5 Burbeting★ 09-23-2015 01:10 PM ET (US)	I just hope the flavor is not *too* meta. Too much insider meta is always bit eh.
6 Launchpad★ 09-23-2015 01:10 PM ET (US)	Screw you, I'll be as meta as I want. I love meta. Put meta in my meta, all day every day. (it won't lol)
7 Burbeting★ 09-23-2015 01:14 PM ET (US)	metaception

13 Cabot 09-23-2015 02:32 PM ET (US)	Alright guys let's drop our trousers and have a good time altogether now. On the count of 3. 1.....2.....
14 Cabot 09-23-2015 02:34 PM ET (US)	Alright news update. Wolverhampton does not tolerate trouser droppings. I'm in trouble
15 cabot★ 09-23-2015 05:38 PM ET (US)	Alright I'll continue to give you egz updates. I'm at Birmingham, pouring the gin into San pellegrino bottles. The families will be so afraid
16 Droplet 09-23-2015 05:46 PM ET (US)	3 for 3, thanks ynnny! This is going to be great. I'm so glad somebody decided to actually do this.
17 cabot★ 09-23-2015 05:48 PM ET (US)	Hey droplet, we haven't played together yet. What a damned shame. Gin?
18 Droplet 09-23-2015 05:54 PM ET (US)	We probably won't get the chance for a while. :(I'll take it. Wait, have you pulled up your trousers yet?
19 palmer_v1 09-23-2015 05:54 PM ET (US)	Yooo. I hope I'm a role.
20 palmer_v1 09-23-2015 05:57 PM ET (US)	Cabot, i need to drink a lot to cope with Election mafia
21 cabot★ 09-23-2015 06:07 PM ET (US)	I'm right there with you Palmer. The police have in fact ensured my trousers are back up again. Gin for everyone
22 Fireblend★ 09-23-2015 06:12 PM ET (US)	Hey guys, just in case, I'm here, so no Election Mafia spoilers pls :P
23 Hyperactivity★ 09-23-2015 06:16 PM ET (US)	SSHHHH No talking about games that are still running
24 ynnnny★ 09-23-2015 07:57 PM ET (US)	/m16 yaaaaaaaaaaaaay dropletchan <3 welcome! also palmer :D
25 ynnnny★ 09-23-2015	my guesses for the potential roles! a darryl... scum aligned?

08:02 PM ET (US)	a blarg ... neutral? with weird wincons/ abilities :3 a TownSoriar.... so pro-town it hurts~ :D
26 Cabot 09-24-2015 05:55 AM ET (US)	OHH I met Chris and Mark from Introversion chatting about the prison architect v1 release. Chris wants me to sit on the electric chair after saying it was a real chair if you switched the cable around. Yeah no buddy. I'll just watch thanks How's that mafia game going
27 Burbeting★ 09-24-2015 08:16 AM ET (US)	I want to post "If someone has me as a role, sorry in advance, but ur dead." But I don't know if some people takes that as an hint or not :D.
28 Launchpad★ 09-24-2015 08:18 AM ET (US)	You're not in the game. :D lol sorry, I ran out of slots. I'll offer up anyone I missed as fake names for scum and neutral to use.
29 Cabot 09-24-2015 08:19 AM ET (US)	It's a shame election ruined palmer. Up until then he'd be a great bulletproof
30 Cabot 09-24-2015 08:20 AM ET (US)	Launch please confirm I'm not in the game.
31 Launchpad★ 09-24-2015 08:33 AM ET (US)	You are not in the game.
32 Fireblend★ 09-24-2015 09:04 AM ET (US)	Am I in the game and is my role to work against my faction as much as possible and screw up magnificently? GAFia is doing wonders for my self esteem.
33 Cabot 09-24-2015 09:08 AM ET (US)	Good. Let's enjoy this together. II. May bedrunk, but let's enjoy this post
34 Launchpad★ 09-24-2015 09:08 AM ET (US)	/m32 You are in the game. I'll leave how as a surprise.
35 ynnnny★ 09-24-2015 09:48 AM ET (US)	/m32 awwwww but I like you fireblenderer~ I still remember how you were super in lore back when... Before cthulhu started, and I thought heyyyyy here be an awesomely fun person! :> LaunchesPeaches... Am I in the game????? ;____; Edited 09-24-2015 09:48 AM
36 Launchpad★ 09-24-2015 09:49 AM ET (US)	/m35 You are in the game.
37 Burbeting★	/m28 ;(I'm a nobody confirmed

09-24-2015 10:09 AM ET (US)	kidding :D. Looking forward to ynnny PR :P.
38 Launchpad★ 09-24-2015 10:13 AM ET (US)	Trust me, it was hard trying to choose who to put into the game, but in the end, I think I chose the community members most people are familiar with. I'd probably like to do another game like this, with different role names, assuming this one goes well.
39 Cabot 09-24-2015 10:17 AM ET (US)	Chet from valve talking about vr. Where's half life 3 lol
40 Fireblend★ 09-24-2015 10:20 AM ET (US)	/m32 I can't think of anything crueller than bestowing someone with the insurmountable burden that is my identity... (jk, I'm awesome) /m35 aww thanks! I look forward to seeing how this game plays out.
41 Cabot 09-24-2015 10:22 AM ET (US)	Fire b Please do a good job. I'm with you my friend
42 palmer_v1★ 09-24-2015 10:50 AM ET (US)	Cabot, I would have set myself as some type of Neutral based on Star Wars, but Sorian and Makai have now blown that category open as well. Launch, can you confirm if there is a neutral role?
43 Fireblend★ 09-24-2015 11:09 AM ET (US)	After some thinking I think I'd set myself as a switcher, except I'm limited to switching a player of my choosing with the player who has the Ourobolous role. "Once each night you may send the command OH SHIT I TOTALLY MEANT OURO: <player> to switch the actions performed to them during the night with the player who holds the Ourobolous role". lol
44 Cabot 09-24-2015 11:17 AM ET (US)	I broke my prison architect hat. The day is ruined guys
45 palmer_v1★ 09-24-2015 11:27 AM ET (US)	El Topo and Roy could be lyncher/lynchee type situation.
46 ynnnny★ 09-24-2015 11:29 AM ET (US)	/m36 Aaaaawwwwww how come I'm in it and not cabochon! I'm not THAT ...uh... what's the word...idk, I mean I've only been in 1.5 games... Came in mid-game in SW~... I bet I'm a town role :D something something sex addict role blocker???? ; ___ ; UruburusIHateU4watsDoneToMe.jpg Edited 09-24-2015 11:29 AM
47 palmer_v1★ 09-24-2015 11:43 AM ET (US)	I just want a full list of the players being used, but not their faction nor powers.
48 palmer_v1★ 09-24-2015 12:03 PM ET (US)	I also want to know if anybody randomed into their own role, which would be hilarious to me. Edit: Also the angst of somebody killing themselves. Edited 09-24-2015 12:04 PM
49 Launchpad★ 09-24-2015	Spoilers of role names in the game: AbsolutBro Swamped

12:07 PM ET (US)	Tucah Blargonaut squidyj nin1000 Crab Sorian ScraftyDevil RetroMG CzarTim YesNOoNOYes Fireblend Ourobolols Hyperactivity Darryl
50 Launchpad★ 09-24-2015 12:07 PM ET (US)	/m48 No one received their own name as a role. Someone may kill themselves lol
51 Cabot 09-24-2015 01:46 PM ET (US)	I was worried you'd add me and be comically racist so it's definitely better I wasn't there.
52 nin1000 09-24-2015 02:22 PM ET (US)	haha , i have a role wth ?! this will be interesting !
53 Launchpad★ 09-24-2015 02:23 PM ET (US)	/m52 Your role is by far the most interesting, too. It's kind of experimental for this community, but we'll see how it goes.
54 Launchpad★ 09-24-2015 02:32 PM ET (US)	Did squidy just. squidy just did.
55 Launchpad★ 09-24-2015 02:32 PM ET (US)	Mark it, 1:30 into the game, a roleclaim ladies and gents
56 palmer_v1★ 09-24-2015 02:42 PM ET (US)	Is it spoilers to say what I think that means? Dunno how we're rolling this game.
57 Launchpad★ 09-24-2015 02:43 PM ET (US)	You can speculate, I don't mind. Let's be honest here, I'll likely end up spoiling half the roles for you guys by the end of the week. lol
58 palmer_v1★ 09-24-2015 02:55 PM ET (US)	Well Scrafty is what I think when I hear he has an accent based on his role. Confirm/Deny in spoiler tags?
59 palmer_v1★ 09-24-2015 02:58 PM ET (US)	Bold Peediction. Apparently TB does most of his posting in front of a urinal. Is it like reading tea leaves, I wonder?
60 Launchpad★ 09-24-2015	/m58 Squidy was definitely implying, heavily, that he drew ScraftyDevil /m59 I have no idea what's going on with that

03:13 PM ET (US)	
61 palmer_v1★ 09-24-2015 03:29 PM ET (US)	/m60 I'm not up to date with the new players from Dangan and Cthulhu, so other than the accent, I have no idea what power(if any), that would grant. Is this role madness?
62 Launchpad★ 09-24-2015 03:30 PM ET (US)	/m61 It's not role madness, but regarding the role: it's ordinary Edited 09-24-2015 03:30 PM
63 Hyperactivity★ 09-24-2015 03:32 PM ET (US)	/m61 semi
64 Launchpad★ 09-24-2015 03:33 PM ET (US)	/m63 more like there are spins on bastard roles. Role madness is straight everyone has a role, as far as I know.
65 Droplet★ 09-24-2015 03:53 PM ET (US)	I don't think any games this time started as a no-lynch right? I think people were pretty into Crab's advice in the previous games. I hope in true GAFia fashion they manage to lynch a PR.
66 Launchpad★ 09-24-2015 03:57 PM ET (US)	Honestly, they may be better off with the a no-lynch this time around... Edited 09-24-2015 03:58 PM
67 palmer_v1★ 09-24-2015 04:00 PM ET (US)	/m64 Is it a full on Bastard game? I want all Mafia to be Lynch Bombs and all town to be Hunters.
68 Droplet★ 09-24-2015 04:13 PM ET (US)	We could get a winner in one night!
69 Launchpad★ 09-24-2015 04:15 PM ET (US)	/m67 nah, I think I've brought enough balance to it that people won't complain... too much. But there are some new ideas there that haven't been tried on GAF yet.
70 Cabot 09-24-2015 04:18 PM ET (US)	Some girl just asked me of I have a spare sock #birmingham. Fuck that of she saw me try to. Order. Food. At wagamamas like twenty minutes ago then she would never ask

77 nin1000 09-24-2015 05:08 PM ET (US)	Launch , keep my role under wraps, dont spoil it ^^
78 Launchpad★ 09-24-2015 05:09 PM ET (US)	Are you in the right thread boss?
79 nin1000 09-24-2015 05:12 PM ET (US)	now i am Launch :*
80 ynnny★ 09-24-2015 05:13 PM ET (US)	Oh... So maybe ouro self vote doesn't mean anything...? Or is he blarg??? Who else self vote in the past?? is salva a role? Ok ok I will stop asking and just spoil myself :x Cuz if he is a role, it will be someone who's against d1 lynch... Edit: Oh ok nvm~~~~ Edited 09-24-2015 05:23 PM
81 ynnny★ 09-24-2015 05:19 PM ET (US)	Also, I don't understand why swamps first post is read as scummy??? She basically defended the girls plus the moderator... That's not un-understandable, is it? Ugh scrafty's avatar is so cute ☺ Edited 09-24-2015 05:22 PM
82 Droplet★ 09-24-2015 05:41 PM ET (US)	Defending people on the first day is apparently a terrible move. My guess (never really understood this) is that it gives everyone some sort of read where they normally have none, so it's just something to go after with nothing else.
83 Hyperactivity★ 09-24-2015 05:44 PM ET (US)	/m82 No, it's just how you attack Launchpad's successor Thanks launchie for the scummy play (Seriously, that's not it, if you're shutting discussion down then it's scummy)
84 ynnny★ 09-24-2015 05:53 PM ET (US)	/m82 Oh? Is it usually regarded as terrible move? I think if anything is actually least scummy cuz it attracts too much heat onto yourself for defending other people... And scums don't play to attract undue attention to themselves from the get go??? Also she picked only girls so it's not like as if it is done wild conjectures? I agree with hyper, though... In a sense... If by defending certain peeps, discussion is shut down THEN it is scummy... But other than that, it's just d1 fluffies! Edited 09-24-2015 05:53 PM
85 Droplet★ 09-24-2015	I dunno, I didn't really see it as shutting down discussion more as her subtly calling for people to not be assholes because of what happened in previous games? And maybe to give the one new player a little leniency. I know it was part of LoC's scummy defense of LP in Cthulhu but I think the argument still holds in this capacity, where there's only one new

Hyperactivity ★ 09-24-2015 11:01 PM ET (US)	This is what I paid to see right here
99 ynnnny★ 09-24-2015 11:16 PM ET (US)	/m98 yaaaaaaassssssssss except we didn't have to pay a cent for this hawt squidy x soyuri action hohohohohohohohoh
100 Hyperactivity ★ 09-24-2015 11:38 PM ET (US)	/m99 It comes with tacos and the ability to eat them without a paper bag You want the full course, or do you want to buy it piecemeal?
101 ynnnny★ 09-24-2015 11:43 PM ET (US)	full course pls back on speculation, what I find more interesting from this squidy x soyuri are how the rest are responding to it :3 coppa seems happy enough to keep the pressure on soyuri to keep on egging squidy without voting for either. very interesting to me! :)
102 ynnnny★ 09-24-2015 11:46 PM ET (US)	scraftttttteeeehhh so adorbs with her vavavoom personaaaaaaa <3 aaaaaaaa
103 Hyperactivity ★ 09-25-2015 12:21 AM ET (US)	/m103 ynnny why didn't you go into the asshole vigilante game? It would've been perfect for you
104 cabot★ 09-25-2015 12:25 AM ET (US)	Hey guys how's it going? I'm getting hot and bothered by this sorian vs squidgy hot tub battle.
105 SalvaPot★ 09-25-2015 02:11 AM ET (US)	/m104 hot fight indeed, I feel Sorian is getting lynched today. Edited 09-25-2015 02:11 AM
106 ynnnny★ 09-25-2015 03:08 AM ET (US)	/m103 perfect for me? How? I'm an 'asshole vigilante' to you? ;____; /m104 heeeeeeeyyy cabochon how does the drunkennessdd and the game convention thingy~ and yesh~ squidy x soyuri is grade a steaaaammmyyyyyy /m105 noooooooooo~ not soyurichan!!!!
107 Fireblend★ 09-25-2015 10:58 AM ET (US)	I'm glad I didn't join the GAFia game; it feels so refreshing to be without a thread that requires constant attention - and Sorian x Squidj is already infuriating and it's just the beginning of the game. Hopefully one gets lynched soon. Plus I'm more entertained by ynnny's reactions here than anything happening on the actual game thread. Keep at it ynnny :D
108 ynnnny★ 09-25-2015 11:03 AM ET (US)	haha I'm the same firey~ kinda happy to just kick back and spectate for now ^__^ And...lol I thought my monologue was going to be mildly aggravating but okies I shall continue to commentate o7 ... My bet for d1 lynch is... Terrabyte And N1 lynch is.... Hmmm Charleston At this stage!
109 Launchpad★ 09-25-2015 11:18 AM ET (US)	/m108 Just one death for N1? :)
110	/m107 if you could see the ynnny comments in the Salty Spittoon Spectator Thread, its mostly shipping fun x).

111 palmer_v1★ 09-25-2015 11:24 AM ET (US)	I know who has the Blargonaut role and what it's power is.
112 Launchpad★ 09-25-2015 11:26 AM ET (US)	/m110 Me and Sorian are the best tsundere couple, at least, right? /m111 Do tell. In tags if it was because Hyper let it slip lol
113 SalvaPot★ 09-25-2015 11:29 AM ET (US)	/m112 I-Its not like we talk about you or anything, b-baka!
114 palmer_v1★ 09-25-2015 11:53 AM ET (US)	/m112 I don't know how to do spoiler tags on here. I was talking to the player separately from GAFia and I asked since I'm not participating. I'll hold onto the info until you or Hyper let people know. It's not quite what I expected, but still interesting.
115 Launchpad★ 09-25-2015 11:59 AM ET (US)	/m114 ok, then I guess you know lol yeah don't spoil that. It should be fun.
116 Cabot 09-25-2015 01:15 PM ET (US)	/m106 pretty good just played some exorcism game and going out tonight for a night out. I'm sure I'll be dead in the morning. Squidy is great he gets so comically aggressive. I want that in a lover. Gender is irrelevant am I right lol
117 Launchpad★ 09-25-2015 01:30 PM ET (US)	So Palmer, you and Retro play Destiny? PS4?
118 palmer_v1★ 09-25-2015 02:36 PM ET (US)	Yup. We ended up farming Court of Oryx for like 2 hours yesterday. Did the tier 3 once or twice to finally finish that quest.
119 Launchpad★ 09-25-2015 02:38 PM ET (US)	...I just started playing. No idea what any of that means. lol I don't have a lot of time to play usually, but I think I'm going to play tonight. I'm lvl 21 I think
120 Launchpad★ 09-25-2015 02:45 PM ET (US)	Also, roytheone bread-crumbed his role in post #400
121 palmer_v1★ 09-25-2015 02:47 PM ET (US)	Oh you're a TRUE newbie to it. Add me on there: ThisStoreSucks. I'm always willing to help out. I played through the Hard mode of the first raid(which is level 30ish) back when it came out, than stopped for like 9 months until this new expansion. I love all of the changes. My only real suggestion to you at this point would be to try and do any available dailies whenever they show up(might be too low for them to show up yet), and try to max out all 3 subclasses available to you.
122 Launchpad★ 09-25-2015 03:00 PM ET (US)	SOMEONE DO SOMETHING EXCITING!!!! /m121 I don't mind playing on my own until I hit the higher levels, I'm actually enjoy the story and I'm an absolute sucker for dungeon-crawling (read: loot everywhere) games. I'll keep the subclass thing and dailies in mind. Still getting used to all the stuff there is to do and the hub. I think the game is excellent, and I can't imagine how it was before this expansion.

123 palmer_v1★ 09-25-2015 03:10 PM ET (US)	The idea is once you hit "end game", you want to maximize the amount of stuff you can do, and a lot of quests and bounties will require specific subclasses. So I would switch subclasses once you max one out. Otherwise, yeah, just keep following the storyline! It gets progressively better.
124 Droplet★ 09-25-2015 04:37 PM ET (US)	/m120 Oh, is Roy Hyper?
125 Hyperactivity★ 09-25-2015 06:11 PM ET (US)	/m124 haven't actively looked at the breadcrumb, don't remember his role right now. But what made you think he's me?
126 Droplet★ 09-25-2015 06:45 PM ET (US)	/m125 Starting up a note document at a pc to make reads. Your forte.
127 El Topo 09-25-2015 07:02 PM ET (US)	/m122 I used to love those games. Diablo 3 broke me. Never again.

130 yynnny★ 09-25-2015 09:57 PM ET (US)	/m103 HYPER YOU STILL HAVENT EXPLAIN YOURSELF FFFFFF *prodsprodsprods* /m108 ha ha ha im being conservative! like... minimizing chance of wrongness! which is already at 108% ... but i like betting XD so i think the scums will pick charleston cuz he quietly.... unless he's scum ofc :< which means no winnage on yeenzy's betting :< /m110 :> i love my boys and their gafia entanglements! JUDGE AWAY >:D /m127 whats wrong with Diablo 3? ... actually i never got around to play Diablo 3 in depth cuz it dropped around the same time that I was super deep in TERA online. I did waste like 200 years of my life in Diablo 2 though. That game was THE BOMB~ aaaaaaa
131 yynnny★ 09-25-2015 11:00 PM ET (US)	/m116 hahaha yaaaassss right~ squidy is pretty feisty mrrraawwrrrrr <3

133 El Topo 09-25-2015 11:13 PM ET (US)	It's been a long time since I played it, so this is all from memory. When Diablo 3 came out, it was completely unbalanced. Classes varied greatly in usability, more than enough skills were utterly useless and had no synergy. The highest difficulty was virtually unplayable for a long time, except for certain buggy/overpowered builds, of course none of which were available (for quite some time) for the class I had chosen (Witch Doctor). I could've forgiven all that, but I played for hundreds of hours* and found virtually jack shit. I'm not exaggerating. I did a ton of whatever was the most efficient run at the time, yet again and again I found nothing useful, not just for my class but in general. It's even more frustrating when you play with friends (or fellow GAF members) and the game just throws interesting drops at them. It makes you realize that you're basically wasting your time playing the lottery. At some point,

	<p>I think shortly before they closed the auction house, I had enough. By then the game was more balanced and loot generation was improved (for everyone), but the damage was done.</p> <p>Don't get me wrong, I had a lot of fun, in particular playing with GAF members, but it's just such a time sink with too little payoff.</p> <p>*Don't judge me.</p> <p>Edited 09-25-2015 11:14 PM</p>
134 El Topo 09-25-2015 11:16 PM ET (US)	<p>Now I only play games that don't eat up time, like Civilization 5.</p> <p>*looks at Steam Profile*</p> <p>Oh.</p>
135 ynnnny★ 09-25-2015 11:27 PM ET (US)	<p>/m134 hahahaha civ5 is sooooooooooooo much fun.... its evil!</p> <p>awww I didn't know d3 was that broken :(I didn't sink deep into it cuz i had been spoilt rotten by d2 lan parties... d3 was internets only ... i think. I mean virtually it was the same thing but it also was not. idk. is weird. i only played up to level 12 or something and went back to tera.</p>
136 Hyperactivity★ 09-25-2015 11:36 PM ET (US)	<p>I heard D3 had a bunch of issues at launch but has improved immensely to where it's considered to be a great game now. GAF seemed to love the recent expansion Reaper of Souls</p> <p>/m134 or Crusader King 2. Or 900+ hours between my diamond, pearl, and platinum games</p> <p>Edited 09-26-2015 12:53 AM</p>
137 ynnnny★ 09-26-2015 04:06 AM ET (US)	<p>Booooooooooooo</p> <p>Why are they coming down super hard on scrafty~ they will take out the ooh-la-la factor from the game nuuuuuuuuu</p> <p>Go after coppa who's been umpireeing from the side, guize~~~~~ or terrabyte! So yeeny can win cookies!!!</p> <p>Hyper is so mean and ignoring me :< o well~~~~</p> <p>Launches, from all of the roles you've put in this game, I noticed that I'm the only one who had never actually played with you :3 so cute that you put me in regardless though ^____^</p>
138 El Topo 09-26-2015 09:00 AM ET (US)	<p>/m136 I heard it's really great now, with the expansion and several more balance/content patches. I'll never go back regardless.</p> <p>Edited 09-26-2015 09:04 AM</p>
139 Launchpad 09-26-2015 09:25 AM ET (US)	<p>It is. D3 is pretty amazing in its current state.</p>

144 Gorlak★ 09-26-2015 10:10 AM ET (US)	Everybody is asleep or out in the world doing stuff! Except Yeeny, she clearly wants to see some spectacular gambits and jaw dropping backstabber moves! (like me) Hey, we should take advantage of the absence of some certain GAF Mafia mastermind and go on to organize next season. I know you want to ;) <p>Uuugh, I have to finish my thesis and organise my move-out of this tiny flat till tuesday and I'm still surfen' the good old web nonetheless :(And off I go...</p> <p>Edited 09-26-2015 10:18 AM</p>

152 SalvaPot★ 09-26-2015 11:48 AM ET (US)	SalvaPot the nuisance? That sounds like a great claim for mafia to make, since I am not that well known for a specific moment, yet people always take me into account as a lynch target. The fact that Scrafty didn't bother to actually spell out what it does sounds like something I won't do, tho.
153 ynnnny★ 09-26-2015 11:49 AM ET (US)	yessssssss soyuri yeeeeessssss ok ok i will stop phone checking now for realsies XD
154 Launchpad 09-26-2015 11:50 AM ET (US)	I would be thinking about "this is a face your can trust"
155 SalvaPot★ 09-26-2015 11:54 AM ET (US)	/m154 oh man, I had forgotten about that catchphrase. I'm still salty about missing the deadline for the day I was lynched, good times.
156 Launchpad 09-26-2015 11:59 AM ET (US)	It's going to be really funny if they lynch Rats. I hope they lynch him. lol
157 SalvaPot★ 09-26-2015 12:12 PM ET (US)	Scrafty is betting everything on town wanting her to prove his role. I don't think town will buy it.
158 ynnnny★ 09-26-2015 12:12 PM ET (US)	/m156 aaa I wants funsies ! hope they go for rats, then Doesn't look like they would now but gafia behaves very manicly nearer the end of the day :-> I has hopes yet!!! XD lol scrafty saying that she'll turn Ordinary Tourist.... ^____^ some flavor never dies ^____^
159 Launchpad 09-26-2015 12:14 PM ET (US)	/m157 The mafia player in me says lynch Scrafty, but the mod in me wants her to survive heh
160 El Topo 09-26-2015 12:24 PM ET (US)	Why did Scrafty claim in the first place? Then again, I appreciate a good role claim.
161 Launchpad 09-26-2015 12:25 PM ET (US)	Guessing she was seeing some kind of writing on the wall.
162 El Topo 09-26-2015 12:37 PM ET (US)	Hey, if you see an opportunity, you have to take it. I appreciate that. GO SCRAFTY!
163 Launchpad 09-26-2015	lol 20 mins on the clock, everyone's MIA or watching and waiting. Nice.

12:41 PM ET (US)	
164 Launchpad 09-26-2015 12:45 PM ET (US)	oh boy, I think we're in for a surprise ladies and gentlemen. I wonder if this person will do what I think he/she will.
165 Launchpad 09-26-2015 12:54 PM ET (US)	hehehehehehehe
166 Soriana* 09-26-2015 01:03 PM ET (US)	Why am I dead? Wtf happened?
167 Launchpad* 09-26-2015 01:05 PM ET (US)	Highlight for spoiler: you were sniped
168 Soriana* 09-26-2015 01:06 PM ET (US)	Such spoiler, so much for my subtleness to attract the night kill tonight. FUCK
169 Soriana* 09-26-2015 01:09 PM ET (US)	Was I only the doctor type role? Can you at least tell me that, I want to know if that day 1 doctor curse is still in full swing.
170 SalvaPot* 09-26-2015 01:16 PM ET (US)	There has to be another doctor-type role, yours was more a taking the bullet kind of guy. Either way, who outed soriana? Did it happen on the forum or was it a pm command?
171 Launchpad* 09-26-2015 01:19 PM ET (US)	PM command. And no, unfortunately, I was hoping the real doctor had gotten lynched. It would have been quite humorous. lol
172 ScraftyDevil* 09-26-2015 01:20 PM ET (US)	I suppose that's that, then. Hopefully my parting words will leave them guessing for a while.
173 Soriana* 09-26-2015 01:21 PM ET (US)	I hate you Scrafty, please tell me that was a teammate of yours that killed me. Please. /m170 I soft claimed, I wanted scum to attack me tonight.
174 Soriana* 09-26-2015 01:22 PM ET (US)	Oh wait, I understand your question Salva, nvm.
175 Soriana* 09-26-2015 01:23 PM ET (US)	Death message: "You're welcome" Is that ok?
176 Launchpad* 09-26-2015	Yeah.

01:23 PM ET (US)	
177 SalvaPot★ 09-26-2015 01:26 PM ET (US)	This can't be GAFia without doctor dying early on.
178 El Topo 09-26-2015 01:26 PM ET (US)	What an early blow to mafia. :(
179 Launchpad★ 09-26-2015 01:27 PM ET (US)	It'll be ok.
180 El Topo 09-26-2015 01:28 PM ET (US)	/m177 The night is still young.
181 ScraftyDevil★ 09-26-2015 01:32 PM ET (US)	/m173 I still like you, Sorian. Guess I'm not so good at playing the role of scum just yet. Oh well; live and learn, live and learn.
182 Hyperactivity★ 09-26-2015 01:53 PM ET (US)	/m181 dammit Scraftydevil, I was cheering for your team
183 SalvaPot★ 09-26-2015 01:53 PM ET (US)	/m181 hey Scrafty, what motivated you to roleplay as me, was it my face that you can trust?
184 Sorian★ 09-26-2015 01:54 PM ET (US)	I know the circumstances of my death now. I'll take it as a compliment. Kind of sad I didn't get to thunderdome with scum tonight though.
185 Sorian★ 09-26-2015 01:58 PM ET (US)	/m181 I don't actually hate you :D just proud that I read you like a book :P
186 Hyperactivity★ 09-26-2015 01:59 PM ET (US)	/m184 not at all surprised at what happened though I hope tonight is fun
187 Sorian★ 09-26-2015 02:03 PM ET (US)	He should have killed Ouro! :P
188 ScraftyDevil★ 09-26-2015 02:03 PM ET (US)	/m183 One of my mafia mates suggested it. I was completely clueless on how to play the role of scum so I needed a lot of guidance. They suggest I make a reads list too, and that didn't end up going too well! /m185 Hopefully we can actually play on the same side eventually!
189 ynnnny★ 09-26-2015	Hiiii scrafty and soyuri!!! Scrafty! I was so cheering for you! I love your new persona!!

02:06 PM ET (US)	Soyuri! I love your conviction and how you dog scrafty to the corner!!! That was pretty fab!!! ^ _ ^
190 ynnnny★ 09-26-2015 02:12 PM ET (US)	Woh squidy is on the ball again with his gut reads. He picked on scrafty pretty early on, didn't he? ArcherSquidy is dangerous. I'll change my bet for N1 kill to squidy! He'll be my pick to take out if I was mafia~~~~ Sorian, u keep dying early when you're not playing neutral XD awwww
191 Sorian★ 09-26-2015 02:13 PM ET (US)	/m188 that smelly reads list lol take that! Everyone who thought I was bad at my own reads, totally proven wrong.
192 Launchpad 09-26-2015 02:29 PM ET (US)	I think I like hosting these accelerated games more. More madness.
193 Launchpad 09-26-2015 02:30 PM ET (US)	Also, while that's one mafia down, this game is far from over. UPUPUPUPU
194 Sorian★ 09-26-2015 02:39 PM ET (US)	The person who did that to me is only 1-shot right? And doesn't need to be killed?
195 Sorian★ 09-26-2015 02:56 PM ET (US)	How mean Squidy, I was your bodyguard :(and your plan was good.
196 Launchpad 09-26-2015 03:12 PM ET (US)	1 shot. What do you mean doesn't need to be killed
197 Sorian★ 09-26-2015 03:17 PM ET (US)	I know who it is and a bit about them. I'm asking if town needs to kill them to win or if they can ignore that person.
198 Launchpad 09-26-2015 03:20 PM ET (US)	They need to kill them. Ok, who keeps leaking information here lol
199 Sorian★ 09-26-2015 03:21 PM ET (US)	They messaged me after the day ended to apologize lol Very sporting actually, that's why I'm less mad than I would have been.
200 Droplet★ 09-26-2015 03:39 PM ET (US)	Poor Sorian, you keep getting killed by the most random things. Apparently being neutral Microsoft cow in NX was the best thing to happen to you.
201 Sorian★ 09-26-2015 03:47 PM ET (US)	If I ever die by lynch, let's just assume that something is very wrong.

202 Soriana* 09-26-2015 03:48 PM ET (US)	Launch, please tell me the Soriana role is not ordinary.
203 Hyperactivity* 09-26-2015 04:11 PM ET (US)	/m188 splinter gave some really nice advice to me in election. for being scum, especially for the first couple days, if you're scum Play completely normally. Call suspicious things out, try your best not to look calculated. IMO, one if the scum players should try to take a town leader/prominent player position, probably one that you're fine with being lynched sooner rather than later Playing too sneaky is bad if you're scum
204 Hyperactivity* 09-26-2015 04:11 PM ET (US)	/m202 what Soriana role?
205 Soriana* 09-26-2015 04:12 PM ET (US)	I know there's a Soriana role in the game lol
206 Launchpad* 09-26-2015 04:32 PM ET (US)	You are correct. I'll leave it up to your imagination for now.
207 Soriana* 09-26-2015 04:49 PM ET (US)	I just want to know if I'm ordinary or not. Otherwise, yeah, I don't want to be spoiled on it.
208 Launchpad* 09-26-2015 04:50 PM ET (US)	You're not ordinary.
209 Soriana* 09-26-2015 04:52 PM ET (US)	^ ^ _ _ \\o/
210 Hyperactivity* 09-26-2015 05:00 PM ET (US)	/m208 you're worse than that
211 Launchpad* 09-26-2015 05:39 PM ET (US)	/m210 LOL too true
212 Soriana* 09-26-2015 05:41 PM ET (US)	Rude
213 Launchpad* 09-26-2015 05:41 PM ET (US)	lmao We're kidding, promise. Your role is decent.
214 Soriana*	I totally forgot that Hyper was the one that looked over the game for you. Was trying to figure out why he seemed to know so much more than the other spectators lol

09-26-2015 05:45 PM ET (US)	
215 Launchpad 09-26-2015 07:00 PM ET (US)	Looks like everybody is getting unlucky tonight lol
216 ScraftyDevil★ 09-26-2015 07:07 PM ET (US)	I wonder if I'm a role in the game at all. Definitely won't be a power role since this is my second time ever playing, but it would be cool nonetheless.
217 Hyperactivity★ 09-26-2015 07:18 PM ET (US)	/m215 ooh, PM me what happened
218 Launchpad 09-26-2015 07:21 PM ET (US)	/m216 you are a role :D But you're ordinary :(
219 Fireblend★ 09-26-2015 07:49 PM ET (US)	Welcome Sorian, Scrafty. I spent most of today playing Mario Maker and just now caught up with the thread. Shame on town for not upholding the sacred GAFia tradition of lynching the Doctor on D1. You deserved better Scrafty :(
220 Launchpad★ 09-26-2015 07:50 PM ET (US)	They were so close too lol
221 Hyperactivity★ 09-26-2015 08:35 PM ET (US)	/m219 watch this be the game with the doctor mvp
222 ScraftyDevil★ 09-26-2015 08:42 PM ET (US)	I probably could've done better but hey at least I put on a good show and got some ideas of what not to do next time I'm mafia. Plus I got to try out a fun new character that I was afraid was going to have to wait until Season 5 otherwise, so that was cool!
223 Hyperactivity★ 09-26-2015 08:56 PM ET (US)	This scum kill is funny for many reasons Many many reasons
224 Launchpad★ 09-26-2015 09:00 PM ET (US)	I'm actually surprised they're making that mistake...
225 El Topo 09-26-2015 09:02 PM ET (US)	/m222 That's the spirit.
226 ScraftyDevil★ 09-26-2015 09:10 PM ET (US)	What mistake might my malevolent mafia mates make?
227	Oh god

Hyperactivity★ 09-26-2015 09:48 PM ET (US)	Oh god Oh god Oh god Hahahaha This night will be crazy
228 Droplet★ 09-26-2015 10:13 PM ET (US)	You guys are such teases.
229 Droplet★ 09-26-2015 10:16 PM ET (US)	/m220 Wait, Rats is the doctor? Welp, by Gafia logic I look forward to us reuniting here soon.
230 Soriant★ 09-26-2015 10:42 PM ET (US)	I was so pro, not letting those scrubs vote out the doctor. Cut down in my prime for being too cool.
231 ScraftyDevil★ 09-26-2015 10:52 PM ET (US)	I'm really interested to see where things go from here, cuz #TeamScum's plan was to kill you or Rats tonight and manipulate your death for our nefarious purposes, but obviously half of that plan's been taken care of already. I honestly do wonder who they're going to kill tonight; I haven't re-entered the mafia chat since saying my good-byes.
232 Soriant★ 09-26-2015 10:59 PM ET (US)	I was banking on you guys trying to kill me tonight. I wanted to THUNDERDOME with one of you. If you read my power, I can self-target so there was a 50% chance that I would have lived and the killer would have died instead. I was ready to play the odds.
233 ScraftyDevil★ 09-26-2015 11:06 PM ET (US)	Actually, that wouldn't have worked since I was gonna use my power to transfer your protection onto someone else at random :P
234 Launchpad★ 09-26-2015 11:07 PM ET (US)	/m233 That would have randomized your kill too, fyi
235 Soriant★ 09-26-2015 11:45 PM ET (US)	Well since I was lynching you anyway, just according to keikaku :D If only your little buddy hadn't interfered.
236 Soriant★ 09-26-2015 11:47 PM ET (US)	And actually, wouldn't it be the same result anyway Launch? If they both sabotaged me and killed me, wouldn't my guard and their kill end up at the same person or was each individual action on the target she chose randomized to potentially different people.
237 Launchpad★ 09-26-2015 11:48 PM ET (US)	Each individual action would have been thrown to a random person.
238 Soriant★ 09-26-2015 11:53 PM ET (US)	Oh well, no use worrying about it now. I'm happy Ouro and I got to tag team Scrafty, it was fun.
239 Launchpad★ 09-27-2015 12:07 AM ET (US)	/m238 that's uhm, lewd?
240	/m238 I thought squidy was your partner?

Hyperactivity★ 09-27-2015 12:27 AM ET (US)	
241 ynnnny★ 09-27-2015 12:38 AM ET (US)	/m240 too busy tag teaming to double check male partner in play duh
242 Soriana★ 09-27-2015 12:58 AM ET (US)	/m240 Nah, me and squidy went one-on-one on each other for warm up then he went to go make sweet lovin to Splinter while Ouro and I went for Scrafty. Lewd
243 ynnnny★ 09-27-2015 01:20 AM ET (US)	my my soyuri I didn't expect such lewdness from u lowell-chan my my, i say
244 Soriana★ 09-27-2015 01:22 AM ET (US)	I am actually powered by lewd thoughts. Surprise!
245 ScraftyDevil★ 09-27-2015 01:27 AM ET (US)	/m238 Pff, it'd take more than two of you to handle me, even if I did swing that way.
246 Soriana★ 09-27-2015 01:39 AM ET (US)	I laughed. Thanks for being a good sport Scrafty.
247 ynnnny★ 09-27-2015 02:26 AM ET (US)	/m245 quelle femme fatale! <3
248 nin1000 09-27-2015 06:30 AM ET (US)	Well, lol that was quite funny to see :D Soriana getting sniped day1. Laughed a lot haha. I hope to see you getting past day 1 the next game. :) At vacation atm so greetings from there everyone :*
249 El Topo 09-27-2015 11:12 AM ET (US)	I don't know. As fun as that was, a game without Soriana is a lot less lively.
250 Soriana★ 09-27-2015 12:27 PM ET (US)	They'll manage. I'm a bit sad that I didn't get to try my power but I have more faith in this town than I did in election town.
251 Launchpad★ 09-27-2015 12:28 PM ET (US)	I can tell you one thing based on the night actions, town seems to know what it's doing. Sort of.
252 Hyperactivity★ 09-27-2015 12:32 PM ET (US)	/m251 pm me what happened I only know some of what happened, and that alone makes this a fun night
253	I sent you the PM yesterday. That's exactly what happened.

Launchpad★ 09-27-2015 12:32 PM ET (US)	
254 Launchpad★ 09-27-2015 12:40 PM ET (US)	I'm going to wait until the last minute in <i>that person</i> decides to use their one-shot. That would certainly cheer me up. lol
255 Hyperactivity★ 09-27-2015 01:00 PM ET (US)	/m253 Not seeing anything? Last message from you was in response to the issue Ibrought up /m254 That would make my day. NIGHT 1 MASSACRE!
256 Sorian★ 09-27-2015 01:01 PM ET (US)	That was a boner killer.
257 Hyperactivity★ 09-27-2015 01:01 PM ET (US)	WELP This day didn't start off well
258 El Topo 09-27-2015 01:02 PM ET (US)	No kill? I stayed around for a no-kill night? Someone kill roy already.
259 Launchpad★ 09-27-2015 01:04 PM ET (US)	Ouro thinks he's got a hot piece of information that is totally wrong and this is just a big coincidence lmao Retro is not mafia. Edited 09-27-2015 01:04 PM

262 Hyperactivity★ 09-27-2015 01:10 PM ET (US)	This is a boner killer
263 Sorian★ 09-27-2015 01:13 PM ET (US)	Yeah Ouro knows nothing. Listen to the other instead. Rats is always on point, I love it.
264 SalvaPot★ 09-27-2015 01:13 PM ET (US)	Game is back up, no one died, DISAPPOINTED.
265 Launchpad★ 09-27-2015 01:14 PM ET (US)	damn tho, the mafia figured out [almost] exactly what happened in 14 mins. Nice. lol

266 ScraftyDevil★ 09-27-2015 01:24 PM ET (US)	I don't even feel bad for getting voted out first day anymore. Town's full of veteran scum-hunters this game. That being said, neither of my mafia mates have had significant doubt cast on them yet so I guess they're doing a better job than I did!
267 Hyperactivity★ 09-27-2015 01:47 PM ET (US)	I bet on the wrong horses this game I can already feel it Edited 09-27-2015 01:50 PM
268 Launchpad★ 09-27-2015 01:50 PM ET (US)	Actually, Scrafty, your reads list is pretty God-tier. Town has read you like an inexperienced mafia that gave too much of her hand away, so they're taking your list at face-value. Even though you died, you've made them misread a lot of people.
269 ScraftyDevil★ 09-27-2015 01:52 PM ET (US)	You mean it? And here I was thinking my reads list was the dumbest thing I could've possibly done...
270 Launchpad★ 09-27-2015 01:54 PM ET (US)	I mean it. It was a good reads list, but the fact that everyone thinks you were tripping up makes it a whole lot better. Ouro is second-guessing himself now, heh. Good. Gooooood.
271 ScraftyDevil★ 09-27-2015 01:57 PM ET (US)	Mwahahahahaha. My death was only the beginning! It's gonna take all my effort to not go back into the thread during the twilight phase and post gifs of smug smoking women again.
272 Droplet★ 09-27-2015 02:11 PM ET (US)	Man, this isn't GAFia, this is just mafia. :(
273 cabot★ 09-27-2015 03:03 PM ET (US)	I know a thing or two about reading misleading read lists from dead people, and I salute you you ScraftyDevil, you. I'm back home, I'm ready to cheer on roy until the end of days.
274 Sorian★ 09-27-2015 04:04 PM ET (US)	It's to be expected but the error that town is making in regards to Scrafty's list is making me super sad.
275 Sorian★ 09-27-2015 05:36 PM ET (US)	Ice cold Rats ;_ ; I read Scrafty too.
276 ScraftyDevil★ 09-27-2015 05:50 PM ET (US)	The misery that our premature deaths is causing you fills me with unbridled joy. Edited 09-27-2015 05:50 PM

278 ScraftyDevil★ 09-27-2015 06:02 PM ET (US)	Nah they're screwed. Villainous victory is verily verified!

281 ScraftyDevil★ 09-27-2015 06:42 PM ET (US)	Poked my head back into the mafia thread and boy, if they manage to pull off their gambit today then I'll bet my tits that they're gonna turn this whole game on its head.
282 Launchpad 09-27-2015 07:54 PM ET (US)	SURFACE: Blargonaut
283 El Topo 09-27-2015 08:09 PM ET (US)	Rats and his wack ideas. No right way to play neutral? The right way to play neutral, the only right way to play neutral, is to kill roy.
284 ScraftyDevil★ 09-27-2015 08:38 PM ET (US)	Something's got Ouro spooked solid. Little does he know that going dark won't give him any solace, shyahahahaha...
285 Soriant★ 09-27-2015 08:49 PM ET (US)	/m281 Bet your tits? lol Town still got this.
286 Soriant★ 09-27-2015 08:51 PM ET (US)	Also Scrafty, you don't know what killed me right?
287 ScraftyDevil★ 09-27-2015 08:53 PM ET (US)	/m285 They are quite bountiful. /m286 Maybe I do, and maybe I don't! I can't give away secret mafia information on a whim!
288 Soriant★ 09-27-2015 08:58 PM ET (US)	/m287 I should take that bet then. No but seriously, I know your teammates are just as in the dark about how I died as town is, I was just wondering if anyone had told you what happened since you were dead.
289 ScraftyDevil★ 09-27-2015 09:02 PM ET (US)	Then no, I have no idea how it happened. I tried to make the best of the situation with the gifs I posted at the end of the day, cuz paranoia is the most dangerous weapon the mafia can wield, even posthumously.
290 Soriant★ 09-27-2015 09:07 PM ET (US)	Ok, just making sure, the things you were saying in here were making me laugh because it sounded like you knew more than you did. Let's just say town has a bit more to deal with.
291 ScraftyDevil★ 09-27-2015 09:11 PM ET (US)	Would you mind PMing me the details? I think I might have an inkling of what's going on, but I'd love to be in on the joke.

294 Sorian★ 09-27-2015 09:30 PM ET (US)	For a second I thought you did too when it happened :P Did he think I did something to deserve mod killing? lol Details inc Scrafty.
295 Launchpad★ 09-27-2015 09:31 PM ET (US)	He thought I killed you for posting too much. That's why he went dark.
296 ScraftyDevil★ 09-27-2015 09:36 PM ET (US)	HA! That's rich.
297 Sorian★ 09-27-2015 09:37 PM ET (US)	hahahahaha oh man. I am going to get mod killed for that one day though :(I think I did ok at toning it back a bit though.
298 ScraftyDevil★ 09-27-2015 09:40 PM ET (US)	The character I'm using next game lends itself to a higher post count so I'll likely be doing the opposite and ratcheting it up even further. Man some people are gonna friggin' hate me next game, haha.
299 Hyperactivity★ 09-27-2015 09:53 PM ET (US)	/m298 If you're doing valley girl... I can confirm this right now

302 ScraftyDevil★ 09-27-2015 10:12 PM ET (US)	Not sure if being mafia next game would make the valley girl thing more or less entertaining but I hope I last longer next time so I can milk it for all it's worth :P
303 Droplet★ 09-27-2015 10:15 PM ET (US)	/m295 As if you of all people would kill a player for posting too much. :)

305 Launchpad★ 09-27-2015	Children, behave. I don't want to have to start banning IP addresses (just found out you can do that. pretty menacing, huh?)

307 Launchpad* 09-27-2015 10:50 PM ET (US)	Damn I just tried to ban you; Pro users only. Shame.
308 Soriant* 09-27-2015 10:51 PM ET (US)	Upupupupu Also, please warn us if you ever make a game where the user with the most posts gets killed. That sounds terrible.
309 Hyperactivity* 09-27-2015 10:51 PM ET (US)	Shame, we could all do with less Soriant It's not even that controversial of statement, look what he did the one game he survived for a very long time. There's a reason why it's a time-honored tradition to get Soriant out of the game in the first 2 days
310 Launchpad* 09-27-2015 10:52 PM ET (US)	lol to you, perhaps. I would say I kind of rushed this game out the door with a few neat ideas, but I've been coming up with new ways to subvert expectations for the next one.
311 Hyperactivity* 09-27-2015 10:52 PM ET (US)	/m308 Both of you will be in the game and will constantly watch the current post count Maybe make it a 1-shot role power for games launch and soriant are both in
312 Soriant* 09-27-2015 10:58 PM ET (US)	/m309 I have no regrets that I played neutral like a champ. Plus now the NX will always trigger Launch.

315 ynnnny* 09-28-2015 04:23 AM ET (US)	/m312 u always play like a champ tho, soyuri.... thats why they always take you out so fast. you and burbsy.and triggering launches is always something i can get behind :D
316 ynnnny* 09-28-2015 04:25 AM ET (US)	/m273 yaaaaassssss cabochon!!!! im also entrenched in royroy's camp!!!! and welcome home!!!!

318 Launchpad★ 09-28-2015 09:29 AM ET (US)	I think StarSketch's role is perhaps the funniest. I hope she gets thrown in the spotlight; I'd like to her dance.
319 ynnnny★ 09-28-2015 10:10 AM ET (US)	I wants rats to kark it cuz it'd still fit with how doctors die early in gafias.... Like on n2 (royroy from archer) or d3 (crabsy from dr) and sorian at election... kekekeke But now I'm curious about starrie's role.... mmmmm
320 ynnnny★ 09-28-2015 10:16 AM ET (US)	Launches, is urruburrus me?
321 El Topo★ 09-28-2015 10:29 AM ET (US)	Roy would've died N1 if it wasn't for pesky intervention.
322 Soriant★ 09-28-2015 11:56 AM ET (US)	That breadcrumb lololol I feel like breadcrumbs are becoming stupider by the game (I breadcrumb'd that I was AbsolutBro, bro)
323 Launchpad★ 09-28-2015 12:00 PM ET (US)	/m320 nope
324 Soriant★ 09-28-2015 12:02 PM ET (US)	Is he referencing the players Droplet and Rats with the crossword puzzle? I don't get it.
325 ScraftyDevil★ 09-28-2015 12:08 PM ET (US)	Yeah, RatDrops were the masons of the Cthulhu game, but I dunno what Retro's trying to imply with his puzzle. Seems like he's freeing himself from suspicion at least; with only an hour left on the clock too.
326 Soriant★ 09-28-2015 12:10 PM ET (US)	Still a day left Scrafty :P And he just put the nail in his coffin, shouldn't have said he was neutral.
327 ScraftyDevil★ 09-28-2015 12:14 PM ET (US)	Oh I totally forgot that they restarted on Sunday, not Saturday. Time flies!
328 Soriant★ 09-28-2015 12:16 PM ET (US)	"the roleblock" Not "the cockblock" Terrible
329 El Topo★ 09-28-2015 12:16 PM ET (US)	Is Blarg his actual role?
330 palmer_v1★	Did Retro get blocked last night? LAAAAAAAME.

09-28-2015 12:29 PM ET (US)	El Topo, he is in fact Blargonaut.
331 palmer_v1★ 09-28-2015 12:38 PM ET (US)	Now he's going to claim to self target, which isn't verifiable. Pretty sure he's doomed, which is a damn shame.
332 ScraftyDevil★ 09-28-2015 12:40 PM ET (US)	This is delicious. I actually think my death may have accomplished more than whatever I could've done in life today.
333 Sorian★ 09-28-2015 12:53 PM ET (US)	Ouro: "Survive the whole game just annoying people? Really?" Yeah, sounds like Blarg to me.
334 El Topo 09-28-2015 01:32 PM ET (US)	/m330 Huh. Thanks.
335 Droplet★ 09-28-2015 01:33 PM ET (US)	Uh, what?
336 Droplet★ 09-28-2015 01:37 PM ET (US)	Rats no, how could you try to lynch the Blarg role? This goes against everything you stood for!
337 Sorian★ 09-28-2015 01:42 PM ET (US)	Lynching the Blarg role is smart though. And Rats is the doctor, he has grown up responsibilities now.
338 Hyperactivity★ 09-28-2015 02:07 PM ET (US)	Ouro fucked up tonight tbh He found the neutral, but he fucked up
339 Sorian★ 09-28-2015 02:12 PM ET (US)	Was there a more obvious target for him? I think his only real fuck up was that he felt the need to role claim immediately after a no kill night. Geez, roleblocker, keep it in your pants for a bit. It's like a cop role claiming after one red flag.
340 ScraftyDevil★ 09-28-2015 02:31 PM ET (US)	predatorlaugh.mp4
341 Droplet★ 09-28-2015 03:19 PM ET (US)	/m337 You and Makai have sure done your jobs turning GAFia against neutrals, that's for sure.
342 Sorian★ 09-28-2015 03:31 PM ET (US)	Survivor neutrals are just the worst.
343 Sorian★ 09-28-2015	Glad Retro is having fun.

04:13 PM ET (US)	
344 El Topo 09-28-2015 04:18 PM ET (US)	Everyone is behaving like Zapp Brannigan when it comes to neutrals.
345 Droplet★ 09-28-2015 04:23 PM ET (US)	Survivor neutrals are the one thing both town and mafia should probably be in agreement over killing. Was the doctor what caused last night's no kill? If so, mafia wouldn't go after Ouro tonight, would they?
346 Launchpad★ 09-28-2015 04:23 PM ET (US)	"If we have a doctor role left, I recommend protecting me tonight. :/" oh Ouro, you sent me the PM to roleblock the doctor 2 hours ago. loooooool
347 Soriana★ 09-28-2015 04:25 PM ET (US)	/m346 Fool FOOL. Why would you roleblock one of the least suspicious individuals?
348 Launchpad★ 09-28-2015 04:26 PM ET (US)	I don't know. I feel like it's the smart ones that screw up the most in these games lol
349 Soriana★ 09-28-2015 04:27 PM ET (US)	I was doing pretty good :/ My killer was right though, he said he had a better chance of messing up Ouro's thoughts than mine.
350 Soriana★ 09-28-2015 04:40 PM ET (US)	"•Retro- I'm not really sold on the "rng theme" claim and "messing up a random person's posts " seems like a really dumb role power (but it was apparently a thing in chthulu mafia? But I guess that works thematically there, not really in this game.)" Guess she doesn't know Blarg.
351 Droplet★ 09-28-2015 04:42 PM ET (US)	/m346 Hahahahahaha, amazing.
352 Soriana★ 09-28-2015 04:49 PM ET (US)	No Ouro, you don't have an idea.
353 Launchpad★ 09-28-2015 04:50 PM ET (US)	I'll be really sad if they lynch Retro fo reals; he was one of my cool new roles. :(
354 Soriana★ 09-28-2015 04:54 PM ET (US)	I think they're going to and I really hope they do because when Ouro sees that Retro flips neutral he might change his roleblock target. Btw, how mean making fun of how much I talk. ;_;
355 El Topo 09-28-2015 04:57 PM ET (US)	/m353 It's all roy's fault. You should totally modkill roy. You can't know if it won't help. Maybe it'll cheer you up. Joking aside, it's sad to see such an amusing role leave so soon. Edited 09-28-2015 04:58 PM
356 Droplet★ 09-28-2015	/m353 They probably will and they should, but I hope they don't. How many PRs are in this game anyway? We've already confirmed 5 (if we include Scrafty as a special mafia), and it sounds like there's more coming.

04:59 PM ET (US)	
357 Launchpad★ 09-28-2015 05:09 PM ET (US)	I think it was 6 town PRs, 1 Neutral, 4 mafia.
358 ynnnny★ 09-28-2015 05:11 PM ET (US)	/m339 I was blocker in archer and I did keep thingies in my pants ... Until I've sat on the scum ninja three nights in a row :> so SOME of us are at least not that much of an eager beaver Launches, oh ok thanks. Blocker was the only role I ever had in gafia so I thought ururururu might be me. Back to blind guessing! Edited 09-28-2015 05:11 PM
359 Soriana★ 09-28-2015 05:20 PM ET (US)	/m357 You "think?" Such balancing :P /m358 Mike was so good that you kept going back for more? Not gonna lie, I'm pretty jealous.
360 Launchpad★ 09-28-2015 05:21 PM ET (US)	I started typing "I think", but I looked it up halfway through that sentence..
361 Launchpad★ 09-28-2015 05:21 PM ET (US)	aw god, pls scum, don't step it in again lol plss

363 Launchpad★ 09-28-2015 05:25 PM ET (US)	NO DAMMIT Next game, I'm going to remove protection roles. They seem to attract my mafia.
364 Soriana★ 09-28-2015 05:32 PM ET (US)	If I had lived, I bet anything I would have RNG killed one.
365 Launchpad★ 09-28-2015 05:33 PM ET (US)	I would have taken you up on that bet. lol
366 Soriana★ 09-28-2015 05:37 PM ET (US)	50/50 odds (assuming I wasn't lied to) Better than betting at a casino :P
367 Launchpad★ 09-28-2015 05:38 PM ET (US)	That is true, but I'm the one flipping the coin. :)

373 ynnnny★ 09-28-2015 06:08 PM ET (US)	/m359 lol Are they killing the blarg role? Aaawwwwwwww wrrrrrryyyyyyyyy
374 Droplet★ 09-28-2015 06:08 PM ET (US)	Welp, if him claiming neutral for some reason wasn't going to kill him today, making a second role claim will for sure.
375 Soriana★ 09-28-2015 06:11 PM ET (US)	That's what's fun about it though.
376 Droplet★ 09-28-2015 06:13 PM ET (US)	He's certainly being a great Blarg.
377 El Topo 09-28-2015 06:28 PM ET (US)	/m374 He should just claim that he's actually town and it was all a ruse to get mafia off his back. The only way out. If there is one.
378 Droplet★ 09-28-2015 06:41 PM ET (US)	/m378 Blarg did manage to get out of a lynch in NX by claiming ordinary town (which he was), but I think that was only because Fireblend was a more compelling option instead. So there's probably no way out of this one! :((
379 Soriana★ 09-28-2015 06:47 PM ET (US)	There is a more compelling option but I agree that they should kill the neutral too.
380 El Topo 09-28-2015 07:11 PM ET (US)	/m378 You're probably right. It's a shame that everyone is so hellbent on lynching neutrals these days.
381 Launchpad 09-28-2015 07:14 PM ET (US)	There's a way to twist his role around so they'll let him survive, but I can't tell him what it is.
382 Soriana★ 09-28-2015	I'm so proud right now.

384 Launchpad★ 09-28-2015 11:07 PM ET (US)	bah, whatever. I'll find some other crazy role for the next game.
385 Soriant★ 09-28-2015 11:44 PM ET (US)	I'll lynch it day 1.
386 cabot★ 09-29-2015 04:26 AM ET (US)	/m380 well maybe all the neutrals should stop being anti-town rapscllions.
387 ynnnny★ 09-29-2015 05:40 AM ET (US)	lol retro is AMAZING as blargi XD the gift that keeps on giving XD
388 palmer_v1★ 09-29-2015 10:05 AM ET (US)	He should claim post restricted neutral survivor. He has to make X role claims a day, each substantially different than the previous, or be modkilled.
389 Soriant★ 09-29-2015 10:42 AM ET (US)	Time to put up the streamers and banners for Retro.
390 Soriant★ 09-29-2015 11:16 AM ET (US)	Wow, I didn't think the last one was the real one.
391 palmer_v1★ 09-29-2015 11:25 AM ET (US)	Yeah, now you can see why I was disappointed he got caught. Role had potential for a lot of funny stuff.
392 Soriant★ 09-29-2015 11:28 AM ET (US)	Yeah, I agree, good for me though, I don't need town getting more confused, now this is out of the way and they can get back on track :P
393 Soriant★ 09-29-2015 11:31 AM ET (US)	Is Ouro still set on blocking Rats? :(
394 Launchpad★ 09-29-2015 11:32 AM ET (US)	Yes, which is ironic because Rats is protecting Ouro lol If the scum somehow decide to target Rats, that's a double kill
395 ynnnny★ 09-29-2015	/m394 hope this happens lol

396 palmer_v1★ 09-29-2015 11:34 AM ET (US)	Why is that a double kill?
397 Launchpad★ 09-29-2015 11:34 AM ET (US)	Me too, but mafia seems to have it in their heads that Rats might be a bulletproof and are thinking of targeting the player that is actually bulletproof guuuuuuuuuuh
398 Soriana★ 09-29-2015 11:38 AM ET (US)	Best scum team ever. 10/10 would play with again.
399 Soriana★ 09-29-2015 11:48 AM ET (US)	Random thought, I hope Ouro is really on a roll and his role block ended up saving a scum player during night 1.
400 Launchpad★ 09-29-2015 12:00 PM ET (US)	/m399 : That's exactly what happened actually loooooo
401 Soriana★ 09-29-2015 12:03 PM ET (US)	Fucking knew it. I hope Ouro gets the worst roleblocker award. Besmirching my good name D:
402 palmer_v1★ 09-29-2015 12:07 PM ET (US)	So TB is scum? What exactly saved the Mafia kill N1? Why would targeting rats result in a double kill?
403 Soriana★ 09-29-2015 12:08 PM ET (US)	Going to go out on a limb and assume that killing the doctor also kills the person he is protecting that night. Edit: Actually no, that can't be right. Rats isn't visiting anyone tonight. Edited 09-29-2015 12:09 PM
404 Launchpad★ 09-29-2015 12:09 PM ET (US)	TB is scum, yas. Rats was targeted, but he saved himself. Ouro's role has a clause that if the person he blocks is targeted, he'll die as well.
405 palmer_v1★ 09-29-2015 12:09 PM ET (US)	/m403 I wasn't sure if it was something like that, or if he meant that the scum will kill target PLUS anyone visiting them that night, i.e. Ouro as well. Edit: Oh, that explains it. Edited 09-29-2015 12:11 PM
406 RetroMG 09-29-2015 12:11 PM ET (US)	Dead thread! A-woo-hoo! I just got in from grocery shopping. (All my posts today have been mobile) I'll dig into this once I've got food put away.
407 Soriana★ 09-29-2015 12:11 PM ET (US)	Wow so I had at least 2/3 of the scum team figured out then. Wonder if I was right about the third one too.
408 Launchpad★ 09-29-2015	/m407 who's your third guess? There are 4 btw

12:11 PM ET (US)	
409 RetroMG 09-29-2015 12:12 PM ET (US)	Oh damn, Terra was scum? Goddammit, Ouro. I could have gone all the way to 800 feet!
410 Soriant★ 09-29-2015 12:12 PM ET (US)	/m404 Oh wait, what? Why would they target Rats? lololol He was so suspicious day 1, why would they bother?
411 Soriant★ 09-29-2015 12:13 PM ET (US)	/m408 The 4th is the one who killed me right? I'm not counting them but I know who they are obviously. StarSketch has been my third guess.
412 Launchpad★ 09-29-2015 12:13 PM ET (US)	He is the doctor, so whatever they figured, they figured right lol
413 Launchpad★ 09-29-2015 12:14 PM ET (US)	/m411 hmm I wonder...

422 RetroMG★ 09-29-2015 01:15 PM ET (US)	<p>Caught up. Oh man, what a ride this game has been.</p> <p>When Ouro jumped me at the beginning of the day, I knew I was done for. I decided then that if I was going out, I was going out in full Blarg style. Multiple roleclaims, twists, turns, images and puzzles. It was fun, but exhausting. I see why Blarg does it, though. Seeing Launchpad say I made his game and Ynny calling it the gift that keeps on giving made my game, and reminded me why I love Gafia.</p> <p>Other thoughts:</p> <p>-Launch! You used my Russian taco shop owners and the puppet show! Awesome! Those were both ideas I jettisoned from my original role claim.</p> <p>-I think we need to consider the possibility that The Blargonaut Curse is a thing. I survived almost two full games as me, then went out on Day Two as Blarg. I actually told Palmer that I wasn't worried about being a neutral serial killer, because people never seem to seriously suspect me. My own hubris, I guess.</p> <p>-Scrafty, if I haven't said it enough, I adore your characters, darling.</p> <p>-Friday night drunk Yeeny is best Yeeny.</p> <p>-Sorian: No offense meant on the posting jokes. You just make it so, so easy.</p> <p>-Launch: Feel free to hit me up on Destiny. PSN is the same as my GAF name: RetroMG. (I'm also on Xbox as Retro MG, if anyone wants to add me on there.)I haven't played since I played with Palmer the other day, (been super busy) but I am always happy to help with missions or anything. I've been playing pretty consistently since launch, so I know a thing or two if you have questions.</p> <p>-In the future, you probably shouldn't give the really cool power to Blargonaut. I was playing low the first day because I wanted to survive to use my cool power, but the whole time I was thinking, "You are Blarg. Blarg does not play low. GET LOUD."</p> <p>Edited 09-29-2015 01:21 PM</p>
423 RetroMG★ 09-29-2015 01:19 PM ET (US)	Anyone else kind of love the idea of a GAFia game as a yearly tradition? It'd be kind of like the NBA all-star game.
424 Sorian★ 09-29-2015 01:23 PM ET (US)	<p>Don't worry, I'm not actually offended. In retrospect, Launch gave me the best role he could have possibly given me.</p> <p>/m423 Yes, this is good.</p>
425 Sorian★ 09-29-2015 01:25 PM ET (US)	By role given to me, I mean the Sorian role and it's flavor and power, not the actual role that I, as the player, received.
426 El Topo 09-29-2015 01:27 PM ET (US)	People hate neutrals. :(
427 palmer_v1★ 09-29-2015 01:29 PM ET (US)	They get outed too quickly to survive. Neutral shouldn't be THAT bad, as long as you've had a few days to build credit without anything unexplained happening.
428 RetroMG★ 09-29-2015 01:30 PM ET (US)	<p>/426 Which is funny. You would think that they would be indifferent.</p> <p>(This is a joke)</p> <p>EDIT: Something about that little frustrated sigh Ouro gives at the end of the GAFia thread today just makes me laugh. Yeah, sorry, Ouro. You thought you had something, and you did, but it wasn't what you thought you had.</p> <p>Edited 09-29-2015 01:31 PM</p>
429 El Topo 09-29-2015	The problem is that some people have spread this idea that lynching a neutral is always the way to go. Even a serial killer can be useful for town.

01:33 PM ET (US)	
430 Soriant* 09-29-2015 01:34 PM ET (US)	We were laughing at him the whole time in here (as you saw), outed himself as the roleblocker for 0 reason. Oh well. Being roleblocker comes with great responsibility. Gotta be a pro like YNNNY.
431 Soriant* 09-29-2015 01:36 PM ET (US)	/m429 Lynching a neutral survivor is the way to go, which is what Retro claimed to be first. If he had started with his actual claim, I don't think they would have lynched him (well Ouro probably would have still pushed because he thought Retro was scum all the way up to the flip).
432 El Topo 09-29-2015 01:37 PM ET (US)	/m430 Eh. I don't think it's necessarily a bad move.
433 Soriant* 09-29-2015 01:39 PM ET (US)	/m432 0 reason to claim that quickly IMO. There had to have been a subtle way to hint what he did night 1 on the off chance he was killed.
434 Lone_Prodigy* 09-29-2015 01:48 PM ET (US)	Neutrals get lynched when there are no better option. It's easy, and usually when a neutral claims they already have votes on him/her. People very rarely pile off a bandwagon. They do dominate discussion as well. Edited 09-29-2015 01:48 PM
435 El Topo 09-29-2015 01:51 PM ET (US)	/m432 I didn't say it was smart. Giving your enemy information is never smart. Would there have been another way to get Retro lynched? Sure. Should he have immediately jumped to the conclusion that his target is scum? Absolutely not. I don't think he has necessarily screwed the pooch though, even moreso depending on the roles in the game.
436 El Topo 09-29-2015 01:53 PM ET (US)	He's drawn public attention to himself and has a very useful role. Depending on how town and mafia play things out, this could certainly be useful, even if lucky.
437 Soriant* 09-29-2015 01:53 PM ET (US)	/m435 I'm also speaking from a place where I know that both his block night 1 and his block night 2 have done more damage than good. So I think he has screwed the pooch a bit :P
438 palmer_v1* 09-29-2015 01:54 PM ET (US)	Not all Neutrals should be lynched immediately. It's going to vary wildly based on how they've been playing up to the point where they got outed or role claimed, as well as the overall game state.
439 Soriant* 09-29-2015 02:01 PM ET (US)	Hard to say what I would have done while alive but if Retro had come out with his real role the first time, I think I would have pushed past him for other people. The original role he gave though? I think I would have pushed for his lynch.
440 El Topo 09-29-2015 02:03 PM ET (US)	/m438 You guys lynched a perfectly fine, polite, nice, useful, helpful, useful neutral in the Archer game that totally would've helped you. To prove it that guy, I don't quite recall the name of this dashing fellow, even killed a clone of Hitler! You don't get any more honourable than that. He may or may not have killed other town members if he had lived on, but we'll never know.
441 Soriant* 09-29-2015 02:03 PM ET (US)	/m440 You were actually going to kill Haly next, weren't you?
442 El Topo 09-29-2015	/m441 He called my flavor-writing shitty. :(

02:05 PM ET (US)	
443 Soriana* 09-29-2015 02:07 PM ET (US)	/m442 The Kate Archer claim was better than your real role. Even Ouro was impressed.
444 Hyperactivity* 09-29-2015 02:38 PM ET (US)	Ouro gets shittiest player award from me I was cheering retro on beyond all others, you suck ouro
445 palmer_v1* 09-29-2015 02:41 PM ET (US)	In future GAFia games, the Ouro role will be the equivalent of No Fun Allowed. Once a game, he can use his action to shut down all other actions.
446 Soriana* 09-29-2015 02:50 PM ET (US)	I thought Darryl, Roy, and Fire were no fun allowed though. I'm so confused.
447 RetroMG* 09-29-2015 02:56 PM ET (US)	Aww, Hyper! You rock, man.
448 palmer_v1* 09-29-2015 03:00 PM ET (US)	I have a better Ouro role idea! Your are Oruboloose. You are a Neutral Survivor. You are immune to all night actions because nobody can spell your name correctly when targeting you. Anyone attempting to target you will receive a warning message stating there was a syntax error.
449 Soriana* 09-29-2015 03:04 PM ET (US)	Night targeting people need to guess how the mod attempted to spell Ouro's name. Night action only goes through if you spelled it the same way the mod has it on their cheat sheet.
450 RetroMG* 09-29-2015 03:10 PM ET (US)	If you shorten it to Ouro, you have to speak in Haiku for the rest of the day. (The Haikus will never die!) Edited 09-29-2015 03:10 PM
451 RetroMG* 09-29-2015 03:12 PM ET (US)	Speaking of Haiku, I had totally forgotten about Terra being the one who made up the Haiku role. Other people were like, "Oh, you turned it on him to make HIM feel his own punishment!" And I'm like, "Sure, yes, that's exactly what I did."
452 Soriana* 09-29-2015 03:13 PM ET (US)	We need to drop the pretenses and just force someone to type in code for a full day phase. Get a full cryptogram rule set in here.
453 Soriana* 09-29-2015 03:14 PM ET (US)	/m451 That's how Blarg feels all the time. Do something so crazy that people start making sense of it and then you just roll with it.
454 ScraftyDevil* 09-29-2015 03:15 PM ET (US)	I know that squidjy is only playing a non-powered version of me, but you'd think he'd commit more to the role. Hmph. Retro's put everyone to shame so far in terms of character acting though.
455 Soriana* 09-29-2015	Dear god. Ouro is blocking Rats.

03:15 PM ET (US)	The scum might try to attack a BP player tonight. You had a good run Rats.
456 RetroMG★ 09-29-2015 03:17 PM ET (US)	/m452 This might be saying too much, but there will be Haikus in Night Vale. Mark my words. I LOVE that power. Edited 09-29-2015 03:17 PM
457 palmer_vl★ 09-29-2015 03:24 PM ET (US)	I was curious so I asked Ouro who he was targeting and why. He said Rats because he had a weird response to Retro's haiku thing. He also put Rats in his Town list hoping that would make them feel safe having Rats do the NK. Fairly clever if the initial premise had been correct.
458 RetroMG★ 09-29-2015 03:26 PM ET (US)	I keep seeing Hiimdaisy pictures (Like Ouro's avatar) but not ones I recognize. Where are these from?
459 Droplet★ 09-29-2015 03:27 PM ET (US)	/m455 Hahahaha, yesssss. This is the GAFia I crave. But Launch, you said Rats can self target? So if he can convince town that he's the doctor, he might actually be okay?
460 RetroMG★ 09-29-2015 03:27 PM ET (US)	/m457 Rats had a weird response? The only thing I can think of was the Rats was willing to let me use it on him to prove myself, because he's had to do the Haiku thing before.
461 Droplet★ 09-29-2015 03:33 PM ET (US)	/m460 Retro you seem really hung up on this haiku thing. And using me and Rats together in that puzzle, it's like you never left the island. :P Edited 09-29-2015 03:33 PM
462 RetroMG★ 09-29-2015 03:33 PM ET (US)	Hey Launch/Hyper, were the Mafia given the same list of possible roleclaims that I was? I didn't use them because I couldn't think of good roles for any of them. Edited 09-29-2015 03:34 PM
463 RetroMG★ 09-29-2015 03:35 PM ET (US)	/m460 It really was the highlight of that game, for me. It also seemed like such a perfect power for Blarg, and then the only way I could think to hint at it in a puzzle was to hint at you speaking for Rats. And when I was deciding what to claim, I was going through my Night Vale stuff and that's when it came to me. BTW, I reached out to Real!Blarg for Puzzles. (With Launchpad's permission.) He gave me advice, but the puzzles ended up being all me. Edited 09-29-2015 03:39 PM
464 ScraftyDevil★ 09-29-2015 03:41 PM ET (US)	/m458 It's from her Persona 4 comic: https://www.youtube.com/watch?v=w7lj9qI8VFc Also you've gotta add more affectations aside from haiku to Night Vale. Throw in stutters, accents, everything to add insanity to the proceedings.
465 Hyperactivity★ 09-29-2015 03:43 PM ET (US)	Oh dear Ouro really is useless, first preventing a scum death then helping toe doctor die Sorry ouro when you eventually read this

GUT READS FTW ^ _____ ^ /m440 i love how topopi always spinning how archertown's call to lynch him was wrong. 508 El Topo★ 09-30-2015 09:57 AM ET (US)	But he played a clone of Hitler! And that was when he was one of the "good" guys!
509 ynnnny★ 09-30-2015 09:59 AM ET (US)	i wants ourororororo not to be night killed so he has to face angeranger townies XD i waaaaanntsss seee if he can weasel out of a lynch~
510 El Topo★ 09-30-2015 10:09 AM ET (US)	/m509 Nothing to weasel out of. There is no way mafia would role-claim on the second day to lynch a neutral, in particular given that they already lost a member.
511 ynnnny★ 09-30-2015 10:12 AM ET (US)	But he claimed that he blocked a scum that's why no n1 kill and he failed to deliver scum... RIP retro!blarg ;____; I wants justice for retroblarg!!!! #team800feet all the way
512 palmer_v1★ 09-30-2015 10:16 AM ET (US)	So Ouro is definitely dead? Nothing can save him?
513 Launchpad★ 09-30-2015 10:23 AM ET (US)	He's ded.
514 Sorian★	When the funeral? Are we all chipping in for an arrangement of some sort?

09-30-2015 10:30 AM ET (US)	
515 Launchpad★ 09-30-2015 10:30 AM ET (US)	Does he really deserve one tho?
516 Soriant★ 09-30-2015 10:37 AM ET (US)	He was still me. That's worth something.
517 El Topo★ 09-30-2015 10:52 AM ET (US)	/m515 Well, no funeral means we can't dance on his grave, no?
518 Launchpad★ 09-30-2015 11:08 AM ET (US)	/m517 Fair point. But I don't feel like pitching in. You guys sort it out.
519 Launchpad★ 09-30-2015 11:09 AM ET (US)	Also, El Topo, you should hang out in ComicsGAF more often. We're mostly cool people. Except Freeza. Freeza is mean. You can tell her I said that.
520 RetroMG★ 09-30-2015 11:42 AM ET (US)	All right, I'm going to sit down and do some homework-Wait, Gafia Day three is starting? Welp, so much for productivity.
521 Launchpad★ 09-30-2015 11:43 AM ET (US)	/m520 I'm in the same boat lol two assignments due in the next two days, barely started one of them, but what the hell, mafiaaaa
522 RetroMG★ 09-30-2015 11:44 AM ET (US)	I was glad the night phase was on Saturday, because that's when most of my stuff is due, and I spent the entire day doing homework. :P
523 Soriant★ 09-30-2015 11:45 AM ET (US)	/m521 Bearly started one of them? Edited 09-30-2015 11:46 AM

525 Soriant★ 09-30-2015 11:48 AM ET (US)	I'm looking forward to read my flavor. That's all I'm here for. And to see Ouro's reaction to his leet roleblocking skillz.

529 RetroMG★ 09-30-2015 12:01 PM ET (US)	/m528 Ehh, I quit the full-time job thing to go back to school. While the assignments are stressful, I (more or less) make my own schedule and can easily blow off the morning to read Mafia or play Destiny. So don't cry for me, Argentina. :) Edited 09-30-2015 12:02 PM
530 Launchpad★ 09-30-2015 12:03 PM ET (US)	Can someone send Ouro the dead thread? I'm working on a post for another thread Thanks
531 RetroMG★ 09-30-2015 12:03 PM ET (US)	Got it.
532 Soriant★ 09-30-2015 12:04 PM ET (US)	Ouro, let's talk about your horrible roleblocking skills.
533 Ourobolus★ 09-30-2015 12:05 PM ET (US)	fuckers
534 Soriant★ 09-30-2015 12:05 PM ET (US)	Hey Ouro

536 RetroMG★ 09-30-2015 12:05 PM ET (US)	Hi, Ouro!
537 Soriant★ 09-30-2015 12:05 PM ET (US)	You blocked the doctor that was trying to protect you last night.
538 Soriant★ 09-30-2015 12:05 PM ET (US)	lel
539 Soriant★ 09-30-2015 12:06 PM ET (US)	Remember that time you blocked Retro?
540 Soriant★	He was going to kill scum.

09-30-2015 12:06 PM ET (US)	
541 RetroMG★ 09-30-2015 12:07 PM ET (US)	Here is where Ouro goes berserk.
542 Soriant★ 09-30-2015 12:08 PM ET (US)	I hit the posting cap for QT lol oops. I was going to continue that thread with another "lel" Then a "Sorry, I'm done now"
543 Ourobolus★ 09-30-2015 12:10 PM ET (US)	I blocked the doctor? LOL
544 RetroMG★ 09-30-2015 12:10 PM ET (US)	We have a posting cap? LOL trust Soriant to find it.
545 Ourobolus★ 09-30-2015 12:10 PM ET (US)	So Terra and who?
546 Ourobolus★ 09-30-2015 12:12 PM ET (US)	Oh good, the cop investigated flush.
547 Soriant★ 09-30-2015 12:12 PM ET (US)	/m545 There are 4 scum, one is cut off from the main scum chat the other 3 don't know about him. That cut off member is the one who killed me. Secrets secrets
548 cabot★ 09-30-2015 12:13 PM ET (US)	/m529 ok tears rescinded!
549 Ourobolus★ 09-30-2015 12:13 PM ET (US)	I have no regrets blocking Retro. None. :P It wasn't scum, but I'll take it. Ah well, they can't all be winners.
550 cabot★ 09-30-2015 12:14 PM ET (US)	Hey Ourubolous, The doctor hated you for what you did to him. Welcome to Hell.
551 Ourobolus★ 09-30-2015 12:14 PM ET (US)	Although Terra dying would have been nice. lol
552 Soriant★ 09-30-2015 12:14 PM ET (US)	/m549 But but then Terra would have died during the day and it would have been funny.
553 Ourobolus★ 09-30-2015	True, but then we'd have a Retro on our hands who just wants to kill Town!

12:15 PM ET (US)	
554 Soriant* 09-30-2015 12:16 PM ET (US)	/m553 Pretty harmless IMO. He was going to hit town accidently anyway, the fact that he would have taken out a scum is a pretty big boon and letting him meet his win condition after that is a fair trade.
555 Ourobolus* 09-30-2015 12:17 PM ET (US)	Oh well, I fucked up. Live and learn. At least I helped with Scrafty.
556 cabot* 09-30-2015 12:18 PM ET (US)	I honestly don't know why Soriant is taking the neutral's side. Who would have thought
557 RetroMG* 09-30-2015 12:19 PM ET (US)	/m554 You know, I kept meaning to make that point during my final roleclaim, and I realize now that I never did. I was so done at that point that I was actively rooting for them to turbo me once I got that last set of puzzles out.
558 RetroMG* 09-30-2015 12:20 PM ET (US)	Who is the investigator?
559 Soriant* 09-30-2015 12:21 PM ET (US)	I just like making fun of your role blocks, they were all so good lol :P I do still find it interesting that the day kill juggled between killing me or killing you because we were both on the right track for scum and they weren't sure which one of us was more dangerous. This would be a weirdly different game if they had chosen you instead of me.
560 RetroMG* 09-30-2015 12:22 PM ET (US)	BTW, I hold no ill will against you, Ouro. I probably would have played the day out exactly how you did, given the information you had. I slightly regret that I didn't get to use that power, only because seeing you all react to a sudden death when you thought you were safe would have been REALLY funny. But I have no doubt we'll see it again in another game.
561 Soriant* 09-30-2015 12:23 PM ET (US)	/m556 A neutral that has a goal other than survivor can usually be pretty helpful especially if their main objective involves killing scum at all. Like I said, Retro should have said the truth from the start, it was better than his first role claim :P
562 palmer_v1* 09-30-2015 12:23 PM ET (US)	/m555 No forgiveness! I was cheering for Retro.
563 Ourobolus* 09-30-2015 12:23 PM ET (US)	/m560 It's all good. It was just such a weird coincidence I felt I had to run with it. Who has my role, and what is it?
564 Soriant* 09-30-2015 12:24 PM ET (US)	/m563 We don't know yet. Edit: I think you might be scum though. Edited 09-30-2015 12:24 PM
565 Ourobolus* 09-30-2015 12:24 PM ET (US)	K
566 Soriant* 09-30-2015	I see no way that they don't vote out a scum today though so that's good.

12:26 PM ET (US)	
567 RetroMG★ 09-30-2015 12:28 PM ET (US)	<p>/m561 Yeah, in retrospect, I should have led with the truth and tried harder to bargain with town, but I was BLARGONAUT. I was playing low the first day, trying (poorly) not to draw attention to myself, and the whole time a little voice in the back of my head was screaming, "YOU. ARE. BLARGONAUT! BLARGONAUT DOES NOT HIDE!"</p> <p>So when I got jumped on, what else could I do but be as crazy as possible?</p> <p>Launch says he knows how I could have survived the day, and I'm curious what he thinks I should have done. I came up with a few ideas of what I should have done, but I was buried so deep in the crazy at that point (and had Real!Blarg giving me advice via PM,) that I couldn't maneuver out of it.</p> <p>Edited 09-30-2015 01:31 PM</p>
568 RetroMG★ 09-30-2015 12:29 PM ET (US)	<p>/m563 If you PM Launch, he'd probably tell you. I did. RetroMG is ordinary town, BTW, which is just fine by me. I don't know who has me, though.</p>
569 palmer_v1★ 09-30-2015 12:29 PM ET (US)	<p>Rats:</p> <p>Can't say I'm surprised by this. Farewell, Ouro. You saved us from extra night kills. Be in peace.</p> <p>Does he know he got blocked? Otherwise he must think there's someone who can get past his protection.</p>
570 RetroMG★ 09-30-2015 12:30 PM ET (US)	<p>He should. I got a message when Ouro blocked me. He may think it was a Mafia block, though.</p>
571 Ourobolus★ 09-30-2015 12:30 PM ET (US)	<p>/m569 probably not. So he probably thinks there's a strongman. Unless they decide to read my breadcrumb saying I'm blocking Rats in #1212.</p>
572 Ourobolus★ 09-30-2015 12:31 PM ET (US)	<p>/m570 Weird. Ok then.</p>
573 RetroMG★ 09-30-2015 12:33 PM ET (US)	<p>/m572 Yeah, when I got blocked, no one died, and you immediately voted for me, the pieces we not hard to put together. ;)</p>
574 ScraftyDevil★ 09-30-2015 12:33 PM ET (US)	<p>Hey there, Ouro! Thanks for misinterpreting my reads list; I guess it wasn't such a mistake to post it after all :P</p> <p>But in all seriousness I'm sorry you had to go so early. You're very fun to watch.</p>
575 RetroMG★ 09-30-2015 12:35 PM ET (US)	<p>Terra - "On a different note, I was looking over the voting record in consideration of who we should look at and I realized I never posted a vote yesterday. That's a really anti-town thing to do so I apologize, and going to take steps to not repeat that today."</p> <p>Well, we wouldn't want to be anti-town, would we, Terra?</p> <p>Roytheone - "that could have lead us to lynching another "innocent" (yeah, Retro wasn't really innocent, but he was NOT the scum killer)."</p> <p>Roy's my boy.</p>
576 Ourobolus★ 09-30-2015 12:41 PM ET (US)	<p>/m574 I did? I don't really remember even going over it much, but I could be wrong.</p>
577 ScraftyDevil★ 09-30-2015	<p>/m576 You and a few others seemed to assume that Retro and Flush were my mafia partners based on my reads on them but in fact neither of my partners have been the subject of much scrutiny yet. I think most people just thought that I'd accidentally outed the other mafia on my reads list since I'm evidently not great at playing anti-town.</p>

12:45 PM ET (US)	
578 Ourobolus★ 09-30-2015 12:48 PM ET (US)	Oh. I definitely thought that of Retro, but that was a bit clouded given my roleblock and Retro's reluctant vote on you Day 1. Flush was weird, but I don't think I cared too much about your read list - you could make arguments really either way "Oh! She defended him - he's mafia!" or "Oh! She's trying to bus her mafia members so we think they aren't mafia!" etc etc.
579 Soriana★ 09-30-2015 12:51 PM ET (US)	Fine by me if they kill Flush because of you Scrafty.
580 ScraftyDevil★ 09-30-2015 12:53 PM ET (US)	I don't even care if they kill Flush at this point. He's basically just a meat shield for the powered mafia members now that he's played his part :P
581 Soriana★ 09-30-2015 12:59 PM ET (US)	8 town vs. 2 scum tomorrow is going to be rough though (maybe 7 town vs. 2 scum)
582 ScraftyDevil★ 09-30-2015 01:03 PM ET (US)	It's a bummer that the mafia didn't target Rats last night like they were originally planning to. Everyone waking up to a double-kill with two of the strongest players being the casualties would've been absolutely delicious to behold.
583 Ourobolus★ 09-30-2015 01:13 PM ET (US)	Well, hopefully at least my death will help them figure out something.
584 El Topo 09-30-2015 01:16 PM ET (US)	/m567 When keeping it real goes wrong.
585 ScraftyDevil★ 09-30-2015 01:19 PM ET (US)	/m583 Honestly, I'm not sure that it will just because you're such a strong and assertive player. Most mafioso would want you out of the way as soon as possible, regardless of who you suspected.
586 Ourobolus★ 09-30-2015 01:21 PM ET (US)	/m585 Burbs and I should start a club.
587 Soriana★ 09-30-2015 01:25 PM ET (US)	/m586 Can I come?
588 Launchpad★ 09-30-2015 01:27 PM ET (US)	They were so close to clearing Royal. lol. SO CLOSE.
589 Soriana★ 09-30-2015 01:30 PM ET (US)	/m588 Would have been so good.
590 Launchpad★ 09-30-2015	I know. They are complete oblivious to Royal's existence, tho. It's kind of impressive in a bad way.

01:31 PM ET (US)	
591 RetroMG★ 09-30-2015 01:34 PM ET (US)	So it's Royal, Terra and an unknown as mafia? Also, who is the investigator? Someone earlier seemed to know. Edited 09-30-2015 01:38 PM
592 Launchpad★ 09-30-2015 01:52 PM ET (US)	GC
593 Soriant★ 09-30-2015 01:53 PM ET (US)	/m592 Heh, love GC in these games.
594 Launchpad★ 09-30-2015 01:58 PM ET (US)	GC talks with the most bizarre level of vagueness. He does know everyone knows what he's talking about, right? lol "A predictable death. It's okay though, his request was completed." - you're the cop "Rats already voted for him." - why not type out the name lol
595 ScraftyDevil★ 09-30-2015 01:59 PM ET (US)	He enjoys theatricality as much as I do; he's just much more committed to his role.
596 Launchpad★ 09-30-2015 01:59 PM ET (US)	"I trust you, but I think you should have waited with this to see where the discussion about Royal_flush would go naturally, and who would try to protect him." Thanks Officer Blart.
597 Soriant★ 09-30-2015 02:03 PM ET (US)	/m594 I think his cop role claim was handled very well actually lol /m596 Knowing that no one will protect him makes me kind of glad that GC didn't bother lol
598 Launchpad★ 09-30-2015 02:14 PM ET (US)	/m597 Part of my intent with Royal is to see how the relationship between mafia changes when there's a disconnect in knowledge, so this is going according to keikaku
599 Soriant★ 09-30-2015 02:22 PM ET (US)	/m598 Hope that one of the scum tries to "protect" Flush in hopes that protecting someone who flips town will earn them brownie points when, in actuality, they'll have been trying to guard a scum player. Hilarity ensues.
600 Launchpad★ 09-30-2015 02:23 PM ET (US)	/m599 They are planning on keeping quiet about it.
601 Soriant★ 09-30-2015 02:38 PM ET (US)	/m600 Terra is accepting the vote publicly it seems.
602 Launchpad★ 09-30-2015 03:20 PM ET (US)	Just got a PM from Rats: "I've been assuming this was a scum block, but it would be hilarious if Ouro targeted me for some reason. One smiley for yes, one smiley for no."
603 Ourobolus★ 09-30-2015	:(LOL

03:21 PM ET (US)	Yes, I suck, I know.
604 Ourobolus★ 09-30-2015 03:21 PM ET (US)	I'm actually happy to be taking a break for awhile. I certainly need it.
605 Launchpad★ 09-30-2015 03:22 PM ET (US)	Me: ":) :) :)" Rats: "You son of a bitch." lmao
606 Ourobolus★ 09-30-2015 03:25 PM ET (US)	LOL Sorry Rats. I had doubts about it once Retro flipped Neutral, but I had already set up the gambit and went through with it.
607 Ourobolus★ 09-30-2015 03:26 PM ET (US)	On the other hand, I didn't necessarily want the doc to protect me, since I was pretty much the guaranteed target and I'd have no idea if my block would work then.
608 palmer_v1★ 09-30-2015 03:30 PM ET (US)	/m604 I require your attention in regards to my Twilight fanfic project.
609 Launchpad★ 09-30-2015 03:32 PM ET (US)	/m608 Why didn't you ask me for help? I'm a huge fan of Twilight
610 El Topo 09-30-2015 03:36 PM ET (US)	Flush is scum? So he's really roy?
611 Launchpad★ 09-30-2015 03:37 PM ET (US)	I mostly forget what flavor I give people, but no, he's not Roy
612 Droplet★ 09-30-2015 03:38 PM ET (US)	Royal's just talking to himself at this point, hoping the GC is El Topo thing somehow catches on.
613 Droplet★ 09-30-2015 03:40 PM ET (US)	If he's the mafia lost partner, I'm guessing he's swamped?
614 palmer_v1★ 09-30-2015 03:40 PM ET (US)	/m609 I'm trying to limit exposure until I know for certain if I'm hosting a game. I think too many people are getting ahead of themselves on that front. Just Ouro so far. I can still give you access if you're certain you're okay never being able to play in it when it does run.
615 Launchpad★ 09-30-2015 03:40 PM ET (US)	Nope
616 palmer_v1★ 09-30-2015	Who is the nope directed towards? Droplet?

03:44 PM ET (US)	
617 Droplet★ 09-30-2015 03:44 PM ET (US)	Damn. I can't think of anyone else who would fit that role. :(
618 Droplet★ 09-30-2015 03:46 PM ET (US)	Oh, I guess AC had Darryl too.
619 Soriant★ 09-30-2015 03:51 PM ET (US)	Excellent, flush doing this stupid gambit got the doctor to notice who the cop is. Scum is boned.
620 Droplet★ 09-30-2015 04:15 PM ET (US)	...odd night...doctor?
621 Soriant★ 09-30-2015 04:17 PM ET (US)	/m620 It's not unheard of, Gafia hasn't seen it before though but it's not super far fetched.
622 Soriant★ 09-30-2015 04:27 PM ET (US)	Rats is too good. Much respect.
623 Soriant★ 09-30-2015 04:34 PM ET (US)	I wonder what Terra expects from Flush's flip.
624 Soriant★ 09-30-2015 04:40 PM ET (US)	Royal_Flush: "Not unless I'm a Miller and don't know about it. " Get the fuck outta here with that. Launch isn't that much of a bastard mod lolol
625 Droplet★ 09-30-2015 04:45 PM ET (US)	Poor Royal probably didn't realize how fast he was going to get nailed before he could make up a reasonable claim.
626 Lone_Prodigy★ 09-30-2015 04:48 PM ET (US)	/m602 "one smiley for yes, one smiley for no" ???
627 Lone_Prodigy★ 09-30-2015 04:49 PM ET (US)	At least Flush didn't make an egregious typo like Fireblend did in NX.
628 Hyperactivity 09-30-2015 04:53 PM ET (US)	You know, now that I think about it, I'm not sure if u want myself or scum to win
629 El Topo 09-30-2015	I don't know. Flush could still turn it around if he keeps pushing against GC. While trying to throw another player under the bus is a certain scum tell, he doesn't have a choice because being all nice and reasonable isn't going to get him far.

04:55 PM ET (US)	
630 Soriant* 09-30-2015 04:57 PM ET (US)	All flush can do at this point is get them to lynch GC instead of him, if he pulls that off then he has played excellently and did all he could for his team. It isn't going to happen though.
631 Soriant* 09-30-2015 04:59 PM ET (US)	"Flush you can't be a doctor, it's D3 " Rats da real MVP.
632 El Topo 09-30-2015 04:59 PM ET (US)	I don't know. People can be stupid. If I've learned one thing, then it's that you have to push as hard as you can for another lynch. Don't try to persuade them with reason or game theory, go for the jugular and throw another player under the bus. Push as hard as you can. Push so hard other players fall for it. Go through posts and twist the meaning beyond anything remotely reasonable. Craft a narrative that makes another player look like evil incarnate. The alternatives don't work.
633 Hyperactivity 09-30-2015 04:59 PM ET (US)	This scum team has NO clue NO clue whatsoever
634 Hyperactivity 09-30-2015 05:01 PM ET (US)	/m631 I made a prediction early on that this game would break GAFIA tradition, and I was talking about a specific role that also happens to be my personal idea
635 Droplet* 09-30-2015 05:02 PM ET (US)	Mafia's at least realized who Royal is right?
636 Hyperactivity 09-30-2015 05:04 PM ET (US)	/m635 NOPE They have NO FUCKING clue They legitimately believe he's a miller right now

638 Droplet* 09-30-2015 05:09 PM ET (US)	/m636 Hilarious. Do they have any inclination that they have another partner out there or do they think their numbers were just kind of small?
639 Hyperactivity 09-30-2015 05:13 PM ET (US)	3 isn't thaaat small. Election mafia won with 3 and a voteless partner, although we had 2 poisons But no, they think they rolled a perfect 20 and the cop just claimed and that town is lynching a miller right now
640 Droplet* 09-30-2015 05:15 PM ET (US)	= = = For fuck's sake, why do they think he claimed odd-night doctor? He was literally calling out "hey guys, 'kill' me so we have an excuse for a no-kill night!" edit: self-targeting doctor, obviously. And kill, not lynch damniit Edited 09-30-2015 05:24 PM
641 Hyperactivity 09-30-2015 05:15 PM ET (US)	Worst part is that they could've cleared flush today AND NEARLY DID IT

<p>646 El Topo 09-30-2015 05:21 PM ET (US)</p>	<p>/m643 Why would they target the cop? He's claimed, he's going to be protected, if someone else dies he's going to draw suspicion. Do they have a role blocker? Just use that guy if possible. Was it in AC Mafia where a mafia player pretended to be the cop? Maybe some will remember.</p>
<p>647 RetroMG★ 09-30-2015 05:25 PM ET (US)</p>	<p>/m646 AC had a Mafia Cop. It was Franconp. He got outed and we all believed he was town, but he was in a double-kill position with Ultron, so a bunch of us assumed Ultron was scum, since Franconp kept living through the night.</p> <p>That all sounds really weird when I explain it. I promise it made sense at the time.</p> <p>Edited 09-30-2015 05:25 PM</p>
<p>648 Droplet★ 09-30-2015 05:26 PM ET (US)</p>	<p>/m646 Well...he was a cop, actually. Just an evil one. It's also possible that since Ouro died they don't think there is a doctor and they targeted a BP player instead?</p>
<p>649 RetroMG★ 09-30-2015 05:30 PM ET (US)</p>	<p>To clarify: Ultron and Franconp were the Roomies, two players forced to share one house. (AC had a map mechanic.) If either of them were 'evicted' (lynched) then both of them were. Franconp was forced to roleclaim as a cop on day two or three, I think, but he was never killed. Since he kept staying alive, a bunch of us, (myself included,) assumed that Ultron87 was scum, and they couldn't get rid of the cop without also killing one of their own.</p> <p>However, enough people raised doubts about Franconp's reads that we eventually decided the only way to know for sure was to lynch them both. I completely expected Ultron to flip scum and Fran to flip town. I'd based a lot of my reads and strategy on those assumptions. When Fran flipped scum, that was a HARD day to come back from.</p>
<p>650 Sorian★ 09-30-2015 05:34 PM ET (US)</p>	<p>/m646 The roleblocker died so they think there is no doctor.</p> <p>I died and had a very doctory type role so they might think I was the only doctor.</p> <p>Willing to bet cold hard money that they think they will run into no issues murdering GC tonight.</p>

I'm game though, I have no doubt that scum thinks nothing can prevent their kills at this point except for BP individual(s) and they won't be afraid of targeting GC because a BP cop would be ridiculous.</p>
<p>655 Droplet★ 09-30-2015</p>	<p>/m654 Only the people in the spectator thread. Are you also thinking Rats won't protect GC? I'll bet that there will at least be one thing blocking their way.</p>

06:07 PM ET (US)	
656 Soriana★ 09-30-2015 06:15 PM ET (US)	Rats will protect GC, scum will target GC. I foresee nothing getting in the way of those two things. My stance changes completely if Rats role claims some time today but I don't see that happening. That being said, did you misconstrue what I said the first time? It sounds like you agree that they are going to get blocked tonight.
657 Droplet★ 09-30-2015 06:17 PM ET (US)	Yeah, I thought you were saying that if they target GC then nothing will get in their way.
658 Soriana★ 09-30-2015 06:19 PM ET (US)	Nah, I said I bet they <i>think</i> they'll have no issues. They most certainly will. The two traps they will fall into between now and the next day phase starting are delicious.
659 Droplet★ 09-30-2015 06:19 PM ET (US)	Oh well, we can do it another time. :(
660 Droplet★ 09-30-2015 06:32 PM ET (US)	I guess there is the off-chance neither party will beeline to target GC just because it's GC, but I doubt it. Rats is too practical and I don't think the mafia have any better targets right now.
661 Soriana★ 09-30-2015 06:45 PM ET (US)	Rats will believe him once flush flips scum and the scum team has no real reason to doubt a cop claim and even if they did, same thing, they will flip out when they see that he nailed a scum partner.
662 Droplet★ 09-30-2015 06:55 PM ET (US)	They wouldn't doubt it, just leave him if they know he's not going after anyone else. It's GC, he'll do whatever he's told to do.
663 Soriana★ 09-30-2015 07:19 PM ET (US)	Nah, he kind of has to respect you. I think he'd only listen to Rats at this point. And if Rats doesn't say anything, I'm sure he'll at least investigate someone.
664 Hyperactivity★ 09-30-2015 11:30 PM ET (US)	scrafty, wth is this plan your teammates are talking about?
665 ScraftyDevil★ 09-30-2015 11:53 PM ET (US)	They don't know Flush is on our side so they're planning an elaborate Lovers/SK + Enabler gambit that I think will go very, very wrong but they seem to think is worth the risk. They still have one more role tailor left and how they use it can either doom them or sway the town in their favour (they were planning on using it to frame Flush last night, haha). I'm fairly certain that they're set on killing Rats tonight, so that'll at least solve the conundrum of the unstoppable Doc/Cop combo.
666 Soriana★ 09-30-2015 11:58 PM ET (US)	I thought they were under the impression Rats was BP?
667 ScraftyDevil★ 10-01-2015 12:04 AM ET (US)	AFAIK they think that Rats got protected by the doc on night 1 which is why the NK didn't go through, but they're probably gonna try for him or Sawneeks (the REAL BP) tonight.

669 Droplet★ 10-01-2015 12:30 AM ET (US)	Wait...they're not killing GC?
670 ScraftyDevil★ 10-01-2015 12:32 AM ET (US)	They haven't mentioned the possibility yet. I'd like to think that they're smart enough to consider that the doctor will be on GC like a leech until they bite it, though.
671 Droplet★ 10-01-2015 01:13 AM ET (US) I want to say maybe they'll consider it when they see Royal's flip, but uh...wow...not even considering it, huh.
672 ScraftyDevil★ 10-01-2015 01:22 AM ET (US)	Right now they think that switcher shenanigans are afoot, lol They have brought up the possibility of him being a lost helper/minion, but they didn't really dwell on it for long and it looks as though that idea got tossed onto the "maybe" pile.
673 Droplet★ 10-01-2015 02:18 AM ET (US)	Hahaha I guess even if there had been a bet it wouldn't mean anything if they don't even want to target him!
674 Bombay /Darryl 10-01-2015 10:01 AM ET (US)	Who is scum
675 Soriant★ 10-01-2015 10:28 AM ET (US)	Terra and ??? Royal_Flush is also a scum that is cut off from the chat that knows who his partners are but they don't know him.
676 Bombay /Darryl 10-01-2015 10:43 AM ET (US)	If royal flush is me and he fucks this I'm going to fuck him
677 Soriant★ 10-01-2015 10:45 AM ET (US)	Though I am always up for a good fucking, I don't think he is you. I do think you are one of the scum but R_F described himself as a minion to me and I don't see you as being a minion.
678 Launchpad★ 10-01-2015 10:47 AM ET (US)	His rolename is Fireblend lol ONUW. Never forget.
679 Soriant★ 10-01-2015 10:50 AM ET (US)	Kingkitty was a better minion. Gotta love those trains.
680 ScraftyDevil★ 10-01-2015 11:24 AM ET (US)	Terra is nin1000 the tailour and my other partner is Darryl the framer. Both have pretty cool abilities.
681	Darryl scum will make it down to the final 3 or 4, just like the real thing lol

Sorian★ 10-01-2015 11:29 AM ET (US)	
682 RetroMG★ 10-01-2015 11:30 AM ET (US)	Tailour? Aside from the very European spelling, I don't get it. Frammer, on the other hand, makes total sense. Edited 10-01-2015 11:31 AM
683 Sorian★ 10-01-2015 11:41 AM ET (US)	"If Flush is a doctor, Charleston can be eliminated. If Flush isn't, then we move down our list. " Wut?
684 ScraftyDevil★ 10-01-2015 11:41 AM ET (US)	I'm Canadian. We spell things the proper way, eh. Not gonna give away what the tailour's ability is because it'll be spectacular if you actually get to see it in action. It's a doozy, though.
685 Sorian★ 10-01-2015 11:44 AM ET (US)	/m684 Wrong way, eh? :P I'm assuming it's the one-shot that Launch keeps wanting to happen? I imagine it'll be tonight, Terra knows he's out the door at this point.
686 RetroMG★ 10-01-2015 11:47 AM ET (US)	Ah, okay. I assumed it was related to Nin himself, but I've played with Nin in just about every game, and I couldn't for the life of me think what it would be referring to.
687 ScraftyDevil★ 10-01-2015 11:55 AM ET (US)	/m685 Right way, ya whiny Yank. Eh. :P And yeah his ability is one that Launchpad's been really hyped about. He tried to pop it on Night 1 but got denied for whatever reason, and if he doesn't use it tonight I doubt we'll ever see it.
688 Sorian★ 10-01-2015 11:58 AM ET (US)	/m687 Wait? He got denied from using his ability night 1? Hmm
689 Hyperactivity 10-01-2015 12:03 PM ET (US)	/m687 XD
690 Sorian★ 10-01-2015 12:06 PM ET (US)	What is going on? "Do we have any other strong candidates regardless of how the flip here turns out? If so... I might be able to help GC, assuming his cop claim seems to check out. " "Don't worry about GC "
691 Sorian★ 10-01-2015 12:07 PM ET (US)	Also, they are going to be all kinds of screwed up when they see that scum team had no idea what Flush was lol
692 ScraftyDevil 10-01-2015 12:10 PM ET (US)	I'm really looking forward to seeing what happens when Flush flips minion. It'll make any and all interactions with him 100% invalid, meaning they'll glean nothing from his death.
693 Hyperactivity 10-01-2015 12:10 PM ET (US)	Scum finally figuring out that royal flush is their secret partner

694 Soriant* 10-01-2015 12:14 PM ET (US)	/m692 I'm fine with that, if GC doesn't die tonight, he's going to investigate Squidy, when squidy turns up town, Terra is next up to bat.
695 Bombay /Darryl 10-01-2015 12:19 PM ET (US)	690 I think splinter is mafia and implying he is a doctor ?
696 Soriant* 10-01-2015 12:24 PM ET (US)	/m695 I could be wrong but based on all of the vagueness I've gotten from Scrafty, I don't think Splinter is the last mafia. I'm now thinking it's either Swamped or, to a much lesser degree, Coppa.
697 ScraftyDevil* 10-01-2015 12:24 PM ET (US)	Splinter's not mafia. I'll tell you that much.
698 Soriant* 10-01-2015 12:25 PM ET (US)	/m695 I also don't know what either Coppa or Splinter is implying there because Rats is the doctor.
699 Bombay /Darryl 10-01-2015 12:29 PM ET (US)	I've been pretty convinced it was swamped myself
700 palmer_v1* 10-01-2015 01:06 PM ET (US)	Is this going to be our first game with a Scum doctor? To break the curse, we need to have the game come down to doctor vs doctor, under a blood moon.
701 RetroMG 10-01-2015 02:16 PM ET (US)	I was in Thunderdome with Flush? Rats was opposed to my lynch? I feel like there's some retconning going on.
702 RetroMG 10-01-2015 02:18 PM ET (US)	I guess, to be fair to Rats, he WAS willing to let me use the power from my first roleclaim on him to prove that I was legit.
703 Soriant* 10-01-2015 02:20 PM ET (US)	/m701 He was opposed until you claimed neutral because he figured he was the reason that a kill was blocked, not Ouro. He was then opposed for a little while longer but then changed his mind, somewhat randomly, but the reason he gave was something along the lines of them already being ahead and it was fine to waste a day lynching you to make sure. Edited 10-01-2015 02:20 PM
704 Hyperactivity * 10-01-2015 02:25 PM ET (US)	/m703 probably didn't want to draw attention to the idea that he had another reason for the no kill

706 Soriant* 10-01-2015	/m704 I agree, just giving the details from the perspective of someone in the trenches.

02:40 PM ET (US)	
707 Soriant* 10-01-2015 06:45 PM ET (US)	I enjoy this disconnect from the people who haven't played with GC before.
708 Droplet* 10-01-2015 07:13 PM ET (US)	Guess nobody was following Cthulhu but the players. What, were we boring? :(
709 Soriant* 10-01-2015 07:26 PM ET (US)	I thought GC was great but I could see how someone just observing the game could just skim past anything he said.
710 RetroMG 10-01-2015 07:42 PM ET (US)	Swamped has gotten no love since the whole Danganronpa thing. Don't worry, Swamped, I still love you! /m708 - I tend to only follow the game I'm in. I'm peripherally aware of stuff from the other games (Like Swamped in DR) but I don't have time to follow more than one game closely at a time. I would imagine most Gaffers are similar.
711 Droplet* 10-01-2015 08:33 PM ET (US)	So now that everyone's practically screaming about it, mafia's going to target GC tonight right?
712 Soriant* 10-01-2015 09:22 PM ET (US)	/m711 They might not in all honesty. Everyone is making it sound like that plan is "if GC lives through the night, he must be scum!" So scum might just want let him be so they might not be suspicious tomorrow.
713 yynnny* 10-02-2015 01:25 AM ET (US)	/m710 nooooo how could you saayyy thaattt ! everyone loves swamps! thats how she could evade lynch for so long ! shes just very darling !!! i.... i follow all the games.... *hangs head*

721 Soriant★ 10-02-2015 08:54 AM ET (US)	Man, I really don't want them to waste all day tomorrow discussing GC if Rats successfully defends him or if scum decides to frame him and not kill him (which I'm thinking is more likely). Is their plan to frame squidy and hope that GC takes the obvious course of action and inspects him?
722 Soriant★ 10-02-2015 09:25 AM ET (US)	This neutral lyncher line of thought is stupid. Do they not remember that GC wasted his vote day 1 voting for Ouro? If he were a neutral lyncher then he would make sure to always bandwagon because if he misses being in the vote and the person dies happens to be his target, he loses.
723 Bombay /Darryl 10-02-2015 09:50 AM ET (US)	He is trying to win with too many facts, not enough fear. No amount of post referencing is going to stop a bandwagon. People are too lazy to change opinions like that

763 Launchpad★ 10-02-2015 01:39 PM ET (US)	Highlight for spoils Coppa and Rats are dead
764 ScraftyDevil★ 10-02-2015 01:41 PM ET (US)	Oh my god please tell me they're lovers.
765 Launchpad★ 10-02-2015 01:42 PM ET (US)	Nope, someone dun goofed. Don't worry Ourobolols, you are no longer scum MVP
766 ScraftyDevil★ 10-02-2015 01:45 PM ET (US)	Their fates have been bound together since Cthulhu... Here they are at last, together in death. It's like poetry, it's sort of-they rhyme.

768 Launchpad★ 10-02-2015 01:48 PM ET (US)	/m767 :) He thought he was doing the right thing. Shit aint so obvious tho
769 Soriant★ 10-02-2015 01:50 PM ET (US)	Everyone always thinks they are doing the right thing :(I'm ready for more bad news, is scum using the framer power thing on squidy while GC investigates him?

774 Launchpad* 10-02-2015 01:56 PM ET (US)	/m772 I do not have GC's command yet. Let's see what he does. Town going for the obvious plays though, it hurts to watch. They're possibly also thinking that there's only one mafia left. /m773 Bravo. Edited 10-02-2015 01:56 PM
775 Soriana* 10-02-2015 02:01 PM ET (US)	I have faith in GC, he never disappoints. He can save this town. Btw, is it supposed to be purposely vague that R_F knew who his teammates were? Without already knowing, its obvious from what you posted that they didn't know who he was but there's nothing in there to indicate that he knew who they were (unless you have background knowledge of a ONUW minion which some probably don't).
776 Launchpad* 10-02-2015 02:02 PM ET (US)	No, it's only become vague because I removed the line about partners. I'll add it back in.
777 Soriana* 10-02-2015 02:05 PM ET (US)	Figured, just wanted to make sure, you mods should really just go with the "Your partners are <redacted>" or another similar edit. You keep falling into the same trap when you remove a whole line from the role PM :P
778 Launchpad* 10-02-2015 02:06 PM ET (US)	How is that a trap? I also thought I was the only one who did that?
779 Soriana* 10-02-2015 02:12 PM ET (US)	Tim did it with Fire's flip in NX and Ouro kind of did it with Hyper's flip in Election. In both cases it led to extra discussion that wasn't really needed. (You'll recall that we spent some time debating whether scum had a forum to chat on in NX until Tim had to come in and say it was a mistake on his part that he removed that part of the role and Election spent some time debating whether scum knew who their partners were or not). I'm sure someone was going to pick a part R_F's role and question whether anything R_F did mattered because it seemed like his team knew nothing about him and vice-versa.
780 Soriana* 10-02-2015 02:16 PM ET (US)	Same deal with Scrafty's PM but, thankfully, no one felt the need to question odd things and start thinking scum doesn't know each other or no forums or anything else out of the ordinary, yet, I guess. They keep having better things to discuss, maybe they will start reaching more when they run out of leads lol
781 Launchpad* 10-02-2015 02:16 PM ET (US)	While I can see your point, I have no problem just outright telling them what happened. I never intended for that information to be withheld, it's just easier to erase a line. I added the line back in though, so kindly stfu now Soriana :)
782 Soriana* 10-02-2015 02:18 PM ET (US)	Hey man, I'm just offering healthy advice, take it or leave it :(
783 Launchpad* 10-02-2015	I SAID QUIET, YOU. I'LL TELL THE COPS ABOUT YOUR HIDEY HOLE.

796 Bombay /Darryl 10-03-2015 11:24 AM ET (US)	A framer hasn't been useful in gafia at all. GC don't puss this up

799 nin1000 10-03-2015 12:10 PM ET (US)	R.I.P. Rats and Coppa ;___;
800 El Topo 10-03-2015 12:11 PM ET (US)	Took 'em long enough to kill the doctor.
801 Coppa nuva 10-03-2015 12:14 PM ET (US)	...I'm the worst fucking Mafia player ever.
802 Soriana★ 10-03-2015 12:18 PM ET (US)	So GC didn't investigate? Rats protected GC, Coppa killed GC, GC lived due to protection, scum targeted a BP player?
803 Soriana★ 10-03-2015 12:19 PM ET (US)	Or did Coppa just kill rats? Lol
804 Coppa nuva 10-03-2015 12:19 PM ET (US)	/m800 Actually... I kinda killed the doctor. I didn't think we had one left since I assumed they would have guarded Ouro last night as well. I shot GC, since if a Mafia had targeted him I would have killed the mafia as well. But since Rats was saving GC my bullet killed him. So... what I'm not sure of Launchpad is did the Mafia kill me instead, or does my "kill" command count as a visit and kill me as well?
805 El Topo 10-03-2015 12:19 PM ET (US)	/m801 You did your duty and killed the doctor.
806 nin1000 10-03-2015 12:19 PM ET (US)	/m801 dont be too hard an yourself there :P but it was pretty funny to say the least ;D

808 Soriana★ 10-03-2015 12:22 PM ET (US)	Yeah Coppa, the doctor tried to protect Ouro but Ouro decided to role block him. Not even going to fix that typo in spite >:-(
809 Launchpad★ 10-03-2015 12:23 PM ET (US)	who da real scum MVP Coppa or Ouro? DUKE IT OUTTTT
810 Coppanuva 10-03-2015 12:23 PM ET (US)	Yeah and if we hadn't had a doctor I think my move would've been smart (and it really had the potential to be amazing). I still think I'd do it again, if only for the humor aspect. /m807 It's SquidyJ isn't it. I swear... I almost shot him on night 1 cause I thought him dying by his own role's hand would have been funny.
811 Ourobolus★ 10-03-2015 12:24 PM ET (US)	/m809 lol Bring it, Coppa.

814 Coppanuva 10-03-2015 12:26 PM ET (US)	I mean you're kinda part of the reason I'm here since you blocked the Doc and all... I'd give you bonus points on that.
815 nin1000 10-03-2015 12:27 PM ET (US)	/m812 a true GAFia game then :)
816 Hyperactivity★ 10-03-2015 12:27 PM ET (US)	Jeez guys, read that role PM a little more carefully It's not that hard to figure out whatsoever Edited 10-03-2015 12:28 PM
817 El Topo 10-03-2015 12:27 PM ET (US)	/m809 Not even close. Coppa killed the doctor, so he did his best to follow Gafia protocol.
818 Coppanuva 10-03-2015 12:27 PM ET (US)	Oh god no I... I can't read the thread. Everybody thinks I targeted Rats cause they don;t know how my kill interacts with protecting :(

820 Ourobolus★	/m814 lol, true. I had such a great D1 and then totally shit the bed.

10-03-2015 12:28 PM ET (US)	
821 Hyperactivity★ 10-03-2015 12:29 PM ET (US)	Launch could probably explain how the abilities interact if someone specifically asks him, but otherwise he probably can't say anything
822 Coppanuva 10-03-2015 12:35 PM ET (US)	They got so close to getting it. :
823 Launchpad★ 10-03-2015 12:36 PM ET (US)	Yeah, I would only answer questions people ask.
824 Coppanuva 10-03-2015 12:38 PM ET (US)	Well at least I don't feel so dumb since a lot of people here think the mafia would doubt the existence of a doctor. I still think it was a smart decision since GC would've been an obvious target (and had I lived, and GC and another townie ended up dead by my hand I probably would've just claimed innocence for a bit). I wish I had realized my shot would've killed the mafia as well, I would've shot for Ouro the night before and got them then.
825 Rats Off To Ya★ 10-03-2015 12:40 PM ET (US)	Welp. WHAT THE FUCK. Reading through the dead thread now. I protected myself Night One, and it seemed to work, as far as I know. Ouro on Night Two, but I was blocked. Ouro, was that you? lol, if so. Charleston on Night Three, obviously.
826 Ourobolus★ 10-03-2015 12:42 PM ET (US)	/m825 Yep, sorry! I was a little wary of your interaction with Retro, but yerp, that was a dumb move. :P
827 Coppanuva 10-03-2015 12:46 PM ET (US)	/m825 Yeah that's kinda... my fault. I didn't think we had a Doctor still and figured the mafia would obviously be going for GC, and I could kill one with my shot there (since GC seemed like he was going to die). It didn't work (obviously)... I feel like I'm going to get policy lynched about this forever now :P
828 Coppanuva 10-03-2015 12:47 PM ET (US)	OMG Roy Gets it! He solved it!
829 Sorian★ 10-03-2015 12:59 PM ET (US)	When I read my power, I knew there was a town aligned player that could screw me all up. I see now it was Coppa.
830 Ourobolus★ 10-03-2015 01:01 PM ET (US)	Mafia framed squidy, didn't they?
831 Sorian★ 10-03-2015 01:04 PM ET (US)	GC didn't investigate anyway Ouro lol
832 El Topo	/m828 He's good, isn't he? Should've been killed first, that smart Dutch.

833 Rats Off To Ya★ 10-03-2015 01:59 PM ET (US)	<p>I felt real good about squidy being scum based on Flush flipping full scum, but obviously I had to reconsider when I saw his actual role. I also would have felt good about Terra and Swamped being Town, but again, I'd have to reconsider. I'd probably go after Terra today, and apparently he's actually scum?</p> <p>Ouro, you were right to notice some weirdness in my play, but not for the reasons you thought. On Day One I was intentionally playing a bit shady to avoid a night kill, and on Day Two I didn't feel good about the Retro lynch for obvious reasons. I flipped on Retro mostly because I was afraid of blowing up my spot by arguing that "you don't know all the facts" point too strongly.</p> <p>Here's my PM to Launch explaining my reasoning for protecting myself Night One:</p> <p>"I'm real nervous about this one. Maybe I'm being selfish, but I have my reasons.</p> <ol style="list-style-type: none"> 1. Ouro is easily our strongest player, but especially after NX I think he's too obvious a target tonight. 2. I gotta think I'm somewhat cleared after today, so scum will want me out. 3. After my behavior, the enemy might know I'm hiding something. 4. This role is fucking cursed and I need all the help I can get to make it to Day Two." <p>Edited 10-03-2015 02:00 PM</p>

841 Coppanuva 10-03-2015 03:12 PM ET (US)	<p>/m840 Sure. Yeah, it was risky and I kinda knew it, but I figured it was the kind of play that if it paid off would be way too worth it.</p> <p>Also Launch, Sawneeks brings up a good point. Could I have shot myself and killed whoever targeted me? was that an option?</p>

842 Launchpad★ 10-03-2015 03:32 PM ET (US)	/m841 yes, that was an option. I gave GC the investigation.
843 Soriant★ 10-03-2015 03:36 PM ET (US)	Now that I'm sitting down. Coppa's play was excellent and Rats play was good though you kept being just a bit <i>too</i> suspicious. Ouro's block of Rats on night 2 is what messed things up (not knocking you, just explaining). Coppa was right to wait for the second obvious target because the first obvious target dying was a queue (that was wrong) that the doctor was not available. I'd argue that one thing that Coppa did wrong that may have led to his death is he mentioned that he might be able to do something to prevent GC's death. I suspect that scared scum off of GC and onto you instead.
844 Soriant★ 10-03-2015 03:37 PM ET (US)	Who did he ask for?
845 Launchpad★ 10-03-2015 03:40 PM ET (US)	squidy loool
846 Ourobolus★ 10-03-2015 03:41 PM ET (US)	/m845 lol. this should be interesting.
847 Soriant★ 10-03-2015 03:42 PM ET (US)	What day are we on now? Day 4? I'll be back on day 6 after they finish wasting their time with this then.
848 Rats Off To Ya★ 10-03-2015 03:46 PM ET (US)	/m843 I definitely fucked up on Day One. Part of the problem was that shit started popping off at the very end of the day, and I happened to be at work that whole morning. Without Scrafty digging her own grave I probably would have been lynched.
849 Rats Off To Ya★ 10-03-2015 03:47 PM ET (US)	Intentional scumminess is a really hard line to walk, especially on Day One when people are ready to jump on the smallest little thing.
850 Soriant★ 10-03-2015 03:55 PM ET (US)	I've tried act intentionally scummy in both this game and election now. I've found the best way to do it is to genuinely do what you do but make a scene over something stupid day 1. I used Squidy for that in this case. No one was going to touch Squidy or I at night anymore because both of us were too juicy. It's a shame the group has been suspicious of Squidy this whole time, I, myself, even said day 1 he wasn't scum after I made a big enough stink about things.
851 Rats Off To Ya★ 10-03-2015 03:57 PM ET (US)	I only became suspicious of squidy after I was positive Flush was scum, but as I said I had to reconsider that stance.
852 Soriant★ 10-03-2015 03:58 PM ET (US)	Yeah, it's a shame he'll continue to stink even though flush's flip is worth absolutely nothing.
853 Hyperactivity★ 10-03-2015 04:12 PM ET (US)	/m845 HAHAAHAHAHA Oh dear god hahaha
854 Rats Off To Ya★	I can't help but feel partially responsible for this. I came out hard against squidy yesterday, mostly for Charleston's benefit. I knew he trusted me. I also wanted to turn the

10-03-2015 04:16 PM ET (US)	conversation in that direction before my possible death. Oops.
855 Soriant★ 10-03-2015 04:21 PM ET (US)	Should have let them go with Terra :P Fucker has smelled since minute 0.
856 Rats Off To Ya★ 10-03-2015 04:26 PM ET (US)	Please, roy, it doesn't matter. The only role you should be thinking about is Flush's.
857 Soriant★ 10-03-2015 04:39 PM ET (US)	I don't think Flush blatantly protected anyone except for Scrafty. So I don't think his flip is super helpful.
858 Soriant★ 10-03-2015 04:49 PM ET (US)	VOTE: Sawneeks
859 Rats Off To Ya★ 10-03-2015 04:52 PM ET (US)	His flip is helpful in hurting the case against squidy. I said it myself in my original argument. Well, what I said was that the case was invalidated if Flush was Town, but as far as making connections is concerned, he basically was.
860 Royal Flush 10-03-2015 05:16 PM ET (US)	Woohoo, Sawneeks is using my investigation formatting <3
861 Coppanuva 10-03-2015 05:20 PM ET (US)	Man Squidyj trying to use my defense from Cthulhu here... it's not gonna work man :(
862 Soriant★ 10-03-2015 05:21 PM ET (US)	/m860 Damn, I'm right then. They aren't going to catch her for awhile.
863 Ourobolus★ 10-03-2015 05:25 PM ET (US)	/m862 wait, really? dammit, GC shoulda investigated her N1 like I said! :(
864 Royal Flush 10-03-2015 05:28 PM ET (US)	/m862 I just meant the "postlink - comment //emptyline" formatting. That was not a confirmation that Sawneeks is scum. I will neither confirm nor deny this. Edited 10-03-2015 05:29 PM
865 Coppanuva 10-03-2015 06:12 PM ET (US)	My only regret is not making more taco jokes while I was in the game :(So you're all going to have to groan at them in our death: Sawneeks sure is tacing up Squidy to be some villain.
866 Rats Off To Ya★ 10-03-2015 07:06 PM ET (US)	These next couple days are gonna be a travesty. RIP squidy RIP Charleston

867 Coppanuva 10-03-2015 08:07 PM ET (US)	I'll be surprised if we pull this off. Looks like we're heading to 2 bad lynchies, coupled with 2 nights of Mafia kills... puts down to 5 people total remaining. And GC doesn't seem too bothered to stop anything...
868 Rats Off To Ya★ 10-03-2015 08:30 PM ET (US)	Charleston's not a definite lynch after squidy flips Town, but his playstyle isn't doing him any favors. And there's nobody left from the Cthulhu game to be like, "Nah, that's just Charleston." I mean, there's Matt, but I think he checked out after he won.
869 Bombay /Darryl 10-03-2015 10:46 PM ET (US)	This is juicy stuff
870 Bombay /Darryl 10-03-2015 11:18 PM ET (US)	GC is actively preventing the only player capable of piecing this together from doing it lol
871 Bombay /Darryl 10-03-2015 11:19 PM ET (US)	And squidy figuring this out is plausible. All the pieces are there. Even if he did tho I doubt anyone would care
872 ynnnny★ 10-04-2015 12:03 AM ET (US)	Hold up, GC didn't send the command during the night but launches gave it to him anyways after day had started? RoyRoy is awesome ! I love his style!
873 Rats Off To Ya★ 10-04-2015 01:20 AM ET (US)	/m871 I had the same thought. squidy's a smart dude. He's dead today for sure, but hopefully he can lead them on the right path before he goes. Again, though, Charleston's playstyle. Dude's just asking for a lynch.
874 Hyperactivity★ 10-04-2015 02:11 AM ET (US)	Roy with a logic bomb Utter proof of why what happened last night happened
875 Rats Off To Ya★ 10-04-2015 02:13 AM ET (US)	I'm really excited to see squidy's reaction to Charleston's knowledge drop. Terrified to see my team go down that dark path, but really, really excited to see how squidy handles it.
876 Bombay /Darryl 10-04-2015 05:50 AM ET (US)	My mind is blown right now that GC apparently hit a target and NO ONE cares about those results, not even GC himself. WTF?
877 Bombay /Darryl 10-04-2015 05:52 AM ET (US)	GC legit threatened to withhold information (a rer check) and people are OK with that? Is this crazyland? How many players are asleep at the wheel?

895 Launchpad★ 10-04-2015 01:47 PM ET (US)	/m892 hmm well it's still hype
896 Coppanuva 10-04-2015 01:48 PM ET (US)	Is it time to start readying the "They played us like a damn fiddle!" links? /m892 No way. Town had awesome power roles, there was just so much of them it was hard to get a read on who had one and who doesn't. I still think mine was awesome, as long as nobody knew its full impact.
897 darryl 10-04-2015 01:51 PM ET (US)	GC is gonna kill me with this suspense
898 nin1000 10-04-2015 01:52 PM ET (US)	Get the gifs ready everyone !!! i can feel it happening right now !
899 Launchpad★ 10-04-2015 02:06 PM ET (US)	/m896 I think he means the people who played those PRs
900 darryl 10-04-2015 02:07 PM ET (US)	poor squidy. really got checkmated here
901 nin1000 10-04-2015 02:09 PM ET (US)	LOL at that reference hahahahha
902 RetroMG★ 10-04-2015 02:11 PM ET (US)	Kind of an odd thing, but I never realized that Jay Sherman from The Critic appeared on the Simpsons.
903 Coppanuva 10-04-2015 02:14 PM ET (US)	Man that ShiaLebouf avatar... I was totally gonna switch to that (or copy Squidy's) once I outed myself too :P. Wait launch, was I given Squidy's name role by random chance or cause I briefly used the same avatar as him before roles were given out?
904 Coppanuva 10-04-2015	Are we allowed to post TheyPlayedUsLikeAFiddle.gif in the thread when Squidy flips or is that considered a game comment?

07:40 PM ET (US)	
905 Launchpad★ 10-04-2015 07:46 PM ET (US)	I'm on the fence about it, so I'll just say no lol
906 Launchpad★ 10-04-2015 07:59 PM ET (US)	poor StarSketch
907 ynnnny★ 10-04-2015 08:45 PM ET (US)	is it due to her role? awwwww :< i wanted her to have a grand ol' first time run like poppie in czar's vigi game... ... i hope she's having fun if it's just due to her role :>
908 Launchpad★ 10-04-2015 09:01 PM ET (US)	Actually, her role is pretty fun-ish. I would not think that having that role is a burden of any sort... well, probably.
909 ynnnny★ 10-04-2015 09:18 PM ET (US)	launches, oh okies. im sure it's just newbie jitters then :>
910 ynnnny★ 10-04-2015 10:03 PM ET (US)	There it is! Starry recovery!! :D
911 Rats Off To Ya★ 10-04-2015 10:37 PM ET (US)	I feel kinda bad for her. I don't think this has been a super great game for a first-timer.
912 ynnnny★ 10-04-2015 10:53 PM ET (US)	baptism by firreeeeee~ i have hopes she'll be fine :D come to think of it i wonder whats gafia's retention / return rate of players mmmm
913 ynnnny★ 10-04-2015 11:38 PM ET (US)	squidy so astute~ too bad he's redchecked lol
914 ynnnny★ 10-05-2015 02:05 AM ET (US)	aaaaaaaaand boooooom there goes that legendary squidy's canadian brand of politeness :>
915 Bombay /Darryl 10-05-2015 10:05 AM ET (US)	Everyone's forgotten about this game but me
916 Sorian★ 10-05-2015 10:32 AM ET (US)	Nah, I'm still watching. I'm just sad because town is going to a dark dark place.
917 palmer_v1★	Definitely not following the game myself. Lost interest when Retro got murdered. I kinda like to be spoiled about someone early on, then cheer for them specifically. I chose poorly this game.

918 Coppanuva 10-05-2015 11:14 AM ET (US)	It's an ongoing trainwreck that I can't look away from. I've just been quiet cause I've been amassing gifs.
919 RetroMG 10-05-2015 11:28 AM ET (US)	I'm watching this thread more than the actual game.
920 El Topo★ 10-05-2015 12:02 PM ET (US)	Ha! Another one bites the dust.

922 ScraftyDevil★ 10-05-2015 12:16 PM ET (US)	Tsk tsk, Launch. Using a character I've already used before instead of coming up with a new one :P
923 Launchpad★ 10-05-2015 12:18 PM ET (US)	/m922 I was being meta, because the you in this game wasn't the real you, but instead CzarTim, so you never really developed the femme fatale (or any other) persona in the game's lore. You see? :D Edited 10-05-2015 12:18 PM
924 ScraftyDevil★ 10-05-2015 12:20 PM ET (US)	Haha, fair enough. Man, I must've been wearing some pretty baggy clothing to disguise myself as squidy...

928 Launchpad★ 10-05-2015 12:40 PM ET (US)	/m927 Maybe squidy is also a busty fitness freak in real life.
929 Sorian★ 10-05-2015 12:50 PM ET (US)	/m928 I believe it.
930 ScraftyDevil★ 10-05-2015	/m928 I guess we'll have to ask him once he gets the link to this thread.

931 Launchpad★ 10-05-2015 12:52 PM ET (US)	*****ATTN SQUIDY, PLS READ WHEN YOU GET IN HERE***** ARE YOU A BUSTY FITNESS FREAK IRL? VERY IMPORTANT YOU ANSWER TRUTHFULLY
932 ScraftyDevil★ 10-05-2015 12:54 PM ET (US)	Truth be told I'm not actually that much of a fitness freak. Martial arts and jogging are like the only fitness-related activities I do on a regular basis.
933 Launchpad★ 10-05-2015 12:55 PM ET (US)	/m932 WHAT?! YOU LIED!? BUT I WAS FINALLY READY TO COME OUT AS A BUSTY FITNESS FREAK MYSELF WHAT IS THIS SCRAFTY WHY THIS BETRAYAL
934 ScraftyDevil★ 10-05-2015 01:04 PM ET (US)	/m933 Hey now, I'm still busty and I'm still a freak. I only 1/3rd lied to you.
935 Sorian★ 10-05-2015 01:07 PM ET (US)	A 1/3 lie is worse than a half truth :(I'm disappointed.
936 ScraftyDevil★ 10-05-2015 01:17 PM ET (US)	If I disappoint you enough I'll loop around to far exceeding your expectations, which sounds pretty sweet to me.

938 Scottish Fold 10-05-2015 01:46 PM ET (US)	No comment on my bustiness, I hope they take that terrabyte shit seriously :(Coppa, you dun goofed, you dun goofed so fucking hard :(We had an unexplained source of night protection and you and the mafia knew it. What were you thinking!?
939 Squidyj 10-05-2015 01:52 PM ET (US)	hah, hadn't posted in quicktopic since kitty target on this machine. Forgot about that.
940 Lone_Prodigy★ 10-05-2015 01:53 PM ET (US)	And town started so well too. EDIT: Okay, lynching scum, a neutral, scum, and a townie isn't bad. The night actions aren't really great though. Edited 10-05-2015 01:54 PM
941 Sorian★ 10-05-2015 01:55 PM ET (US)	/m938 To be fair, from your perspective, it looked more like a BP player than a doctor considering Ouro's death.
942 Coppa Nova 10-05-2015 01:56 PM ET (US)	/m938 Yeah I have no idea. I was figuring the doctor would've saved Ouro (and he tried to), I took him dying meaning the doctor was powerless so I thought shooting GC (the obvious target for mafia) would've done it but it backfired in the worst possible way... a big risky play that I fucked up horribly but the payoff was too tempting.
943 Sorian★	Also, it's not like scum didn't target GC because of possible night protection. They only kept him alive to frame you.

10-05-2015 01:56 PM ET (US)	
944 Ourobolus★ 10-05-2015 01:58 PM ET (US)	I totally didn't role block the doctor trying to save me >_>
945 Launchpad★ 10-05-2015 01:59 PM ET (US)	/m944 Like, totally.
946 Coppanuva 10-05-2015 02:01 PM ET (US)	I also could've fucked it up worse by shooting Royal on night 2 (like I wanted to until Ouro said for the cop to investigate him).
947 Soriant★ 10-05-2015 02:03 PM ET (US)	/m944 The only thing you did wrong was role claim after one deathless night, the odds of the roleblocker hitting the scum killer on night 1 is astronomical, even higher since we had voted out one of them :P Both your blocks were bad but no one can blame you for either, they both made sense from your perspective.
948 Soriant★ 10-05-2015 02:06 PM ET (US)	Also, as your role, I am allowed to judge you. I hope you accept my judgments. :D
949 Coppanuva 10-05-2015 02:17 PM ET (US)	/m948 This is a dangerous precedent that I don't like (also I'm not a role so I won't be allowed to yell at anyone :()).
950 Soriant★ 10-05-2015 02:18 PM ET (US)	/m949 Worried that squidy will judge you harshly?
951 Coppanuva 10-05-2015 02:22 PM ET (US)	/m950 Nah he already did that, moreso jealous that I can't judge people.
952 Soriant★ 10-05-2015 02:26 PM ET (US)	/m946 Actually, thinking about it, doing this would have led to a better result. We still would have killed R_F, GC dying would have been better because they would have never been able to trick him with a frame, and day 3 could have been spent pushing Terra whom everyone will now proceed to forget about without squidy there. Would have been a terrible play at the time though, hindsight and all of that lol
953 Ourobolus★ 10-05-2015 02:33 PM ET (US)	I do want to know who has me, and what the role is.
954 Soriant★ 10-05-2015 02:36 PM ET (US)	/m953 I imagine you are out last PR at this point, so all hopes are riding on you, or them, or whatever. But yeah, go Ouro! The other Ouro, the one that's alive.
955 RetroMG★ 10-05-2015 02:39 PM ET (US)	/m947 I did try to tell him that the odds of hitting scum were astronomical. /m952 But then I would have been alive and killing more people. Although I probably would have gone after TerraByte again.
956 Ourobolus★ 10-05-2015	;-;

02:39 PM ET (US)	
957 Ourobolus★ 10-05-2015 02:42 PM ET (US)	/m955 yeah, yeah, I know the odds. I took a chance.
958 RetroMG★ 10-05-2015 02:44 PM ET (US)	/m957 You did, however, save at least one life and possibly three, no matter how annoyed I personally was about it. :)
959 Launchpad★ 10-05-2015 02:49 PM ET (US)	I'm just sitting here wondering how much you guys will hate me by the end of this game. :)
960 Launchpad★ 10-05-2015 02:50 PM ET (US)	you're an ordinary Ouro. Sorry m8. Roy has you.
961 Ourobolus★ 10-05-2015 02:55 PM ET (US)	aw. :(
962 Soriant★ 10-05-2015 02:58 PM ET (US)	/m960 Sad :(Ouro probably would have continued to block Retro again on night 2 in that scenario lol
963 Ourobolus★ 10-05-2015 03:00 PM ET (US)	Nah, Roy wasn't really on my list. Though I'm starting to think Matt is the other scum with Terra. Although I suppose it could be Sawneeks, though I'd be surprised.
964 Ourobolus★ 10-05-2015 03:01 PM ET (US)	Oh, whoops. Misread Retro as Roy.
965 Squidyj 10-05-2015 03:25 PM ET (US)	I guess I'm okay with the Squidyj, I was worried it would be really bad.
966 Soriant★ 10-05-2015 03:28 PM ET (US)	/m963 From not the so vague hinting. I think its safe to conclude that the last scum after Terra is female and not StarSketch.
967 Launchpad★ 10-05-2015 03:34 PM ET (US)	/m965 tbh, it was hard picking people and then a role that fits them. I am planning a sequel-ish to this, at some point in the future, and I hope to use those people I made feel bad because I didn't give them a PR. /m966 hmm I wonder about that...
968 Soriant★ 10-05-2015 03:46 PM ET (US)	/m967 You don't wonder about it at all because you know the answer, silly bear.
969 ScraftyDevil★ 10-05-2015	/m967 You should force whoever gets my role to adopt a character just to make it absurdly obvious who they got.

04:01 PM ET (US)	
970 Coppanuva 10-05-2015 04:01 PM ET (US)	/m965 It was an awesome role. Knowing I had that kind of power was fun, especially since I'm still not entirely sure how much people expected that role before I used it. I used it poorly, but it was powerful if played well.
971 Soriana* 10-05-2015 04:12 PM ET (US)	/m969 Can the character I adopt be Blarg so that I can confuse people?
972 yynnny* 10-05-2015 04:22 PM ET (US)	Hi squiders! You fought valiantly! Awwwww how come an ouro is only ordinary~~~ my suggestion would be to assign the ordinaries as Ordinary GAFfer... But that'll mean less bastardness, I guess... Maybe. Uh. IDK. Squidyyyyyyyyyy, I was so cheering for you! And royroy!
973 Squidyj 10-05-2015 04:33 PM ET (US)	I appreciate that yeeny <3. I was happy to be read scum most of the game as it meant I wasn't getting night killed but the framed cop check was not part of my plan :(Lets take odds on town being donkeys and ignoring my plea to lynch terra tomorrow.
974 Soriana* 10-05-2015 04:37 PM ET (US)	/m973 It's not going to help that you furthered the worry that GC might be scum pretending to be cop.
975 Soriana* 10-05-2015 04:45 PM ET (US)	I also assume that Terra's power is going to go off tonight? So that'll be fun I guess.
976 Squidyj 10-05-2015 04:49 PM ET (US)	I did at least suggest that there might be a framer :l
977 Launchpad* 10-05-2015 05:09 PM ET (US)	/m973 "I was happy to be read scum most of the game as it meant I wasn't getting night killed" Man you gave me shit for this when I did it. lol
978 Squidyj 10-05-2015 11:31 PM ET (US)	I wasn't doing fake things to look scummy though. there's a difference. :P Edited 10-05-2015 11:31 PM
979 Soriana* 10-06-2015 01:21 AM ET (US)	Nah, you were just arguing with me day 1 for reasons instead :P
980 Hyperactivity* 10-06-2015 02:22 AM ET (US)	/m975 yup I'm not entirely sure about if what they're doing is worth it, it does lead to a winning situation going into the lylo, but could also backfire
981 Launchpad* 10-06-2015	/m980 Perfect world scenario, this is going to be amazing. Worst case scenario, it's going to flop amazingly.

09:59 AM ET (US)	
982 Soriana* 10-06-2015 10:31 AM ET (US)	I hope it's a magikarp.
983 Coppanuva 10-06-2015 11:27 AM ET (US)	Yeah we could use a pity "bad power play" from the Mafia to make up for my horrific one.
984 Soriana* 10-06-2015 11:38 AM ET (US)	Please trust GC, please trust GC, please trust GC.
985 Coppanuva 10-06-2015 11:46 AM ET (US)	Ugh, I hope they believe GC. I'm worried he shot their trust down with the whole "I'm not telling you who to kill yet" at the start of yesterday.
986 Rats Off To Ya* 10-06-2015 11:50 AM ET (US)	You can do it, roy. You are the chosen one.
987 Royal_Flush 10-06-2015 11:52 AM ET (US)	So, uhm, did they not use the special power or was it just so unspectacular?
988 Soriana* 10-06-2015 11:57 AM ET (US)	/shrug I expect 4 random dead bodies during the day phase or this whole game was a farce.
989 Coppanuva 10-06-2015 11:58 AM ET (US)	I hope the special power rains confetti from the ceiling or something and that's it. Maybe the game ends and it was just a front for a crazy surprise party for Launchpad celebrating his running another Mafia game.
990 Soriana* 10-06-2015 11:59 AM ET (US)	I even got him a moped as a gift. Shhhh, it's a surprise.
991 Soriana* 10-06-2015 12:16 PM ET (US)	Seconding myself /m984
992 RetroMG* 10-06-2015 12:17 PM ET (US)	Aww, I'm dead. Wait, what the hell!? I'm <i>DEAD</i> !? EDIT: Oh, I passed out from pain. That's SO much better. :P Edited 10-06-2015 12:19 PM
993 Lone_Prodigy* 10-06-2015 12:23 PM ET (US)	7 left, 2 are scum. If they hit scum today it's 5-1. If they hit town it's 4-2, night kills one more, 3-2 mylo.
994 Soriana*	/m993 I get the feeling there is a double kill or something still left. I think they are already in a bad place today.

10-06-2015 12:28 PM ET (US)	
995 ScraftyDevil★ 10-06-2015 12:36 PM ET (US)	Ha, the town is doing the mafia's work for them. Paranoia truly is the most dangerous weapon in the mafia's arsenal.
996 Splinter 10-06-2015 01:19 PM ET (US)	Town is harder than it looks :(Dead thread is excellant
997 Splinter 10-06-2015 01:20 PM ET (US)	Nooo Roy ignore anything I ever said, I dont remember even saying it
998 Splinter 10-06-2015 01:24 PM ET (US)	From GC's result today I guessed GC/Tera are the remaining scum, going for a 1 bus 1 "confirmed" town either way. (I know this is wrong now)
999 Sorian★ 10-06-2015 01:28 PM ET (US)	/m998 That would be a very self-destructive plan for scum. To early to bus a buddy with only 2 of them left.
1000 Rats Off To Ya★ 10-06-2015 01:30 PM ET (US)	They could just ignore Charleston's info. Even without it, Terra's the scummiest person in the game by far.
1001 Squidyj 10-06-2015 01:32 PM ET (US)	I am very disappointed in GC. his investigation will sink the terrabyte lynch. he knew something went wrong with his last check and he again went for the most obvious dude making it easy for terra to say he was framed :(If GC had picked someone less obvious and got a green check they could have just lynched terra on reads.
1002 Splinter 10-06-2015 01:33 PM ET (US)	/m999 Yeah but its a hell of a lot more convincing if you do it when it doesn't make sense to. I started to bus CornBro day 3 of election (after losing Hyper day two) but never put enough effort into it
1003 Splinter 10-06-2015 01:42 PM ET (US)	My shitty play (excuses): Day 1 - kind of tried to attract a lynch, rather me than the doctor, no regrets here. Day 2 - stopped playing seriously as we were #winning so hard. Whoops. Day 3 - work turned to shit so suddenly I had no time to play. Asked Launch about being replaced but decided to fish for an NK instead ("Don't worry about GC" was me trying to take a bullet for him, kind of worked (unfortunately)) Started getting into the game D4 and then died :(I regret going with squidyj so easily as he hadn't seemed that likely to be scum before, but I was so out of the game D2-3 that I couldn't be sure enough to argue against a cop. Also kept remembering election town talking themselves out of good decisions :/ Sorry squid! Fuck you Ouro/Coppa/Charles! Edited 10-06-2015 01:43 PM
1004 Coppa 10-06-2015 02:00 PM ET (US)	/m1003 Any time man!
1005 Splinter 10-06-2015	Actually I liked your "shoot the cop" strat, only reason I didn't believe it is it was so ballsy.

02:04 PM ET (US)	
1006 Ourobolus★ 10-06-2015 02:13 PM ET (US)	/m1003 you are most welcome
1007 Coppanuva 10-06-2015 02:25 PM ET (US)	/m1005 That's part of the beauty of it though! An insane play like that would be really hard to guess as the mafia (especially since I was willing to throw I was a vigilante out there, but not the whole impact of the bullet). I might've made my role a bit too obvious since I kept wanting 2-3 good targets per day (which we never got, else I would've aimed for one of them most likely).But oh wells
1008 Sorian★ 10-06-2015 02:38 PM ET (US)	/m1002 A little bit different though, you were bussing Corn but never really had to send him off to his death yourself. That strat would involve a "cop" saying it was true which would basically seal your partners fate, no real chance of town talking themselves out of it for that long. Plus what scum is ballsy enough to claim cop? Have we ever had a Gafia game with no type of cop? If there is a real one and scum claims it, they are a ticking time bomb. Edited 10-06-2015 02:38 PM
1009 cabot★ 10-06-2015 03:48 PM ET (US)	squidy needed a soaked reference
1010 Squidyj 10-06-2015 03:59 PM ET (US)	In the end though, it was the scum that got soaked :P
1011 cabot★ 10-06-2015 04:30 PM ET (US)	I miss our times together, buddy. Singing in the rain and all that
1012 Splinter 10-06-2015 04:36 PM ET (US)	/m1007 Yeah, to be honest I think it would have worked if you hadn't said you would protect GC /m1002 Thats kind of why I gave up on it. There were so many people attacking Corn at the time that it wouldnt be a strong enough bus to mean anything
1013 Splinter 10-06-2015 04:46 PM ET (US)	Star doesnt seem to be having much fun...
1014 Sorian★ 10-06-2015 04:51 PM ET (US)	No, she doesn't which is always hard for everyone involved.
1015 Coppanuva 10-06-2015 05:10 PM ET (US)	Yeah, shame :(I hope she decides to stick around for next season, we need more mafia members to keep it fresh and all.
1016 Droplet★ 10-06-2015 05:36 PM ET (US)	Coming into a .5 game seems like a bad idea for newbies. They're pretty much entirely filled with veteran players, and being the only exception is probably not the best intro to have. The normal games for season 3 were around a 1:1 veteran to newbie ratio, and I think that might feel more welcoming.
1017 Rats Off To Ya★ 10-06-2015 05:41 PM ET (US)	The quick pace of this game is probably rough, too. Not a lot of time to think about what's going on before we've moved on to something else entirely.
1018 Royal_Flush★ 10-06-2015	I don't know how much that half game of DR I played has changed me (in comparison to being a complete mafia virgin), but I didn't mind the fast pace at all. I have a feeling tough that the tone especially in the beginning was more serious

05:48 PM ET (US)	than in the main S3 games. She probably sees herself as a burden to this experienced town. That must be a horrible feeling...
1019 Soriana* 10-06-2015 05:53 PM ET (US)	It's also a theme built on inside jokes instead of a theme that anyone could have been exposed to prior which I imagine takes some of the fun out of it for a newbie as well. I agree with /m1016 though.
1020 Coppanuva 10-06-2015 06:30 PM ET (US)	/m1019 True, and while not all the role titles had a super obvious connection to the power, it still would be tougher to play with no knowledge...
1021 ynnnny* 10-06-2015 06:53 PM ET (US)	starry :(royroy~ i believe in you~ pls royroy
1022 Coppanuva 10-06-2015 07:01 PM ET (US)	Terra what... that role comes outta nowhere. Too insane mate.
1023 Lone_Prodigy* 10-06-2015 07:11 PM ET (US)	What is it with scum and bad role claims? Keep it simple. Edited 10-06-2015 07:11 PM
1024 Royal_Flush* 10-06-2015 07:12 PM ET (US)	That's a very ... interesting play by Terra. Especially considering the new obsession with lynching neutrals. I wonder if both of them have come up with this or if Terra is on this quest on his own.
1025 Coppanuva 10-06-2015 07:13 PM ET (US)	/m1023 Seriously, that should be an obvious tell right there.
1026 Royal_Flush* 10-06-2015 07:13 PM ET (US)	/m1023 That makes me think of: Was odd-night doc actually a bad roleclaim? I thought it would be a pretty vanilla role... Edited 10-06-2015 07:14 PM
1027 Hyperactivity 10-06-2015 07:21 PM ET (US)	/m1026 absolutely terrible you think there wouldn't be joke doctor in the game? also, you don't expect it would be semi handicapped it's ok, I know scum that have gotten away with far worse role claims
1028 Royal_Flush* 10-06-2015 07:30 PM ET (US)	/m1027 The bodyguard is a pretty powerful role (killing scum and stuff). I wasn't sure there was a real doctor. Of course I knew the actual doc (if there was one) wouldn't buy it. But if he counterclaims that's fine by me. My death would have outed a cop and a doc. The Meta aspect of having a doctor in a GAFia game is a good point, tough.
1029 Squidyj 10-06-2015 07:30 PM ET (US)	dumb role claim aside I would hammer Hammer HAMMER Terra over the fact that he asked if GC was a role cop.
1030 ynnnny* 10-06-2015 07:31 PM ET (US)	well its supposed to be a role madness game so i dont think RF's odd-night doc was totally terrible or anything
1031 ScraftyDevil* 10-06-2015	Goddamnit, I told Terra this was a bad idea back in Day 1. It does nothing but cast suspicion on your "partner."

1032 RetroMG 10-06-2015 08:07 PM ET (US)	How long until someone points out that my role PM referred to Blarg as "The neutral?"
1033 Coppanuva 10-06-2015 08:07 PM ET (US)	/m1031 so... Swamped eh? :P
1034 Coppanuva 10-06-2015 08:11 PM ET (US)	/m1032 People have pointed that out quite a bit when RF was being accused I think. I forgot who it was, hopefully they're still in this.
1035 ScraftyDevil★ 10-06-2015 08:12 PM ET (US)	/m1032 They've already prepared for that scenario. /m1033 Guess the cat's out of the bag now. I still dunno what they're trying to accomplish, especially since Charlie's read could easily be explained away as "Splinter told GC to check me last night so of course the framer framed me."

1037 Royal_Flush★ 10-06-2015 08:23 PM ET (US)	/m1031 wifom. I (as town) would probably lynch Terra and assume he isn't dumb enough to actually name his partner.
1038 ScraftyDevil★ 10-06-2015 08:38 PM ET (US)	I dunno what wifom means but I still feel like this move is gonna end up casting undue suspicion on them. The heat wasn't really on before but it's sure as tits gonna be now.
1039 Bombay /Darryl 10-06-2015 08:53 PM ET (US)	Totally unnecessary role claim
1040 Sorian★ 10-06-2015 09:10 PM ET (US)	/m1039 I agree, this was not the best move. They were on track for an easy win.

1049 Lone_Prodigy★ 10-06-2015 10:49 PM ET (US)	I swear people post their top scum/town lists so they can reference them later and say "I told you so". ;)
1050 Rats Off To Ya★ 10-06-2015 10:51 PM ET (US)	Very interesting. When I was in danger of getting lynched on Day One, most of the votes on me were from scum. roy voted for me at one point, then changed it. Splinter voted for me to break a tie, but changed it as well. At the end of the day, I had four votes. I'll give you one guess who those four were.
1051 Rats Off To Ya★ 10-06-2015 10:53 PM ET (US)	There's been very little discussion about voting record in this game lately, but all they need to do is open up the spreadsheet and victory is waiting on a silver platter. C'mon, Town!

1064 ScraftyDevil★ 10-07-2015 12:29 AM ET (US)	Wow, I can't believe that people are actually buying it so easily. If I were on the town's side I'd be all like "give me two good reasons why we shouldn't lynch you and your partner, two of the only people not to vote for the dazzling mafia queen we lynched on day 1, right away." Maybe this gambit was more thought out than I gave him credit for...
1065 Squidyj 10-07-2015 12:32 AM ET (US)	I DIED FOR THIS SHIT?

1066 Sorian★ 10-07-2015 12:45 AM ET (US)	It's not well thought out at all, everyone who would call bullshit on this is dead, everyone left is too passive except for maybe Matt. Also "dazzling mafia queen"
1067 Rats Off To Ya★ 10-07-2015 12:54 AM ET (US)	Curious to see the reactions to Swamped's posts. Maybe this is confirmation bias talking, but how do those things not read like a scum manifesto?

1070 Royal_Flush 10-07-2015 05:18 AM ET (US)	Now that I think of it: A Terrabyte style role actually would make sense on a town-body. Wins as town (even if his target gets NKd). loses and gets ejected if his target gets lynched. Town gets extra information (confirmed townie) for the price that one mislynch causes two town-deaths. Take notes, future mods ;)

1076 Sorian★ 10-07-2015 09:22 AM ET (US)	Starsketch is BP. She is going to announce this soon and everyone is going to be distrustful because scum always claims BP this late in the game :/
1077 Launchpad★ 10-07-2015 10:30 AM ET (US)	/m1076 lol where are you getting your information from?
1078 Splinter 10-07-2015 10:33 AM ET (US)	/m1077 its what she's hinting at At least, thats what I guessed too

1079 Launchpad★ 10-07-2015 10:36 AM ET (US)	Well, you're not wrong - but there's a pretty big caveat to her role lol
1080 Soriana★ 10-07-2015 10:39 AM ET (US)	You've also already hinted yourself in here that there was a BP player in the game. Not hard to put 2 and 2 together :P Is the caveat some more RNG?
1081 Launchpad★ 10-07-2015 10:40 AM ET (US)	/m1080 Nope. But let's just say she won't be claiming at any point. I don't remember half the things I do. I'm losing my mind with school. I am legitimately going to need a break from mafia after this game. :(Edited 10-07-2015 10:40 AM
1082 Soriana★ 10-07-2015 10:43 AM ET (US)	Maybe you didn't hint at it and I just made it all up! I don't think I did. Oh well. To the rest of that though: :(
1083 Launchpad★ 10-07-2015 10:46 AM ET (US)	I don't think you did either. And thank you. I will carry your frowny in my heart.
1084 Soriana★ 10-07-2015 10:55 AM ET (US)	At the moment when you need it most, that frowny will turn into a smiley.
1085 Splinter 10-07-2015 12:12 PM ET (US)	/m1081 I've already learnt not to trust any hint of BP in your next game (I hope there is a next game eventually)
1086 Coppa Nova 10-07-2015 12:14 PM ET (US)	Wait what's BP an acronym for again?
1087 Launchpad★ 10-07-2015 12:15 PM ET (US)	/m1086 Bulletproof. Well, I think I gave the role a funny spin given the context of GAFia. lol
1088 Launchpad★ 10-07-2015 12:18 PM ET (US)	Ok, I might as well tell you guys, so we can laugh at this comment by Sawneeks: "I was actually going to ask her about that claim myself! Soft claiming at this phase isn't going to get you anywhere..." The caveat to StarSketch's BP role is that she is indeed BP, but she can never explicitly roleclaim or say that I've forbidden her from roleclaiming, or she will lose her BP ability. Edited 10-07-2015 12:18 PM
1089 Soriana★ 10-07-2015 12:20 PM ET (US)	I would have never guessed :P "But let's just say she won't be claiming at any point."
1090 Launchpad★ 10-07-2015 12:21 PM ET (US)	Fine Soriana, if you know everything, I'll just keep my secrets to myself from now on. Hmph.
1091 Soriana★ 10-07-2015 12:23 PM ET (US)	Just keep vaguely hinting at things, that's usually enough :D

1092 Lone_Prodigy★ 10-07-2015 12:25 PM ET (US)	I know it's always easier to criticize from the sidelines, but I think this is one instance where overthinking role claims and scum can work in the town's favour. The problem is that only roy seems to be on the ball.
1093 RetroMG★ 10-07-2015 12:26 PM ET (US)	/m1088 That is awesome. LOL So who actually is she?
1094 Soriant★ 10-07-2015 12:28 PM ET (US)	/m1092 And Roy isn't around during the day to actually talk to people when they are around :/ Plus Swamped is being a try hard for crafting narrative and Sawneeks is just falling for it.
1095 Launchpad★ 10-07-2015 12:28 PM ET (US)	/m1093 I just gave it to Swamped, because I felt bad that the BP roleclaim almost worked for her during DR. Could have given that to anyone though lol we love roleclaiming BP around here.
1096 Launchpad★ 10-07-2015 12:29 PM ET (US)	If they lynch GC, it's game over. How's that for vague hinting?
1097 Soriant★ 10-07-2015 12:31 PM ET (US)	/m1096 Terra's power involves trying to guess who will be lynched the following day, getting it right leads to favorable results for the scum team like a double kill or something? /m1095 Is Star allowed to say her role name? So can she just say she is Swamped without saying she is BP? Because she could turn that whole bodyguard claim of Terra's around real quick.
1098 Launchpad★ 10-07-2015 12:34 PM ET (US)	/m1097 I never specified, but no, she can't claim a name either. What are you thinking? She also can't confirm if someone guesses right.
1099 Soriant★ 10-07-2015 12:36 PM ET (US)	/m1098 Terra claimed that he has to protect Swamped, with the flavor of this game why would he be assuming that he had to protect the REAL Swamped, obviously it means that he needs to protect the ROLE NAME Swamped. His claim is already stupid to begin with but he'll start having to fumble more if Star could say something like that, too bad she can't though.
1100 Soriant★ 10-07-2015 12:37 PM ET (US)	Welp lol if she wasn't allowed to say she was Swamped, she just did.

1102 Soriant★ 10-07-2015 12:40 PM ET (US)	So yeah, since she screwed the pooch there anyway, I hope someone bring up my logic /m1099 I want to see Terra struggle a bit.
1103 Launchpad★ 10-07-2015 12:40 PM ET (US)	Ok, I don't want to be mean. I won't take it away for that. I don't think they'll piece together what you're saying though, because I would have specified a player in that case.
1104 Splinter 10-07-2015 12:59 PM ET (US)	/m1096 How are we so close to losing already? We've had 1 kill per night and only 1 mislynch out of 4... Not that I'm complaining or anything *cough*

	Well I cant see Swamped getting lynched any time soon anyway, no matter how much Tera drops her in it
1105 Rats Off To Ya★ 10-07-2015 01:00 PM ET (US)	God, I wish I was still alive. Scum is making all the textbook mistakes but nobody sees it because they don't think scum would make textbook mistakes.

1132 Sorian★ 10-07-2015 04:39 PM ET (US)	How real is Terra being when he says that the outburst he had was just him venting RL frustrations because acting like that is a policy lynch to me and except for Crab in DR and StarSketch in this game, it would have hit scum.
1133 Coppanuva 10-07-2015 04:46 PM ET (US)	Man all this "informant" talk makes me think up a ridiculous (probably terrible) role: Cop who can investigate whoever the dead thread says. Granted, you'd have to not have spoilers about the scum (which would be hard to avoid)...

1135 Squidyj 10-07-2015 04:53 PM ET (US)	Fucking GC. "I don't always work in the interest of town"
1136 RetroMG★ 10-07-2015 04:55 PM ET (US)	I hope StarSketch sticks with the community after this. There's some real frustration there.
1137 palmer_v1★ 10-07-2015 04:56 PM ET (US)	/m1134 I've considered that, but I can't see how to make it work without basically announcing that the mechanic exists. Otherwise, players are a bit too spoiler happy after death. Like you would have to tell players not to join the dead thread after they die, and tell all other players not to PM them any info either, just in case. Makes it kinda shitty for them, for possibly no gain.
1138 Lone_Prodigy★ 10-07-2015 04:59 PM ET (US)	I keep thinking of the Redemption Island mechanic in Survivor: if you get voted out you go to Redemption Island. When two people are there they duel; the winner stays, the loser goes home. At a point in the game, the current inhabitant of the island re-enters the game. Not sure how it would work in Mafia since you can't 1v1 duel. You could do a vote with enough people, but you'd have to factor in roles (would anyone want scum to re-enter the game?) Maybe those who re-enter the game become ordinary townies. If the town was selfless enough, they could vote back one of the stronger town players (only to get killed again lulz).
1139 Lone_Prodigy★ 10-07-2015 05:02 PM ET (US)	GC's suspect list: Matt, Roy, and Sawneeks. Scum MVP right there. EDIT: it just says who he feels strongly about. Strongly town? Edited 10-07-2015 05:03 PM
1140 Splinter 10-07-2015 05:03 PM ET (US)	/m1136 Same, I really like this "go fuck yourself" defence style
1141 Splinter	Yeah GC meant town (I think)

10-07-2015 05:04 PM ET (US)	
1142 cabot★ 10-07-2015 05:10 PM ET (US)	I need to watch for GC, he's clearly the type I'd get really tired of and throw a lynch in just to be done with him. :(
1143 Rats Off To Ya★ 10-07-2015 05:10 PM ET (US)	/m1135 He's a weird dude to play with. You have to, like, look past what he actually says, and try to figure out what he means.
1144 Soriana★ 10-07-2015 05:13 PM ET (US)	/m1137 Make it so that only the game runner can send out the dead thread links. When someone dies, game runner lets them know that this mechanic is in place and there will be no dead thread until the power gets used or person dies. The real issue though is the fun aspect of it since I think people enjoy the dead threads. I don't know, I feel like someone more clever than me could think of something that would be fun to try in a more experimental game.
1145 RetroMG★ 10-07-2015 05:14 PM ET (US)	/m1143 He's seriously one of the better players here, I think because he's so understated. He's impossible to read.(IMO, at least) Edited 10-07-2015 05:14 PM
1146 palmer_v1★ 10-07-2015 05:15 PM ET (US)	/m1144 even that is dangerous. All it takes is a scum to PM them after the day starts saying "sorry we killed you last night, but town trusted you too much!"
1147 Soriana★ 10-07-2015 05:16 PM ET (US)	This is meant to be no offense to Scrafty. GC is one of those people that is very difficult to read but if you feel that way, they are probably town. When they are scum, it is usually pretty easy to see through them (at least the first time). I made a similar comment about Scrafty early on in day 1 and then proceeded to make a U-turn shortly after and went in on her hard because of that reads list.
1148 Soriana★ 10-07-2015 05:17 PM ET (US)	/m1146 True, that's already against the rules technically but no one bothers listening to that one :P

1156 Lone_Prodigy* 10-07-2015 06:11 PM ET (US)	A reference to previous games? I just know Soriant led the Tucuh vote. EDIT: grammar Edited 10-07-2015 06:38 PM
1157 Soriant* 10-07-2015 06:17 PM ET (US)	Oh yeah, that makes more sense. I took out Tucuh's throat, Rats took out Coppa's, and I think squidy beheaded Haly at one point. That makes sense. Carry on.
1158 Coppa nuva 10-07-2015 06:34 PM ET (US)	/m1157 Well... Rats as well as my posting behavior took my throat out. 1159 Hyperactivity 10-07-2015 06:35 PM ET (US)	the role names in this that are left would make for a very fun end game
1160 Soriant* 10-07-2015 06:40 PM ET (US)	Man, I really wish they would look at the day 1 vote. We did such a good job of getting town to vote for the scum and scum to vote for the town. Always worth looking at votes like that by the way, when its so close and comes down to the last moment because scum is trying to save their teammate. /m1158 Someone really should have claimed cop after the disappearances. 1166 Soriana★ 10-07-2015 07:29 PM ET (US)	*raises hand* Day 1 end was super hectic and there was a very real chance of saving Scrafty without it looking weird. 1167 Hyperactivity 10-07-2015 07:50 PM ET (US)	I did mention that the next time I was scum I'd try to get everyone on the bandwagon to stay ahead of The Haifa meta, which so far only thinks up to two steps ahead

1184 ScraftyDevil★ 10-08-2015 01:11 AM ET (US)	I'm convinced that it'd be GC on the chopping block today if it weren't for Terra's ill-timed roleclaim. Considering Terra used his power on Charlie last night, lynching him would've ensured they won the game tomorrow.
1185 Hyperactivity 10-08-2015 03:04 AM ET (US)	/m1184 problem is that I never really saw GC getting lynched today, which is why I would've killed GC last night. The lull would've been harder, but they would have a better chance today
1186 Rats Off To Ya★ 10-08-2015 03:09 AM ET (US)	/m1185 Yeah, it looks like they loved their plan a little too much and now there's a real good chance they'll pay for it. 1225 Soriant★ 10-08-2015 12:04 PM ET (US)	/m1223 Are you saying the same power got wasted twice or two different powers got wasted?
1226 ScraftyDevil★ 10-08-2015	/m1225 It was a two-shot power. They used the first shot on Rats during Night 2 but he survived thanks to his self-protection, and then they used it again last night on Charlie.

12:08 PM ET (US)	
1227 Soriant* 10-08-2015 12:11 PM ET (US)	Apparently this power is confusing me. It sounded like Terra had to use his power on who he thought would be the next lynch target. Apparently that isn't the case?
1228 ScraftyDevil* 10-08-2015 12:13 PM ET (US)	As long as the target dies before the next night phase, the power procs. They tried to kill Rats on the same night that Terra targeted him, but he lived and didn't get lynched the following day so its effects didn't activate.
1229 Soriant* 10-08-2015 12:14 PM ET (US)	So you mean they tried to use it on Rats night 1 then? Night 2 they killed Ouro.
1230 ScraftyDevil* 10-08-2015 12:15 PM ET (US)	Oops, yeah. They tried to do it on Night 1, which is why there was no kill that night.
1231 Soriant* 10-08-2015 12:16 PM ET (US)	Ok, I'm up to speed then. Claiming vague cop isn't going to do Swamped any favors IMO. Guess we'll see. I fear that Star is easily fooled. Edited 10-08-2015 12:16 PM
1232 ScraftyDevil* 10-08-2015 12:18 PM ET (US)	It's a risky move, but I don't see Charlie getting lynched otherwise at this point. And if he does get lynched, it's gonna completely mess up everything the town thought they knew.
1233 Coppanuva 10-08-2015 12:20 PM ET (US)	/m1231 The inexperience with this game is gonna make it tough if she doesn't sit down and just think through it in the next 40 minutes. Man that's gotta be a stressful position to be in...
1234 Soriant* 10-08-2015 12:22 PM ET (US)	Blink once for yes and two for no. Terra's power makes it so that the person's flip shows up as a lie.

12:27 PM ET (US)	/m1236 They are really banking on Terra's power for some reason. I would have cut my losses already and moved on honestly.
1240 Soriana★ 10-08-2015 12:29 PM ET (US)	/m1238 That's a wink! That's only like .5 of a blink. No but seriously, it's not a super uncommon power but yeah, Gafia would never see it coming so they would have no defense.
1241 Coppanuva 10-08-2015 12:30 PM ET (US)	/m1239 I'm doubting that class thing too. It's a cheap way to buy time, and I'm policy lynching anyone who's mildly suspicious who promises a "big mega post I can't deliver until 10 minutes before the deadline!" twice in the same day.

1251 Ourobolus★ 10-08-2015 12:41 PM ET (US)	/m1248 wait, what
1252 Coppanuva	/m1250 I won't, but it's really hard to watch this right now... only 18 more minutes I guess.

1253 Launchpad★ 10-08-2015 12:42 PM ET (US)	/m1251 She asked me what would happen if she framed a neutral. The way I worded it, I basically told her a cop would get "NO RESULT", just like she says.
1254 Rats Off To Ya★ 10-08-2015 12:43 PM ET (US)	This is infuriating. Town isn't even trying.
1255 Ourobolus★ 10-08-2015 12:44 PM ET (US)	re-post the timer, launch!
1256 Launchpad★ 10-08-2015 12:44 PM ET (US)	/m1255 ugh, really? Fine.
1257 Ourobolus★ 10-08-2015 12:45 PM ET (US)	Well, mostly so I don't have to go back a page. :P
1258 Ourobolus★ 10-08-2015 12:48 PM ET (US)	I swear to god, if GC doesn't vote by the end of the day but says he thought he had a vote down, I will strangle him. He can save himself here.

1307 Sorian★ 10-08-2015 01:02 PM ET (US)	/m1305 Yes she is. Splinter, I would probably edit that post? Maybe?
1308 Ourobolus★ 10-08-2015 01:02 PM ET (US)	Technically it's on time, Launch ended a minute early. :P
1309 Launchpad★ 10-08-2015 01:02 PM ET (US)	/m1308 I did?

1314 Launchpad★ 10-08-2015 01:04 PM ET (US)	Hold on, I need to think about this.
1315 Ourobolus★ 10-08-2015	/m1309 Oh never mind, you didn't have that caveat in the rules - the "you count votes that end based on the timestamp" thing. So if it was supposed to end at 4:00, votes count until it turns 4:01. Eh, it's ok.

01:04 PM ET (US)	
1316 Lone_Prodigy * 10-08-2015 01:04 PM ET (US)	I love how we're freaking out here and the actual game thread is like "whatever".
1317 Splinter 10-08-2015 01:04 PM ET (US)	Its ok Star, you're still on track for getting the highly prestigious "best newcomer" award
1318 Ourobolus* 10-08-2015 01:04 PM ET (US)	<-- Scum MVP here.
1319 Coppanuva 10-08-2015 01:04 PM ET (US)	Yeah, voting ends at 10:00:00 AM PST. Not 10:00:59AM, that would be weird. Your time stamp is at 10:00 too and before star's, I think that vote is invalidated.
1320 Ourobolus* 10-08-2015 01:05 PM ET (US)	He didn't include it in the rules anyway, so I wouldn't worry about it.
1321 Splinter 10-08-2015 01:05 PM ET (US)	/m1314 THERE WILL BE NO HOLDING
1322 Sorian* 10-08-2015 01:05 PM ET (US)	/m1314 Terra already did his phoenix wright breakdown. Nothing to think about :P
1323 ScraftyDevil* 10-08-2015 01:05 PM ET (US)	Count the vote, launch. Listen to the devil on your shoulder. Us busty fitness freaks have gotta stick together, right?
1324 Coppanuva 10-08-2015 01:06 PM ET (US)	/m1318 Man you almost lost that award if GC hadn't voted. /m1317 True, Star has definitely played the best of all newcomers in this game (and honestly, I think she's done pretty well given all the crazy shenanigans at play in this game).
1325 Launchpad* 10-08-2015 01:06 PM ET (US)	HOLD ON PEOPLE. I WILL NOT BE SWAYED BY YOUR SHENANIGANS.

1327 Ourobolus* 10-08-2015	/m1324 I'm just owning the honor at this point. And trying to make sure Launch isn't changing the rules at a whim again. :)

01:06 PM ET (US)	
1328 Ourobolus★ 10-08-2015 01:07 PM ET (US)	/m1325 You ended the day. Own it.
1329 ScraftyDevil★ 10-08-2015 01:08 PM ET (US)	The vote came right at 1 PM! You can count it!
1330 Launchpad★ 10-08-2015 01:08 PM ET (US)	/m1328 You're the one that just said I ended it early! I don't have the timestamp caveat in the rules! I don't know what to do!
1331 Splinter 10-08-2015 01:08 PM ET (US)	It wont matter anyway right? It would be a tie, terra outed himself so he goes tomorrow, swamped should be next in line. Tomorrow will just be very dull if they have to vote terra out (again)
1332 Coppanuva 10-08-2015 01:08 PM ET (US)	If GC gets lynched I demand a recount. #2000ElectionWasRight #RecountFlorida

1337 darryl 10-08-2015 01:10 PM ET (US)	Tbh I wouldn't count the vote. It creates a less fair situation. Also there are two 1325s

1398 palmer_v1* 10-08-2015 01:38 PM ET (US)	So the obvious play is to frame Player X as a cop N1, kill him N1, and then laugh as any actual cop will have trouble being trusted. Is that what was supposed to happen N1?
1399 Soriana* 10-08-2015 01:38 PM ET (US)	/m1394 Unsure why
1400 Soriana* 10-08-2015 01:40 PM ET (US)	So the coolest use of that power would have been Terra using it on someone, say Rats. Then trying to get Rats lynched the following day and failing miserably but, unbeknownst to the scum team, of course, Retro used his delayed kill on Rats during the night phase as well. Just as all hope seemed lost for the scum team, boom, Rats dead.
1401 Rats Off To Ya* 10-08-2015 01:40 PM ET (US)	I'm real glad I decided to be selfish with that first save. Blocking that whole play makes up for everything else that happened afterward.
1402 palmer_v1* 10-08-2015 01:41 PM ET (US)	Or I would have tailored the player to have the tailor power, but permanent and 1-shot, so everyone would have to assume it got used, and could never be sure of any flips or investigations.
1403 darryl 10-08-2015 01:41 PM ET (US)	Swamped could be tailoring Terra right now and he was never scum to begin with Not possible in a world with reaction gifs tho
1404 darryl 10-08-2015 01:43 PM ET (US)	Or GC. GC is tailoring Terra.
1405 Soriana* 10-08-2015	/m1403 Hmm, fair, now I feel bad.

01:44 PM ET (US)	
1406 Soriant* 10-08-2015 01:44 PM ET (US)	Matt lol
1407 palmer_v1* 10-08-2015 01:44 PM ET (US)	Or tailor someone into a scum recruiting role to throw everything into doubt. I would love this type of power!
1408 Rats Off To Ya* 10-08-2015 01:46 PM ET (US)	All these possibilities being thrown out are souring me on this role. I think I've found my limit for Mafia bastardness.
1409 Soriant* 10-08-2015 01:47 PM ET (US)	Gafia likes to spend decades debating how many scum players are left. If you know a partner is going to die the next day, tailor them to be ordinary town. Fuck with those debates. lel
1410 palmer_v1* 10-08-2015 01:50 PM ET (US)	/m1408 It's a bastard role, for sure. Did launch warn people this was going to be a bit of a crazy game?
1411 Soriant* 10-08-2015 01:51 PM ET (US)	/m1410 Here's how he sold it to us: "Ok, I am planning an interim game. Secret theme. I need a co-mod. 16 players, 48 hour day phases, 24 hour night phases. Not role madness, but definitely a little crazy"
1412 darryl 10-08-2015 01:52 PM ET (US)	Tailor Terra. In the role, put "you are nin. Your role is to protect x, who is aligned with town. He is towny as fuck and clearly bulletproof. If you fail to prevent him from getting daykilled, town automatically loses." Replace x with a free name and have Terra claim it. Gg
1413 Terrabyte20xx* 10-08-2015 01:53 PM ET (US)	I was trying to convince Swamped all game to go with that, but she got greedy in the end. Oh and Rats, thanks for screwing up the first tailor! Edited 10-08-2015 01:53 PM
1414 Soriant* 10-08-2015 01:54 PM ET (US)	/m1412 Ok, this one would have been genius.
1415 palmer_v1* 10-08-2015 01:55 PM ET (US)	Fair enough description, IMO.
1416 Terrabyte20xx* 10-08-2015 01:57 PM ET (US)	I can not believe I survived that long, what is wrong with the you people?!?! /m1414 /m1412
1417 palmer_v1* 10-08-2015 01:58 PM ET (US)	The problem with that is what Launchpad would do when he formats it. It's basically my star wars role but with a townie instead of a scum this time. The issue is my protectee's name would have been redacted had I died. Would Launchpad have done the same?

1419 Soriant★ 10-08-2015 02:00 PM ET (US)	/m1417 Even if he had redacted it, if Terra had claimed it before he died, who was going to argue? /m1416 Was that pity post you made fake or actual RL things?
1420 Terrabyte20xx★ 10-08-2015 02:02 PM ET (US)	Legit.
1421 Hyperactivity 10-08-2015 02:03 PM ET (US)	/m1417 launch was going to add some of his own formatting to get it right, masks it look fancy and stuff
1422 Rats Off To Ya★ 10-08-2015 02:06 PM ET (US)	Swamped might be able to stay her execution with some clever lies about tailored roles, but I don't see her making it all the way. For real, though, Town. Just look at Day One again. All the answers are there.
1423 Soriant★ 10-08-2015 02:11 PM ET (US)	I feel like there should be a rule in place that when one scum is left, they should still narrate their thoughts in the dead thread.
1424 Ourobolus★ 10-08-2015 02:13 PM ET (US)	Terra, I saved your life. Be happy.
1425 palmer_v1★ 10-08-2015 02:21 PM ET (US)	If it ever happens to me, Soriant, I will livejournal my every thought.

1428 Terrabyte20xx★ 10-08-2015 02:52 PM ET (US)	/m1424 That you did! Both you and Flush performed glorious services to humanity!
1429 Launchpad★ 10-08-2015 03:16 PM ET (US)	Don't worry guys. I'll be back in December with a mid-season game that will blow everyone's socks off. Until then, we shall seep in this sorrow of missed opportunities and continue with our regularly scheduled programming.
1430 Soriant★ 10-08-2015 03:22 PM ET (US)	/m1429 I can't wait to play and watch in horror as all of the good roles die before activating.

1431 palmer_v1★ 10-08-2015 03:25 PM ET (US)	/m1430 Town Roles: Cool Job 1 Cool Job 1 Backup 1 Backup 2 etc.
1432 Soriana★ 10-08-2015 03:29 PM ET (US)	/m1431 The power can only activate at night, of course, and scum continues to kill the person capable of doing the cool thing, in order, each night.
1433 palmer_v1★ 10-08-2015 03:31 PM ET (US)	It should just be the fabled No Scum game. Town only wins when they stop lynching themselves.
1434 Soriana★ 10-08-2015 03:35 PM ET (US)	/m1433 I would never win that game.
1435 Splinter 10-08-2015 03:37 PM ET (US)	Oh you're back in December? Might be in time for season 4 after all :p /m1434 You'd die first, silly
1436 Soriana★ 10-08-2015 03:39 PM ET (US)	/m1435 I pride myself on never being lynched. Welp, guess I won't get to play that long in season 4 now, will I? :/
1437 Hyperactivity 10-08-2015 04:03 PM ET (US)	btw launch, is swamped allowed to frame and kill tonight, now that she's the last scum alive?
1438 Coppa Nova 10-08-2015 04:04 PM ET (US)	/m1436 Policy immunity?
1439 Soriana★ 10-08-2015 04:06 PM ET (US)	/m1438 I actually have diplomatic immunity. If you've ever beaten the first Ace Attorney Investigations, you'll know that makes me a very tough nut to crack.
1440 Launchpad★ 10-08-2015 04:28 PM ET (US)	/m1437 no?
1441 Launchpad★ 10-08-2015 04:29 PM ET (US)	Make the game more interesting by changing rules on the fly, isn't this was got me in trouble last game? Actually, wait, it was actually just changing the rules to make things more expedient. Basically, if I do any rule changing, I get in trouble. Edited 10-08-2015 04:30 PM
1442 Soriana★ 10-08-2015 04:31 PM ET (US)	/m1441 So don't change any rules :P Easy peasy.
1443 Launchpad★ 10-08-2015	Then why the hell are you telling me to. You troublemaker.

04:32 PM ET (US)	
1444 Soriana* 10-08-2015 04:35 PM ET (US)	/m1443 I'm aware that Hyper was my alter ego in the fight club game but that game has ended. We are now two separate entities again. Just like you are not Darryl.
1445 yynnny* 10-08-2015 04:51 PM ET (US)	<p>Good morning!</p> <p>Well done town!! Welcome terra!!!</p> <p>Royroy, I totes know how you feel about time zone! Aaaa ;____;</p> <p>Royroy town MVP!</p> <p>Swaaaaaammmmmppppp, I guess you really were committed to trying to get terra's ability to proc... I totes understand! Play big or go home kind of thing ... o7</p> <p>So... This game should end nicely in time with crabbypants' return, I think? Nice nice ^____^</p>
1446 Soriana* 10-08-2015 04:53 PM ET (US)	/m1445 I will be unsurprised when they lynch Star tomorrow instead of Swamped.
1447 Launchpad* 10-08-2015 04:55 PM ET (US)	Did you guys laugh at the nin target game reference? I think looking back through the game, that had to be my favorite nin thing ever.
1448 nin1000 10-08-2015 05:05 PM ET (US)	/m1447 i lol'ed so hard that day at work. Had so much stuff to do at that moment and just threw that sentence out there. Seeing it now as a reference just made me laugh again ^^ I almost forgot it tbh
1449 Rats Off To Ya* 10-08-2015 05:19 PM ET (US)	/m1446 We can eat another mislynch. Swamped is on borrowed time in that case.
1450 Soriana* 10-08-2015 05:22 PM ET (US)	/m1449 I know, I'm fine with it. Like I said, she backed herself into a corner and Roy already knows that each scum has to EITHER kill OR use their power and a framer is pretty obvious now. If she is killing then GC's reads will be on point and she can't kill GC.
1451 Rats Off To Ya* 10-08-2015 05:22 PM ET (US)	Honestly, though, even with Star's weirdness, Swamped exposed herself big time. Nobody's gonna think Charleston is scum and there definitely aren't two Cops.
1452 Soriana* 10-08-2015 05:46 PM ET (US)	<p>I just want the next day phase to start. Zzzzzz</p> <p>Launchie, has Swamped made a decision yet of what she is doing?</p>
1453 Coppa nuva 10-08-2015 06:10 PM ET (US)	New rule to speed it up: 10 minute day phases.

1454 ynnny★ 10-08-2015 08:23 PM ET (US)	Yeah! I agree with soyuri... Town can really swallow mislynch atm so I'm not worried even if a townie got nkd tonight plus they decide to lynch starry tomorrow, it's now a pretty lopsided game for mafia. Swamps and terra's ballsy decision to let it all ride on that gambit had really cost them the game, I think... But tbh the game had quietened considerably at that point so I'm sort of glad things got interesting with their choice... haha Edited 10-08-2015 10:13 PM
1455 ScraftyDevil★ 10-08-2015 08:45 PM ET (US)	This game's been really fun. I died on the first day and I still had a blast.
1456 Hyperactivity 10-08-2015 09:08 PM ET (US)	/m1455 it's tons of fun to cheer your scum teammates from the sidelines and watch town fumble over and over
1457 Rats Off To Ya★ 10-08-2015 10:49 PM ET (US)	/m1456 I got a bit salty reading the commentary in the dead thread for the last game. Now I understand.
1458 Soriant★ 10-08-2015 11:00 PM ET (US)	/m1457 See? You just say things when you are watching from above. I really don't mean most of the things I say. Plus I got salty reading your mason chat about me D:
1459 Rats Off To Ya★ 10-08-2015 11:05 PM ET (US)	/m1458 Yeah, but you were scum. I'm pretty sure we had nothing but nice things to say about you on Day One.
1460 Rats Off To Ya★ 10-08-2015 11:08 PM ET (US)	On that note, though, nothing I've said in here comes close to the shit me and Droplet talked about Flame. >_> Edited 10-08-2015 11:08 PM
1461 Soriant★ 10-08-2015 11:13 PM ET (US)	/m1459 Actually! You found me uber annoying day one and then you weren't actually nice about me until you were sad that I was gone because I kept conversation rolling. Also, you didn't even know I was scum anyway :P
1462 Rats Off To Ya★ 10-08-2015 11:15 PM ET (US)	Nah, man. That was after Day Two. On Day One I said you were a super trustworthy dude and I hoped you wouldn't die. Check the tape!
1463 Rats Off To Ya★ 10-08-2015 11:21 PM ET (US)	Also, I didn't think you were scum, mostly from the goodwill you had built up previously, but I think I had a pretty good reason to be annoyed with you.
1464 Soriant★ 10-08-2015 11:22 PM ET (US)	Hmm, alright, I checked the tapes. You're cleared. You making fun of me for being "the king of fucking Gafia" always stuck out to me but that was actually day 2 so fair fair. Coppa was still always a bad lynch though :P
1465 Soriant★ 10-08-2015 11:24 PM ET (US)	/m1463 I had such high regard for you though! I even told Edge to try and recruit you my first night on the team because I knew you'd be a great addition if you were recruitable. Edit: I also told Nin to murder Darryl because if he was recruitable then cool and if not then that would be one less Darryl but the ultron murdered him instead.

1466 Coppanuva 10-08-2015 11:25 PM ET (US)	/m1464 I'm always a bad Lynch.
1467 Rats Off To Ya★ 10-08-2015 11:27 PM ET (US)	"Honestly, I think Coppa is really a cultist and Blarg might be the town's vigilante." You have tapes too, my friend. I'll cop to being stubborn on Day Three, but dude was scummy as fuck on Day Two. "Cop, please don't investigate me"? C'mon.
1468 Soriana★ 10-08-2015 11:40 PM ET (US)	/m1467 Huh, wow I did say that. I don't remember thinking either of those things. I have a bad habit of putting everything I think down in writing. Heh, whoops.
1469 Coppanuva 10-08-2015 11:40 PM ET (US)	/m1467 still a bad idea to investigate me then. Outing the cop on a powerless villager is bad and I'd rather have them investigate someone who would live longer.
1470 Soriana★ 10-08-2015 11:41 PM ET (US)	In my defense though, I don't think Coppa had cracked yet exposing that jelly filled ordinary core. He did something that made it super obvious he was ordinary and I remember still being alive and commenting on it in the thread.
1471 ScraftyDevil★ 10-09-2015 02:54 AM ET (US)	All I remember from Rats and Drops' thread is Rats' spot-on analysis that I was more interested in role playing than actually winning. Since I was a normal townie, I honestly didn't expect to live through the whole game and figured I'd at least try and entertain people while I was alive. Of course I ended up surviving regardless, but that was more thanks to blind luck than any skillful playing on my part.
1472 Hyperactivity★ 10-09-2015 04:43 AM ET (US)	/m1471 Rats and drops thread was tons of fun to read. Especially when they thought I was going to try and go over more possible situations when I knew I was dead
1473 Rats Off To Ya★ 10-09-2015 05:47 AM ET (US)	/m1472 We felt so bad for you, doing such exhaustive analysis, all the while assuming we were a double kill. We couldn't correct you, obviously. I had that lie ready to go before the game even started.

1475 Rats Off To Ya★ 10-09-2015 05:59 AM ET (US)	I've been pulling for roy big time ever since I died. Sawneeks laid the smack down pretty good at the end of the day, though. Didn't see that one coming.
1476 cabot★ 10-09-2015 06:02 AM ET (US)	i was impressed by swamped's audacity, though I expect her to be target number one after that. I mean Scrafty (edit: Star, I don't know why i said Scrafty!) didnt do herself any favours but swamped's gambit was ripped to pieces on that flip Rats I keep meaning to say, but I think you'll like my framed wall art in my living room, it's a lovely big design of Red from Transistor. I'll need to show you. Edited 10-09-2015 08:13 AM
1477 Rats Off To Ya★	As a fan of big plays, I do have to applaud Swamped. She went for the style points instead of coasting to victory. Would you believe I've never played past the first 40~ minutes of Transistor? Bastion is an all-time top ten for me, but

10-09-2015 06:08 AM ET (US)	when Transistor came out I wasn't really in a great head space to get into it, and I haven't bothered to give it another shot. But Jen Zee's art is amazing and I'm a sucker for redheaded female protagonists, so I haven't changed my Steam avatar.

1514 Terrabyte20xx ★ 10-09-2015 01:20 PM ET (US)	Before I died, Swamped and I thought that Star might be a Miller. I bet she's running with that idea.
1515 Soriana★ 10-09-2015 01:23 PM ET (US)	Ah ok, at least that makes more sense. Star probably won't realize it, but she can just role claim now.
1516 Soriana★ 10-09-2015 01:24 PM ET (US)	I feel like she literally believes anything people say though lol
1517 Launchpad★ 10-09-2015 01:26 PM ET (US)	I actually want to see how the game will react if StarSketch loses her BP lolol
1518 Soriana★ 10-09-2015 01:29 PM ET (US)	Is there some public announcement when she loses her BP? It shouldn't matter at this point since there probably won't be another night phase.
1519 Coppanuva 10-09-2015 01:31 PM ET (US)	That's how you do it StarSketch! Coming in hard at the end here!
1520 Lone_Prodigy ★ 10-09-2015 01:36 PM ET (US)	Matt Attack passed out but then became lifeless? I thought no one was dying in this game. :(
1521 Soriana★ 10-09-2015 01:40 PM ET (US)	Roy thinks like I do. The "lame duck"/kingmaker line was the main issue with his role claim. Adding a kingmaker wouldn't be subverting expectations as Ouro has been urging people to do, it would just be shitty game design.
1522 Matt Attack 10-09-2015 01:41 PM ET (US)	I died because I said that I didn't like tacos
1523 Soriana★ 10-09-2015 01:47 PM ET (US)	Womp womp, rap it up folks.
1524 Coppanuva 10-09-2015 01:51 PM ET (US)	Roy being so coy trying to keep us out. He's not getting any of the celebratory tacos I'm bringing.
1525 Lone_Prodigy ★ 10-09-2015 01:54 PM ET (US)	Roy with a great post. Terra and Swamped going all in was super risky and it almost worked too. I think in the end the role claim was too complicated and roy found the one hole in it. I wonder what would've happened if Star's last-minute vote counted. No one dies, Matt or roy dies, 4-2. Terra and Swamped could probably convince Star to vote out GC. 3-2, someone else dies, 2-2, draw? Edited 10-09-2015 01:56 PM
1526	Maybe Terra can answer me now if he pops around instead of me waiting to ask in thread. Why not just tailor and kill

<p>Sorian*</p> <p>10-09-2015</p> <p>01:57 PM ET (US)</p>	<p>GC in the same night? Were you guys that worried that people would question why only a scum died during the night phase? I don't think Gafia had the experience to think of a tailor role so while it would have seemed weird, they would have just argued about if there was someone else who could kill or if scum had an ability to backfire (could have actually tailored GC's role to read that once per game he could attempt a double kill but he had a 50% chance of failing and dying instead).</p>
<p>1527</p> <p>Sorian*</p> <p>10-09-2015</p> <p>01:57 PM ET (US)</p>	<p>/m1525 There is no draw in mafia. The 2-2 day ends in no lynch, mafia kills someone that night, 2-1 scum wins.</p>
<p>1528</p> <p>El Topo</p> <p>10-09-2015</p> <p>01:59 PM ET (US)</p>	<p>Roy is great. I knew my gut was right when it told me to kill him.</p>
<p>1529</p> <p>Sorian*</p> <p>10-09-2015</p> <p>02:13 PM ET (US)</p>	<p>Roy with all the hard hitting questions lol</p>
<p>1530</p> <p>Lone_Prodigy*</p> <p>10-09-2015</p> <p>02:13 PM ET (US)</p>	<p>/m1527 oh right. Good thing the late vote didn't count then.</p> <p>I think the tailor role was a bit OP especially since scum could kill as well. Are tailors always mafia? A town-aligned tailor would be interesting.</p>
<p>1531</p> <p>Sorian*</p> <p>10-09-2015</p> <p>02:17 PM ET (US)</p>	<p>/m1530 I think tailor has to be neutral or scum aligned, it serves 0 purpose for a townie.</p>
<p>1532</p> <p>Terrabyte20xx*</p> <p>10-09-2015</p> <p>02:20 PM ET (US)</p>	<p>/m1526</p> <p>Actually.... I don't really know. It never occurred to us to do that in this stage of the game. We wanted to pull something out like that early on, but Rats killed that.</p>
<p>1533</p> <p>Sorian*</p> <p>10-09-2015</p> <p>02:28 PM ET (US)</p>	<p>/m1532 Put me on the scum team coach, I got this :P</p> <p>I think trying to guess the lynch was just too ballsy. Hindsight and all of that but killing them at night and being allowed to make their role whatever you wanted meant you had a lot of leeway to craft whatever narrative you wanted.</p>
<p>1534</p> <p>Lone_Prodigy*</p> <p>10-09-2015</p> <p>02:29 PM ET (US)</p>	<p>/m1531 tailor an ordinary to be PR and get them lynched?</p>
<p>1535</p> <p>Sorian*</p> <p>10-09-2015</p> <p>02:33 PM ET (US)</p>	<p>/m1534 All that would do is cause issues for the real PR when they have to role claim later. So sure, you could tailor an ordinary (you'd also be guessing if they even are ordinary because you can't communicate with them) to flip as a town cop and the scum will be like "oh sweet, cop is dead" but then the real cop is going to be in hot shit when s/he has to claim because what dumb game would have two cops in it? Also, what if you actually tailor something important. You make the cop flip as a roleblocker? Now suddenly, everyone is waiting for a cop that will never appear.</p> <p>Edit: It's just anti-town in any situation I can think of. It's not even like a roleblocker which is easy to be anti-town but the risk/reward is that when used right, it's EXTREMELY powerful. There is just no right move I can think of for a town tailor.</p> <p>Edited 10-09-2015 02:34 PM</p>
<p>1536</p> <p>palmer_v1*</p> <p>10-09-2015</p> <p>02:56 PM ET (US)</p>	<p>About the only ways I can think of using it as Town is to try and Tailor someone in a way that makes it seem like they had a partner with a passive counterattack type ability. Make scum a lot more nervous about who they kill, without casting doubt on any actual town power roles.</p> <p>i.e. You are a Lynch Bomb Mason. Your fellow Mason is a NK bomb.</p> <p>Even then, it's sketchy as hell. I probably just wouldn't use the ability unless I had a need to take a night action as proof of something.</p>
<p>1537</p> <p>Sorian*</p>	<p>/m1536 I'd argue that a town-aligned lynch bomb probably has no chance of doing their team any favors. But, yeah, even then, you'd have to be 100% sure that the person you are tailoring is an ordinary or the odds are high that you are</p>

10-09-2015 03:01 PM ET (US)	hurting more than helping and god forbid you tailor a scum to look town. It's like all of the danger of a governor with none of the exciting reward.
1538 Lone_Prodigy★ 10-09-2015 03:07 PM ET (US)	I love how they're refusing to hammer and just shifting straight to post-game talk.
1539 Launchpad★ 10-09-2015 03:11 PM ET (US)	...without letting you guys join in lol
1540 Burbeting★ 10-09-2015 03:12 PM ET (US)	They should hammer it now since Crab gets unbanned tomorrow, so it would be fitting.
1541 Soriant★ 10-09-2015 03:16 PM ET (US)	Crab would have been on there calling them chucklefucks for not ending the game.
1542 Soriant★ 10-09-2015 03:38 PM ET (US)	Crab is unbanned, why hasn't he saved us yet? D:
