 05-17-2015 01:52 AM ET (US)	I just realized -> whoever I send the messages to would be met with suspicion if they share what the voice tells them. Good chance the recipient doesn't share.
69 Makai★	But yeah, I agree I should be trying to reduce my exposure to being caught in a lie. I didn't think it through. Good thing we have this chat.

05-17-2015 01:53 AM ET (US)	
70 Makai★ 05-17-2015 01:56 AM ET (US)	Interesting that the Hutts here are opposed to random lynching while the (presumably) rebels are in favor. That seems like an insane strategy to me, even though I understand the statistical argument.
71 Makai★ 05-17-2015 02:06 AM ET (US)	Unique views -> 10 Uh oh. Are there spy roles?
72 Matt Gregoire★ 05-17-2015 02:15 AM ET (US)	The only people who have access to this thread are you three, me, Karkador (mod of the AC thread) and Crab (mod of the original thread). I've viewed it on multiple devices, so that's probably where the extra unique views are coming from. Edited 05-17-2015 02:15 AM
73 Matt Gregoire★ 05-17-2015 02:17 AM ET (US)	@raindoc Your ability only allows you to remove blasters and shields from players' possession. Their roles and abilities will remain in tact. Edited 05-17-2015 02:19 AM
74 raindoc★ 05-17-2015 04:53 AM ET (US)	@Matt: Okay. But I can use them the following nights (one time use I guess?). Shield is pretty clear, but what's the blaster for? is it a passive ability (like shooting an attacker at night) or could it be also used actively to off someone (in addition to our Hutt-Kill). @Makai: I'm not that experienced, but in a real-life/real-time Mafia game with all players in the same room, the "We lynch day 1" approach is the most fun IMO. But in that setting you can read people and their reactions. Forum mafia is a much slower burn and I sincerely believe that it is wrong for the town to kill randomly on Day 1. I'll try to take on the role of innocent Commoner for as long as I can, hence my argument for not lynching. But I will have to find a role to claim if I get caught stealing/visiting.
75 OceanicAir★ 05-17-2015 07:22 AM ET (US)	Hey raindoc! So we have a thief, a ghost messenger, and a false rebel. I think we can get some good uses out of these. Also, good idea about sharing lies here before posting them.
76 MattyG	@raindoc Due to game balance, you can only have one item at a time. For example, if you steal a shield, you'll have that in your inventory until someone

05-17-2015 01:02 PM ET (US)	attacks you, at which point it will be used. If you still have an item in your inventory when you try to steal another item though your current item will be replaced with the new one. As for the blaster's ability, it's a one use night kill. So the night you use it, you guys will be able to kill 2 people (1 normal Hutt kill and 1 blaster kill).
77 MattyG 05-17-2015 01:08 PM ET (US)	Edit: That word should be "balance", not "balace".
78 Makai★ 05-17-2015 01:33 PM ET (US)	Thanks, MattyG.
79 Makai★ 05-17-2015 01:50 PM ET (US)	I want to prioritize killing the paranoid people. People who openly challenge each other for no good reason are dangerous to us. I'd rather be around people who keep cool and search for inconsistencies. Terrabyte's gotta go.
80 OceanicAir★ 05-17-2015 01:55 PM ET (US)	I agree, he's definitely one who's talking a lot and questioning too much. But again, I can't help but feel he's provoking us especially with the fact that there are shields in this game. This paranoia is terrible lol.
81 Makai★ 05-17-2015 01:57 PM ET (US)	We can have raindoc steal from him and then kill him.
82 MattyG 05-17-2015 02:37 PM ET (US)	One last (probably obvious) thing: keep in mind that you can only steal items from people who have them. If you select someone who doesn't have an item yet, you will come up empty. Edited 05-17-2015 02:37 PM
83 Makai★ 05-17-2015 03:58 PM ET (US)	I think exmachine64 could be a Hutt.
84 Makai★	MattyG, if raindoc steals from someone, will we know during the night what was stolen? If he steals a blaster, can he use it in the same night?

05-17-2015 04:18 PM ET (US)	
85 MattyG 05-17-2015 05:03 PM ET (US)	He'll get a message with the results of the steal during that night phase, but the item won't be active until the next night phase.
86 OceanicAir★ 05-17-2015 07:22 PM ET (US)	What in God's name is Blarg doing lol. Makes our life easier for the time being (as long as he's not a lost mafia member...)
87 Makai★ 05-17-2015 07:25 PM ET (US)	I don't want him to die. He's fun.
88 Makai★ 05-17-2015 07:26 PM ET (US)	Nobody's pressed any of us at all, which is impressive.
89 Makai★ 05-17-2015 07:36 PM ET (US)	I have a feeling there's going to be a movement to kill him because he's distracting from interrogations.
90 OceanicAir★ 05-17-2015 07:46 PM ET (US)	I think that today will be a waste. Nobody wants to vote because nobody is talking and nobody is talking because nobody has voted. Wouldn't be surprised if someone gets detained due to 4 or 5 people having a vote on somebody. Which would be awesome if the person detained ended up being town.
91 OceanicAir★ 05-17-2015 07:46 PM ET (US)	Today pretty much being both in-game and real life
92 Makai★ 05-17-2015	I hope nobody is detained. I now understand why many are pushing for an indiscriminate day 1 detain. If they no-detain every turn, our odds of victory are 100%.

11:44 PM ET (US)	
93 OceanicAir★ 05-18-2015 07:44 AM ET (US)	Barry pls. I don't want to off you so early. Stop being helpful to town again :(. At the rate this is going it will be really easy to kill an active town player since it will be next to impossible to trace it back to us.
94 OceanicAir★ 05-18-2015 12:13 PM ET (US)	MattyG, three questions. What happens if we try to kill one of our own at night? Do the other two members know about each other? And can they also kill at night?
95 raindoc★ 05-18-2015 02:02 PM ET (US)	@MattyG: I have some questions too, regarding the items I could steal: They have to be handed out first, right? So, if (A) I steal from a guy who get's the item in the same night - what happens? Does he get to keep it, or me? Also, (B) if we decide to kill someone without a shield, but he's given one on the same night: Kill or no kill?
96 raindoc★ 05-18-2015 02:04 PM ET (US)	Third question: Can I steal and kill in the same night, or does one of the other Hutts have to do the killing?
97 OceanicAir★ 05-18-2015 05:28 PM ET (US)	I really am putting Lord of Castamere, WorthyEdge, Rymuth, and CzarTim at the top of my kill list if only to throw them into confusion since there seems to be quite a bit of finger-pointing among them. Or kill a complete random.
98 Makai★ 05-18-2015 06:32 PM ET (US)	It's truly impressive none of us has been openly suspected. I imagine I'll be suspected eventually because I am talking the most.
99 Makai★ 05-18-2015 06:35 PM ET (US)	I love these "tells."
100 OceanicAir★ 05-18-2015	As I said in the sign-up thread that Twilight Zone episode "The Monsters are due on Maple Street" is very similar to mafia. There is way too much paranoia amongst the rebels. Which isn't exactly a bad thing. There really is no reason to look at us since we haven't really said anything controversial. I do plan on posting more on Day 2 though, since there will be "more data to catch mafia."

06:44 PM ET (US)	
101 Matt Gregoire★ 05-18- 2015 06:59 PM ET (US)	@raindoc 1) You wouldn't get the item. It will be given to them at the end of the night phase/beginning of the day phase, while your action will take place during it. 2) It wouldn't protect them, due to them not receiving it until the end of the night phase/beginning of the day phase. 3) You CAN kill and steal in the same night. Edited 05-18-2015 07:04 PM
102 Matt Gregoire★ 05-18- 2015 07:04 PM ET (US)	@OceanicAir If by "one of our own" you mean the two unidentified mafia, they would be killed just as any Rebel would. The two do know about each other. As for whether or not they can kill at night, I can't divulge that specific bit of info. Gotta have a little mystery! Edited 05-18-2015 07:04 PM
103 Makai★ 05-18- 2015 07:08 PM ET (US)	Oh, cool! I wonder if they have their own forum like the lovers.
104 Makai★ 05-18- 2015 07:10 PM ET (US)	I bet they can't kill, unless it's a one-time thing.
105 Makai★ 05-19- 2015 05:01 AM ET (US)	http://www.neogaf.com/forum/showpost.php?p...77906&postcount=422 "I think they're in the bottom unless they're in the top or the middle."
106 Makai★ 05-19- 2015 05:21 AM ET (US)	Oh shit, did I really call that exmachine64 was Hutt?
107 Makai★ 05-19- 2015 05:37 AM ET (US)	I feel like Terrabyte is the right choice because he's going to talk more later and has already cast off all suspicion.
108 Makai★	http://www.neogaf.com/forum/showpost.php?p...83208&postcount=436 This is good stuff. I might join the TheWorthyEdge bandwagon on Day 2.

05-19-2015 05:39 AM ET (US)	
109 OceanicAir★ 05-19-2015 08:34 AM ET (US)	I go to sleep and I see a potential mafia member commit suicide, great. I'll probably sit this one out and blame that I was tired as why I wasn't part of the detain-train. It's way too late to join now.
110 OceanicAir★ 05-19-2015 09:20 AM ET (US)	Hooray, now I have a vote. Good grief
111 Makai★ 05-19-2015 05:45 PM ET (US)	Relax. Nobody cares about his vote.
112 Makai★ 05-19-2015 05:51 PM ET (US)	Palmer is another good choice to kill. He's calm, but he's catching on and his death could put some pressure back on Terrabyte.
113 Makai★ 05-19-2015 06:13 PM ET (US)	I'm thinking about sending Spooky Voice to Blargonaut first. People won't believe him, but then I'll send it to someone else and they'll believe the voice isn't Blargonaut's creation.
114 Makai★ 05-19-2015 06:25 PM ET (US)	TheWorthyEdge is just going to self-destruct on his own without our help.
115 OceanicAir★ 05-19-2015 07:00 PM ET (US)	Yeah, I believe nobody is serious about my vote. Which is why I haven't rushed to defend myself. But eventually I will have to address it. But yeah, WorthyEdge is making a huge target on himself and we can always point out he has like 24 more posts than the nearest person. Palmer would always be a good person to pick lol. And agreed on Blarg, he's quite an interesting person.
116 Makai★ 05-19-2015	CzarTim and Lord of Castamere are also really aggressive. I want to get rid of players like that. What do you think, raindoc?

09:37 PM ET (US)	
117 Makai★ 05-19- 2015 10:02 PM ET (US)	Don't get pressured to change your posting style. They have nothing on you and nobody seems to care.
118 Makai★ 05-19- 2015 10:34 PM ET (US)	"I feel relatively good about blarg and rain. " ROFL, nice!
119 Makai★ 05-19- 2015 10:44 PM ET (US)	Yeah, let's kill CzarTim. He's basically throwing out everybody's name. I want stability and predictability.
120 Makai★ 05-19- 2015 10:47 PM ET (US)	What do you think about raindoc stealing and killing the same person in the same night?
121 OceanicAir★ 05-19- 2015 11:09 PM ET (US)	That would work well. Also what do you think about this response post: Well, I was away from home most of the day so I been reading up today. I haven't really said a whole lot because as I said before I don't have a lot to say, which is a combination of being fairly new to mafia and my posting style on neogaf in general. I haven't seen anything jump out as questionable nor did I expect it on the first day. When I look at the vote count it seems people are as unsure as I am, there are votes on 5 different people (including me). But the main reason I haven't voted is because my suspect list is too large as it consists of people that have posted fewer than I have and people that are high volume posters as that is where I believe that mafia would lie.
122 OceanicAir★ 05-19- 2015 11:10 PM ET (US)	Responding to traube/CzarTim
123 Makai★ 05-19- 2015 11:13 PM ET (US)	Seems fine to me. I'm not even going to give them that much whenever they inevitably ask me. They have nothing on you so I don't see why you need to give any explanation at all.
124 Makai★	Plus, if we stick with killing the aggressive people, we can avoid this kind of thing in the future. CzarTim has been pointing the finger at EVERYONE, so you're not

05-19-2015 11:17 PM ET (US)	incriminated if he dies.
125 Makai★ 05-20-2015 12:39 AM ET (US)	Oh shit, lol. Stay calm, raindoc. That's gonna blow over. Nobody cares.
126 Makai★ 05-20-2015 12:45 AM ET (US)	Nobody knows anything and a one-off accusation is not going to stick unless you make it stick.
127 Makai★ 05-20-2015 09:35 AM ET (US)	MattyG, are we only allowed to vote for one person at a time?
128 Makai★ 05-20-2015 06:45 PM ET (US)	Murder time is almost here! :D
129 Makai★ 05-20-2015 06:48 PM ET (US)	I want to keep Palmer alive because he's a force for calm. Too many people flipping their shit. We want everybody nice and sedated so we can pick them off peacefully.
130 Makai★ 05-20-2015 07:06 PM ET (US)	I think Ordinary Rebel is the role name. At least that's probably what CzarTim is referring to redhood saying that makes him an obvious revel.
131 Makai★ 05-20-2015 07:17 PM ET (US)	I am going to laugh hard if today ends in No Detain because people aren't sure if they want to lynch exmachine64 or TheWorthyEdge (or now zippedpinhead at the last minute wtf).
132 OceanicAir★ 05-20-2015	I really don't see why people are so desperate to detain someone. 15 out 23 people have a vote. Things will be wildly confusing day 2.

07:24 PM ET (US)	
133 Makai★ 05-20- 2015 07:27 PM ET (US)	This is AMAZINGLY tense. 6-6. If someone breaks the tie, I almost want to change my vote to even it up. I'm NOT going to do that because it goes against my long-game and would be really scummy. But I want to :)
134 Makai★ 05-20- 2015 07:30 PM ET (US)	Nobody's mentioned me, still. Feels good 8) I imagine this will change on Day 2, though. Day 3 at the latest.
135 raindoc★ 05-20- 2015 07:38 PM ET (US)	Aaaand back to topic. "No day 1 lynch" that is. Did not expect getting accused for that vote. "Why am I even arguing this, we're going to detain." I think I'll use that against CzarTim after (if) they detain a rebel today. "Too eager defending the random detain that cost a townies life, maybe he knew it all along?"
136 Makai★ 05-20- 2015 07:39 PM ET (US)	Let's just kill that dude. He's accused a bunch of people so it won't be pinned to you.
137 Makai★ 05-20- 2015 08:11 PM ET (US)	TheWorthyEdge will probably self-destruct tomorrow. He's gone if nobody claims to be his lover.
138 Makai★ 05-20- 2015 10:59 PM ET (US)	Ok, Night is officially here. I think raindoc should steal from and kill CzarTim.
139 Makai★ 05-20- 2015 11:03 PM ET (US)	I have chosen Blargonaut as the recipient of my spooky message: "I will share what I know. Tell the others." I picked him because he's going to make the reveal of the mechanic interesting. I will probably change the recipient each night.
140 raindoc 05-21- 2015 01:05 AM ET (US)	Of the three of us, I'm the most likely to be watched tonight. Also I can't steal anything tonight because the items will only be handed out tonight - or would've been. With the armourer gone, I'm not sure if there will be anything to steal at all.

	And I'm not happy with your choice either. Czartim is pretty aggressive and was key in today's glorious event. There's a chance we can turn the town against him.
141 Makai★ 05-21-2015 01:10 AM ET (US)	I wanna prevent more events like that. Throwing suspicion between people quickly is dangerous.
142 Makai★ 05-21-2015 01:11 AM ET (US)	Oh, I didn't notice that was his role. Interesting.
143 Makai★ 05-21-2015 01:14 AM ET (US)	OceanicAir has his alignment concealed, so he might be the next best choice to carry out the kill.
144 Makai★ 05-21-2015 01:16 AM ET (US)	Who do you want to kill instead? I want to take out the aggressive people as quickly as possible. Town is going after TheWorthyEdge in Day2.
145 Makai★ 05-21-2015 01:29 AM ET (US)	If we're left with a bunch of docile people it will be easier to lay back and pick people off each night.
146 raindoc 05-21-2015 04:34 AM ET (US)	you have a point and I agree that the offense team has to go, but it's much easier to make aggressive posters look guilty than the moderate ones... need to think this through and read the thread again, but I won't get out of the hospital for another 9-10 hours.
147 OceanicAir★ 05-21-2015 10:07 AM ET (US)	Lol, they detained their armorer! This will make life slightly easier for us now. The only downside is that we can't steal from them now... My targets for death are anyone from Blarg, Lord of Castamere, and Terrabyte. Targets for robbing would be Traube or Blarg. But with the end of exmachina, I'm not sure how much stealing will influence things. Although there may be people that already have blasters/shields as a part of their roles.
148 OceanicAir★ 05-21-2015	I would also add Traube to the kill list. Although with his vote on me that might be a problem. Also, this "Players who have already received an item may not receive another." I'm not sure if that refers to raindoc or another equipment distributor.

10:11 AM ET (US)	
149 Makai★ 05-21- 2015 12:21 PM ET (US)	Do not kill Blargonaut. I sent my first message to him. He's gonna get lynched eventually, especially if he shares the message.
150 Makai★ 05-21- 2015 12:26 PM ET (US)	My deathlist: Terrabyte Exmachine TheWorthyEdge CzarTim Lord of Castamere Exmachine is already dead. TheWorthyEdge will self-destruct. I want to keep Palmer and Blargonaut around for a while because they support my conservative play-style.
151 MattyG 05-21- 2015 04:50 PM ET (US)	@OceanicAir All that means is that Exmachina64 couldn't have given the same player multiple items. Once he gave someone an item, that'd be the only one they could recieve from him for the whole game.
152 Makai★ 05-21- 2015 06:18 PM ET (US)	Wow, just saw the role PM. We are off to a damn good start.
153 Makai★ 05-21- 2015 06:45 PM ET (US)	MattyG, that role seems like it would have been ridiculously OP. :) I'm glad he's out of the game because our plans might have been thwarted with blasters everywhere.
154 OceanicAir★ 05-21- 2015 07:07 PM ET (US)	I'd be more worried if everybody had a shield. It would be impossible to lynch anybody by the end. But it is a fair exchange for having 5 mafia members.
155 Makai★ 05-21- 2015 07:13 PM ET (US)	According to the role, shields do not protect from lynchings. And it wouldn't affect us as long as raindoc was alive.
156 OceanicAir★	It would make killing at night awfully hard especially if they protected power roles.

05-21-2015 07:16 PM ET (US)	
157 OceanicAir★ 05-21-2015 07:21 PM ET (US)	Although giving people as paranoid as they are blasters would hardly be a bad thing.
158 Makai★ 05-21-2015 07:40 PM ET (US)	I think it's a bad thing because they could randomly hit one of us. We want as few deaths as possible to happen outside of our control.
159 Makai★ 05-21-2015 08:43 PM ET (US)	We will absolutely steamroll the rebels if the mystery Hutts have murder powers. Surely they have something if the rebels have a role as powerful as that.
160 Makai★ 05-21-2015 11:15 PM ET (US)	Who do you want to kill, raindoc? I think CzarTim is the right person for tonight, but I'm okay with picking another aggressive person. But I definitely think picking a docile or inactive person is a mistake. We should kill of the aggressive people early so the mid-late game goes smoothly. Emotions are way too hot right now and we're playing with fire if we let that continue. Terrabyte is a pretty good choice considering his out-of-nowhere vote for Palmer. Anybody making gambits need to go.

162 raindoc 05-22-2015 05:13 AM ET (US)	Lord of Castamere. No direct link to any of us and people pay attention to what he says. Since they just killed one of their power roles I don't think that TWE is their logical next choice and I hope that killing LoC will make someone bring up that Czar could be Mafia, since LoC once voted for him and the last postings of Czar before the Armorer got lynched were heavily pro-detain. And I will do the killing. I'll visit two people tonight. LoC (or whoever we choose) for the Kill and someone who's probably being watched to "steal" - might give me an Alibi and you guys won't be connected at all. EDIT: Traube called for a visit, didn't he? might be my chance to get spotted... Edited 05-22-2015 07:41 AM
163 Makai★ 05-22-2015 08:48 AM ET (US)	Fine with me.
164	Well it seems we all agree on Lord of Castamere, the deed must be done.

OceanicAir★ 05-22-2015 09:41 AM ET (US)	
165 raindoc 05-22-2015 09:51 AM ET (US)	okay, I'll send the PM to MattyG. We're killing LoC. Any objections to me visiting Traube? Think someone else is better, or shouldn't I go out twice at all?
166 OceanicAir★ 05-22-2015 10:10 AM ET (US)	Either Traube, Blarg, or WorthyEdge. But I have no strong feelings either way. I could kill if you feel uncomfortable.
167 OceanicAir★ 05-22-2015 10:12 AM ET (US)	Or did you mean about stealing. We could hold back day 1 and surprise them day 2, make it inconsistent and throw them off.
168 Makai★ 05-22-2015 10:41 AM ET (US)	Traube is fine with me. Leave poor Blargonaut alone ;)
169 raindoc 05-22-2015 12:28 PM ET (US)	I don't think I can steal anything, but I should be able to "visit" other players. my reasoning: if I get spotted visiting someone who is being watched and we don't kill him/her, it might throw the investigator(s) off and I can claim town or neutral power role when SHTF. if someone is watching me and I start visiting peeps later on but not on day 1, I wouldn't know how to defend myself (why not use it on day one?). I don't think the risk of getting killed during one of the visits is really high, since we lynched the Armorer, but it is still there. So... it's a three man decision. I'll kill LoC and "steal" from Traube, if you agree with that.
170 OceanicAir★ 05-22-2015 12:34 PM ET (US)	I think that is the best course of action for now. We should go with it. It's only speculations on our part anyway.
171 Makai★	There could be another armorer, or someone who becomes an armorer if the first one dies.

05-22-2015 06:22 PM ET (US)	
172 Makai★ 05-22-2015 06:22 PM ET (US)	And I agree with your choice.
173 raindoc★ 05-22-2015 06:57 PM ET (US)	@Lord of Castamere (once the game is over): Sorry! PM's sent.
174 Makai★ 05-22-2015 07:03 PM ET (US)	Yay! :D You're too nice. I'm looking forward to post-game villainy.
175 OceanicAir★ 05-22-2015 07:28 PM ET (US)	Says the person who wants to keep Blarg around. You are aware that to win we have to off at least 11 other people to win? Also any thoughts on who our fellow Mafia could be?
176 Makai★ 05-22-2015 08:05 PM ET (US)	Hey, I like Blarg! Plus, his play-style helps us out. I thought exmachine64 might have been Hutt because of his hyper-aggressive playstyle early on. TheWorthyEdge would be my number one suspect if I were a rebel. Of course I was wrong about exmachine64, and I am likely wrong about TheWorthyEdge. For this reason, I don't think we should sweat hitting Hutts too much. We really have no good way of verifying their alignment. If we get a clue to their identity, the rebels will surely notice as well, so we shouldn't second-guess ourselves when we pick murder targets. However, if someone receives a spooky message but alters it or does not report it, I will assume he is Hutt.
177 Makai★ 05-22-2015 08:13 PM ET (US)	I'm not opposed to killing Barg, I just want to spare him until mid-late game. He is a distraction to the town and will likely be a future lynching victim without our help. Plus, we need a little comic relief. Shit is already way too tense on day 1.
178 Makai★ 05-22-2015 08:15 PM ET (US)	The real mystery is the identity of the Serial Killer or similar role. Someone like that can take us out without swaying public opinion.
179 Makai★	I have decided on my role-claim if I get backed into a corner. I am the Rebel Medium. I can read (but not post in) the dead player forum. If I soft-role claim first, I will say my

182 Makai★ 05-23-2015 11:11 PM ET (US)	That really sucks, man. He's so excited! XD
183 Makai★ 05-23-2015 11:13 PM ET (US)	I'm gonna shit my pants when two or more people have died tonight.
184 OceanicAir★ 05-23-2015 11:25 PM ET (US)	Just hope it's not any mafia that die!
185 OceanicAir★ 05-23-2015 11:26 PM ET (US)	especially hope that LoC is not mafia.
186 Makai★ 05-24-2015 12:42 AM ET (US)	Damn we keep winning.

188 Makai★ 05-24- 2015 01:41 AM ET (US)	http://www.neogaf.com/forum/showpost.php?p...00714&postcount=813 lol, stay cool. This is not incriminating, especially when we have TheWorthyEdge.
189 Makai★ 05-24- 2015 04:01 AM ET (US)	traube has CzarTim's back, raindoc. He's not as vulnerable as you think.
190 raindoc★ 05-24- 2015 07:20 AM ET (US)	Yeah, those two get along great. Could they be the real "lovers", assuming TWE is the 2nd renegade Hutt?
191 Makai★ 05-24- 2015 12:27 PM ET (US)	traube and CzarTim have mentioned being able to communicate to each other, so maybe. But TheWorthyEdge just name dropped Zubz, so maybe not. I think TWE is probably neutral party.
192 Makai★ 05-24- 2015 12:29 PM ET (US)	All I know is, we shouldn't kill TheWorthyEdge or Zubz. The town will lynch them both sooner or later.
193 Makai★ 05-24- 2015 12:51 PM ET (US)	Blarg disappoints me.
194 Makai★ 05-24- 2015 02:05 PM ET (US)	And in turn, Blarg will be disappointed to find that I am rotating who receives messages.
195 Makai★ 05-24- 2015 02:13 PM ET (US)	I'm thinking we should kill traube tonight.
196	Unless you don't want to do that because you visited him.

200 OceanicAir★ 05-24- 2015 04:32 PM ET (US)	What the heck if true! We really are up against it, although the first game had 4 mafia with 27 members while this one has 5 mafia (split up I'll concede) with 23 members. But still we can't kill him yet anyway, his role is way more important than the Zubz/WorthyEdge combo, it is unlikely any protective/watching role wouldn't look after him.

201 Makai★ 05-24- 2015 04:36 PM ET (US)	MattyG, tell me you didn't really stack the deck this much against us. We need some serious gun control here. o_O
202 OceanicAir★ 05-24- 2015 05:22 PM ET (US)	What if he is a Imperial Armorer though. It would make more sense in my book. It would also be a great cover. Just a thought though.
203 OceanicAir★ 05-24- 2015 05:26 PM ET (US)	Also I had a hunch about swamped being mafia aligned in Day 1. Now that she's gone I also wonder if Palmer is one too. It was following this sequence of posts: http://www.neogaf.com/forum/showpost.php?p...18091&postcount=708 Although that would sink my thought of Quantum being mafia.
204 OceanicAir★ 05-24- 2015 05:28 PM ET (US)	But honestly I think that even if Quantum would be on our side, he would be arming others and that wouldn't help us anyway. So yeah he needs to get the steal/kill combo.
205 Makai★ 05-24- 2015 06:02 PM ET (US)	We definitely need raindoc to steal and kill the same person if there is another armorer. He might have even been able to take Lord of Castamere's blaster.
206 Matt Gregoire★ 05-24- 2015 07:44 PM ET (US)	I just thought I'd drop in and clarify that the "STEAL" action will take place <i>after</i> any "KILL" actions. This is simply because shields would be virtually useless if "STEAL" came first. By the "KILL" action coming first, this allows the shields to do their job and keeps the game balanced.
207 OceanicAir★ 05-24- 2015 08:06 PM ET (US)	I just can't believe that Quantum is a regular rebel armorer the more I think about it. It would in my opinion make town way too OP unless the last unknown mafia member has an awesome power. Unless they are taking in account the chance that people could be randomly shooting people.
208 Makai★ 05-24- 2015 08:09 PM ET (US)	I don't care if he's a Hutt, we need to take him out. Arming the rebels is gonna end badly for us. Way more volatility in an individual's suspicions than the group's.

209 Makai★ 05-24- 2015 08:10 PM ET (US)	Give Blarg a gun and raindoc's dead, etc.
210 Makai★ 05-24- 2015 08:13 PM ET (US)	MattyG, this guy better be lying. The power balance seems wayyyy shifted towards the rebels :U
211 Makai★ 05-24- 2015 11:04 PM ET (US)	No matter what, you should steal Quantum's shield, raindoc. Then we can kill him on the next night.
212 Makai★ 05-25- 2015 12:14 AM ET (US)	Ok, I finally joined the suspicious club. 8) Although, not really. Doesn't seem like a serious vote.
213 raindoc 05-25- 2015 02:15 AM ET (US)	goddamn. ANOTHER armorer? if true, the 2nd renegade better be a Sith Lord.
214 Makai★ 05-25- 2015 11:04 AM ET (US)	I think the trap is that Quantum is actually a lookout and we're supposed to attack the person we vote for and reveal ourselves. Kill/Steal Quantum tonight.
215 Makai★ 05-25- 2015 11:08 AM ET (US)	http://wiki.mafiascum.net/index.php?title=Watcher
216 OceanicAir★ 05-25- 2015 06:49 PM ET (US)	CzarTim, WorthyEdge, and Terrabyte have to be among the next to go.
217 Makai★	Quantum takes priority above all of them for sure. Like damn.

218 Makai★ 05-25-2015 11:27 PM ET (US)	See, this is why I love Blarg: http://www.neogaf.com/forum/showpost.php?p...3333&postcount=1038
219 OceanicAir★ 05-26-2015 02:09 PM ET (US)	Now I am really thinking that Setre is the last undercover agent. I also think that others know also and it will come out soon.
220 OceanicAir★ 05-26-2015 02:19 PM ET (US)	This also really worries me since that would mean that Quantum would be telling the truth which is a huge problem.
221 OceanicAir★ 05-26-2015 03:27 PM ET (US)	Now I am becoming more convinced that Palmer is the last one with how he's acting. Would hopefully be a good chance to throw Setre under the bus.
222 Makai★ 05-26-2015 04:49 PM ET (US)	We don't know who the undercover Hurt is. We can't throw him under the bus.
223 Makai★ 05-26-2015 04:52 PM ET (US)	Go ahead and accuse who you want. I am not concerned at all who is Hutt. There is no way for us to know that doesn't tip everyone off.
224 OceanicAir★ 05-26-2015 07:54 PM ET (US)	Just for posterity, for anybody reading in the future, I have no idea why a game of lines and boxes is being played right now. This all Makai.
225 OceanicAir★	But hopefully you'll win and get something meaningful Blarg.

05-26-2015 07:54 PM ET (US)	
226 Makai★ 05-26-2015 08:02 PM ET (US)	I'm competitive.
227 OceanicAir★ 05-26-2015 08:14 PM ET (US)	You are in a winning position so you better win
228 OceanicAir★ 05-26-2015 08:23 PM ET (US)	wait a second, no there is one way out for blarg :(
229 Makai★ 05-26-2015 08:35 PM ET (US)	Naw, pretty sure I win 8-4 8)
230 OceanicAir★ 05-26-2015 08:39 PM ET (US)	Couldn't he close put a line on the box of 4 making a giant box? Or would that automatically count as 4 small ones?
231 Makai★ 05-26-2015 08:40 PM ET (US)	It has to be a box with only four vertices.
232 Makai★ 05-26-2015 08:41 PM ET (US)	No matter what he does, I win 8-4
233 Makai★ 05-26-2015	And just in case you thought I was being reckless...he's been playing against an AI. I've never played this game before. *evil laugh*

08:44 PM ET (US)	http://www.math.ucla.edu/~tom/Games/dots&boxes.html
234 OceanicAir★ 05-26-2015 08:47 PM ET (US)	Well it all comes to naught since it is pretty much over also, looooooooooooooooooooooooooooooooooooool I was thinking of helping you but you're already a step ahead of me! We are truly nefarious mafia/scum/hutts!
235 OceanicAir★ 05-26-2015 09:18 PM ET (US)	Also Makai did you see this? "The above program for playing Dots and Boxes uses an algorithm that is not very good, but it will play well once there are only long chains left." You are lucky you won
236 Makai★ 05-26-2015 09:20 PM ET (US)	Yes. I just had to have faith in the heart of the code.
237 Makai★ 05-26-2015 09:22 PM ET (US)	My friend who plays Dots and Boxes a lot said he couldn't beat it, so I knew it'd be good enough for Blarg.
238 OceanicAir★ 05-26-2015 09:32 PM ET (US)	Lol, I've been trying to beat it myself and I can't :(
239 OceanicAir★ 05-26-2015 09:34 PM ET (US)	And just as I said that I won woooooooo!!!! I am 1 for 10-15!!!!
240 Makai★ 05-26-2015 10:46 PM ET (US)	Woah, woah, woah. Has to be a lie, right?
241 Makai★ 05-26-2015	Yooooooooooooo

10:48 PM ET (US)	
242 Makai★ 05-26- 2015 10:50 PM ET (US)	Well, definitely don't night-kill him now. :U
243 Makai★ 05-26- 2015 11:19 PM ET (US)	Shit is going DOWN
244 Makai★ 05-26- 2015 11:35 PM ET (US)	I hate that he's gonna die. He was my fave. :,(
245 Makai★ 05-26- 2015 11:58 PM ET (US)	MattyG, is a shield-user notified if they are attacked? Are they notified if their shield is stolen?
246 Makai★ 05-27- 2015 12:15 AM ET (US)	raindoc, you gotta try to kill Quantum and then take his shield if that fails.
247 raindoc 05-27- 2015 04:02 AM ET (US)	Why Quantum? Why now? He probably has a shield and is one of thr most likely players to be watched tonight. We already lost 2/5 Hutts (thanks Blarg!), I don't want to rush it now.
248 raindoc 05-27- 2015 04:04 AM ET (US)	Also: awesome move with the AI. that's hilarious. you deserve a tag.
249 raindoc 05-27- 2015 04:29 AM ET (US)	What about stealing from Quantum and killing traube or Terror?
250	I'ok be seriously upset if Blarg is actually mafia. Most people already trusted him. But

OceanicAir ★ 05-27-2015 06:33 AM ET (US)	we should steal from quantum and kill czartim, terra, Palmer if Blarg flips mafia. I'd leave trains for now.
251 OceanicAir ★ 05-27-2015 07:45 AM ET (US)	trains should be traube.
252 OceanicAir ★ 05-27-2015 09:03 AM ET (US)	Now that I'm thinking about it, I think that traube might be a SK. Because how he said he was right about swamped might mean that he killed her. Although I don't know why he would invite anybody to investigate him.
253 OceanicAir ★ 05-27-2015 09:04 AM ET (US)	But it's just a thought and most of them have been wrong soooooo...
254 OceanicAir ★ 05-27-2015 10:43 AM ET (US)	Actually, if this results in Rymuth's death then masterful job Blarg!
255 OceanicAir ★ 05-27-2015 11:37 AM ET (US)	Wow this is incredible, people are voting for me for no good reason!
256 OceanicAir ★ 05-27-2015 04:37 PM ET (US)	RIP Blarg
257 OceanicAir ★ 05-27-2015 06:05 PM ET (US)	Wut Blarg, like just wut?!?! Matty I don't know what you did but you are a crafty ole beast.

258 OceanicAir★ 05-27-2015 06:15 PM ET (US)	I also take back anything negative I said/thought Blarg. That was masterful.
259 raindoc★ 05-27-2015 06:33 PM ET (US)	ROFL
260 raindoc★ 05-27-2015 06:34 PM ET (US)	That reaction gif is perfect.
261 Makai★ 05-27-2015 07:33 PM ET (US)	I feel really great right now
262 Makai★ 05-27-2015 07:39 PM ET (US)	Setre's getting lynched tomorrow. He's obviously lying.
263 Makai★ 05-27-2015 08:00 PM ET (US)	I was getting kinda worried because I thought two Hutts would be killed on consecutive nights.
264 Makai★ 05-27-2015 10:01 PM ET (US)	raindoc: Steal from Quantum. Kill Palmer.
265 Matt Gregoire★ 05-27-2015 10:47 PM ET (US)	/m257 http://i.imgur.com/bPZ38oy.gif
266 Makai★	It's like you stacked town with excellent roles but put something in their water to balance the teams.

05-27-2015 10:59 PM ET (US)	
267 raindoc★ 05-28-2015 06:18 AM ET (US)	I can do that.
268 OceanicAir★ 05-28-2015 10:22 AM ET (US)	Those were my choices for killing and stealing. Besides people are so gonna want to detain Setre tomorrow.
269 raindoc 05-28-2015 04:38 PM ET (US)	I'll send the pm then.
270 Makai★ 05-28-2015 06:16 PM ET (US)	I'm thinking about sending my message to Setre tonight. It's fun sending it to people who are about to be lynched and watch them try to use it as leverage.
271 Makai★ 05-28-2015 07:02 PM ET (US)	"Blarg was not my designated mouthpiece; pay attention to who gets messages. I have 20 word limit. Tell the others."
272 Matt Gregoire★ 05-28-2015 09:02 PM ET (US)	To answer a question from a day or two back, yes, they will be informed that their item was stolen from them.
273 raindoc 05-29-2015 02:53 AM ET (US)	makai - what are you trying to do? "pay attention to who get's messages?" - wat?
274 raindoc 05-29-2015	Now I have a shield.

05:13 AM ET (US)	
275 OceanicAir★ 05-29-2015 07:47 AM ET (US)	So we really do have a second armorer! It is going to be very interesting to see how all of the night actions shake out and what the fallout will be. Hopefully people will accuse Quantum enough to force them to announce who they protected. @Matty if raindoc steals from another person will it automatically fail? Or can the item be stolen and immediately discarded ?
276 OceanicAir★ 05-29-2015 08:28 AM ET (US)	Or it could be a clever play and he just have a shield and not have anything else.
277 Makai★ 05-29-2015 08:56 AM ET (US)	Hey, if the cop could get away with puzzles, the spooky voice can. Message recipients are who I "suspect" and if they alter the message I will tell the next person.
278 Matt Gregoire★ 05-29-2015 01:07 PM ET (US)	If Raindoc steals from another person, I'll message him and ask which he wants to keep (assuming that the person had an item in the first place and it isn't the same as the item he already has).
279 Makai★ 05-29-2015 06:58 PM ET (US)	Definitely keep blasters :)
280 OceanicAir★ 05-30-2015 06:52 PM ET (US)	Palmer is definitely interesting. Wonder how he survived the night?
281 OceanicAir★ 05-30-2015 07:38 PM ET (US)	I am also 95% percent sure that he is hunting somebody, specifically a Hutt Mob Leader :(
282 OceanicAir★ 05-30-2015	But really, who killed Terra? Could it be the same one who killed swamped?

08:21 PM ET (US)	
283 OceanicAir★ 05-30-2015 08:25 PM ET (US)	Also, why hasn't Palmer said anything about being attacked?
284 Makai★ 05-31-2015 12:53 AM ET (US)	Palmer is Serial Killer (Bounty Hunter)
285 raindoc 05-31-2015 11:08 AM ET (US)	"If Makai is a Hutt, you can bet he's getting some serious, serious love on the Hutt forums for beating Blargonaut at his own game. Heck, he's probably getting love on the hutt forums even if he's NOT on their side." i seriously can't wait for the reveal that you used an AI to beat him.
286 OceanicAir★ 05-31-2015 11:50 AM ET (US)	Raindoc, did you hear anything as to why the kill on Palmer failed?
287 Makai★ 05-31-2015 07:44 PM ET (US)	Well, looks like we are all clear for Quantum kill tonight.
288 Makai★ 06-01-2015 12:51 AM ET (US)	http://www.neogaf.com/forum/showpost.php?p...1601&postcount=1523 Nice. I like this plan.
289 raindoc 06-01-2015 02:22 AM ET (US)	I did not get any message regarding what happened with Palmer. If we keep gentle pressure on QB, maybe we can force out the guy he gave the item to tonight. Or make the town lynch the armorer again. As for killing QB: high priority, but let's see first how this day plays out.
290 raindoc 06-01-2015 06:12 PM ET (US)	Just for future readers: "getting out of here" - in our moment of triumph?

291 Makai★ 06-01-2015 07:55 PM ET (US)	We gotta kill him while his shield is gone. Let's do it TONIGHT. Just don't attract Setre's attention and we're golden.
292 Makai★ 06-01-2015 07:57 PM ET (US)	If his target does not reveal himself, oh well. Preventing the proliferation of more weapons is paramount. IMO, we should be trying to lynch Palmer, who is probably Serial Killer.
293 Makai★ 06-01-2015 07:57 PM ET (US)	I'll make an anti-Palmer post later.
294 Makai★ 06-01-2015 08:08 PM ET (US)	@MattyG, did Palmer get a message that an attempt was made on his life?
295 Makai★ 06-01-2015 08:18 PM ET (US)	My message tonight is going to be "terabyte was killed by a Bounty Hunter"
296 Makai★ 06-01-2015 08:41 PM ET (US)	Oh shit, if Setre's role is Motion Detector, you are all clear to kill Quantum even if Setre is watching him.
297 Makai★ 06-01-2015 08:42 PM ET (US)	I kinda want to do the kill tonight.
298 Makai★ 06-01-2015 08:43 PM ET (US)	Myself.
299 OceanicAir★	We definitely need to message the fact that we targeted Palmer at night and he didn't die in the next night session.

06-02-2015 03:45 PM ET (US)	
300 OceanicAir★ 06-02-2015 03:47 PM ET (US)	And I think Czar really needs to die tonight
301 Makai★ 06-02-2015 03:53 PM ET (US)	We CANNOT risk the proliferation of more weapons. Quantum Bro dies.
302 OceanicAir★ 06-02-2015 04:16 PM ET (US)	No, people already have serious doubts about him right now with the whole talk about there being a thief. Czar is waaaaaaay too mouthy and the removal people who post a lot is more important.
303 Makai★ 06-02-2015 06:08 PM ET (US)	Our ability to control mob behavior is extremely limited and we should focus on what we can control. We MUST kill Quantum tonight. You are banking on people lynching him on a future turn, something we cannot predict. Keep in mind I wanted to kill CzarTim on day 1 but we deferred because you guys thought we could get the mob to lynch him. It didn't happen. Quantum WILL arm himself or others if we hesitate, which introduces more unknowns - who did he arm? Risking that to kill a high frequency poster is a massive mistake. Massive.
304 Makai★ 06-02-2015 06:32 PM ET (US)	Our primary threat is randomness, represented strongest by Quantum and Palmer.
305 Makai★ 06-02-2015 06:37 PM ET (US)	If we're gonna encourage the mob to lynch somebody, it's Palmer. We can't kill him and he'll pick us off at night if he is Serial Killer. He is an existential threat.
306 OceanicAir★ 06-02-2015 06:57 PM ET (US)	This why we should message the fact that we tried to kill Palmer at night and it didn't work. It would definitely mean that he is lying about his role... which would mean we should lynch him. This will only work if two people die overnight though. But if we kill Quantum we would HAVE to kill Czar next.
307 Makai★	I am not going to reveal that spooky voice is mafia by saying that we couldn't kill Palmer. I have long-term use in mind.

06-02-2015 07:04 PM ET (US)	Why do we have to kill Czar next? He's just some guy in the thread as long as there are better targets - e.g. The Combat Buddies
308 OceanicAir★ 06-02-2015 07:31 PM ET (US)	Why wouldn't you say that? People are already wondering whether it exists and if it does, they already think it is mafia related. Not much would change their mind. Super vague messages aren't really helping us do anything. Clearly town mouthy players are the MOST danger to us. They lead discussion about us and are trusted. Besides the combat buddies are less of a threat than Czar anyway. Czar is a leader. Palmer is a leader. After that it is traube and johnnyquicknives, they are not as nearly as influential as the others.
309 Makai★ 06-02-2015 08:14 PM ET (US)	Talk is just talk. QuantumBro can actually fuck us up.
310 raindoc 06-03-2015 01:46 AM ET (US)	I do not think we should reveal "the voice's" alignment, even though some players already think it's Mafia. But you should definitely be more carefull Makai. And I'm also very much for Makai killing QuantumBro. The armorer needs to go ASAP. The thief won't always be around and shields can ruin a Hutt's night.
311 raindoc 06-03-2015 02:01 AM ET (US)	@Matty - I almost forgot: can I share the items I stole with my fellow Hutts?
312 Makai★ 06-03-2015 02:03 AM ET (US)	This is the message I'm planning to send tonight. "Get holoprojector and lynched on same day => can send me message next day. Blarg: Palmer is neutral. SK?" I don't want to modify it much because this is what I've been building up to and will explain the "vagueness" of previous messages. Mod talk about the dead forum could have warmed people up to the idea of dead interacting with the living under very restrictive circumstances. According to these rules, tonight is the first night that I would be able to send a message from Blarg.
313 Makai★ 06-03-2015 02:31 AM ET (US)	If Palmer is not Serial Killer, what explains his bulletproof?
314 Makai★ 06-03-2015 02:40 AM ET (US)	Your pressure on Palmer is perfect.

315 raindoc 06-03-2015 03:11 AM ET (US)	only few roles have immunity, the one he claims isn't reported to have it.
316 OceanicAir★ 06-03-2015 07:25 AM ET (US)	Dead can't interact with the living because that would mean that LoC or swamped would have sent it at the same time they were killed. I don't even think that a dead thread was created at that point. I'm telling you we have to rat out Palmer.
317 OceanicAir★ 06-03-2015 07:35 AM ET (US)	Although if you get yourself detained it will be rendered moot. Don't get yourself killed plz.
318 Makai★ 06-03-2015 08:55 AM ET (US)	No, the rule is they can talk if they got the spooky voice the same day as lynch. That's why I said pay attention to message recipients.
319 Makai★ 06-03-2015 09:23 AM ET (US)	I mean, I am no more likely to get detained than you are. "Rat out" Palmer if you're about to get detained.
320 Makai★ 06-03-2015 09:39 AM ET (US)	"Palmer is bulletproof. We tried to kill him last night"
321 OceanicAir★ 06-03-2015 10:12 AM ET (US)	And if two people get detained, who messages then? Especially if one was town and the other was mafia as in the first day? I literally see no point in pretending that the messages are from the dead considering they have said nothing remotely useful in the first two days. If they were ever going to help town they would say something helpful from the outset instead of vague setup. Also nobody got the spooky message on day 1 until AFTER someone got lynched.
322 Makai★ 06-03-2015 10:19 AM ET (US)	Only one person can be detained. If they don't detain the message holder that day, they missed their shot.
323 raindoc	I really don't like the idea of outing the voice as mafia and palmer as immune N2 target. I'm asking you not to.

06-03-2015 10:28 AM ET (US)	mostly because the latter could make me look as bad as i truly am, but also because i think it's a waste of your power. they're onto you (read: the voice) already, no idea if you can turn it around, or how - but doing what you plan to do can only harm us.
324 Makai★ 06-03-2015 10:51 AM ET (US)	I'm sticking with the Blarg story unless you have a better idea. I agree, outing as mafia and revealing Palmer is bulletproof are bad. I'll remove Blarg's SK speculation and only have him confirm he's neutral.
325 OceanicAir★ 06-03-2015 10:53 AM ET (US)	But that would mean that you sent the message during the day. Why wouldn't anybody talk about that and also there would have to be some equivalent role in other games. Maybe we could send no message tonight instead to make it seem like people are making this night message stuff up.
326 Makai★ 06-03-2015 11:04 AM ET (US)	I think you misunderstood the rules. Maybe I can rewrite for clarity but I only have 20 words.
327 OceanicAir★ 06-03-2015 11:21 AM ET (US)	I mean do you HAVE to send a message each night? People are already doubting the existence of them.
328 Makai★ 06-03-2015 11:22 AM ET (US)	No, but I went to.
329 Makai★ 06-03-2015 11:22 AM ET (US)	Want
330 Makai★ 06-03-2015 02:09 PM ET (US)	What is the vote count? I may be able to force a tie and delay them for a day
331 OceanicAir★ 06-03-2015	you have 4 I have 1 ejawa has 2 zipped has 1

332 Makai★ 06-03- 2015 02:40 PM ET (US)	I just counted. You have 3.
333 Makai★ 06-03- 2015 02:41 PM ET (US)	Czar, traube, and Palmer.
334 Makai★ 06-03- 2015 02:43 PM ET (US)	Wait an hour, then vote for Palmer, and I am tied with Palmer

338 Makai★ 06-03-2015 02:52 PM ET (US)	You're right, you only have traube's vote.
339 OceanicAir★ 06-03-2015 03:19 PM ET (US)	Me voting for Palmer would be suicidal because I said more than once that I wasn't voting for him. Besides all three of us can't vote for him because that would be extremely suspicious.
340 raindoc 06-03-2015 03:52 PM ET (US)	@OceanicAir: agreed - Don't vote for Palmer. @Makai: nothing we can do for you BUT: tell them about the AI. How you found it, that you wanted to try it, that it was just for fun/to mess with Blarg and nothing more. a good laugh for them might save you. unlikely, but if you don't have a better idea...
341 Makai★ 06-03-2015 03:56 PM ET (US)	I'm just gonna claim mafia and say we tried to kill _____ but we couldn't because of bulletproof. We didn't kill Terrabyte so there is a serial killer. Maybe they'll kill him on the next day. _____ is Setre? Who should I say?
342 raindoc	not anything like that.

06-03-2015 03:57 PM ET (US)	
343 raindoc 06-03-2015 03:57 PM ET (US)	do not do that. do not bring up immunity from night attacks, that was my argument.
344 Makai★ 06-03-2015 03:58 PM ET (US)	Anything you want me to claim on my deathbed? Btw, do not vote for me, either of you.
345 raindoc 06-03-2015 04:00 PM ET (US)	don't claim mafia, try to save your ass.
346 Makai★ 06-03-2015 04:08 PM ET (US)	Ok, done.
347 OceanicAir★ 06-03-2015 04:17 PM ET (US)	Barrylocke we did not get a chance to talk him down :(. Although I would probably be being detained right now but at least Makai wouldn't be a suspect.
348 OceanicAir★ 06-03-2015 04:18 PM ET (US)	Although I really don't see how playing against Blarg would be a reason to lynch somebody, but hey it's an angry mob!
349 Makai★ 06-03-2015 04:42 PM ET (US)	Ok, here's me flailing. Somebody will notice the email tag.
350 Makai★ 06-03-2015	Still probably gonna get lynched, but there will definitely be some discussion.

04:47 PM ET (US)	
351 Makai★ 06-03- 2015 04:49 PM ET (US)	Anybody who quotes will notice.
352 Makai★ 06-03- 2015 04:52 PM ET (US)	Well, at least one unvoted 8)
353 OceanicAir ★ 06-03- 2015 04:52 PM ET (US)	You know if this works and I get detained instead I can't even be mad lol.
354 OceanicAir ★ 06-03- 2015 04:55 PM ET (US)	This is freakin' hilarious right now.

358 raindoc 06-03- 2015 05:20 PM ET (US)	have you voted yet?

359 raindoc 06-03-2015 05:21 PM ET (US)	I should be next, traube.
360 OceanicAir ★ 06-03-2015 05:22 PM ET (US)	We already had LoC with a gun, I just took the opposite version.
361 OceanicAir ★ 06-03-2015 05:25 PM ET (US)	If we both survive this, I don't even care if we lose.
362 raindoc 06-03-2015 05:25 PM ET (US)	nice save. now if only they'd swing for palmer or QB. people started mentioning him again, think you can do something?
363 OceanicAir ★ 06-03-2015 05:29 PM ET (US)	I don't want push my luck just yet. I was actually thinking of saving Quantum right now actually.
364 raindoc 06-03-2015 05:36 PM ET (US)	why?
365 OceanicAir ★ 06-03-2015 05:38 PM ET (US)	Because saving our armourer is pro-town... until we kill him at night.
366 OceanicAir ★ 06-03-2015 05:46 PM ET (US)	Many apologies Czar http://www.neogaf.com/forum/showpost.php?p...6620&postcount=1900
367	I CANNOT BELIEVE WE BOTH ACTUALLY SURVIVED TODAY

OceanicAir ★ 06-03-2015 06:04 PM ET (US)	
368 raindoc 06-03-2015 06:07 PM ET (US)	this is insane.
369 raindoc 06-03-2015 06:12 PM ET (US)	i'm just glad i don't heve to do the vote count.
370 OceanicAir ★ 06-03-2015 06:12 PM ET (US)	If traube actually killed barry instead of me when he had that power then LOL.
371 Makai★ 06-03-2015 06:17 PM ET (US)	Did I die? :
372 OceanicAir ★ 06-03-2015 06:20 PM ET (US)	You HAVE to read the last two pages, we are BOTH alive.
373 Makai★ 06-03-2015 06:30 PM ET (US)	My friend says I have the most votes. Wrong?
374 OceanicAir ★ 06-03-2015 06:35 PM ET (US)	That was wrong precisely 523293984 votes ago. Besides traube overrode everything and offed barrylocke anyway.
375 OceanicAir ★	wrong* should be right

06-03-2015 06:36 PM ET (US)	
376 Makai★ 06-03-2015 06:44 PM ET (US)	Are we sure that is what override does?
377 OceanicAir★ 06-03-2015 06:54 PM ET (US)	Dude trust me you're safe, votes for you were overridden 4 or 5 times over. Besides look at this from the previous game: http://www.neogaf.com/forum/showpost.php?p...47018&postcount=207
378 Makai★ 06-03-2015 07:06 PM ET (US)	Whew! Go team! :D
379 OceanicAir★ 06-03-2015 07:33 PM ET (US)	There are about 33 different levels as to how funny barrylocke dying is. lol lol lol lol
380 OceanicAir★ 06-03-2015 07:34 PM ET (US)	So we are killing quantum? And can you "steal" from me raindoc, just in case Setre examines me?
381 Makai★ 06-03-2015 07:37 PM ET (US)	We should steal from someone who might have the shield.
382 Makai★ 06-03-2015 07:37 PM ET (US)	100% kill Quantum. Must die.
383 Makai★ 06-03-2015	Goddamn, that sequence after my role-claim: http://i660.photobucket.com/albums/uu321/w...35999589a60736c.gif

08:48 PM ET (US)	
384 OceanicAir★ 06-03-2015 08:59 PM ET (US)	I am still legit shocked that my claim actually worked (for now at least)
385 Makai★ 06-03-2015 09:00 PM ET (US)	It probably helped that they were up against the clock already. If you had said, "I'm mafia, too :D" - they would 100% detain you lol.
386 Makai★ 06-03-2015 09:03 PM ET (US)	"This wagon has come around frighteningly quick" - apt.
387 OceanicAir★ 06-03-2015 09:10 PM ET (US)	I have never used this before but looking at the last two pages is leaving me at the computer like http://i.imgur.com/5mPQjR9.gif I swear, I have been stressing out but this moment made it all worth it.
388 Makai★ 06-03-2015 11:08 PM ET (US)	ROFL. raindoc is Palmer's lynchee.
389 Makai★ 06-03-2015 11:09 PM ET (US)	I'm gonna post about this tomorrow -> don't steal my thunder.
390 Makai★ 06-03-2015 11:09 PM ET (US)	He's laid out the clues in front of us.
391 Makai★ 06-03-2015 11:40 PM ET (US)	I'm kinda paranoid that I'm gonna get night killed, so I might post my findings in full here for raindoc to post in case I die.

392 Makai★ 06-04-2015 12:01 AM ET (US)	I just noticed -> traube roleclaims Hutt RIGHT BEFORE I do. XD
393 raindoc 06-04-2015 01:50 AM ET (US)	Still can't believe what happened. lol We're going after quantum, alright. I suggest Makai kills him, Town seems more interested in him than OA or me. on the other hand, he's the one most likely to be protected by the Doctor - if there is one. Quantum is a high risk/high reward target, so I suggest we think about it once more and look for an alternative. Regarding my ability: steal from TWE or Zubz, one of the two has a shield. toss a coin? I could also visit OA, in case someone's (setre) watching you. but i don't think he will be.
394 OceanicAir★ 06-04-2015 08:09 AM ET (US)	I was thinking that I could do whatever killing there is today. If Setre is watching then he will only see me move, whether it is me getting robbed or me killing somebody. I think that traube was Palmer's lynchee
395 OceanicAir★ 06-04-2015 08:12 AM ET (US)	But this is the ultimate test to see if there is a doctor (I doubt it though).
396 Makai★ 06-04-2015 08:56 AM ET (US)	Raindoc is definitely the lynchee. He spells it out over the last two days.
397 Makai★ 06-04-2015 08:57 AM ET (US)	QuantumBro explicitly said the combat Bros were a waste if a shield.
398 Makai★ 06-04-2015 09:00 AM ET (US)	I'm okay with Oceanic killing Quantum. It must be Quantum, though. No way there is another watcher or whatever Setre will watch Quantum and only report that there was activity before he dies.
399 Makai★	Are you really going to claim your shield was stolen? I don't know if that's a good idea or not. Your call.

06-04-2015 11:05 PM ET (US)	
400 Makai★ 06-04-2015 11:06 PM ET (US)	Fuck it, do it! : D
401 Makai★ 06-04-2015 11:15 PM ET (US)	Not recommending this, but it'd be hilarious if raindoc came out as Hutt and challenged Palmer to lynch him. I am very sure he is his unlynchee, or at least who Palmer claims to be.
402 Makai★ 06-04-2015 11:27 PM ET (US)	Ok, I've modified my message a little. Removed reference to Serial Killer and rewrote rules for clarity. Any death counts. "If you get holoprojector and die on same day, you can send ME a message (tomorrow). ~Blarg: Palmer is neutral~." I'm doing this.
403 Makai★ 06-04-2015 11:27 PM ET (US)	Sending to traube.
404 Makai★ 06-04-2015 11:33 PM ET (US)	Final draft: "Anyone who gets my message and dies on same day can send ME message next day // Blarg: Palmer is neutral"
405 raindoc 06-05-2015 02:51 AM ET (US)	@OA: Since I'll try to steal from TWE/Zubz to make the pair vulnerable again, I don't think claiming that your shield was stolen is the best idea. Town trusts both of them and if they claim to have been visited by the thief it would make you look really bad. Of course, I could stay at home tonight, but what's to gain? @Makai: That doesn't sound like something Blarg would say! ;)
406 OceanicAir★ 06-05-2015 07:13 AM ET (US)	But raindoc if I claim my shield was stolen and quantum flips town, there will be added legitimacy to my shield claim. Besides there is no reason why the mafia SHOULDN'T want to target me since I already made it known that I have one. You really shouldn't take the chance.
407	The only thing I don't understand about what you are doing Makai is who is sending out the original message in the first place? Because it has to originate from a living

OceanicAir★ 06-05-2015 07:16 AM ET (US)	person not a dead one.
408 Makai★ 06-05-2015 09:38 AM ET (US)	There's a 20 word limit. I paraphrased Blarg's message.
409 Makai★ 06-05-2015 09:43 AM ET (US)	Raindoc, I am pretty sure neither have the shield. It could be wasted on them - quantum's own words. I am guessing he gave it to Setre.
410 raindoc 06-05-2015 09:47 AM ET (US)	what chance? i see no risk in trying to steal from twe or zubz. chances are low that they're under surveillance? how about i try to steal and if i fail, you can claim to have been stolen from. Makai-can you link me to that post of Quantum? could be a ruse anyway. If we believe that the two "masons" aren't shielded, we should kill them.
411 Makai★ 06-05-2015 09:52 AM ET (US)	That sounds like a plan. I'll look for the posts this weekend.
412 OceanicAir★ 06-05-2015 02:00 PM ET (US)	The main reason I'm concerned is that if you succeed in randomly choosing the right person it might set off alarm bells that the obvious choice (me) wasn't targeted. But is it TWE/subs or QB that were offing?
413 Makai★ 06-05-2015 04:40 PM ET (US)	QuantumBro 100%
414 Makai★ 06-05-2015 04:41 PM ET (US)	He is enemy #1
415 raindoc	The plan as I understood it was to get rid of QB's shield so we could kill him tonight. Next best choice for. stealind, despite other options (you) would've been TWE/zubz, because they offer a "murder 1, kill 2" discount.

06-05-2015 06:59 PM ET (US)	Ig I were mafia, I'd rather go after the 2-for-1 kill, than the single rebel with shoeld. I'd keep that in mind for later. 2-for-1 > just 1
416 raindoc 06-05-2015 07:00 PM ET (US)	sorry for all the spelling mistakes. the beer around here is too good. i'll clear it up in a couple of hours.
417 raindoc 06-05-2015 07:03 PM ET (US)	holy fuck. that's even more mistakes than I first thought. too bad the main thread is closed.
418 raindoc 06-05-2015 07:04 PM ET (US)	TL:DR: the double kill is the obvious target IMO, not you.
419 raindoc 06-05-2015 07:07 PM ET (US)	Hopfen und Malz, Gott erhalt's! Woooooooooooo! (scnr)
420 OceanicAir ★ 06-05-2015 08:40 PM ET (US)	I guess you can do it since we'll know the results before the new day and can plan accordingly. So we should het these actions done ASAP. I'd still rather have it known that my shield was stolen especially if QB flips town. But I see that you are basically clearing a target for tomorrow. So I'll send the kill order to Matt for QB.
421 raindoc 06-06-2015 02:15 AM ET (US)	Okay, let's do this
422 raindoc 06-06-2015 02:26 AM ET (US)	sent a steal message (zubz) to Matty, will let you know as soon as I get the result. if i come up with nothing you claim to have been stolen from/can confirm there's a thief and we/you kill QB tonight. program for the future, unless something comes up: I'll try to steal from TWE in the next night and we go for the masons?
423 OceanicAir ★ 06-06-2015	If nothing comes from zubz today then we will just flat out kill him tomorrow, no stealing needed.

07:50 AM ET (US)	
424 raindoc 06-06- 2015 08:15 AM ET (US)	He could be protected by a shield on TWE.
425 Makai★ 06-06- 2015 11:41 AM ET (US)	Quantum didn't think their protection was linked.
426 raindoc 06-06- 2015 12:19 PM ET (US)	twe & zubz said it is. i'm more inclined to believe QB tried to set us off.
427 Makai★ 06-06- 2015 01:46 PM ET (US)	I think your plan is overly conservative, but it's not a bad option since we don't have great leads on who else would have gotten the shield.
428 Makai★ 06-06- 2015 01:46 PM ET (US)	Anyway, I fully expect to be killed by Serial Killer tonight. :
429 Makai★ 06-06- 2015 01:47 PM ET (US)	Maybe being too paranoid
430 Makai★ 06-06- 2015 01:48 PM ET (US)	Did MattyG ever get back to you about transferring stolen items to us? I'm guessing it's not allowed.
431 raindoc 06-06- 2015 02:48 PM ET (US)	Nope, haven't heard from Matty. I'm not trying to collect more shields, but to prepare the target(s). A 2 for 1 kill would be nice, but there's no need to rush it and risk "wasting" another night kill. QB is the only confirmed power role we know of, making him the logical target while we "prepare" the masons. He's also a risky target, as he's likely to be guarded by the doctor - if there is one. if

	there was an alternative to QB that would send the lynch mob into over-overdrive I'd gladly pick that, but i really can't come up with a name.
432 Makai★ 06-06-2015 03:51 PM ET (US)	http://www.neogaf.com/forum/showpost.php?p...4798&postcount=1242
433 Makai★ 06-06-2015 03:52 PM ET (US)	They both die. Switch to Setre
434 raindoc 06-06-2015 04:11 PM ET (US)	done.
435 Makai★ 06-06-2015 04:23 PM ET (US)	Let ME post about this tomorrow, but in case I die tonight, the posts that point to raindoc being Palmer's unlynchee are: http://www.neogaf.com/forum/showpost.php?p...6779&postcount=1902 http://www.neogaf.com/forum/showpost.php?p...3343&postcount=1413 Unsure if he is telling the truth.
436 raindoc 06-06-2015 04:31 PM ET (US)	http://m.neogaf.com/showpost.php?p=165332847
437 Makai★ 06-06-2015 04:35 PM ET (US)	Has anyone else pushed this theory before?
438 raindoc 06-06-2015 04:46 PM ET (US)	not that i know of.. but guys, GUYS! I GOT A BLASTER! (not from stealing, was handed to me) I still have to decide which item i keep (shield or blaster), but I think the choice is obvious. If I'm not getting lynched tomorrow, we will be able to score up to three kills in one night by getting rid of the masons and one extra.
439 Makai★ 06-06-2015	WTFFAFSFDSEDFS

04:47 PM ET (US)	
440 Makai★ 06-06- 2015 04:47 PM ET (US)	Keep the blaster.
441 Makai★ 06-06- 2015 04:48 PM ET (US)	OMG. Hutts keep winning.
442 Makai★ 06-06- 2015 04:49 PM ET (US)	Did QuantumBro hand it to you? LOL!
443 Makai★ 06-06- 2015 04:51 PM ET (US)	Yeah, if we kill QuantumBro tonight and you survive until tomorrow night, we are pretty much in the clear. Even if OceanicAir or I dies, we are golden.
444 raindoc 06-06- 2015 04:52 PM ET (US)	me when I got the message: http://horrorhomework.com/blog/wp-content/.../ash-laughing-o.gif
445 Makai★ 06-06- 2015 04:56 PM ET (US)	I recommend killing combat buddies and Setre tomorrow.
446 raindoc 06-06- 2015 05:02 PM ET (US)	sounds like a plan
447 raindoc 06-06- 2015 05:06 PM ET (US)	goddamn. delay
448	This is freaking hilarious/awesome! Unless any of die by a potential serial killer or QB

OceanicAir★ 06-06-2015 05:19 PM ET (US)	is actually an imperial armourer this is a particularly lousy day/night for town. I really hope we can force one more mislynch, we can focus on the wholesale bandwagoning that went on at the end of last night. You should lead that charge raindoc since you seem to be the one trusts most out of all of us and after the last you can let loose with "righteous" fury.
449 OceanicAir★ 06-06-2015 05:36 PM ET (US)	I swear if Rymuth was the last imperial...
450 Makai★ 06-06-2015 05:49 PM ET (US)	This is the main reason my spooky message was good: http://www.neogaf.com/forum/showpost.php?p...2063&postcount=1346 Can't believe nobody has cared.
451 raindoc 06-06-2015 05:50 PM ET (US)	I thought I'll start off complaining about how much town sucks, wait until the accusations start and bring up palmer once again - enter Makai and his lynchee theory. we'll see where we go from there?
452 Makai★ 06-06-2015 05:51 PM ET (US)	I'm gonna jump in pretty quickly. I imagine all eyes will be on me tomorrow morning.
453 Makai★ 06-06-2015 05:52 PM ET (US)	Don't want someone jumping in with the theory first.
454 raindoc 06-06-2015 05:53 PM ET (US)	fair point. i'll just keep yelling at clouds then, until we see a potential target.
455 OceanicAir★ 06-06-2015 06:00 PM ET (US)	Wait, I thought we wanted to make Palmer out as a liar, we should be tearing down his story not propping it up. Because if we corroborate it then there is no way we will ever lynch him. I want to see if another person dies and pin the SK role on him even if it isn't him.
456 Makai★	His story makes no sense because he left the clues in plain sight.

06-06-2015 06:01 PM ET (US)	
457 Makai★ 06-06-2015 06:01 PM ET (US)	Hey, this is my lynchee. Don't kill him, guys! : D
458 raindoc 06-06-2015 06:26 PM ET (US)	it's a gamble. turning the town against palmer will be hard, but making them believe his story and me as his (according to him) rebel target would be beneficial for me. I don't really believe his story, mostly because he was immune and it couldn't have been a shield. maybe a doctor saved him? the lack of a feedback text makes this a tough decision - but if supporting his theory could help makai and me, it may be well worth the risk... :/
459 OceanicAir★ 06-06-2015 06:29 PM ET (US)	That's exactly why he would put the hints there so if we were about to lynch him he'd bring up all of the old posts as proof. Besides nobody has vocally picked up on it so it might not be that clear. I have my doubts but whatever, hopefully with all of the nonsense that went down people will continue not to think clearly. Besides us having a united message isn't for the best anyway.
460 OceanicAir★ 06-06-2015 06:31 PM ET (US)	Why don't you think it was a shield that saved him. Karkador was an SK last game and had the ability to withstand multiple nightkills.
461 OceanicAir★ 06-06-2015 06:39 PM ET (US)	Also depending on what traube comes out as e.g. a leader of some sort that allowed the override, I am going to put up Setre for lynching. I've already been on that train since day 2, might as well keep on pressing.
462 raindoc 06-06-2015 06:50 PM ET (US)	SKs are usually immune without a shield - hence I believe palmer is the sk. QB gave himself a shield in N1, we attacked palmer in N2: it couldn't have been a shield that saved him, because he would've recieved that only at the end of the night.
463 Makai★ 06-06-2015 07:00 PM ET (US)	I guess it's possible he started with a shield as an unlyncher. That role sounds really bad and maybe they wanted to help him out.
464 Makai★	I wanna play, dammit :(

06-06-2015 08:46 PM ET (US)	
465 Makai★ 06-06-2015 08:49 PM ET (US)	Here we goooo
466 Makai★ 06-06-2015 09:02 PM ET (US)	(` ω´)
467 Makai★ 06-06-2015 09:11 PM ET (US)	Maybe there is no serial killer.
468 OceanicAir★ 06-06-2015 09:45 PM ET (US)	Just making sure, raindoc you didn't steal from anybody right?
469 Makai★ 06-06-2015 09:46 PM ET (US)	He stole from Setre
470 OceanicAir★ 06-06-2015 09:47 PM ET (US)	There really seems to be no SK unless they 1. took the night off 2. targeted QB also or 3. targeted one of the masons/somebody in general with a shield
471 OceanicAir★ 06-06-2015 09:48 PM ET (US)	Was there any result from that? And would Setre know?
472 Makai★ 06-06-2015	Armorer gets in serial killer's way, too. I think it's still plausible.

09:49 PM ET (US)	
473 Makai★ 06-06-2015 10:40 PM ET (US)	Who did Quantum give a shield to on night 2?
474 Makai★ 06-07-2015 12:11 AM ET (US)	http://www.neogaf.com/forum/showpost.php?p...3567&postcount=1100 This guy has to be Hutt, rofl.
475 Makai★ 06-07-2015 12:28 AM ET (US)	I can't wait for tonight's massacre. You BETTER survive until then, raindoc.
476 Makai★ 06-07-2015 01:25 AM ET (US)	Oh shit, and we can claim tomorrow's blaster death was by SK ;)
477 raindoc 06-07-2015 03:07 AM ET (US)	back from the dead.. it started? wohooo!
478 Makai★ 06-07-2015 10:38 AM ET (US)	http://www.neogaf.com/forum/showpost.php?p...2976&postcount=2011 rofl, I didn't even think about that.
479 Makai★ 06-07-2015 10:50 AM ET (US)	Knowing Setre, he probably watched Rymuth.
480 raindoc 06-07-2015 11:31 AM ET (US)	Hardly. Rymuth was inactive, I doubt that any power role visited him last night.
481	he was suspicious of redhood, but it would be careless not to assume it was one of us.

raindoc 06-07-2015 11:35 AM ET (US)	
482 Makai★ 06-07-2015 11:38 AM ET (US)	Joke - I just meant he's been making a lot of mistakes about his own role so far.
483 Makai★ 06-07-2015 11:39 AM ET (US)	If the spooky message is confirmed a liar, I'm gonna send this link in my message tonight: https://www.youtube.com/watch?v=ECewrAld3zw
484 Makai★ 06-07-2015 11:40 AM ET (US)	Actually, I frequent the GOT thread, so maybe that's a mistake lol.
485 Makai★ 06-07-2015 11:47 AM ET (US)	http://neogaf.com/forum/showpost.php?p=166759076&postcount=2023 lol, there's the alibi.
486 Makai★ 06-07-2015 11:48 AM ET (US)	Oceanic Air, you need to make your stolen shield claim ASAP.
487 Makai★ 06-07-2015 11:49 AM ET (US)	Setre didn't have a shield, right raindoc?
488 raindoc 06-07-2015 11:53 AM ET (US)	nope. he had nothing.
489 raindoc 06-07-2015	I'm considering claiming doc in case I was the one watched. 1st Night traube by random choice, 2nd Night zubz, 3rd Night Setre, because he's the last investigator. didn't watch quantum because i didn't trust him.

11:58 AM ET (US)	
490 Makai★ 06-07- 2015 12:01 PM ET (US)	Ohhhhhhhhhh
491 raindoc 06-07- 2015 12:01 PM ET (US)	now that i think of it... maybe a better idea would be to tell them that i got visited by quantum, who gave me a shield.
492 Makai★ 06-07- 2015 12:02 PM ET (US)	My life is in your hands. Edited 06-07-2015 12:02 PM
493 raindoc 06-07- 2015 12:03 PM ET (US)	but lynching a doc would be quite a risk + it would account for more suspicious activity from my end, in the very, very unlikely case that i get/got watched more than just once.
494 raindoc 06-07- 2015 12:04 PM ET (US)	Oh. What are you planning to do?
495 Makai★ 06-07- 2015 12:05 PM ET (US)	Nothing. My role is ordinary rebel.
496 Makai★ 06-07- 2015 12:06 PM ET (US)	Gonna question Setre's allegiance as usual.
497 raindoc 06-07- 2015 12:06 PM ET (US)	this will end bad for either you or setre.
498	Wait I got it. I say Quantum gave me a shield.

Makai★ 06-07-2015 12:06 PM ET (US)	
499 Makai★ 06-07-2015 12:07 PM ET (US)	Or imply it.
500 Makai★ 06-07-2015 12:10 PM ET (US)	I'm just gonna say "I WAS visited last night, but saying why would be a mistake. "
501 raindoc 06-07-2015 12:19 PM ET (US)	some quick observations that might be useful in your argument against setre: he's the only identified power role left apart from the combat buddies and eJawa refused to roleclaim the last day, but he claimed to know that one of the rebels is lying. at the very least we might get a role claim from him: http://m.neogaf.com/showpost.php?p=166344976 he backed out of that claim later, but it's there. Claiming that you are suspicious after you were almost lynched yesterday also makes you an obvious target for the Hutt's to try and get lynched...
502 raindoc 06-07-2015 12:20 PM ET (US)	you were almost lynched, why would quantum give you a shield?
503 raindoc 06-07-2015 12:21 PM ET (US)	Noooooooooooooooo
504 raindoc 06-07-2015 12:22 PM ET (US)	now they'll never believe Setre was lying...
505 Makai★ 06-07-2015 12:26 PM ET (US)	Actually, Quantum gave me a BLASTER.

506 Makai★ 06-07- 2015 12:26 PM ET (US)	I'll say I'll prove who visited me tomorrow.
507 Makai★ 06-07- 2015 12:27 PM ET (US)	We should probably kill off some random dude like zippedinhead instead of combat buddies, though.
508 Makai★ 06-07- 2015 12:27 PM ET (US)	Quantum voted to give me a gun when he started his gun gambit.
509 Makai★ 06-07- 2015 12:28 PM ET (US)	I might even be able to claim I got the gun later today.
510 raindoc 06-07- 2015 12:29 PM ET (US)	that was weeks ago, in the last vote, he voted for you.
511 Makai★ 06-07- 2015 12:29 PM ET (US)	Then he changed his mind.
512 raindoc 06-07- 2015 12:30 PM ET (US)	this is bad man, we had some suspicion on setre... and no, we're going for the combat buddies. two less votes they can trust is a big deal
513 Makai★ 06-07- 2015 12:31 PM ET (US)	It was gonna get revealed eventually that he is a rebel. At that point, I was definitely dead.
514 Makai★	After reading your first post again, you're probably right, that would have been a better option. Then again...I think this will work out.

06-07-2015 12:33 PM ET (US)	
515 Makai★ 06-07-2015 12:35 PM ET (US)	People may begin to distrust the combat buddies since they've survived for so long.
516 Makai★ 06-07-2015 12:36 PM ET (US)	Relax, this will be fine. And if not, the consequences are completely on me. All eyes are away from you at the moment.
517 Makai★ 06-07-2015 12:38 PM ET (US)	We're gonna kill Setre tonight, so it doesn't matter if he doesn't get lynched.
518 Makai★ 06-07-2015 12:47 PM ET (US)	raindoc: as Palmer said, "just keep your head down" today so we don't lose the blaster.
519 Makai★ 06-07-2015 12:48 PM ET (US)	Tomorrow, I can make a case for why I shot Setre with the blaster. He has fucked up his role multiple times, including this page.
520 raindoc 06-07-2015 12:50 PM ET (US)	the consequences aren't entirely on you - we're a team and we had an agreement: no posting lies until we double checked them here. what if they demand of you to kill OA with your blaster? he was also high on their list the other day...
521 Makai★ 06-07-2015 12:50 PM ET (US)	I'm gonna reveal at the last minute.
522 Makai★ 06-07-2015	And say I'm not taking votes, and I'm gonna put my target in the email tag: Setre

12:51 PM ET (US)	
523 Makai★ 06-07- 2015 12:52 PM ET (US)	Sorry for jumping the gun with my claim.
524 Makai★ 06-07- 2015 12:54 PM ET (US)	They're not going to pick Oceanic Air because he claimed to have a shield. The people that suspect him now (traube) thinks he is the thief and has the shield.
525 Makai★ 06-07- 2015 12:57 PM ET (US)	And I can still openly suspect Setre because of a "lucky guess."
526 raindoc 06-07- 2015 12:59 PM ET (US)	good point with the shield. but killing setre? you just proved his role claim.
527 Makai★ 06-07- 2015 01:01 PM ET (US)	That's why I'd prefer if we killed Setre tonight and used the blaster on somebody else. The combat buddies are gonna get more and more suspected the longer they live. Zubz says "nice knowing you TWE" like every day.
528 raindoc 06-07- 2015 01:03 PM ET (US)	yeah, about that lucky guess: I wouldn't believe that. unless you can turn your visit into an mafia attack, so he knew whom something happened to? maybe you could claim to have gotten the shield from QB on N2 and yesterday you were attacked/lost your shield... hence the Hutt Setre knew and you knew too... but that doesn't fit your post in the thread
529 raindoc 06-07- 2015 01:06 PM ET (US)	that the combat buddies are getting more suspicious is nothing but wishful thinking. i see no indication for that. this ruined our plan, unless...
530 Makai★ 06-07- 2015 01:07 PM ET (US)	http://www.neogaf.com/forum/showpost.php?p...6424&postcount=2031 Setre is the thief.
531	I'm sticking with blaster because it will keep me alive tomorrow.

Makai★ 06-07-2015 01:08 PM ET (US)	
532 raindoc 06-07-2015 01:09 PM ET (US)	MattyG - assuming there's a doctor: if he protects a mafia victim and prevents the kill, would the victim get a notification? i fear the answer is no, but if it's yes, you might be able to claim that happened and try to accuse setre of being a hutt who knows you were attacked and tries to make you confirm his lie.
533 raindoc 06-07-2015 01:10 PM ET (US)	a doctor's visit would explain why you don't want to say who visited you
534 Makai★ 06-07-2015 01:11 PM ET (US)	Yeah, it is another alternative to say that saying who reveals another power role we have.
535 Makai★ 06-07-2015 01:11 PM ET (US)	I'm gonna leave it ambiguous for a while, so we have time to think about it.
536 Makai★ 06-07-2015 01:12 PM ET (US)	I prefer the blaster story because it's a one-use thing that won't have to be confirmed on multiple turns. And somebody else can counterclaim doctor, etc.
537 raindoc 06-07-2015 01:12 PM ET (US)	OA - where are you? we need some more grey matter here...
538 raindoc 06-07-2015 01:13 PM ET (US)	if the real doc counterclaims it would've been totally worth it. even if we loose you
539 raindoc 06-07-2015	that being said, i din't think there is a doc - unless it was rymuth

01:15 PM ET (US)	
540 Makai★ 06-07- 2015 01:17 PM ET (US)	I'm thinking rymuth quit because he got Undercover Imperial. 100% based on YesNo's ridiculous posts.
541 Makai★ 06-07- 2015 01:18 PM ET (US)	I'm sticking with blaster story until further notice. I'm not convinced your doctor idea is the right tactic. I'm not gonna claim until really late, so we will have time to think about it more.
542 Makai★ 06-07- 2015 01:19 PM ET (US)	If you insist on killing Combat Buddies tonight, use your blaster on Setre. I think I can defend that choice pretty easily. "It was a huge risk, but this dude kept flubbing his role. Plus we got to see if the voice is real."
543 raindoc 06-07- 2015 01:45 PM ET (US)	i'm not insistin on anything right now... but we need to come up with a strat ASAP. the longer you wait with your response to setre, the more suspicious you'll look.
544 raindoc 06-07- 2015 02:04 PM ET (US)	i hope i just bought you some time
545 OceanicAir★ 06-07- 2015 02:19 PM ET (US)	Wow you guys have been busy. I gonna just reread everything then posts some thoughts.
546 Makai★ 06-07- 2015 02:25 PM ET (US)	Going with blaster. Less unknown variables to get in the works (counterclaims, etc).
547 raindoc 06-07- 2015 02:32 PM ET (US)	just stay put for a while, let OA catch up

548 Makai★ 06-07- 2015 02:32 PM ET (US)	Yeah, I need to get some work done today and I'm gonna clock out for a while.
549 OceanicAir★ 06-07- 2015 02:33 PM ET (US)	Wait a second, don't claim blaster. There is literally no reason as to why Quantum would give it to you on the first night since he shielded himself. Or the second night since someone can counterclaim (and you'll lose any counterclaim). Or the third night since noooooobody really trusts you.
550 Makai★ 06-07- 2015 02:34 PM ET (US)	He gave it to me last night.
551 OceanicAir★ 06-07- 2015 02:34 PM ET (US)	Also why would johnny doubt the claim that I was robbed?
552 Makai★ 06-07- 2015 02:34 PM ET (US)	He gave it to me for the same reason he gave it to raindoc - who the fuck knows?
553 Makai★ 06-07- 2015 02:37 PM ET (US)	Quantum choosing me is believable enough. I was consistently adamant about handing out shields to protect from Hutts and my roleclaim yesterday was enough for him to just roll with it.
554 OceanicAir★ 06-07- 2015 02:40 PM ET (US)	Nobody would seriously give the person that was up for lynching a gun on the same night.
555 Makai★ 06-07- 2015 02:43 PM ET (US)	Have you been playing this game? People have been making absurd decisions.
556 Makai★	Anyway, I'm revealing I have the blaster WAY LATE in the day. like 5:55 PM. I tell people who I'm targeting and give my reasonings. I put this in email tag so people don't

06-07-2015 02:44 PM ET (US)	notice until tomorrow when I point to it. Then he ends up dead, so I prove that I had the blaster.
557 raindoc 06-07-2015 02:44 PM ET (US)	I'm clear Makai, I rant myself into their rebel hearts. Proof: QB trusted me enough to give me a Blaster and multiple Rebels stated that they believe I'm one of them You got voted for and were under surveillance. Noone in their right mind would give you the Blaster.
558 Makai★ 06-07-2015 02:44 PM ET (US)	5:55 PM meaning 5 minutes before night.
559 Makai★ 06-07-2015 02:49 PM ET (US)	http://www.neogaf.com/forum/showpost.php?p...1119&postcount=1843 Doesn't suspect me.
560 Makai★ 06-07-2015 02:52 PM ET (US)	If I don't go with QB blaster, I'm going with "I'm not revealing shit. Don't be an idiot."
561 OceanicAir★ 06-07-2015 02:53 PM ET (US)	There's a big difference between I won't vote for you and I will give you a gun. You are still nowhere close to being trusted.
562 raindoc 06-07-2015 03:27 PM ET (US)	i just got a reply from mattYG, we can't use the doctor story. he wouldn't have noticed a visit.
563 raindoc 06-07-2015 03:31 PM ET (US)	let's look at the "Makai got a shield on N2 and lost it last night due to an attack" story. What's obviously wrong with that, is that the real recipient (unless it was barry) knows it's a lie. But if he outs himself, we're at least pretty much done with the gimmicks and maybe can even make him look bad. Anything else? Makai wasn't the obvious choice on N2 either, but it's far more likely than QB giving you anything after D3.
564 raindoc	Makai could claim he didn't want to reveal anything... why? Fear of being attacked again? hoping that the attacker would think he's immune and not a one-time-only shield carrier?

06-07-2015 03:33 PM ET (US)	
565 raindoc 06-07-2015 03:44 PM ET (US)	goddamnit makai
566 Makai★ 06-07-2015 03:47 PM ET (US)	I'm not revealing anything because A: it reveals I have shield or blaster B: there is another rebel role

568 OceanicAir★ 06-07-2015 07:14 PM ET (US)	Welp, it seems that johnnyquicknives has a power and found me out :(
569 Makai★ 06-07-2015 07:19 PM ET (US)	Probably just a bluff. Don't give up.
570 OceanicAir★ 06-07-2015 07:23 PM ET (US)	Yeah, I have a feeling of the same. Because if it is a cop, I am town. If it is a watcher then he would have seen me murder QB. If it is a doctor I'll claim way too OP and ask why he didn't save QB. The only role that I can think of is someone who can check what someone has (if so why does town have so many roles :())
571 Makai★ 06-07-2015 07:30 PM ET (US)	Rebel Accountant? lol
572 OceanicAir★ 06-07-2015 07:32 PM ET (US)	My fear is if it is my word against his then they will choose his. But I'll throw all of the doubt possible.
573 Makai★	I think he's gonna claim that he can night kill and he was blocked by your shield.

06-07-2015 07:32 PM ET (US)	
574 Makai★ 06-07-2015 07:38 PM ET (US)	Don't freak out.

578 OceanicAir★ 06-08-2015 11:08 AM ET (US)	Weeeeeeeeeelp, it seems like it really is all over for me now :(Of all the rotten luck, how could he really have chosen me the same time that I made that plan And that's what happened to Terra/Palmer

580 OceanicAir★ 06-08-2015 12:25 PM ET (US)	Well, that's good news! Hope there will be more good news coming! I think I'll just press on with my story saying that there is no way I'd lie after people hardly trusted me and that johnny was a reasonable candidate for targeting with how resoundingly town that he looked.
581 OceanicAir★ 06-08-2015 12:52 PM ET (US)	My last (hopefully not) hurrah!
582 Makai★ 06-08-2015 04:31 PM ET (US)	Use your blaster on Setre tonight, Palmer.
583 Makai★ 06-08-2015 04:41 PM ET (US)	Use on setre, raindoc. Whoopa
584	Actually, it might be easier for me to explain killing the combat buddies - TWE is

Makai★ 06-08-2015 06:32 PM ET (US)	insane and they've lived a long time unharmed.
585 Makai★ 06-08-2015 06:37 PM ET (US)	Nah, fuck it. Use it on Setre. I could build a much stronger case for killing Setre
586 Makai★ 06-08-2015 11:02 PM ET (US)	But it would be way easier if you shot somebody like redhood or ejawa.
587 raindoc 06-09-2015 03:15 AM ET (US)	both OA and I told you to come up with something else. I'm starting to be as annoyed by you as I claim to be annoyed by town.
588 Makai★ 06-09-2015 10:17 AM ET (US)	What else is there to claim? I am SK, but I kept hitting shields?
589 raindoc 06-09-2015 12:44 PM ET (US)	i have no fucking idea, you storming ahead like that fucked up our plans completely. now both of you are high on their priority list and (much more) sooner than later I'll be alone, for which the blaster would be really usefull, since I could claim to be another armed rebel - and prove it. if we use the blaster to save you... they'll probably still suspect you, since it makes absolutely no sense that QB gave a blaster to you of all people. we also run the risk to kill one of our own, since there's no way they're stupid enough to let you choose your target and last but not least: i loose the above mentioned cover.
590 raindoc 06-09-2015 12:44 PM ET (US)	OA - you got anything?
591 Makai★ 06-09-2015 01:51 PM ET (US)	I was visited by the messenger. Traube lied. Hoping messenger tells someone else tomorrow.
592	I could still claim blaster in an email tag and explain who I will shoot. Then tomorrow,

Makai★ 06-09-2015 01:58 PM ET (US)	when they re not dead I just say it failed.
593 Makai★ 06-09-2015 01:59 PM ET (US)	If you're wanting to hold onto the blaster that's fine with me.
594 raindoc 06-09-2015 03:20 PM ET (US)	I'd really love some input from OA.
595 OceanicAir★ 06-09-2015 03:21 PM ET (US)	We should continue with whatever lies we see fit but I also think at this point it probably better for us to cut our losses and just have me or makai lynched to have us save face. Because the longer we lie without really pointing fingers at one another or being skeptical will harm us and once one of us dies the others will realize that (especially for you raindoc)
596 OceanicAir★ 06-09-2015 03:35 PM ET (US)	I also believe that we should try to target Palmer's client at night with one of the kills since removing the client will remove him also.
597 raindoc 06-09-2015 03:52 PM ET (US)	He's too friendly towards me. I kinda believe I'm his "client".
598 raindoc 06-09-2015 04:01 PM ET (US)	1st thing we need to do is decide on what Makai posts next. what should he claim? blaster is the only option i see. maybe it'll save him for a few more days. OA needs a lot of luck to survive tomorrow, when johnny flips at the end of this day. maybe a triple kill tonight will cause enough confusion to mislead town once more? it's going to be really, really hard to do this alone/with just an UI. so maybe trying to save our team is the better option than trying to keep a sole survivor around? honestly, with all the stuff happening right now in RL i don't think i have it in me to do that.
599 raindoc 06-09-2015 04:04 PM ET (US)	how many more would we have to kill? too many. no 3rd party kills are really toughfor mafia/hutts. It's getting late again... but right now I'm feeling really demotivated. everything looked so good when this day started, but know? i kinda want to say fuck it and let makai make his blaster claim, see where we go from there. i smell defeat anyway.

600 raindoc 06-09-2015 04:11 PM ET (US)	I'll vote Makai for now. will unvote tomorrow if you use the blaster story.
601 OceanicAir★ 06-09-2015 04:22 PM ET (US)	Yeah, between Setre seeing Makai send a message and JQK switching me it went from a high chance of victory to an extremely low chance. But I wouldn't blame you for not having it in you. Being a mafia has stressed me out waaaaaaay more than I thought it would. Edited 07-09-2015 08:13 AM
602 Makai★ 06-09-2015 04:22 PM ET (US)	Two options for blaster: I hide my claim in email at last minute. Need to know who you shoot ahead of time so I can make a long and empassioned case. Last hour say MattyG clarified I will shoot before thief can steal blaster
603 Makai★ 06-09-2015 04:24 PM ET (US)	Prefer email. I can make a long case for Setre or TWE
604 Makai★ 06-09-2015 04:30 PM ET (US)	Don't vote for me too, OA ;)
605 raindoc 06-09-2015 04:33 PM ET (US)	you guys choose. twe and setre are both fine, i wanted to go for Setre and the CBuddies anyway. doubt they'll accept either though.
606 Makai★ 06-09-2015 07:57 PM ET (US)	If people start piling on, I'm gonna report that MattyG clarified that I won't have my blaster stolen if I shoot it tonight. Not leaving the target up for debate because I think Hutts have a doctor.
607 Makai★ 06-09-2015 11:05 PM ET (US)	I went ahead and revealed because I am gonna be busy at work tomorrow and won't be able to time it.
608 Makai★	Shoot Setre. I can make a case against him.

06-09-2015 11:18 PM ET (US)	
609 Makai★ 06-09-2015 11:25 PM ET (US)	I'm happy to make both kills if you want to lay low. There's only one shield out there, right? Shoot: Setre Kill: TWE
610 Matt Gregoire★ 06-10-2015 12:35 AM ET (US)	Just to be clear, the person in posession of the blaster has to be the one to use it (so in this case, raindoc).
611 raindoc 06-10-2015 12:51 AM ET (US)	will do
612 OceanicAir★ 06-10-2015 04:02 PM ET (US)	Do we even need to use the gun now? You could just use it when it is close to the end to force an end game scenario faster than they think it will come. In the mean time we could just kill Setre only and leave them to stew with the fact that Zubz and TWE are STILL alive.
613 Makai★ 06-10-2015 04:38 PM ET (US)	I could promise to shoot OA. That might delay them another night.
614 Makai★ 06-10-2015 04:41 PM ET (US)	(And not actually shoot him of course)
615 OceanicAir★ 06-10-2015 05:11 PM ET (US)	That would almost assuredly condemn both of us to death (not like they are going to keep me alive tomorrow anyway). But it us worth a shot. Also I still wonder who the hidden rebel is. If it is one of the more frequent posters then a victory is still possible. However if it is ejawa, zipped, redhood then there is no chance since it seems that their time is coming up after our deaths. Please let it be Absolut, Matt, Czar, or Palmer.
616 Matt Gregoire★	And then there were two (well, three total, but only two of you). Makai, please refrain from posting in here any more, I will send you a link to the dead thread ASAP. Edited 06-10-2015 05:31 PM

06-10-2015 05:26 PM ET (US)	
617 OceanicAir★ 06-10-2015 05:32 PM ET (US)	RIP Makai, see you soon. :(
618 raindoc 06-10-2015 06:14 PM ET (US)	Bye Makai! *salute*
619 raindoc 06-11-2015 01:14 AM ET (US)	I propose shooting Setre first, stealing from TWE and killing traube. whoever survives the next day will pay TWE another visit. we might not win this, but we'll make 'em pay dearly.
620 OceanicAir★ 06-11-2015 09:22 AM ET (US)	Yep, I was thinking the same thing. If traube could be the palmer's client it would be amazing! Also nothing would be funnier than traube dying before me lol. Although I had a thought about you killing me with the blaster to confirm you as town but heck with it, KILL THEM ALL!!!!
621 OceanicAir★ 06-11-2015 09:29 AM ET (US)	I also had a thought about withholding the gun since everybody would know that it went to a high-ranking poster. But whatever you want to do is what you should do since in all likelihood I am not playing much longer.

630 raindoc 07-06-2015 10:19 AM ET (US)	Since everybody's wondering why I killed CzarTim: because I never would have thought that you guys would follow my vote and so I "stole" from him the night before. Since I couldn't be sure about Palmer looking after me (still not entirely convinced) I had to assume that one guy was protected by him and one was shielded by QB on N2. didn't want to risk wasting both of my night kills - hence I had to kill Czar, who I knew wasn't protected by Palmer and had no shield because I checked the night before. The regular Mafia kill took care of AB's shield, as it seems. Unless he and Palmer are setting up a trap (I'm the paranoid Hutt).
