<p>3001 Gorlak★ 09-21-2015 09:40 AM ET (US)</p>	<p>/m2998 So Makai lied about your pm to get kitty lynched?</p>
<p>3002 Bombay /Darryl 09-21-2015 09:47 AM ET (US)</p>	<p>LOL</p>
<p>3003 cabot★ 09-21-2015 09:57 AM ET (US)</p>	<p>don't challenge him to a game of squares to resolve your troubles</p>
<p>3004 Launchpad★ 09-21-2015 10:02 AM ET (US)</p>	<p>He now sent me a PM explaining how I'm trying to affect his actions. I DID NAWWWWWWWWWWWWWWT</p>
<p>3005 Sorian★ 09-21-2015 10:04 AM ET (US)</p>	<p>Modkill him for maximum chuckles.</p>
<p>3006 Bombay /Darryl 09-21-2015 10:04 AM ET (US)</p>	<p>Makai has transcended and is now above being modded. He has achieved gafia god status</p>
<p>3007 cabot★ 09-21-2015 10:05 AM ET (US)</p>	<p>he seems a very strange fellow.</p>
<p>3008 CornB★ 09-21-2015 10:07 AM ET (US)</p>	<p>This game is turning into a very interesting.... something.</p>
<p>3009 Bombay /Darryl</p>	<p>Makai > "Launch you need to step back your modding. I'm trying to win a game here." And so it is done.</p>

3010 cabot★ 09-21-2015 10:12 AM ET (US)	whose side is Makai on again?
3011 Bombay /Darryl 09-21-2015 10:15 AM ET (US)	I wanted to send him a tell just saying "lol" but then I realized he would probably use that in the court of law
3012 Launchpad★ 09-21-2015 10:18 AM ET (US)	/m3010 He's Hope; if he becomes SK, then he's Neutral but has to kill 2 Despair or survive to the end to win. /m3011 "Darryl sent me a PM saying lol, so clearly I am correct; Swamped is Despair and Launchpad has been covering for her this entire time by sending me misleading PMs" - honestly though, I see this happening . _ .
3013 cabot★ 09-21-2015 10:22 AM ET (US)	You're absolutely guilty in my opinion Arrest that mod
3014 Ourobolus★ 09-21-2015 10:52 AM ET (US)	ihatewhatlaunchpadmccokeduphasdonetome.gif
3015 Launchpad★ 09-21-2015 10:53 AM ET (US)	I get a gif? woo
3016 Bombay /Darryl 09-21-2015 10:54 AM ET (US)	Hammer it in makai you sexy bastard. While your at it say fuck you town. I offered you salvation and you denied it. Now I will smite you all.
3017 Bombay /Darryl 09-21-2015 10:54 AM ET (US)	Makai the gafia GOD
3018 Soriana★ 09-21-2015 10:54 AM ET (US)	Darryl is really into this. I also enjoy he is still posting as Bombay.
3019 Launchpad★	/m3016 it would match the flavor

09-21-2015 10:55 AM ET (US)	
3020 Launchpad★ 09-21-2015 10:56 AM ET (US)	I feel so bad for KK. That better have been one amazing bagel.
3021 Bombay /Darryl 09-21-2015 11:02 AM ET (US)	If he turns against town right now and follows through this will be greatest fuck you in gafia history, even beating czars play. So obviously I'm into it. If he bitches out right now smfh
3022 Bombay /Darryl 09-21-2015 11:03 AM ET (US)	He knows who the scum is. He knows who town is. He has it all figured out. He just needs to harden up and put his dick in it already
3023 Launchpad★ 09-21-2015 11:03 AM ET (US)	I don't know, but hold on to your seatbelts boys and girls - regardless of the outcome, Despair is going to go down swinging.
3024 Soriana★ 09-21-2015 11:11 AM ET (US)	/m3022 This analogy, lololol
3025 Launchpad★ 09-21-2015 11:11 AM ET (US)	I didn't see that until now. Jeez. Ok.
3026 Launchpad★ 09-21-2015 11:14 AM ET (US)	Whatever happens, I'm going to have some fun writing the flavor for day end today heh
3027 Soriana★ 09-21-2015 11:16 AM ET (US)	I'm glad this is happening. I think my boredom with DR mafia was that town was just going to let Makai and KK skate by without testing them in any way and plow through to win the game. This is kicking it up a few notches for me.
3028 Launchpad★ 09-21-2015 11:27 AM ET (US)	SOMEONE HAMMER SOMEONE ALREADYYYYY
3029 Soriana★ 09-21-2015	Waiting for the swerve and they hammer swamped instead.

11:28 AM ET (US)	
3030 Launchpad★ 09-21-2015 11:29 AM ET (US)	I DON'T CARE, JUST HAPPEN ALREADYYYYY
3031 Bombay /Darryl 09-21-2015 11:30 AM ET (US)	Makai is nothing but a tease
3032 Soriana★ 09-21-2015 11:30 AM ET (US)	*everyone unvotes*
3033 roytheone★ 09-21-2015 11:45 AM ET (US)	So help me out here guys, I haven't followed this game very in depth: some people want to Lynch kitty, so that they lose two bulletproof town aligned roles but they gain one neutral serial killer that is no longer bulletproof and can technically win by surviving to the end, even if scum wins. I am probably wrong, but to me that seems like sacrificing two good town PR to willingly create a situation like with Soriana in NX. Isn't that.....kind of idiotic?
3034 Bombay /Darryl 09-21-2015 11:50 AM ET (US)	Only one town member wants it right now. The other two are scum
3035 Launchpad★ 09-21-2015 11:50 AM ET (US)	It would be idiotic to assume these two are telling the truth. They should have been activated a long time ago, but everyone seemed to eat the claim up. At this point, Makai has a small pool of players to choose from already, so it's inevitable that he kill the last two Despair and win the game if he is not killed himself, so no, that part isn't idiotic. His win condition is to kill 2 Despair or survive. Honestly, I want Despair to win, as they are the underdogs here; however, for when Makai inevitably reads this, that does NOT mean I've tampered with the game.
3036 Splinter 09-21-2015 11:50 AM ET (US)	I think "kind of idiotic" is Hope's mission statement
3037 Ouroboros★ 09-21-2015 11:51 AM ET (US)	/m3022 LOL
3038 Soriana★ 09-21-2015 12:05 PM ET (US)	/m3035 Launch, why do you keep trying to interfere? You keep trying to do everything in your power to prevent Makai from greatness! >:(/sarcasm
3039 Splinter	I so want kk to be the serial killer :(

09-21-2015 12:06 PM ET (US)	
3040 Launchpad★ 09-21-2015 12:06 PM ET (US)	I WANT MAKAI TO REACH HIS FINAL FORM
3041 Soriana★ 09-21-2015 12:09 PM ET (US)	Super Duper High School Level Mega Ultimate Shining Hope (please make that the title if he dies or during the end game wrap up if he transforms)
3042 Splinter 09-21-2015 12:15 PM ET (US)	"if I become serial killer, i promise to put the names of whoever is left on a dartboard i will close my eye and let my trusty dart decide" I believe you kk
3043 Soriana★ 09-21-2015 12:15 PM ET (US)	/m3036 Kind of matches the source material. Also, if Makai is supposed to be Makoto, that also matches the source material.
3044 Kristoffer 09-21-2015 12:25 PM ET (US)	So Launch, you're not angry at Makai? You kind of forced him into doing what he did.
3045 Splinter 09-21-2015 12:30 PM ET (US)	I support Launch's decision
3046 Launchpad★ 09-21-2015 12:39 PM ET (US)	/m3044 I'm confused. I'm not angry, but how did I force him to bend the rules?
3047 Launchpad★ 09-21-2015 12:45 PM ET (US)	I just had a weird deja vu moment where Makai somehow found his way into this thread before he died and I'm forced to modkill him
3048 Rest 09-21-2015 12:53 PM ET (US)	/m3005 I SUPPORT THIS ACTION /m3047 Yesthat'swhathappenedoit
3049 Splinter 09-21-2015 12:55 PM ET (US)	ARGHH WHY IS THIS SO SLOW
3050	I was thinking of posting from a fake username Makai but that had the potential to cause

<p>3051 Splinter 09-21-2015 12:57 PM ET (US)</p>	<p>I dont know why I'm cheering for this, Makai's such a tryhard he'll probably just kill swamped and be done with it</p>

<p>3060 CornB★ 09-21-2015 01:35 PM ET (US)</p>	<p>*yawn* This is what happens when Despair kills me. I wouldn't be wasting my time pussyfooting around.</p>

<p>3061 Launchpad★ 09-21-2015 01:35 PM ET (US)</p>	<p>"I still don't see a Swamped vote but it's a way better venture than voting King/Makai that could lead to possible recruitment for Despair." NUUUUUUUUUU</p>
<p>3062 CornB★ 09-21-2015 01:37 PM ET (US)</p>	<p>How could she not see a Swamped vote. Did she not even read Royal's post? Or even Makai's? Even just process of elimination at this point... I mean granted, Makai might be lying and Royal being town doesn't make his past posts omniscient and flawless. But jeeeesus. No fucking way should Swamped survive this day. She played a fantastic game but she's at the end of the line. Edited 09-21-2015 01:37 PM</p>

<p>3075 Soriana★ 09-21-2015 01:59 PM ET (US)</p>	<p>/m3074 I thought it was only one way too but the way people have been talking, it looks like it might be a two way street.</p> <p>/m3073 Traditionally, the scum kill is the very last night action, so even if they try to NK Makai, his kill should still go through, if he is a SK.</p> <p>-----</p> <p>Poor Sawneeks, she had her chance but she hesitated. <p>3079 CornB★ 09-21-2015 02:02 PM ET (US)</p>	<p>Jesuss fuck Zipped. You're responsible for that blunder. Fucking voting for KK instead of Swamped.</p>
<p>3080 Soriana★ 09-21-2015</p>	<p>Swamped outed her partner with the gender pronoun. Wonder if they will notice.</p> <p>Edit: Ah, well not quite, two other females still in the game. She still narrowed it down though.</p>

02:03 PM ET (US)	Edited 09-21-2015 02:04 PM
3081 Rest 09-21-2015 02:04 PM ET (US)	Yeah, if Makai doesn't kill, Swamped just lost Despair the game.
3082 CornB★ 09-21-2015 02:04 PM ET (US)	I think Swamped knows she loses if Makai targets her anyway. That was literally her only chance. Fucking lol. Well played Swamped, well played. That is truly the only path to victory.
3083 CornB★ 09-21-2015 02:05 PM ET (US)	Makai and others already pretty much knew it had to be Swamped/Mackenzie. There's literally no way to not know at this point. I suppose Swamped/Christie can lie and say it must be Sawneeks. It would explain why Sawneeks hasn't died yet.
3084 Soriana★ 09-21-2015 02:05 PM ET (US)	lol Hope purposely trying to create a neutral aligned player. NX should be the guidebook on why neutrals are bad at late game.
3085 Ourobolus★ 09-21-2015 02:06 PM ET (US)	It's a bold move, swamped, I hope it pays off!
3086 CornB★ 09-21-2015 02:06 PM ET (US)	Not Hope. Zipped. This is literally all Zipped's fault. The rest of Hope voted for Swamped which was the smart thing to do. Well and Sawneeks is at fault as well for not voting. Jesus fuck the answer was right in front of her face. -_-
3087 Gorlak★ 09-21-2015 02:07 PM ET (US)	Makai should say fuck it and go along with this plan. Much like the NX/Soriana situation nobody thought this shit through...
3087 Soriana★ 09-21-2015 02:07 PM ET (US)	/m3086 Fair point. And it looks like Makai is going for it.
3088 Rest 09-21-2015 02:07 PM ET (US)	Oh hey, welcome kingkitty.
3089 CornB★ 09-21-2015 02:07 PM ET (US)	Makai should take Swamped up on her offer. Despair/Neutral win. I'm policy lynching Sawneeks next game I'm in with her.
3090 CornB★	Ok this game looks about done.

09-21-2015 02:09 PM ET (US)	Town MVP: AbsolutBro Scum MVP: Swamped
3091 Soriana* 09-21-2015 02:10 PM ET (US)	Yo damn, Makai doesn't care anymore. Darryl, you got your wish. I know you're loving this.
3092 CornB* 09-21-2015 02:11 PM ET (US)	So fucking bitter. Despair mskills 2 fucking nights. AB clears 3 people. And yet Hope still loses because Sawneeks and Zipped wouldn't vote for Swamped.
3093 Launchpad* 09-21-2015 02:11 PM ET (US)	oh my gawd. this is amazing. OH. MY. GAWD. NEVER IN MY WILDEST DREAMS
3094 Soriana* 09-21-2015 02:12 PM ET (US)	/m3093 Having fun Launch?
3095 Launchpad* 09-21-2015 02:12 PM ET (US)	Much fun.
3096 CornB* 09-21-2015 02:12 PM ET (US)	Can we modkill Sawneeks. I want to yell at her. How the fuck did she NOT see a Swamped vote? How? AB cleared literally everyone fucking else.
3097 Ourobolus* 09-21-2015 02:12 PM ET (US)	Makai can still fuck with them, which would also be hilarious, since swamped basically called her partner out by gender.
3098 Soriana* 09-21-2015 02:13 PM ET (US)	Is claiming one shot BP the new #scumtoll btw?
3099 Launchpad* 09-21-2015 02:13 PM ET (US)	There are two "females" in the game, though. And CM isn't even really a girl. lol
3099 CornB* 09-21-2015 02:13 PM ET (US)	Makai already knew who the 2 Despair were pretty much. I'M SO FUCKING MAD AND BITTER. I wish Despair had killed anyone else but me that night. :(
3100	I'm a NK Immune Miller Vigilante. Oh and I have a lucky buddy with the same role.

<p>CornB★ 09-21-2015 02:14 PM ET (US)</p>	
<p>3101 CornB★ 09-21-2015 02:15 PM ET (US)</p>	<p>"She's bulletproof tho"</p> <p>I mean I actually sort of believe Swamped on that. Everyone in the game seems to be BP. But lol if she actually lied about being one shot BP, she gets a double MVP award.</p>
<p>3102 Soriant★ 09-21-2015 02:18 PM ET (US)</p>	<p>Pretty sure she is lying. The lie is the whole crux of this plan though.</p>
<p>3103 Launchpad★ 09-21-2015 02:19 PM ET (US)</p>	<p>She's lying about something, but I think she's selling it very well on the bits that are true.</p>

<p>3109 cabot★ 09-21-2015 02:27 PM ET (US)</p>	<p>wow what the hell did i just walk into in the DR game</p>
<p>3110 CornB★ 09-21-2015 02:27 PM ET (US)</p>	<p>You walked into Sawneeks and Zipped losing Hope the game.</p>

3111 Sorian★ 09-21-2015 02:27 PM ET (US)	Something magical cabot. The curse of the neutral lives on.
3112 cabot★ 09-21-2015 02:28 PM ET (US)	ive decided that in GAFia, doctors are worthless and neutrals are actually the biggest scum
3113 Sorian★ 09-21-2015 02:28 PM ET (US)	Damn, just like the game. Everything falls on Ultimate Luck to decide whether he wants to be hope or fall into despair.
3114 Sorian★ 09-21-2015 02:29 PM ET (US)	/m3112 Hey, doctors aren't useless. It's just they always attract the day 1 kills and lynch.
3115 CornB★ 09-21-2015 02:30 PM ET (US)	/m3113 Holy shit... that's actually an amazing bit of coincidence. Edited 09-21-2015 02:30 PM
3116 Splinter 09-21-2015 02:32 PM ET (US)	Hmm, Makai can only possibly lose if he kills Despair, right?
3117 Kristoffer 09-21-2015 02:33 PM ET (US)	I don't think she's BP. She can't BP.
3118 Launchpad★ 09-21-2015 02:34 PM ET (US)	Hmm I'll answer your questions in a sec. I'm having a lot of fun with this day end lol
3119 Kristoffer 09-21-2015 02:37 PM ET (US)	Launch, you should let Makai into a quicktopic with Swamped only. It would be like the super high school level surprise negotiation round.
3120 Sorian★ 09-21-2015 02:37 PM ET (US)	/m3116 Nah, if he is actually scared that swamped is BP (she's not) then he can still just kill Christina tonight, he knows that she is the other despair. Swamped will still kill zipped hoping that Makai went along with the plan. Next day phase, they vote out swamped for the Hope win. It's all up to Makai now. Will applaud swamped forever and ever if Christina is actually BP and this was a reverse psychology play to fuck up Makai if he did end up wanting the hope win.
3121 CornB★	If Makai kills Despair, he can lose. If the remaining Hope and Despair player decide to say "fuck you" and go after him.

09-21-2015 02:37 PM ET (US)	
3122 CornB★ 09-21-2015 02:37 PM ET (US)	I agree with Kristoffer. I want to see Makai and Swamped negotiate.
3123 CornB★ 09-21-2015 02:38 PM ET (US)	/m3120 lol lol. If Christina actually ends up being BP nd it was a reverse psych ploy? Holy shit lol. I want that to happen. Omfg.
3124 Soriant★ 09-21-2015 02:38 PM ET (US)	/m3121 Hope has no reason to team up with a known despair, especially if a despair ends up dead over night. Whoever is hope should just shut up at that point and vote with Makai and thank him for hand delivering the win that they fucked up.
3125 Kristoffer 09-21-2015 02:40 PM ET (US)	Makato "knows" who a Despair is and they made an offer. It only makes sense that they would visit each other tonight before making their kills.
3126 CornB★ 09-21-2015 02:40 PM ET (US)	Oh for sure, Hope has no reason to team up with Despair. But they also had no reason to not vote out Swamped today. -_- Idk how everyone collectively agrees a day prior that either Royal or Swamped needs to be scum, and then magically forget that once Royal flips Hope.
3127 CornB★ 09-21-2015 02:42 PM ET (US)	I don't know what I want. Part of me wants Makai to team up with Hope because I win if Hope wins. The other part of me thinks that we don't deserve the win after this fiasco.
3128 Splinter 09-21-2015 02:43 PM ET (US)	I dont know how they narrow the pool to 2 out of 4 and still get it wrong twice Come on Mak, Hope dont deserve this win
3129 Launchpad★ 09-21-2015 02:43 PM ET (US)	Got the post all typed up, yet my mobile data is acting up lol
3130 Kristoffer 09-21-2015 02:44 PM ET (US)	Negotiation round, c'mon!
3131 Soriant★ 09-21-2015 02:48 PM ET (US)	DR game went from 0 to 60 really quick lol
3132	and here... we... go!

Launchpad★ 09-21-2015 02:48 PM ET (US)	
3133 Launchpad★ 09-21-2015 02:50 PM ET (US)	for those of you that were in NX, trigger warning
3134 Splinter 09-21-2015 02:53 PM ET (US)	"If there are not enough Remnants of Despair remaining, you instead win by surviving until the end of the game." Launch am I reading this right? Since there are still 2 left he cant win by just surviving, he has to kill them both?
3135 Splinter 09-21-2015 02:54 PM ET (US)	More importantly: is Makai reading that right?
3136 CornB★ 09-21-2015 02:55 PM ET (US)	/m3128 "I'm not feeling a Swamped vote" and "Hrmm lets test KK's claim out!" happened.
3137 Launchpad★ 09-21-2015 02:55 PM ET (US)	How are you interpreting it? I'm curious, because I'm thinking maybe that could be phrased better.
3138 Soriana★ 09-21-2015 02:55 PM ET (US)	/m3133 I'm not triggered at all. The Mario party game was probably the best thing to happen to me in that game.
3139 Ourobolus★ 09-21-2015 02:56 PM ET (US)	/m3134 He's saying that if he CAN'T kill them both (i.e. one gets lynched), he wins by just surviving.
3140 Soriana★ 09-21-2015 02:56 PM ET (US)	/m3137 It sounds like, since there are two despairs left currently, he has to be the one to, personally, kill them both to win. If either dies by lynching, he fails his objective and he does not get the option to be a survivor. That's how I read it.
3141 Launchpad★ 09-21-2015 02:57 PM ET (US)	/m3138 fuck you too Soriana :D /m3140 That is correct Soriana, that's how it was intended. Edited 09-21-2015 02:57 PM
3142	down with hope

kingkitty 09-21-2015 02:58 PM ET (US)	
3143 Ourobolus★ 09-21-2015 02:58 PM ET (US)	Oh. huh. Misread it then.
3144 Soriant★ 09-21-2015 02:58 PM ET (US)	/m3141 So he loses if they lynch either of them? Well, he's in a bad place then.
3145 Splinter 09-21-2015 02:58 PM ET (US)	/m3137 Since there are "enough" Despair remaining at the time of the flip, the condition isnt fulfilled so "survive" isnt a win condition. He would have to NK both swamped and Chris. I think I'm wrong though
3146 Launchpad★ 09-21-2015 02:59 PM ET (US)	wait, shit, I misread Soriant's post LOOOOOOOOOOL Ourobolus is correct.
3147 Splinter 09-21-2015 02:59 PM ET (US)	Oh I was right? Now I'm confused
3148 Launchpad★ 09-21-2015 02:59 PM ET (US)	He has to kill the two remaining Despair personally. If not, surviving until the end is the new win condition. Edited 09-21-2015 03:00 PM
3149 kingkitty 09-21-2015 03:00 PM ET (US)	is makai despair was he trying to sabotage the lucky students on purpose? i had a feeling he was
3150 CornB★ 09-21-2015 03:00 PM ET (US)	If Ouro is correct, then Makai's best move is actually to just kill Swamped or Mackenzie right? And then lynch the other? I'd kill Christina.
3151 Splinter 09-21-2015 03:01 PM ET (US)	I wanted you to be sk king :(
3152 Launchpad★ 09-21-2015	/m3150 Basically. But he's not sure about CM. And actually, if the PM he sent me is any indication, he has no idea what he's doing and he's not going to do either of those things lol

3155 kingkitty 09-21-2015 03:03 PM ET (US)	i didn't want anyone to be sk, because i would definitely fuck town lol, and i had a feeling makai might too
3156 Gorlak★ 09-21-2015 03:03 PM ET (US)	As long as there are TWO despair alive, Makai needs to kill them. If the game ends now (swamped's plan), he loses?

3160 Launchpad★ 09-21-2015 03:05 PM ET (US)	Makai can be killed at night, and that may end up happening. Honestly, this is can be a bunch of different ways lol
3161 Soriana★ 09-21-2015 03:07 PM ET (US)	Who is going to kill Makai at night? Despair is fucked without Makai. Launch pls.

3176 Launchpad★ 09-21-2015 03:21 PM ET (US)	lol you can just look at the mafia chat

3180 Ourobolus★ 09-21-2015 03:23 PM ET (US)	/m3176 I thought you meant Makai's kill. Yeah, I saw Despair's target.
3181 Launchpad★ 09-21-2015 03:24 PM ET (US)	No no no, it's like you're staying in to defend yourself. It's different from targeting someone else's room. I know what I'm doing >:(
3182 Soriana★ 09-21-2015 03:25 PM ET (US)	Launch, can you please shoot the spoilers all over my face?
3183 Splinter 09-21-2015 03:26 PM ET (US)	Staying in to defend yourself... Only to fall on your sword afterwards? I'm still sure we asked about all of this

3227 EzekelRAGE 09-21-2015 04:48 PM ET (US)	The correct move for Makai would be to no kill, convince Swamped to allow the other Mafia to be day lynched to activate his survival condition and then kill the town the next night phase right? Also launch, spoil it for me!!!!
3228 Absolutbro★ 09-21-2015 04:49 PM ET (US)	/m3222 Because they killed Royal_Flush and he was Hope, of course! /s Insanely well played Swamped. Truly, no sarcasm. <3 (we will always be Imperial Buddies)

3234 EzekelRAGE 09-21-2015 04:54 PM ET (US)	Why not? Makai would be able to block any other lynch with Despair wouldnt he?

3241 roytheone★ 09-21-2015 05:21 PM ET (US)	Just caught up with dangapapa, and launch, did you really enjoyed the Mario party minigame in nx so much that you brought it back? ;)
3242 Soriant★ 09-21-2015 05:30 PM ET (US)	The Mario party mini-game is also know as The Worst, Most Despair-Inducing Incident in the History of Mankind
3243 CornB★ 09-21-2015 05:37 PM ET (US)	Whats this mario party mini game?
3244 roytheone★ 09-21-2015 05:40 PM ET (US)	/m3242 it was actually pretty bad for us too. It caused two suspicious townies to die in one day, with only getting one night kill in return. It would have been better to distribute their deaths over two days, would have given us one extra night kill.
3245 Soriant★ 09-21-2015 05:43 PM ET (US)	The Mario party minigame that Launch referenced in KK's kill message works as written, basically just Russian roulette. Salva challenged Blarg to that mini-game during the course of the NX thread with the stipulation that the loser gets modkilled. Tim allowed it and Blarg won with Salva pulling the wrong plunger when 2 were left. Salva was modkilled to reveal he was an ordinary townie. We ended up still voting for Blarg that day and he also flipped ordinary townie. Moral of the story, games that end with a modkill are NOT good for town.
3246 CornB★ 09-21-2015	lol. Sounds like NX was a crazy ass game. Wish I'd been around for it.

3247 CzarTim* 09-21-2015 05:59 PM ET (US)	if this ends up causing us to win, I won't feel too great about it :-/
3248 Launchpad 09-21-2015 06:01 PM ET (US)	If what ends up causing you to win?
3249 CzarTim* 09-21-2015 06:03 PM ET (US)	you changing the win condition wasn't exactly fair. Like it was the wrong win condition to begin with, but it shouldn't have changed.
3250 Launchpad 09-21-2015 06:06 PM ET (US)	No, I'd argue the win condition was always the same, I just phrased it poorly. This was always my intent, but then I saw something else and went woops but never changed it. It's not a big deal
3251 Soriant* 09-21-2015 06:07 PM ET (US)	Your original win condition is specifically written so that a survivor could never win if despair team won. I won't argue with you about intentions because it's your game but that is how it was written.
3252 Launchpad 09-21-2015 06:10 PM ET (US)	Right, that was my mistake. That wasn't my original intent
3253 roytheone* 09-21-2015 06:22 PM ET (US)	I think that neutrals will have a harder time in season 4 because of what happened here and in nx. They will be handled with a lot more suspicion now.
3254 Splinter 09-21-2015 06:25 PM ET (US)	/m3253 Good Personally I'm policy lynching anyone that even hints at being bulletproof
3255 Soriant* 09-21-2015 06:27 PM ET (US)	/m3254 lol I would drop that mind set. /m3253 Real talk, neutrals are ok. Just don't let them make it to end game. If they have a goal to meet, they can hang out in the front half of the game and not cause much issue (depending on their true goal, of course) but you should never let your self get into a position where a neutral has the whole game by the balls and can just do whatever they please.
3256 CornB* 09-21-2015 06:32 PM ET (US)	I'm gonna run a season 4 game with a NK immune miller vigilante.

It was good because it dominated discussion during D3, but it was also bad because we lost two suspicious townies we could easily put suspicion on in one day, and thus only got one night kill in return. 3330 Sorian★ 09-22-2015 12:02 PM ET (US)	Makai is trying to make it so that only he wins, no hope or despair. Just Makai. (I know that's not possible, maybe?)

3333 Absolutbro★ 09-22-2015 12:45 PM ET (US)	/m3330 I think it is technically possible. Makai and Christina would have to work together though. Day phase: Makai and Christina get Goshu to turn on Sawneeks. Day ends with 1H 1D 1N, no victory conditions met. Night phase: Christina kills Goshu; Makai kills Christina. Leaves just Makai alive. There are no Hope aligned players alive, so Hope doesn't win. Despair never controlled a voting Majority, so they don't win. Makai is the sole winner, since he night killed 2 Despair players.

	<p>It would take a lot to pull it off, but it is TECHNICALLY possible.</p> <p>More than likely, Makai and Christina will force a No Punish during the day, Christina and Makai try to kill each other. Unless Christina is BP for a night, the game ends with 2 Hope players remaining. This assumes Makai realizes he HAS to NK Christina to win in his new SK state.</p>
<p>3334 kingkitty 09-22-2015 12:58 PM ET (US)</p>	<p>if makai wants town to win, it is a bit worrying that sawneeks is still around</p> <p>but as long as makai sticks to gafia's razor, then christina is doomed</p> <p>i've 110 percent never doubted makai's intentions, he will lead hope to victory, maybe</p>
<p>3335 Soriana★ 09-22-2015 01:01 PM ET (US)</p>	<p>/m3334 lel</p> <p>/m3333 I'm pretty sure in a case where Makai and Christina target each other, Makai wins. Scum kill is usually last in order of operations but that's really just up to the mod. You're right though, it is possible for Makai to win alone, lololol</p> <p>Edit: Actually maybe not, still same issue, Makai's kill should go through first which would prevent the last hope player to be killed. 3369 Launchpad* 09-22-2015 02:32 PM ET (US)	/m3367 Well, no, if they lynch CM, town can't win. Makai kills one town in the night phase, then it's just Makai and the last town, stalemate. That would be the true "fuck you", where only Makai wins. The game is in Makai's hands.
3370 Soriana* 09-22-2015 02:33 PM ET (US)	/m3367 No swamped, Makai wins regardless of the team left. The kill two despair thing is just a way for him to win earlier than end game if needed. 3373 Launchpad★ 09-22-2015 02:35 PM ET (US)	/m3370 ? Seems like you get it?
3374 Soriana★ 09-22-2015 02:38 PM ET (US)	/m3369 You're confusing me with this post. If they lynch CM, doesn't town win right then?
3375 Absolutbro★ 09-22-2015 02:38 PM ET (US)	/m3372 They could also go No Punish. All 4 go into the night phase, Makai kills CM. He wins and leaves, then Hope wins the next day phase. Or they Punish him next day phase if he doesn't leave that night. Edited 09-22-2015 02:40 PM
3376 Launchpad★ 09-22-2015 02:39 PM ET (US)	/m3374 Hah, no. They have to kill Makai too. I'm not changing the win conditions for Hope at this point, Makai is basing his play off of it.
3377 Absolutbro★ 09-22-2015 02:39 PM ET (US)	/m3374 No. Hope wins when only Hope aligned players remain. Makai isn't Hope aligned.

3379 Launchpad★ 09-22-2015 02:40 PM ET (US)	/m3377 Exactly. lol I believe Makai was hinting that he was taking advantage of that.
3380 kingkitty 09-22-2015 02:42 PM ET (US)	i wonder if zipped understood the implication of his vote hell i even misunderstood my role pm, it just said if I made to "the end of the game" i win as a serial killer. didn't know that a serial killer gets "ejected" or anything. nothing of that sort was mentioned.
3381 Rats Off To Ya★ 09-22-2015 02:42 PM ET (US)	/m3375 This is the only way Hope can win, right? At least without Makai intentionally sabotaging himself. Sawneeks and goshu have the power to force a No Lynch. Wonder if they'll realize it.
3382 Launchpad★ 09-22-2015	/m3380 You'd have gotten ejected if you killed the two Despair. But otherwise, no.

02:44 PM ET (US)	
3383 Soriana* 09-22-2015 02:46 PM ET (US)	Oh right, the only hope aligned thing.
3384 Launchpad* 09-22-2015 02:47 PM ET (US)	That one was by design, for the record. :x
3385 Absolutbro* 09-22-2015 02:51 PM ET (US)	<p>/m3381 The question is if they realize they can't win while Makai is alive. Their best bet is to ignore Makai's game. What's the worst that happens? Christina wins and Makai votes for whoever Christina votes for?</p> <p>wait... does Makai really think he only needed to NK 1 person? It seems that way: "I just needed to kill a Despair to satisfy the win condition where I survive to the end of the game."</p> <p>Since there were 2 when he turned SK, doesn't he have to kill them both?</p>
3386 Launchpad* 09-22-2015 02:52 PM ET (US)	I'm not sure what he's thinking but I forgot that CM could say "fuck this noise" and kill him even if she wins his game.
3387 Absolutbro* 09-22-2015 02:53 PM ET (US)	<p>That would be amazing. Goshu or Saw gets Punished. Night phase CM and Makai kill each other.</p> <p>Hope wins with 1 player left in the game.</p>
3388 kingkitty 09-22-2015 02:55 PM ET (US)	<p>i wish the win conditions were changed for hope at the same time as they were for despair</p> <p>but c'est la vie</p>
3389 Kristoffer* 09-22-2015 02:58 PM ET (US)	<p>So I think Makai's going to be completely faithful to the winner of this game. If Christina wins then he'll let her nightkill a Hope player that night, and then she and Makai can vote out the remaining player the next day and win the game. This is the only way for Christina to win, so she can't kill Makai or else there will be a majority against her tomorrow.</p> <p>If Goshu/Sawneeks win, then he'll night kill Christina tonight, be ejected from the game, and Hope wins. This is the only way for them to win, because if they lynch Christina M. then Makai kills both of them the next two nights and there will be no majority for them to lynch him.</p> <p>Either way, there can't be a lynch today, because each team doesn't want to lose. Makai completely determines the outcome of this game and also has no way of losing so long as both parties desire to win, because that's still possible for everyone in the game right now.</p>
3390 Launchpad* 09-22-2015 03:00 PM ET (US)	lol Royal_Flush, what are you doing m8

3391 kingkitty 09-22-2015 03:04 PM ET (US)	i wonder if makai knows that if hope is the "winner" then they have to vote no punish i would've made a big mistake if i was the serial killer, hopefully he doesn't

3401 Royal_Flush 09-22-2015	/m3393 Due to the fact that you can switch your choice anytime, the correct tactic is to switch it alays after the opponent asked a question to one of your options that lets the opponent cross out fewer people. So the actual game is just always constructing questions where exactly 50% of the characters would be "yes" and the other 50% "no". If you can do

03:10 PM ET (US)	<p>this everytime, you will win (if you started). I didn't explicitly say it that way, but I hinted at it.</p> <p>I then said that the game would be much better if you PM'd your choice to a mod or trusted user beforehand and are not allowed to switch.</p>

3404 Kristoffer★ 09-22-2015 03:12 PM ET (US)	<p>/m3396 Nope. Christina wants to win. It would be 2 votes to nothing and Christina could just force a no lynch. Then the night proceeds and Christina kills the last hope player, makai kills christina, and makai is the sole winner.</p>
3405 Launchpad★ 09-22-2015 03:13 PM ET (US)	<p>/m3400 Well, ok, simply put, the distance was so close that I decided he could get into that room without being seen. 3406 Gorlak★ 09-22-2015 03:15 PM ET (US)	<p>/m3404 Makai gets lynched. 3 people left, CM kills one townie at night -> 1 town vs. 1 scum, day without lynch, CM kills again, only one left is CM.</p>
3407 Rats Off To Ya★ 09-22-2015 03:16 PM ET (US)	<p>/m3402 And even then, they can only win if Makai kills CM. Their ultimate fate is out of their hands, even if they make the correct first move.</p>

<p>3413 Absolutbro★ 09-22-2015 03:29 PM ET (US)</p>	<p>So there are basically 4 options for today's Punish:</p> <ol style="list-style-type: none"> 1. Christina. This ends in H/D loss and Makai win. 2. Makai. This ends in Makai/H loss and Despair win. 3. Goshu or Sawneeks. This likely ends in a town win. We know Makai would kill CD tonight (assuming he understands his victory condition, which is questionable) to get 2 Despair kills. Christina has to kill Makai if she wants to make it to the next Day phase. They likely kill each other and whichever Hope didn't get Punished survives to win for their team. This assumes CD isn't BP, which I have no idea if she is or isn't. 4. No Punish. This also likely ends in a town win. <p>Basically, the night phase is likely to end as Makai and CD trying to kill each other. If someone wavers (maybe Makai doesn't understand he has to kill CD to win), things change up.</p>

3422 Zippedpinhead 09-22-2015 03:53 PM ET (US)	ok responses after reading the last two game days... sorry I fucked up. I had to test KK and Makai, It was too convenient for them. The only other people who had wanted to test them were dead. That left me. If they had been Despair, it would have been gameover if I hadn't tried the push. as soon as I saw Makai drop the hammer, I knew they were not despair. Swamped being the remaining despair became obvious at that moment. so it makes sense for her to run her gambit. Truth be told, my biggest mistake was royal_flush over swamped. 3425 Soriana★ 09-22-2015 04:05 PM ET (US)	It's always hard placing myself down in the trenches when I already have a lot of the answers but the one thing I see wrong Zipped, and this is just something that happens when you have a source material that makes sense, is that there are some roles that just <i>have</i> to be in certain themes. In a danganronpa game, there just has to be a lucky student, when Makai claimed the way he did, I could have seen it as suspicious but once KK finally corroborated the story and no one was willing to counter claim it, it was pretty safe to conclude that they were the lucky students.

	<p>Edit: Not to say that as a knock against you, that's just me showing my reasoning of why I don't think I would have went the route of testing their claim by death. Edited 09-22-2015 04:05 PM</p>

3433 Soriana* 09-22-2015 05:44 PM ET (US)	/m3431 The first question you ask should be one that has as close to a 50/50 split between the avatars as you can get. 3489 Gorlak★ 09-23-2015 08:22 AM ET (US)	Bend the rules, modkill him, whatever... he can't win. This is not the world I want to live in : '(
3490 roytheone★ 09-23-2015 08:22 AM ET (US)	I hope Makai realizes he just painted a HUGE target on himself for any future game. Pretty much everyone hates him now.
3491 Launchpad★ 09-23-2015 08:23 AM ET (US)	If they're so adamant on Makai not winning, they can vote him out lol now that he's revealed his master plan, they may prefer CM win.
3492 roytheone★ 09-23-2015 08:24 AM ET (US)	Didn't they just reached a majority with that vote?
3493 Gorlak★ 09-23-2015 08:25 AM ET (US)	Yep, day is over. game over
3494 Launchpad★ 09-23-2015 08:27 AM ET (US)	I missed gosh's vote. lol I'm still half-asleep here.
3495 cabot★ 09-23-2015 08:27 AM ET (US)	well I think in the end.... We all won. Nope, some crazy guy did.
3496 Launchpad★ 09-23-2015 08:28 AM ET (US)	Yeah, that's game over, but I'll let Makai stew a bit.
3497 Ty4on 09-23-2015 08:38 AM ET (US)	I don't quite get it: "You are aligned with the no one. You win when you've successfully eliminated two Remnants of Despair through night killing. If there are not enough Remnants of Despair remaining, you instead win by surviving until the end of the game." Makai hasn't fulfilled his win condition and the game hasn't really ended: "You are aligned with the Hope. You win when only Hope-aligned players remain." The end conditions are not specified. Shouldn't there be an extra night and day phase?
3498 Launchpad★ 09-23-2015	/m3497 It would just be a waste of time. Makai has control of the game. He'll kill Sawneeks, lock the vote Day 10, then kill gosh Night 10.

08:40 AM ET (US)	
3499 swamped★ 09-23-2015 08:43 AM ET (US)	Why did Goshu vote for CM? That pretty much guaranteed a Hope loss. That was a bit strange. This all feels a little...anti-climax. But Makai did what he had to do i suppose.
3500 Launchpad★ 09-23-2015 08:44 AM ET (US)	/m3499 This... is... GAFia!
3501 swamped★ 09-23-2015 08:45 AM ET (US)	Got that right! :D
3502 Absolutbro★ 09-23-2015 08:47 AM ET (US)	/m3499 Because they didn't pay attention to win conditions. Especially after Launch clarified/changed Despair's win condition, you would think they would have gone back and looked at their own. also: "I wanted to win the game as a Lucky Student, but noooooo... " BULL FUCKING SHIT
3503 Absolutbro★ 09-23-2015 08:47 AM ET (US)	But seriously, congrats Makai. You jerkface ;_;
3504 Launchpad★ 09-23-2015 08:48 AM ET (US)	I'll give you guys a small satisfaction. He's going to die in the flavor text lol
3505 swamped★ 09-23-2015 08:53 AM ET (US)	Make it so there are no winners. Utter Despair! Makai should have accepted my offer...we could have ended this game in fireworks instead of whatever this was lol.
3506 Launchpad★ 09-23-2015 09:05 AM ET (US)	swamped, can you do me a favor and post the mafia and dead threads in the thread? my phone is acting up Edited 09-23-2015 09:05 AM
3507 swamped★ 09-23-2015 09:07 AM ET (US)	Np
3508	Thanks

Launchpad★ 09-23-2015 09:08 AM ET (US)	
3509 Makai★ 09-23-2015 09:15 AM ET (US)	Quite the vitriol in here.
3510 yunny★ 09-23-2015 09:15 AM ET (US)	hahahahah makai~ gg all also!!! now to wait for kingkitty's reactions..... :->
3511 Soriant★ 09-23-2015 09:23 AM ET (US)	I feel empty after this ending. I liked my neutral win better. Grats though Makai. AB still gets super town MVP in my eyes.
3512 Launchpad★ 09-23-2015 09:24 AM ET (US)	lol if neogaf weren't blocked at work, I'd do an MVP thing. Uh, well, maybe I still will.
3513 roytheone★ 09-23-2015 09:26 AM ET (US)	/m3511 I also liked your neutral win better ;)
3514 Makai★ 09-23-2015 09:26 AM ET (US)	Btw, I never summarized my role. That was Kingkitty :)
3515 Soriant★ 09-23-2015 09:27 AM ET (US)	Oh! And glad to see that the Breeder idea was in the game that I thought of awhile back. It seemed like an obvious role once I saw the hallway mechanic and thought about the flavor.
3516 Gorlak★ 09-23-2015 09:27 AM ET (US)	Congratulations on the win, Makai! gg
3517 Ty4on 09-23-2015 09:31 AM ET (US)	Ah, I thought they had an extra hope player
3518 Zippedpinhead	I screwed it up everyone.

09-23-2015 09:31 AM ET (US)	I'd love to see how the MVPs work out if you can Launchpad.
3519 Launchpad★ 09-23-2015 09:32 AM ET (US)	Yeah, I'll do it... soon. lol I'm caught up writing flavor for the new game. Shouldn't be too long though.
3520 Makai★ 09-23-2015 09:32 AM ET (US)	Thanks, guys! I really was going for a Hope victory the entire game until the rule change. Actually, there was still the possibility that Swamped was telling the truth, in which case "whatever, get two votes together and I'll hammer." Get town to hammer the last Despair after they expose themselves. "Swamped, I needed to kill one of you to win with Despair. You kill Sawneeks. Hutts 4 Lyfe." Kill Swamped No Punishment Kill Gosh
3521 swamped★ 09-23-2015 09:41 AM ET (US)	/m3520 Yeah, it was definitely unexpected that D10 didn't end in a no lynch. That's what we all thought would happen in here. Of course, there was no guarantee that you and CM wouldn't kill each other N10 hehe. That would have been a true mental battle.
3522 Makai★ 09-23-2015 09:44 AM ET (US)	I would have let Guess Who run its course if the players didn't live on opposite ends of the earth. Its real purpose was to encourage the last Despair to expose themselves. I thought it was Christina, but I wanted to be sure.
3523 Christina Mackenzie 09-23-2015 09:44 AM ET (US)	/m3521 For the record, if I had made it out alive I would have killed Makai no matter what. Lesson learned... next time pay attention to the win condition.
3524 swamped★ 09-23-2015 09:48 AM ET (US)	@CM, yeah, it only occurred to me after that the best thing for you to do was to pretend I was lying, and that you really were Hope. Then the three of you would lynch Makai thinking he was the last threat to a Hope victory. Then Despair would have won lol. Edited 09-23-2015 09:48 AM
3525 Launchpad★ 09-23-2015 09:50 AM ET (US)	Oh yeah, there was an empty dorm chat too lol http://www.quicktopic.com/51/H/aQ4DxKcMsmNyi/p259.243#QTmsg251
3526 Sorian★ 09-23-2015 10:00 AM ET (US)	/m3525 I thought they went there to sex not to talk.

3527 Kristoffer 09-23-2015 10:08 AM ET (US)	"Let's test KingKitty!" Hope sucks, game over.
3528 Ty4on 09-23-2015 10:34 AM ET (US)	We drew stuff and talked about how we were certainly going to die, Sorian
3529 Splinter 09-23-2015 01:07 PM ET (US)	Its good to see the Empty Room chat joined the Despair and Dead Thread in mocking Corn :D
3530 swamped* 09-23-2015 01:09 PM ET (US)	Can i add that i really struggled to not write 'CornBro' in the game thread as that would totally have given me away lol.

3534 Corn 09-23-2015 02:40 PM ET (US)	Mock me all you want but I knew who scum was.
3535 Sorian* 09-23-2015 02:47 PM ET (US)	/m3534 It was Crab right? Or maybe it was Sawneeks? No, wait wait, no, it was Tim. No! It's Makai! Oh wait, nvm, it's Crab. <3
3536 CornB* 09-23-2015 02:54 PM ET (US)	Crab was a mistake sure, but was it really so wrong to think what I thought? Kgtrep blew his whole power load on Crab. Clearly I wasn't alone in finding Crab scummy. And I made the right move in trusting AB, and Pau/Ty4on after their claim. I at least knew SOMETHING was off about Pau, which turned out to be probably because she was a night roamer.
3537 CornB* 09-23-2015	Is there a way to see all messages in Scum Chat at once? I dont want to have to click all the way to their post #1. They have like 3000 fucking posts in that chat.

3538 Makai★ 09-23-2015 04:37 PM ET (US)	add /p3537.2537 after the url. The range has to be 1000 or less.
3539 CornB★ 09-23-2015 04:55 PM ET (US)	Bless you Makai. For that, I won't auto kill you N1 if I get a killing role in a game I'm in with you. :)

3550 CornB★ 09-29-2015 06:53 PM ET (US)	My only hope is that Crab's 2 week ban delays Season 4 stuff enough so that I can participate.
3551 swamped★ 09-30-2015 12:38 PM ET (US)	Poor CornBro lol. When does your ban end? I think you might be just in time for the start of the next games.
3552 Rats Off To Ya★ 09-30-2015 02:51 PM ET (US)	If not, we'll probably need a lot of replacements at the outset.
3553 CornB★ 09-30-2015 03:37 PM ET (US)	swamped my ban ends 10/27/15. At 11:00pm.

3555 CornB★ 10-02-2015 05:59 AM ET (US)	Rest got banned too? Why don't we take our mafia games, and PUSH THEM SOMEWHERE ELSE?
3556 Splinter 10-02-2015 07:27 PM ET (US)	lol Corn, what did you do to get a whole month?
3557 CornB★ 10-03-2015 02:01 PM ET (US)	Harassed liliththepale in a thread about how college educated women won't date men without a college degree. Personally I see nothing wrong with women who hold such standards, but lilith was basically arguing that people without a college degree are lesser human beings. And then "corrected" herself by saying that she isn't sure whether she thinks getting a college degree makes you more of a person, or if people who don't get college degrees were just born lesser human beings. Now I have a college degree myself, but holy fuck I cannot STAND superiority complexes like that. I simply could not control myself. So I said how I wouldn't date a sociopath like someone who texts and drives. Which I brought up specifically because she's a -redacted- who defended texting and driving with "sorry you guys are all losers, but I have a life" in an old thread. Not even at red lights, literally while driving on the freeway or whatever. And when confronted with evidence that showed it is as bad as drunk driving and that in many places it is being made illegal she simply said "well I don't think the risk outweighs the reward, and it would be unfair to make it illegal to do because that just forces me to adopt the risk-benefit analysis of other people."
3558 roytheone★ 10-04-2015	Someone actually thinks texting and driving is in any way OK? Yeah, I would have been pretty pissed too. If you cause an accident, other people will be involved too that didn't wilfully took that risk. Saying "the risk doesn't outweighs the reward" is an incredibly

06:30 AM ET (US)	selfish thing to say and proves you are only thinking about yourself and don't give a rats ass about others.
3559 ynnny* 10-18-2015 05:34 PM ET (US)	cornie, and restie, if you're still checking this thread at all for any updates, thought i should drop our new OUTER GAFIA board that retro has put together :D pls come and register when you can! its here: http://gafia.boards.net/ maybe it'll ease the ban out a bit :>
