Mission - Night 5

1-39 of 39 messages

1 Ourobolus★ 08-29-2015 08:26 AM ET (US)	Moderator here: Ground rules for this chat: 1) This chat is strictly between players on the mission. Please do not share this link, nor copy/paste posts from here anywhere else. 2) Generally speaking: If you wouldn't do it in the public thread, don't do it here. Role claims and game speculation are allowed, but will not be confirmed by me here. If you have a question, it's probably better to PM me directly. 3) This forum will only stay open for this current night phase. Afterwards, no more posts will be allowed, but you may come back to look at the history. 4) This chat will close 30 minutes before the next day phase so I can get everything ready.
2 TheGoddamn 08-29-2015 10:03 AM ET (US)	Just checking in before bed. I'm not sleepwalking, no.
3 EzekelRAGE 08-29-2015 11:48 AM ET (US)	So QB and Kris which one of you are the HP and are about to kill me? :(
4 EzekelRAGE 08-29-2015 11:49 AM ET (US)	QB do you mind saying what ability you seem to have now? Me and TG are confirmed town.
5 Kristoffer 08-29-2015 12:40 PM ET (US)	Sorry, Ezekel. I could only do this on the mission. ASSASSINATE: EzekelRage.
6 EzekelRAGE 08-29-2015 01:17 PM ET (US)	Woe is me.
7	Just messing with you, man. I've got some reads I want to post later but I'm busy at

[Upload pictures, customize the look, and more.](#)

Kristoffer 08-29-2015 01:56 PM ET (US)	the moment. I'd like you and TheGoddamn to comment on them and we can go from there. Also, if there's anything you want to fill me in on, I'd appreciate it. However, I don't trust QB, so use discretion.
8 EzekelRAGE 08-29-2015 03:41 PM ET (US)	Since if one of you are the HP, I'm dead neway, I will post what I posted to squidy/mazre in N3. I am Archer, I lied about my roleclaim with the NK immunity thing. I had 3 bps that a person has to go thru before a regular KGB can kill me. HP can kill me thru all the bps. 1 was used N1. I didnt want to do the test with ET, because wouldve been a giant waste of time and my one of my bps.
9 EzekelRAGE 08-30-2015 02:50 AM ET (US)	Last time it was this quiet in mission chat, someone ended up dead T_T
10 Kristoffer 08-30-2015 03:31 AM ET (US)	I really want to hear what QB has to say.
11 TheGoddamn 08-30-2015 07:41 AM ET (US)	Sorry, very busy weekend; work conference. And now my girlfriend is sick. That's interesting, Ezekel. Explains your violent reaction to Kris's plan. What does BPS stand for? Bulletproof shield?
12 EzekelRAGE 08-30-2015 12:30 PM ET (US)	Bulletproofs
13 Kristoffer 08-30-2015 01:38 PM ET (US)	That spooky silence... MikeHawk was gung-ho on lynching Gorlak without even entertaining any ideas of patsy shenanigans. I wanted to clear him for this, but it occurred to me that any KGB who knew of Gorlak's impending demise would be well prepared to go forward with the lynch and not risk looking suspicious. In fact, the nature of today's discussion actually does mean that we can't gain any useful reads and should look back to who defended Haly, who pushed putting El Topo on the mission, who immediately decried squidyj, etc. and see if we can find any patterns. Living people exonerated by cop, phrasing, or role action: TheGoddamn Arkos cabbeh Enker EzekelRAGE Mazre squidyj Suspects: Kristoffer Septimus Prime Mike_Hawk689

	YesNoNoNOYes Quantumbro Palmer_v1 Hobohodo Very Town Suspected: Kristoffer (top of the list) YesNo Palmer (maybe) Highly suspicious: Septimus QB Hobo MikeHawk Palmer (maybe) I would look back at how these five players handled Haly and Gorlak the whole game. Did they ever put them under suspicion? Do they contribute in meaningful ways?
14 EzekelRAGE 08-30-2015 02:29 PM ET (US)	What are your thoughts on things QB? Why did you want YN on the mission? What role/info do you plan on disclosing next day phase? I still think there is a KGB between QB/HB/YN/Palmer Theory colored voting: http://i705.photobucket.com/albums/ww57/Ez...eory%20Archer_1.jpg
15 Kristoffer 08-30-2015 03:01 PM ET (US)	We're looking for one or two more KGB, max.
16 Kristoffer 08-30-2015 08:00 PM ET (US)	Ezekel, who are your two most likely suspected players to be colluding, assuming there are two kgb left? I have reason to believe there is only one but I will not say why.
17 EzekelRAGE 08-30-2015 11:43 PM ET (US)	Uhm idk. I haven't really noticed ppl working together. Right now I would say I'm leaning toward the direction of QB.
18 QuantumBro 08-30-2015 11:44 PM ET (US)	Sorry for the lack of responses, I went away on a weekend trip and didn't expect Enker to end the day early. I'm about to go to sleep, but I'll role claim first since I did promise to do so. My role is Roman Clazado and my win condition is to kill the most dangerous game, aka the Honeypot. Each night I'm able to hunt one player and based on who I choose either nothing happens (ISIS or neutral), I die (KGB), or they die (Honeypot). Also, if I am targeted for a kill during the night, then person targeting me will die. I'm about to go to sleep, but I'll answer any questions about my role, post my night actions, and discuss the game tomorrow morning.
19	Who have you hunted each night phase? What is the second part of your role name?

EzekeIRAGE 08-31-2015 12:13 AM ET (US)	
20 EzekeIRAGE 08-31-2015 12:14 AM ET (US)	Assuming you are telling the truth, I imagine you are going/went after Kris this night phase?
21 Kristoffer 08-31-2015 12:23 AM ET (US)	Congratulations, Ezeke, you lured out the last KGB. It was only a matter of time.
22 EzekeIRAGE 08-31-2015 12:28 AM ET (US)	? I miss something? :-(
23 EzekeIRAGE 08-31-2015 12:29 AM ET (US)	QB, I would imagine that makes you.....neutral?
24 Kristoffer 08-31-2015 12:30 AM ET (US)	I misread something in the role claim and thought it was incriminating, it actually seems legitimate on second read, sorry. QB, continue to answer Ezeke's questions.
25 EzekeIRAGE 08-31-2015 12:53 AM ET (US)	Also, what was your plan b4 Darryl was killed? You mentioned having a plan to do something b4 he died.
26 QuantumBro ★ 08-31-2015 11:09 AM ET (US)	I'm back. Night Targets are... Night 1: El Topo Night 2: Arkos Night 3: Darryl Night 4: Palmer I am the Hunter. I'll probably go after Kris, but I was also considering going after TheGoddamn, since there is the possibility that Darryl was misled by Haly during Night 3. I'm open to hearing suggestions. Yes, I am neutral, once I kill the Honeypot I win the game and leave. My main plan was to go after Mazre since I was positive he was either a KGB or Honeypot, but then Darryl cleared him when he died. I was then fine with going after

	YNNYN since she was also on my list of potential targets. But then she volunteered randomly, so now I regret doing anything. Really should've waited till tomorrow, lol. Ezekel, does the wording in your role pm suggest that the Honeypot is aligned with the KGB or a neutral player?
27 QuantumBro ★ 08-31-2015 11:10 AM ET (US)	Just keep asking questions if you have them, I'll be here till the night ends.
28 EzekelRAGE 08-31-2015 11:23 AM ET (US)	I imagine you are still revealing this next day phase to everyone else? So, Arkos has more confirmation along with Palmer now being confirmed. I am leaning towards believing you. I thought about the possibility of Darryl being tricked by Haly. Chances are slim, but possible. Would rather you go after Kris, since it would confirm whether he is town or not and give more information as to who is KGB. The TG situation can be put on the backburner. This possibly leaves Mike/Sept/Yn/Hobo/Enker?
29 QuantumBro ★ 08-31-2015 11:36 AM ET (US)	Yeah I'm fine with revealing it tomorrow, unless any of you think I shouldn't. I think I might leave out that people who attack me die to try to bait a KGB member into killing me. I'll send in my PM for Kris. I'd keep an eye out on Squidy too, something strikes me as odd with him.
30 QuantumBro ★ 08-31-2015 11:47 AM ET (US)	Are you going to go along with Squidy's plan, or volunteer to get on the mission, Ezekel? Edited 08-31-2015 11:48 AM
31 EzekelRAGE 08-31-2015 12:11 PM ET (US)	Well, assuming you are telling the truth. The conclusion some would come to would be to lynch you to confirm your role. This would provide town more valid info on who is ISIS. I might voluteer, but unwilling to unvolunteer if you are telling the truth since 1 or more KGB would be in the Mike/Sep/Yn/Enk grp. We can send all 4 of them on a mission. Do you know what order your action goes in? Say kris is the hp attacks me and you inves him, would ur inves kill him b4 he kills me?
32 QuantumBro ★ 08-31-2015 12:24 PM ET (US)	I'd assume you would both die if that was the case. I can clarify it with Ouro. Edited 08-31-2015 12:24 PM
33 EzekelRAGE 08-31-2015 12:38 PM ET (US)	Makes sense, I imagine order only matters for blockers/doctors/switchers.
34	Eagerly awaiting the test results, Dr. Quantum.

Kristoffer 08-31-2015 02:16 PM ET (US)	
35 EzekeIRAGE 08-31-2015 02:40 PM ET (US)	Assuming Squid survives another day, I do find it odd he is still alive. I was targeted Day 1 and I havent been nearly as impactful for town as Squid has.
36 QuantumBro 08-31-2015 02:59 PM ET (US)	/m34 That's what I like to hear! /m35 You'd think the KGB would taken him out as revenge for killing Haly, but he did say he had that targeting ability, so maybe that spooked them. I'll either choose him or YNNYN as my next target, assuming they don't lynch me today. The chat is closed early for some reason, but I'll make sure to hint at who I'm going after during the night. Edited 08-31-2015 04:45 PM
37 EzekeIRAGE 08-31-2015 04:09 PM ET (US)	If you do make it thru the day, before the next night phase starts, make a random post and bold the name of the person you hunting. That way if you day, we may know who you went for.
38 Kristoffer 08-31-2015 04:21 PM ET (US)	Too obvious. Different strategy: use a key phrase, like "I think I'm suspicious of ____." somewhere in your post.
39 Kristoffer 08-31-2015 04:22 PM ET (US)	by which I mean use exactly that phrase.
