<p>3 Ourobolus* 08-05-2015 07:49 PM ET (US)</p>	<p>Hi, Hagi!</p>
<p>4 Hagi 08-05-2015 08:27 PM ET (US)</p>	<p>So this is what purgatory looks like</p>
<p>5 Launchpad* 08-05-2015 08:30 PM ET (US)</p>	<p>spooky scary skeletons, send shivers down your spine!</p> <p>I think any specific questions you want to know (like who the mafia are) I'll share via PM so as not to spoil people that want to watch the games unfold.</p>
<p>6 Hagi 08-05-2015 08:34 PM ET (US)</p>	<p>Yeah I'm going to need to know who they are. As much as it would be fun to watch events unfold I think I'd enjoy watching the town run circles round them knowing full well who is who.</p>
<p>7 Hagi 08-05-2015 08:35 PM ET (US)</p>	<p>Obviously I'll keep it to myself though, I'm not the type to ruin other peoples fun.</p>
<p>8 Launchpad* 08-05-2015 08:53 PM ET (US)</p>	<p>Ok I'll send it now</p>
<p>9 Karkador* 08-06-2015 01:37 AM ET (US)</p>	<p>>:C</p>
<p>10 traube* 08-06-2015 08:52 AM ET (US)</p>	<p>Hagi, did you receive any spoilers for my (Cthulhu) game?</p> <p>Because I may need more replacements. If you are interested you could join.</p>
<p>11 Launchpad* 08-06-2015 09:01 AM ET (US)</p>	<p>He didn't, but I already asked him and he said he didn't want to play again in this round.</p>
<p>12 Visualante 08-06-2015 06:05 PM ET (US)</p>	<p>I really appreciate all the effort you put in to make these games happen. Sorry I ruined the game but I don't think I would have lasted very long anyway given the players were.</p>

13 Launchpad* 08-06-2015 06:05 PM ET (US)	Nah you didn't ruin the game, what makes you think that?
14 Visualante 08-06-2015 06:39 PM ET (US)	I reacted badly under scrutiny. Left myself open to a bandwagon and lost track of time in the final hours. If I had just read the posts concerning me, I would I sooner and probably changed the outcome. I had no intention of changing my vote, there was no need for me to read every post.
15 traube* 08-07-2015 01:10 PM ET (US)	Don't feel bad. It was your first time playing, right? Hope you still will join us in the next round of games.
16 Ourobolus* 08-07-2015 04:10 PM ET (US)	Yeah, Vis, you were fine. Shit happens! Hopefully you'll stick around though :)
17 francomp 08-08-2015 08:42 PM ET (US)	Hi people!!!
18 Ourobolus* 08-08-2015 08:45 PM ET (US)	Shit. I'm sorry fran, I totally forgot to ask if you wanted to be on the replacement list :/
19 francomp 08-08-2015 08:47 PM ET (US)	No problem. I will hang out here, where the cool people are. Way better than with a bunch of killers.
20 Launchpad* 08-08-2015 09:03 PM ET (US)	These mafia are crafty, yet it's kind of funny - they're attributing a lot of roles to the wrong people. It's fun to watch.
21 Launchpad* 08-08-2015 09:05 PM ET (US)	So the map gimmick is that a bunch of players saw each other during the night phase as they carried out night actions. One of the mafia is talking about heav
22 francomp 08-09-2015 06:36 AM ET (US)	I just realize that I spent a couple of hours yesterday making a really cool spreadsheat for the game for nothing. Now it's just mocking me in my bookmarks.
23 Hagi 08-09-2015 07:28 AM ET (US)	Lol wow I'm pretty glad I'm dead now because three days of Kg posting spreadsheets, pie charts and line graphs when we're only on the second day phase w
24 Hagi 08-09-2015 07:28 AM ET (US)	It's really funny to watch though
25 Launchpad* 08-09-2015 09:36 AM ET (US)	I'm sorry your work went to waste fran :c The mafia joked that they were getting revenge on my behalf for last game
26 francomp 08-09-2015 03:09 PM ET (US)	So one of the old pals of the ac game is despair? They will have to kill ouro if they want revenge. He was the mastermind behind your eviction.
27 Launchpad* 08-09-2015 03:11 PM ET (US)	I didn't say that :p If you want the list of mafia, I can PM it to you.
28	Yeah, it will be fun to read their post in the game.

franconp 08-09-2015 07:58 PM ET (US)	
29 franconp 08-09-2015 08:19 PM ET (US)	I had doubts of the first 2 of the list, the others 2 I didn't suspect one bit. How did we end with just one kill last night phase? Someone was protected? This will be interesting, especially by the first name. I will have to look for popcorn gifs to post.
30 Launchpad* 08-09-2015 09:22 PM ET (US)	That role has to be activated by the attempted murder/lynch of the other.
31 franconp 08-12-2015 11:01 PM ET (US)	If Cthulhu Mafia kills Coppanuva the second day I will have to believe that him and Tucah are cursed.
32 Fireblend* 08-13-2015 12:02 PM ET (US)	I have come to accept my death and finally moved on. Now someone PM me Cthulhu mafia spoilers asap.
33 franconp 08-13-2015 12:19 PM ET (US)	Can't we just post all the names here? It's difficult to make a comment about how Mafia is playing if you can say their name. Just tell all the new dead player to here if they want to be replacements or don't want the game spoiled.
34 Launchpad* 08-13-2015 12:24 PM ET (US)	/m33 : I'm up for discussing it, but I vehemently disagree with this approach. The dead thread was a great place to discuss the game as it was going on last ga some people who wanted to stay unspoiled.
35 Ourobolus* 08-13-2015 12:26 PM ET (US)	I think for now we can PM you the lists. Once we get a few more people in here we'll see about adjusting it.
36 traube* 08-13-2015 12:31 PM ET (US)	Yeah. I am against posting any roles here. Part of the fun was guessing who was Mafia in the dead thread of the last games. Don't want that spoiled for anyone. As for revealing roles. Not gonna happen from my side. Sorry. But I know that a lot was already revealed and I can't stop you from sharing that information. But please not in here. Edited 08-13-2015 12:32 PM
37 Fireblend* 08-13-2015 12:35 PM ET (US)	Who's this traube guy and who does he think he is to boss us around? :P
38 franconp 08-13-2015 12:39 PM ET (US)	In the last dead thread as soon as Hobo was evicted the first thing everyone did was ask him who his partners were. Before Ouro, Darryl or me were evicted HHA and it didn't ruined the experience. In fact, I think it was for the best as we made a lot of funny hypothesis of what could Darryl do to win. It's difficult how some of them are playing if we try to keep here spoiler free. Also I don't think anyone would mind if we post here who Mafia are. For example Hagi, Fireblend and me as soon as we got here wanted to know who is M
39 Ourobolus* 08-13-2015 12:43 PM ET (US)	fran - PM'd you the list. If anyone else wants it, let me know. But keep the discussion here about the list to a minimum until we get some more players in her
40 traube* 08-13-2015 12:47 PM ET (US)	It is up to you what you post. But you'll get no details from me. :p
41 franconp 08-13-2015 12:48 PM ET (US)	Some of the names in that list!!!! It could be a lot of fun.... if I didn't get killed the first day :(I won't spoil anything here but maybe it would be a good idea to discuss this before we start with Season 4.
42 Launchpad* 08-13-2015 03:02 PM ET (US)	Yeah, you know what, I'm not going to be handing out the list of mafia anymore. Only Hagi and franconp know mine. I rather keep the game interesting for

43 Karkador* 08-13-2015 03:08 PM ET (US)	My guideline for when I was handling things in the dead thread was to let people spoil their own secrets. For example, if the cop gets killed, then ill give tha here and tell us who they investigated
44 Launchpad* 08-13-2015 03:09 PM ET (US)	Yeah, let's go with that.
45 Ourobolus* 08-13-2015 03:09 PM ET (US)	All right, sounds good.
46 franconp 08-14-2015 09:35 AM ET (US)	As I have some time to spare because I got killed super quick and I have some ideas for some cool roles I will see if I can organize them and maybe host a g I'm thinking in a Batman Gaffia.
47 Launchpad* 08-14-2015 09:45 AM ET (US)	Go for it. If you need help with anything, shoot me a PM.
48 Ourobolus* 08-14-2015 10:05 AM ET (US)	Ditto. Good luck with it!
49 Blargonaut 08-14-2015 03:08 PM ET (US)	#xanatos
50 franconp 08-14-2015 03:09 PM ET (US)	Hi Blarg!!!
51 Launchpad* 08-14-2015 03:09 PM ET (US)	Blarg, for whatever it's worth, I would not have voted for you because I loved reading your posts. I don't care if it would have ended in a missed opportunity
52 Ourobolus* 08-14-2015 03:11 PM ET (US)	Now Blarg, you figure out MY puzzle. :P
53 Matt 08-14-2015 03:12 PM ET (US)	BLARG IM SO SORRY
54 Blargonaut 08-14-2015 03:15 PM ET (US)	I'm just going to sit here and be a skeleton now no Ouro no
55 Ourobolus* 08-14-2015 03:16 PM ET (US)	:_;
56 Blargonaut 08-14-2015 03:24 PM ET (US)	Wait Zatoth Does the line, "The cultists will have a hard time sacrificing you. The Old Ones are your creation after all," mean I'm NK-immune Or is it fluff lore Zatoth

	Zatoth
57 Blargonaut 08-14-2015 03:24 PM ET (US)	It's totally fluff lore It's fluff lore. Tell me.
58 Karkador* 08-14-2015 03:25 PM ET (US)	Hi Blarg
59 Blargonaut 08-14-2015 03:25 PM ET (US)	Ahhhhhhhh, I knew it was fluff lore, I knew it You and your wordplay
60 Matt 08-14-2015 03:25 PM ET (US)	this story just got so much more tragic
61 Launchpad* 08-14-2015 03:26 PM ET (US)	it's not fluff.... lol
62 Blargonaut 08-14-2015 03:26 PM ET (US)	Are you telling me that I've been playing this game from the start assuming that my NK-immune bulletproof ability was fluff lore Is this what you are telling me
63 Blargonaut 08-14-2015 03:27 PM ET (US)	I'm going to legit die now I'm already dead
64 Launchpad* 08-14-2015 03:28 PM ET (US)	I guess it doesn't matter to tell you since you're kaput and it doesn't have any bearing on the game at this point (right guys?) You could only be killed by the vig OR by being targeted by both cults.
65 Karkador* 08-14-2015 03:28 PM ET (US)	Oh no. Well, RollerCoaster Tycoon Mafia planning starts now?
66 Blargonaut 08-14-2015 03:28 PM ET (US)	I'm disowning all of you
67 Karkador* 08-14-2015 03:29 PM ET (US)	We can plan a statue of HP Lovecraft in your theme park, Blarg. .. You already wrote the flavor text for the statue, didn't you?
68 Blargonaut 08-14-2015 03:29 PM ET (US)	why was I created to feel pain
69 Ourobolus* 08-14-2015 03:30 PM ET (US)	/m64 - He had to be targeted by two of the three at the same time. So vig would have counted too.
70 Launchpad* 08-14-2015 03:30 PM ET (US)	Oh, I misunderstood the spreadsheet. Ok, then that.
71 Blargonaut	so it would take 2 simultaneous Night attacks to kill me?

03:51 PM ET (US)	
87 Blargonaut 08-14-2015 05:33 PM ET (US)	<p>Finally have time x_x gotta catch up on the other threads now :o</p> <p>@Kark: I'm shelving my RCT theme for now actually :o my new theme will literally be a mystery-</p> <p>? [Mafia] Discover as you play.</p> <p>dohohohohohohoooo</p>
88 franconp 08-14-2015 06:07 PM ET (US)	@Ouro and Launchpad: I have sent a PM to both of you with some ideas. Tell me what you think.
89 Ourobolus* 08-14-2015 06:15 PM ET (US)	I'll take a look later tonight. I'm exhausted.
90 Blargonaut 08-14-2015 06:25 PM ET (US)	<p>lol at Rats' Aerosmith Boss tribute post...</p> <p>...l...ol</p> <p>*sniffle*</p> <p>@Matt Attack: ahhhh you won fair and square, enjoy it :P At least my death is a tactical EMP for Town this time, rather than... Star Wars me *shudder*</p> <p>btw, I need to get my post-death message GIF ready now :o</p>
91 Blargonaut 08-14-2015 06:42 PM ET (US)	<p>I'm looking at your puzzle Ouro</p> <p>This is the epitome of sadism</p>
92 Ourobolus* 08-14-2015 06:50 PM ET (US)	<3
93 Blargonaut 08-14-2015 07:22 PM ET (US)	<p>Oh and hi everyone ^_^ Can't wait to trash-talk Palmer again behind his back, and Soorrriiaaaannnn</p> <p>Also, #TeamDarryl</p> <p>I was trying to hype him up throughout as some sort of hyper-secret terrorspawn, despite not knowing what his role is, just for fun. Also, I reaaaalllly can't w role is, damnit. :o</p> <p>sry I kinda forgot to return the greets when I first came in here after, after... datrealizationofminethatnoonemusteverspeakofever >_></p>
94 traube* 08-15-2015 12:42 AM ET (US)	<p>Blarg and Matt. I hope you are not mad at me for the roles.</p> <p>I still like them. But as players they must have been frustrating. Should have put more thought into that. ./ Hope you still had some fun with it.</p> <p>@Blarg's night kill "immunity": The vigilante could have still killed you. Still you were pretty hard to kill. Town could have used you as a <u>great lightning ro</u></p>
95 Matt Attack 08-15-2015 01:14 AM ET (US)	<p>Oh, I'm not mad at all. They're definitely cool roles (especially the fluff, I love the idea of being an intruder in the story) that just happened to come out a litt have expected. :P Day 2 was more intense for me than any of the days in Star Wars, so it was totally worth it.</p> <p>Looking forward to seeing what else your game has in store!</p>
96 traube* 08-15-2015 01:50 AM ET (US)	<p>Before the game started I thought the Bastian role was the hardest. Lot of luck required to find your target in time AND get him lynched.</p> <p>Guess you lucked out by getting Blarg as Lovecraft.</p>
97 SalvaPot 08-15-2015 07:22 PM ET (US)	<p>Hell yeah I am in the Dead Thread! Whatup yoooooooo!</p> <p>If anyone is wondering, I switched Crab and Swamped day 1, and AbsolutBro/goshujinsama in day 2.</p>
98 franconp 08-15-2015 11:30 PM ET (US)	Hi Salva!!!
99 Launchpad* 08-15-2015	I feel bad for Salva. I PMed him a few days before the mafia decided to kill him to let him know he could swap himself. He said he wouldn't be using it beca him for awhile. lol

11:32 PM ET (US)	
100 SalvaPot 08-16-2015 12:34 AM ET (US)	hehe, I really had no idea they where going to target me, but in retrospective the fact that I did not give reads on anyone other than crab, kgtrp, swamped an safe choice to kill, since the suspicion is going to fall on them.. Also, hey francomp x)
101 Burbeting 08-16-2015 05:18 PM ET (US)	hi. :(took three hours making long long analysis on everyone, and now it's on the drain. Boo boo
102 Ourobolus* 08-16-2015 05:19 PM ET (US)	Sorry, dude! FWIW, you were doing pretty well!
103 Burbeting 08-16-2015 05:20 PM ET (US)	It's fine, it's the nature of the game :D. As I said earlier, this is my 189'th game, I've keep count (well second english one though). So we won't know who the mafia are in the thread, but we need to wait for dead people to come here and tell us?
104 Ourobolus* 08-16-2015 05:22 PM ET (US)	For now, yeah. It's how we rolled last time.
105 Burbeting 08-16-2015 05:23 PM ET (US)	Okay, that's cool. We never had dead threads, so this is a new thing for me.
106 Burbeting 08-16-2015 05:26 PM ET (US)	I was starting to figure out my master plan to help Town as efficiently as possible, but that failed then, huh. This is my hot-list of "possible mafia" candidates in Archer! Palmer_v1 AwesomePossum TheGoddamn hobohodo
107 roytheone* 08-16-2015 05:29 PM ET (US)	I hate everything right now.
108 roytheone* 08-16-2015 05:31 PM ET (US)	If el topo and his "gut" did this I am going to be PISSED.
109 Burbeting 08-16-2015 05:32 PM ET (US)	I have a good idea why I was killed.
110 roytheone* 08-16-2015 05:33 PM ET (US)	Oh, burb: big chance you got targeted night 1, I protected you that night. Edited 08-16-2015 05:33 PM
111 Burbeting 08-16-2015 05:33 PM ET (US)	Well, what's the 'thing'?
112 Burbeting 08-16-2015 05:33 PM ET (US)	Oh, that so? The reason I think I was killed was behind day 2. I knew too much, you see :P
113 roytheone* 08-16-2015 05:34 PM ET (US)	Tell me more
114	I think these spoilers are alright since I obtained them during my game, Ouro? You know what I mean

Burbeting 08-16-2015 05:35 PM ET (US)	
115 Ourobolus* 08-16-2015 05:36 PM ET (US)	/m110 Incorrect. He wasn't targeted N1.
116 Ourobolus* 08-16-2015 05:36 PM ET (US)	Yes, that's fine, Burb. EDIT: I wondered if what you had said was intentional or not... Edited 08-16-2015 05:37 PM
117 Burbeting 08-16-2015 05:38 PM ET (US)	Alright, good. Darryl made a claim during night 1 chat that he is the town investigator aka. the Cop. I was ready to believe him, so I did bit too steep 180 in day 2 from voti If there is a mole in the night 1 chat, he must've caught my 180, and told mafia to kill me. And if this theory is true, it means Palmer_v1 is mafia in my eyes.
118 Burbeting 08-16-2015 05:40 PM ET (US)	Also during Day 2 Darryl revealed the alignment of one of the players, and I'm pretty sure he was telling the truth there. So in day 1 we had voting battle... between cop and the doctor.. We suck.
119 Ourobolus* 08-16-2015 05:40 PM ET (US)	/m118 Yep.
120 Burbeting 08-16-2015 05:41 PM ET (US)	I hope Darryl investigated Palmer, so I can get my suspicions answered today.
121 roytheone* 08-16-2015 05:42 PM ET (US)	And I voted for Darryl on day 2 :(
122 Burbeting 08-16-2015 05:42 PM ET (US)	I have night 2 chat opened here, looking if it has anything juicy.
123 roytheone* 08-16-2015 05:44 PM ET (US)	BTW, I protected cabbeh night 2
124 Burbeting 08-16-2015 05:44 PM ET (US)	My plan was to wait for few days in order for Darryl to get results. Then I'd went to a night chat with him and outed myself to him. NExt day I would have come out as the cop. Ray seems to fit to cop stereotype too, so it might have worked. That was town would have got cop information secrecy. Too bad it bombed.
125 roytheone* 08-16-2015 05:47 PM ET (US)	My plan was to be a middle of the road player, don't become the focus of any discussion. Then try to survive as long as possible and become more useful wit (higher chance of successful protect)
126 Burbeting 08-16-2015 05:48 PM ET (US)	Anyway so. What are you betting on ElTopo?
127 roytheone* 08-16-2015 05:49 PM ET (US)	Topo is vigilante, but someone switched his target with me.
128 roytheone* 08-16-2015 05:50 PM ET (US)	Btw, is visualante in here? I want to see my clone brother :(

129 Burbeting 08-16-2015 05:52 PM ET (US)	He is, check messages far far below.
130 Burbeting 08-16-2015 05:52 PM ET (US)	Should I reveal how Darryl is going to communicate his investigation results or keep it secret?
131 roytheone* 08-16-2015 05:52 PM ET (US)	Bring it
132 Burbeting 08-16-2015 05:57 PM ET (US)	It's pretty wise idea, really. He will talk about the player he investigated, and say "has been pretty towny" or something like that if the results was town. If re: "has been acting kinda like mafia, mafia-vibes" or something. Then at the end of said analysis of that player, he'll either add an emoticon or use bold on the text, so that you know who he was talking about. Too bad if my theory about palmer-mafia is right, he will probs drop off soon enough.
133 roytheone* 08-16-2015 05:58 PM ET (US)	I just want to know how I died :(
134 Ourobolus* 08-16-2015 05:58 PM ET (US)	You were killed by a third party.
135 Burbeting 08-16-2015 05:59 PM ET (US)	Anyway... since we were killed, why weren't Arkos and Cabbeh? They are probs drones, but mafia would still be kinda wise to kill the mostly-verified good Unless... they aren't.
136 roytheone* 08-16-2015 06:01 PM ET (US)	BTW, burb, are you going to post a lot here? I actually don't want to stop playing, so I will probably post reads on everyone in archer frequently.
137 roytheone* 08-16-2015 06:02 PM ET (US)	I protected cabbeh for that reason, but three kill attempts on one night seems unlikely.
138 Burbeting 08-16-2015 06:03 PM ET (US)	Dunno yet, depends on my enthusiasm. Rn I feel like I might. Alsi, hi Blarg, reading cthulu day 2 was hilarious.
139 Burbeting 08-16-2015 06:04 PM ET (US)	EITopo was suspecting me yesterday. Maybe he isn't posting because his masterpost was ruined. Edited 08-16-2015 06:06 PM
140 roytheone* 08-16-2015 06:08 PM ET (US)	He has to come up with something soon, people are getting restless already.
141 Burbeting 08-16-2015 06:09 PM ET (US)	I'm curious if mafia killed me or if third party did. If it was mafia, Palmer is 95% possible scum.
142 roytheone* 08-16-2015 06:09 PM ET (US)	Mafia, I got killed by a third party
143 Burbeting 08-16-2015 06:10 PM ET (US)	You sure?

144 roytheone* 08-16-2015 06:10 PM ET (US)	See /m134
145 Burbeting 08-16-2015 06:12 PM ET (US)	Well then.. Palmer it is then.
146 roytheone* 08-16-2015 06:13 PM ET (US)	I really need to go to sleep, it is 00.12 am here. Got the feeling we are on opposite timezones, which is unfortunate.
147 Burbeting 08-16-2015 06:14 PM ET (US)	No, it's 1.12am here... :D
148 roytheone* 08-16-2015 06:17 PM ET (US)	Oh, good! I will post all my suspicion lists after I wake up, i don't have access to my mafia excel file right now.
149 Burbeting 08-16-2015 06:17 PM ET (US)	Also don't go through my posts you dummies, Darryl might get revealed :(
150 roytheone* 08-16-2015 06:19 PM ET (US)	Darryl is fucked, I was heavy on him day 2, they are going to find that and KGB is going to push that angle like crazy.
151 Burbeting 08-16-2015 06:20 PM ET (US)	Well it depends. He was acting like ass day 2 so mafia might spare him because "easy to lynch"
152 roytheone* 08-16-2015 06:22 PM ET (US)	If Palmer is indeed kgb? No chance, darryl is getting lynched day 3 and KGB has a kill left during night 3 Edited 08-16-2015 06:23 PM
153 Burbeting 08-16-2015 06:28 PM ET (US)	Daertl will out himself a cop if he is going to be lynched, and then he'll escape to night chats forever. But if he goes to normal pool night 3 like he said he would... Well both docs arw dead and Palmer is quite possibly the mole.
154 roytheone* 08-16-2015 06:31 PM ET (US)	We have to face it: the chance of town still winning this is already getting quite low. :(
155 Burbeting 08-16-2015 06:34 PM ET (US)	Game full of fuck-ups. I had to do 180 yesterday because otherwise I could habe killed Darryl, I think. It was already close and I was really hard on protecting him late day.
156 Burbeting 08-16-2015 06:35 PM ET (US)	I was happy about my role, since it's tied to the night-chats - gives it personality.
157 roytheone* 08-16-2015 06:38 PM ET (US)	Now that I am gone, who is going to push to do something with the mission system? I was like the only one that tried to have that discussion :(
158 Burbeting 08-16-2015 06:40 PM ET (US)	I feel that voting about missions is meaningless now since some people like Palmer wouldn't care anyway. Palmer might still be drone... Why would he go to night 2 chat knowing he might be outed?
159	I'm really going to sleep now, I will see how our team manages to fuck up next in the morning.

roytheone* 08-16-2015 06:42 PM ET (US)	
160 Burbeting 08-16-2015 06:43 PM ET (US)	"Hey kids! It's let's kill Darryl day!"
161 roytheone* 08-16-2015 06:48 PM ET (US)	I wouldn't be surprised..... And if I was still alive I would totally be for voting for darryl :(
162 Burbeting 08-16-2015 06:49 PM ET (US)	Wwll there is the mazreEzekielArkos(Palmer?) defense force. I was killed from that :P
163 roytheone* 08-16-2015 06:50 PM ET (US)	BTW, what do you make of seath? He is my prime suspect for a long time now.
164 Burbeting 08-16-2015 06:54 PM ET (US)	I literally don't understand him at all. Zubz figured something out though.
165 Burbeting 08-16-2015 07:00 PM ET (US)	Well there it is, topo
166 roytheone* 08-16-2015 07:01 PM ET (US)	Seath's whole honeypot archer post makes NO sense. Again.
167 Burbeting 08-16-2015 07:02 PM ET (US)	I told everyone hundred times honeypot is kgb if she is real. Really wanting to ask ouro if Hp is real :D Edited 08-16-2015 07:03 PM
168 roytheone* 08-16-2015 07:04 PM ET (US)	So what did el topo do exactly to me night 1? He tried to track me but got role blocked?
169 Burbeting 08-16-2015 07:08 PM ET (US)	Maybe he set an time bomb on you that exploded next night. Well he said 'tracking', did he? Hmmh...
170 roytheone* 08-16-2015 07:11 PM ET (US)	Him knowing i was a doctor could actually have been a positive thing, depending on his win conditions.
171 roytheone* 08-16-2015 07:12 PM ET (US)	Anyway, now I am going to sleep for real, see you tomorrow.
172 Burbeting 08-16-2015 07:13 PM ET (US)	Seath, why would Ezzy say he is Archer out of all characters. You dumbo.
173 Ourobolus* 08-16-2015 08:20 PM ET (US)	/m167 yep, it's real. And everyone is really confused as to what that player can actually do, funnily enough. You guys are really good at thinking this game is - I don't think I made it too crazy. :P
174 Blargonaut	El Topo's role claim of Neutral/unaligned, not-part-of-theme-lore, must-hunt-a-certain-player-down-to-win sounds mighty familiar there

08-16-2015 08:22 PM ET (US)	Like, Matt-y familiar Matt Attack-y, even
175 Blargonaut 08-16-2015 08:31 PM ET (US)	@Burb ahhh Day 2 is my curse but the viewer's blessing :P Welcome to the corpusarium, secret trash-talking is the best part of GAFia afterlife ;) I just realised I never told anyone what SOLUTE5 was about, eh also Ouro I'm still staring at your puzzle
176 Ourobolus* 08-16-2015 08:47 PM ET (US)	I came up with it first! Traube copied ME! And Cate Archer isn't the role he has.
177 Blargonaut 08-16-2015 08:48 PM ET (US)	omg is this real? 'Cate Archer' role in Archer game with Gun/Camera/Mascara powers? I'm guessing: Gun - kill. Camera - investigate/spy power? Mascara - anti-investigative cover (passive power, show up as different alignment to investigators?) If El Topo pulls off this open role claim and survives to Day 4, I will accept him as my sensei
178 Blargonaut 08-16-2015 08:49 PM ET (US)	@Ouro LOL SO IT'S FAKE?! #TeamElTopo YOU CAN DO IT, SURVIVE, I BELIEVE
179 Blargonaut 08-16-2015 09:31 PM ET (US)	Darryl seeing right through him El Topo no longer exists
180 roytheone* 08-17-2015 05:06 AM ET (US)	Alright, I have been thinking and I will probably continue "playing" the archer game in this thread, things like giving reads, who I would vote for and who I complete noob in mafia, and the way I see it the best way to get better is to simply play it. And now that I got killed quite quickly, I think this is the best way more experience playing mafia and prepare for season 4. If anyone finds it annoying, please tell me and I will tone it down.
181 roytheone* 08-17-2015 05:15 AM ET (US)	Anyway, just so that you all can laugh when unavoidably it turns out i got everyone's alignment 100 % wrong, this was my list up until the beginning of day Town: Burbeting Cabbeh hobohodo Haly Arkos Probably town: YesNOoNOYes Quantumbro Palmer Squidyj The goddamn EzekeLRAGE zubz Probably scum: Cooljeanius Darryl El topo Awesomepossum Mazre Scum: Seath enker Mike_hawk septimus prime Edited 08-22-2015 12:04 PM
182 Ourobolus* 08-17-2015 07:51 AM ET (US)	I won't give more than this, but there is one mafia in each of your groups. :P Edited 08-17-2015 07:57 AM
183 roytheone* 08-17-2015 08:24 AM ET (US)	/m182 I don't even want you to give me more than that, trying to figure it out myself and then look during the end of days/nights to see how wrong I was is h

195 Ourobolus* 08-17-2015 03:01 PM ET (US)	Ohohoho...just you wait

200 roytheone* 08-17-2015 03:31 PM ET (US)	Well, I guess my (old) Archer bros now have to deal with a pissed off Darryl.....maybe dying in night 2 wasn't so bad after all :) Edited 08-17-2015 03:31 PM
201 Sorian* 08-17-2015 03:44 PM ET (US)	Blarg, I've traversed space and time to be with you again.
202 roytheone* 08-17-2015 03:48 PM ET (US)	Wait, sorian died too? I totally missed that during the 10 seconds gaf actually worked.
203 Sorian* 08-17-2015 03:49 PM ET (US)	They don't know I'm dead yet. So you didn't actually miss anything.
204 traube* 08-17-2015 03:50 PM ET (US)	Well, Sorian did not actually "die".
205 Sorian* 08-17-2015 03:50 PM ET (US)	As I said, just traversing space and time I guess :P
206 traube* 08-17-2015 03:53 PM ET (US)	Was talking with the other mods about how cool it would be to remove all your posts from the thread. :D
207 Sorian* 08-17-2015 03:57 PM ET (US)	So the person who did this removed themselves from the game too didn't they? Or did Darryl lie about that? Also, could you imagine getting a mod to go back through and delete my 500+ posts? lol
208 Ourobolus* 08-17-2015 03:59 PM ET (US)	/m207 - exactly what I said!
209 traube* 08-17-2015	Yeah. The person who removed you, is also gone. "Although I don't know if any mod is insane enough to go through and delete every. single. one. of Sorian's posts." - Ourobolus

04:00 PM ET (US)	
210 roytheone* 08-17-2015 04:00 PM ET (US)	Wait, so the other players will now never know what your role was?
211 Launchpad* 08-17-2015 04:01 PM ET (US)	Oh God, Sorian's here now. My inbox is going to be blowing up with notifications for this board :c
212 Sorian* 08-17-2015 04:02 PM ET (US)	/m210 Correct, which is probably the luckiest break in existence for me. They can't see my role yet. /m209 Traube, I like that you deleted me from the player list at the start, you didn't sell it completely though. The flavor text at the start should say only 21 people n Edited 08-17-2015 04:02 PM
213 traube* 08-17-2015 04:03 PM ET (US)	Nice catch. Have to change it as soon as the board works again.
214 roytheone* 08-17-2015 04:03 PM ET (US)	So, who were you?
215 Sorian* 08-17-2015 04:04 PM ET (US)	Oh wow, Neuromancer really did not trust me at all. /m214 Um, so I was actually an insane tourist but I got recruited into a cult during the first night. The great thing about this though is, there is a second cult operatir about. I was in that one. Since I died and no message was given, they still don't know that. Edited 08-17-2015 04:06 PM
216 roytheone* 08-17-2015 04:08 PM ET (US)	So that means chuthulu manages to kill 2 cultist in 2 days/nights? You are like the polar opposite of our archer game!
217 Sorian* 08-17-2015 04:09 PM ET (US)	I'm so lovable. People made attempts on my life both nights. Night 1 it failed and recruited me instead and here I am night 2 lol
218 Blargonaut 08-17-2015 04:11 PM ET (US)	well well welll Odysseus visiting Achilles in Hades, is it WHADDAYA WANT FROM ME
219 Sorian* 08-17-2015 04:11 PM ET (US)	/m218 /hug So Blarg, ravings of a mad man or did you really think I was cult?
220 Ourobolus* 08-17-2015 04:12 PM ET (US)	I still can't believe Neuro did that.
221 Sorian* 08-17-2015 04:13 PM ET (US)	/m220 So much focus on me offing Tucah day 1, which is funny because I was pro-town when I did all of that.
222 roytheone* 08-17-2015 04:13 PM ET (US)	BTW, sorian, how are you going to post in the main mafia thread now? Pretending that you never got into a game for some reason?
223 Ourobolus* 08-17-2015 04:14 PM ET (US)	I can see it now, in three days: "Uh, traube, shouldn't you prod Sorian? It's weird that he hasn't posted." "Who?"

224 traube* 08-17-2015 04:14 PM ET (US)	Well it is not like they don't know that he was in the game. lol But I suggest you just play along and act like you never played. Despite all your posts in the thread.
225 Soriano* 08-17-2015 04:16 PM ET (US)	/m222 Basically, if I want to make any post about Cthulhu I'm just going to pretend I'm an outside observer to the game. If anyone questions me directly, I'm going to pretend they are crazy. /m223 I'm waiting for this. I bet you they ask for a prod before today ends with the way I post so much. Edited 08-17-2015 04:16 PM
226 Blargonaut 08-17-2015 04:16 PM ET (US)	^oh wait I just read the rest, you're actually dead? <i>pfiffut</i> - I mean, ooooooo, that's harsh brah Harshppffftttttbwhahaah
227 Launchpad* 08-17-2015 04:16 PM ET (US)	This is going to be hilarious.
228 Soriano* 08-17-2015 04:17 PM ET (US)	/m226 Duh, why did you think I was here? Looking for tea time?
229 roytheone* 08-17-2015 04:18 PM ET (US)	So, how far is this going to go? Will the list in the main thread OP be changed? Crabs post with the allocations?
230 Soriano* 08-17-2015 04:20 PM ET (US)	/m229 The list in the Cthulhu OP is changed already, my name and Neuro's name are no longer there. The flavor text was also changed to say there were 21 survivors
231 Matt Attack 08-17-2015 04:22 PM ET (US)	Soriaaaaaaaaaan This sounds amazing.
232 roytheone* 08-17-2015 04:23 PM ET (US)	If you guys want me to play along with this little charade when I post in the main thread, I will gladly help!
233 traube* 08-17-2015 04:24 PM ET (US)	Wonder who will notice first that there should be more than 15 players left.
234 Soriano* 08-17-2015 04:25 PM ET (US)	/m231 I'm a little sad, I was looking forward to stringing them along for a couple more day phases. /m232 I don't mind if you back me up if I act confused in the main thread, don't bring it up unless someone questions me though. Not like GAF is even working right Edited 08-17-2015 04:25 PM
235 Blargonaut 08-17-2015 04:27 PM ET (US)	WAIT WHAT I JUST UNDERSTOOD WHAT'S HAPPENING LOL ZATOTH WHAT IS THIS HELLSCAPE YOU'VE BIRTHED
236 traube* 08-17-2015 04:27 PM ET (US)	crab will never allow me to run another game.
237 roytheone* 08-17-2015 04:28 PM ET (US)	/m234 don't worry, I will just pretend you never got into a game and if people say otherwise, I will point them to the player list and say they are misremembering

238 Soriana* 08-17-2015 04:29 PM ET (US)	/m235 Buahahaha, a part of me is happy I get to be a lynchpin in this madness. ----- Btw Traube, can you please tell me all 5 things the item can do? Darryl's coy act about it made me extremely curious. Are the rest of the things more normal one that took me out?
239 Matt Attack 08-17-2015 04:31 PM ET (US)	/m236 traube let anybody tell you this isn't going to be the greatest thing ever Edited 08-17-2015 04:32 PM
240 traube* 08-17-2015 04:32 PM ET (US)	Only the action that was used against you was "crazy". Rest is nothing special. I never thought anybody would use the 5th option. Well besides Blarg. :D Edited 08-17-2015 04:33 PM
241 Soriana* 08-17-2015 04:37 PM ET (US)	/m240 Let it be known that Tucah was avenged, I can't argue with results. Edit: Oh, OH. I hope someone is still suspicious of Neuromancer and opens up with a vote on him. Then Traube can go in there and say that you are only all in the game. Edited 08-17-2015 04:39 PM
242 Karkador* 08-17-2015 04:39 PM ET (US)	Typical Darryl move, erasing people from existence
243 Soriana* 08-17-2015 04:39 PM ET (US)	Pls, Darryl was too scared to use it. Someone else did.
244 traube* 08-17-2015 04:40 PM ET (US)	Well, that didn't take long.
245 Soriana* 08-17-2015 04:41 PM ET (US)	Aw, did someone figure it out already? Forums stopped working for me again, I can't even watch.
246 roytheone* 08-17-2015 04:42 PM ET (US)	So, if someone points to the earlier posts of soriana and neuro, you just gonna pretend they don't exist? Or that they are a glitch resulted from the downtime?
247 traube* 08-17-2015 04:42 PM ET (US)	Ultron noticed that you and Neuromancer are missing.
248 Karkador* 08-17-2015 04:44 PM ET (US)	GAF shitting the bed in the middle of this seems appropriate
249 traube* 08-17-2015 04:45 PM ET (US)	Did someone piss off the gamersgaters again?
250 roytheone* 08-17-2015 04:48 PM ET (US)	/m249 there was that thread about a bomb alert during a gamergate panel.
251 Soriana* 08-17-2015 04:48 PM ET (US)	/m248 I like to think that GAF is shitting the bed because someone is actually trying to delete all of my posts.
252	bleh, GAF's still down for me too :(

Blargonaut 08-17-2015 04:58 PM ET (US)	@Sorian: So both you and Neuro are basically erased from the player list, and you were part of a third faction? :o
253 Sorian* 08-17-2015 05:08 PM ET (US)	Just got in and saw the thread for a minute then refreshed and it's caput again lol they are upset that they don't know what my role is. This is just too good. /m252 Yes, I was a part of a different cult, Cthulhu is a scrub. Your death still blocked us from killing last night as well and since we didn't kill on night 1 either, the why I was so sure the third party was a vigilante, they needed something to counteract two cults picking people off. ----- Unrelated, Tim is totally Despair right?
254 SalvaPot 08-17-2015 05:52 PM ET (US)	lol GAF is dead. I honestly think danganronpa hope got this, the mechanic of reading peoples paths is the key to win.
255 roytheone* 08-17-2015 05:55 PM ET (US)	/m254 I wish I had the same confidence in my Archer Isis team members. We are really doing incredibly poorly up till now :(
256 Sorian* 08-17-2015 05:58 PM ET (US)	As a bad guy, I don't have faith that my team can take it from the tourists. I needed a little more time. Guess we'll see though, tourists don't know they have t only knocked off an ordinary cultist from each team.
257 roytheone* 08-17-2015 06:01 PM ET (US)	Oeh, GAF is back!..... For now.
258 Sorian* 08-17-2015 06:02 PM ET (US)	Lame, still dead for me. I'm already bored enough that I can't play but now I can't even watch either. <i>Zzzzzz.</i>
259 Launchpad* 08-17-2015 06:11 PM ET (US)	/m253 : "Unrelated, Tim is totally Despair right?" what makes you think so?
260 Sorian* 08-17-2015 06:15 PM ET (US)	He's been tripping my gut feeling since day 2 started. I don't think I could post anything concrete from the actual thread that indicts him but I've just had that Then I came here and read: /m21 and I feel a lot more convinced in my choice.
261 Blargonaut 08-17-2015 06:15 PM ET (US)	It came back for me for a bit, got a peek at the Day's update Darryl is dead too RIP Tourists
262 Karkador* 08-17-2015 06:15 PM ET (US)	Curious to hear this response, too
263 Launchpad 08-17-2015 06:21 PM ET (US)	/m260 : hmm I wonder...
264 Sorian* 08-17-2015 06:22 PM ET (US)	PS: For anyone who cares, I'm not going to spoil who my teammate(s) are but the list I posted at the end of day 2 were my honest opinions on who was what jumble up my thoughts on anyone actually on my team but I don't know who was on the Cthulhu team and I was happy to sniff them out during the day. I wa pro-town the entire time. Day 1, I was still a tourist and day 2, I wanted to kill Cthulhu cultists ASAP because I was hoping for town to never find out there v Edit: /m263 upupupu I'm sure, they should just kill Tim now, despair or not he is dangerous. I told my team to wreck Darryl on night 3 for the same reason once we could took care of that anyway. Edited 08-17-2015 06:24 PM
265 roytheone*	I am still completely baffled about el Topo's strategy. Does he want to get himself lynched??????

08-17-2015 06:30 PM ET (US)	
266 Soriana* 08-17-2015 06:40 PM ET (US)	Aww, I feel semi-bad. The cthulhu thread is making neuro out to be the bad guy.
267 Blargonaut 08-17-2015 07:11 PM ET (US)	<p>Okay, this creepypasta is getting real</p> <p>Remember my one post where I claimed in 3 separate sentences that I could secure a win for three factions if kept alive one more day? Where I mention Tou I threw out that nonsense G-Men line because I thought I could hint at a secret government XCOM-type faction which would fit in with the 'For Your Eyes C put on my puzzles, which was all part of my thematic foundation set-up for a potential role claim for myself later on.</p> <p>But then it turns out there are actually three factions in the game? So, my 'G-Men' are basically real?</p> <p>Then, I jokingly made my OVERRIDE: Soriana post saying that I had author's final editing privileges... but then Soriana ends up ERASED from the story by t</p> <p>Also, in my second post referring to G-Men, I strike out the G-Men line and say, 'Sorry, you.'</p> <p>Sorry = Soriana?, and who had been part of an actual 3rd faction all along? And who was basically stricken out of existence?</p> <p>BELIEVE it or not</p> <p>magiemofa.gif</p>
268 Soriana* 08-17-2015 07:21 PM ET (US)	<p>Blarg pls, you say so many random things that you could probably find coincidence in any of them.</p> <p>Fake Edit: I would subscribe to this creepypasta so far.</p>
269 Fireblend* 08-17-2015 07:32 PM ET (US)	Man, this is fucked. Traube, you make Lovecraft proud.
270 Soriana* 08-17-2015 07:35 PM ET (US)	<p>You know, with the way they are talking about Darryl being this mastermind with the orb, I wonder if anyone will link back to this post.</p> <p>http://www.neogaf.com/forum/showpost.php?p...8706&postcount=2590</p>
271 Fireblend* 08-17-2015 07:37 PM ET (US)	So, the way I understand it on Night 1 I was killed by one of the factions and you were targeted by the other one which ended up recruiting you instead?
272 Soriana* 08-17-2015 07:39 PM ET (US)	<p>/m271</p> <p>Correct, you were killed by Cthulhu's cult and I was recruited by some other Lovecraftian horror's cult (sorry Traube, I don't know much about Lovecraft)</p> <p>Prodigy was murdered by a town aligned vigilante who made a really odd decision in killing Darryl, I really thought they'd go for Coppa or Charleston.</p> <p>Edit: The sacrifice command that the cults have can either kill, turn insane, or recruit if the person was insane BEFORE the game started. 274 Soriana* 08-17-2015 07:44 PM ET (US)	You did good for town. I think Flame is the investigator. My cult has a blocker and I may have told that person to block Flame during night 2 on suspicion of :X
275 Blargonaut 08-17-2015 08:05 PM ET (US)	<p>Darryl getting offed early is somewhat understandable to me. I tried to set up Darryl's death from the start, by constantly hyping him up as some sort of horri demigod that would destroy everyone and everything. I witnessed his skill in the Animal Crossing game and didn't want to go up against that, no matter if he</p> <p>So, I figured the effect of my constant 'slander-wrapped-in-praise' would be subtly persuasive enough to convince people to consider him as a huge threat the ASAP, despite not knowing a thing about his role.</p> <p>Who knows if the negative influence of my hype contributed to the killer's decision at all, but Darryl's dead fairly early, so... >_></p> <p>...who am I kidding, his public reveal of the Time Cube and his possession of it was probably enough to seal his fate. :o</p>

08-17-2015 08:11 PM ET (US)	I told my cult to kill him night 3 as well so if the vig didn't do it night 2, he was just on borrowed time anyway. It didn't have anything to do with you though he challenged me near the end of day 2, he had the highest probability of turning the town against me. Edit: Oh and Launch, another reason why I think Tim is ultimate evil. He keeps trying to dissuade everyone from caring about "fight club." He earned browr up first but then immediately makes it so people feel that conversation about it would lead no where. Edited 08-17-2015 08:13 PM

Unless you were their investigator, there was was cult for sure at this stage in the game. /m283 Yeah Darryl spoiled your fun, when you sent me the PM on gaf I wasn't surprised at all at my situation, just surprised that it got used so early.
286 roytheone* 08-18-2015 05:06 AM ET (US)	I quickly skimmed the posts in the Archer thread that were posted when I was asleep, and now somehow Septimus prime thinks I was the investigator? WHA.....I.....HOW.....WHAT? How in the hell did he come to THAT conclusion? my death message was pretty clear about my role as doctor. Septimus alre wrong on day 1, but this is a really weird mistake. I am surprised he isn't called out on it more, only cabbeh and YesNO mentioned it.
287 roytheone* 08-18-2015 06:29 AM ET (US)	So after catching up fully: -Kristoffer his plan to test Ezekel his claim with el topo's gun is not bad, but one thing that stand out to me is that in all his posts, he seems to ignore the fact have tried to kill me N1 (blocked) and track me N2, which is if you think about it a super dumb move from topo if it was true. Kristoffer seems someone tha about everything, so I find it very suspect that he ignores that part of topo his claim. Also, he is pushing to lynch an inactive player (possum), which I am not because possum is probably not scum, this is an easy target for the KGB to use as a lightning rod to get the lynch votes towards. I am really suspect of Kristo -Ezekel is reluctant to go along with the plan is probably because he also sees that el topo his claim is super suspect, and he doesn't want to take the risk topo topo is the honeypot, shooting Ezekel N3 would out him, so I actually find this unlikely. Ezekel reluctance is understandable however. -palmer hint toward another power role is probably the Darryl cop thing burb told us about. -I already talked about septimus thinking that I was an investigator for some weird ass reason, but now I see he actually uses that as an argument for a vote on

	<p>is a scum tactic, because it is way to easy to be called out on this, but it is still very weird.</p> <p>-YesNO seems to be incredibly active today, and seems to mostly agree with kristoffer. However, she DID bring up both the septimus fuck up and the fact th me N1 and then tracked me N2 is super weird while a lot of people seem to miss that. That makes her pretty OK in my book for now.</p> <p>-Seath seems to be missing in action, but he did say he was going to the woods, and I don't expect anybody to lie about real life stuff, that is a very filthy tact</p>
288 roytheone* 08-18-2015 06:34 AM ET (US)	<p>If I was still alive, my tactic for today was to show an interest in lynching El topo or Seath, but would not be against lynching possum. Even though I would Kristoffer I would not let that show, because my main tactic as doctor was to try and avoid direct confrontation with active players, that could put me in a sp bad. I wanted to stay in the shadows for as long as possible and avoid attention to survive as long as possible and keep protecting people.</p> <p>Funny enough, a lot of people that go back and read though my posts seem to notice this and go: "well, Roy gave a couple of decent reads and he was kinda really stands out!" Yep, you are right, and that was 100% on purpose to avoid drawing attention!</p>

292 roytheone* 08-18-2015 07:49 AM ET (US)	<p>Would that fly though? He has said himself he used the camera on me N2 and thus he tracked me. YESno seems to think that also gives him information on which Topo can pretty easily say is not the case, but that would still mean he should know who I protected during N2, so people may pressure him in reveal protect N2.</p>

307 Blargonaut 08-18-2015 10:10 AM ET (US)	@Neuro: In hindsight, I think it would have been beneficial if, since you had decided to go nuclear already, you had openly role-claimed and posted your Ni at the end of Day 2 though?
308 Ourobolus* 08-18-2015 10:13 AM ET (US)	/m306 I honestly don't mind the cursing - and Darryl typically isn't doing it out of hatred, but I'm sure that's just some bias since I was on his team last game aggressively. 315 roytheone* 08-18-2015 10:36 AM ET (US)	BTW, because I am seeing this as one big training exercise now: Was my tactic as the doctor to try and avoid being in the spotlight and keep a bit in the sha good way to go? 316 Soriant* 08-18-2015 10:36 AM ET (US)	What are they going to do without us Blarg? Day 3 is going to end with like 50 posts max.
317 Ourobolus* 08-18-2015 10:38 AM ET (US)	roy - For the most part, I think that's an effective strategy. You need to provide enough input to not be at the top of the pack, but you also need to be "off" wif Mafia thinks you're worth keeping around, hoping you'll mislynch. It's a thin line, really.

Where did it come from and why does no one else seem to see it? It is written in a language you don't understand. But somehow you are still able to understand parts of it. From what you can tell these parts describe how to use magic. Using this book allows you to use one of the following actions during the next night phase. The price for these powers is your sanity. You will turn insane or your conditions are met, using these spells may even kill you (not exclusively to no. 5). Are you willing to take that risk? 1) Send a short message to the targeted player this night (max. 15 words) 2) Protect your target from one kill attempt this night 3) Block your target from using actions this night 4) Your vote will count twice during the next day phase (will be made public once you vote) 5) Your target AND you will perish from existence. You pay the ultimate price to remove both of you from existence. No one in this universe will know that there is no known way to stop this spell. You don't have to use the book's magic. After the night phase it will move to another player. A used spell may need some time before its powers can be harnessed. You can use only one of the spells. To activate a spell private message me the command BOOK: 1-5 during the night phase.</p>

372 roytheone* 08-18-2015 01:57 PM ET (US)	So basically this is what happened?: El topo is a third party that needs to kill certain people, he can kill every night. He randomly picked me N1 for no apparent reason, but got role blocked? He again target me N2, successfully this time. I am very curious why he choose me, was it really just random?

373 Soriant* 08-18-2015 02:04 PM ET (US)	Ezekel putting in work on Kris. Man, Archer was the boring game on day 1 and 2. Suddenly, I can't stop watching this train wreck.

375 roytheone* 08-18-2015 02:16 PM ET (US)	/m374 So basically the only reason that after two months of waiting because Crab managed to fuck up the replacement list, I now have to wait another 3 months of playing is just because I had the incredibly bad luck to be randomly chosen by a madman? I mean, I know it is all in the game, but damn if that isn't A LOT of bad luck :(

A do would count as losing an arrow though. He MUST kill 3 people to win, or else he just has to survive to the end.

408 Soriant* 08-18-2015 06:14 PM ET (US)	Topo really throwing in the towel? That's a shame, I feel like it's still easy to swing it so he doesn't get voted out today (KGB might NK him though).
409 Soriant* 08-18-2015 08:59 PM ET (US)	RIP Neuromancer "The situation is still absolutely abominable, and the problem is that speculating on it doesn't really do us much good as we really need to be trucking forwar Neuro had the item so there was no chance anyone was purposefully influencing him. 413 Soriant* 08-18-2015 10:35 PM ET (US)	Idk man, the Cthulhu thread is my gift to society. "Plus you trying to frame Soriant as some secret cultist and Neuro as some masked hero investigator was pretty ridiculous." I would have been such a good big bad for season 3.
414 Burbeting 08-19-2015 03:47 AM ET (US)	*Looks at Archer thread What happened, game? You used to be so peaceful when I was still alive :(((.
415 roytheone* 08-19-2015 05:25 AM ET (US)	/m414 they lost me, I was the glue that kept their sanity together. Without me, there is only madness.
416 roytheone* 08-19-2015 08:30 AM ET (US)	Caught up again with the archer thread, and to be honest, not much has happened. It is already pretty much certain that El topo will get lynched today, the idea of him testing ezekeel's claim doesn't seem to get much traction any more, only k seem to be still in favor, the rest isn't, including people that would have to unvolunteer to make it work. So now everybody is just making jokes and sometim for example, but thats kinda it. The day is basically as good as over. I do wonder where awesomepussum went, he hasn't even made a single post this day, hasn't he? He is even less active then razmos, the guy he replaced. Hav role two times in two cycles is kinda bad, but it seems it is inevitable here.

	Also, did Septimus Prime just misinterpreted ANOTHER role claim? He get's those more often wrong than right, it is becoming incredibly suspicious. This t getting my role power wrong, because I am still baffled how he managed to get from my role PM that I was an investigator....what?!, but still.
417 roytheone* 08-19-2015 09:07 AM ET (US)	Also, I only just saw visualante posting, so I pretty much have to do this, right? Clone bone!!!!!!
418 Ourobolus* 08-19-2015 09:12 AM ET (US)	I'm kinda sad El Topo is probably going to get lynched. I'd possibly argue that he could be useful if he kills someone that town wants dead. He's basically the Town a night kill, barring getting roleblocked. Sure, there are risks involved, but it gets them more information quicker. Edited 08-19-2015 09:14 AM
419 roytheone* 08-19-2015 09:29 AM ET (US)	/m418 I agree that it would be in his (and towns) interest if he took that tactic from the start and only shot on targets we wanted dead. He would get his 3 kill information and we could protect him at night from the KGB by using missions and power roles (aka, I would have protected him at night). However, the ch town went out the window as soon as he shot me. I was a player that bascially had no suspicion from anybody, so by targeting me without giving any reason cover that up with his failed NOLF claim made him look like a madman that targets people at random and can't be trusted. Bascially, shooting at me (or any as clearly town by almost everybody) was the worst decision he could have made.
420 Ourobolus* 08-19-2015 09:32 AM ET (US)	Yeah, I'm not sure why he spoke up so soon about his role. Either he should have been open about it from the start (which could still work out - Mafia would they thought he was going to take out one of their guys), or just kept quiet until he took out 3 people.
421 Sorian* 08-19-2015 09:44 AM ET (US)	Hindsight and all of that but he probably could have gotten away with it pretty easily by openly claiming day 1 and just letting town direct him. He only need would have protected him at night which means their protection wouldn't have messed up any of his shots and archer game is notorious for having no chance wouldn't have bothered blocking him because town would have been directing him at bad targets anyway.
422 roytheone* 08-19-2015 09:51 AM ET (US)	Targeting me without any good justification was his big mistake. If he said that he thought I was scum, maaaaybe town would be more open to using him, but I choose Roy for no real reason. Who in their right mind would trust someone that thinks that way? nobody.
423 Sorian* 08-19-2015 10:14 AM ET (US)	I think sometimes people see that they are a neutral role and automatically just start thinking they can do whatever with no real consequences so the logic of pops into their mind pretty quickly. Just my observation.
424 Sorian* 08-19-2015 12:25 PM ET (US)	Poor Ouro having to nab them replacements. Over in DR world, I hope they lynch Makai, I want to see his role info.

436 Soriant* 08-19-2015 01:11 PM ET (US)	I can help you out with the Cthulhu thread. If you know what happened with Matt Attach vs. Blarg then you can skip all of day 2. Day 1 was a lot of fumbler hints being around of who is aligned with who (there are a couple) there isn't really much. Then without me and Blarg, day 3 has been all of 2 pages which is TL:DR version, their town is completely incompetent (or easily swayed) and the only reason they've gotten results is because they have a vigilante on their s hard work. They are a million times more competent than Archer town though.
437 roytheone* 08-19-2015 01:16 PM ET (US)	/m436 hey, you take that bit about Archer town back! Sure, day 1 we lynched a town PR and day 2 we lynched a town drone, but they are now going to lynch pattern here? Day 4 they are going to lynch a KGB agent and day 5 a KGB PR, mark my words!
438 Soriant* 08-19-2015 01:18 PM ET (US)	Let's not call Topo lynched yet. I have faith that Archer town can find a way to let this one slip :D As a note about the DR game, I am going to be shocked if Tim and/or Crab are not despair. There is just no way. (It's Tim).

479 Soriano* 08-19-2015 06:47 PM ET (US)	Come on Corn, flip flop one more time, vote on Rest. Please, for science.
480 Launchpad* 08-19-2015 06:47 PM ET (US)	you shall see...
481 Hagi 08-19-2015 06:48 PM ET (US)	Damn crab, just damn
482 Soriano* 08-19-2015 06:49 PM ET (US)	Bah, the pinhead messed it up anyway. Fucking trainwreck all around. I hope Saw is a power role. I hope she is their super high school level doctor. Town do long.
483 Hagi 08-19-2015 06:49 PM ET (US)	lol tim is just baiting them now
484 Soriano* 08-19-2015 06:50 PM ET (US)	Tim wants them to vote for him, what power did you give him? He wants to use it. What is this Launch? What insanity did you create?
485 Hagi 08-19-2015 06:50 PM ET (US)	If she claims and Tim dies his pals will just kill her if it's an important role he's playing them like a damn fiddle
486 Soriano* 08-19-2015 06:51 PM ET (US)	Tim won't die, even if they all vote for him, he isn't dying.
487 Launchpad* 08-19-2015 06:51 PM ET (US)	Seems like you guys are going to have to wait for the next day phase, cus this town SUCKS
488 Hagi 08-19-2015	listen to goshu you fuckers

06:52 PM ET (US)	
489 Hagi 08-19-2015 06:52 PM ET (US)	I said it when they went batshit and dogpiled me on day 1 I really hope they lose
490 Soriant 08-19-2015 06:53 PM ET (US)	Saw might convince them to switch? I didn't realize the vote was still that close.
491 Hagi 08-19-2015 06:53 PM ET (US)	Even if they switch of her I still can't see them lynching Tim
492 Soriant 08-19-2015 06:54 PM ET (US)	Crab and Tim need to keep the game talk to their side forum, no reason to bat eye lashes at each other in public. It's gross.
493 Hagi 08-19-2015 06:54 PM ET (US)	lol damn shots fired Sorian
494 Soriant 08-19-2015 06:54 PM ET (US)	Oh wtf Crab, you're being ridiculous.
495 Hagi 08-19-2015 06:55 PM ET (US)	Crab must be a neutral role, I'm convinced
496 Hagi 08-19-2015 06:56 PM ET (US)	Saw just dropped a bomb but will they listen
497 Soriant 08-19-2015 06:56 PM ET (US)	OMG, Corn was useful!
498 Hagi 08-19-2015 06:57 PM ET (US)	Wtf is crab doing
499 Soriant 08-19-2015 06:57 PM ET (US)	IT MIGHT HAPPEN

504 Hagi 08-19-2015 07:00 PM ET (US)	"i swear to fucking god I have never been so disappointed in town until now" fucking Crab you are going to feel like such a twat
505 Soriana* 08-19-2015 07:00 PM ET (US)	Shit, I don't know who's vote was on who originally, I don't think that was a tie but idk what happened.
506 Hagi 08-19-2015 07:01 PM ET (US)	I'm as confused as Launch
507 Launchpad* 08-19-2015 07:01 PM ET (US)	10 votes for Czar. Zipped nailed him down.
508 Hagi 08-19-2015 07:02 PM ET (US)	YUSSSSSSSSSS I swear if his ability gets him off I'm burning Valiant HQ down Launch

510 Soriana* 08-19-2015 07:03 PM ET (US)	So, where's the big reveal Launch? You said I'd see an ability. WHERE IS IT? I'm too pumped right now.
511 Ourobolus* 08-19-2015 07:03 PM ET (US)	Czar is out? Lol
512 Soriana* 08-19-2015 07:04 PM ET (US)	Crab's dead. GG
513 Ourobolus* 08-19-2015 07:04 PM ET (US)	Oh shit I forgot about that

518 Soriana* 08-19-2015	Launch writing a novelization of the events of today.

519 Ourobolus* 08-19-2015 07:24 PM ET (US)	http://m.neogaf.com/showpost.php?p=175968444 This had me rolling
520 Soriant* 08-19-2015 07:25 PM ET (US)	Oh wow, and they get to know for sure he is despair. GG.
521 Soriant* 08-19-2015 07:29 PM ET (US)	DR game stunned into silence. No stupid gifs, no late jokes, nothing.
522 Crab* 08-19-2015 07:29 PM ET (US)	Excellent, one down.
523 Ourobolus* 08-19-2015 07:30 PM ET (US)	Hi Crab!
524 Crab* 08-19-2015 07:30 PM ET (US)	I knew it was either Sawneeks or Czar who was responsible for Salva's death, so I decided to set up a situation where at least one of them had to die.
525 Soriant* 08-19-2015 07:31 PM ET (US)	It was Tim, idk how this was even a debate for you? Hagi and I have been yelling at you all day.
526 Soriant* 08-19-2015 07:32 PM ET (US)	Though I'm not one to talk, I didn't think you'd be hope's doc.
527 Hagi 08-19-2015 07:32 PM ET (US)	Hey Crab! I'm confused with the write up Launch is Tim still in the game?
528 Hagi 08-19-2015 07:33 PM ET (US)	Looking forward for Corn to completely break down now he can't look to Crab for what to do. Flip flopping all day erry day.
529 Crab* 08-19-2015 07:33 PM ET (US)	It'd be a bit odd if he was, that's a crazy powerful mafia role if so. Essentially makes him count for two mafia, because he can swap himself out and get a kill lynched a second time.
530 Soriant* 08-19-2015 07:34 PM ET (US)	Tim is still in the game but they all know he is despair. His override came with the condition that he reveal himself instantly.
531 Crab* 08-19-2015 07:34 PM ET (US)	@Soriant; yeah, I was swinging more and more behind Czar. I was going to flip on him at the end (didn't have to, actually). I wanted Sawneeks to out because Sawneeks, so she needs protection. Now town knows.
532 Hagi 08-19-2015 07:35 PM ET (US)	So they are just going to waste the next day on him then? wow that's a mega role what the fuck
533 Soriant* 08-19-2015	@Crab, one of the first things I said when I got here was that Tim was scum. I'm glad I didn't have to wait long to see if true since Launch wouldn't tell me. @Hagi, I bet there is one less mafia than there would normally be because of his role.

07:36 PM ET (US)	
534 Crab* 08-19-2015 07:36 PM ET (US)	What? That's an absurdly powerful role. Man, I'm annoyed now. Czar literally gets to waste two days. if there are actually a full five despair and that's one of their roles, town will have to play super well. Edited 08-19-2015 07:37 PM
535 Karkador* 08-19-2015 07:37 PM ET (US)	I'm just gonna spoil it. CzarTim is still in the game. *sigh*
536 Hagi 08-19-2015 07:38 PM ET (US)	They should just all vote for him in the first 5 minutes but that would be too simple for this group so I expect at lease a whole day
537 Soriana* 08-19-2015 07:38 PM ET (US)	/m535 Not much of a spoiler. I was assuming but it's pretty obvious based on the end of day report. If Tim was out of the game, they would have seen his rol
538 Crab* 08-19-2015 07:39 PM ET (US)	yeah, their next day should just be an instant majority vote on Czar without discussion so as not to drop more hints. Hopefully the other protective roles reali Sawneeks to out.
539 Karkador* 08-19-2015 07:39 PM ET (US)	Also he'd be in here gloating
540 Crab* 08-19-2015 07:42 PM ET (US)	Seriously though who okayed that role in setup design? Does town have some super powerful roles I'm not aware of, or are there only three mafia or someth
541 Karkador* 08-19-2015 07:42 PM ET (US)	*sigh*
542 Crab* 08-19-2015 07:43 PM ET (US)	...what does that *sigh* mean?
543 Hagi 08-19-2015 07:43 PM ET (US)	You'll have to ask Launch but I think they want this a spoiler free zone. I can pm you who is mafia if you want though because he told me when i got murked
544 Launchpad* 08-19-2015 07:44 PM ET (US)	/540 What do you mean? Star Wars had a role just like this.
545 Launchpad* 08-19-2015 07:45 PM ET (US)	/m543 don't pls
546 Crab* 08-19-2015 07:45 PM ET (US)	Star Wars had it for town. It's not overpowered in town because town don't know who other town are, so they're just as likely to use an override on another to - just like traube did to barrylocke. When you give it to scum, you're essentially making that scum worth two, because you have to lynch him twice to kill him and he gets two extra kills while ; town because he knows who they are. Mafia governors are extraordinarily powerful roles. Edited 08-19-2015 07:46 PM
547 Launchpad* 08-19-2015 07:46 PM ET (US)	/m546 if you're asking if there are some balances, then yes.
548 Hagi 08-19-2015	Just putting the option out there Lunchbox! it's not like I'd post names in here.

07:46 PM ET (US)	
549 Karkador* 08-19-2015 07:47 PM ET (US)	I don't want to be overly critical of anyone's game right now, because I know firsthand that feeling like your game is broken, and/or a disaster, while you're demoralizing. Not that I'm saying this game is broken and/or a disaster.
550 Crab* 08-19-2015 07:47 PM ET (US)	Boo spoiler free is boring ;_; half the fun of last thread was the spoilers
551 Crab* 08-19-2015 07:47 PM ET (US)	Oh, I'm not saying it is. Just speculating as to what counterbalances it all. :3
552 Launchpad* 08-19-2015 07:48 PM ET (US)	Nah, screw you Crab. You come in here thinking I don't know what I'm doing. No spoilies for you.
553 Karkador* 08-19-2015 07:49 PM ET (US)	But there really wasn't enough time to check this game - both from my end, being a lot more busy, and Launch springing the game up out of nowhere and be it. Seeing it running for real, I didn't anticipate that it would be this difficult.
554 Karkador* 08-19-2015 07:50 PM ET (US)	Basically, Launch, Hope is fucked :P
555 Hagi 08-19-2015 07:51 PM ET (US)	lol you've threw everybody for a loop Launch nobody knows what's going on
556 Crab* 08-19-2015 07:53 PM ET (US)	man you have to tell me the setup now Launch I want to see what Kark means. :p
557 Soriant* 08-19-2015 08:55 PM ET (US)	Can we at least know how many despair total there are? Including Tim

566 Soriana* 08-19-2015 10:16 PM ET (US)	I will not tell you. I will say it is more than 1 AND THEY ARE NOT FUCKING COMMUNICATING AT ALL USING OUR SECRET FORUM which is a UGH. That being said, I think the insanity mechanic is good for town and everyone should use the item each night. Idk if you are following the thread but so cultist might be an insanity detector? I think that is true (don't know for sure) and the more temporary insane people there are, the more false positives that pe
567 Blargonaut 08-19-2015 10:19 PM ET (US)	If there are 15 players left, there's probably... 2 Cthulhu Cultists (started with 3, Lone_Prodigy died, so 2 left?) 2 Tumanikux Cultists (you dead, 2nd Cult can't have that many members... can it?) 11 Tourists DON'T TELL ME ANYTHING edit: lol can't math Edited 08-19-2015 10:30 PM

571 Soriana* 08-19-2015 10:46 PM ET (US)	I'm enjoying the shrine they erected in my honor at my passing. Tim's plot twist was pretty damn good but I'll enjoy reactions as Cthulhu dies and sees that I
572 Blargonaut 08-19-2015 10:48 PM ET (US)	So using the Book makes you temporarily insane, which an alleged Cultist Insanity Detector power role can detect by investigating players; so, when the Cu they can...? Temporarily-insane players can't be recruited?
573 Soriana* 08-19-2015 10:58 PM ET (US)	No, the temporarily insane can not be recruited. I'm just guessing what it does, up until this point no one has gone temporarily insane. Darryl did not use the wouldn't have mattered anyway, his role was already insane tourist) and no one else has had the opportunity. Night 1 Fireblend got sacrificed and I got sacrific Fire died. Neuro used the item but obviously that just made me and him poof so no insanity there. Edited 08-19-2015 10:58 PM

578 roytheone* 08-20-2015 02:57 AM ET (US)	Those Ddos attacks are becoming incredibly annoying..... Anyway, I see that el topo has decided to be a scary little chicken and hide in the replacement list to avoid having to confront me? Typical. I hope he doesn't get in another game. No wait, I hope he waits on the list for at least a month, replaces someone at the end of a day, only to be immediately replaced would be PERFECT. BTW, @ourob, I wanted to post a thank you in the main thread to the archer guys for avenging me, but seeing that they don't know for certain el topo killed : think anyone still has any doubt about that), I didn't know if that was allowed or not. Edited 08-20-2015 03:00 AM

580 roytheone* 08-20-2015 06:29 AM ET (US)	After quickly skimming the threads, it seems that should never be a doctor in a GAFia game, it will spell certain doom for you. Also, good on you Ourob for using the GOAT robin hood for your fluff images!

587 Soriant* 08-20-2015 11:51 AM ET (US)	I hope Charleston is a cultist. His play is so much fun to be wasted on the tourist side.
588 Soriant* 08-20-2015 12:27 PM ET (US)	Rats is so adorable. "Suffice to say, I have a theory, and if my theory is correct, we have the potential to win this game tomorrow." NO YOU DON'T YOU F MUAHAHAHAHAHAHA. I hope both cults get the killing action tonight and not the temporary insanity zzzzzzz power.
589 Karkador* 08-20-2015 12:52 PM ET (US)	To welcome Crab to the Krematorium, and give him something to do, I'm gonna engage in some talk about Dangan play here. So far, I think many of the players in Dangan have been playing well, particularly the people who are up against the pressure of being outed as PRs. So far, I may very well be pivotal to unraveling this madness, hasn't attracted much attention yet. I was horrified that Pau and Ty4on exposed their role, but on the other hand, they succeeded in finally shifting control of the conversation a bit. One of the traps of Mafia games (a trap I used when I played, too), is that if a baddie is first to go, people are going to put an irrational amount of trust in them. Although I think CzarTim is playing on Easy Mode (in which he can practically fuck around and "do well", no matter what happens), he had enough wits to avoid the trap. The whole "I wanna talk about fight club, but I don't want to talk about fight club" thing was bait to get someone to give up any little piece he could later claim as confirmation.
590 Ourobolus* 08-20-2015 12:54 PM ET (US)	I too was shocked about the Pau/Ty4on roleclaim, but at least Despair still has to figure out what exactly that means. They could definitely waste a night or two
591 Karkador*	They could, but they could probably get them lynched easier.

08-20-2015 12:56 PM ET (US)	
592 Karkador* 08-20-2015 12:59 PM ET (US)	Also, I really hope that CzarTim reveal was a shocking dose of reality for Makai and CornBurrito. Jesus christ.
593 Soriant* 08-20-2015 12:59 PM ET (US)	/m589 The fact that Tim brought up fight club first and then didn't want them to talk about it is exactly when I started suspecting him of being scum. Right w along the lines of "hey, I know I brought up these important mechanics but we shouldn't vote based on mechanics, we should vote on vanilla mafia play" was really up to shit. The mechanics are in place for a reason, ignoring them for some weird sense of wanting to play vanilla mafia is bull and should have been a The fact that everyone still flopped around for a day or two is baffling. I blame Corn.
594 Ourobolus* 08-20-2015 12:59 PM ET (US)	/m592 seriously.
595 Soriant* 08-20-2015 01:00 PM ET (US)	/m592 THIS. I have no clue what Makai is doing but jesus Corn, grow a spine and use your own thoughts. Stop latching to someone else and just parroting t over the place at the end of the day phase, I thought Corn might overload.
596 Karkador* 08-20-2015 01:02 PM ET (US)	As for AbsoluteBro, he seems to be hatching a plot to catch some mafia, and I like it. But I fear he'll drink the Makai Kool-aid, sponsored by Zippedpinhead
