1801 TaylorSwift* 08-31-2015 03:30 PM ET (US)	@ Sorian
1802 TaylorSwift* 08-31-2015 03:31 PM ET (US)	I'm really happy that nobody ever voted for me, though  Like, has anyone lived to Day 5 with the lowest posts and no votes on them? So happy  edit: well, not to Day 5, but through Day 4, ykwim Edited 08-31-2015 03:32 PM
1803 Timeaisis* 08-31-2015 03:32 PM ET (US)	It's funny, I was going to kill you if I had lived, NF.  Wonder what would've happened.
1804 Sorian* 08-31-2015 03:32 PM ET (US)	#neurowasright  He investigated me night 1 though, hardly fair.  They killed you because they want people to assume that you used the book and failed.
1805 Coppanuva 08-31-2015 03:32 PM ET (US)	<a href="#">/m1798</a> yeah Neuro knew, then all of you shut me down when I suggested he had a reason to kill sorian. At least I was right...
1806 Lord of Castamere* 08-31-2015 03:37 PM ET (US)	'ello town scum. I can only assume at this point that a wretched serial killer ended my life, due to the continued struggle of your people. I hope all of you l
1807 TaylorSwift* 08-31-2015 03:38 PM ET (US)	Did I do good for my first time? I hope I did. This game has been messy.  <a href="#">/m1803</a> I'm flattered by your attention  <a href="#">/m1804</a> damn, I was just hoping it was because I was super-smart and I was a total threat. Still, that makes sense. I shouldn't have been so openly debating Ordinary Tourists were left so I wanted to put a target on my back to get attention.
1808 Sorian* 08-31-2015 03:42 PM ET (US)	<a href="#">/m1806</a> No, the other cult killed you in your sleep. Hehehe
1809 Sorian* 08-31-2015 03:54 PM ET (US)	<a href="#">/m1807</a> And yes, I think you did fantastic. Day 1 I was still town-aligned and day 2, I was really actively hunting cthulhu scum and on both days, I thought
1810 Lord of Castamere* 08-31-2015 04:02 PM ET (US)	What did I miss? Sorian, Twe, and nin were cult? What else? I've been gone. Still am technically.
1811 Timeaisis* 08-31-2015 04:04 PM ET (US)	NF, you played really well. So well that two different cults wanted to kill you because you were doing so well. Edited 08-31-2015 04:04 PM
1812 TaylorSwift* 08-31-2015 04:04 PM ET (US)	wait  I was right about nin?  not that anyone listened to me, and I even dismissed my own argument in the end  sigh
1813	<a href="#">/m1810</a> Ultron was the town-aligned vigilante who was a 2-shot killer, out of bullets now so he is ordinary. I was insane so I was town aligned day 1 and 2

Sorian* 08-31-2015 04:04 PM ET (US)	the town investigator and killed himself to kill me.
1814 Sorian* 08-31-2015 04:05 PM ET (US)	<a href="#">/m1812</a> Yes, the town wins if they lynch the two bumbling cultists left, Edge and Nin.
1815 Timeaisis* 08-31-2015 04:08 PM ET (US)	WAIT SO EDGE IS CULT GODDAMIT
1816 Sorian* 08-31-2015 04:08 PM ET (US)	<a href="#">/m1815</a> lel
1817 Lord of Castamere* 08-31-2015 04:09 PM ET (US)	<a href="#">/m1813</a> Well, let me welcome you warmly to the team. We have cookies, misery, and defeat but we're all out of cookies.  I'm sorry the failsafe didn't work Timeaisis. ):
1818 Sorian* 08-31-2015 04:10 PM ET (US)	<a href="#">/m1817</a> I'm not on your team, I was trying to kill you guys too :P
1819 Coppanuva 08-31-2015 04:11 PM ET (US)	<a href="#">/m1818</a> #TeamDeadThread  We got this, we EASILY outnumber all the remaining players and we know exactly who's alive.
1820 TaylorSwift* 08-31-2015 04:14 PM ET (US)	<a href="#">/m1811</a> I've got a blank space, baby, and I'll write your name...  <a href="#">/m1814</a> without meaning to sound rude, they are bumlbers, aren't they?  town is going to go after someone who they think has been playing far more smartly, and it's a complete toss-up as to who it could be, but I doubt they're g  If the votes do go that way, then it's probably more likely that not that Flame will override and go for Rats or something. It's that kind of game.  honestly, these guys could just about bumble to victory.
1821 Sorian* 08-31-2015 04:17 PM ET (US)	<a href="#">/m1820</a> They've at least started communicating, they actually were completely ignoring each other in their cult thread from the time I disappeared until Ec at him.
1822 Lord of Castamere* 08-31-2015 04:17 PM ET (US)	Wait, 2 cults?
1823 Sorian* 08-31-2015 04:21 PM ET (US)	<a href="#">/m1822</a> There was a second cult the whole time. Surprise! The goal of the game was to be the only faction remaining. Town vs. Cthulhu vs. Shub-Nigguræ
1824 Lord of Castamere* 08-31-2015 04:25 PM ET (US)	Oh well, no cookies for you.
1825 Sorian* 08-31-2015 04:28 PM ET (US)	<a href="#">/m1817</a> What was the failsafe btw?
1826 Sorian* 08-31-2015 04:30 PM ET (US)	Props to Traube btw, the blatant image spoilers are super clever.

1828 TaylorSwift* 08-31-2015 04:34 PM ET (US)	aww, it's so cute that Rats felt I was the only person he could trust. You were the only person I could trust too, babe.  I'm just happy I contributed to the Timeaisis vote before I died, honestly. Pushing that to a three-way tie was probably my best moment, lol.
1829 Lord of Castamere* 08-31-2015 04:36 PM ET (US)	His roleclaim. We should have done it asap. Waiting was a mistake, especially for what that role was supposed to be. Idk I think I made the ability too con  Has this been posted? I hope traube doesn't mind, but no real reason to keep it hidden anymore. Cult thread. <a href="http://www.quicktopic.com/51/H/ENUq6vXn7eRQc">http://www.quicktopic.com/51/H/ENUq6vXn7eRQc</a>
1830 Timeaisis* 08-31-2015 04:36 PM ET (US)	If we had went with lynching TWE I would've looked really towny. Dammit.
1831 Sorian* 08-31-2015 04:43 PM ET (US)	You assholes had a real hard on for me didn't you?
1832 Lord of Castamere* 08-31-2015 04:47 PM ET (US)	<a href="#">/m1831</a> Yes. You were super dead no matter what.  Too much bawking. Too much order. I wanted Blarg to live so your'd be an open target that night. Luckily, I didn't need to waste a kill.
1833 Sorian* 08-31-2015 04:49 PM ET (US)	Man, I almost wish Neuro hadn't have killed me only to read your reactions when I flipped cult. That would have been comedy gold.
1834 Coppanuva 08-31-2015 05:01 PM ET (US)	What would your role have said I wonder? "Insane Cultist"? Would it mention you had been converted?
1835 Sorian* 08-31-2015 05:04 PM ET (US)	Traube told me that it would reveal that I was converted when I asked. When I got converted he sent me a new role PM that had all of the insane tourist st would have just posted that. I doubt you all thought I would have been a vanilla cultist.
1836 Ourobolus* 08-31-2015 05:07 PM ET (US)	Welp, YNNNY came clean. Mike is hosed.
1837 TaylorSwift* 08-31-2015 05:07 PM ET (US)	I've barely kept up w it, but does anyone die in Archer? Like, ever?  that game will still be going in November
1838 Sorian* 08-31-2015 05:07 PM ET (US)	Dat sex addict claim, YNNNY doing god's work in two different ways.
1839 Sorian* 08-31-2015 05:08 PM ET (US)	<a href="#">/m1837</a> Archer town is going to win by a mile. There are only 2 scum players left and they are fucked.
1840 Timeaisis* 08-31-2015 05:17 PM ET (US)	<a href="#">/m1839</a> That's what Cthulhu thought. :P
1841 Sorian* 08-31-2015 05:22 PM ET (US)	<a href="#">/m1840</a> Yeah, but I'm behind the scenes now, I know that some players have a dead LOCK on one of those KGB clowns and I don't think QuantumBro ca

1842 TaylorSwift* 08-31-2015 05:22 PM ET (US)	so the three Towns are at:  Cthulhu: three scum dead, one vanished, two left DR: one scum dead, ??? left Archer: two scum dead, two scum left  idk how DR is doing really either, other than that D4 with a foregone conclusion probably wasn't the best thing for Town progress because nobody was se
1843 Soriano* 08-31-2015 05:24 PM ET (US)	<a href="#">/m1842</a> I think DR scum are doing grand but Tim seems to think that the game is heavily in favor of town and that scum are screwed. I don't really know t
1844 CzarTim* 08-31-2015 05:31 PM ET (US)	No one is really suspicious of the other 3, not enough for them to get lynched in the next day or two without a cop or something coming forward. It's just t got activated because lol Mak so the game is going to drag on for a long time.
1845 Burbeting 08-31-2015 06:29 PM ET (US)	Quantum's claim is actually pretty good. He can keep chasing the honeypot since he is actually it.
1846 Ourobolus* 08-31-2015 06:30 PM ET (US)	Yeah, it's definitely a good one. Hopefully it sticks while he takes out confirmed town.
1847 Burbeting 08-31-2015 06:31 PM ET (US)	If he gets idea that pot is neutral to stick, that will make his life even easier, since the people he "checks" aren't confirmed town to town then.
1848 Timeaisis* 08-31-2015 06:39 PM ET (US)	Burbeting I like you.
1849 Burbeting 08-31-2015 06:50 PM ET (US)	Let's just say that the games I used to play had usually 30-150 posts per whole gameday (four IRL days)...
1850 Soriano* 08-31-2015 07:02 PM ET (US)	<a href="#">/m1849</a> Hey, I'm sorry, ok?  I am surprised at Quantum's claim btw. I thought KGB would be open and shut after Mike went down but this play could work.
1851 Burbeting 08-31-2015 07:03 PM ET (US)	Quant had to do something, because he was high in lot of people's scum lists.
1852 Soriano* 08-31-2015 07:15 PM ET (US)	Hyper: "Call it a hunch, but I think Soriano was either neutral (we've already had 2, doubt it) or part of 2nd cult" THIS FUCKING GUY
1853 roytheone* 08-31-2015 07:16 PM ET (US)	<a href="#">/m1837</a> yes people die in archer, YES THEY DO!!!!  :(
1854 Coppa Nova 08-31-2015 07:22 PM ET (US)	<a href="#">/m1852</a> THIS GUY SHOULD'VE BEEN THERE DAY 3! Why, we could've been best pals ever.
1855 Burbeting 08-31-2015 07:26 PM ET (US)	Also Quantum can now block ynni as much as he wants.
1856 TaylorSwift* 08-31-2015	I want Burbeting to be on my team if I'm ever scum/mason/lovers, he seems to know this game we call mafia  <a href="#">/m1852</a> reminds me, I need to eat my record collection

1872 Darryl 09-01-2015 03:39 AM ET (US)	I really doubt these guys are dumb enough to start axing each other off. It'd be hilarious though
1873 El Topo* 09-01-2015 05:35 AM ET (US)	Mafia in the Archer thread is done.
1874 Ourobolus* 09-01-2015 07:32 AM ET (US)	<a href="#">/m1871</a> They thought there was a THIRD Doctor.
1875 Burbeting 09-01-2015 09:54 AM ET (US)	" After today, I think we have to consider lynching QB to help verify Squidyj and Krisstoffer. We still can't entirely trust anything QB has said or done, since were him, I would happily pretend to target who you want, while continuing to follow my own game plan. We have no way to verify anything he does." Good Palmer, Gooood.
1876 Sorian* 09-01-2015 10:04 AM ET (US)	Yeah, Palmer cutting right through this non-sense quick.
1877 Ourobolus* 09-01-2015 10:06 AM ET (US)	Ah well...shit happens.
1878 TaylorSwift* 09-01-2015 11:25 AM ET (US)	maybe something interesting will happen in Cthulhu's extended Day phase lol
1879 TaylorSwift* 09-01-2015 11:32 AM ET (US)	they're all just hedging their bets and hoping that someone else will make a move an investigator isn't going to come and sweep you off your feet and present you with his list of confirmed Town, this ain't no fairy tale handsome princes don't exist Edited 09-01-2015 11:33 AM
1880 CzarTim* 09-01-2015 01:44 PM ET (US)	come on despair, Pau just gave you all the info you need!
1881 Ourobolus* 09-01-2015 02:09 PM ET (US)	wtf is kristoffer doing
1882 Ourobolus* 09-01-2015 02:10 PM ET (US)	Although shit, now that Hobo is out, he's gonna know that QB didn't target those people.
1883 Sorian* 09-01-2015 02:13 PM ET (US)	Sorry, I had to come over here to ask what the fuck Kris was doing. I see Ouro has me covered.
1884 haly* 09-01-2015 02:24 PM ET (US)	Lmao Hobo's nonsense claim. Oh wait he's the real watcher. Edited 09-01-2015 02:25 PM
1885 Ourobolus* 09-01-2015 02:31 PM ET (US)	Kris is Ordinary. Not sure what he's trying to do here.
1886 roytheone*	Ourob, why did Hobohodo didn't get any information about me protecting Cabbeh on night 2?

09-01-2015 02:33 PM ET (US)	
1887 Ourobolus* 09-01-2015 02:36 PM ET (US)	Yeah, that's on me. You were killed that day so I forgot to include you visiting him.
1888 Ourobolus* 09-01-2015 02:47 PM ET (US)	Watch, there's going to be free day for Mafia to kill people, and QB is gonna target YNNNY and kill Mike. Mark my words.
1889 roytheone* 09-01-2015 02:48 PM ET (US)	Lol, when did you noticed your mistake?
1890 Ourobolus* 09-01-2015 02:48 PM ET (US)	Just now :/ I don't think it'll matter, but I'll PM Hobo if it gets out of hand.
1891 roytheone* 09-01-2015 02:54 PM ET (US)	The problem is that he can't change his claim now by including me, that would look scummy. You can't confirm that you indeed fucked up, because that w
1892 roytheone* 09-01-2015 02:57 PM ET (US)	Luckily, it is not information that has a lot of importance in the game right now.
1893 Ourobolus* 09-01-2015 02:58 PM ET (US)	Right, I'm hoping it's not a problem. You protecting cabbeh shouldn't really come up anyway since cabbeh wouldn't have known anyway.
1894 roytheone* 09-01-2015 03:00 PM ET (US)	Jep, and I wasn't being tracked by anyone either. If I was still alive, it would be problematic because I would have doubted his claim because of that, but I :/(
1895 TaylorSwift* 09-01-2015 03:04 PM ET (US)	what is Kristoffer hoping to accomplish?
1896 Ourobolus* 09-01-2015 03:04 PM ET (US)	OH OH OH That's why. Hobohodo was blocked. That's why he didn't get a result.
1897 Ourobolus* 09-01-2015 03:04 PM ET (US)	Phew, for a minute there I was worried.
1898 roytheone* 09-01-2015 03:33 PM ET (US)	Boooooooooeeeh, I was looking forward to everyone's reactions when I was going to post your mistake in the thread after the game has ended.
1899 roytheone* 09-01-2015 03:49 PM ET (US)	Is that squidyj thing about forcing abilities on him true? How does that work with qb both having a role block and kill action?
1900 Crab* 09-01-2015 04:10 PM ET (US)	re: what Czar said, I kind of agree with him. If there's no ninja after all, then Despair essentially have to kill every PR without being seen by enough PRs t this point non-fight club members are close to irrelevant. Still, Hope is kicking ass so woooooh.

1901 Burbeting 09-01-2015 04:18 PM ET (US)	All games seem to be going to town's favor for now.  Also I was spoiled from one of the identities of remaining despair in Dangan, altho they might have been already revealed here, dunno.
1902 Ourobolus* 09-01-2015 04:53 PM ET (US)	<a href="#">/m1899</a> not at all. He already used his lightning rod power and it doesn't FORCE shit. Edited 09-01-2015 04:54 PM
1903 Ourobolus* 09-01-2015 04:55 PM ET (US)	Like I said before, Archer game is taking damn near everyone's role at face value instead of going "man, that seems ridiculous." Multiple-shot lightning ro
1904 Burbeting 09-01-2015 04:57 PM ET (US)	I guess double doctor made them believe everything
1905 Ourobolus* 09-01-2015 04:58 PM ET (US)	Backup doctor isn't unheard of :/
1906 Burbeting 09-01-2015 05:01 PM ET (US)	I know. But so isn't unwise town either.
1907 Ourobolus* 09-01-2015 05:06 PM ET (US)	Lol true
1908 Soriana* 09-01-2015 06:17 PM ET (US)	Wait, you mean Squidy isn't an infinite shot lightning rod?
1909 Ourobolus* 09-01-2015 06:29 PM ET (US)	I hate you.
1910 Soriana* 09-01-2015 06:38 PM ET (US)	<3
1911 Soriana* 09-01-2015 06:45 PM ET (US)	Wait, wait. Is insanity in Cthulhu game just a mechanic that screws up cop investigations?
1912 Burbeting 09-01-2015 06:49 PM ET (US)	It's so cute how yunny keeps jumping up and down "yaaayy I wanna play more Archer :333"
1913 TaylorSwift* 09-01-2015 07:43 PM ET (US)	<a href="#">/m1911</a>  I PMed Zatoth to ask him that and some other questions and the bastard said he wouldn't spoil me
1914 Coppanuva 09-01-2015 08:04 PM ET (US)	<a href="#">/m1913</a> I doubt that's its only purpose... I mean, if it were true our investigator is dead. Maybe there's an insanity sniffer role?
1915 Soriana* 09-01-2015 08:07 PM ET (US)	<a href="#">/m1913</a> Yeah, Zatoth isn't willing to spoil much of anything, no where near as much as Launch or Ouro do for their games. I continue to ask questions tho  I only thought of it because I wonder if the investigator would have ALWAYS through I was a cultist since I was permanently insane.
1916	Hey, that question YNNNY just asked. How does a lightning rod and a switcher actually work together?

09-02-2015 02:39 PM ET (US)	squidy's bullshit strategy could backfire if QB plays it right. 1) QB goes berserk - maybe squidy dies because he claimed he would attract everything 2) QB stays quiet - no one dies, QB is "cleared"

1973 TaylorSwift* 09-03-2015 11:50 AM ET (US)	yeah I kinda want to scream a bit  this is the sort of la-la land thinking I railed against once or twice  clearly they think that I was the first one that had a specific hit out against me

2001 CzarTim★ 09-03-2015 04:40 PM ET (US)	my amazingly hilarious gambit to give up was for the three of them to claim to be a cult that meets in the kitchen they call "Snack Club" and the idea was that player had role, they would be roleblocked if they didn't, they'd join snack club. win condition would be to recruit five players or block 3 kills. They c night three, and zipp night fours and five. They could claim to have won and leaving the game at the end of the day. Johnny from sw style.

2014 Sorian* 09-03-2015 04:48 PM ET (US)	Basically, they should just always be targeting rooms then right? If they ever miss, that probably just means the person is a power role. Just making sure I'm other but I hadn't really given much attention to the mechanic yet.
2015 CzarTim* 09-03-2015 04:54 PM ET (US)	not really. only the empty dorm had people in it every night
2016 Sorian* 09-03-2015 04:57 PM ET (US)	But you could also target player dorm's too right. Assuming AB is actually telling the truth (I don't know and I don't care), he sleep walked to francomp's room and francomp's Room have made both him and AB die in that situation? That's how the mechanic reads to me, maybe I'm wrong.
2017 CzarTim* 09-03-2015 04:59 PM ET (US)	no targeting a dorm just kills the owner Edited 09-03-2015 04:59 PM
2018 Sorian* 09-03-2015 05:01 PM ET (US)	Well that's boring. I figured it would be a tradeoff, if you target the dorm and not the person themselves then you would miss them if they were out of their room. If something in the room that night, they would die instead.

2043 roytheone* 09-03-2015 06:23 PM ET (US)	I remember the times when archer was by far and away the slowest thread. And now they are by far the most active. Sure, that's more because the other tw tries to move uphill, but still.....
2044 Burbeting 09-03-2015 06:33 PM ET (US)	So how close is DR on finishing? What game will finish most likely first?  And Archer could be more active since most of it's cast is alive. Because incompetent kgb :P.
2045 Soriana* 09-03-2015 06:35 PM ET (US)	DR has the most people alive though. Scum has screwed up a night kill two nights in a row. 2051 Soriana* 09-03-2015 06:56 PM ET (US)	Is the game broken if we lynch the doctor, back-up doctor, cop, and roleblocker on the first day? Because then yes, Gafia will break your game easily.

2086 Launchpad* 09-04-2015 09:08 AM ET (US)	I'm anxious for the NX game to start.
2087 CzarTim* 09-04-2015 09:17 AM ET (US)	Me too!
2088 TaylorSwift* 09-04-2015 09:33 AM ET (US)	Rats Off To Ya, if you ever read this and are kicking yourself for misreading the Neuromancer/Soriana situation, if I was still alive I would be thinking the on the other hand, why aren't you lynching TWE he's practically twirling his moustache, srsly
2089 TaylorSwift* 09-04-2015 09:37 AM ET (US)	oh wait, of course, you don't have a choice in the matter: Flame_AC: "TWE, Hyperactivity, and Scrafty will not be getting lynched today, just to point that out, barring some unforeseen information of course." nvm, Rats, we're good
2090 Soriana* 09-04-2015 09:49 AM ET (US)	Rats, Flame, and Neuro are my MVPs if we win.
2091 Launchpad* 09-04-2015 10:00 AM ET (US)	3 hours... TIM, LAY IT ON ME
2092 Karkador* 09-04-2015 10:09 AM ET (US)	ear-ly-start ear-ly-start ear-ly-start

2094 Launchpad* 09-04-2015 10:10 AM ET (US)	Yes, I know most people have the posts in reverse order, but the arrow is a <b>symbolic gesture</b> .
2095 Karkador* 09-04-2015 10:19 AM ET (US)	That somehow just reminded me of that green diamond thing that Sims have over their heads, and now I want a Sims mafia
2096 Karkador* 09-04-2015 10:20 AM ET (US)	It's a good followup to Animal Crossing

2098 Soriant* 09-04-2015 10:23 AM ET (US)	Modkill involves removing the ladder from someone in the pool or lighting the house on fire and barring the doors.
2099 Karkador* 09-04-2015 10:24 AM ET (US)	That's not a mod kill, that's every day in the game
2100 Launchpad* 09-04-2015 10:24 AM ET (US)	Yeah, the mafia would be the players, I think.
2101 CzarTim* 09-04-2015 10:26 AM ET (US)	that's funny!
2102 Launchpad* 09-04-2015 10:28 AM ET (US)	One of the mafia roles should be a guy who thinks he's playing SimCity instead of The Sims. Don't know what his power would be, but his flavor would i
2103 Karkador* 09-04-2015 10:35 AM ET (US)	Maybe this is the smaller game I'm looking for. Everybody plays a dollhouse version of mafia game, in control of a pair of Sims puppets with randomized
2104 Launchpad* 09-04-2015 10:51 AM ET (US)	I really can't take this waiting. Someone kill me for 2 hours then bring me back to life
2105 Soriant* 09-04-2015 10:57 AM ET (US)	I feel like Launch is going to be legit sad if he got NK'd.
2106 Launchpad* 09-04-2015 10:58 AM ET (US)	That's not what I said. Don't be saying I'm saying anything. That would be talking about the game in a strategic way and I am not doing that. :x
2107 Soriant* 09-04-2015 11:00 AM ET (US)	Relax, it was a joke, I don't take anything anyone says here to mean anything for the game. The most I read this as is that you are excited to be playing a g that you'd probably be sad if you only got one days worth and then had to just go back to watching.
2108 Launchpad* 09-04-2015 11:01 AM ET (US)	I'm just CYAing
2109 Karkador* 09-04-2015 11:05 AM ET (US)	I had to wait through two seasons :(
2110 Soriant* 09-04-2015 11:06 AM ET (US)	<a href="#">/m2109</a> I have words for you but they are game-related so they wait.
2111 Karkador* 09-04-2015 11:10 AM ET (US)	Could you just PM me? And then I'll not respond to you, not just because it would be breaking the rules, but because that's the perfect cover to ignore you j/k Edited 09-04-2015 11:10 AM

2117 Launchpad* 09-04-2015 11:28 AM ET (US)	Also, Tim made a mistake and I intend to capitalize on it.
2118 Sorian* 09-04-2015 11:29 AM ET (US)	Talking about your next strategy is more in the realm of game talking. Bad bear.

2142 roytheone* 09-04-2015	Guys Guys Guys! I just realized: If I haven't died tonight, and someone else DID die, I will have broken my personal "people you outlived" record! Sure, impressive "3", but still! Improvement! (Now watch me turn up dead in about half an hour ;) )

2179 CzarTim* 09-04-2015 07:04 PM ET (US)	hi kalor sorry we framed you!
2180 Burbeting 09-04-2015 07:05 PM ET (US)	So is AwesomeBro lying despair or unfortunate hope?
2181 CzarTim* 09-04-2015 07:08 PM ET (US)	unfortunate hope I kind of set him up for it as payback for star wars lol

2184 CoppaNova 09-05-2015 01:36 PM ET (US)	...what are you doing flame? Poor guy... got caught up in his lies :( Anyhow, if you wanna know who the remaining cultists are lemme know we can fill you in. Edited 09-05-2015 02:02 PM
2185 FlameAC* 09-05-2015 03:14 PM ET (US)	Didn't work out as planned unfortunately.
2186 FlameAC* 09-05-2015 03:17 PM ET (US)	Good job to Neuro, and I guess my hunch about Soriana was right. As I said in the thread, I made up override so I could have leverage on everyone else, ur that it's unfair and I came up with something a little to hastily and missed the logic hole in it. Also, thanks to Fireblend for protecting me on night 1, even though it didn't matter. I read through this entire QT, quite some stuff in here. I was also surpr have made it this far.

	Unfortunately, my death isn't going to give the Tourists any information and I think Rats, if he is Cult, is going to run the table with the rest of the game. Edited 09-05-2015 03:21 PM
2187 FlameAC* 09-05-2015 03:23 PM ET (US)	Also, I thought it was so obvious that Coppa was town, I don't know how anyone else missed that. I didn't have anything special on him, but I was confide reputation on.
2188 TaylorSwift* 09-05-2015 03:31 PM ET (US)	hey dude  I was expecting it to be Scrafty but I was praying that the votes would switch to TWE or nin, sigh. I honestly don't understand their logic for lynching you D5.
2189 FlameAC* 09-05-2015 03:39 PM ET (US)	I would have tried to stay on the TWE train, but I knew no more votes were coming which is why I went for Scrafty. Then my claim fell apart :(
2190 traube* 09-05-2015 04:25 PM ET (US)	<a href="#">/m2188</a>  That new role claim had the smell of a desperate scum.
2191 Coppa* 09-05-2015 04:57 PM ET (US)	Yeah, a bit hastily made but eh you went out fighting at least! Also unless Rats is insane, or a third party, I think he's tourist as hard as it is to believe.
2192 TaylorSwift* 09-05-2015 04:58 PM ET (US)	<a href="#">/m2190</a> yeah, I suppose that's true, lying as Town is more likely to go badly than not, and generally isn't recommended  but I prefer to push my narrative/delusion that they're all doing it on purpose to frustrate me Edited 09-05-2015 05:01 PM
2193 FlameAC* 09-05-2015 06:17 PM ET (US)	Technically, if there wasn't a backlash against the override ability in general, I could have kept the lie up the entire game.  And to whoever posted this image, can't remember:  <a href="http://i.imgur.com/zl5nUiH.png">http://i.imgur.com/zl5nUiH.png</a>  I'm glad I had such a massive section devoted to me. 2202 Burbeting 09-06-2015 05:09 PM ET (US)	Also woo QB already has two votes... Go town go! You're so close!
2203 Ourobolus* 09-06-2015 05:09 PM ET (US)	Welp this looks like game over
2204 roytheone* 09-06-2015 05:11 PM ET (US)	Indeed, ourob, when are we allowed to post in the thread again? After the day has ended, or do we have to wait until the results are posted?
2205 Burbeting 09-06-2015 05:12 PM ET (US)	after results, I think
2206 Burbeting 09-06-2015 05:12 PM ET (US)	since town doesn't know this could be the last day

2208 roytheone* 09-06-2015 05:14 PM ET (US)	I am happy that my death did help them get QB. I was not totally useless in this game! Jaaaaaay!

2213 Sorian* 09-06-2015 05:20 PM ET (US)	Wow, just saw the archer thread. Grats to archer town, rough start but masterful end game.

2217 Sorian★ 09-06-2015 05:25 PM ET (US)	I think it was a good mechanic Kark. The issue is that scum team was scared of the mechanic early on for some reason so they nerfed themselves but if that was still quite balanced. Edited 09-06-2015 05:25 PM
2218 roytheone★ 09-06-2015 05:25 PM ET (US)	<a href="#">/m2216</a> I liked it a lot. I liked it so much people were suspicious of me because I kept taking about it ;)

2220 Ourobolus★ 09-06-2015 05:27 PM ET (US)	Yeah. I'll be asking for feedback in the thread later, but here is fine too

2233 Burbeting 09-06-2015 06:13 PM ET (US)	"Hard to tell when everyone's blacklisted "  oh Darryl
2234 Kalor 09-06-2015 06:19 PM ET (US)	This could be the shortest day in GAFia history if this keeps up.
2235 Ourobolus* 09-06-2015 06:21 PM ET (US)	5 votes
2236 Burbeting 09-06-2015 06:21 PM ET (US)	Just one more vote guys!  I think.  Do it before QB comes in and changes your mind!
2237 Burbeting 09-06-2015 06:23 PM ET (US)	Oh, two? Okay then.
2238 Ourobolus* 09-06-2015 07:03 PM ET (US)	All right, I've got the day/game end stuff written up on my laptop, just need to find some wifi so I can email it to my phone in case I need to post it soon
2239 Darryl 09-06-2015 07:16 PM ET (US)	The mechanic was great Ouro. It was really Yolo for me to come out as a cop. That was the wrench in it. It allowed me to take a huge risk and clear a lot of thegoddamn). The mafia just weren't playing as dangerous and fucked themselves.  I enjoyed the game a lot even though it winded up a slaughter. It was tense for me at least, trying to figure out if I was being had. It felt like a messy spy g of neighborhood screwery. Great job.
2240 Darryl 09-06-2015 07:20 PM ET (US)	Cthulhu I think is the one that I'm disappointed in. There was so much unknown in it. Like my role essentially had no proper win condition. I'm town and dangerous and scare mafia, yet if I was too right I'd be screwing my own team. If anything it was crazy, which stuck to the theme. Add in book shenanigam more cops and protection roles.
2241 Darryl 09-06-2015 07:21 PM ET (US)	The game was role crazy yet all the rules and weird going abouts had nothing rational to draw conclusions from
2242 Ourobolus* 09-06-2015 07:43 PM ET (US)	Lol, Kristoffer turbo'd.  GG town
2243 Ourobolus* 09-06-2015 08:02 PM ET (US)	Can someone do me a favor and PM the dead thread to people asking for it in the Archer game? I gotta head out.
2244 palmer_v1* 09-06-2015 10:14 PM ET (US)	WOO GG ARCHER Town, suck it dead people from other games!
2245 palmer_v1* 09-06-2015 10:24 PM ET (US)	So I'm currently reading through Burbeting's posts about me early on. Good lord you wanted me to be scum! I can explain all of my decisions if you want
2246 palmer_v1* 09-06-2015	Disregard, I figured it out. You were talking about the Squidyj fake claim. Edited 09-06-2015 10:27 PM

10:25 PM ET (US)	
2247 palmer_v1* 09-06-2015 10:40 PM ET (US)	@Ouro and Karkador:  In hindsight, the mission was fine, but ended up helping town because KGB wasn't as willing to risk it. It's understandable because they have more to lose from joining. One of my early posts mentioned a potential role that could get a cop report for the entire mission team, i.e. none of the players are mafia, or one. If they don't know what's possible with the roles, they'll be far less likely to take advantage of extra features like that.
2248 Ourobolus* 09-06-2015 10:42 PM ET (US)	<a href="#">/m2247</a> Well yeah, hence my reasoning that I should have increased the powers of KGB. I think if Haly had gone N1 and framed himself it would have made thing
2249 palmer_v1* 09-06-2015 11:08 PM ET (US)	I think a poisoner on the KGB team would have been great. Poison: X at night, but they don't die until the night after that. Would be a way for KGB to hav break the way missions work.
2250 cabbah 09-06-2015 11:35 PM ET (US)	Oh why hello there
2251 palmer_v1* 09-06-2015 11:42 PM ET (US)	OurobolusPerson was signed in when posted 08-31-2015 01:45 PM ET (US) Sigh. Another no-kill night in Archer.  Diiiick.

2253 Ourobolus* 09-06-2015 11:45 PM ET (US)	Those were the times when I kept thinking, "Man, I fucked this up." And then I'd read their 3rd doctor theory.
2254 palmer_v1* 09-06-2015 11:55 PM ET (US)	I'm not entirely innocent of it, but I was getting really irritated with ER calling Mazre or me or squidyj into question when we had such obvious targets rig Edited 09-06-2015 11:56 PM
2255 Squidyj 09-07-2015 12:00 AM ET (US)	Hey sorian you up in here? I'm reading through and I want to make a clarification for you, while you were cursing out everyone in the archer game for list I claimed to check Haly on n2, not on n3. Palmer was my supposed n3 check. I was, in point of fact, aware of how the missions interacted with these thing
2256 palmer_v1* 09-07-2015 12:25 AM ET (US)	Launchpad and Traube, what's the fastest your games could end at this point?
2257 Ourobolus* 09-07-2015 12:28 AM ET (US)	3 and 2 days, respectively.
2258 Ourobolus* 09-07-2015 12:29 AM ET (US)	Though I guess DR could end in 2 nights if certain conditions are met.
2259 Squidyj 09-07-2015 12:40 AM ET (US)	I should probably be putting more time into getting my game together then :l
2260 Ourobolus* 09-07-2015 12:43 AM ET (US)	The way the games are going, I think Cthluhu will end in 2, maybe 3 days. DR, on the other hand...I think that could come close to 2v1 or something like it.
2261 Burbeting 09-07-2015	Hi Archer peeps

12:54 AM ET (US)	
2262 Burbeting 09-07-2015 12:57 AM ET (US)	Palmer, I thought I waa killed because info from missions was spilling out to mafia, and I did do the really obvious 180 on Darryl on day 2. And well, eve
2263 cabbbeh 09-07-2015 01:08 AM ET (US)	Burb you thought I could have been scum. For shame
2264 cabot 09-07-2015 01:11 AM ET (US)	also Ouro re: Squidy and being scared to vote him  DUH! I fucking complimented the dude on D1 for his play and he found that suspicious, couple that with his ironclad determination/stubbornness, you're you are!
2265 Burbeting 09-07-2015 01:11 AM ET (US)	Well you guys had way too convenient way out of suspicion. Way too convenient, so I had to continue mistrust you and Arkos.

2269 cabot 09-07-2015 01:15 AM ET (US)	and my PC has cabot as username and ipad is cabbbeh for extra confusion
2270 cabot 09-07-2015 01:16 AM ET (US)	I do think the PM thing did let Arkos off the hook, I was still pretty unsure about his alignment pretty late in the game.  If that hadn't happened I'd have went for him
2271 Sorian* 09-07-2015 01:18 AM ET (US)	<a href="#">/m2255</a> Yes, yes, I know that your claim was right. I was stuck on the original way you claimed, seeing the whole picture, it was just an annoying claim.
2272 Burbeting 09-07-2015 01:20 AM ET (US)	Well cabb, now you can obviously concentrate all your time in NX mafia since Archer conveniently ended.
2273 cabot 09-07-2015 01:22 AM ET (US)	stop it burb I'm currently in a good mood  ;)
2274 cabot 09-07-2015 01:24 AM ET (US)	couldn't help but blush at looking through this thread and seeing roy talk about me,  what a bromance that is unfurling.  Clearly a problem in future games with potential bias, I'll need to break his leg or something to get it normalised
2275 cabot 09-07-2015 01:56 AM ET (US)	I see Ezekel did lie about being an unlimited bulletproof. Glad my suspicions on that weren't wrong

2278 cabot 09-07-2015 04:35 AM ET (US)	to be honest I don't know what the hell you were doing Kris, I read you as scum for the vast majority of the time you were in the game.
2279 Squidyj 09-07-2015 04:35 AM ET (US)	people were complaining about what I was doing in later stages (post cop claim) and I may not have been as effective as I hoped but just like in a game I wanted to ask the question "how can we lose"? Just like if we were down I would want to ask the question "how can we win"? and it was that sort of thing straightforward then fine, I never wanted to get in the way of that, but I wanted to pressure people who had a good chance of being town in case they were

2283 El Topo* 09-07-2015 10:25 AM ET (US)	Really? I went through my PMs and I don't think I ever mentioned you. I made it clear to Ouro (or at least I thought so) that if I survived another day I would cover role. Edited 09-07-2015 10:26 AM

2294 FlameAC* 09-07-2015 03:22 PM ET (US)	Maybe, but you're to blame for that Soriant. It'd be so much worse than it is now if you had made it another day.
2295 Soriant* 09-07-2015 03:31 PM ET (US)	<a href="#">/m2294</a> I did nothing to sabotage town. I wanted you guys to kill the cult and I was helping with that. Don't know what you mean.
2296 Soriant* 09-07-2015 03:32 PM ET (US)	Hey Traube, are you willing to tell me who Nin has been roleblocking over the course of the game?

2299 Soriant* 09-07-2015 03:45 PM ET (US)	<a href="#">/m2297</a> Rude, it's not like it matters, if they actually communicated like they should, I'd have the list anyway. I just want to know how badly he's been gue <a href="#">/m2298</a> If you guys lose, and I don't think you will, it will be because Neuro erased me. It would have behooved him and you guys more if he kept just try bought that he was upset about Tucah, I had no idea he was the investigator) and just left me alone and kept investigating each night. Then he could have that's just my natural game, town or mafia, that's just the position I take up, it doesn't provide me solid defense once the game is really under way in days
2300 traube* 09-07-2015 03:59 PM ET (US)	I guess I can tell you that all the blocks have been useless.
2301 FlameAC* 09-07-2015 04:02 PM ET (US)	It sounds like whenever we finally do get the link to the mafia chats, it won't be very interesting. What a shame, always enjoy reading their thought proces
2302 Soriant* 09-07-2015 04:02 PM ET (US)	Wait, what the hell did Droplet just say?
2303 Soriant* 09-07-2015 04:03 PM ET (US)	The Cthulhu mafia thread got posted already. <a href="http://www.quicktopic.com/51/H/ENUq6vXn7eRQc">http://www.quicktopic.com/51/H/ENUq6vXn7eRQc</a> The 3rd party mafia team has been a very boring chat yes. You'll get to see a little cat fight that happened though lol.
2304 Burbeting 09-07-2015 04:05 PM ET (US)	ouro said that kgb chat was inactive but cult takes the cake with that.
2305 FlameAC* 09-07-2015 04:06 PM ET (US)	Why did Droplet say partner and say she lied about the book?
2306 Soriant* 09-07-2015	<a href="#">/m2305</a> Rats confirmed it so either they are playing a dangerous game or they have a side chat.

04:07 PM ET (US)	
2307 traube* 09-07-2015 04:08 PM ET (US)	Finally. Looks like this day will be interesting again.
2308 Soriant* 09-07-2015 04:14 PM ET (US)	I guess I'm misunderstanding Hyper's power. Why is he sure that nin is the killer and Edge is just a PR?
2309 ultron87 09-07-2015 04:29 PM ET (US)	Read through the thread. Argh, I totally should've shot TWE. Was definitely considering it. If I'd shot tonight would it have gone through or would I have gotten sacrificed first?
2310 FlameAC* 09-07-2015 04:29 PM ET (US)	I think he saw nin visit a person who died one night and then saw Edge another night, but the person he visited didn't die.
2311 Soriant* 09-07-2015 04:31 PM ET (US)	Yeah, I got it now, I thought there was something special to this but it looks like he is just a regular tracker.
2312 ultron87 09-07-2015 04:35 PM ET (US)	Well at least for a bit some of them believe I was the greatest vigilante ever. And lied about it for no reason I guess.
2313 Soriant* 09-07-2015 04:35 PM ET (US)	Assuming Hyper just told the truth, I don't see the issue for Nin here. Nin can claim to be the town's roleblocker. Done.
2314 Soriant* 09-07-2015 04:47 PM ET (US)	I apologize when you eventually read this but you are the most obnoxious teammate Edge.
2315 traube* 09-07-2015 04:48 PM ET (US)	TWE going hard after nin1000 may save him. Recruiting another Insane Tourist may allow them to win the game. But looking very good for town at the moment.
2316 Soriant* 09-07-2015 04:49 PM ET (US)	Thank you for telling me there is another Insane Tourist ^_^ Your mind is like a vault sometimes. Well that's something at least.
2317 traube* 09-07-2015 04:50 PM ET (US)	<a href="#">/m2309</a> Your action would have been successful.
2318 traube* 09-07-2015 04:51 PM ET (US)	<a href="#">/m2316</a> I am pretty sure I confirmed that already. At least one Insane Tourist is left in the game, yes. I told you that one of them was trying to be recruited really hard during Day 1. But nobody noticed.
2319 TaylorSwift* 09-07-2015 05:14 PM ET (US)	I pray that Cthulhu town don't fuck this up one more Insane Tourist? nin1000/TWE: Cult2 Droplet/ROTY: Lovers Hyper: Motion Detector Retro claims to be a PR can't be Scrafty bc Scrafty was a late entry johnny was a late entry too so Charleston?
2320 Soriant* 09-07-2015	<a href="#">/m2319</a> Could be retro, his PR claim means nothing for right now. Late entries don't mean much, maybe the person that was in the role day 1 wanted to be

2325 Sorian* 09-07-2015 05:43 PM ET (US)	Oh my god, Rats is talking in haikus. Jesus Christ, I'd have to quit.

2329 Sorian* 09-07-2015 06:10 PM ET (US)	Ugh, why would Nin role claim a name that says insane in the title?
2330 TaylorSwift* 09-07-2015 06:11 PM ET (US)	why would nin claim to roleblock ultron N4?  pretty sure ultron claimed vig D4 whilst I was still alive
2331 cabot 09-07-2015 06:11 PM ET (US)	That's what I was thinking, that wasn't smart
2332 Sorian* 09-07-2015 06:12 PM ET (US)	<a href="#">/m2330</a> He decided to tell the truth. I believe that is the real list of who he role blocked and when.

2334 Sorian* 09-07-2015 06:18 PM ET (US)	<a href="#">/m2333</a> Not at all, it's easy to claim that you didn't believe the vig claim and that since he said he was out of bullets anyway, you wouldn't be hurting anytl BE RECRUITED. They have to policy lynch him now.
2335 TaylorSwift* 09-07-2015	mm, I suppose that's fair, he could always argue that he thought ultron was a plain SK instead of Town-aligned vig  but his latest post is a mess if he's intending to live through this day, unless they all miss the sentence that would make him a policy lynch

06:19 PM ET (US)	
2336 cabot 09-07-2015 06:24 PM ET (US)	Does he want to die? O_O
2337 Sorian* 09-07-2015 06:24 PM ET (US)	This is a mess, Nin has to die today, Edge still isn't reading.

2339 cabot 09-07-2015 06:26 PM ET (US)	wow this is a real mess of a claim. I think nin just wants out!
2340 TaylorSwift* 09-07-2015 06:26 PM ET (US)	come on guys, nail the fucker seriously guys
2341 Sorian* 09-07-2015 06:28 PM ET (US)	lol Edge: "Why in the world would a moderator make a role aligned with the Tourists but be more anti-town than pro?" I see someone hasn't been watching the NX game.
2342 cabot 09-07-2015 06:29 PM ET (US)	has he been watching THIS game?
2343 Sorian* 09-07-2015 06:31 PM ET (US)	Oh wow, Nin threw some shade at Edge like 15min ago in our cult chat for always having a lack of communication. I think that was right before this role :/
2344 cabot 09-07-2015 06:31 PM ET (US)	certainly looks that way :/
2345 ultron87 09-07-2015 06:33 PM ET (US)	I don't think TWE is gonna get many tourist points for the bus when Nin himself is driving the bus.
2346 Sorian* 09-07-2015 06:34 PM ET (US)	I can't blame Nin, except for day 2 when I was there, Nin has basically been in an echo chamber with our cult chat. Edge was a rep if you remember and Then Edge came in and he hardly ever talks, he actually submitted a kill action without even saying that he did or asking for advice.
2347 cabot 09-07-2015 06:36 PM ET (US)	What's the opinions on holding out a turbo to further expand on discussions through the day? Can't say I came away from Archer thinking this ideology was particularly useful

They do have an advantage but they still have no w turboing a day can be good because it makes scum fumble in the dark a bit.

2351 Soriano* 09-07-2015 06:43 PM ET (US)	Archer game was a special case btw, because you guys also had to make sure the mission format looked good. That throws a wrench in turboing a day.
2352 TaylorSwift* 09-07-2015 06:44 PM ET (US)	I feel sorry for Nin, this game must've really sucked for him. He might have had hope when Soriano joined, but then nada.  I definitely think that they should just hammer the vote already in a case this open-and-shut, I don't see the point in protracting the discussion and what the  If they make the day go on just to talk about the book again I will rise from the dead to tell them to cut that shit out, jfc
2353 cabot 09-07-2015 06:44 PM ET (US)	Yeah valid points. Taken and eaten.
2354 Soriano* 09-07-2015 06:46 PM ET (US)	<a href="#">/m2352</a> He was super stoked when he recruited me and then later when he killed LoC. I don't think he got much enjoyment from the rest of this game lol
2355 cabot 09-07-2015 06:48 PM ET (US)	I must admit the thought of a very inactive and muted mafia chat being a major issue didn't even enter my mind until I saw this madness in the thread.  brutal, true nightmare material.
2356 Ourobolus* 09-07-2015 06:50 PM ET (US)	<a href="#">/m2355</a> the KGB chat?
2357 cabot 09-07-2015 06:52 PM ET (US)	seems to be most of the chats
2358 Soriano* 09-07-2015 06:53 PM ET (US)	Danganronpa scum has more posts in their chat than tis whole dead thread lolol
2359 cabot 09-07-2015 06:54 PM ET (US)	The true beacon of hope.  Fuck Tim though
2360 Soriano* 09-07-2015 06:55 PM ET (US)	Nin: "Exactly, since i am Strong power role that can also be recruited by the cult it would be pretty dumb to not execute me ^^"  What the fuck? Maybe Nin explodes when he dies and kills everyone who voted for him (I wish)
2361 TaylorSwift* 09-07-2015 06:56 PM ET (US)	bless him, he's really bowing out, isn't he?
2362 Soriano* 09-07-2015 06:59 PM ET (US)	;-;
2363 Burbeting 09-07-2015 07:01 PM ET (US)	Why did they kill absolutbro, if he ended up killing hope yesterday? Fill me in plz :D.
2364 Soriano* 09-07-2015 07:03 PM ET (US)	Please tell me Tim walked the halls again last night.
2365 TaylorSwift* 09-07-2015	oh for fuck's sake  reason to turbo #3613: town can talk itself out of anything

07:31 PM ET (US)	
2366 Soriana* 09-07-2015 07:32 PM ET (US)	They are going to wait until tomorrow to kill Nin. lolololololololol Classic example of why you should turbo.
2367 TaylorSwift* 09-07-2015 07:34 PM ET (US)	DESPAIR
2368 haly* 09-07-2015 07:45 PM ET (US)	Turbos are good for Mafia. It's just one less day of pressure overall. But there's a problem with half-hearted attempts to discuss anything by town because everyone knows it's just foreplay until they lynch whoever was the a rather turbo. Their heart isn't in it, and they know most other people's hearts won't be in it either so why bother?
2369 Soriana* 09-07-2015 07:45 PM ET (US)	Edge is trying too hard to be that bus. No one is thinking about a long term game here.
2370 Soriana* 09-07-2015 07:46 PM ET (US)	<a href="#">/m2368</a> I've learned one thing playing with Gafia. If someone should be turboed and it is decided to wait instead, people will come up with the stupidest fi
2371 Soriana* 09-07-2015 07:54 PM ET (US)	Hyper threatening Nin with something that makes no sense. Cute.
2372 FlameAC* 09-07-2015 08:08 PM ET (US)	I can't believe they're going to save nin for the day, it's incomprehensible. I wish I was alive just so I could post OVERRIDE: nin and end it
2373 Soriana* 09-07-2015 08:10 PM ET (US)	Flame pls, you can't override :P
2374 TaylorSwift* 09-07-2015 08:10 PM ET (US)	fully including myself here, Cthulhu town has been shocking at scumhunting I have very little faith in this gambit paying off Charleston will go today, they'll all clap themselves on the back for getting an Insane Tourist, and I will scream so hard I rupture something
2375 Soriana* 09-07-2015 08:12 PM ET (US)	Retro might actually be the insane cultist lol
2376 TaylorSwift* 09-07-2015 08:14 PM ET (US)	shut up :P
2377 ultron87 09-07-2015 08:16 PM ET (US)	Arrrgh. If there is someone you are definitely going to kill you just kill them immediately. You can make the same random guess tomorrow but have better
2378 ynnnny* 09-07-2015 08:17 PM ET (US)	hiiiiiiiiiiii guys~ im still drunk on archer's victarrrriiii~ just dropping in to say hi (thanks haly for the link). i sort of like not reading potential spoilers and i enjoys guessing in the dark so i will be back once the c (HELLO MAH FELLOW ARCHER WINNERS <333333333) quickie one though: i cant believe nin is complaining that roleblocker is a bad role! I LOVED IT, PERSONALLY~
2379 CzarTim* 09-07-2015 08:45 PM ET (US)	hey AB how does it feel, fucker? HOW DOES IT FEEL?
2380 Launchpad*	Poor guy hasn't even logged in, it seems. I should've waited before sending the death thread, cus I actually sent him his reports so he could bring them her and be heart broken.

09-07-2015 08:55 PM ET (US)	
2381 Launchpad★ 09-07-2015 08:57 PM ET (US)	And man, the remaining mafia are really good at being mafia >>;;
2382 CzarTim★ 09-07-2015 08:57 PM ET (US)	who did he cop last night? also how did he believe my 1-shot cop claim lmao
2383 Launchpad★ 09-07-2015 08:58 PM ET (US)	He copped Makai. I guess he believed it because you said it was an alignment cop.
2384 CzarTim★ 09-07-2015 08:59 PM ET (US)	I guess that makes sense
2385 Launchpad★ 09-07-2015 09:07 PM ET (US)	On that note, I don't know why Rest suspected AB, when his ability kind of proved AB wasn't mafia.
2386 Absolutbro★ 09-07-2015 09:12 PM ET (US)	It hurts Czar. It hurts. ;_;
2387 CzarTim★ 09-07-2015 09:19 PM ET (US)	<3 One day we'll be on the same team and it's going to be awesome. One day!
2388 Absolutbro★ 09-07-2015 10:05 PM ET (US)	@Launch How many Despair players had to be replaced? At least 1 by this thread... @Czar Yeah, I believed you because you said alignment and I was a role-cop. We had both in SW (Setre/Blarg) so it didn't seem impossible. Mostly I play Be honest though: did Despair actually believe my sleep walker claim? After I saw you kill Fran N1 I figured I was dead that night. Had to come up with
2389 Launchpad★ 09-07-2015 10:10 PM ET (US)	Just 1 mafia replaced.
2390 Czartim 09-07-2015 10:10 PM ET (US)	Setre wasn't a cop though, he was a motion detector. I was convinced you were a cop up until the sleepwalker claim. We bought that hard mostly because it made a lot of sense for this set up
2391 Launchpad★ 09-07-2015 10:10 PM ET (US)	And judging by my NX role... yeah, they believed it.
2392 Karkador★ 09-07-2015 10:12 PM ET (US)	I wonder if anyone in Danganronpa has noticed that only Splinter refers to CzarTim as "Tim"
2393 Absolutbro★ 09-07-2015 10:17 PM ET (US)	@Launch Cool, just wondering. I have no idea what NX is though. @Czar You're right, she was. I got mixed up because she got mixed up on her role. Ah well. Glad my ruse worked though! Kinda curious why they killed outed Pau/Ty4on, got Kalor punished and generally contributed nothing to the game until my death. Funnily enough, my death confirms at least 3 people
2394 Czartim 09-07-2015 10:17 PM ET (US)	It's hard to shut that stuff off. I keep having to stop myself making comments in other threads. We had so much fun in our chat it just adds a lair of kinship
2395 Launchpad★ 09-07-2015	<a href="#">/m2392</a> gulp.

10:18 PM ET (US)	
2396 Czartim 09-07-2015 10:20 PM ET (US)	We had to kill you because we knew splinter was going to get axed today and you were the only one who's movement we couldn't count on. They'll be abl dumb fight club
2397 Launchpad★ 09-07-2015 10:35 PM ET (US)	So long as they plan their kills out so they avoid that stretch of hallway, yes.  I'm surprised anyone would actually believe I would put a straight up bulletproof role in my game, though. Makai's claim is BS.
2398 Kristoffer 09-07-2015 10:49 PM ET (US)	Other than Splinter, who else is Despair? And why haven't there been any nightkills?
2399 Ourobolus★ 09-07-2015 10:51 PM ET (US)	<a href="#">/m2398</a> They've been targeting the wrong rooms trying to find Sawneeks.
2400 Kristoffer 09-07-2015 10:54 PM ET (US)	Why would they try to find Sawneeks? :L
