1 Ourobolus★ 08-22-2015 10:15 PM ET (US)	Moderator here: Ground rules for this chat: 1) This chat is strictly between players on the mission. Please do not share this link, nor copy/paste posts from here anywhere else. 2) Generally speaking: If you wouldn't do it in the public thread, don't do it here. Role claims and game speculation are allowed, but will not be confirmed by me here. If you have a question, it's probably better to PM me directly. 3) This forum will only stay open for this current night phase. Afterwards, no more posts will be allowed, but you may come back to look at the history. 4) This chat will close 30 minutes before the next day phase so I can get everything ready.
2 EzekelRAGE 08-24-2015 12:42 PM ET (US)	Damn, squidy's plan worked. Glad I didn't screw it up lol.
3 EzekelRAGE 08-24-2015 01:05 PM ET (US)	Gonna go thru the posts again, I remember someone wanted us to vote who squidy would investigate. I thought it was a bad idea, with Haly's reveal, that person could be KGB as well.
4 EzekelRAGE 08-24-2015 02:00 PM ET (US)	Just misread a post from yes.
5 Mazre 08-24-2015 10:17 PM ET (US)	So by my reckoning: Septimus, Mike, Quantum and Hobo are the most likely candidates for being a KGB YNNNY reads town but hasn't been cleared, The goddamn reads town and was cleared but there is a possibility he was align flipped by Haly, and theres Gorlak who odds are as a replacement of a replacement is a town Finally there's an extreme outside < 1% chance in my mind that palmer or squidyj are KGB
6	TG cleared, was that the should post more msg? Saw it but mustve had a brainfart

EzekelRAGE 08-24-2015 10:59 PM ET (US)	cuz I thought the opposite for some reason lol. With Haly's role he would have to luck up to hit the same person as the cop would. Thoughts on Kriss/Hobo?
7 Darryl 08-24-2015 11:17 PM ET (US)	Dude palmer tried to fucking out me to save Haly. He isn't to be trusted to the level we thought before.
8 Darryl 08-24-2015 11:18 PM ET (US)	It also read like Haly knew. How did he know? There is a fucking mole in this group of 6
9 Darryl 08-24-2015 11:19 PM ET (US)	I went along with it because it was obvious Haly knew and I wanted to see who in the group was ready to sell me down river
10 EzekelRAGE 08-24-2015 11:22 PM ET (US)	Guess you dont care about Garlok knowing since the chances of him being kgb are slim? Yea Palmer is interesting. He was the first one to tell Squid.
11 Darryl 08-24-2015 11:25 PM ET (US)	Don't say anymore than I've said. I just had to say that.
12 Darryl 08-24-2015 11:27 PM ET (US)	I said I suspected gorlak just to inflate my list of suspects. I don't have any reads on him
13 Darryl 08-24-2015 11:28 PM ET (US)	Haly, Palmer, Hobohodo, QuantumBros are up there as my go-to these 4 are mafia players
14 Darryl 08-24-2015 11:32 PM ET (US)	His pressure on Mazre in the middle of the last day was curious. It was like bait for me. His continued pressure on Mazre reads like preemptive framing for a night kill.
15 Darryl 08-24-2015 11:32 PM ET (US)	Preemptive night kill while on a mission
16	Yea, I was wondering why he went after Maz, with all that happened in last mission

EzekelRAGE 08-24-2015 11:38 PM ET (US)	chat.
17 Darryl 08-25-2015 12:17 AM ET (US)	On the night of Eze joining chat he even asked me to do him over eze, right? How does that even make sense? Why wouldn't we do Eze ? It's like a mind game. The trinity of palmer-Haly-Hobohodo is continued with the fact that palmer asked a tracker to track hobo on the night before last, likely implying for me to do hobo. Knowing Haly would flip him. Haly also involved hobo in his fake role. Awful strange for a player with no footprint.
18 EzekelRAGE 08-25-2015 12:35 AM ET (US)	I noticed the Hobo thing as well. He mentioned him in both his fake role claims. Don't know what to think about that. He could've put KGB members in or left them out of his fake role claim. also, idk what to think about seath. I think it's obvious he didn't post this day phase on purpose. Looking at my theorycrafted colorcoded voting, I can see QB being KGB.

20 Gorlak★ 08-25-2015 07:59 AM ET (US)	GAF down? I wanted to read some posts. And Ourobolus I don't think you should excuse any player's action in here whether your statement is true or not. /m16 Care to elaborate?
21 Ourobolus★ 08-25-2015 08:00 AM ET (US)	Yeah, you're right. Wasn't trying to make excuses.
22 EzekelRAGE 08-25-2015 12:56 PM ET (US)	What happened? I missed the msg T_T
23 Ourobolus★ 08-25-2015 01:01 PM ET (US)	Not important. Carry on!
24 EzekelRAGE 08-25-2015 01:43 PM ET (US)	Mother!!!
25 EzekelRAGE 08-25-2015 01:43 PM ET (US)	Gorlak, what are your reads for ppl so far?
26	Ah, I was out this evening and now I need to go to bed. Right now from the top of

Gorlak★ 08-25-2015 05:51 PM ET (US)	my head I can say I didn't notice this connection between palmer, haly and hobo. Can't say much about the slow posters Enker, Mike Hawk, Goddamn and QuantumBro as they just didn't do a lot (maybe the same can be said about me) ~ maybe they try to surf along and want to go unnoticed. Was Seath the one with the ridiculous claim? Septimus not showing up was also suspicious. I think YNNY is town. cabbeh and arkos (?) were claimed through this drone stuff at the beginning? I'll go through my notes tomorrow, maybe do some rereading and post more. And to be honest mostly the same people on the missions didn't exactly generate trust. Why of all the people palmer went for Mazre, when he is mostly in the same position ~ I don't understand. It is a big mystery to me why nobody cares, maybe if I had been here from the beginning I would see things differently. I take it one of you guys is the cop and has checked on the others? That's why you're sticking together?
27 EzekelRAGE 08-26-2015 07:26 PM ET (US)	Na, mostly just going on faith at this point. Hoping KGB haven't infiltrated the chat. Not much else. Give scum reads and things like that.
28 Gorlak★ 08-27-2015 05:38 AM ET (US)	Okay, I don't think Hobohodo is scum. He is not the most active player, but his posts read town and Haly mentioning him must be a coincidence. Then again I think Septimus is really suspicious, maybe some pressure on him would be good. So you do not know who the cop is? But how can you be sure nobody in here is mafia than? And Palmer said you talked about it and all of you were concerned about squidyjs move. I don't understand this. Has the mission chat always been so quiet?
29 EzekelRAGE 08-27-2015 08:42 AM ET (US)	Na, we dont, just made theories who we thought could be cop based on theories,(/m18 when I said theorycrafting) and characters in the TV show. For instance last chat Palm asked squidy who he thought would be cop based on his knowledge from the show. Squidy settled on Lana and Cyril. He wouldve chose Archer, but wrote him out since I am already him with my PR. And yea this is about as quiet as it gets the longer it goes/closer it gets to next day. N3 chat was 30 msgs.
30 Darryl 08-27-2015 03:34 PM ET (US)	there's really not much to say. i think last phase they were surprised that squidy claimed cop because he claimed a different role in chat. we are just going off chance that mafia wouldn't have been brave enough to volunteer for a mission so we are more open, otherwise it's as good a guess as anyone
31 Darryl 08-27-2015 03:36 PM ET (US)	do you have anything to say before the night goes gorlak?
32 Gorlak★ 08-27-2015 03:58 PM ET (US)	No, not really. Except maybe that I'm still in doubt of Mazre.
