1 Launchpad 07-29-2015 09:19 AM ET (US)	SCHEMING!  DESPAIR!
2 Barrylocke 07-29-2015 10:21 AM ET (US)	Upupupupupupu. Mwahahahahahaha!!  But Before we begin, I'm excited to be part of Danganronpa Mafia, and now getting more excited that I'm part of Team Despair.  First I want to clarify something with Launchpad:  "You are aligned with the Despair. You win when only Despair-aligned players remain." Is accurate? Not "You only win when Despair-aligned characters  And second of all, there's no generic townie post available for referencing. This is intentional? Not trying to squeeze too much out of you, but since those  Anyways, for my fellow minions of Despair, I'm glad to finally be meeting you soon in this special sanctuary of solitude, solidarity, and sinister solstices.  When I learned that it was time for me to become an active part of our grand plan of growing our sphere of Despair, I decided to bring along my most loyal  <a href="http://vignette3.wikia.nocookie.net/dangan...t?cb=20150129221526">http://vignette3.wikia.nocookie.net/dangan...t?cb=20150129221526</a>  When the darkness falls upon us, I can send one of my loyal minions to watch over a dorm room or other location within the school through a PM to our g rooms. Still, I am sure that with the help of my Devas, I will be able to pull my weight and be useful to our ultimate goal.  Let us be ready for beginning our time in this school. I look forward to working with you all.  (Boring Unflavored version: I can send a hamster to a location during the night, and find out who visited it, but not what they did. They will not be notice Edited 07-29-2015 10:55 AM

4 CzarTim 07-29-2015 11:00 AM ET (US)	swamped...
5 Launchpad 07-29-2015 11:03 AM ET (US)	@Barry: yes, the win condition is accurate. There's a reason for this. Also, this is one of the things I liked about Kark's game, giving different roles select  I see the Breeder role has chosen the correct player.
6 CzarTim 07-29-2015 11:08 AM ET (US)	So my role is an override but using it reveals myself as Despair-aligned  no using it on barry for a bus / fun. :(
7 Launchpad 07-29-2015 11:09 AM ET (US)	You can certainly bus him if you'd like, but you'll be outed, yes.
8 CzarTim 07-29-2015 11:12 AM ET (US)	Maybe I'll go full blarg and out half our team!
9 Launchpad 07-29-2015 11:14 AM ET (US)	Never go full Blarg bro.
10 CzarTim 07-29-2015 11:16 AM ET (US)	barry that's a dope role  I'll send the kill orders since I have no night action and the jig is up when I use my day action anyway. essentially if I'm on the chopping block I buy us on

11 CzarTim 07-29-2015 11:22 AM ET (US)	oh, it would help if I finished reading the role pm. sounds like the kill stuff is different, looks cool
12 Launchpad 07-29-2015 11:26 AM ET (US)	Yeah, I'll go into the specifics of how the map is going to work... once I've drawn the map. lol
13 CzarTim 07-29-2015 11:32 AM ET (US)	just ask kark to draw it. dude loves maps.
14 Launchpad 07-29-2015 11:37 AM ET (US)	I honestly don't think he'd have the time. lol
15 Launchpad 07-29-2015 11:38 AM ET (US)	Anyway, I actually have the map done and designed, but I need to prettify it.
16 swamped 07-29-2015 11:42 AM ET (US)	Omg. RNG God is terrifying. Right after I made that comment about CzarTim too? CRAZY!!
17 Launchpad 07-29-2015 11:43 AM ET (US)	I had the roles distributed yesterday, but only realized it this morning. We had a good laugh about it in the mod chat.
18 swamped 07-29-2015 11:45 AM ET (US)	I'm still in shock lol. I have a good feeling about this team. We are totally going to spread some DESPAIR around here. Launchpad - are we actually allowed to start to discussing the game? Is it ok if I talk about my role?
19 CzarTim 07-29-2015 11:46 AM ET (US)	swamped what does it say about your karma that you keep getting put on the scum team. are you like a nun and the universe is trying to balance itself out,
20 Launchpad 07-29-2015 11:48 AM ET (US)	@swamped: I guess you guys can discuss it here if you'd like. I can't really stop you and it wouldn't affect anything on a larger scale anyway.
21 Barrylocke 07-29-2015 11:49 AM ET (US)	I've already shared my role details Swamped and Launchpad's only chuckled and declared me "worthy of my role" (But obviously, I've loved critters since I'm sure you can share with us the skills you have to offer too. I'm also curious as to what CzarTim's official "Super High-School Level" is. EDIT: Unless we actually WEREN'T supposed to start discussing that, in which case...oops. *hides hamsters behind his cloak* Edited 07-29-2015 11:50 AM
22 Launchpad 07-29-2015 11:53 AM ET (US)	I'm not sure how much Kark or Matt policed the mafia chat in the other games, but I believe you guys should be free to discuss whatever information you
23 swamped 07-29-2015 11:53 AM ET (US)	@CzarTim - Hehehe...maybe I'm a nun who kills puppies? (noooooo I feel even joking about that, puppies are the only reason for living!) WELL then, I am the Super Duper High School Team Manager (total opposite of my avatar lol). I actually have no special powers, I can only send kill co
24 Barrylocke 07-29-2015 11:54 AM ET (US)	Yeah, I honestly don't see it being a huge thing in the grand scheme anyways. And it's not like there's much game to discuss since it's basically Day/Night
25 CzarTim 07-29-2015	Super High-School Level Debater so good at debating, I immediately drop the mic.

11:57 AM ET (US)	But I get caught in the cord and my jacket comes off to reveal I am a despair member :(
26 Launchpad 07-29-2015 11:58 AM ET (US)	LOL your description Tim
27 swamped 07-29-2015 11:58 AM ET (US)	That is too hilarious! Launchpad you're a genius. This game is going to be a blast. Curious about Splinter's role. Edited 07-29-2015 12:00 PM
28 CzarTim 07-29-2015 12:01 PM ET (US)	Hey guys... we should totally kill crab night one.  Like we have to.
29 Barrylocke 07-29-2015 12:02 PM ET (US)	Well this also suggests what I kinda figured, that there's likely new "supers" in the class from the games. And of course you can't necessarily use a super l  Which means that coming up with cover roles if need be shouldn't be too difficult. In fact, we could probably pull a "Super High School Level X" out of o
30 Launchpad 07-29-2015 12:02 PM ET (US)	LOLOLOLOL i would die
31 Launchpad 07-29-2015 12:03 PM ET (US)	Yeah, I purposely designed it so there's a disconnect with the source material. Actually, I originally had a role named the Fashionista, but to avoid discussi
32 CzarTim 07-29-2015 12:04 PM ET (US)	I don't even need to fake claim, mine could pass as town since the last two games the governor was town.
33 Ourobolus 07-29-2015 12:05 PM ET (US)	Lol Tim
34 swamped 07-29-2015 12:05 PM ET (US)	Yeah, coming up with cover roles shouldn't be too bad. Our win condition seems to be quite restrictive, we have to kill everyone? I suppose we could kill a bunch of people is they congregate in certain rooms. OR maybe Splinter's power is that he can convert students to despair or something? That would certainly help lol.
35 Barrylocke 07-29-2015 12:06 PM ET (US)	We could probably even just use our own roles and modify them if needed. We have many options for cover roles. Excellent.
36 CzarTim 07-29-2015 12:11 PM ET (US)	btw I have zero problem with getting bussed if it will help the team. In fact my role was made for it since I buy us a day. Just keep that in mind.
37 swamped 07-29-2015 12:12 PM ET (US)	We probably should not drastically alter our posting style compared to previous games, as that seems to get people suspicious. (*splinter is in luck here, ar
38 CzarTim 07-29-2015 12:14 PM ET (US)	already working on my post count :)
39 Launchpad 07-29-2015 12:15 PM ET (US)	I'm hoping Splinter checks in soon. He definitely has the most complex, but also most fun (in my opinion), role. At the very least, if it's too much for him
40 Barrylocke 07-29-2015	I apparently made a big impression on everyone with the original Mafia game, since the reason the man formerly known as Traube Overrode to me was b  I have a hunch that Splinter's role will technically make him our defacto leader. Edited 07-29-2015 12:20 PM

41 CzarTim 07-29-2015 12:22 PM ET (US)	Yeah being as honest as possible is best here. Easier to be consistent when you're honest. Basically try to forget what you know as scum and think of the g
42 Launchpad 07-29-2015 12:24 PM ET (US)	Empty your mind. Empty your mind of everything that doesn't have to do with being town. Being town and breathing.
43 CzarTim 07-29-2015 12:27 PM ET (US)	I was looking forward to being town this game because people wouldn't say me posting too much is scummy :( e: to clarify I'm super excited to be on the scum team with you guys (3 SW vets on the team!) It'll be a lot of fun. It's just that all last game I kept thinking Edited 07-29-2015 12:38 PM
44 Splinter 07-29-2015 12:40 PM ET (US)	Oh boy oh boy oh boy, I'm so excited
45 CzarTim* 07-29-2015 12:41 PM ET (US)	what's your role?????
46 Splinter 07-29-2015 12:48 PM ET (US)	So my role is the Super High-School Level Imposter. I can create a disguise of ANYONE (except the bear thing, presumably) and then anyone who sees 'i Basically, I can handle our kill orders safely. Not sure if there is any utility beyond that, I don't know how locations work. Oh and the only limitation is it takes me a night to create a disguise, and I only keep 1 disguise at a time. Launchpad during that night am I unable to do ar
47 CzarTim* 07-29-2015 12:49 PM ET (US)	whoa awesome
48 Splinter 07-29-2015 12:49 PM ET (US)	And FYI I'm in the UK and can't generally post during the 9-5, so I'll be active from around 'now' most days.
49 CzarTim* 07-29-2015 12:49 PM ET (US)	this is going to awesome! Is the disguise one use? e: Like is it N1: make disguise N2: use disguise N3: make new disguise. Or does the n1 disguise keep until the person's dead. Edited 07-29-2015 12:55 PM
50 Splinter 07-29-2015 12:54 PM ET (US)	Nope, reusable until I make a new one
51 Launchpad 07-29-2015 12:55 PM ET (US)	I'll assume that, unless you tell me you don't want to use the disguise in a PM, that you'll be using the disguise you're currently equipped with. You can't ta
52 CzarTim* 07-29-2015 12:55 PM ET (US)	ok sweet. don't get lynched lol
53 Launchpad 07-29-2015 12:56 PM ET (US)	And I guess since the cat's out of the bag and I'm posting role explanations here, I'll just tell you guys there's no trickery among you mafia folk. No double Edited 07-29-2015 12:56 PM
54 swamped 07-29-2015 12:59 PM ET (US)	Oooo splinter's role will give us a ton of possibilities for max shenanigans!
55	Good. I'm not gonna lie I kinda wondered that for a split second about Swamped. Good to know that I can still trust my large sized comrade.

Barrylocke 07-29-2015 12:59 PM ET (US)	
56 CzarTim* 07-29-2015 01:00 PM ET (US)	launch, if you could just post the rest of the roles and who has them, that'd be great.
57 Launchpad 07-29-2015 01:02 PM ET (US)	I was kind of worried about Splinter since he's new, but he seems to have a good grasp on his role. Maybe I shouldn't have posted explanations here.
58 CzarTim* 07-29-2015 01:03 PM ET (US)	how would a spy even work when the names are known.
59 CzarTim* 07-29-2015 01:04 PM ET (US)	first post of day one: "here's the scum team, lynch me to confirm."
60 Launchpad 07-29-2015 01:05 PM ET (US)	Well, yeah, I don't really know how I would have implemented something like that. But, there isn't one.  At least, there's no fuckery *in here*. Edited 07-29-2015 01:06 PM
61 Ourobolus* 07-29-2015 01:11 PM ET (US)	Launch, you're deflecting! You should probably tell them that Tim is a spy
62 CzarTim* 07-29-2015 01:12 PM ET (US)	How's this for a setup:  23 players. 6 scum, all ordinary goon except 1 traitor. Traitor MUST be alive at the end of the game with all scum dead to win. Mafia vote for the night ki
63 Launchpad 07-29-2015 01:12 PM ET (US)	I'm not deflecting, I'm just outright lying.
64 CzarTim* 07-29-2015 01:12 PM ET (US)	I can prove I'm not a spy. Unfortunately I prove it to everyone.
65 Barrylocke 07-29-2015 01:12 PM ET (US)	El Topo: Eh. He's okay. People just think that he's great because of how incredibly horrendous most other characters in Danganronpa 2 are, most notably C  He's lucky he's not a student of our school.  CzarTim: even though I have no idea wtf you people are talking about, I will side with El Topo because I like being on the the wrong side of history.  I suppose it's best to build up alter egos early on. Very clever.  (Yeah, I know that CzarTim has actually never played this game.)
66 Launchpad 07-29-2015 01:13 PM ET (US)	Barry with the pre-game meta-game
67 Splinter 07-29-2015 01:16 PM ET (US)	Let's kill Barry first
68 CzarTim* 07-29-2015 01:17 PM ET (US)	I'm going to be perfectly honest with you people, I probably would have used my override ability on barry day 1 if it didn't out me. Just for the lols
69 Launchpad 07-29-2015	Fun fact: Barry's role was originally going to be super broken and going to allow him to stealth kill in addition to snooping (though not on the same night)

70 swamped 07-29-2015 01:24 PM ET (US)	<a href="#">/m55</a> Once a traitor always a traitor eh? Fortunately I'm a Despair member through and through, just with no cool powers like you guys lol.
71 CzarTim* 07-29-2015 01:25 PM ET (US)	BTW no one should talk about serial killers in the main thread. Especially early on. Since the SK is scum's biggest threat, a common mistake for scum is t
72 Splinter 07-29-2015 01:30 PM ET (US)	Barry can watch four locations every night? How many locations are there? That seems super useful  *sigh* I guess we won't kill Barry
73 Launchpad 07-29-2015 01:31 PM ET (US)	Nah he can only watch one location per night.
74 Barrylocke 07-29-2015 01:33 PM ET (US)	I shall only send one of my Four Dark Devas of Destruction out at a time. I just mentioned the four because they are all my precious companions and I lov
75 CzarTim* 07-29-2015 01:33 PM ET (US)	does barry even know how to play this game after day three.
76 Splinter 07-29-2015 01:34 PM ET (US)	Oh, oh well. I guess location kills might also give some info on people's movements. Probably worth using if we aren't super set on a specific target. On the other hand
77 CzarTim* 07-29-2015 01:35 PM ET (US)	I'm assuming we'll be in locations too.
78 Barrylocke 07-29-2015 01:40 PM ET (US)	I have a few fun ideas for location kills. The most notable one came to mind when I realized how risky it would be for our Debating companion to take co
79 Splinter 07-29-2015 01:40 PM ET (US)	Yeah but we'll (mostly) know where we are
80 Splinter 07-29-2015 01:41 PM ET (US)	Most of our suggestions so far have been to kill each other. This is going to be fun
81 CzarTim* 07-29-2015 01:43 PM ET (US)	you mean after I reveal myself? the point would be to make them waste 2 days (one on my override and the next on me)
82 Barrylocke 07-29-2015 01:49 PM ET (US)	It's true that that's the best way to go about it. But what if, assuming that this is how things will go, we suspect that many people will look into Czar and ge I'm definitely not gonna say it's the best way to go, but it is something to consider as an idea. If nothing else the SNEAKINESS of it all makes it more app
83 CzarTim* 07-29-2015 01:52 PM ET (US)	I'm all for sacrificing myself, I just want the most bang for our buck since there's only 4 of us and apparently we gotta kill everyone.
84 CzarTim* 07-29-2015	Real talk though, if we don't kill crab on night one we will regret it for the rest of our lives.

01:53 PM ET (US)	
85 Splinter 07-29-2015 01:55 PM ET (US)	Maybe Czar can leave his room, and we'll kill anyone who looks in there without killing him. Don't know if that's possible Edited 07-29-2015 01:55 PM
86 Launchpad 07-29-2015 01:56 PM ET (US)	@Splinter: that's not possible
87 CzarTim* 07-29-2015 02:00 PM ET (US)	I'm headed out. Will check back tonight. This is going to be a blast guys!
88 swamped 07-29-2015 02:03 PM ET (US)	I think the room mechanics will make more sense once Launch posts about it.
89 Splinter 07-29-2015 02:05 PM ET (US)	If we knock down a wall turning two rooms into one, can we kill everyone in this new "super room"?? (Ok, I'll wait for the actual explanation)
90 swamped 07-29-2015 02:29 PM ET (US)	<a href="#">/m89</a> Monokuma will kill us all for vandalizing the school XD
91 Barrylocke 07-29-2015 02:51 PM ET (US)	So I've been listening to <a href="#">Monokuma-Sensei's Lesson</a> a lot while handling the two threads. It helps me to get into the proper mood.
92 Launchpad 07-29-2015 03:00 PM ET (US)	Now I've got it stuck in my head. That whole soundtrack is ace.
93 CzarTim* 07-29-2015 10:54 PM ET (US)	<a href="#">/m89</a> lol!
94 CzarTim* 07-30-2015 12:12 AM ET (US)	Another idea for my role is if someone claims cop I can take them out immediately to prevent doctor shenanigans.
95 CzarTim* 07-30-2015 12:13 AM ET (US)	Also I am super paranoid I'll accidently post in the ONUW thread since they look the same
96 CzarTim* 07-30-2015 12:24 AM ET (US)	Launch, how will my alignment reveal look when you post it? Will you just say "czar is a member of disrepair?"
97 swamped* 07-30-2015 01:20 AM ET (US)	<a href="#">/m95</a> That's a real danger alright. I keep double-checking the topic title lol. About Splinter's role: Do you need to know the role of the person before disguising yourself? Also, I was thinking about how to play on the first day. In the SW game, at the very beginning, remember how Terrabyte (I think?) randomly voted for Pa
98 CzarTim* 07-30-2015 01:26 AM ET (US)	That makes sense for you swamped. You may have only been in the game one day, but having a different play style this time might trick people into think I need to play the same. Barry has an out meta wise after last game. And Splinter is new so no meta yet.
99 swamped* 07-30-2015	Alright! Don't worry, I won't vote for you three, that might be too obvious...

01:31 AM ET (US)	
100 Splinter 07-30-2015 07:31 AM ET (US)	God fucking damnit I typed a long ass post on mobile but forgot to put a username in so I lost it.  The short version: if someone claims cop (or similar), Czar should counterclaim it.  Swamped: I dont need to know their role. As far as I know we have no way of knowing any town roles anyway(?)  Czar: I am totally down for rebranding ourselves "The Disrepair"
101 Splinter 07-30-2015 07:35 AM ET (US)	Sorry I know I said I'd wait but I have another question about rooms  What would happen if I targeted my own room? Surely I wouldn't kill myself?
102 CzarTim* 07-30-2015 07:45 AM ET (US)	Disrepair is the new hurt.  Does your disguise expire when the person dies?
103 CzarTim* 07-30-2015 07:47 AM ET (US)	cc'ing the cop is what I was thinking too. If I can get them to mislynch the cop and then keep myself from being lynched the next day with an override, the
104 CzarTim* 07-30-2015 07:48 AM ET (US)	my only concern is vigilantes.
105 Splinter 07-30-2015 08:03 AM ET (US)	I keep the disguise, although I cant really see any reason to use it other than 'for teh lolz' (speaking of which, I'm super looking forward to killing someone
106 Splinter 07-30-2015 08:06 AM ET (US)	<a href="#">/m103</a>  Exactly, and the worst case scenario is they decide to lynch you instead and you swap it to the cop anyway. We'd lose you the next day (or overnight, forgot
107 Launchpad 07-30-2015 08:19 AM ET (US)	<a href="#">/m96</a> I haven't quite decided, but I'll probably do a flavor text saying something to the effect of "Czar couldn't withhold his arrogance any longer and start  Splinter's role only copies appearances, he gets no information about them.
108 CzarTim* 07-30-2015 08:27 AM ET (US)	ok cool. I just wanted to know if it'd be revealed I was always scum since I was going to claim my ability made me switch factions just to fuck with them.
109 Launchpad 07-30-2015 09:00 AM ET (US)	I also have to correct myself. I didn't know we'd decided as a group to post the normal town roles in the OP as an example. I'll be adding that in sometime
110 traube* 07-30-2015 09:23 AM ET (US)	So you are cahooting after all!  Sorry to bother you. But I had to say it.
111 Launchpad 07-30-2015 09:24 AM ET (US)	For a second there, I forgot traube was a mod and saw an email with his name and this board come up. Figuratively shat my pants thinking I'd somehow p
112 swamped 07-30-2015 09:36 AM ET (US)	Alternatively if someone claims cop and everyone believes them, Splinter could disguise himself as that person and kill someone. That would bring doubt  I feel like Splinter's ability is very important. Under no circumstances can we let those ignorant hope-filled students even speculate that there's an imposte
113 swamped 07-30-2015 09:57 AM ET (US)	@traube seriously, you have no idea how flabbergasted I am. Almost didn't believe the roles were picked randomly lol.
114 CzarTim*	<a href="#">/m112</a> agreed.

07-30-2015 11:10 AM ET (US)	
115 Launchpad 07-30-2015 11:18 AM ET (US)	Is anyone else having trouble getting on this board? Splinter just PMed me he can't get on
116 Ourobolus* 07-30-2015 11:22 AM ET (US)	I'm here fine.
117 CzarTim* 07-30-2015 11:22 AM ET (US)	post a link in the main thread and ask if everyone can access it
118 Launchpad 07-30-2015 11:22 AM ET (US)	Good idea.
119 swamped* 07-30-2015 11:33 AM ET (US)	I can access it no problems. I finally made a real account too!
120 traube* 07-30-2015 11:46 AM ET (US)	<a href="#">/m115</a> Only with this specific board or quicktopic.com?
121 Launchpad 07-30-2015 11:47 AM ET (US)	Not sure
122 traube* 07-30-2015 11:49 AM ET (US)	Let him try the dead message board from the previous games.
123 Launchpad 07-30-2015 11:50 AM ET (US)	I told him to clear his cookies and report back
124 Splinter 07-30-2015 11:56 AM ET (US)	I swapped browser, probably should have tried that sooner :p Stupid captcha
125 Barrylocke 07-30-2015 12:21 PM ET (US)	I sometimes have issues accessing quicktopics on mobile, possibly because of IPs changing all the time. 126 CzarTim* 07-31-2015 12:39 AM ET (US)	Another thought, depending on how the room stuff works out, is we withhold our kill n1 while we wait for splinter's disguise to come online. I'm guessing
127 Splinter 07-31-2015 07:33 AM ET (US)	Well lets see where the D1 conversation goes, but yeah its not a bad idea. They'd maybe waste a lot of time discussing the N1 save that didn't happen
128 swamped* 07-31-2015 10:25 AM ET (US)	Ooo i do like the sound of not killing N1. There could be plenty of discussion the next day about that. There might be some student roles that can only go I'm thinking something along the lines of Super Duper High School Glutton - can only go to the kitchen at night lol.

131 Splinter 08-01-2015 08:09 AM ET (US)	Man I suck at ONUW, no idea what is going on in that game. LoC is entertaining though, and I think KingKitty has been on a train for a full week now
132 CzarTim* 08-01-2015 08:13 AM ET (US)	we may have fucked up by not voting nin, but eh.

139 CzarTim* 08-01-2015 10:39 AM ET (US)	you should never kill someone unless splinter and myself are dead
140 CzarTim* 08-01-2015 10:39 AM ET (US)	my role is basically designed to be expendable.
141 CzarTim* 08-01-2015 10:41 AM ET (US)	<a href="#">/m137</a> oh wait sorain isnt in our game lol

143 LaunchpadMcQ* 08-01-2015 10:42 AM ET (US)	Well, the mafia chat will be made public after the game is over. I was also trying to wrap my head around that, though. lol

157 Barrylocke 08-01-2015 02:24 PM ET (US)	My thought process was that it'd have to do with whose rooms you pass by. Especially if they ask how we'll get to the room. Maybe there's some character I wasn't paying much attention to the AC game but weren't there roles that did similar things there?
158 CzarTim* 08-01-2015 02:25 PM ET (US)	there was a role that alerted when someone moved in the area, yes
159	which is why splinter is our most important person and he can't die.

CzarTim* 08-01-2015 02:26 PM ET (US)	no pressure
160 Splinter 08-01-2015 02:48 PM ET (US)	Pah, fine. Ill save my high risk day I plays for another game then
161 swamped* 08-01-2015 03:23 PM ET (US)	Not only is splinter important, nobody should have an inkling that he has the ability to disguise himself. I wonder...If Splinter is making a costume, can trackers/watchers hear that? Presumably he'd be doing it in his room. What if trackers can hear what happens? This is my second game and first time as full Mafia. I'm gonna do my best, but if I do anything silly do let me know XD
162 LaunchpadMcQ* 08-01-2015 04:30 PM ET (US)	If you start doing silly things, I will 100% not let you know. Promise.

164 Splinter 08-01-2015 07:23 PM ET (US)	Since the game is starting early, I'm gonna pretend I haven't noticed. Don't think I've posted in any mafia threads for a few days
165 Splinter 08-01-2015 08:26 PM ET (US)	How did CornBurrito know the two factions are called Hope and Despair? Possible power role or is it super obvious to anyone that's played the games?
166 swamped* 08-01-2015 08:35 PM ET (US)	I think it's ok, because Launchpad used 'Remnants of Despair' in the OP, and he also posted an example role which explicitly says the 'ordinary student' is
167 Barrylocke 08-01-2015 08:40 PM ET (US)	Yeah, it's pretty obvious for people who've played that game that if the town side is aligned with hope, then we are aligned with despair. It's only fitting that EDIT: Having said that though, now that you got the thought in my head I can't quite shake it off. I'm not saying we should immediately go for CornBurrito On a side note, I do kind of like how our mafia came down with two people who are familiar with the source material (Me and Swamped) and two people Edited 08-01-2015 09:12 PM

177 CzarTim* 08-02-2015 01:52 AM ET (US)	splinter maybe take it easy a bit when you're accused. you can write off that mega post as newbie jitters, but one vote on day one is not anything to worry barry I presume that posting style is from the game, but it's kind of weird for someone who hasn't played it. just keep that in mind if someone calls you ou

265 CzarTim* 08-03-2015 02:00 PM ET (US)	TB has been acting super weird though. He didn't respond to my questions and is still voting for gosh. He is complaining that people are hiding behind me
266 Barrylocke 08-03-2015 02:00 PM ET (US)	I'm still trying to make a post of my "thoughts". I was busier at work so I've only gotten a chance to look harder at the recent developments now. The one thing that would prevent me from wanting to vote for him was his warning about slowing down on the theory talk

268 Splinter 08-03-2015 02:14 PM ET (US)	<a href="#">/m265</a> Yeah I considered pointing out the hypocrisy but my post was getting too long and I wanted to pair Barry with someone. I think Terra is the most likely power role so far, so we should kill him sooner rather than later. I'll have to impersonate someone else.
269 CzarTim* 08-03-2015 02:19 PM ET (US)	one thing about TB though is he was kind of quiet last game too. It's just when he did post he was usually much more on point.
270 swamped* 08-03-2015 02:24 PM ET (US)	So I'm going to post my top three suspects some time this evening, should I include on of you in it? Id rather not include Barry though as he had been flyin
271 Splinter 08-03-2015 02:25 PM ET (US)	Wait Barry was that a quote of what you might post? You aren't mentioning roles are you? We just nailed Corn for that
272 CzarTim* 08-03-2015 02:26 PM ET (US)	nah don't include us at this point. splinter throwing shade at me buys us some breathing room and splinter and barry are too important to lose
273 CzarTim* 08-03-2015 02:31 PM ET (US)	splinter take a few minutes before responding to kgtrep, let's think this through
274 Splinter 08-03-2015 02:34 PM ET (US)	lol yeah Im not taking the bait this time, I think that accusation is silly enough to ignore. It does stop me from attacking his non response to Sawneeks though *shakes fist*

284 Splinter 08-03-2015 02:46 PM ET (US)	Who are in cahoots? He already said me, saw and Hagi are, didnt he?
285 CzarTim* 08-03-2015 02:46 PM ET (US)	kgtrep's initial theory on those three was purely based on him checking forum activity on everyone which we had said in the off season should be frowned
286 Splinter 08-03-2015 02:48 PM ET (US)	Also fun fact: that conversation was in fact orchestrated. I was hoping someone would call me out on missing people and got super lucky that it was sawn

Since my role exposes myself anyway, I'd much rather go ahead ar - the quicker I die the less they'll have to connect us (speaking of I really need to buddy up to some other people today.)

11:22 AM ET (US)	Maybe he's really banking on a doctor to protect him.
369 CzarTim* 08-04-2015 11:23 AM ET (US)	yeah, the question is if we risk a n1 kill on him
370 CzarTim* 08-04-2015 11:25 AM ET (US)	i was trying to think of a way to say "i dont believe you" to draw him out, but cant think of a way to say that naturally.
371 CzarTim* 08-04-2015 11:26 AM ET (US)	if someone mentions it maybe I should say "I doubt it"
372 swamped* 08-04-2015 11:29 AM ET (US)	Actually, he could be doctor...why do you think cop? thinking about it more, doctor is more likely. He says that 'students should use the manual undetecte
373 CzarTim* 08-04-2015 11:30 AM ET (US)	oh good point.
374 CzarTim* 08-04-2015 11:35 AM ET (US)	the reason i thought cop is because he said "undetected"
375 swamped* 08-04-2015 11:35 AM ET (US)	And if he is doctor...nobody can protect him, right? I would strongly consider killing him tonight, let's see if he says anything else
376 CzarTim* 08-04-2015 11:36 AM ET (US)	gosh could swap him
377 Launchpad 08-04-2015 11:38 AM ET (US)	You know, it's funny, Ouro's mafia chat does not respond well to me at all. I guess it's cus some of them have actually played with me in the past heh...
378 CzarTim* 08-04-2015 11:39 AM ET (US)	tell them we said be nice to you or they'll be expelled.
379 Launchpad 08-04-2015 11:40 AM ET (US)	Actually, not responding well is an overstatement. They're just not responding.
380 CzarTim* 08-04-2015 11:43 AM ET (US)	are they as talkative as us?
381 Launchpad 08-04-2015 11:44 AM ET (US)	Hmm actually, not really. They've got 100 posts total.
382 CzarTim* 08-04-2015 11:50 AM ET (US)	our thread is dead. apathy ftw
383 swamped* 08-04-2015	Poor Launchpad. At least we love our great despair-filled Monokuma overlord.

11:57 AM ET (US)	
384 swamped* 08-04-2015 11:57 AM ET (US)	Oh yeah forgot about goshu
385 Splinter 08-04-2015 12:00 PM ET (US)	Yeah dont defend me too often guys :P  I didnt want to kill kgtrep too soon since hes the only one throwing any real accusations at me. If hes a cop though that changes things.  Still, I dont believe anything will come of the card nonsense, so we have some time.
386 Splinter 08-04-2015 12:08 PM ET (US)	Actually, really torn on the kgtrep situation. Do you think he is generally trusted in the town? I dont remember many people attacking him. I was his only  Think I'll make a costume of Kalor. I might call him out a bit in day two but I doubt he will ever be lynched, so he's in the game until we decide to remove
387 CzarTim* 08-04-2015 12:18 PM ET (US)	kalor is a great choice. I was also going to suggest saw or Hag since anyone seeing you make the costume of them would know kg's theory isnt true since
388 Barrylocke 08-04-2015 12:27 PM ET (US)	How many people do you think have detected kgtreps hint drops? He may be another hamster patrol candidate. Then again, I believe inebriated me was cc  I need to change my vote on ViviOggi eventually. His recent posts are pretty townie (I like <a href="#">this one in particular</a> . It wouldn't do any good to feign suspicio
389 CzarTim* 08-04-2015 12:31 PM ET (US)	yea wanna see how they react to it
390 swamped* 08-04-2015 12:41 PM ET (US)	KGB messed up big time in Ouro's game, haven't they?  Kalor is a good choice for disguise. But do you think anyone is going to be watching him? I think everyone has forgotten he exists lol.
391 CzarTim* 08-04-2015 12:43 PM ET (US)	unless he goes to a room with a town watcher I cant imagine anyone watches him. town watchers should be on the likely kill target
392 Launchpad 08-04-2015 12:44 PM ET (US)	@swamped: Hmm I wonder if it's ok to discuss Ouro's game in here... I won't comment on what you say, but what makes you think they've messed up?
393 swamped* 08-04-2015 12:45 PM ET (US)	In that case, seems like Kalor is a perfect disguise.
394 CzarTim* 08-04-2015 12:47 PM ET (US)	@Launch just remember if our game ends before their's not to publicly post this thread if we talk about the other games
395 Launchpad 08-04-2015 12:47 PM ET (US)	@Czar: I was also thinking that there's a possibility you might be called on to sub.
396 CzarTim* 08-04-2015 12:48 PM ET (US)	i doubt that happens at this point so many people have been added to the list
397	Deleted by author 08-04-2015 12:53 PM
398 swamped* 08-04-2015 12:50 PM ET (US)	Ohhh yeah forgot about subbing. Should i delete my post
399 Launchpad 08-04-2015	You're 4th on the list Czar and I already called on the first person.

12:50 PM ET (US)	
400	Deleted by author 08-04-2015 01:15 PM
401 Launchpad 08-04-2015 12:52 PM ET (US)	I mean, realistically, I'm not worried about Czar, he's not easily swayed and he's got a good head on his shoulders. But in the interest of applying the rules
402 Launchpad 08-04-2015 12:53 PM ET (US)	<a href="#">/m400</a> damn I fucked up
403 swamped* 08-04-2015 12:54 PM ET (US)	Just in case...i deleted it lol. Won't discuss either of the other games anymore!
404 CzarTim* 08-04-2015 12:54 PM ET (US)	it's cool, as long as we dont make it super obvious why I cant join the game, it's fine
405 Launchpad 08-04-2015 12:56 PM ET (US)	Naw I better cop to it. It wouldn't be fair if you did join the game after knowing all that. Well, I'll bring it up if it comes down to it. Edited 08-04-2015 12:58 PM
406 CzarTim* 08-04-2015 12:58 PM ET (US)	no i mean i dont want our game to know we're talking for obvious reasons
407 CzarTim* 08-04-2015 12:59 PM ET (US)	"accidently" miss me on the list
408 Launchpad 08-04-2015 12:59 PM ET (US)	Oh, no, I wasn't going to mention it in public at all. Just in the mod chat.
409 Barrylocke 08-04-2015 01:00 PM ET (US)	And this is the trouble with very talkative moderators, eh?
410 CzarTim* 08-04-2015 01:00 PM ET (US)	@launch, thats fine, you can do that.
411 Launchpad 08-04-2015 01:00 PM ET (US)	@Barry: Yes, I know. :c Edited 08-04-2015 01:01 PM
412 CzarTim* 08-04-2015 01:08 PM ET (US)	our game is deeeeaadddd let's keep it that way
413 swamped* 08-04-2015 01:17 PM ET (US)	Ugh it's agonizing. Crab, say something!
414 CzarTim* 08-04-2015 01:20 PM ET (US)	yeah as much as crab was saying he didnt want things to wait until the last day, things sure are headed that way. No clear candidate at this point.
415 CzarTim* 08-04-2015	yess, thank you saw for sowing dissent. TB must die.

01:31 PM ET (US)	
416 Launchpad 08-04-2015 01:32 PM ET (US)	traube wandered in here and was thinking the deleted posts were mine lmao everyone assumes the worst of me :c
417 CzarTim* 08-04-2015 01:36 PM ET (US)	your secrets are safe, traubey
418 Ourobolus 08-04-2015 01:38 PM ET (US)	Thanks a lot, Launch. :(
419 Launchpad 08-04-2015 01:39 PM ET (US)	Dammit all. I'm going to recuse myself.
420 swamped* 08-04-2015 01:47 PM ET (US)	Go go team CornSaw!
421 CzarTim* 08-04-2015 01:57 PM ET (US)	calling it now. swamped is going all the way
422 swamped* 08-04-2015 02:14 PM ET (US)	As our friends in the other game would say...PHRASING CzarTim XD We'll see if I can keep this up. As days go by its going to get harder to make others look suspicious...we'll have to think of the long game at some point!
423 Splinter 08-04-2015 02:15 PM ET (US)	Im starting to think day 1 talk is more useful to mafia than town. We've got at least rough ideas of where the roles might be hiding, as well as likely targets Also I wish someone would post, its been fairly dull today
424 CzarTim* 08-04-2015 02:19 PM ET (US)	<a href="#">/m422</a> as time goes on you'll have to piggy back on other people's cases and add too it. don't be afraid to bus later on. <a href="#">/m423</a> it's really because people are still inexperienced and revealing too much. the fact that its been pretty easy for us to appear more townie than half of
425 Splinter 08-04-2015 02:35 PM ET (US)	Feel free to disagree, I'm hoping they lynch Rest
426 CzarTim* 08-04-2015 02:37 PM ET (US)	i set myself up for a rest vote earlier, but i'm not switching until the Mak thing clears up.
427 Splinter 08-04-2015 02:39 PM ET (US)	Just realised I'm voting with sawneeks, lol. Come at me kgtrep
428 Splinter 08-04-2015 02:43 PM ET (US)	I dont think Crab has revealed his true suspicions by the way. He's mostly rounding up quiet people right now but I bet his prime suspects he hasnt even m kgtrep might be playing a similar game, I'm not entirely convinced he suspects me, he's been too single minded on it
429 Splinter 08-04-2015 02:44 PM ET (US)	but I might be giving trep too much credit there
430 CzarTim* 08-04-2015	little over 24 hours to go and legit no idea who will be voted out lol

02:52 PM ET (US)	
431 Splinter 08-04-2015 02:56 PM ET (US)	As long as I lose this argument Rest has a good chance of going, I think
432 swamped* 08-04-2015 03:11 PM ET (US)	Should i comment on the Rest situation when i get home? I'm a little wary because he is still suspicious of me, but i think addressing the situation head on
433 CzarTim* 08-04-2015 03:12 PM ET (US)	yeah i'm kind of trying to figure out how to play this now.
434 swamped* 08-04-2015 03:16 PM ET (US)	<a href="#">/m424</a> Oh yeah, thanks for the advice btw! Keep teaching me until you inevitably get lynched :(
435 CzarTim* 08-04-2015 03:50 PM ET (US)	it's been like 12 hours since someone revealed their role. laaame
436 swamped* 08-04-2015 03:57 PM ET (US)	Hey Splinter, how are you going to answer TB? Try not to be too aggressive, but if TB keeps going after you maybe we can play the newbie jitters card.
437 CzarTim* 08-04-2015 04:17 PM ET (US)	swamped maybe reiterate to salva that you were just probing people for content and have been busy with work? even though he's hilariously dead on, he's
438 CzarTim* 08-04-2015 04:19 PM ET (US)	rest just completely ignored my post. also man TB has been scummy af.
439 swamped* 08-04-2015 04:21 PM ET (US)	Ugh, SalvaPot. Yeah, I'm only going to post when i get home. It's really hard to post meaningfully from my phone at work, where people are constantly bc
440 swamped* 08-04-2015 04:21 PM ET (US)	Also, sorry Splinter, think we'll be ok re: TB
441 CzarTim* 08-04-2015 04:23 PM ET (US)	yeah splint, I kind of felt uneasy when I saw your post but looks like it landed correctly
442 CzarTim* 08-04-2015 04:24 PM ET (US)	<a href="#">/m439</a> be honest about your frustration imo. what he's saying IS unfair even if he happens to be right
443 Splinter 08-04-2015 04:30 PM ET (US)	Sorry I should be checking in here before making risky posts, I think that went ok though. Ive been quite scattered in my accusations so far so I dont expect
444 Splinter 08-04-2015 04:32 PM ET (US)	My closing comment on Rest was a but too much I think, but oh well, I'm dropping it now
445 Splinter 08-04-2015	No CornBro, you leave your vote where it is

04:32 PM ET (US)	
446 CzarTim* 08-04-2015 04:36 PM ET (US)	just be careful about being too confident with town calls. you shouldn't be positive of anyone's alignment if you were town. distancing yourself too much Edited 08-04-2015 04:38 PM
447 swamped* 08-04-2015 10:32 PM ET (US)	ugh, I hope I didn't go too hard on SalvaPot. Insinuating that his win condition is my lynch...
448 Barrylocke 08-04-2015 10:48 PM ET (US)	I need to make the rest of my writeup and change my vote today. And probably post a little more.
449 swamped* 08-04-2015 10:54 PM ET (US)	If Salva's a vig I'm so getting LoC'ed tonight. Well, it was fun playing with you guys.
450 swamped* 08-04-2015 10:55 PM ET (US)	I dunno Barry, I think your posting style is good as it is. Goshu just literally listed everyone in the game so I wouldn't worry about his comments.
451 swamped* 08-05-2015 12:01 AM ET (US)	I think Salva is backing down. I know that I shouldn't get preoccupied with one player, I just don't want this to come back and bite me.
452 swamped* 08-05-2015 12:15 AM ET (US)	So I was just reading up on Mafia win conditions, and apparently it's possible for Mafia to not win even with matching numbers if the town has a vigilante
453 CzarTim* 08-05-2015 04:20 AM ET (US)	almost certainly, but remember not to mention it in the main thread. it's a common mistake for mafia to focus more on sk hunting than scum hunting.
454 CzarTim* 08-05-2015 04:29 AM ET (US)	speculation about the room mechanic. maybe there are 4 recruiters who can invite someone to join that room's chat. similar to the nosy neighbors in AC?
455 CzarTim* 08-05-2015 04:35 AM ET (US)	swamped I adored that post to salva lol
456 Splinter 08-05-2015 05:29 AM ET (US)	Thanks for the comment swamped. I also liked the comment about CornBro immediately after as I think it could apply to both of us (and hopefully others
457 Splinter 08-05-2015 05:30 AM ET (US)	"(I was really trying to waste mafia's time by introducing a new game to analyze and follow to blend in, but you just had to mess it up, Makai. Oh well.)" We know, kg, we know
458 CzarTim* 08-05-2015 06:10 AM ET (US)	barry where you at my friend. The only reason I think you are getting by is AB is doing the same thing.
459 swamped* 08-05-2015 08:01 AM ET (US)	/453 Thanks for the reminder. Isn't that how you got raindoc in the SW game? This is a good lesson for us. But now I'm thinking we should kill N1. If we have two kills tonight then everyone will realize there's an SK. Isn't that good for us?
460 swamped* 08-05-2015	And Splinter - no problem!

08:03 AM ET (US)	
461 CzarTim* 08-05-2015 08:18 AM ET (US)	"Among the three of you, I actually suspect you the least. You made some good contributions to our Day 1 discussion, but to me, Hagi hasn't." whew!
462 CzarTim* 08-05-2015 08:19 AM ET (US)	<a href="#">/m459</a> unfortunately there could be a vig. we wont know the average kills per night until like day four
463 CzarTim* 08-05-2015 08:21 AM ET (US)	for completely non-game related reasons, I'd rather us not lynch and/or night kill a newbie on day one because I dont want to discourage people from play
464 Splinter 08-05-2015 08:21 AM ET (US)	Why didnt I make a kgtrep costume again? I am filled with remorse
465 CzarTim* 08-05-2015 08:22 AM ET (US)	you still can, but kalor is a better choice.
466 Splinter 08-05-2015 08:24 AM ET (US)	I already did Kalor Am I able to change, Launch?
467 Splinter 08-05-2015 08:25 AM ET (US)	IMPERSONATE: LaunchpadMcq Yes, you can change
468 CzarTim* 08-05-2015 08:25 AM ET (US)	what?? dude dont send night actions in until the night. what happens if something crazy happened and we needed to change plans
469 swamped* 08-05-2015 08:30 AM ET (US)	Cool, kgtrep votes for Hagi. If we do manage to lynch him (not gonna happen this phase imo) i think he will be even more confident in Splinter. Lets keep the night phase actions to the night phase going forward lol Also, any further thoughts on which room Barry should investigate?
470 Launchpad 08-05-2015 08:31 AM ET (US)	You cannot change :p
471 Launchpad 08-05-2015 08:31 AM ET (US)	It's also not a night action, fyi. He has to tell me before the day phase ends. Edited 08-05-2015 08:31 AM
472 CzarTim* 08-05-2015 08:33 AM ET (US)	oh. ok weird
473 swamped* 08-05-2015 08:34 AM ET (US)	Ohhh interesting. Sorry Splinter! I'm ok with either Makai or Rest getting punished. But I'm not going to change my vote.
474 Launchpad 08-05-2015 08:35 AM ET (US)	I reasoned it because the flavor is something like "you work on creating it during the first night phase", so he would have to make a decision earlier. Also,
475 CzarTim* 08-05-2015	gotcha

08:36 AM ET (US)	
476 swamped* 08-05-2015 08:41 AM ET (US)	Although, if either Makai or Rest get lynched, the other will most certainly be investigated. Won't be able to punish the other on Day 2...
477 CzarTim* 08-05-2015 08:44 AM ET (US)	if we push the other to be "lunched" on day two we might draw out the cop then
478 swamped* 08-05-2015 08:48 AM ET (US)	Ohhh good idea. And 'lunching' was, like, totally intentional. Doesn't Monokuma feast on the bodies after Punishment Time?
479 Splinter 08-05-2015 09:28 AM ET (US)	My bad I should have mentioned it was a day action. Put it in before I went to bed in case the day ended early somehow
480 CzarTim* 08-05-2015 09:32 AM ET (US)	yeah, that was smart then
481 CzarTim* 08-05-2015 09:34 AM ET (US)	just realized the hutt chat was only 600 posts for the whole game and we're already at 400
482 CzarTim* 08-05-2015 09:36 AM ET (US)	crab's post is very good for us. Very good!
483 swamped* 08-05-2015 10:40 AM ET (US)	Yeah. If we kill Crab tonight we can claim tomorrow that it was because of his scum list. That could buy us some time.
484 swamped* 08-05-2015 10:50 AM ET (US)	By the way, what happened to our Super Duper High-School Breeder? We miss you Barry, come back!
485 Splinter 08-05-2015 11:53 AM ET (US)	I still dont trust Crab to be telling us his real suspicions, but <a href="#">/m483</a> is right, killing him before he changes his suspects will help us a lot. Tim: We're closer to 500, if Barry is still alive we'll overtake the main thread again overnight :P
486 Splinter 08-05-2015 11:54 AM ET (US)	Also Zipped just baited the PRs onto Crab for us, thanks Zipped
487 CzarTim* 08-05-2015 12:37 PM ET (US)	crab seems like such an obvious PR target I feel like killing him tonight would be too risky. Tomorrow though it might be a good idea unless something cc
488 CzarTim* 08-05-2015 12:38 PM ET (US)	once we have a disguise, we're home free.
489 Barrylocke 08-05-2015 12:39 PM ET (US)	I'm building my next "thoughts" post now. I want to focus on Rest vs. Makai, but give thoughts on other folks as well Always late, but never far away. I ki
490 swamped* 08-05-2015	Yaay its always good to see you and the Hamsters of Destruction. We can survive one more day phase of Crab right? We managed today!

12:43 PM ET (US)	
491 Splinter 08-05-2015 12:46 PM ET (US)	Yeah Tim's right, we'll have to let him live and hope he doesnt turn on any of us tomorrow. Barry is basically undetectable right? So he could watch Crab and see who else turns up?
492 CzarTim* 08-05-2015 12:47 PM ET (US)	drunk barry was right, crab is a good choice to watch. Crab has not indicated suspicions of any of us so we're okay.
493 CzarTim* 08-05-2015 12:48 PM ET (US)	like he's REALLY been on the wrong track all day so I'm not worried
494 Barrylocke 08-05-2015 12:52 PM ET (US)	Always trust in Drunk Barry :P I almost want to say kill Crab so that his suspicions look stronger, but I feel like this early on, he's likely to be protected. It may be better to endure his gaz
495 CzarTim* 08-05-2015 12:59 PM ET (US)	i kind of thinking mak might be a watcher let's see if I can push it out of him
496 Barrylocke 08-05-2015 01:06 PM ET (US)	Any reasoning for your hunch, Czar?
497 CzarTim* 08-05-2015 01:10 PM ET (US)	He said: " I want to see what happens on night 1 before I declare one of you Despair." and this was his first game post (see picture): <a href="http://www.neogaf.com/forum/showpost.php?p...80537&amp;postcount=431">http://www.neogaf.com/forum/showpost.php?p...80537&amp;postcount=431</a>
498 swamped* 08-05-2015 01:14 PM ET (US)	Are you guys voting for Makai? Do you have a backup just in case he role claims last minute?
499 CzarTim* 08-05-2015 01:15 PM ET (US)	Rest for me. I already set up that vote.
500 CzarTim* 08-05-2015 01:19 PM ET (US)	thanks for role fishing for me crab!
501 Launchpad 08-05-2015 01:20 PM ET (US)	Tim, your last post lol
502 CzarTim* 08-05-2015 01:26 PM ET (US)	ah damn, hope we didnt scare off human :(
503 Splinter 08-05-2015 01:55 PM ET (US)	Guys I'm starting to think Crab is Despair
504 Barrylocke 08-05-2015 01:58 PM ET (US)	As I build this post, I am seeing a narrative that gives Makai a role, actually. His strong post about how No Punishment is good because power roles could
505 CzarTim* 08-05-2015	i feel like in the previous games when there were mafia not part of the main group, the main group at least knew there were others out there. swamped / barry how did disrepair recruitment happen in the games?

01:58 PM ET (US)	
506 CzarTim* 08-05-2015 01:59 PM ET (US)	yeah barry it seems super obvious too
507 Splinter 08-05-2015 02:01 PM ET (US)	I was joking Tim :P I was thinking of doing a "hang on guys, maybe we shouldnt kill Makai..." set of posts, but looks like Barry has it covered
508 CzarTim* 08-05-2015 02:02 PM ET (US)	oh lol my bad
509 Splinter 08-05-2015 02:02 PM ET (US)	Also, assuming Mak gets lynched anyway and is revealed to be town, it'll buy you some credibility (which you probably need right now)
510 Splinter 08-05-2015 02:05 PM ET (US)	On the other hand, if he does have a role he's better off dead? Removes him and looks awful on Crab
511 CzarTim* 08-05-2015 02:06 PM ET (US)	exactly. this is on crab's head
512 CzarTim* 08-05-2015 02:09 PM ET (US)	crab isnt even paying attention. dig him for not seeing your vote, splint
513 Splinter 08-05-2015 02:16 PM ET (US)	I want to hint at Mak's role but its hard to be subtle. Hurry up Barry!

515 Barrylocke 08-05-2015 02:26 PM ET (US)	I know I knooow... I'm going to home in on Makai, since rl stuff won't quit right now. 516 Barrylocke 08-05-2015 02:28 PM ET (US)	I like the idea of one of us Cassandra Truthing Makai just a bit, but him still getting day voted. It adds credebility to at least one mafia member and makes Err...did any of us vote in a way that makes it looked like we followed after Crab?

521 swamped* 08-05-2015 02:36 PM ET (US)	Oh! My minds on mafia lol. There's no specific recruitment mechanism in the games, but Despair recruitment is part of the backstory. I'm kind of rusty tho
522 Karkador* 08-05-2015 02:36 PM ET (US)	What's "Cassandra Truthing"?
523 Splinter 08-05-2015 02:37 PM ET (US)	Crab was making valid arguments though, its not unreasonable that Tim followed

526 Barrylocke 08-05-2015 02:37 PM ET (US)	So if I play the role of Cassandra, then I suppose I should vote for Rest as the counter vote. I may also come up with an alternate fake "If everyone was at DANGANRONPA SPOILER ALERT FOR ANY CURRENT OR FUTURE READERS WHO CARE!! 529 Splinter 08-05-2015 02:40 PM ET (US)	Damnit Barry make your post, the suspense is killing me. If I refresh this page any faster I'll trigger kgtreps activity bot for sure

532 CzarTim* 08-05-2015 02:42 PM ET (US)	like hint at the role thing, but dont spell it out
533 Launchpad 08-05-2015 02:42 PM ET (US)	Yo Barry man, you didn't have to explain all that. The people who have played the games get it :c Edited 08-05-2015 02:43 PM
534 Launchpad 08-05-2015 02:44 PM ET (US)	I mean like, in the interest of not dropping huge spoiler bombs.
535 Barrylocke 08-05-2015	I know, I hate to spoil Danganronpa, but Czar asked for specifics and I wasn't sure how else to explain it :l

02:46 PM ET (US)	
536 czar 08-05-2015 02:46 PM ET (US)	it's my fault I specifically asked
537 czar 08-05-2015 02:46 PM ET (US)	you can delete the post now I saw it
538 Launchpad 08-05-2015 02:47 PM ET (US)	Well, delete it so we don't forget later when the game's over and we post up these boards.
539 czar 08-05-2015 02:47 PM ET (US)	I really pulled a launch there :(
540 Barrylocke* 08-05-2015 02:48 PM ET (US)	Wait, how do I delete it?
541 czar 08-05-2015 02:49 PM ET (US)	are you logged in?
542 Launchpad 08-05-2015 02:49 PM ET (US)	There should be a delete button on the right side of the post. wait, what do you mean you pulled a Launch?
543 czar 08-05-2015 02:51 PM ET (US)	from you spoiling the archer game <3
544 swamped* 08-05-2015 02:58 PM ET (US)	That's why i tried to be vague about the story lol

546 czar 08-05-2015 03:00 PM ET (US)	spoiling the game seems totally like something despair would do. we did it in character.
547 Launchpad 08-05-2015 03:01 PM ET (US)	sigh.
548 swamped* 08-05-2015 03:01 PM ET (US)	I mean, you have a warning there. We should just warn people before they read this thread
549 czar 08-05-2015 03:01 PM ET (US)	does the person who made the thread have deleting powers? really sorry if not, my fault.
550 Launchpad* 08-05-2015	No, I have no powers... alright, yeah, we'll do that swamped.

03:26 PM ET (US)	
566 Barrylocke* 08-05-2015 03:27 PM ET (US)	Yes, Launchpad was truly feeling despair at the thoughts of other people having these games ruined (and he should, they're pretty great). Splinter, the "grand idea" I had was suggesting doubt but he still gets voted out. The town would lose a (probable) power role, and if done subtly enough, But as Czar says, our innocent reputation comes first. So I'm digging up Rests posts now. Cassandra Truth is a TVtropes entry that references Cassandra from the myths. She was basically a psychic that no one believed.
567 Launchpad* 08-05-2015 03:28 PM ET (US)	Barry, you on the right page m8?
568 CzarTim* 08-05-2015 03:28 PM ET (US)	gifs are so 2013. webms are where it's at
569 Barrylocke* 08-05-2015 03:31 PM ET (US)	<a href="#">/m567</a> Eh, right page? When you said that my first thought was that I posted a mafia post in the thread by mistake. Please don't scare me like that, lol.
570 Launchpad* 08-05-2015 03:31 PM ET (US)	upupupu
571 Ourobolus 08-05-2015 03:32 PM ET (US)	I'm starting to think Hope will triumph because Despair is dumb. :P
572 Launchpad* 08-05-2015 03:33 PM ET (US)	"guys he did and his role pm says mafia" I'm dead
573 Barrylocke* 08-05-2015 03:33 PM ET (US)	I suppose even I have much to learn about feeling true despair. Thank you MonoLaunch.
574 Splinter 08-05-2015 03:33 PM ET (US)	Ohhh... I thought you'd just instil doubt and hope he gets lynched anyway (which he will if he doesn't role-claim himself pretty soon) I know Launch wasn't joking, but I couldn't make the joke after he was serious about it I cant view webms on mobile, I'm still not even sure what they are
575 Ourobolus 08-05-2015 03:38 PM ET (US)	Lol Tim
576 Splinter 08-05-2015 03:46 PM ET (US)	Shots fired!
577 Splinter 08-05-2015 03:47 PM ET (US)	Now what? I dropped a hint, should I use it or wait?

579 CzarTim* 08-05-2015 03:48 PM ET (US)	MAFIA GOD RIGHT HERE
580	What, about 3 hours to go? I was honestly going to point out the 11th hour reputation we seem to have, but I want my next post to be my tells.

Barrylocke★ 08-05-2015 03:48 PM ET (US)	Oh shit wait, what's happening?!  So Makai is Naegi. Interesting. Though for the record, his role in the game doesn't make his power inherent for us people familiar with the series, unless S Edited 08-05-2015 03:52 PM
581 CzarTim★ 08-05-2015 03:56 PM ET (US)	i love this game
582 CzarTim★ 08-05-2015 03:57 PM ET (US)	barry post like town barry would post
583 Barrylocke★ 08-05-2015 04:00 PM ET (US)	The 11th hour pointing out is a Barry thing to say, as our my tells.  My pre-"Just be yourself" plan was to call out Rest, but Hope Barry would feel like Rest gets brownie points for being willing to face off against the veter  And now that he's role revealed (a role that even you'd have to be stupid to fake since he's the main character), I still need to find another suspect. Edited 08-05-2015 04:00 PM
584 Launchpad★ 08-05-2015 04:02 PM ET (US)	Which Barry is the one that talks about himself in the third person?
585 CzarTim★ 08-05-2015 04:03 PM ET (US)	drunk barry owes me \$20 btw
586 Barrylocke★ 08-05-2015 04:07 PM ET (US)	We may be brothers in arms but Drunk Barry owes you jackshit nerd!  Though, maybe now Makai might be a better person to watch? Probably better than Crab now.  Also with the new revelations I figured it was a good time to post what I had so far. Edited 08-05-2015 04:12 PM
587 Barrylocke★ 08-05-2015 04:16 PM ET (US)	Ooh, Crab mentioned his doubts on a Rest vote right after I did. I kinda like that.
588 swamped★ 08-05-2015 04:24 PM ET (US)	HAHAHA Makai is Naegi??? This is hilarious.  Given the role title i don't think he's a watcher. Maybe he's immune to something though, as the main character?
589 CzarTim★ 08-05-2015 04:37 PM ET (US)	Lucky Student does imply bullet proof more than invest I suppose
590 Splinter 08-05-2015 04:37 PM ET (US)	I dunno, seems like hes expecting information  And he cant be night kill immune, but maybe he will survive once or something
591 Splinter 08-05-2015 04:43 PM ET (US)	I forgot about Rest, I guess that works too
592 Barrylocke★ 08-05-2015 04:44 PM ET (US)	Actually, he shouldn't know that he's Naegi, only that he's the "Super High-School Level Lucky Student". Just like swamped's title doesn't necessarily dec  I don't want to get to "source meta" but swamped, for that reason I think that it's very possible that he could have some protection powers. 595 CzarTim* 08-05-2015 04:55 PM ET (US)	like even if it all goes south from here out, we'll always have this glorious moment
596 CzarTim* 08-05-2015 04:58 PM ET (US)	barry looks like you can safely stay on vivi now. maybe make one more comment on him?
597 CzarTim* 08-05-2015 05:07 PM ET (US)	"Don't do exactly what the SW people did last game and lynch people who talk a lot on D1, the mafia is almost *never them*." muahaha
598 CzarTim* 08-05-2015 05:08 PM ET (US)	why so defensive crab
599 Barrylocke* 08-05-2015 05:16 PM ET (US)	I wonder how well crab can be tricked. He's definitely aggressive watchful, but I feel like that could be used against him, and with his clout, the town. Then again it may be better to kill him faster. So many paths to the goal of despair...
600 CzarTim* 08-05-2015 05:17 PM ET (US)	if this gets crab killed...
601 CzarTim* 08-05-2015 05:26 PM ET (US)	"I also don't think that, assuming Crab really was Despair, playing this way would be a huge gambit of any sort. Rather, with him being known as a talkative right sentiment, wrong person vivi ;)
602 Splinter 08-05-2015 05:26 PM ET (US)	Man Crab is getting heated I cant blame him, but I'm getting egruntz vibes at the moment. Theres no point getting mad at people for not playing the way you "know" to be correct
603 Barrylocke* 08-05-2015 05:29 PM ET (US)	He's not wrong though imo. And he did drop more hint than egruntz did. I don't think this will go in that direction in terms of the final result. We're going

605 Splinter 08-05-2015 05:32 PM ET (US)	Oh egruntz was way worse, I'd have voted for him even if he was 100% confirmed cop. Im not accusing Crab of being a dick
606 Splinter 08-05-2015 05:34 PM ET (US)	Still catching up - holy crap at Vivi's post
607 CzarTim* 08-05-2015 05:35 PM ET (US)	i dont wanna vote out a newbie :(
608 Splinter 08-05-2015 05:39 PM ET (US)	Which newbie? I don't even know who's in contention now

07:07 PM ET (US)	To be fair, I played in a similar fashion in Star Wars but it's weird suddenly being on the spotlight during the 11th hour  If I didn't have work in a few hours, you'd probably meet your old friend Drunk or Buzzed Barry. Jesus Christ. Even I wasn't ready for this sort of Despair
641 Splinter 08-05-2015 07:07 PM ET (US)	lol  That would be pretty unfair if you were going to honour Tim's override that was based on Crab's override. We almost just lost Tim because of Crab breaki

650 Splinter 08-05-2015 07:25 PM ET (US)	Launch does the night phase end early if all the actions are in early?
651 CzarTim* 08-05-2015 07:26 PM ET (US)	no
652 Barrylocke* 08-05-2015 07:28 PM ET (US)	Ok, so Rest and Crab, who else should we consider for sending a minion out to stalk?
653 CzarTim* 08-05-2015 07:30 PM ET (US)	with hagi flipping town and crab pushing the vote, crab just seems like the right choice
654 Splinter 08-05-2015 07:31 PM ET (US)	Maybe you should look at who you would watch if you were town aligned? If we're ever forced to roleclaim then town-aligned watcher would be our first
655 CzarTim*	if i were a town watcher i'd still watch crab to get a sense of who has town power roles since predicting the n1 kill is damn near impossible

08-05-2015 07:34 PM ET (US)	
656 Splinter 08-05-2015 07:35 PM ET (US)	Yeah a lot of the time it will be the same person, just something to consider
657 CzarTim* 08-05-2015 07:35 PM ET (US)	i also no longer think AB is a good kill choice since he and barry are tied in the vets who need to post more category.
658 swamped* 08-05-2015 07:38 PM ET (US)	Wait the minions can stalk people? I thought they could only go to rooms. And omg just caught up with the thread. So many thoughts flying through my head right now. My heart beat so fast when i saw Crab's stupid joke. I feel bad for Hagi...if ever your read this, I'm really sorry, can't wait until we play together again and maybe next time we will be on the same side!
659 Barrylocke* 08-05-2015 07:38 PM ET (US)	Plus I might worry that I might either find a killer or a person trying to protect a killer. Maybe even an investigative role thanks to him being put under a bit of doubt. Crab actually makes a lot of sense. EDIT: Stalk was a weird term. It'd be better to say whose room to stalk. IE Crab's room. I'd rather stay away from the facilities until we have a better understanding of how they'll work. Edited 08-05-2015 07:40 PM

677 Splinter 08-05-2015 08:03 PM ET (US)	How about sawneeks?
678 Splinter 08-05-2015 08:04 PM ET (US)	Voted for terra, Rest and finally Hagi. Voted on by swamped and kgtrep
679 CzarTim* 08-05-2015 08:05 PM ET (US)	hmm could work.
680 Barrylocke* 08-05-2015 08:06 PM ET (US)	Will be away for the decisions on who to kill and other stuff for the next hour or (hopefully) less. So if you were hoping to get it done asap, don't expect it Edited 08-05-2015 08:06 PM
681 CzarTim* 08-05-2015 08:06 PM ET (US)	do we want to destroy kg's theory so much but only leave you though?
682 Splinter 08-05-2015 08:06 PM ET (US)	kgtrep linked her, Hagi and me... Not sure if killing her would give him ammo or cool him off
683 CzarTim* 08-05-2015 08:06 PM ET (US)	no submitting actions tonight. i want to reread again
684 Splinter 08-05-2015	Dont worry Barry I'm about to be gone for at least 12 hours, not expecting a decision tonight

08:07 PM ET (US)	
685 CzarTim* 08-05-2015 08:08 PM ET (US)	btw we already surpassed the sw mafia chat lol
686 Splinter 08-05-2015 08:11 PM ET (US)	lol, not so sure we'll catch up with game chat though, that really was nuts
687 swamped* 08-05-2015 08:13 PM ET (US)	I think kgtrep will re-think his theory if Sawneeks is dead. He's probably already re-considered it given Hagi's death. BUT Sawneeks is new, didn't you want to avoid that?
688 Ourobolus* 08-05-2015 08:14 PM ET (US)	Damn, you guys are gonna surpass the AC chat too, and we were pretty talkative
689 CzarTim* 08-05-2015 08:14 PM ET (US)	i did, but the list of viable vets is pretty small right now
690 CzarTim* 08-05-2015 08:16 PM ET (US)	i guess TB works. he was a defender of crab, might be easier to lynch crab without him around. I had been planning to post that I was suspicious of him b
691 CzarTim* 08-05-2015 08:17 PM ET (US)	zipp works too, he was super dead on with his reads though
692 swamped* 08-05-2015 08:19 PM ET (US)	I was just about to suggest Zipp. Didn't he vote for TB? I think we could make TB look suspicious, not many seem to trust him. EDit: Oh yeah, his reads. Ok, let's can the Zipp plan Edited 08-05-2015 08:20 PM
693 Barrylocke* 08-05-2015 08:19 PM ET (US)	I was actually about to throw zipp out as a crazy idea before I left to handle my shit, but you're right, he actually read 3/4 of us (not CzarTim iirc). That's a
694 Splinter 08-05-2015 08:20 PM ET (US)	Killing TB makes it harder to lynch Crab, I think. Zipped got lucky, he's a no-go for now. He played pretty badly day 1 though so maybe he'll fall under suspicion
695 CzarTim* 08-05-2015 08:21 PM ET (US)	franconp did jack all day one
696 swamped* 08-05-2015 08:22 PM ET (US)	Splinter you should go to bed dude. We're gonna still be discussing when you wake up lol
697 CzarTim* 08-05-2015 08:23 PM ET (US)	Ty4on + TL21xx those two names are going to be confusing lol
698 Barrylocke 08-05-2015 08:24 PM ET (US)	Plus I work overnight, see you might even have a chance to discuss stuff with me before swamped and CzarTim are up.
699 Splinter 08-05-2015	You're right, I keep checking my phone every 2 minutes lol, gonna force myself to stop Night all

08:25 PM ET (US)	
700 swamped* 08-05-2015 08:25 PM ET (US)	Also, do we slowly want to cast suspicion on Kalor throughout the next day phase? Nothing major, maybe just a comment on how he is on nobody's read Franconp...interesting. Would give Hope little information. I was thinking he could be a suspect though.
701 CzarTim* 08-05-2015 08:27 PM ET (US)	actually, I'm going to take a break too. been doing this all evening. that was fun dudes, see ya tomorrow
702 Launchpad* 08-05-2015 08:28 PM ET (US)	Remember, you guys still have to send me PMs through NeoGAF for actions.
703 CzarTim* 08-05-2015 08:29 PM ET (US)	launch in case you missed it <a href="#">/m643 /m644</a>
704 swamped* 08-05-2015 08:34 PM ET (US)	Ok last post from me I swear. I think SalvaPot will be a good kill, even though it is risky. He only ever talks about me, so it could look like the Mafia is trying Actually, thinking about it, this plan might backfire because it will make me a target for investigations. OH WELL
705 Splinter 08-05-2015 08:59 PM ET (US)	People could also call the double bluff. I mean, thats going to be the basis for a lot of my arguments with Crab. (Also I'm not here, you imagined this post)
706 CzarTim* 08-06-2015 07:20 AM ET (US)	im like emotionally drained from yesterday
707 Splinter 08-06-2015 07:22 AM ET (US)	lol I cant stop scheming, somebody stop me
708 Splinter 08-06-2015 07:23 AM ET (US)	Barry are you going to be able to defend yourself tomorrow?
709 Splinter 08-06-2015 07:24 AM ET (US)	And by "tomorrow" I mean Sunday - Wednesday
710 CzarTim* 08-06-2015 08:56 AM ET (US)	i probably should have agreed to vote for barry at the end there to distance us, I was just too scared it'd catch on
711 Splinter 08-06-2015 09:30 AM ET (US)	Yeah that was scary, we cant afford to lose Barry this early. ...but when he does go, I want me or swamped to get the credit...
712 swamped* 08-06-2015 09:39 AM ET (US)	What about kingkitty for the kill? Everyone thinks he's hope, and he never posted reads on anyone.
713 swamped* 08-06-2015 09:43 AM ET (US)	Btw can i just say that you guys are amazing. You were all present for that frenetic end of the day, and actively participating. I think i would have died from
714 Barrylocke* 08-06-2015	Alright, I'm here too from work. Besides us figuring out our kill and possibly our inspection, I'd like to personally start getting an idea of who to eventually

09:47 AM ET (US)	
715 swamped* 08-06-2015 09:51 AM ET (US)	I actually want to try throwing shade at Crab and CzarTim for being 'false hope leaders'. I don't know how early we want to start Operation Bus though. I wanted to cast suspicion on Makai too, insinuating that he had planned that reveal since the very beginning, and that his role title doesn't necessarily tell Sawneeks has been playing pretty well, I'm going to go through her posts again and see if there's anything 'suspicious' there Edited 08-06-2015 09:53 AM
716 swamped* 08-06-2015 09:52 AM ET (US)	Also, kingkitty mentioned Kalor in one comment. Could be helpful for us.
717 CzarTim* 08-06-2015 09:58 AM ET (US)	i'd recommend all of us read our own posts from day one before day two starts so that you can remain consistent in your reads. I think i'm going to take ne
718 CzarTim* 08-06-2015 10:02 AM ET (US)	swamped I think because you have been seen as a "false hope leader" you should leave the others alone for now. Maybe keep going after low content post
719 Barrylocke* 08-06-2015 10:04 AM ET (US)	Since Rest is someone I've felt well about, and has been a bit controversial, I'm thinking I want to see whose been fighting against him. I notice that CornI goshujin and was the first to vocally mention his suspicions of Makai. I also am curious about people that blend. I'm probably a target for that as I've been less vocal recently, but I'm sure there's more innocent blenders to thro
720 swamped* 08-06-2015 10:06 AM ET (US)	Oh yeah, that's good, as long as Splinter does it. I'll concentrate on others, maybe Sawneeks, vivioggi, franconp, well, I'll go through the list and check. As
721 Barrylocke* 08-06-2015 10:12 AM ET (US)	The other nice thing about Czar's idea is that by reminding yourself of what you said on Day 1, you can prepare yourself for any suspicion threats that con
722 Splinter 08-06-2015 10:25 AM ET (US)	Yeah Ive kind of set myself up to be a thorn in Crab's side for the time being. I think if I overdo it a bit I can lose credibility and just be seen as a weak tow On the other hand, if I do somehow manage to cast serious doubt on Crab I've got BIG PLANS but I'm not getting my hopes up just yet
723 Splinter 08-06-2015 10:27 AM ET (US)	I quite like the KingKitty idea, he's quite isolated so I cant see his death interfering with anything really.
724 Launchpad* 08-06-2015 10:27 AM ET (US)	JUST KILL SOMEONE ALREADY, GOSH
725 swamped* 08-06-2015 10:28 AM ET (US)	KILL: LAUNCHPAD
726 swamped* 08-06-2015 10:30 AM ET (US)	@Splinter i think CornBro (i like that nickname lol) and ViviOggi are also wary of Crab. If you take the lead they might follow. Edit: stupid phone Edited 08-06-2015 10:31 AM
727 Barrylocke* 08-06-2015 10:40 AM ET (US)	I should ask what I said before, and more importantly what Czar said when I felt unsure. What do you think you'd feel about Crab's playstyle if you were a townie?
728 CzarTim* 08-06-2015 10:40 AM ET (US)	if you guys wanna do king, thats cool. I was kinda leaning fran though
729 CzarTim* 08-06-2015	i'd say crab was overly defensive at the end and pushing mak into a role claim when that was obvious what was going to happen was a bad town play

10:42 AM ET (US)	
730 Splinter 08-06-2015 10:44 AM ET (US)	How dare you, I am a townie
731 Splinter 08-06-2015 10:45 AM ET (US)	@swamped It was Vivvi's post that convinced me to go for it, so yes I'll be dragging him back in whether he likes it or not :)
732 CzarTim* 08-06-2015 10:51 AM ET (US)	we could also just kill mak for the lols
733 CzarTim* 08-06-2015 10:52 AM ET (US)	like king is almost certainly an ordinary student from the way he acted
734 CzarTim* 08-06-2015 10:54 AM ET (US)	if gosh wasnt a newbie, I'd kill him without question. the role can be a pain in the ass for us
735 CzarTim* 08-06-2015 10:56 AM ET (US)	rereading: "@CzarTim, a dogwhistle is a message designed to be understood exclusively by certain people. You said something that makes me think you are Hope." no fucking clue what I said lol
736 Splinter 08-06-2015 11:01 AM ET (US)	lol, I love trep
737 Barrylocke* 08-06-2015 11:07 AM ET (US)	I'm not gonna lie, kgtrep's card game is intimidating me when it really shouldn't be. I'm not saying we should focus on it now, but maybe we should see if
738 CzarTim* 08-06-2015 11:14 AM ET (US)	im not worried about it right now
739 Barrylocke* 08-06-2015 11:15 AM ET (US)	One advantage to killing King Kitty is that its an easy kill. I don't anticipate him having a lot of protection.
740 CzarTim* 08-06-2015 11:18 AM ET (US)	yep, thats true
741 Splinter 08-06-2015 11:21 AM ET (US)	Maybe Kitty is better night 2? Crab already pointed out he's a 'safe' target, its not unlikely that someone could be watching/protecting/other
742 Splinter 08-06-2015 11:23 AM ET (US)	I dont remember the post exactly, but it could even have been him requesting the watch on Kitty
743 CzarTim* 08-06-2015 11:24 AM ET (US)	a bonus meta reason of doing fran is people might think an AC player was getting revenge and we're getting a disguise for kalor
744 swamped* 08-06-2015	I'm ok with either Fran or KK

11:32 AM ET (US)	
745 swamped* 08-06-2015 11:51 AM ET (US)	What about Kalor? I can't tell if it would be a good idea to draw a little bit of attention to him in the next day phase, or to just leave it be
746 CzarTim* 08-06-2015 11:55 AM ET (US)	splinter does your role imply it works on trackers too or just watchers? if just watchers then it doesnt matter if people find him super suspicious
747 Splinter 08-06-2015 11:59 AM ET (US)	I prefer Fran, I've gone off kk until N2. I'd still like sawneeks just to watch trep dance, but I think fran is the safest and least revealing option
748 CzarTim* 08-06-2015 12:01 PM ET (US)	barry you ok with fran? Ill send it in if so
749 Splinter 08-06-2015 12:02 PM ET (US)	Well if anyone sees me wandering around they'd see the disguise, if someone has the ability to specifically track someone... no idea Re: Kalor, I dont think we need to rush that storyline unless we start to suspect he is roled.
750 Splinter 08-06-2015 12:03 PM ET (US)	Hang on lets decide who we are watching as well before sending anything in, or did we agree on Crab?
751 CzarTim* 08-06-2015 12:03 PM ET (US)	oh yeah I that we agreed on crab?
752 Splinter 08-06-2015 12:06 PM ET (US)	fran voted for both the replaced people, Makai, and finally Hagi. Thats about as uninformative as it gets, good call
753 CzarTim* 08-06-2015 12:07 PM ET (US)	if you were a cop or doctor who would you look at? thats who barry should watch
754 Splinter 08-06-2015 12:07 PM ET (US)	Ok wasnt sure, Crab seems the obvious choice anyway.
755 Splinter 08-06-2015 12:08 PM ET (US)	Thats easy to justify: Crab was hope leader, watched him expecting a hit
756 Splinter 08-06-2015 12:15 PM ET (US)	I just realised that isn't quite what you meant, but for tonight at least Crab is still the right answer
757 CzarTim* 08-06-2015 12:17 PM ET (US)	the other option would be mak
758 Splinter 08-06-2015 12:23 PM ET (US)	Shit I forgot. Barry/swamped any ideas on Mak's power?
759 swamped* 08-06-2015	I might also watch kgtrep were i town. He seems to imply he is helping town.

12:41 PM ET (US)	
760 swamped* 08-06-2015 12:44 PM ET (US)	About Mak's power, im still not sure. He thinks he'll get info tomorrow. The only way that fits in with the story narrative is that Makoto Naegi helps solve
761 swamped* 08-06-2015 12:46 PM ET (US)	If I were a cop i would investigate the other contenders during the vote to punish, Rest and Crab i guess. Actually i might investigate Barry too...
762 CzarTim* 08-06-2015 12:50 PM ET (US)	im really worried barry drew a vig kill :-/
763 Barrylocke* 08-06-2015 12:52 PM ET (US)	I feel like Makai and Crab are still the best people to watch, but Crab gets the edge for both being seen as a great asset and a possible controversial person  It really does suck that all of the recent suspicion on me came in the last hour after being seen as pretty ok for most of the day, but those last moments may  As for francop, I'm cool with him dying. He doesn't seem like someone that will get protected, but is in general good graces.  Any thoughts that he could be a potential person to look at for suspicion? I suppose that's for me to answer, and I haven't looked at his posts in particular. Edited 08-06-2015 12:52 PM
764 Barrylocke* 08-06-2015 12:57 PM ET (US)	When it comes to role guessing Swamped, remember that Naegi isn't the only person with the Super High School Luckster Title in the series. Makai said I
765 swamped* 08-06-2015 01:01 PM ET (US)	Yes, exactly. That's why i think it will be easy to cast suspicion on his actual rule alignment. His role title isn't enough to acquit him  Edit: oh he just started playing? I don't want to spoil him on the second game lol. But you find out pretty soon anyway Edited 08-06-2015 01:03 PM
766 Splinter 08-06-2015 01:05 PM ET (US)	Well we know he isn't the other one don't we? Sounds like he would be despair otherwise? And swamped that makes it sound like he's a cop :/
767 Splinter 08-06-2015 01:06 PM ET (US)	Or would the "other" one be a serial killer?
768 Splinter 08-06-2015 01:06 PM ET (US)	Either of those is bad news for Despair
769 swamped* 08-06-2015 01:06 PM ET (US)	I think whether we can cast suspicion or not depends on what info he brings with him tomorrow.
770 CzarTim* 08-06-2015 01:10 PM ET (US)	AB's post on Mak might be useful to cite tomorrow:  <a href="http://www.neogaf.com/forum/showpost.php?p...6549&amp;postcount=1104">http://www.neogaf.com/forum/showpost.php?p...6549&amp;postcount=1104</a>
771 swamped* 08-06-2015 01:13 PM ET (US)	@Splinter not SK, but something else...  Anyway, LMQ would never use the direct source for roles, but it's just an argument we can use.
772 Splinter 08-06-2015 01:15 PM ET (US)	We shouldnt lead a charge on Mak btw, we shouldnt need to
773 Barrylocke* 08-06-2015 01:19 PM ET (US)	We should wait to throw shade on Makai. It depends on how town helpful he proves to be, and/or what info he brings in from the night. If neither seems u
774	good point, I agree

CzarTim* 08-06-2015 01:26 PM ET (US)	
775 Splinter 08-06-2015 01:55 PM ET (US)	So err... Mak or Crab?
776 Launchpad* 08-06-2015 02:01 PM ET (US)	guys guys guys... I've got a brilliant new idea for a new Mickey D's sandwich. A McCrab!
777 Splinter 08-06-2015 02:03 PM ET (US)	I dont do seafood, and I dont think ANYONE will do McD seafood
778 CzarTim* 08-06-2015 02:10 PM ET (US)	mak i feel will attract a doc and crab a cop, and cops are a way bigger threat to us
779 Launchpad* 08-06-2015 02:13 PM ET (US)	McFish was pretty good when I used to eat McD's. I love seafood, but I'm half Spaniard, go figure.
780 Barrylocke* 08-06-2015 02:19 PM ET (US)	Plus Crab has the potential to also attract a doctor, far more than Makai does a cop. I want a final consensus from all for this but I'm really feeling a Crab I For the Kill, it'll be Czar doing it, right?
781 Splinter 08-06-2015 02:25 PM ET (US)	Yeah good point. So: Crab, Fran, Tim to excute. Sounds good to me
782 CzarTim* 08-06-2015 02:33 PM ET (US)	throat slitting time
783 Barrylocke* 08-06-2015 02:34 PM ET (US)	Shall we wait for Swamped to make a consensus? We have plenty of time and the day won't start early. Edited 08-06-2015 02:35 PM
784 CzarTim* 08-06-2015 02:36 PM ET (US)	yeah no rush
785 CzarTim* 08-06-2015 02:39 PM ET (US)	also its funny keeping launch waiting
786 Launchpad* 08-06-2015 02:40 PM ET (US)	ihy Tim it's like you're reading my mind
787 CzarTim* 08-06-2015 02:43 PM ET (US)	we are getting revenge on your behalf launch, you should be thanking us
788 CzarTim* 08-06-2015 03:01 PM ET (US)	he says knowing launch will want to respond but cant because he's impartial muahaha
789 Launchpad* 08-06-2015 03:01 PM ET (US)	:c

08-06-2015 03:02 PM ET (US)	
790 Splinter 08-06-2015 03:16 PM ET (US)	Impartial? I thought Launch was Despair
791 Barrylocke* 08-06-2015 03:59 PM ET (US)	In order to be impartial, Monolaunch leaves it to us Disciples of Despair prove to the school that Hope has no place.
792 Launchpad* 08-06-2015 04:03 PM ET (US)	You guys watching the Archer game?
793 CzarTim* 08-06-2015 04:08 PM ET (US)	yeah, snooze fest :P
794 Splinter 08-06-2015 04:25 PM ET (US)	I dont think I'd have time to read all 3, might read one of the others at the end if its good (or if I'm dead) Havent any of S2 yet either
795 CzarTim* 08-06-2015 04:30 PM ET (US)	SW game is nuts beginning to end
796 Splinter 08-06-2015 04:37 PM ET (US)	That one next then. Is that where blarg made his name?
797 CzarTim* 08-06-2015 04:54 PM ET (US)	yeah. I feel like that game was more fun to read than play.
798 Launchpad* 08-06-2015 05:02 PM ET (US)	ayyyy
799 CzarTim* 08-06-2015 05:31 PM ET (US)	oh shit archer thread fucked up big time
800 Splinter 08-06-2015 05:45 PM ET (US)	LOL
801 Splinter 08-06-2015 05:46 PM ET (US)	Well if Makai could have just gotten stuck in traffic or something our game would be as good as over already
802 swamped* 08-06-2015 05:53 PM ET (US)	SW game was AMAZING from the dead thread. Won't spoil it if you plan to read it. And LOL so much at the Archer game. Archer is the new SW? I'm happy killing Fran and spying on Crab. PM away!
803 Splinter 08-06-2015 05:55 PM ET (US)	Yaay sick 'em Tim
804 swamped* 08-06-2015	YNNNY just said the danganronpa party ended and it was as quiet as a grave. Not in here it wasn't! I think we all were legally dead for 5 second there.

06:17 PM ET (US)	
805 Czartim 08-06-2015 06:28 PM ET (US)	I'll send the kill order five minutes before the day starts to make it easy on launch.
806 Czartim 08-06-2015 06:34 PM ET (US)	Oh BTW launch please tell the kgb congrats for us
807 Launchpad* 08-06-2015 06:37 PM ET (US)	ihy Tim. I sent them the message before I saw that you were going to withhold the kill order.
808 Barrylocke* 08-06-2015 07:16 PM ET (US)	My deed has been done. I have sent Jump-P (the sleepy Deva) off on a Dark Quest to learn more information on what may happen in our fellow student C
809 Splinter 08-06-2015 07:42 PM ET (US)	Oh Tim we might learn something when you put your action in. The movement stuff Launch hinted at in the op? Barry you're just adding flavour right? Is there anything more to your instructions than WATCH: Crab ?
810 Czartim 08-06-2015 07:46 PM ET (US)	I don't think we'll learn anything until the night ends no matter what.
811 Launchpad* 08-06-2015 07:47 PM ET (US)	Tim is correct. You won't get any information until the day phase starts.
812 Splinter 08-06-2015 07:50 PM ET (US)	But thats so far away :(
813 Barrylocke* 08-06-2015 07:56 PM ET (US)	Patience Splinter, patience. The way to Despair is a long path. It MUST be, for like the dark storm clouds, the longer and slower it takes for it to announce Also, I can assure you that I gave my faithful servant Jump-P very specific instructions, to "HAMSTER SNOOP: Crab's Room". I know that my enthusias
814 Czartim 08-06-2015 07:59 PM ET (US)	Barry got vig'd. Calling it now.
815 swamped* 08-06-2015 08:06 PM ET (US)	Keeping my fingers crossed we all make it through the night... Barry have you considered writing a novel? Was really hoping one of us would get invited to a rulebreakers chat party or something lol

818 CzarTim* 08-06-2015 08:21 PM ET (US)	Playing on the mafia side is more about "oh god so many things could go wrong" and playing on town side is like "I don't know who I can trust and it's kil
819 Barrylocke* 08-06-2015	One COULD say, that the Mafia with their partners in crime slowly decreasing and their methods of hiding slowly become uncovered, they find themselv ...However, does doing so mean that we have to rely on our own pieces of Hope to pull us through with our goals? That's a very strange thought.

821 swamped* 08-06-2015 09:03 PM ET (US)	It's killing me that I'll only get to see the NI results hours after the Day starts.  I will try to post Saturday night saying something to the effect of 'i have a ton to say regarding the fallout from the last hour of Day 1 voting and regarding I'm really hoping people don't think I'm scum for not posting...i hope they go easy on me since I'm traveling. I think they will actually.
822 swamped* 08-07-2015 12:42 AM ET (US)	Why does Blarg keep referencing CzarTim
823 Splinter 08-07-2015 02:23 AM ET (US)	Barry I wish you'd post this much in the actual thread...
824 Barrylocke* 08-07-2015 03:56 AM ET (US)	So here's the deal. Even as a townie it's in my nature to be more careful and watch vs talk, I think. It's how I usually operate in real life debates or discussi  The problem with this is that these games have been vocal. VERY vocal. More vocal than any mafia game I've ever taken part in. I just looked back at the games I've taken part in were even smaller than this. When this happens it makes me become even quieter, to better attempt to understand what's even goi  On here it's easy to keep up because we trust each other, are only 4 people (and Launch and the peanut gallery err, co-mods), and there's little reason to po going to be a challenge for me.  In fact, I'd might as well ask you guys for tips now. How do you guys manage to stay in touch with the faster pace of the GAF games and still get ideas of when you consider the fact that my posts will ultimately not be my "pure self" with me having to keep up the deception. Edited 08-07-2015 03:58 AM
825 Splinter 08-07-2015 04:39 AM ET (US)	Oh... fair enough. I think your game 1 day 1 gave people the impression you'd be a big talker. This has been a ridiculously active day 1 though.  My only piece if advice is not to worry too much about deception and our long term goals, especially at this early stage. If you think we're suspicious: call I guess its not a big deal: worst case scenario you're forced to claim town watcher and Crab has forced 2 claims in 2 days. I quite like that narrative, as lon
826 Splinter 08-07-2015 04:50 AM ET (US)	Oh man I REALLY like that narrative
827 Splinter 08-07-2015 05:05 AM ET (US)	Crab please attack Barry next. Don't believe his lies
828 Barrylocke* 08-07-2015 06:35 AM ET (US)	Nah, it was partially because I was excited to play Mafia again for the first time in years, and partially because no one else was going to talk so I felt like I
829 Czartim 08-07-2015 07:40 AM ET (US)	Splint is right Barry. I've just been doing my best to post exactly like I would as a townie. It's a little awkward dancing around you three, but I just keep tel we're honest most of the time it's harder to nail down when we aren't being honest.

850 Barrylocke* 08-07-2015 10:21 AM ET (US)	It's still really weird for me to think of GAF as a small community. If a person changes their name or even just their avatar, they might as well have died in

If you DO \ just double check you agree before quoting. The STRAT/INFO POST tab is similar to NON POSTS but for posts giving game theory or other non-committal stuff that appears slightly more useful th Also just a heads up but I will probably share this in the thread at some point - but no earlier than day 3 - I'm not suggesting anyone changes their posting

Edited 08-08-2015 09:41 PM
945 CzarTim* 08-08-2015 09:45 PM ET (US)	the thing is i dont think anyone is going to think kg is scum because who puts that much effort and wastes a power as scum to kill someone you dont know
946 CzarTim* 08-08-2015 09:45 PM ET (US)	btw no one here but me should know about that list of movement, remember that.

947 Splinter 08-08-2015 09:49 PM ET (US)	Well me, Rest, CornBurrito and ViviOggi already attacked Crab and I think Sawneeks was coming around too. Thats a good headstart
948 Splinter 08-08-2015 09:50 PM ET (US)	I wonder of people saw Barry... it should have only been his hamsters moving around right?
949 swamped* 08-08-2015 09:50 PM ET (US)	Barry hasn't checked in yet?
950 CzarTim* 08-08-2015 09:54 PM ET (US)	i dont think people see barry that's the point of his role
951 Barrylocke* 08-08-2015 09:54 PM ET (US)	I just woke up for my overnight shift and Im only reading the topic now. But my Dark Deva has reported no one entering or leaving Crabs Room. Edited 08-08-2015 09:55 PM
952 CzarTim* 08-08-2015 09:56 PM ET (US)	... but crab should have left it?
953 Splinter 08-08-2015 09:56 PM ET (US)	No.  Looking at the map again: Crab didn't visit Barry, neither did Sawneeks. Theres quite a small pool of people that goshu could have visited (though we arent sure how his power works) Cant say much more than that.
954 Splinter 08-08-2015 09:57 PM ET (US)	Oh... thats interesting
955 Splinter 08-08-2015 09:58 PM ET (US)	So... goshu switched Crab, or someone else has some sort of disguise.
956 CzarTim* 08-08-2015 10:00 PM ET (US)	apparently gosh may have not submitted his action according to cornbro's creepy stalking, keep that in mind. he also could have been lying to draw a kill
957 CzarTim* 08-08-2015 10:01 PM ET (US)	<a href="#">/m955</a> why do you say that?
958 Splinter 08-08-2015 10:12 PM ET (US)	Well you saw "Crab" but it seems more likely he didnt leave his room, so I think more roles were at play.  Also good point about goshu, I forgot already
959 CzarTim* 08-08-2015 10:13 PM ET (US)	right, yes. good point
960 Barrylocke* 08-08-2015 10:47 PM ET (US)	Why so suicidal Czar?  Also, I just finished reading the mafia topic and will give some thoughts when I get settled into work (holy shit though). Im also ongoing with the reading Edited 08-08-2015 10:51 PM
961 CzarTim* 08-08-2015 10:49 PM ET (US)	it's funny

962 CzarTim* 08-08-2015 10:50 PM ET (US)	also this play by kg is so dumb I kind of dont want to engage it at all.
963 CzarTim* 08-08-2015 10:56 PM ET (US)	i just realized how lucky we were kalor didnt already have a night action edit: barry beat me with his edit Edited 08-08-2015 10:58 PM
964 CzarTim* 08-08-2015 11:56 PM ET (US)	we make a good troll team launch <3
965 CzarTim* 08-08-2015 11:57 PM ET (US)	does fran know the truth yet?
966 CzarTim* 08-09-2015 12:18 AM ET (US)	why do people think there is more than one of the abilities. you know how disruptive that would be?
967 Barrylocke* 08-09-2015 12:39 AM ET (US)	<a href="#">/m927</a> CzarTim, how do we know which direction you went in? If it's the shortest path, then aren't they both equal distances? You killed the person on aln
968 Barrylocke* 08-09-2015 01:48 AM ET (US)	SEE? I can make quick posts too! EDIT: I'm honestly both excited and scared to see what Crab is going to say. Edited 08-09-2015 01:49 AM
969 swamped* 08-09-2015 02:18 AM ET (US)	So according to Barry Crab didn't leave his room, but CzarTim saw him walking outside? Interesting. Another imposter on the loose? If Goshu switched C Totally thought Crab was the high school glutton lol. I wish we knew which direction the students CzarTim bumped into were headed. We could start massing guessing about which big rooms they are going t
970 swamped* 08-09-2015 02:23 AM ET (US)	It's likely Sawneeks went to the pool or workshop, but not 100 percent sure.
971 Barrylocke* 08-09-2015 02:48 AM ET (US)	"No one left or entered the target room during the night." Which would imply that Crab stayed put. So this is indeed very strange. I should say that I asked Launchpad to leave the message at his original interpretation of the role, IE that I would learn who was in the room during the nig See <a href="#">/m339</a> and <a href="#">/m329</a> . Maybe I misunderstood the role after all? Edited 08-09-2015 02:50 AM
972 Barrylocke* 08-09-2015 04:22 AM ET (US)	Crab has awakened. And I've addressed him directly with a question. I feel like the first thing I need to do besides posting more to get out of this whole is Edited 08-09-2015 04:51 AM
973 Splinter 08-09-2015 07:29 AM ET (US)	Good call Lets boil this crab
974 Czartim 08-09-2015 07:40 AM ET (US)	Good point about walking direction Barry. No idea.
975 Barrylocke* 08-09-2015 08:04 AM ET (US)	Crab is getting to personal territory with his language about the game I gotta say. On the other hand though, I can't really blame him, because kgtreb really BTW, Note that Crab chose to specifically ask for thoughts on CzarTim, Sawneeks, and me. Note also that Sawneeks and CzarTim are both people who w I know Crab had some last minutes suspicions on me, but I don't think he really did on CzarTim, did he? He's probably trying to figure out who the killer · Edited 08-09-2015 08:07 AM
976 swamped* 08-09-2015	Because of walking direction, I'm starting to think Splinter should have made a costume of AB, since they are next to each other. It might look strange onc I'll keep thinking about that list (is that what Launchpad meant by rulebreakers?)

08:05 AM ET (US)	
977 Splinter 08-09-2015 08:08 AM ET (US)	Yeah he's not reacting well, I expected him to be more willing to fight than this. Only helps us though.
978 swamped* 08-09-2015 08:10 AM ET (US)	<a href="#">/m975</a> But if Crab never left his room, he shouldn't have a list. I think he has another reason for picking those people.
979 Splinter 08-09-2015 08:10 AM ET (US)	If we picked AB for my disguise it would be a pain to kill him. I'm not worried, there will be plenty of confusion over the night time movements. And Tim I thought Launch gave you that map, you drew it yourself? Edited 08-09-2015 08:11 AM
980 swamped* 08-09-2015 08:14 AM ET (US)	"One word for every post you've made so far" XD
981 CzarTim* 08-09-2015 08:24 AM ET (US)	i drew the map but i could see how you could get confused considering everything is off center.
982 swamped* 08-09-2015 08:28 AM ET (US)	Oh, i totally didn't see your post with the map! Sorry.
983 Splinter 08-09-2015 08:29 AM ET (US)	Oh... well, since it seems Crab didn't leave his room you are probably correct anyway: Sawneeks was the only one significantly out of place
984 CzarTim* 08-09-2015 08:32 AM ET (US)	i dont understand how crab didnt leave unless someone had a disguise but it took you a night to make yours? though I trust barry's results more since thats
985 Splinter 08-09-2015 08:39 AM ET (US)	Yeah what we know so far doesnt make sense, I'm just going to wait for more info
986 Czartim 08-09-2015 08:39 AM ET (US)	If crab didn't leave then there's no telling how many of the people I saw don't have roles and we should ignore that info for now Edit great minds Edited 08-09-2015 08:40 AM
987 Splinter 08-09-2015 08:45 AM ET (US)	Well I dunno about ignoring them completely... It still puts them up for consideration even if it isnt 100% accurate
988 Czartim 08-09-2015 08:51 AM ET (US)	So do you want to kill someone in on the list to test it or kill gosh since his role could mess us up?
989 Czartim 08-09-2015 08:54 AM ET (US)	It'd be pretty funny to kill everyone around Pau first just to mess with her
990 Czartim 08-09-2015 09:01 AM ET (US)	I was pretty drunk last night because I went to a blues festival downtown. Just wanted to say I'd never do any gambit without approval first so no worries.

997 swamped* 08-09-2015 09:35 AM ET (US)	I kinda may have missed some stuff...can you recap why you want to claim one shot cop?
998 Barrylocke* 08-09-2015 09:36 AM ET (US)	I do also wish we had gotten more than a cryptic hint on the mechanics of movement. Idk how AC mafia handeled its map stuff but this is too "discover as If I had known that we'd see and he seen as we went for the kill, Id have suggested we kill someone closer to our room, and it'd effect who we impersonate
999 Launchpad* 08-09-2015 09:40 AM ET (US)	the AC map was as much as mystery to us starting out, but we had a slight advantage that Tucah's role kind of explained what we should have been lookin However, even though I was on the right track just before I died, nobody picked up the logic regarding the map afterwards so it went to waste :c

1008 Czartim 08-09-2015 10:11 AM ET (US)	Thanks Launch. For the record I'm not asking for special treatment or for you to change the rules or anything. I'm just talking about my general opinions c Launch confirmed the path I took in my map and much better drawn too
1009 swamped* 08-09-2015 10:13 AM ET (US)	So you did go back the way you came?
1010 Czartim 08-09-2015 10:14 AM ET (US)	It does not imply otherwise
1011 Czartim 08-09-2015 10:21 AM ET (US)	I am going to subtly breadcrumb a town investigation on AB so that if I need it, it's there. If not people won't notice
1012 swamped* 08-09-2015 10:27 AM ET (US)	Ok, that means Sawneeks definitely visited the pool, workshop, or someone in the north corridor. I don't know how that info will help us but maybe some Also, if Salva, Pau, AB and Tim are on each others lists, then these for people suspect only 3 others of killing Fran (theoretically, CzarTim doesn't suspect It's only the start of the day phase so we can wait, but I'm beginning to think that the one shot cop claim is a safe thing to do and will buy us some time.

1015 Launchpad 08-09-2015 10:34 AM ET (US)	On the map route, you'll always return the way you went.
1016 Czartim 08-09-2015 10:40 AM ET (US)	If I breadcrumb my investigation I can claim since I passed AB and figured he had a role, I did not want to put him in the spotlight by claiming in full.
1017 Czartim 08-09-2015 10:42 AM ET (US)	A fake claim would be great though just in case
1018 Barrylocke* 08-09-2015 10:52 AM ET (US)	I'm writing up my thoughts on Sawneeks. I notice that her opinions very much mirror crabs. In particular she voted for Terrabyte for not letting up off of KingKitty when Crab said that they should I want/need to get reads on one or two more players. 1084 Splinter 08-09-2015 06:36 PM ET (US)	Well if the MAFIA GOD could stop convincing people he's hope....
1085 Splinter 08-09-2015 06:38 PM ET (US)	Why is TB copying literally every move Crab makes?
1086 Czartim 08-09-2015 06:40 PM ET (US)	Because tb wants us to lynch him tomorrow
1087 Czartim 08-09-2015 06:44 PM ET (US)	Sorry you're losing this bet
1088 Splinter 08-09-2015 06:50 PM ET (US)	This was trep's play, not mine
1089 Splinter 08-09-2015 06:53 PM ET (US)	LOL you are so done
1090 Splinter 08-09-2015 06:54 PM ET (US)	I mean, we all are But you first
1091 Czartim 08-09-2015 06:59 PM ET (US)	People not following the first rule of fight club
1092 Czartim 08-09-2015 07:09 PM ET (US)	If you guys had let me unnecessary gambit, this day would have been so much better
1093 Splinter 08-09-2015 07:15 PM ET (US)	I think he's given me enough to go back on the offensive tomorrow. I wonder what trep will contribute overnight. I've lost faith in Burrito, cant hold an opinion for 20 minutes
1094 Launchpad* 08-09-2015 07:19 PM ET (US)	lol fight club, you're silly
1095 Czartim 08-09-2015 07:20 PM ET (US)	Yeah corn could be a good player but convincing people you're right is a big part of this game and he tends to dance around everything
1096 CzarTim* 08-09-2015	sorry. distancing

07:41 PM ET (US)	
1097 Splinter 08-09-2015 07:42 PM ET (US)	lol, someone was going to say it eventually
1098 CzarTim* 08-09-2015 07:42 PM ET (US)	yeah figured id jump to it
1099 CzarTim* 08-09-2015 07:43 PM ET (US)	would be hilarious if me doing the nk to save you ended up killing you
1100 CzarTim* 08-09-2015 07:52 PM ET (US)	quote that one when the game ends
1101 Splinter 08-09-2015 08:10 PM ET (US)	Unless someone else quotes it first :p
1102 Czartim 08-09-2015 08:12 PM ET (US)	I live dangerously
1103 Splinter 08-09-2015 08:26 PM ET (US)	I dont understand the "encodes and decodes" comment, did I miss something?
1104 CzarTim* 08-09-2015 08:28 PM ET (US)	kg made the claim that hes the only town member who knows how to encode and decrypt messages as if that litterally means anything or is useful at all. Edited 08-09-2015 08:40 PM
1105 CzarTim* 08-09-2015 08:33 PM ET (US)	MAFIA GOD
1106 Splinter 08-09-2015 08:37 PM ET (US)	*facepalm*
1107 CzarTim* 08-09-2015 09:10 PM ET (US)	"nah man, it's totally me, czar. I killed Franconp. you should totally lynch me D3." lol AB
1108 CzarTim* 08-09-2015 09:18 PM ET (US)	splinter ideas for the night kill?
1109 CzarTim* 08-09-2015 09:24 PM ET (US)	poor ouro
1110 Ourobolus* 08-09-2015 09:27 PM ET (US)	I give up.
1111 swamped* 08-10-2015	I haven't read through the thread properly, but why did Zipped mention the Super Duper High School Team Manager? Trying to find the post again. That's

01:55 AM ET (US)	
1112 swamped* 08-10-2015 01:59 AM ET (US)	Oh its just an example of a role. Promise I'll read through properly when i get back
1113 Splinter 08-10-2015 02:16 AM ET (US)	Swamped you have a role? :o Tim: How much confusion would it cause if we lynched the winner of this duel?
1114 swamped* 08-10-2015 02:25 AM ET (US)	It's just the name of my role. I have no power though. For night kill, was thinking someone as far from Splinter as possible, just to ensure that everyone who can sees Kalor. Gonna double check map for ideas.
1115 swamped* 08-10-2015 02:28 AM ET (US)	What about Salva or Goshu for NK?
1116 Splinter 08-10-2015 02:29 AM ET (US)	We could kill off the corner people, since people think thats why franconp died
1117 Splinter 08-10-2015 02:31 AM ET (US)	Salva is very hard to manipulate, so its a good idea to remove him soon. I'd like to see D3 though he was under some suspicion yesterday goshu is the switcher, which is dangerous for us, could be a good idea to remove him
1118 Splinter 08-10-2015 05:12 AM ET (US)	Crab was right, these people are hopeless
1119 Barrylocke* 08-10-2015 06:12 AM ET (US)	On Terrabyte The one thing I think is interesting is the idea that killing Crab solely because of being a distraction is a good idea. I think that as more pressing things hap Didn't Goshu hint at not actually being the switcher? Edited 08-10-2015 06:14 AM
1120 Splinter 08-10-2015 07:38 AM ET (US)	You're right, he did I'm confused, do your first and second sentences contradict each other? Or do you mean it wont make sense for Hope to kill Crab (2nd sentence)?
1121 CzarTim* 08-10-2015 08:13 AM ET (US)	keeping crab will make a good distraction and an easy lynch later. No one will think kg is despair if he's still alive
1122 CzarTim* 08-10-2015 08:20 AM ET (US)	i dont want to do mak because so many people saw me go to fran, if the person across from me dies, they might talk. I'm going to push the narrative of a p
1123 Czartim 08-10-2015 08:30 AM ET (US)	Actually if you guys want to do mak that's cool
1124 Launchpad* 08-10-2015 09:11 AM ET (US)	Tim, stop trying to make fight club happen. It's not going to happen.
1125 CzarTim* 08-10-2015 09:11 AM ET (US)	FIGHT CLUB
1126 CzarTim* 08-10-2015	watch me expertly transition fight club into a suggestion that there's a ninja. MAFIA GOD

09:13 AM ET (US)	
1127 CzarTim* 08-10-2015 09:45 AM ET (US)	another option we have is to let me continue doing the kills each night and then have splinter use his disguise. it will look like kalor popped up after i died
1128 CzarTim* 08-10-2015 10:22 AM ET (US)	the thread died again
1129 Splinter 08-10-2015 10:25 AM ET (US)	Its been on life support ever since Crab's fake tantrum
1130 CzarTim* 08-10-2015 10:29 AM ET (US)	crab's our mvp. thanks crab!
1131 swamped* 08-10-2015 10:33 AM ET (US)	I don't mind which one of you does the killing tonight. But I'll about I'm curious about how Splinter's power works.
1132 CzarTim* 08-10-2015 10:33 AM ET (US)	i'm game for anything, splinter can decide
1133 swamped* 08-10-2015 10:39 AM ET (US)	Btw you and Splinter are hilarious in the thread I'm worried Mak might have a weird ability like if you kill him at night, we can't kill anyone next day phase, or that the Despair who kilts him dies too. Bu Edited 08-10-2015 10:41 AM
1134 CzarTim* 08-10-2015 10:43 AM ET (US)	yeah this crossed my mind too
1135 Launchpad* 08-10-2015 10:47 AM ET (US)	<a href="#">/m1133</a> : why would you guys knitting him a kilt make you die :c
1136 swamped* 08-10-2015 10:49 AM ET (US)	Didn't you know, kilts are classified as weapons in certain countries.
1137 CzarTim* 08-10-2015 10:50 AM ET (US)	we could also kilt a room. having multiple kills might fuck with them a bit
1138 Launchpad* 08-10-2015 10:54 AM ET (US)	<a href="#">/m1136</a> : ok, officially, the next mafia kill flavor text is going to be a suffocation by kilt. <a href="#">/m1137</a> : huh?
1139 CzarTim* 08-10-2015 11:03 AM ET (US)	kill a room like the kitchen or whatever
1140 Launchpad* 08-10-2015 11:04 AM ET (US)	oh. gotcha.
1141 swamped* 08-10-2015	Would you really put that as the flavor text? I would die laughing, you don't want your precious Despair students dead now do you? XD I think we should wait at least 1 more day to do room kills. I want to get a better idea of where people are going (especially Sawneeks, she's the only one v

1149 swamped* 08-10-2015 11:23 AM ET (US)	I didn't notice a thing lol. I'm going to ignore your fight club posts (its not personal!) But as a good student who stays in her dorm room at night, i have no idea what you're talking about. Actually, regarding potential roles if i have to start killing people - was thinking of sticking with Team Manager who goes to the swimming pool or basket
1150 Splinter 08-10-2015 11:27 AM ET (US)	I'll second that motion to override Pau
1151 Launchpad* 08-10-2015 11:28 AM ET (US)	So Splinter... you're named after the rat, right?
1152 CzarTim* 08-10-2015 11:39 AM ET (US)	launch would you ban me from all your future games if I overrided barry right now and tanked this game???
1153 Launchpad* 08-10-2015 11:39 AM ET (US)	I wouldn't. Do with your powers as you wish. Edited 08-10-2015 11:39 AM

1162 CzarTim* 08-10-2015 12:02 PM ET (US)	I feel bad, corn is legit trying and no one is helping
1163 Splinter 08-10-2015 12:07 PM ET (US)	<a href="#">/m1151</a> Well... Originally I was named after the type of splinter you might get in your thumb, the little shard of wood that hurts a bit until you dig it out with some "You were killed by EvilSplinter" But since then I've ret-conned it. Yes, I'm the rat from TMNT.  (The "Evil" bit is because I was like, 8, and Evil is a less doucheb synonym for Cool when you're 8)
1164 Launchpad* 08-10-2015 12:08 PM ET (US)	I'm surprised you were even thinking about being doucheb at 8. That shows scum initiative.
1165 Splinter 08-10-2015 12:12 PM ET (US)	Also my mum is Blister. Its a family thing
1166 Splinter 08-10-2015 12:39 PM ET (US)	Its like me and CornBro think all the same things. WE MUST BE ON THE SAME TEAM
1167 CzarTim* 08-10-2015 12:40 PM ET (US)	deflecting much?
1168 Splinter 08-10-2015 12:43 PM ET (US)	Deflecting? What/where?
1169 CzarTim* 08-10-2015 12:45 PM ET (US)	splinter the first letter of every one of your posts spells "I am on the mafia team with barry, swamped, and tim" gotta be careful dude
1170 Splinter 08-10-2015 12:47 PM ET (US)	Quote it when the game ends

1171 CzarTim* 08-10-2015 01:06 PM ET (US)	". For a while CzarTim, SalvaPot, Terra, and a few others were prominent on my list but after the Day 2 posts my thoughts have changed. Nothing concret :D

1189 swamped* 08-10-2015 02:14 PM ET (US)	Woah, AB just quoted a really old post of mine (the joke asking Barry to watch his back). I think he's following me...

1193 Launchpad* 08-10-2015 02:21 PM ET (US)	I didn't read most of SW, and if you subscribe to a nonlinear perception of time, that joke was a LMQ original.
1194 Ourobolus* 08-10-2015 02:38 PM ET (US)	Lol kgtrep

1239 CzarTim* 08-10-2015 05:12 PM ET (US)	TOP - unlikely to be Despair at this point. Way too visible. If Crab is Despair he's the only one doing this town leader thing. :D

1241 Splinter 08-10-2015 05:45 PM ET (US)	If I was braver I might ask Crab for a copy of his step dads birth certificate and then call him Despair for not providing it

1245 Launchpad* 08-10-2015 06:57 PM ET (US)	That was like 99% because Ouro was about to make a second post and I'm like "wat r u doin"
1246 Launchpad* 08-10-2015	But yeah, it's a little annoying when people start talking about post counts and omg the numbers don't lie

1249 Launchpad* 08-10-2015 07:02 PM ET (US)	It wouldn't be such a bad idea, tbh.
1250 Czartim 08-10-2015 07:02 PM ET (US)	With 20+ players the first three days move way too fast and it's tiring to re-read out later on

1254 Czartim 08-10-2015 07:45 PM ET (US)	The problem with ouro's post is I was doing two words at a time and he did three. Bad mod imo

1268 Czartim 08-11-2015 09:15 AM ET (US)	I'm going to say that some people we see moving a night will be misdirection. Sleepwalkers or something
1269 Splinter 08-11-2015 09:57 AM ET (US)	Well AB just gave Despair reads for everyone, any clues in there that he investigated someone?
1270 CzarTim* 08-11-2015 09:58 AM ET (US)	good point. he did say i killed fran earlier, but we've been fucking with each other all game so who knows
1271 Splinter 08-11-2015 10:49 AM ET (US)	Have people put me on ignore already? First goshu and now Zipped gave reads for everyone but me :(
1272 Czartim 08-11-2015 10:58 AM ET (US)	Honestly a good thing as scum
1273 Splinter 08-11-2015 10:58 AM ET (US)	I've got Pau Syndrome
1274 swamped* 08-11-2015 11:51 AM ET (US)	On Day 1, i really thought kgtrp was the cop/doctor from the hints he gave out. So the use of his ability kinda threw me off I guess. The cop might be any of the people on the rulebreakers list (of we assume they have to leave their room to investigate). AB is still a good guess I think. W SalvaPot may also be a good kill, as he certainly has a power too. You're right about sleepwalkers though. Tonight we'll also know if certain people can only move on alternate nights
1275 swamped* 08-11-2015 11:52 AM ET (US)	Also, quite pleased with all the town reads I'm getting :D

1279 Splinter 08-11-2015 12:15 PM ET (US)	If there are any breadcrumbs in AB's post I'm not seeing them. He gave the softest read to sawnecks but I dont see why he'd investigate her in the first plac
1280 Splinter 08-11-2015 12:20 PM ET (US)	btw if Barry and AB are kind of in the same boat (experienced player posting less than expected) so they kind of split some suspicion between them. With Also I'm not really feeling AB as cop... Maybe Pau is being quiet on purpose?
1281 CzarTim* 08-11-2015 12:23 PM ET (US)	none of Pau's reads had a hard town read.
1282 CzarTim* 08-11-2015 12:23 PM ET (US)	there could also not be a cop
1283 Splinter 08-11-2015 12:27 PM ET (US)	We should also give some consideration to people you didnt see. After all you didnt visit the South East at all and we're still in some confusion over the pe
1284 CzarTim* 08-11-2015 12:29 PM ET (US)	if you kill saw we'll get information on why some people are moving and who's moving to the right.
1285 CzarTim* 08-11-2015 12:40 PM ET (US)	yeah pau implying mak could have intel makes me think she's not the cop
1286 CzarTim* 08-11-2015 01:02 PM ET (US)	I also think barry should watch a big room to see how many people are there.
1287 Splinter 08-11-2015 01:03 PM ET (US)	Yeah was gonna say we seem to get more info from the kill than watching someone's room. Might as well see what the big rooms are for
1288 Barrylocke* 08-11-2015 01:17 PM ET (US)	How many people do we think are traveling to big rooms? Total speculation, but maybe if there's masons they meet every night in a big room?
1289 CzarTim* 08-11-2015 01:20 PM ET (US)	thats my guess. in hindsight we should have picked the same big room twice in a row to see what changed
1290 Splinter 08-11-2015 01:26 PM ET (US)	Yeah but we were more afraid of Crab, also it did give us some useful info (i.e to not be so sure of other info). Also my 'short version' post is longer than most peoples regular posts now :/
1291 Launchpad* 08-11-2015	zzzzz

03:29 PM ET (US)	
1292 Czartim 08-11-2015 03:42 PM ET (US)	Tell me about it
1293 Splinter 08-11-2015 03:52 PM ET (US)	In hindsight, 4 days is quite a long time for THUNDERDOME
1294 Launchpad* 08-11-2015 03:53 PM ET (US)	You know, you're kind of right. In hindsight, I probably should've shortened this day phase to account for this.
1295 Splinter 08-11-2015 03:57 PM ET (US)	Or triggered the face off half way through the day. People aren't talking seriously about other things even when we try. I mean, it helps us as Despair, and we're still on track for an even higher post count than D1, but triggering it later might have been more fair to town/fun. I like the mechanic, fwiw
1296 CzarTim* 08-11-2015 03:58 PM ET (US)	24 hour thunderdome would have been intense.
1297 CzarTim* 08-11-2015 03:58 PM ET (US)	crab would have died easily
1298 Splinter 08-11-2015 04:02 PM ET (US)	I'm getting way too verbose, I genuinely don't know how to stop it :/
1299 Splinter 08-11-2015 04:32 PM ET (US)	How about Salva for cop? Refused to vote, you saw him at night, he votes based on his 'gut'... Worth a kill?
1300 CzarTim* 08-11-2015 04:33 PM ET (US)	yeah I'm leaning him or saw.
1301 Splinter 08-11-2015 05:27 PM ET (US)	Dont mind me, just doing all of Hope's work for them

1303 Czartim 08-11-2015 06:07 PM ET (US)	I made fight club a thing. Take that launch
1304 Launchpad* 08-11-2015 06:08 PM ET (US)	It doesn't feel like he used it the same way as you tho...
1305 Splinter 08-11-2015 06:09 PM ET (US)	*applause* But if Crab gets the fight club thing, how did Barry's hamster not see him leave his room? Or was that just a guess?
1306 Czartim 08-11-2015	Yeah he doesn't get it

06:11 PM ET (US)	
1307 Czartim 08-11-2015 06:13 PM ET (US)	If I push him maybe I can get him to slip that he doesn't know about fight club and then I can say I don't believe him and vote for him
1308 Splinter 08-11-2015 06:22 PM ET (US)	I think Crab just called me a bad townie, and after everything I've done for them :(
1309 swamped* 08-11-2015 06:42 PM ET (US)	Nice job with your recent posts Splinter!  KILL SALVA  Actually i don't know lol. I'll think about it a little more.
1310 swamped* 08-11-2015 07:16 PM ET (US)	Omg. Kgtrep made a graph of post frequency???????? UGHHHHHHH WHYYYYY
1311 Czartim 08-11-2015 07:18 PM ET (US)	Now you know why I was so mad at him
1312 Splinter 08-11-2015 07:21 PM ET (US)	HEY.  Leave kgtrep alone. We're bros now, remember?
1313 swamped* 08-11-2015 07:23 PM ET (US)	What if I just ignore all of kgtrep's reasoning and vote for Crab saying that I would have done that anyway? I mean, I really appreciate all the work he put into it and he is clearly very enthusiastic. Maybe I'm just tired and don't want to read his mountain posts lol.
1314 Czartim 08-11-2015 07:28 PM ET (US)	That might work. Maybe mention you think crab will be a distraction
1315 Czartim 08-11-2015 07:31 PM ET (US)	He did clearly put a lot of work into the case, but no one should put that much stock into a D1 case. D1 is whatever
1316 CzarTim* 08-11-2015 08:40 PM ET (US)	it's funny that the fight club members can't say why they aren't voting for crab and the non-fight club members are angry about it.  And crab apparently isn't even in fight club.
1317 swamped* 08-11-2015 08:45 PM ET (US)	Yeah. he probably used that ability a little too early.  In terms of rooms to spy on, I agree with one of the big rooms. How about pool or workshop? If we are just randomly picking let's go with workshop. Again, speculation: there might be students who can choose which room they go to, so they may not be in the same room two nights in a row.  In terms of kills, I say let Splinter do it instead of CzarTim. I'm thinking either AB, Salva or kgtrep (to emphasize the room corner theory). If Splinter kills  This day phase was a little frustrating because we couldn't get any more clues as to who might be SK/vig either. Oh well.
1318 swamped* 08-11-2015 08:49 PM ET (US)	<a href="#">/m1316</a> Ohhh totally didn't notice that! Curious how Sawneeks will vote now.  I also see why you keep mentioning Sawneeks as a potential kill, as she is right opposite Kalor. We might cause some confusion if AB sees, which may not
1319 Barrylocke* 08-11-2015 09:04 PM ET (US)	My absence is more than just the hugeness of the game, it's also just been things being busier recently. I probably shouldn't have signed up this season and Edited 08-11-2015 09:05 PM

1321 swamped* 08-11-2015 09:17 PM ET (US)	Don't stress about it Barry! You may be on some lists, but i think people are waaay more suspicious of others (like Makai)  Actually, if we off AB, it might be good for Barry since people tie them together.
1322 CzarTim* 08-11-2015 09:47 PM ET (US)	that CoC game tho
1323 CzarTim* 08-11-2015 09:49 PM ET (US)	this would be a great time to override barry just to one-up them.

1412 swamped* 08-12-2015 08:47 PM ET (US)	Wow, somehow missed that post...it reads as a joke in context, but who knows? I just took it to be tongue-in-cheek because of your jokes saying AB was I I think he would have been more vocal about his suspicions on you if he had investigated you. He's certainly thinking about the map more, he knows you
1413 CzarTim* 08-12-2015 09:11 PM ET (US)	i thought it was a joke too until his last post
1414 CzarTim* 08-12-2015 09:12 PM ET (US)	Barry wasn't a member of fight club, correct? His role keeps him inside his dorm.
1415 CzarTim* 08-12-2015 09:13 PM ET (US)	didn't get Crab's post here since so many of them were fight club members: <a href="http://www.neogaf.com/forum/showthread.php...ight=#post174825747">http://www.neogaf.com/forum/showthread.php...ight=#post174825747</a>

1417 swamped* 08-13-2015 11:39 AM ET (US)	Just thinking out loud...if we ever get to the stage of 5 town vs 3 mafia (quite unlikely) we could win with CzarTim's power (provided there are no more k I wanted to go through the list of potential kills for tonight: 1. Crab He is the one who survived the duel. It's likely that protective roles will be on him. In general he is seen as an asset to Hope, but a vocal minority is suspic weird power that allows him to project himself outside his room. But since Splinter's power took one day to charge, I don't think this explanation is the co MY OPINION: Too risky to kill tonight. We can see if he is once again a member of fight club during this night phase. 2. AbsolutBro He almost certainly has a power. Has dropped strong hints about CzarTim killing Fran. I don't understand his last post either "I've already told you who m MY OPINION: I'm ok with killing him tonight. His hints during Day 2 were very cryptic. Nobody else on the fight club list seemed to pick up on them. Th 3. SalvaPot He definitely has a power too. If Splinter kills him, we'll find out more about people going west. Suffers from tunnel vision, so could be a good kill to mes MY OPINION: I think he is a good kill Anyone else I am missing? Edited 08-13-2015 11:41 AM

1421 CzarTim* 08-13-2015 12:03 PM ET (US)	Launch, if splint went to salva's room, would he pass people going to the workshop (from the bottom row obviously)? Also hypothetically what would ha Edited 08-13-2015 12:09 PM

1422 CzarTim* 08-13-2015 12:05 PM ET (US)	swamped, I agree with your assessment. What if we killed salva, but I start the day with a roleclaim for my 1-shot cop? Might be better to get ahead of it.
1423 Launchpad* 08-13-2015 12:10 PM ET (US)	<a href="#">/m1421</a> : Splinter would only see people his path overlaps with. He wouldn't see anyone who goes into the workshop if they used another path. I take a kill action on a player to be a kill action on their dorm.
1424 Barrylocke* 08-13-2015 12:13 PM ET (US)	By that you mean that you're going to a specific dorm and killing that specific person when they return to their dorm, right? Vs. Killing everyone in that d
1425 CzarTim* 08-13-2015 12:15 PM ET (US)	ok thanks, also if someone is across the hall would you cross paths? like I would have seen Mak if he went to the right even though I went to the left (pote
1426 Splinter 08-13-2015 12:15 PM ET (US)	So if there was a watcher in the dorm they'd be killed too? That doesnt seem right... Tim: I think that works better as a last resort, especially if AB has indeed dropped hints
1427 CzarTim* 08-13-2015 12:18 PM ET (US)	I agree, it's just people tend to believe lies that aren't reactionary.

1430 swamped* 08-13-2015 12:26 PM ET (US)	Yeah, I reread his opinions on Pau though and they seem much kinder than his assessment of you. Maybe he really did investigate you. He calls SalvaPot out on trying to decipher the map mechanics though. But I'm not sure if Salva was on his list. Edited 08-13-2015 12:27 PM
1431 CzarTim* 08-13-2015 12:27 PM ET (US)	That'd be pretty funny if he did <3 AB
1432 CzarTim* 08-13-2015 12:28 PM ET (US)	I feel like we would draw more attention to it if we kill him though.
1433 CzarTim* 08-13-2015 12:31 PM ET (US)	The one problem with splinter killing salva and watching the workshop is we don't get a sense of who's NOT going to it. Either I should kill him or splinte
1434 Splinter 08-13-2015 12:33 PM ET (US)	Yeah thats what worries me. On the other hand if we dont kill him he can investigate/say more.
1435 CzarTim* 08-13-2015 12:33 PM ET (US)	if you want to kill AB I'm okay with it
1436 Splinter 08-13-2015	I guess that would be Sawneeks. Or (whoever replaced) ANuclearError. We would know if Crab moves again in that case.

1447 swamped* 08-13-2015 02:48 PM ET (US)	You could explain use of one shot abilities by saying you feared dying early and then the ability would be no use to town. As for why AB...was there any scummy behavior from him day 1? Maybe his late vote on Makai? People may ask why you didn't investigate Makai actua

1450 swamped* 08-13-2015 03:39 PM ET (US)	Hmmm yah. We can see if AB transfers some of that suspicion to Pau, that would be very telling. Also if you reveal that he's hope, people who blindly believe Crab may have to change their opinions. That would be good. So, Splinter kills Salva and we investigate basketball court?

1460 swamped* 08-13-2015 05:23 PM ET (US)	<a href="#">/m1456</a> oh good point. I think the high school debater narrative makes sense. But the person you are debating with wouldn't know, right? 1505 Launchpad* 08-15-2015 07:08 PM ET (US)	Pretty sure Barry's hamsters can read.
1506 Splinter 08-15-2015 07:09 PM ET (US)	Yeah whoops, Crab needs to die then.  Also I had forgotten you were going to do the kilt thing, that was awesome
1507 Czartim 08-15-2015 07:10 PM ET (US)	Yeah good point splinter Also yay a power role. That one would be a bitch.
1508 Czartim 08-15-2015 07:12 PM ET (US)	I don't know why switchers don't just always switch themselves with their most scummy suspect. Swamped would have died lol
1509 Czartim 08-15-2015 07:15 PM ET (US)	Oh yeah that kilt thing was God tier
1510 Splinter 08-15-2015 07:16 PM ET (US)	I'm doing my next murder blindfolded in case there's another nametag switcher

1511 swamped* 08-15-2015 07:18 PM ET (US)	Oh, did you get a fight club list Splinter?
1512 Splinter 08-15-2015 07:20 PM ET (US)	omg I'm in Fight Club, I love Fight Club AbsolutBro SalvaPot Pau
1513 Splinter 08-15-2015 07:22 PM ET (US)	So pretty much no new information. Kinda of confirms AB and Pau I guess
1514 Splinter 08-15-2015 07:23 PM ET (US)	Wouldn't it be cool if Hope convinced themselves that Salva switched with Swamped, and therefore she was the real target and must be Hope
1515 Barrylocke* 08-15-2015 07:34 PM ET (US)	So who wants to see a likely futile but earnest struggle of a dimming dark flame of despair vs. the gathering lights of hope?
1516 swamped* 08-15-2015 07:36 PM ET (US)	What are you saying? The dark flame is only growing XD
1517 Splinter 08-15-2015 07:39 PM ET (US)	He's alive! Barry we thought your hamsters had eaten you
1518 Czartim 08-15-2015 07:44 PM ET (US)	Thanks mak for pushing our narrative
1519 Barrylocke* 08-15-2015 07:45 PM ET (US)	My flame will probably end soon though. But we'll see if I can put on a good show and maybe stir stuff up in the grand scheme.
1520 Czartim 08-15-2015 07:55 PM ET (US)	If you could hold on one more day that'd be great
1521 swamped* 08-15-2015 07:56 PM ET (US)	Oh Barry, did you get a report? And don't worry, we'll try to make sure you don't get lynched :). I think Splinter and CzarTim want to cast some suspicion your way, whereas I'm going to
1522 Barrylocke* 08-15-2015 07:59 PM ET (US)	My report hasn't arrived yet. Ill let you know whats on it if it does. Its a shame that the crab snoop was almost pointless since itwas probably salvapot tha

1524 swamped* 08-15-2015 08:57 PM ET (US)	Should I act dumb? Should I say something like 'how do you know there is a watcher among Despair'? So fun being a secret member of fight club
1525 CzarTim* 08-15-2015 09:00 PM ET (US)	yeah do that swamped.
1526	I'd ask why would they investigate Salva N1

Splinter 08-15-2015 09:01 PM ET (US)	
1527 Splinter 08-15-2015 09:02 PM ET (US)	Since its not unlikely for Despair to have some kind of watcher
1528 swamped* 08-15-2015 09:15 PM ET (US)	I keep imagining Goshu with a really posh English accent like Jake Whitehall or something. Edit: No...not Jake Whitehall...but someone really posh anyway. Like an Indian Maharaja or something Edited 08-15-2015 09:23 PM
1529 Splinter 08-15-2015 09:16 PM ET (US)	A passive ability that may be affected by a switcher...
1530 Czartim 08-15-2015 09:20 PM ET (US)	Maybe he's bulletproof and thought it would switch?
1531 swamped* 08-15-2015 10:02 PM ET (US)	I think I'm going to start by voting for Makai. I'll build a case and I think others would vote too (esp. Pau and Zipped)
1532 CzarTim* 08-15-2015 11:29 PM ET (US)	corn does not take a hint, jesus

Kalor and Barrylocke were probably just adde Just thinking out loud and we probably don't have to concentrate too much on this.
1534 Czartim 08-16-2015 12:59 AM ET (US)	He could have gone east and then up and left and run into me that way too
1535 swamped* 08-16-2015 01:08 AM ET (US)	That makes a lot of sense, because SalvaPot wasn't on his list. Salva was on Pau's list though...maybe he ended up switching Crab with someone in the northern dorms? Edit: no can't really say that, isn't enough info Edited 08-16-2015 01:12 AM
1536 CzarTim* 08-16-2015 01:33 AM ET (US)	We do know that if crab or saw have targetable abilities, they did not go to the north row last night. We also know no one else on the top row had abilities Let's not get too caught up in fight club though. I'm sure town has some sort of ninja. Also we need someone to witness kalor.
1537 swamped* 08-16-2015 11:44 AM ET (US)	Sure would be inconvenient for us if Kalor got lynched this day phase...
1538 Splinter 08-16-2015 12:15 PM ET (US)	He wont, they've got nothing on him
1539 Czartim 08-16-2015 12:53 PM ET (US)	I flat keep forgetting some people are in this game. Like king posted and I was like, oh right, you're here.
1540 Czartim 08-16-2015 01:51 PM ET (US)	Barry did you get your report yet?
1541	I'm also wondering if there is no cop. Kind of feels unbalanced to have the map mechanic and a cop.

Czartim 08-16-2015 01:54 PM ET (US)	
1542 Barrylocke* 08-16-2015 02:11 PM ET (US)	No actually, and I'm wondering if I got roleblocked now. But wouldn't I know if that was what happened?  EDIT: Wouldn't I have been told/warned that my night action didn't go through though? Edited 08-16-2015 02:17 PM
1543 swamped* 08-16-2015 03:55 PM ET (US)	Look at Pau playing coy.  I've been thinking, AB was pretty quick to suspect Czartim after N1, and he doesn't really seem to be suspicious of Pau at all (although i should double cl  Dont mind me with my wacky theories. I'm just bored lol.  Also, strange that Barry hasn't received a report yet...
1544 Czartim 08-16-2015 06:02 PM ET (US)	Launch if Barry can't receive his report he should be told the action failed.
1545 Czartim 08-16-2015 06:04 PM ET (US)	Swamped I'm not sure why lovers would move at night (phrasing). I think AB's suspicion was more that I was so far away from home.
1546 Czartim 08-16-2015 06:06 PM ET (US)	If there is a roleblocker my guess is crab
1547 Czartim 08-16-2015 06:08 PM ET (US)	Also this game is deader than Fran and salva. Oooooo
1548 Splinter 08-16-2015 06:20 PM ET (US)	Yeah not really sure what to do with no one to attack :/
1549 swamped* 08-16-2015 06:23 PM ET (US)	You should override someone lol.  I think we've stagnated because fight club people are keeping info to themselves. I just really want to prod Pau about it, but i have to be careful.  Still early in the day, but i think Crab or Sawneeks would be good kills. We still don't have enough knowledge for a big room massacre  Edit: i think it's unlikely Crab would be protected three nights in a row, that's why i think the time is ripe now Edited 08-16-2015 06:28 PM
1550 swamped* 08-16-2015 06:24 PM ET (US)	Also, they could be lover commuters or something, but that's just another ridiculous theory taken from thin air so don't mind me...
1551 Czartim 08-16-2015 06:32 PM ET (US)	We should definitely kill someone on the bottom row to the right to see who's moving down there.
1552 Czartim 08-16-2015 06:33 PM ET (US)	Saw implying her only power is to vote could mean she's a sleepwalker too
1553 Czartim 08-16-2015 06:35 PM ET (US)	Or we could go ahead and kill a room
1554 Czartim 08-16-2015 06:40 PM ET (US)	What's weird to me is our win condition says we need to kill everyone, and so far we've been the only nk. Is there no vig? No sk? What's going on? If we l

1558 CzarTim* 08-16-2015 09:17 PM ET (US)	I should let town die from apathy, but it's more fun to put up a fight so I'm going to go ahead and fake claim. I just want to let every townie know when the

1560 swamped* 08-16-2015 10:07 PM ET (US)	So, AB now votes for Pau! I knew that's what he would do! And thanks for making the thread entertaining again

1562 swamped* 08-16-2015 10:30 PM ET (US)	Also, I think we confirmed that AB is not a cop, else he'd still be suspicious of you.
1563 CzarTim* 08-16-2015 10:35 PM ET (US)	Yep, good point! I'm on #teamnocop Let's keep an eye out on people who are suspicious of it as a possible cop though
1564 swamped* 08-16-2015 11:10 PM ET (US)	Kind of disappointed that nobody thinks I'm suspicious due to SalvaPot's posts... "Is fight club a Mafia term i should know?" Oh CornBro. You're so funny. Edited 08-16-2015 11:23 PM
1565 CzarTim* 08-16-2015 11:26 PM ET (US)	Yeah him being a switcher for some reason caused people to disregard everything he said lol.

1569 swamped* 08-16-2015 11:47 PM ET (US)	I'm just finding Goshu vs Makai to be so entertaining!
1570 CzarTim* 08-16-2015	they are on opposite ends of the spectrum. Mak loves chaos and gosh is very reserved.

1573 CzarTim* 08-17-2015 12:07 AM ET (US)	don't make fun of our honorary teammate, ouro
1574 CzarTim* 08-17-2015 12:48 AM ET (US)	oh boy, cant wait to reveal Mak wasnt in fight club :D
1575 swamped* 08-17-2015 12:56 AM ET (US)	I just can't get enough of the Goshu and Makai show. Those two are way too hilarious.
1576 CzarTim* 08-17-2015 12:59 AM ET (US)	Yeah that's great.
1577 CzarTim* 08-17-2015 02:06 AM ET (US)	I'm about to crash. The lie went surprisingly well, only Pau is skeptical and considering AB outed her for no reason, I don't blame her for being mad.  Given them not knowing how my role works, I can't imagine they'd expect such a big gambit early on. Will be curious to see how crab reacts tomorrow.
1578 CzarTim* 08-17-2015 02:17 AM ET (US)	One last thing: If there is a vig in this game, my guess it's a non-fight club newbie who was voting for kg yesterday. I feel like anyone voting Crab yesterday possible Launch did not include a vig for this exact reason.  I also strongly recommend that we kill a big room tonight. There are 4 of them and if we were to do 1 a night we wouldn't finish until night 6 which is star
1579 Splinter 08-17-2015 02:20 AM ET (US)	Damn, nice one Tim, that went even better than expected
1580 Splinter 08-17-2015 02:22 AM ET (US)	Is it worth going for big rooms when we have other targets? Pau dying would be AB's fault, tells town nothing. We also need to kill Crab asap
1581 CzarTim* 08-17-2015 02:29 AM ET (US)	If we don't start getting some multi-kill nights we are going to run into trouble. Eventually some of us are going to be caught, and we need to kill everyone Edited 08-17-2015 02:30 AM
1582 CzarTim* 08-17-2015 02:41 AM ET (US)	If we want to kill crab tonight that's fine though, but I just don't think we should waste too much more time avoiding the big rooms.
1583 Splinter 08-17-2015 07:22 AM ET (US)	Ideally I'd like to kill Crab and have Barry try another room. Kind of need Barry alive for that though
1584 Splinter 08-17-2015 08:43 AM ET (US)	Damn Launch we'd've been fucked if we tried claiming ordinary student before that hint :/
1585 Launchpad* 08-17-2015	oops. Maybe I shouldnt have said anything...  Actually, nevermind, better I did. Edited 08-17-2015 08:44 AM

1587 swamped* 08-17-2015 09:52 AM ET (US)	I agree about getting multi kills, but do we really want to risk a night where we don't get any one? What if nobody is in the big room? Having said that, I'm actually not opposed to trying out a big room kill. If we are not successful then people will start talking about roleblockers and such
1588 swamped* 08-17-2015 09:52 AM ET (US)	Too bad Barry's action didn't go through...
1589 Launchpad* 08-17-2015 09:59 AM ET (US)	Barry sent me an action PM. He would have to tell you what the results are. Speaking of, I need to prod him.
1590 Splinter 08-17-2015 10:32 AM ET (US)	He told us there was no result. Barryyyyyyy

1598 swamped* 08-17-2015 01:37 PM ET (US)	Yeah. That's why the safest kill tonight would be AB. But do we want to play it safe or have some fun...? Kalor's reactions and posts in the coming days are going to be so fun from our perspective lol. Edited 08-17-2015 01:37 PM

1642 CzarTim* 08-17-2015 11:03 PM ET (US)	holy shit at that AB reveal "In a fuckin hysterical fit of bad luck" I bet Launch laughed so hard
1643 CzarTim* 08-17-2015 11:12 PM ET (US)	AB confirmed my sleepwalking suspicion. Also if there is indeed a roleblocker, they might have hit Mak day one. Especially if crab is the roleblocker.
1644 CzarTim* 08-17-2015 11:14 PM ET (US)	and we still have no idea how the big rooms work
1645 swamped* 08-17-2015	At least we know AB isn't the killer now! He was pretty forthcoming with his role, that was really well played Tim! I'm worried that targeting a big room would be futile. There are only a handful of powers, and not all of them even go to the big rooms, some just go to ot I'm still willing to kill a big room just to see how it works though.

11:20 PM ET (US)	
1646 CzarTim* 08-17-2015 11:28 PM ET (US)	what if the big rooms cause an 'explosion' that kill nearby dorms? There's just no way we have no option for multikill nights without a sk in the game.

1783 Barrylocke* 08-19-2015 05:26 PM ET (US)	So the bandwagon is on CzarTim because of map logic (and Pau revealing to be a lover?) Or something else? Im trying to just read the latest pages but lik Pau is claiming lovers with Typhon, right? Any other recent events I should eye up?
1784 Czartim 08-19-2015 05:29 PM ET (US)	That's it, Barry
1785 swamped* 08-19-2015 05:30 PM ET (US)	Yeah, also to prove/disapprove ninja theory. Pau and Ty4on are lovers (i mean, you can pretend not to believe them) Makai has some PR that he's being really protective of for some odd reason AB claimed Sleepwalker Edited 08-19-2015 05:30 PM
1786 Czartim 08-19-2015 05:31 PM ET (US)	Crab's post makes no sense. I saw him and saw and AB saw neither. They had to have crossed paths
1787 Barrylocke* 08-19-2015 05:33 PM ET (US)	Crabs is purposely looking away from mechanic stuff, so I can see him making a mistake in reference to that. My fucking wifi is down now of all times, so I'm reduced to mobile. Its slowing me down hence all the questions on what to focus on.
1788 swamped* 08-19-2015 05:41 PM ET (US)	Ugh Crab does this every week. We always have an hour more than he thinks lol
1789 Barrylocke* 08-19-2015 05:49 PM ET (US)	Ok so unless a grand idea shows, I'm voting for Czar. As a townie whose pnly caught up woth the recent events, its either a shot ik the dark vote based on Shot in the dark teaches nothing if it hits a townie and actually says nothing about if theres a stealth mafia if it gets lucky unless it hits the stealth person.
1790 CzarTim* 08-19-2015 05:51 PM ET (US)	do it!
1791 Splinter 08-19-2015 06:04 PM ET (US)	Now is a bad time to vote Tim, I think Edited 08-19-2015 06:04 PM

1908 Czartim 08-20-2015 08:58 PM ET (US)	The thing about watching big rooms is I'm still not sure if there is an actual role blocker or if we just get no info from watching big rooms.
1909 Czartim 08-20-2015	I've also considered the possibility of a town power role that does not leave their room but sees everyone who passes in front of theirs. Just a theory thoug!

I think it's a trap role.

2008 Czartim 08-23-2015 10:13 AM ET (US)	Commuter? Possibly.
2009	What if she is just a commuter? Although that would be pretty OP too since we also have the liver commuters.

swamped* 08-23-2015 10:15 AM ET (US)	We would essentially have 5 targets we can't hit lol. Uphill battle. I personally don't think Makai is lying. He seems far too honest a person for that!
2010 Czartim 08-23-2015 10:18 AM ET (US)	You know what? No. Remember when she was like two votes from being thrown out and refused to role claim? 3p. Calling it now. Maybe not cult recruit
2011 Splinter 08-23-2015 12:41 PM ET (US)	Thats a good call, so we should try again tonight?
2012 Splinter 08-23-2015 12:42 PM ET (US)	I guess there is also a chance to lynch her from here
2013 Barrylocke* 08-23-2015 01:10 PM ET (US)	I kinda wish Makai had revealed the full extent of his role earlier. Then we could have used CzarTim to kill him with it. I wonder if she will say anything about that today. Once she speaks some more, I'll attack her. I am worried that Sawneeks might spill the beans about seeing Kalor though, but she may not since it's the first time she is seeing him (which could be we Also, we have to lynch Tim today, and AB, Sawneeks and TB are looking very suspicious. 2027 CzarTim* 08-23-2015 10:09 PM ET (US)	thatd be hilarious. I have a feeling we've run out of room for unnecessary gambits this game though. People won't trust it any more.
2028 CzarTim* 08-23-2015 10:18 PM ET (US)	if they figure out theres a disguiser before splinter dies, swamped could make a kill and claim she was disguised

2031 swamped* 08-24-2015 11:22 AM ET (US)	I brought up the Makai disguise in jest, but it's a risky plan that could actually work for us and help us win if we do it right. > Kill Ty4on's room with Kalor disguise N4 (aim is to kill Pau). Place order for Makai disguise > Use Makai disguise N5 to kill someone in the south corridor (this is important! No other location!). Sawneeks needs to see him. Place order for another > Sawneeks brings up Makai's appearance on D6, we lynch Makai D6 > Use the 'Kalor' disguise for N6 > It's highly likely people will know shenanigans are up. But it is already Day 7, pretty far into the game. We will spend the rest of the game hunting for a If we get Makai lynched, it will be a TON easier for us to win even if only two Despair survive into the late game. We still don't know who the second Lu We need to turn our failed Sawneeks kill into an opportunity! Assumptions: This plan assumes that we will be successful killing Pau. Killing Pau is critical. It's ok if AB is alive, but very risky if so. Edited 08-24-2015 11:29 AM
2032 Splinter 08-24-2015 11:50 AM ET (US)	I cant make a new disguise and submit the kill on the same night :( If Tim somehow survives today he can do the kill while I make the disguise, but I have to send the command during the day so we'd have to be pretty sure

2136 Christina Mackenzie 08-28-2015 09:10 AM ET (US)	Hi guys, your replacement is here. I'd had a feeling I might end up in the Despair camp. It's my first time playing Mafia so it's going to be a baptism of fire. Still trying to soak in all the info from the game thread, I know there is already some suspicion on me (or rather Barry) from other players.
2137 swamped* 08-28-2015 09:13 AM ET (US)	Hi Christina, welcome! Out of curiosity, why did you think you'd end up as Despair lol? Take your time catching up with the thread, that's 4 day phases worth, quite a bit! And then Splinter and I can give you a summary of our strategy of sprea Would be curious to know your opinions of the two of us based on your reading of the thread too.
2138 Christina Mackenzie 08-28-2015 11:18 AM ET (US)	Thanks swamped. Launchpad announcing an extension to the night phase at the same time he's seeking a replacement. Sound a bit suspicious no? Also fr I hadn't picked either you or Splinter to be Despair, would have gone with kingkitty or TL21xx. I didn't know our team was so small. Also I totally fell for I'm not good at making stuff up but I'll try my best to help everyone out. Before receiving my role PM, I thought that I should best play as a quiet Hope. I' Alright so I've got my hamster spies, what special abilities have you? Which room should I be sending them to? Here's what I've surmised so far... * Pau and Ty4on are lovers/masons. Why do we need Pau taken out? * Sawneeks has some power role. * AbsoluteBro is a sleepwalker? * Some Hope players can see our movements in the hall and vice versa? * Makai can't be killed? Could you fill me in on the map system and "fight club"?
2139 Launchpad*	<a href="#">/m2138</a> lol I would hope people think it's because I'm having schedule problems, which I can assure you is the primary reason.

Not a great way to start :p Any ideas who we want to get punished this round? Sounds like Corn is going to turn his attention to Sawneeks. I agree we should get rid of the roaming! If anyone brings up the idea of a 3rd faction involved, I think we can point fingers at AbsolutBro, sneaking off to franconp claiming it's random sounds highly suspicious. Post 2233. If we get to see his role PM, I'm certain he has the ability to target which rooms to enter. Mayb
2155 swamped* 08-31-2015 09:04 AM ET (US)	Lol, that's totally fine, RL first and foremost (especially if it's school tsk tsk). I'm not really sure how the new day will proceed. I'm pushing for an AB lyn At the end of D4 lots of people were suspicious of TB, so that might be another route to go down.
2156 Christina Mackenzie 08-31-2015 09:48 AM ET (US)	Yup, either AB or Sawneeks out would be a win for us. I'm not going to be accusing anyone on my first day but I'll say I believe that Pau/Ty4on/CornBurr I want to try and keep players like TB and TL21xx around until the PRs have been outed. They'll be likely candidates for lynching once no one can see w Hopefully either Sawneeks or AB end up on the chopping block. I don't plan to flip flop on my votes (I stick to those two) but we'll see how the day goes.
2157 swamped* 08-31-2015 12:00 PM ET (US)	That's a good idea about trying to keep TL21XX and TB alive until the PRs are gone. Also, out of AB and Sawneeks, i personally would prefer AB, beca Actually, if Sawneeks dies, we could do the same with you (you do the kill on the night Splinter makes a new costume), but it's a little riskier since we do Btw, CornBro's first post that day is a vote on Splinter, are you planning on putting suspicion on Splinter? I think right now people feel pretty good about!
2158 Christina Mackenzie 08-31-2015 02:05 PM ET (US)	If AB and Pau are gone, I think you'll have to take out Corn while Splinter makes his costume change. I feel he's most likely to figure out there's a Despair Corn mentioned he was going to explain why Sawneeks is suspicious just before the day ended (post is on the last page). Think he'll stick to that, there wa I'm not going to point accusations at either of you or anyone else. If Corn votes for either AB or Sawneeks then I'll go along saying I trust him to be Hope

Maybe she only moves on Odd nights. She hasn't yet mentioned who she saw N4 either. "I didn't move N2" OMG CALLED IT I'm a genius! Edited 08-31-2015 07:47 PM

2163 Christina Mackenzie 08-31-2015 09:43 PM ET (US)	Yup, if what Sawneeks says is true then she will move on odd nights so we can't target her this round. Sucks that we did get a kill again. We probably look incompetent in the spectator thread :/ Also hamsters have nothing to report. 3 nights, 3 facilites, all duds. No one mentioned seeing Ty4on moving about. Why? Is there another switcher at play
2164 Christina Mackenzie 08-31-2015 09:43 PM ET (US)	I meant didn't get a kill.
2165 swamped* 08-31-2015 10:15 PM ET (US)	Man, still nothing? Are these facilities just red herrings? We should probably inspect the pool just for completion's sake though. You know, I'm almost considering holding back a kill tonight too, REALLY mess with Hope lol. Good point about Ty4on. Let's wait for Splinter to report back. 2168 Christina Mackenzie 08-31-2015 10:22 PM ET (US)	You guys killed Salvapot N2 using "Kalor" right? Curious why Pau thinks *redacted* couldn't have killed Salva.
2169 swamped* 08-31-2015 10:30 PM ET (US)	I think it's because she thinks 'Kalor' got out of Kalor's room, so if he killed SalvaPot he would have taken the shortest route which does not overlap with I Even if Splinter uses a disguise, he still comes out of his own room. That's we we have to be careful about the placement of the people we target, especial
2170 Christina Mackenzie 08-31-2015 10:36 PM ET (US)	Can we not submit a kill? I suppose we could try that. I'm trying to think of reasons we missed last night. Ty4on's room was switched? That would imply one of the PRs roaming is the switcher, maybe AB/Pau Really need to wait for Splinter to come in and find out who he saw.
2171 swamped* 08-31-2015 10:41 PM ET (US)	Could be Sawneeks actually if there is another switcher. We don't know what her role is. She could even be a protector that protected the lovers N4. BUT AB probably really is a sleepwalker. I think if we targeted him we could actually kill him. But he might get lynched today, we'll see. Pau - not sure if she has some additional role apart from lover/commuter. Seems pretty OP though. There could be a ninja hope switcher in play (so we wouldn't see them on the map even if they moved). I'm just listing out every single possibility lol, most of this probably isn't true. BUT it looks like we have 5 difficult/impossible targets: Makai, other luckster, Ty4on/Pau and Sawneeks.
2172 Ourobolus* 08-31-2015 10:49 PM ET (US)	<a href="#">/m2166</a> if it's a room on the map, it can be targeted. facility=room Edited 08-31-2015 10:49 PM

2174 Splinter 09-01-2015 01:56 AM ET (US)	I crossed paths with Pau and AbsoluteBro. Ty4on didnt even leave his room last night. Pretty tired of this map shit

2185 Splinter 09-01-2015 09:00 AM ET (US)	Cant do it N5. Pau will see Kalor but Sawneeks wont, which basically reveals this is some kind of disguise and narrows the killer down to me or *checks map* lol, literally just me, since Pau can clear Ty4on and AB would be dead. This is why we need to kill Saw/Pau. Saw I think we can kill N6 but Pau I don't even have any ideas :/
2186 Splinter 09-01-2015 09:01 AM ET (US)	Oh yeah you beat me to it
2187 swamped* 09-01-2015 09:26 AM ET (US)	You know, i think the Kalor disguise has outlived its usefulness at this point. We're kinda behind on kills anyway, we could easily forgo another kill tonight I'll think about another good option for a disguise.
2188 swamped* 09-01-2015 09:29 AM ET (US)	If we get Sawneeks lynched though we can kill AB tonight because Pau won't be able to compare notes with anyone. But if AB gets lynched we can't kill Sawneeks tonight lol cos she'll be wandering. I think we should give up on Pau though. (Although...do you think she goes back to her room? We haven't tried targeting her room itself)
2189 Splinter 09-01-2015 09:38 AM ET (US)	One of the lovers (Ty I think) suggested that they might have been the reason for no kills in 2 nights, this makes me think that *they* think that we targete I could be wrong, but even if we can kill Pau in her room that wouldn't explain Ty4on surviving last night
2190 swamped* 09-01-2015 09:45 AM ET (US)	Ohhhh that's an excellent point. Ok, let's plan to keep Pau alive then. At least we have a good idea of her route, so that's something.
2191 Christina Mackenzie 09-01-2015 09:49 AM ET (US)	Yup, of the 3, getting Pau lynched is probably out of reach. AB or Sawneeks are more likely. I'm going to work out the scenarios if we keep the "Kalor" costume and post my thoughts later. You can work on an alternative if we need to change costu I'm guessing we'll miss again if we target Pau... maybe she has 2 swaps every night, I dunno. Anyway it's not an option to target Pau tonight, just like AB
2192 Splinter 09-01-2015 09:55 AM ET (US)	Ok we really need to figure this out. I targeted Ty and he didn't leave his room, so how did he survive? Another switcher could be at play? But I'd've thought Pau would also go to the wrong room and end up killed. Also this switcher would have to be invisib Maybe a blocker? Again I doubt I was blocked, but its possible. Would also have to be invis. So I dont really like those ideas... Maybe they lock Ty's room while they are together, and we are supposed to kill Pau in her room first, and then Ty becomes a possible target. Bit convolut :/

2243 Christina Mackenzie 09-02-2015 08:55 AM ET (US)	*sigh* better answering Splinter that Royal_Flush I guess... The pool is just an educated guess... I suppose since we know she won't leave her room N6 there's no point in wasting a night finding out where she goes. Regarding Pau, I think she and Ty4on are hiding in the empty room. N2 = nothing at the gym, N3 = nothing at the cafeteria, N4 = nothing at Ty4on's room
2244 Splinter 09-02-2015 08:57 AM ET (US)	<a href="#">/m2240</a> lol, I hate those posts, as soon as I die he will point at it and go, oh look, I WAS RIGHT ALL ALONG Nah, you're about as right as CornBro right now
2245 Christina Mackenzie 09-02-2015 08:57 AM ET (US)	Splinter are you going to post the analysis you promised at the end of D4? Royal_Flush is a good player if he's new... and he's really annoying me.
2246 swamped* 09-02-2015 08:59 AM ET (US)	That's a really good point about the empty room. My only issue is how come we never see Ty4on leaving his room? Even if he's just going across the corr But i think spying on the empty room is a great idea
2247 Splinter 09-02-2015 09:01 AM ET (US)	No Christina, that whole thing was a ruse to throw shade at someone for ending early. Also I agree she probably uses the pool, but thats by process of elimination at this point :P Problem with the empty room theory is I didn't see Ty4on leave his room... I should have crossed paths with him :/ (unless he has a tunnel I guess)
2248 Christina Mackenzie 09-02-2015 09:09 AM ET (US)	Ok Splinter, hope no one points it out again in the future. Anyone have any idea on how to steer the voting? As things stand I have no idea how the voting is going to go. 2249 swamped* 09-02-2015 09:36 AM ET (US)	I think some people are drifting towards an AB vote. I've made my thoughts clear on the subject so I'll def be voting for him. 2250 Christina Mackenzie 09-02-2015 09:49 AM ET (US)	Ok, I think we can put Pau as a possible target to try but again as "Kalor" we can't act tonight without drawing attention to Splinter. Just in case she's a switcher I plan to target the empty room rather than Ty4on. It might end up like Crab on N1.
2251 Splinter 09-02-2015 09:50 AM ET (US)	I'm not gonna try steering anything unless an opportunity presents itself. The "real" vote won't start this early anyway
2252 swamped* 09-02-2015 10:54 AM ET (US)	That's true, she might be a limited switcher, and if she switches with the empty room then that would explain our no kill. Regardless, i don't want to kill her tonight, but something to keep in mind for future nights
2253 Splinter 09-02-2015 12:01 PM ET (US)	"*sigh* better answering Splinter that Royal_Flush I guess..." He he he

2259 Splinter 09-02-2015 03:25 PM ET (US)	I like that, I bet he'd mount a more unorthodox defence too. Probably too late to lynch Makai, so kitty would be a great kill
2260 Splinter 09-02-2015 03:39 PM ET (US)	So dress as kitty tonight, kill Sawneeks tomorrow? Also need to kill ZippedShithead so I can be CornBro's bro again
2261 Splinter 09-02-2015 03:42 PM ET (US)	Wait how did you get a pass from Corn?
2262 swamped* 09-02-2015 03:54 PM ET (US)	I have no idea, but I'm not going to question it...it's interesting that he left out your name in is final list though, narrowing it to TL and TB only. And awww be nicer to Zipped. He's one of our precious suspects for a future lynch. He is kinda being the third wheel in your bromance though lol Killing Saw as KK is great, because Pau will see it and it makes sense from a map perspective from her POV.
2263 swamped* 09-02-2015 03:55 PM ET (US)	CM - you'll be ok replying to Splinter, yeah? He might be kinda scary in game but he's really a big teddy bear

2371 Splinter 09-04-2015 01:56 AM ET (US)	I dont know... Maybe I should just hit the pool and hope for the best? Kalor is dangerously close to being exposed, but if we change then there will be two
2372 Splinter 09-04-2015 05:41 AM ET (US)	I've been thinking up a series of role claims, and actually cant wait for Kalor to be outed, lol
2373 Christina Mackenzie 09-04-2015 05:51 AM ET (US)	Yeah makes sense. Also I checked with Launch, my hamsters can't detect switchers at play so there is no point staking out the empty room. Maybe she rea * Pau always move east (N3, N4 confirmed, Ty4on also suggested so in his map on N2) * She did not enter the gym or cafeteria. * She never goes past Ty4on's room as she has never seen Sawneeks. Seems like the path and action she takes are determined by her role. Something like a commuter where the action is automatic. Maybe we have to get Pau first before Ty4on.
2374 Christina Mackenzie 09-04-2015 05:55 AM ET (US)	I will send the hamsters to the workshop again if we decide to hit the pool. Also I won't be around for the deadline and I have no idea who to vote for. I hope it's a really good bluff :p
2375 swamped* 09-04-2015 08:19 AM ET (US)	I won't be around for the deadline either...this one should be an exciting one though! CM - if you specifically sent the hamsters to the empty room and if Ty4on was switched with the empty room, wouldn't we get a positive result? Other hamster possibility- Pau's room. If she returns to her room at the end of the night, we should be able to kill her. With regards to costume change - i agree that we probably don't have that many nights to act. I'm wary about attacking the pool, because there's a chance s
2376 Christina Mackenzie 09-04-2015 08:38 AM ET (US)	swamped, we can put the hamsters at Pau. If we miss Sawneeks at the pool, we'll get her at her room N6.
2377 Christina Mackenzie 09-04-2015 08:41 AM ET (US)	Also shouldn't we cool it a little with the fighting? I'm worried others might suspect something if any of us are outed.
2378 swamped* 09-04-2015 08:47 AM ET (US)	I was wondering the same thing about the fighting. Hope it looks genuine... Thing is, if i didn't reply to Splinter it would look for suspicious (for me) Also, i need to create some distance for when Splinter gets lynched. Haven't interacted with him much before this. The funny thing is that this argument involves all three of us lol Edited 09-04-2015 09:00 AM

2436 Splinter 09-04-2015 07:46 PM ET (US)	Looking at the map, AB is probably safest. Pau would be guaranteed to see the killer, so it doesnt give them anything. If they get me on movements it will be for N2.
2437 swamped* 09-04-2015 08:07 PM ET (US)	Yeah N2 might get us. Can we think up a good cover story? We shouldn't give up before trying lol. Perhaps you could claim to be a Hope imposter (if it really comes down to it) and your goal is to mess with the real Despair? Who knows how the next day will go. Everyone will be obsessed with finding the Mimic though. AB and Saw will have some suspicion on them, with so

2453 Christina Mackenzie 09-05-2015 07:22 AM ET (US)	Mafia God, if you're out there I could really use some help right now.
2454 swamped* 09-05-2015 07:42 AM ET (US)	Christina - don't worry, we'll be fine! Now we get to the true core of Mafia, the part where we lie our asses of to save our asses lol. I have a plan that's formulating in my head which may be full of holes so we dont have to use it. It might buy us a day phase. It's based on Splinter's idea t I do think you shouldn't role claim early in the day though. Only role claim if you are getting pressed. According to Town Splinter, why should anyone su: Also guys (especially me and CM) try not to use the word 'imposter', as that is Splinter's role name and when we flips people might trace that back to us.
2455 swamped* 09-05-2015 07:47 AM ET (US)	Btw one of the limitations of Splinter's power is that it takes one day to make a new costume, and that he cannot submit an order for a new costume and a PS - i wonder why Ty wanted to start a vote against me at the very end...he has shown no indication previously that he's suspicious of me lol
2456 swamped* 09-05-2015 08:07 AM ET (US)	!! Super Duper High School Risky Gambit !!  This plan tries to address N2, the only night in which people could deduce Splinter is the mimic based purely on night movements. Using Ty's logic (can't Now, we could try to claim Ty is the mimic, but that might prove challenging given that Pau will support him. At best we get another Thunderdome scena Anyway, i think Splinter's claim should be something like Motion Detector. This role reports back if suspicious activity was seen. Perfect for spying on ro I'll go through Splinter's posts, but essentially this plan will have more credibility if he suggested somewhere in the past that he thought Despair hit an emy 1. On N1, claim you checked the empty room and spotted activity (my eventual goal is to get people to claim this is a 'changing room' for the mimic. 2. N2 no activity in Basket ball court 3. N3 Activity in the Kitchen (Despair failing their kill) 4. N4 no activity in pool/workshop 5. N5 activity in pool/workshop For N4 and N5, the room we use will depend on the results we get back from the Hamsters tonight if we dispatch them to the pool. If we find Saw there, s Anyway, super risky plan, we totally don't have to use it, just a thought
2457 swamped* 09-05-2015 08:52 AM ET (US)	IF we do this plan, we should claim that you are not allowed to spy on occupied student dorms (privacy or something). Otherwise people might ask why y

2460 Splinter 09-05-2015 09:30 AM ET (US)	Swamped I like the empty room idea, but it wouldnt work if the lovers are meeting there, we'd need Chris to watch it first (maybe tomorrow?). I thought about Ty, but like you said he'd have to be Mimic AND Evil Lover, seems like a tough sell. Either that or argue that Pau is also Despair, but then Well I haven't explicitly stated I think they hit a facility, but I've been arguing against them targeting the lovers, so that part fits. I was also thinking if we see Saw in the pool tonight, I can say I saw her swimming N1, and thats why I've been defending her (D3 for example). This als
2461 swamped* 09-05-2015 09:58 AM ET (US)	You know, i really think nothing is going on in the empty room. If the lovers were meeting there then why didn't we ever see Ty moving? I honestly think One of the reasons i suggested the changing room idea is that it completely opens up who the mimic might be, instead of restricting the possibilities based Neutral serial killer as the final claim though? Lol, i can tell you'll have fun with that one! Will you be claiming am X-shot that you are saving up?
2462	Splinter, for added authenticity use my role as a template for your cover. I can only find out who visited the facilities but not their actions. If they question

Christina Mackenzie 09-05-2015 10:03 AM ET (US)	Night 1, Crab - No one left or entered the target room during the night. Night 2, Basketball Court - No one left or entered the target room during the night. Night 3, Cafeteria - No one left or entered the target room during the night. Night 4, Workshop - No one left or entered the target room during the night.  I'll have to remember to post the results early D6. You'll have to make up D1 results.  So guys, pool or empty room? Sawneeks is probably going to out her movement schedule D6 so we'll know where she's been going. Also are you going to swamped, you're idea is so far out it just might work :)  Maybe scoping out the empty room is worth a shot. If fight club rules apply to everyone, Splinter should have seen Ty4on.

I OH but are you trying to imply Saw is the killer? That's a great idea too. Loving this plan. There are so many options, and we can adapt depending on circumstances! Edited 09-06-2015 08:11 AM
2477 swamped* 09-06-2015 08:19 AM ET (US)	Btw, i know you're going to claim programmer, but what does the role do exactly? You said it wasn't really a motion detector
2478 Splinter 09-06-2015 08:30 AM ET (US)	It tells me who visited the facility. I was also thinking of saying the returned information implies I could get extra detail - ie. N1 I saw Sawneeks swimmin I dont think I can implicate Saw, I've been supporting her since at least D3
2479 swamped* 09-06-2015 08:37 AM ET (US)	Well, maybe you can't implicate Saw, but there are several others who would jump at the opportunity lol. 2480 Splinter 09-06-2015 08:40 AM ET (US)	Oh, if I went with that I'd have to be big rooms only. If I want to be able to watch the empty room then motion detector is better
2481 swamped* 09-06-2015 09:50 AM ET (US)	That makes sense. I'm trying to weigh the pros and cons of both. I definitely agree with CM that we can use her role results as the basis for what you repo

2484 Christina Mackenzie 09-06-2015 11:11 AM ET (US)	Just a thought, Splinter. It might further strengthen your role claim if you say that you saw Sawneeks going in and out of the pool last night before she has I'll need to PM you the result ASAP on D6. It's up to you if you want to take this risk.
2485 Splinter 09-06-2015 11:14 AM ET (US)	Yeah I'm hoping I get my chance before she does it herself. I will ask her if she's ok with me revealing before I say anything though

2586 swamped* 09-08-2015 01:45 PM ET (US)	Do you think she had a choice between workshop and pool for the other nights? I think that would be too OP
2587 Splinter 09-08-2015 01:48 PM ET (US)	I'm just going to assume Pool every night. Nothing to lose at this point
2588 Splinter 09-08-2015 01:49 PM ET (US)	Yes Corn, let the confusion flow through you
2589 Splinter 09-08-2015 01:53 PM ET (US)	Also Sawneeks "first letter" post implies that N1=N5 I'll assume N3 is also the same

2600 Splinter 09-08-2015 02:46 PM ET (US)	Why did I vote Sawneeks D3? I even stated in my claim that I trust her due to N1, yet here I chose Czar over her

2603 Splinter 09-08-2015 02:50 PM ET (US)	Yeah save that, it would be hard to argue out of so you'd probably be bussing me
2604 swamped* 09-08-2015 02:55 PM ET (US)	People might be more suspicious of Pau/Ty because you just said you saw no activity in any of the other facilities. But everyone's assuming they meet son

2606 Splinter 09-08-2015 06:03 PM ET (US)	I'll actually be out all tomorrow and unable to post, will be pissed if I don't get to claim SK :(
2607 swamped* 09-08-2015 06:23 PM ET (US)	We'll try not to turbo! You know, I'm going to start bussing you. It's probably for the best. CM should probably use the Sawneeks vote argument against you. I'm also thinking of NOT killing Sawneeks tonight, leave her alive just to mess with Hope. Since she won't be leaving her room, CM can even do the kill (
2608 Splinter 09-08-2015 06:28 PM ET (US)	Yeah you should definitely leave Sawneeks, her route is predictable and she could still be lynched.
2609 Splinter 09-08-2015 06:30 PM ET (US)	Christ this is like pulling teeth
2610 swamped* 09-08-2015 06:45 PM ET (US)	Keep it up! You're in a very tough position right now, i don't envy you lol Edited 09-08-2015 06:46 PM

2612 Splinter 09-08-2015 07:20 PM ET (US)	Love you too, Corny
2613 Splinter 09-08-2015 07:27 PM ET (US)	Just in case the day ends early: You should consider leaving the PRs alive. They are easy to predict and we need to start removing the "verified" townies. You can probably kill Sawneeks Good luck!
2614	(On the other hand, leaving them alive might let them narrow down the killer, especially Sawneeks)

Splinter 09-08-2015 07:29 PM ET (US)	
2615 swamped* 09-08-2015 08:04 PM ET (US)	That's a good point about Saw. Any other advice before you inevitable leave? It's so sad! They got you only because of that stupid map, and nothing else really. You were never in danger of getting lynched before that.
2616 Splinter 09-08-2015 08:38 PM ET (US)	If I end the day now, it could look like I was diverting from the conversation about Makai/Kitty. Or I could just say fuck it and go for the SK role. Or do nothing Honestly I'm not surviving today, thoughts?
2617 Splinter 09-08-2015 08:42 PM ET (US)	Sorry, the bulletproof are our biggest problem, I think this is our only Hope

2621 swamped* 09-08-2015 09:18 PM ET (US)	CM, can you kill and send out hamsters on the same night?
2622 swamped* 09-08-2015 09:34 PM ET (US)	CM - it's just you and me now, girly Despair gang WOOOOO let's just have fun i say. If you get close to being lynched you should claim to be the secret third lucky student lol. Hope doesn't know it, but they've basically won lol.
2623 Christina Mackenzie 09-09-2015 04:14 AM ET (US)	See you next season Splinter, your despair is now over and ours have only just begun. swamped, might as well clarify this now, I'm actually a guy so there won't be an all girls night :/ I chose the "Her" pronoun cause I thought people would just get confused referring to Christina as "he". Sorry for the confusion. Launch says I can kill and send the hamster's out on the same night. Waiting for confirmation if I can falsely lead Hope to believe that there is only one of I actually have a plan to try convince Hope to vote "No Punishment" and send Sawneeks out to die tomorrow night.
2624 Christina Mackenzie 09-09-2015 04:15 AM ET (US)	Also, sorry I wasn't around when the fireworks happened. Was getting ready for work. I still haven't gone through the thread yet.
2625 swamped* 09-09-2015 09:42 AM ET (US)	You're a guy?!?! HAHA! well I'll still refer to you with female pronouns as you requested that :) So what do you say? Should we kill TB and leave Saw alive? Who should we watch? kinda want to watch Pau or Ty to get a better idea of what's going on
2626 Launchpad* 09-09-2015 09:43 AM ET (US)	Re: Misdirection: yeah, I can't do that lol
2627 Christina Mackenzie 09-09-2015	I'm still thinking about what we should do but I'd target Corn as he started the vote against Splinter and named us with Sawneeks as his targets. He's troubr <a href="#">/m2626</a> Ok, thanks for the confirmation.

12:33 PM ET (US)	
2628 Swamped 09-10-2015 12:00 AM ET (US)	The only reason I would go for TB over Corn is that TB has been cleared as Ordinary Student. If we leave Corn alive then our suspect pool is bigger tomo Any thoughts on who to watch?
2629 Christina Mackenzie 09-10-2015 12:40 AM ET (US)	This is the way see things.  99% Hope (currently unchallengeable, there's no way we can convince anyone otherwise) Makai/kingkitty Zipped/Terra/Goshu Pau/Ty4on  70% Hope Corn Flush Saw (no one's going to believe she purposely outed Splinter)  Bottom of the barrel scum :( Chris Rest swamped  Splinter is the lucky one :(  I think trying to fight for your life is only going to make it look worse. Rest is probably going to be doing so. Anyway I don't think I can lie to save myself  For our targets, we should just kill anyone we don't like :p I picked Corn cause he started the votes against Splinter. This game is unwinnable.
2630 Launchpad 09-10-2015 02:10 PM ET (US)	!!!!!!!!!!!!!!  SWAMPED WAT R U DOIN
2631 Launchpad 09-10-2015 02:10 PM ET (US)	"To all those who thought I was Launch,you clearly don't know him very well lol"  WE HAVENT PLAYED A GAME TOGETHER

2640 Splinter 09-10-2015 03:43 PM ET (US)	Lol I actually thought Launch's comment was more suspicious than Swamped's
2641 Launchpad 09-10-2015 03:44 PM ET (US)	.
2642 Swamped 09-10-2015 03:45 PM ET (US)	VOTE: Launchpad
2643 Swamped 09-10-2015 03:49 PM ET (US)	Oh no, all these Despair members in Burb's game...
2644 Swamped 09-10-2015 03:52 PM ET (US)	<a href="#">/m2629</a> yeah, it's unwinnable. But that's why we should go out with a bang! Let's think of the spectators lol. One other thing, do you believe Makai and KK's claims? Do you think they really are completely bullet proof? Their story doesn't seem to have any holes
2645 Swamped 09-10-2015 10:50 PM ET (US)	I still think we should kill TB over Corn though, just to go from bad chance of winning to less bad chance lol. But if you're dead set on Corn that's fine with me. Who are you going to watch, CM?
2646 Christina Mackenzie 09-11-2015 03:36 AM ET (US)	Corn talks too much. He was useful when Splinter was around but now that he's gone, I feel the less voices Hope has the better chance we have of making I'm going to go through Makai/kingkitty posts to see if there's anything we can use to discredit their claim. What claims are you going to bring up? Just sa Or you could BS everyone saying that having more than 1 bulletproof role is unorthodox (risky, I don't know if Makai/kingkitty are experienced players). I'll kill Corn and watch Ty4on's room. Maybe Pau will enter I'm not sure.
2647 Christina Mackenzie 09-11-2015 08:38 AM ET (US)	If you need to throw me under the bus, go ahead. I'll do so likewise. Sucks but other than Rest, it's hard to find anyone else to finger.
2648 Launchpad 09-11-2015 08:45 AM ET (US)	Sadly, I was thinking about it this morning, and yeah, I don't think you guys can win lol I'm sorry :(
2649 swamped* 09-11-2015 09:11 AM ET (US)	Go for it CM. Kill CB and watch Ty. Or wait, should i kill CB? Your path doesn't take you towards Pau right, so you should be good giving the kill order. I was going to bring up a similar claim about the BPs. I'll share later. Is the day phase starting today?
2650 Christina Mackenzie 09-11-2015 09:34 AM ET (US)	<a href="#">/m2648</a> Is it too late for swamped and I to go out like "Thelma and Louise" :p swamped, I've already issued the kill order. I think Rest also shares our sentiment about Makai/kingkitty being unbalanced. Still I don't think complaining about the game mechanics is going to convi
2651 Christina Mackenzie 09-11-2015 09:37 AM ET (US)	Now I remembered the other reason for picking Corn, his room is accessible by almost everyone without having to go through Pau.
2652 Christina Mackenzie 09-11-2015 10:04 AM ET (US)	Day 7 starts 11 hours from now.

2653 CzarTim* 09-11-2015 10:28 AM ET (US)	:(

2668 swamped* 09-11-2015 10:09 PM ET (US)	I'm wondering if it might be beneficial for us to believe Saw in that Splinter was lying about the whole thing. 2670 Christina Mackenzie 09-11-2015 10:14 PM ET (US)	Are you going to role claim something crazy? :P  What about Splinter's info? That he made up everything? Not really following you.
2671 Christina Mackenzie 09-11-2015 10:42 PM ET (US)	<a href="#">m2669</a> I just realized that I could have misread your post, ugh... going to lie down for a while.

2698 Christina Mackenzie 09-13-2015 07:48 AM ET (US)	Looks like you did a good job with your confession. I'm actually surprised Flush managed to get dragged into this. Should I vote for you or Rest? I said I didn't think Flush was Despair, I might have to rethink my position.
2699 swamped* 09-13-2015 10:13 AM ET (US)	I'm thinking you should probably vote for me. I'm sure you can find some reasoning to do so. I've been trying to say Flush is Hope so that if i get lynched there might be more suspicion on him.

I would never use travelling as a scum excuse, for the very reason that i actually do travel a lot!  I think we should keep Saw alive tonight again. Looks like she wants to go after Flushy next day phase. We should definitely try for the empty room tonig
2711 CzarTim* 09-13-2015 07:16 PM ET (US)	gosh is an ass
2712 swamped* 09-13-2015 07:35 PM ET (US)	Well...hopefully we can move past it. I think we're doing a good job of that so far.
2713 Christina Mackenzie 09-13-2015 10:31 PM ET (US)	My problem with keeping Saw alive is that it will confirm that there is a despair in the top row, and it narrows it down to you and Flush.  Or maybe the shock of both Pau and Ty4on gone will put more suspicion on Saw? Seems too ridiculous.
2714 swamped* 09-13-2015 10:34 PM ET (US)	LOOOOOOL Rest!  At some point, people are going to deduce that there is Despair in the top row anyway. If it's a thunderdome between me and Flushy it will be tough but m  I think there could be more pressure on Sawneeks too if Pau/Ty die? It does seem ridiculous but it's possible.  I also just want to get our kill rate up lol
2715 Christina Mackenzie 09-13-2015 10:46 PM ET (US)	Let's say Rest is lynched today, I will kill Saw. Maybe you can pointed out that I "predicted" her death earlier or I'll post something later that could incrim:  Then N8 you can target Pau/Ty4on in the empty room. With all PRs gone it could be enough for Hope to start doubting each other.
2716 Christina Mackenzie 09-13-2015 10:47 PM ET (US)	Yeah, Rest is acting kind of weird. Must be the pressure.
2717 Christina Mackenzie 09-13-2015 10:59 PM ET (US)	I actually came up with a plan for your to stick it to goshujinsama, prove that you are Hope and lynching me instead.  Maybe we can use it later. It's probably only good for today though.  Basic outline is he claims that Despair have been targeting adjacent rooms so since Corn died, killer must be you (This is one of his worst calls) Going thr  With the mimic gone, Despair can no longer hide their location so by looking at the room where someone was killed we can work out the possible killers.  This would put an immense amount of suspicion on me but not Rest.
2718 Christina Mackenzie 09-13-2015 11:06 PM ET (US)	Splinter's gambit drilling me instead of Flush worked, kingkitty seems to think he's trying to hide Flush.
2719 Christina Mackenzie 09-13-2015 11:18 PM ET (US)	<a href="#">/m2717</a>  Say you had an epiphany.
2720 Christina Mackenzie 09-13-2015 11:24 PM ET (US)	Rest has a role! Argh.....
2721 swamped* 09-13-2015 11:36 PM ET (US)	I think we can still keep you alive for at least another day phase. If they lynch Flushy D8, they might lay off the 'list of 4'. There even seems to be talk of l keep pretending you are at the stage where you don't really care about the game that much any more, since we're 'about to win' anyway  If we kill the lovers tonight, the suspects can only be me and Flush. So you will be safe for another day phase. I will do my utmost not to get lynched D8.  I think Rest is just having some fun winding everyone up. I don't think he has a role. Could be wrong though, if he does, it will only be good to lynch him Edited 09-13-2015 11:38 PM

2732 swamped* 09-14-2015 12:05 PM ET (US)	I think the 2nd mimic theory might be risky. If Sawneeks reports she saw you N7, we will have to lynch you even if you claim you are innocent, just to see if you can survive with me until D9, we can win this. We just need to get Rest voted out today and Flush on D8. I agree that even though it's risky, we should target the lovers. We've really got nothing to lose at this point. We can also say that maybe they were killed by D9 people are going to start suspecting some the PRs must be lying about their role. I was even planning on introducing the idea of the Lucksters as a

I was agonizing about my last post because I was worried if I said something about Res Looking at the vote count it's Rest 4, Flush 3 and Swamped 2. I'm the only one who hasn't voted yet. I could post something like it's 8 against 4 so no matter what at least 4 Hope players will live. Let's just drop the mechanics, vote analysis and just vote to OMG, Ty4on votes again Makai... 2746 swamped* 09-15-2015 12:01 AM ET (US)	It's going to be bad if Flush gets voted out today. Well, not bad as such, but we will have to rethink our plans. If Flush is alive then he can be a suspect in I

2765 swamped* 09-16-2015 12:15 AM ET (US)	CM - your report for Ty4on's room didn't say anything about Pau, right? If not I think we can conclude that she too goes to the empty room. If we do decide to kill them (I really hope we get them both, that would suck if not), then the remaining players will be: Swamped, CM, TB, Saw, Zipped, Most likely to vote for Swamped - RF, Goshu, (CM?) Most likely to vote for RF - Saw, TB, KK, Swamped Not sure - Zipped, Makai Hoping Makai and Zipped go with KK and TB respectively. The other thing is that the human mind is fickle...these people seemed like they would vote Flush today, but maybe they won't tomorrow. They might thin If more people are voting for Flush, I think you can afford to vote for me. I think you will look more Hope if you are consistent. But you do have the leew If we are successful with our double kill, there will be only 9 people and 5 to turbo. I think we can do this. Of course, even if we are somehow successful in lynching Flush, I may come under suspicion during D9. 2776 swamped* 09-16-2015 11:22 AM ET (US)	This evening I shall look through TB and Zipped's D7 posts too, to see if they want to investigate Makai as well. If they are open to the idea that will reall People might also be more wary of Makai's 'List of Four' given that we just lynched a PR because of it...Saw might be especially mad. All good news!
2777 Christina Mackenzie 09-16-2015 12:29 PM ET (US)	<a href="#">/m2769</a> Ok, guess we can't attack AB's list.  I rather point out that Hope are in danger of losing if Makai is lying. At least with Pau/Ty4on they could keep check on them but now that they are gone th We could also highlight how suspicious that Pau/Ty4on were killed right after the vote against Makai.
2778 Christina Mackenzie 09-16-2015 12:32 PM ET (US)	Yup, it's agreed to target the empty room. We still have over 24 hours left though.
2779 swamped* 09-16-2015 12:35 PM ET (US)	<a href="#">/m2777</a> yeah i think we should def bring that up.  I do wonder if people won't just jump and vote Flush though because of the location of the kill. Well, only time will tell.
2780 swamped* 09-16-2015 12:35 PM ET (US)	<a href="#">/m2778</a> perfect, I'll send the command this evening then.

2788 Christina Mackenzie 09-16-2015 11:52 PM ET (US)	Flush suspects a Despair among the "confirmed"? <a href="http://www.neogaf.com/forum/showpost.php?p...0494&amp;postcount=4664">http://www.neogaf.com/forum/showpost.php?p...0494&amp;postcount=4664</a>  Terra strongly feels that Flush was the better choice D7, not sure if he will feel the same way tomorrow. Maybe I read his posts to be kind of uncertain as I Sawneeks, I read will probably vote Flush, she feels you're sincere and believes in kingkitty's analysis. (I gave up halfway through his thesis). I'm guessing! Zipped also seems to agree with kingkitty.  It's seems I'm the only one who thinks differently but wouldn't Despair target a room on the opposite row to avoid suspicion? Almost everyone seems to th Too bad we're not in the same row.

Christina Mackenzie 09-17-2015 11:29 PM ET (US)	Gonna leave a bit of a time gap before I post. Don't want others to see that we're online together :P
2816 swamped* 09-17-2015 11:31 PM ET (US)	wow, we are so careful. we're, like, the best scum of season 3 for sure! maybe you could quote a part of my post saying we should look into Ty's old posts? then it will look like you read that and got the idea from there?
2817 Christina Mackenzie 09-17-2015 11:49 PM ET (US)	Ok, which one is it?
2818 swamped* 09-18-2015 12:02 AM ET (US)	Just the first sentence of this post: <a href="http://www.neogaf.com/forum/showpost.php?p...4715&amp;postcount=4788">http://www.neogaf.com/forum/showpost.php?p...4715&amp;postcount=4788</a>
2819 Christina Mackenzie 09-18-2015 12:52 AM ET (US)	Ok, actually I think if I'm going to go with my theory of Makai/KK being despair then they'll need one more member which unfortunately has to be you. I I won't quote your post. Flush seems to think Despair will protect each other, Zipped seems to think likewise given his explanation that goshujinsama and
2820 swamped* 09-18-2015 12:58 AM ET (US)	Ah, I see! I'll try to keep quiet about you. Nobody else seems very concerned with you since you couldn't possibly have killed last night. Don't want to mess that up! Once you post that, I'll also be obliged to fight back. But I'll attack your logic rather than you yourself, so hopefully you won't be in the spotlight too much edit: also, in your theory are both KK and Makai Despair, or only one of them? Edited 09-18-2015 12:59 AM
2821 Christina Mackenzie 09-18-2015 01:05 AM ET (US)	Just a precaution, if they get either of us hopefully they won't be able to trace that we're working together. My post... -START- I'm in favor of testing this out sooner rather than later. If Rest is right and there are 5 Despair not 4, Makai and kingkitty could run away with the game. If either Royal_Flush/swamped are also Despair, they'll bus him/her and continue until the end of the game unopposed. I believe Pau and Ty4on were killed because they were on to something. The way they are positioned any Despair member could target someone else and Ty4on's Makai vote <a href="http://www.neogaf.com/forum/showpost.php?p...2270&amp;postcount=4567">http://www.neogaf.com/forum/showpost.php?p...2270&amp;postcount=4567</a> Sawneeks, I implore you to really think about this. Without you, no one left is going to be able stand up against Makai. At least with Pau & Ty4on they co AB died and cleared goshujinsama/Terrabyte20xx/Zippedpinhead, no one did the same for Makai and kingkitty. -END- I'm not going into specifics yet... maybe we should wait for Sawneeks/Makai's reaction before I have to fully flesh out that theory.
2822 Christina Mackenzie 09-18-2015 01:06 AM ET (US)	I think I can also throw in a post about why CornBurrito was killed, he was a strong defender of Flush and that would weaken Makai/kingkitty's claim to I
2823 Christina Mackenzie 09-18-2015 01:07 AM ET (US)	<a href="#">/m2821</a> Will quote Sawneeks and Zipped for reference.
2824 swamped* 09-18-2015 01:10 AM ET (US)	Ooo ok sounds good. That CornBurrito post would also strengthen the argument. But then, why would they kill Corn if he was defending Flush, one of the I do wonder what people will say about Ty's vote. It's good that you're bringing it up! Let's see if Hope buys this :P We have to try!
2825	<a href="#">/m2824</a>

Christina Mackenzie 09-18-2015 01:19 AM ET (US)	Ok, I'll put in a second post maybe an hour later with the CornBurrito theory. Wait and see how the others react before posting.
2826 Christina Mackenzie 09-18-2015 01:20 AM ET (US)	I'm going to have to implicate you and paint Flush as Hope.
2827 swamped* 09-18-2015 01:21 AM ET (US)	That will be fine. You have expressed suspicion of me before, so this will make you look very Hope-like and consistent. This is a risk, but let's do it!
2828 Christina Mackenzie 09-18-2015 01:26 AM ET (US)	Oh... Sawneeks is here... maybe we'll have her all to ourselves...
2829 Christina Mackenzie 09-18-2015 02:03 AM ET (US)	Don't post that you agree with me on testing the buddies theory.
2830 Christina Mackenzie 09-18-2015 06:57 AM ET (US)	Well, I think at most they'll think about testing Makai/kingkitty tomorrow. Saw wants to know my opinion about you and Flush. I've made it quite clear from the start that I found the 2 BPs role to be suspect but I've stated that I thought Royal_Flush is Hope and you are Despair. I do TB voted for you... I don't know if Zipped will change his vote. I guess Flush and goshu will vote for you as well. Saw might be wavering in her confiden
2831 swamped* 09-18-2015 09:46 AM ET (US)	Don't change your stance. If i get voted out, then it was just meant to be. TB is just putting pressure on me. I think he'll change his vote by the end of the day. Thanks for starting the discussion. I hope my answer was ok and not too approving... Edit: do you want to bring up why we would have 2 bps in a game with 3 commuters, a doctor and a switcher? I'm not sure if this sort of argument is good Edited 09-18-2015 09:48 AM
2832 swamped* 09-18-2015 09:59 AM ET (US)	Also, hoping Makai/KK both get lynched is sort of wishful thinking on my part. But i think of one of them gets lynched, the other finally becomes night k I'm just trying to come up with a way their role makes sense. We also haven't seen any proof that KK really is the second lucky student. We only have Makai's word that a second student even exists. If there wasn't a 1 From Town's perspective, Makai could be lying about a second lucky student altogether.
2833 Christina Mackenzie 09-18-2015 10:01 AM ET (US)	Yeah, I not too sure if bringing up the 2 BPs being overpowered would work... other than saying I don't believe in the 2 BP claim, I haven't got anything e I've already pointed out that Ty4on voted for Makai before dying. Is there anything else I can say about Makai and kingkitty? Edited 09-18-2015 10:03 AM
2834 swamped* 09-18-2015 10:04 AM ET (US)	On Day 6, Splinter ended the day early. Some people were asking what others thought about the KK claim, but nobody really had time to answer because You can even quote some of the posts asking for opinions on KK right before D6 ended.
2835 swamped* 09-18-2015 10:06 AM ET (US)	Should i be pretending to protect Makai and KK?
2836 Christina Mackenzie 09-18-2015 10:16 AM ET (US)	Ok, I'll use that also. I think we still have 2 days left, maybe see what the reaction is to testing out the BPs claim first.

2868	<p>Yup, day starts in less than 24 hours. You can issue the kill command and the hamsters get the night off.</p>

Christina Mackenzie 09-20-2015 01:27 AM ET (US)	I think I'd have to be suspicious of why you'd want to vote KK as I believe that you 3 are working together. You said it earlier that you believed Makai/kin I'd be fine with either a Makai/kingkitty lynch but I'd rather have kingkitty around.
2869 swamped* 09-20-2015 01:40 AM ET (US)	remind me why you want to get Makai lynched instead? If your idea is to test the Luckster theory, does it matter which one is lynched? Hopefully we can Also, if I somehow manage to survive D9 and we get KK lynched, I'm going to do something silly on D10 that involves Makai being a good sport. Kind o Tomorrow is going to be so so close. If Zipped or Saw have a sudden change of heart, then they can easily hammer me...!
2870 swamped* 09-20-2015 01:44 AM ET (US)	Kill command sent! Hamsters can chill, they've earned it :)
2871 Christina Mackenzie 09-20-2015 04:18 AM ET (US)	To test out the Luckster theory it doesn't matter who get's lynched, as long as when they flip it proves the other is Hope. My story is I will vote for either t Hopefully we all live through another day. Another problem I see is that they could decide to lynch you today and test Makai/kingkitty tomorrow. So is it ok if I question why you are suddenly voting for kingkitty in the thread? I've been saying I'd vote for you for the last 2 days and having you agree ,
2872 Christina Mackenzie 09-20-2015 05:01 AM ET (US)	Looking back, I've no idea why everyone were so convinced Flush is Despair.

2874 swamped* 09-20-2015 09:15 AM ET (US)	Yeah, it's good if you question me on why i want KK lynched. I'll be starting off with a vote for KK and an explanation, so we can play off that. I also have no idea why everyone wanted Flush lynched lol. And why did they all think I was hope lol.
2875 swamped* 09-20-2015 10:56 AM ET (US)	Also, i think it's best if we avoid all discussion about the Despair win condition. I'm hoping nobody brings it up...
2876 Christina Mackenzie 09-20-2015 11:42 AM ET (US)	Ok, I'm guess it's because you're saying they're neutral.
2877 swamped* 09-20-2015 01:36 PM ET (US)	Yeah, or more specifically that KK is Despair and Makai is a neutral working with him (that's what I'll be insinuating). Ugghhhh really not looking forward to this Swamped vs Makai showdown. I do hope we can get a KK majority quickly :P I feel like we are two tiny mice about to go fight against a large army of bloodthirsty lions... Edited 09-20-2015 02:34 PM
2878 Launchpad 09-20-2015 06:56 PM ET (US)	I didn't receive an action from CM

2883 swamped* 09-20-2015 11:14 PM ET (US)	Come on guys, if you vote KK out I guarantee that the game will end in an interesting manner! And if you don't...well, it will end in the most anti-climatic  And ughh getting me by process of elimination? You guys would have never guessed I was scum without that!  omg this is so boring, just kill me now. At least Flush had the decency to go through my posts and highlight my scummy behavior. That was fun at least! Edited 09-20-2015 11:21 PM
2884 Christina Mackenzie 09-20-2015 11:28 PM ET (US)	If I ask you why you're voting kingkitty, what are you going to say?
2885 swamped* 09-20-2015 11:36 PM ET (US)	I'll say he's the only one that could have done the kill N7, because I trust Zipped due to AB's flip. You can push me on this issue if you like, I'll find some
2886 Christina Mackenzie 09-20-2015 11:45 PM ET (US)	Eh... seems like a distraction is in order.  I'll post that I want to test out the lucksters so I'll vote for kingkitty as Sawneeks suggested. If I'm wrong about them, you can lynch me tomorrow and lool
2887 Christina Mackenzie 09-20-2015 11:46 PM ET (US)	It's D9 we should be testing out the lucksters now. I expected Makai's excuses to come out now
2888 swamped* 09-21-2015 12:02 AM ET (US)	Yesssss do it! I kinda wanted Zipped to post before you though. Maybe avoid saying that Sawneeks suggested it though, it may look like you're trying to  You could even eventually say (if you like) that even if KK ends up being a mislynch, that will confirm Makai and thus we will have far more confirmed I  And LOOOLLL at all the reactions to the Despair win condition!  "Swamped's line of thought will lead Hope further astray"  What?! Well, I would never do something like that! :P Edited 09-21-2015 12:10 AM
2889 Christina Mackenzie 09-21-2015 12:13 AM ET (US)	Why would Launch change the conditions now?
2890 Christina Mackenzie 09-21-2015 12:16 AM ET (US)	Gonna make a post soon, at work and people are behind me :p
2891 swamped* 09-21-2015 12:16 AM ET (US)	I dunno, good question. Well Makai said that there are two one-shot bulletproof students. So i guess if there was a 2 Desapir vs 2 BP scenario, Despair wo  <a href="#">/m2890</a> take your time, no rush :D. Things are moving pretty slowly anyway lol Edited 09-21-2015 12:17 AM

2893 swamped* 09-21-2015 07:24 AM ET (US)	You're the worst, Launchpad.  CM, you should probably vote for KK at this point. Hopefully Saw will also vote for him. Then it's a 3-3 tie. Zipped will have to choose.  Of course, the correct thing for Town to do is lynch me... Edited 09-21-2015 08:29 AM
2894 Launchpad*	what did I do? :(

09-21-2015 08:42 AM ET (US)	Makai is accusing me of things too.
2895 swamped* 09-21-2015 08:57 AM ET (US)	You made crazy, unpredictable roles :P
2896 Christina Mackenzie 09-21-2015 09:25 AM ET (US)	I'm surprised we haven't seen Zipped yet. Tempted to see his profile activity. I'm guessing everyone thinks if I'm Despair I'm going to jump in to try and save you by voting for kingkitty. I want to take the risk and hold on to my vote
2897 Christina Mackenzie 09-21-2015 09:29 AM ET (US)	swamped, if you're voted out today, should I just target kingkitty tonight so Makai will turn into the serial killer? Assuming they are telling the truth. If I target Sawneeks, I'm safe since no one saw me but I'm sure Makai, kingkitty and goshu will vote against me. If I target anyone else, Sawneeks sees me
2898 swamped* 09-21-2015 09:33 AM ET (US)	I see, ok. Although i have a plan if we can get KK to majority. That will make Makai a SK, and he'll come after me. But as soon as KK is lynched, I'll lie and tell him I'm BP and that you can't be targeted either. In order for him to ends the game during N9, he has to kill a Thus, both Makai and Despair win together! Of course, outing us both is a risk we have to take. But if we lie about how we can't be targeted, i don't think Makai will risk killing either of us. I was thinking of saying I'm 'a veritable mountain of strength' (that's straight from my PM btw lol) and that you're a ninja tracker who will not be in her ro I think this is our best shot at winning.
2899 swamped* 09-21-2015 09:36 AM ET (US)	Good idea, if i get outed, make one of them a serial killer and make a deal with them the next day! That would have a better chance of working if another I still say vote KK and we can end this game :P
2900 Christina Mackenzie 09-21-2015 09:46 AM ET (US)	I think he's making up the bulletproof part to discourage Sawneeks from vote kingkitty. Actually if the serial killer role is neutral like he says, it isn't much use to us.
2901 swamped* 09-21-2015 09:51 AM ET (US)	Neutral SK can help us win the game! If we can transform Makai and discourage him from targeting us tonight, then he will win with us. We dont even ha Now, about the BP bit, I'm not sure how much he is making up, you're right. But i do think he'll turn into an SK. KK says they're completely BP, but Makai The role still seems a bit OP, there must be something he's lying about. But we have to risk it if he turns into a SK, because if he does, he's going to kill me I don't like having to rely on an SK to win, but we're going to def lose otherwise... Edited 09-21-2015 09:52 AM
2902 swamped* 09-21-2015 09:55 AM ET (US)	Prof Launchpad, Makai keeps breaking the rules, Punish him
2903 Christina Mackenzie 09-21-2015 09:57 AM ET (US)	Thank you zipped for your support.
2904 swamped* 09-21-2015 10:03 AM ET (US)	Actually, if i do come out to Makai (after KK hits majority) I'll tell him I'm the only Despair left and I'm a one shot BP. Hmmm actually not sure i should do that. Will have to think this through.
2905 Christina Mackenzie 09-21-2015 10:08 AM ET (US)	Maybe it's best not to say anything if kingkitty is lynched, it breaks the rules also. You're right about something fishy but I don't know what.
2906 swamped* 09-21-2015	Oh yeah, the rules, let me ask Launchpad. Launchpad, is it ok to announce my role during the twilight phase? I know it's kind of a grey area...

10:12 AM ET (US)	
2907 Christina Mackenzie 09-21-2015 10:12 AM ET (US)	Is zipped right? If kingkitty is lynched then Makai becomes Ultimate Despair? That could explain his position.
2908 Launchpad* 09-21-2015 10:13 AM ET (US)	<a href="#">/m2906</a> How do you mean?
2909 swamped* 09-21-2015 10:15 AM ET (US)	I was thinking that, but at the very start of the game Launchpad explicitly told us that we were the only 4 Despairs and that there was no funny recruiting t That's not to say Makai isn't lying about his new win condition when he transforms, he could still be on Despair's side (but as a neutral)
2910 swamped* 09-21-2015 10:17 AM ET (US)	<a href="#">/m2908</a> i want to say something like "Makai, don't bother killing me, I'm a Despair one shot bp"
2911 Launchpad* 09-21-2015 10:22 AM ET (US)	I know I haven't been enforcing that rule about Twilight phase talk, even though I know it exists. Hmm. I don't know. Let me think about it.
2912 Christina Mackenzie 09-21-2015 10:25 AM ET (US)	swamped, Makai says he's now cool with lynching kingkitty.
2913 Christina Mackenzie 09-21-2015 10:25 AM ET (US)	Are you still going to play that joke you were planning?
2914 Launchpad* 09-21-2015 10:27 AM ET (US)	I haven't been enforcing this rule and people have been talking about the game in the twilight phase. I'll allow it.
2915 swamped* 09-21-2015 10:30 AM ET (US)	No,it won't work in this context. It was really dumb anyway, you won't be missing much lol. Should we wait for Saw to vote? She might still hammer me though. If you vote for KK now though she'll have to make a decision, or Makai will switch I I think you should say you don't buy the inconsistencies in their claim and vote KK :P But I'm just about to take a shower, please wait!
2916 swamped* 09-21-2015 10:30 AM ET (US)	<a href="#">/m2914</a> got it :)
2917 Christina Mackenzie 09-21-2015 10:32 AM ET (US)	Ok, will hold my vote till you get back. I think Saw will vote kingkitty. I'll just say I think I've seen enough and vote kingkitty.
