| 45 cabbah 08-31- 2015 02:36 PM ET (US) | I'm actually looking forward to the dead thread, I had a pretty great reveal! Also still in Archer (cue epic night death as final insult) |
| 46 cabbah 08-31- 2015 02:45 PM ET (US) | lol think launch is scum now with that reaction. |
| 47 cabbah 08-31- 2015 03:33 PM ET (US) | THIS IS GOING WELL. HOW IS YOUR LIFE |
| 48 CzarTim★ 08-31- 2015 03:49 PM ET (US) | I'm having a very relaxing afternoon. Thanks for asking! |
| 49 cabbah 08-31- 2015 03:55 PM ET (US) | good stuff. I'd take a picture of the Glasgow skyline to relax you more but this doesnt support images does it. |

| CzarTim★ 08-31-2015 04:08 PM ET (US) | lol |
| 51 cabbeh 08-31-2015 04:20 PM ET (US) | <p>This is a recurring theme which has happened since El Topo and his shenanigans.</p> <p>It seems people are taking the 'Trust No One' motto of the game far too seriously.</p> <p>I play it as 'Trust No One Fully' It's not black and white. Only way that's coming out is through cops or some such.</p> <p>This reaction can be summed up by a disalarming lack of trust.</p> <p>This is our trust circle though, Tim. We're good.</p> <p>You play the hand you've been dealt.</p> <p>On the bright side I got some piffy responses in there.</p> |
| 52 cabbeh 08-31-2015 04:20 PM ET (US) | No Kinky Kark :(|
| 53 CzarTim★ 08-31-2015 05:09 PM ET (US) | things are swinging away from you! |

| 60 not_cabbeh 09-01-2015 05:26 AM ET (US) | just because it's true doesn't mean I hate it! |
| 61 not_cabbeh 09-01-2015 05:28 AM ET (US) | I think that made sense, but who knows. |
| 62 not_cabbeh 09-01-2015 06:58 AM ET (US) | What do you think the chances are that squidy is the most outrageous mafia player ever and has bussed two of his own team mates to gain town trust and is going all in? PARANOIA! |
| 63 CzarTim★ 09-01-2015 07:02 AM ET (US) | that's the best part of mafia, when it's down towards the end and suddenly everyone is suspicious |
| 64 not_cabbeh 09-01-2015 07:04 AM ET (US) | Well if his role claim is legit and QB is legit, he's been essentially confirmed town. QB may have to burn soon, his death would confirm a few peeps. |
| 65 not_cabbeh 09-01-2015 | also bat's claim is such epic fail. But his scenario set up at least makes me think we can come back on D2 and decide what happens. |

| 105 not_cabbeh 09-02- 2015 09:22 AM ET (US) | <p>god it's like im looking in a text-based mirror.</p> <p>mason love game thoughts:</p> <p>I'm feeling retro could be scummy.</p> <p>I think salva is scummy, though I do remember finding him hard to read when I saw him in the other games. So I'm not super certain, about 60%. His behaviour with me is very scummy though, why is he more suspicious of me now when I've been a better player since the claim?</p> <p>SECRET REASON FOR LYNCHING KARK #1: I'm not really following up on launch because if kark flips town then I can go against him because he's 0 for 2 lynchings after being absolutely certain both were scum.</p> <p>I think Sorian is town. Share roy's sentiment that it's hard to get an in depth read because of the post count.</p> <p>I think roy is town. I think roy is actually a clone of me. I am worried about roy for</p> |

| | |
|--|---|
| | <p>ethical reasons.</p> <p>Darryl is slightly different this game, but he guts as town. Not certain by a long shot.</p> <p>Ouro reads as town, but disappointed he got it so wrong on bat (I was hoping a few more people would come round to my reasoning, they seemed to ignore the whole 'new player coming from different mafia community' angle. To be fair though bat did not make it easy by seeing so stubborn and sure of himself.)</p> <p>L_P - possible neutral. I don't think he's scum, and I think town may be a stretch. I'm always suspect of town aligned kill roles.</p> <p>Burb - Yeah seems to be posting as burb always does. Solid contributions, detailed and analytical. Town</p> <p>Blarg - He could be scum. I think how Kark flips will maybe put me a little at ease on Blarg. Wanting to verify bat was a pro-town move. Blarg gunna blarg makes him difficult to avoid lynching at times though.</p> <p>Fireblend - I say town. Not with any real conviction, but he seems to believe my claim, and anyone who believes my claim is more town than not.</p> |
| <p>106 not_cabbeh 09-02- 2015 09:25 AM ET (US)</p> | <p>also salva's claims of me being disruptive when I've been probably the third most useful poster is very suspect. He stinks.</p> <p>Question is where do I prioritise him? I want to go after Launch, Salva, Retro and tease Blarg in day 2.</p> |
| <p>107 CzarTim★ 09-02- 2015 09:27 AM ET (US)</p> | <p>I know who all the scum are!</p> |
| <p>108 not_cabbeh 09-02- 2015 09:27 AM ET (US)</p> | <p>I hope you don't mind but I'm going to use our mason love fest as a sounding board for notes, so expect more of these self-fulfilling narrations.</p> <p>I know, it's an absolute nightmare and I'm sure you're sick in your own mouth just reading this drivel.</p> |
| <p>109 not_cabbeh 09-02- 2015 09:28 AM ET (US)</p> | <p>well, duh!</p> <p>You're not important in this love fest, this is all masturbation!</p> |

| 132 CzarTim★ 09-03- 2015 07:44 AM ET (US) | Kark said he wouldn't have done his gambit had you claimed miller up front. So really this was all your fault. |
| 133 not_cabb8 09-03- 2015 08:03 AM ET (US) | I didn't dictate how he behaved after the claim which was a complete mess. So I'm only half sorry! |
| 134 not_cabb8 09-03- 2015 08:05 AM ET (US) | you've seen the dead chat, what was the general opinion, did people think I was BSing or truthing? YOU CAN TELL ME THAT IT ONLY RELATES TO MY CLAIM |
| 135 CzarTim★ 09-03- 2015 09:14 AM ET (US) | I don't think anyone doubted it. I had convinced the dead thread Kark was mafia because I just said "he's lying" and left it at that. So the focus was mostly on people wanting him lynched lol |
| 136 | I think the way you claimed made you trusted tbh. You handled it very well. |

| 139 CzarTim★ 09-03-2015 09:49 AM ET (US) | sure! I think having a mason chat with the mod is fitting with this game |
| 140 not_cabbeh 09-03-2015 09:58 AM ET (US) | Batshit Insane? Hello readers, this is the point where it all went meta. Time to be cryptic and talk about carrots to ensure survival |

But unlikely, I will be lynched eventually.</p> <p>I think roy or Lone_Prodigy will go.</p> <p>What about you? Your gut feeling, not your actual PM ya loser</p> |

| 262 cabot★ 09-16-2015 05:40 PM ET (US) | going through the NX chat now, was this referencing me, you torag? the flavor in this game is dumb, but there are mostly normal roles. There are 3 "oh shit" roles that might come up, and one of those *should* role claim today. |
| 263 CzarTim★ 09-16-2015 06:33 PM ET (US) | yep! |
| 264 CzarTim★ 09-16-2015 06:38 PM ET (US) | I thought you claiming day one would have sparked good discussion for day one, which is usually boring. Unfortunately Kark did his thing first. The thing that you should be proud of is the fact that you were a claimed miller that was town read by most people. That's difficult to do. |
| 265 cabot★ 09-17-2015 03:40 AM ET (US) | yeah I think the Miller stuff as right. I even saw Palmer throw a compliment my way on it. I think where I faltered was in not lynching Launch. I feel Launch's playstyle this game was extremely negative to a point where it was actively hindering the game. Now I know he's town I'm even more confused by it. I can only see that play as a mafia, it's a mess. I was never certain on Launch for this very reason, resulting in my vote (and quick unvote) at the end there. I tunnelled way too hard on Salva for no gains (I'm being intentionally hands off in election) and I feel I started to discount my own opinion because it usually disagreed with Sorian/Launch. I've learned a lot from the game both in what I look for in other townies and what I feel I should do to improve. |

| | |
