1 CzarTim 08-29-2015 01:46 PM ET (US)	hi! reminder, only NX talk here. the other 3 games are ongoing! Edited 08-29-2015 03:26 PM
2 CzarTim 08-29-2015 02:09 PM ET (US)	hey swamped, sorry you didnt get it. did not expect it to fill up so fast
3 swamped 08-29-2015 02:12 PM ET (US)	That's totally fine! I probably wouldn't have been able to dedicate enough time to NX Mafia and DR Mafia while traveling this week anyway lol. But...tell us some juicy gossip. I want to know one of the no-fun-allowed people. I just find these games are so much more fun to spectate when you know something about the game and are just watching the participants flail around lol.
4 CzarTim 08-29-2015 02:18 PM ET (US)	I'll PM you the mafia team, but I will say this here: Sorian is a 3p Microsoft Marketer pushing microsoft products. Today he had to push windows 10 (which he already did 3 times)
5 CzarTim 08-29-2015 02:21 PM ET (US)	cab calling him out on it was hilarious
6 TaylorSwift 08-29-2015 02:39 PM ET (US)	buongiorno Sorian being forced to push Microsoft products is hilarious and so bizarrely appropriate, I don't think it would work so well with someone quieter
7 CzarTim 08-29-2015 02:40 PM ET (US)	yeah i was worried the role would be too hard, but he'll be able to hide it. Might let the dead thread help pick the products too.
8 swamped 08-29-2015 02:51 PM ET (US)	Sorian's role is so perfect! I don't think people will associate the Microsoft talk with his role, but if he overdoes it he might be in trouble Edited 08-29-2015 02:52 PM
9	he only has to mention it 3 times a day, so it should be ok. He can fail two times

CzarTim 08-29-2015 02:54 PM ET (US)	before losing so if things get hot he can always purposefully skip a day. There's actually a whole other side to his role that I'll keep a surprise for now.
10 haly 08-29-2015 02:57 PM ET (US)	I'm sorry Czartim, I'm just so bored.
11 CzarTim 08-29-2015 02:58 PM ET (US)	it's fine <3
12 haly 08-29-2015 02:59 PM ET (US)	So is there a plot twist or is the twist that there's no twist?
13 CzarTim 08-29-2015 02:59 PM ET (US)	salva is ordinary, no idea what he's talking about with the special game thing
14 swamped 08-29-2015 03:00 PM ET (US)	If you're bored, i can always vote for you to liven things up VOTE: Corgi
15 haly 08-29-2015 03:01 PM ET (US)	I meant for the setup. Salva's just trying to set the flow of the game I think. VOTE: Swamped!!!
16 CzarTim 08-29-2015 03:01 PM ET (US)	the flavor in this game is dumb, but there are mostly normal roles. There are 3 "oh shit" roles that might come up, and one of those *should* role claim today.
17 haly 08-29-2015 03:06 PM ET (US)	I hope there's a line-cut vigilante.
18 CzarTim 08-29-2015 03:10 PM ET (US)	it's a pot brownie that makes someone overdose.
19 TaylorSwift	ah, Sorian

08-29-2015 03:26 PM ET (US)	how I've missed you throwing your vote around and making the people talk Edited 08-29-2015 03:27 PM
20 Hyperactivity 08-29-2015 03:36 PM ET (US)	This is going to be fun to watch
21 CzarTim 08-29-2015 03:44 PM ET (US)	I kind of dislike it when people prod other players less than 24 hours into the game. As if scum would not even post once.
22 swamped 08-29-2015 04:02 PM ET (US)	Omg leave L_P alone! Poor guy, he probably just had to step out for some reason
23 TaylorSwift 08-29-2015 04:11 PM ET (US)	having a life is a total scumtell we're only three hours into Day 1, they're probably best just talking among themselves for the moment rather than waiting for someone who may have plans on a Saturday it's not like it's been three days Edited 08-29-2015 04:11 PM
24 CzarTim 08-29-2015 04:21 PM ET (US)	Yeah, voting for people who havent posted yet runs the risk of stopping all talk until they show up. Which could be up to 24 hours depending on schedules.
25 haly 08-29-2015 04:26 PM ET (US)	Not posting? Scumtell Posting too soon? Scumtell Posting too little? Scumtell Posting too much? Scumtell Calling Scumtells? Scumtell!
26 CzarTim 08-29-2015 04:29 PM ET (US)	and then the real scum stay in the middle
27 swamped 08-29-2015 04:52 PM ET (US)	"Hey, sorry. The wife decided to re-tile our shower today so that's been taking up my free time. Also, in general weekends are super busy for me. (Which is why ONUW runs mid-week.)" Every time I read a post like this I come to the realization that though I'm an 'adult', I'm really really not.
28 Czartim 08-29-2015	What's next, paying taxes? Also blarg is in the house, yall

04:59 PM ET (US)	
29 haly 08-29-2015 04:59 PM ET (US)	You're not an adult until your spouse/children take up time from your online board games. The real adults are out there, changing their babies' daipers when there's downtime during raids. Edited 08-29-2015 05:00 PM
30 swamped 08-29-2015 05:17 PM ET (US)	/m29 They're probably the ones who did their homework during raid downtimes lol
31 haly 08-29-2015 05:19 PM ET (US)	They didn't choose the raiding life, the raiding life chose them.
32 swamped 08-29-2015 05:27 PM ET (US)	Please don't tell me Blarg has a PR. Never goes well for him lol. I'm actually very curious to know how he plays when he's an ordinary
33 Czartim 08-29-2015 05:30 PM ET (US)	He is ordinary, but I still predict a day two lynch
34 Hyperactivity 08-29-2015 05:37 PM ET (US)	At least it won't hurt anyone He can't fuck people over by being a town pr that dies because of his shenanigans
35 Czartim 08-29-2015 05:41 PM ET (US)	In smaller games like this, every lynch counts. I think town has about five mislynches so wasting one on blarg is a bigger deal.
36 Hyperactivity 08-29-2015 05:45 PM ET (US)	Huh Oh, btw, I just want to know this (no need to tell me the powers or who it is) Is Triforce a power role in this game?
37 Czartim 08-29-2015 05:47 PM ET (US)	There are no Nintendo related roles, I'm afraid. The theme was kind of a misdirection.
38 haly	I would've claimed Miyamoto.

08-29-2015 05:52 PM ET (US)	
39 Czartim 08-29-2015 05:56 PM ET (US)	He is hiding in that giant yarn yoshi mentioned in the op and will come out if town wins.
40 haly 08-29-2015 06:00 PM ET (US)	Best. Mafia. Ever.
41 Hyperactivity 08-29-2015 06:26 PM ET (US)	Who comes out with a nofun win? Something mobile related, right? Or even better, Jack Thompson
42 Czartim 08-29-2015 06:29 PM ET (US)	Jack Thompson is a hilarious idea, I might just steal it! Edited 08-29-2015 06:29 PM
43 TaylorSwift 08-29-2015 06:46 PM ET (US)	Already Sorian almost has as many posts in this as I do in Cthulhu after four days I feel like we could each learn some lessons from the other
44 CzarTim 08-29-2015 06:49 PM ET (US)	He def. drives the discussion.
45 kingkitty 08-29-2015 07:19 PM ET (US)	nintendo suks
46 CzarTim 08-29-2015 07:21 PM ET (US)	splatoon is dope tho
47 CzarTim 08-29-2015 07:37 PM ET (US)	kark is playing with fire right now lol
48 kingkitty	it's a bold strategy.

08-29-2015 07:59 PM ET (US)	
49 CzarTim 08-29-2015 07:59 PM ET (US)	I'm headed out for the evening. If anyone does anything that needs a mod, PM Palmer, he has the role stuff too.
50 swamped 08-29-2015 10:07 PM ET (US)	Lol Karkador
51 Hyperactivity 08-29-2015 10:29 PM ET (US)	Ok, someone help me I can't figure out what Karkador is doing
52 Ty4on 08-29-2015 10:30 PM ET (US)	Kark's tricks or whatever works for me. Launch is starting to look scummy in my eyes.
53 Hyperactivity 08-29-2015 11:47 PM ET (US)	Blarg is an ordinary kid, right? Yup, totally anti-town play. Has nothing to offer but day time chaos Oh well, at least it's fun to watch from the sidelines
54 swamped 08-29-2015 11:56 PM ET (US)	It's fun and informative to see how people react to Karkador's gambit. And if he is mafia, then he would have coordinated with his teammates. They probably wouldn't get too involved, as reactions may end up looking staged. Maybe, i dunno. (Btw i know the mafia team lol)
55 palmer_v1 08-30-2015 12:24 AM ET (US)	BTW, I PM'd Sorian to ask what he thought of his role. He's worried he'll have to shill for Windows Phones at some point. You know what must be done.
56 kingkitty 08-30-2015 12:26 AM ET (US)	i have the most realistic answer to what is happening right now. both kark and launchpad are mafia. and their bold plan will pay off, gg nintendo.
57 kingkitty 08-30-2015 12:38 AM ET (US)	palmer I'm personally rooting for a mention of Microsoft Bob
58 swamped	I really can't wait to see how Sorian plays his role in the coming day phases. Someone is bound to notice something is up lol.

08-30-2015 01:13 AM ET (US)	
59 Hyperactivity 08-30-2015 01:32 AM ET (US)	cabbeh already noticed So is Sorian neutral or no fun? If he's no fun, than I suspect cabbeh might go tonight, because he's barely noticed it so that people won't think "cabbeh went after sorian yesterday" but he's already piecing things together That still might be too much though
60 CzarTim 08-30-2015 02:16 AM ET (US)	Whew I was really nervous someone would use an ability while I was gone. Edited 08-30-2015 02:38 AM
61 CzarTim 08-30-2015 02:17 AM ET (US)	sorian is neutral. e: tomorrow will be xbox one, I think given the set up he should have an easier time. But I'm wondering if he should spread the mentions out a bit more than he did today. Edited 08-30-2015 02:23 AM
62 palmer_v1 08-30-2015 02:49 AM ET (US)	He seems to be playing pro-town. You have to if you want to avoid attention, but I wonder if he might go too far and get NK'd.
63 Czartim 08-30-2015 03:08 AM ET (US)	Yeah that's my worry too. Especially given moooooo
64 swamped 08-30-2015 06:38 AM ET (US)	"Launchpad is a flip-flopper" Pfff whatever, he doesn't hold a candle to the REAL flip-flopper, CornBurrito lol
65 swamped 08-30-2015 06:40 AM ET (US)	And mentioning Xbox One shouldn't be so difficult. Could be quite hilarious too!
66 CzarTim 08-30-2015 06:53 AM ET (US)	Yeah I'm not sure how Launch is a flip flopper considering he has all of two votes, and one of those was a joke. If I were town, I'd be furious at Kark right now. Why policy lynch a good player when blarg is in your game lol
67 swamped 08-30-2015 07:34 AM ET (US)	I really want Blarg to make it past day 2 this time, break his curse. Also, i had to look up what Microsoft Bob was. What a hilariously ridiculous idea!
68	whats up party people

Rats Off To Ya 08-30-2015 08:21 AM ET (US)	
69 Czartim 08-30-2015 08:26 AM ET (US)	Welcome to the cool dead thread.
70 TaylorSwift 08-30-2015 09:27 AM ET (US)	/m66 in all fairness Blarg is very astute and is generally quite perceptive and useful when he wants to be the problem is that he only really wants to be when it's too late and half of the thread has decided that lynching him is the best course of action
71 Czartim 08-30-2015 09:31 AM ET (US)	Oh I like blarg, I'm just giving him shit.
72 ynnny 08-30-2015 10:30 AM ET (US)	I'm still trying to catch up... But, two pages in after the day started and I'm convinced that this is the most hilarious gafia there's been! Lol at sorian and his Microsoft mentions!!! Terrific idea, czarrrr. So much win. Very laugh :D
73 Czartim 08-30-2015 11:30 AM ET (US)	Hi YN!
74 Czartim 08-30-2015 11:32 AM ET (US)	Will kark survive the day? I think not.
75 Hyperactivity 08-30-2015 11:44 AM ET (US)	He's getting Launch to look scummy Launch is gone today, tonight, or tomorrow
76 CzarTim 08-30-2015 11:48 AM ET (US)	If town lynches a top poster day one regardless of alignment, I will be very sad
77 Rats Off To Ya 08-30-2015	I love that Sorian is a MS marketing guy. The Plankest role of them all. I hope Blarg lynches him for being a distracting third party.

11:58 AM ET (US)	
78 Hyperactivity 08-30-2015 12:11 PM ET (US)	Launch is done for. KArk isn't lying, right?
79 CzarTim 08-30-2015 12:13 PM ET (US)	he is lying! Edited 08-30-2015 12:14 PM
80 TaylorSwift 08-30-2015 12:19 PM ET (US)	oh wow lol so is Launch really just town bravely battling through? poor guy
81 CzarTim 08-30-2015 12:25 PM ET (US)	kark: "If I'm truly voted out, blame those who voted - and hold them to it" You're voting for yourself!
82 Hyperactivity 08-30-2015 12:45 PM ET (US)	Welp Launch is still screwed if Kark's plan works out Although it may backfire on KArk in a day or two
83 swamped 08-30-2015 01:13 PM ET (US)	Launch suffering from tunnel syndrome? I can understand that he looks really scummy though. But his comment on "do we even have ordinary kids in the game" makes me think he is a PR of some sort. Does Cabbeh also have a 3p role like Sorian, that android comment came out of nowhere lol
84 Czartim 08-30-2015 01:15 PM ET (US)	It's not 3p but it's something
85 swamped 08-30-2015 01:18 PM ET (US)	Promoter of Nintendo mobile gaming lol?
86 Czartim 08-30-2015 01:19 PM ET (US)	I won't spoil it!
87 swamped	XD i will say you thought up some pretty funny roles

08-30-2015 01:20 PM ET (US)	
88 Czartim 08-30-2015 01:33 PM ET (US)	:D
89 CzarTim 08-30-2015 05:54 PM ET (US)	Poor Launch :(edit: http://www.neogaf.com/forum/showpost.php?p...65609&postcount=554 hahaha Edited 08-30-2015 05:58 PM
90 haly 08-30-2015 06:11 PM ET (US)	Hella heated.
91 CzarTim 08-30-2015 06:29 PM ET (US)	Oh no, mafia are talking about misusing a very powerful ability and it's a 1 shot And on top of that they might be walking into a trap with another PR Edited 08-30-2015 06:33 PM
92 Hyperactivity 08-30-2015 07:28 PM ET (US)	Oh god I can't wait for chaos to ensue Is the misuse an Enker level misuse?
93 Czartim 08-30-2015 07:29 PM ET (US)	Nah, I just don't think they realize it would be a lot more useful later
94 ynnny 08-30-2015 07:59 PM ET (US)	lol ENKER level misuse :> mannnn i hate that it's monday morning here. im still behind :< i wants to get to the hella chaos part already~ wheeeeeeeee
95 Hyperactivity 08-30-2015 08:11 PM ET (US)	More Gafia games need to end during the weekend. I would have much more time for last minute voting if it was that way Besides, I, and basically every other poster, could be far more active then
96 ynnny 08-30-2015 08:22 PM ET (US)	ugh i love that sorian and launch are in the same game so much. you guys donno how much i love that these two are in this game amg i know im biased but i love high-activity-playstyle the best <3..... except maybe if i'm in it with them. i'd cry.

97 TaylorSwift 08-30-2015 09:06 PM ET (US)	"I spread my vote like the clap" too much information, Sorian also, watch the wildest dreams vid on yt now xoxo: https://www.youtube.com/watch?v=IdneKLhsWOQ
98 swamped 08-30-2015 09:32 PM ET (US)	/m97 one of the better songs on that album. Maybe I'm just used to her old stuff but i think she's best when she writes a pining love song /m95 I agree! But i think it's the opposite for many people lol. Some find it easier to post at work, some have to retile bathrooms during the weekends. I get the feeling something terrible will happen at the last minute here... And LOL at Blargonaut's post 648 Edited 08-30-2015 09:35 PM
99 palmer_v1 08-30-2015 09:55 PM ET (US)	So who does everyone think the Mafia are so far? Not sure how much Czar is spoiled or what he's holding back.
100 palmer_v1 08-30-2015 09:59 PM ET (US)	Here's a teaser that amused me. One of the roles is called "Incontinence Guy". It is a power role, but I won't tell you which team.
101 Hyperactivity 08-30-2015 10:03 PM ET (US)	All the results I get for that are for men that can't control their bladder, and we've already got a sausage fest. This is a long line, right? Edited 08-30-2015 10:07 PM
102 haly 08-30-2015 10:07 PM ET (US)	Uuuh, X-shot commuter who keeps going to the restroom to pee? So probably aligned with Fun. Edited 08-30-2015 10:07 PM
103 Hyperactivity 08-30-2015 10:14 PM ET (US)	Hah, he'd lose his place in line though
104 ynnny 08-30-2015 10:45 PM ET (US)	not if he's a boingboing queue jumper!! FILTHY QUEUE JUMPERS >:O .... i donno who i'd pick as no-fun-scum... they are all so hard to reaaaaaaaad but i'm thinking... mmm maybe fireblend and royroy. mmmm.
105 swamped 08-30-2015	/m104 ! Why do you think that?

11:30 PM ET (US)	
106 ynnny 08-30-2015 11:58 PM ET (US)	idk, swampie :< its all gut feelings! ... is what squidy called the 'hot picks' ! im super tempted to ask czar the who's the naughties list but i also enjoy guessing in the dark XD wheres pau and droplet at~ im saving some seats for mah GAFia sisterz~
107 ynnny 08-31-2015 12:21 AM ET (US)	aaaaaaaaah caught up lol at blarg chirping by himself. so cute. i wanna pet it~ uh... idk what to make of kark's ploy. i dont quite like it for a d1 move. but im noob at mafia so maybe he knows what he doing~ do we have a betting who's gonna get lynched for d1? i think ... probably kark. though the ship seems to have now found a new potential love interest in batsnacks :3 also N1 victim. i'm thinking burbe's going. XD
108 Droplet 08-31-2015 03:05 AM ET (US)	Thanks for the invite ynny!! Only having gone back and read the first couple pages, it's hilarious that Sorian's in-game marketing push for Windows 10 became a real life marketing push for FFXIV.
109 CzarTim 08-31-2015 04:45 AM ET (US)	I think Kark is going to go too. I *really* wish L_P would post more, he could make this game verrrry interesting.
110 CzarTim 08-31-2015 04:47 AM ET (US)	Also the mafia have been falling for every single fake hint of a power role, and don't seem to have a clue of who had the real ones.
111 swamped 08-31-2015 08:18 AM ET (US)	Come on Team No-Fun, you can do better than that!
112 CzarTim 08-31-2015 09:45 AM ET (US)	lol Launch
113 ynnny 08-31-2015	haha launch so angry ^____^;;; aah this launch v kark so intense~~~ and now bat seems to have moved to the bullseye position XD

10:19 AM ET (US)	... also, i almost couldn't believe darryl was complaining about aggressive play??? for a sec, i had to reread and make sure it was our darryl! :D
114 CzarTim 08-31-2015 10:20 AM ET (US)	yeah that was funny!
115 CzarTim 08-31-2015 01:11 PM ET (US)	no L_P, use your ability! for the lols!
116 CzarTim 08-31-2015 01:20 PM ET (US)	role claim incoming!
117 Droplet 08-31-2015 01:21 PM ET (US)	What's Sorian's win condition?
118 CzarTim 08-31-2015 01:25 PM ET (US)	he has two, one is to survive until the end of the game, other is a surprise
119 TaylorSwift 08-31-2015 01:36 PM ET (US)	cabbeh's role *cackles*
120 CzarTim 08-31-2015 01:39 PM ET (US)	boom goes the dynamite. I was going to be so cross with him if he didn't claim today
121 palmer_v1 08-31-2015 01:40 PM ET (US)	"Rather, the proof lies in the semi-fluff posts I made at the very beginning of the thread, and one further commenting on how I'm sure theres a cop role, because obviously my role points to this (I have read that Millers have been used in games without Cops as red herrings, and CzarTim sucks, so this is possible." He's eyeballing the wrong moderator of this game. >.> Edit: I'll never really do it, but when I was giving Czar feedback I did mention that it

	would be funny to have a game filled with trolly roles. Like a bunch of Millers, but no Cop. NK Immune Mafia, but no Vig or SK. Edited 08-31-2015 01:42 PM
122 palmer_v1 08-31-2015 01:52 PM ET (US)	and now Sorian: " I don't think you are dangerous because of that though and I feel like we have other fish to fry than deal with a neutral today." lol
123 CzarTim 08-31-2015 02:13 PM ET (US)	"His play style gave me a hunch that he was playing to survive as long as possible (Survivor role is a common third party role with the sole purpose of being alive at the end of the game, sometimes they are given a harder object to complete as well that would allow them to win earlier). Right after I made mention of it, his next post was a long and detailed role claim, as if to shake off the thought that I brought up. I just don't buy it." you don't say...
124 CzarTim 08-31-2015 02:14 PM ET (US)	purely for popcorn.gif reasons, I hope they don't vote out cab today.
125 palmer_v1 08-31-2015 02:15 PM ET (US)	This ups my impression of Cabbeh. Not to say he was playing poorly in Archer(I honestly have no idea, due to the sample role kerfluffle), but he took the time to look into the ramifications of his role, and is willing to sacrifice himself now that he knows it could hamper town.
126 CzarTim 08-31-2015 02:17 PM ET (US)	Yeah, it's the right play for town.
127 palmer_v1 08-31-2015 02:18 PM ET (US)	This sentence from Karkador would trigger me if I was in that game: "First of all, it's likely we have a alignment investigator (like a Seer, or whatever the Mafia term for it is). I can't see this role being here as a red herring if cabbeh is Town. It would be completely pointless. " Like Karkador doesn't know what a fucking Cop is. That seems like obviously feigned ignorance to me.
128 CzarTim 08-31-2015 02:26 PM ET (US)	yesterday i rechecked my sent PMs to make sure I gave Kark the right role lol
129 swamped 08-31-2015 02:31 PM ET (US)	Omg Cabbeh!!!
130 palmer_v1	Having not followed Launchpad in the AC game, I have no idea if this playstyle is normal for him. He seems MORE hostile than Darryl, which is not super easy. Also,

08-31-2015 02:32 PM ET (US)	normal blarg is definitely an improvement over is previous incarnations.
131 palmer_v1 08-31-2015 02:35 PM ET (US)	and then he goes full retard after i posted that. Should we confirm there's no Jester?
132 CzarTim 08-31-2015 02:36 PM ET (US)	if someone explicitly asks, I'll answer.
133 Hyperactivity 08-31-2015 02:44 PM ET (US)	Ok, I don't want to know too much info about this game d1, but a lack of jester is something I find very important Edited 08-31-2015 02:46 PM
134 TaylorSwift 08-31-2015 02:49 PM ET (US)	'unforced roleclaim' dude he's the miller, it was in everyone's best interests that he claimed
135 palmer_v1 08-31-2015 02:52 PM ET (US)	We can tell you guys there is definitely not a Jester. That's just GAFia standard. I'll leave it up to Czar to remind the players or not.
136 Royal_Flush 08-31-2015 02:56 PM ET (US)	If there is a Tanner that is not some sort of kid's mom you really missed an opportunity, CzarTim. That's just brilliant. I also think "Fight Club" would be a wonderful launch title for the NX :D
137 palmer_v1 08-31-2015 02:59 PM ET (US)	Game might be turning on Blarg a little bit now. Can he break the D2 curse?
138 swamped 08-31-2015 03:01 PM ET (US)	I'm rooting for Blargy-boy
139 CzarTim 08-31-2015 03:04 PM ET (US)	there is a mom role, messing with her is a bad idea.
140 CzarTim	rip taylor

08-31-2015 03:20 PM ET (US)	
141 palmer_v1 08-31-2015 03:27 PM ET (US)	I don't know why, but the way he asked for the Dead Thread link made me think he was seething and was about to go berserk in the dead thread.
142 CzarTim 08-31-2015 03:53 PM ET (US)	come on L_P, I already wrote the flavor. don't make me sad
143 palmer_v1 08-31-2015 04:48 PM ET (US)	I saw that, BTW. I think you're wrong about the target. I think he'll wait. D3 is my guess.
144 CzarTim 08-31-2015 04:50 PM ET (US)	boooooooo always day one. always!
145 TaylorSwift 08-31-2015 05:31 PM ET (US)	RIP me damn, I should've signed up for this then again, not sure how I would handle it, this game has definitely ramped up the aggression remarkably quickly. I think they should've listened to Kark way back when and been more kumbaya about things /jk Edited 08-31-2015 05:33 PM
146 CzarTim 08-31-2015 05:34 PM ET (US)	def. this has been a teeeeeeeerrible day for town
147 palmer_v1 08-31-2015 06:28 PM ET (US)	I thought a smaller 15 person game might alleviate some issues, but it hasn't so far. People have gotten really aggressive.
148 haly 08-31-2015 06:29 PM ET (US)	We are getting more experienced every round, which means escalating strategems. And currently the strategem in vogue is "The Darryl". Edited 08-31-2015 06:30 PM
149 Pau 08-31-2015	Honestly don't know how people enjoy playing so aggressively. :(

06:30 PM ET (US)	
150 haly 08-31-2015 06:34 PM ET (US)	Well, everyone on GAF has to follow certain rules, but behaving a certain way in Mafia is acceptable, even encouraged, because it's just part of the game! These are their true faces we're seeing.
151 Czartim 08-31-2015 06:40 PM ET (US)	Maybe it's because I have no soul, but I don't even consider this game overly aggressive.
152 Czartim 08-31-2015 06:46 PM ET (US)	I predict two more role claims by the end of the day!
153 palmer_v1 08-31-2015 06:46 PM ET (US)	I'm aggravated that they seem to keep harping on the same points ad nausea. Paying less attention now that Archer is back though.
154 haly 08-31-2015 06:50 PM ET (US)	It wouldn't be a GAF game if everyone didn't claim Day 1.
155 swamped 08-31-2015 06:57 PM ET (US)	Well, there's "aggressive", which is questioning people's points and arguments, bad news for mafia, and then there's "aggressive" which is harping on and on about minuscule issues and making personal attacks. I don't think we've quite reached that level in the NX game. A little drama is always fun to keep up with. But yeah, i feel sorry for the guys who have to read 15 pages to catch up :S
156 Droplet 08-31-2015 07:00 PM ET (US)	Circular arguments are part of Sorian's power. Just now he needs to get them all to circle back to Microsoft products.
157 palmer_v1 08-31-2015 07:41 PM ET (US)	"Miller is one of the rarer roles of Mafia, I'm not even sure if GAFia even has had any Millers before (someone who knows more about this should clarify maybe)." I went so deep into my star wars cover that I immediately thought, "Well Raindoc was a Miller" cause that was my cover story if I ever needed it. GET REKT REBELS!
158 Czartim 08-31-2015 07:43 PM ET (US)	:(
159 Czartim	One claim down, one to go.

08-31-2015 08:18 PM ET (US)	
160 palmer_v1 08-31-2015 09:16 PM ET (US)	They're not buying Jailer. What does dead chat think about this?
161 haly 08-31-2015 09:21 PM ET (US)	Kark's self-vote paying off in spades. The work of a master.
162 TaylorSwift 08-31-2015 09:25 PM ET (US)	Bless him I think he needs to set out what a jailer does in clear steps for them because they clearly don't get what a jailer does and how easy it is to verify They probs think it means he's a standard roleblocker
163 CzarTim 08-31-2015 09:28 PM ET (US)	it is a standard roleblocker though, he didnt read his role pm very well :(
164 TaylorSwift 08-31-2015 09:29 PM ET (US)	Oops silly me I think I thought it was something else too Nevermiiiind
165 CzarTim 08-31-2015 09:32 PM ET (US)	it's painful to watch, but I can't say anything!
166 swamped 08-31-2015 10:32 PM ET (US)	Once again, GAFia on the path to lynching the new guy... So he's a roleblocker, interesting!
167 Rats Off To Ya 08-31-2015 10:35 PM ET (US)	tim what have you done This is the biggest trainwreck in the history of GAFia. You'll kill us all.
168 Hyperactivity 08-31-2015 10:51 PM ET (US)	It's fun to watch from the sidelines though

169 swamped 08-31-2015 11:05 PM ET (US)	Blarg's override SalvaPot gif :D
170 palmer_v1 09-01-2015 12:54 AM ET (US)	Wait, standard role blocker? Did you not make him a full jailer where it also protects the target from actions?
171 Hyperactivity 09-01-2015 01:11 AM ET (US)	Hahaha, even game designers are confused
172 CzarTim 09-01-2015 04:21 AM ET (US)	no hes a normal jailer, what I meant was he seems to think people can confirm it, but only 2 townies can and both are PRs
173 CzarTim 09-01-2015 06:58 AM ET (US)	why would he say he cant self target :(
174 TaylorSwift 09-01-2015 08:50 AM ET (US)	Poor guy I think he's assuming they have a knowledge of some wider Mafia meta that none of us are actually aware of, and so everything he thinks will exonerate him just makes them double down. He assumes that they'll respond in a certain way to a situation when it's actually far more unpredictable we're all a bit too conditioned to view certain things as suspicious when we have our target for the day in mind, esp role claims
175 CzarTim 09-01-2015 08:55 AM ET (US)	Yeah, in any other community he'd be doing okay. This is GAFia tho
176 ynnny 09-01-2015 09:14 AM ET (US)	blarg has unlocked next blarg level form :D kark will go mental over this lol and poor batssyyyy ... he means so well
177 CzarTim 09-01-2015 11:23 AM ET (US)	I'm now convinced he deleted his role PM. He's not even getting the role name right.
178	This is the best way to pass yourself off as vanilla. You must live the lie.

haly 09-01-2015 11:40 AM ET (US)	
179 palmer_v1 09-01-2015 12:02 PM ET (US)	Will Karkador try a last ditch role claim(fake or not)? I don't think he is.
180 CzarTim 09-01-2015 12:17 PM ET (US)	he might!
181 swamped 09-01-2015 12:18 PM ET (US)	Blarg is too good. Like, I'm debating if he's actually real at this point.
182 swamped 09-01-2015 12:27 PM ET (US)	If you ever make your way here: i was on your side batsnacks!
183 CzarTim 09-01-2015 12:31 PM ET (US)	pllllllllease vote kark. come on guys
184 TaylorSwift 09-01-2015 12:32 PM ET (US)	#teambatsnacks #lynchkarkador
185 palmer_v1 09-01-2015 12:43 PM ET (US)	I want to modkill blargonaut for spamming. In general, what would people think of a general rule that you could only vote once every 15 minutes. It would make waiting for the deadline far more dangerous, and prevent stupid shit like what's going on now.
186 CzarTim 09-01-2015 12:45 PM ET (US)	maybe I will modkill blarg.
187 palmer_v1 09-01-2015 12:46 PM ET (US)	I think you have to warn him to stop first, at least. He's definitely misusing highlight tags though on a ton of those.
188 palmer_v1	L_P used his role.

09-01-2015 12:49 PM ET (US)	
189 CzarTim 09-01-2015 12:49 PM ET (US)	YEEEEESSSSSSSSSSSSSSSSSSSSSSSSSSSSSS this is for you taylor!
190 TaylorSwift 09-01-2015 12:51 PM ET (US)	I am laughing so hard if this is what I think it is, thank you
191 palmer_v1 09-01-2015 12:51 PM ET (US)	So they're probably going to lose batsnacks AND Karkador now cause there's not enough time to switch everything unless you give them an extension.
192 swamped 09-01-2015 12:58 PM ET (US)	I literally can't process this game.
193 CzarTim 09-01-2015 01:01 PM ET (US)	I extended it!
194 TaylorSwift 09-01-2015 01:03 PM ET (US)	can I post the image pleeeeeeeeeeeease
195 CzarTim 09-01-2015 01:04 PM ET (US)	go for it~!
196 CzarTim 09-01-2015 01:06 PM ET (US)	I wrote the flavor for him killing kark or cab and then he kills bat lol
197 CzarTim 09-01-2015 01:07 PM ET (US)	That's also the only time this game someone actually dies. Don't do drugs, kids.
198 palmer_v1 09-01-2015	I feel like another 24 hours is going to make these people go insane, but it sorta fits thematically. Everyone has to get delayed while paramedics deal with an OD.

01:08 PM ET (US)	Give batsnacks dead thread access?
199 CzarTim 09-01-2015 01:09 PM ET (US)	I sent him a link. It would have been unfair not to extend it imo. Too much new info for 10 minutes left.
200 palmer_v1 09-01-2015 01:11 PM ET (US)	I don't disagree. I'm just curious if they'll use it any better than they have so far.
201 Bats 09-01-2015 01:19 PM ET (US)	I think that was a successful learning experience for me. Probably should have read a game first before I jumped in somewhere new. I will do better next time!
202 swamped 09-01-2015 01:22 PM ET (US)	You're fine Bats, it's GAFia that's nuts most of the time. Also, your first game with those players, i did not envy you one bit lol.
203 TaylorSwift 09-01-2015 01:24 PM ET (US)	yeah, the personality make-up for this game is quite... intense
204 palmer_v1 09-01-2015 01:26 PM ET (US)	hey man, just glad that didn't turn you off to further gaf games. That group turned a lot rougher than I would have expected. Expect Timeaisis to poke fun at you though.
205 Bats 09-01-2015 01:27 PM ET (US)	I thought everyone was really nice actually and I got some good advice. The games I'm used to are really serious and intense, and tend to have a a strict meta that everyone follows. I just need to learn to turn that off.
206 palmer_v1 09-01-2015 01:31 PM ET (US)	Where else do you play? I think one thing that has prevented us from getting too strict of a meta is that every game has had different roles, which are frequently made up. I sort of think we have a problem with that, as some players don't even get the basic roles yet. Speaking of, we were confused on how you were expecting confirmation. Was that a bluff or did you think your action gave some kind of notice to your target?
207 haly 09-01-2015 01:33 PM ET (US)	Man, bats. You were the coolest kid.

208 palmer_v1 09-01-2015 01:34 PM ET (US)	Kind of surprised nobody has tried to turn this around on Ouro yet.
209 Bats 09-01-2015 01:35 PM ET (US)	I lied about the notification thing. I was sure I was dead anyway so I figured it was worth trying... Almost worked. I've played at teamliquid, 2+2, and omgus.net.
210 Rats Off To Ya 09-01-2015 01:39 PM ET (US)	I like the unpredictability of GAFia. Adhering to a strict meta produces players like egruntz, and nobody wants that.
211 CzarTim 09-01-2015 01:40 PM ET (US)	It's more fun to go hog wild even if it means all of town's power roles are dead by day three.
212 palmer_v1 09-01-2015 01:51 PM ET (US)	poor egruntz. I tried to save him even though he went after me, but GAF is capricious. @Czartim: Next game is 10 Ordinary Town, 3 Town-Vig. They don't win unless they successfully No Lynch.
213 CzarTim 09-01-2015 01:52 PM ET (US)	let's not make a set up impossible to win!
214 Rats Off To Ya 09-01-2015 02:00 PM ET (US)	No Town. Just, like, five teams of Mafia. The first couple days would be hilarious.
215 CzarTim 09-01-2015 02:08 PM ET (US)	http://www.neogaf.com/forum/showpost.php?p...7307&postcount=1803 lol
216 CzarTim 09-01-2015 02:35 PM ET (US)	kark is rage quitting

218 haly 09-01-2015 03:31 PM ET (US)	If mom doesn't have x-shot bulletproof with the role being called "Tough mom", you've got explaining to do.
219 CzarTim 09-01-2015 03:32 PM ET (US)	lol it's so much better than that don't you worry your pretty little head
220 swamped 09-01-2015 05:07 PM ET (US)	Cannot wait to see the Mafia thread after this game ends
221 CzarTim 09-01-2015 05:11 PM ET (US)	tbh it's kinda quiet
222 TaylorSwift 09-01-2015 05:30 PM ET (US)	lol, imagine if Kark talks them all into lynching Sorian
223 Droplet 09-01-2015 07:38 PM ET (US)	Sometimes I enter a mafia thread, see a reads list, and immediately press the back arrow.
224 swamped 09-01-2015 07:42 PM ET (US)	/m221 awww
225 Czartim 09-01-2015 07:43 PM ET (US)	It's funny when people's read list correctly guesses the mafia team but then they decide to pursue the flavor of the day instead.
226 Czartim 09-01-2015 08:24 PM ET (US)	Kark now acting like he wasn't pushing for bat's lynch harder than anyone.
227 ynnny 09-02-2015	omg i just got up to the becky part. HAHAHAHAHAH. that was madness, MADNESS I SAY.

02:53 AM ET (US)	blarg is definitely blarging. poor votey spreadsheet (and czartim) :> LOL such insane. very laugh~ AND HIIIIIIIII BAAAAAAATTTT~
228 TaylorSwift 09-02-2015 10:13 AM ET (US)	why aren't they lynching Karkador such a mess also trying to establish that three players are a cabal/in cahoots/illuminati Day 1 is... odd Edited 09-02-2015 10:19 AM

232 CzarTim 09-02-2015 12:58 PM ET (US)	lol kark
233 TaylorSwift 09-02-2015 01:04 PM ET (US)	wait what
234 CzarTim 09-02-2015 01:04 PM ET (US)	oops
235 CzarTim 09-02-2015 01:04 PM ET (US)	I told you he was lying!
236 Karkador	before I say anything, I have to look at how much shit was talked about me

09-02-2015 01:12 PM ET (US)	
237 CzarTim 09-02-2015 01:13 PM ET (US)	There is one more useful town power role, but at most he'll catch one scum. I actually think town can still win, mafia are on a lot of people's radars. This will be a game of scum hunting though.
238 CzarTim 09-02-2015 01:15 PM ET (US)	kark you managed to vote for every single town with a night action. You did guess 3p correct and voted for one scum though.
239 Karkador 09-02-2015 01:16 PM ET (US)	What a run, god damn
240 Karkador 09-02-2015 01:17 PM ET (US)	Alright, time to reveal what's going through my stupid head, althuogh I already told Palmer a little bit
241 palmer_v1 09-02-2015 01:19 PM ET (US)	I don't think your overall idea was bad, but the wrong players went for your bait and got entirely too fixated.
242 CzarTim 09-02-2015 01:22 PM ET (US)	Yeah I mean mafia know you aren't one of them, they aren't going to jump into an easy trap. You would have had more luck focusing on the people avoiding your claim.
243 Karkador 09-02-2015 01:22 PM ET (US)	I entered the game expecting that certain people were going to be looking at me, and if they were killers, they'd probably just kill me to not have to deal with me. With a 3-shot Cop, I also figured that it was possible I might not hit a single valuable investigation (that's just my bad luck). So I decided to take a much different approach
244 palmer_v1 09-02-2015 01:25 PM ET (US)	We figured 3 shot, but full investigative, because there's a trick to one of the Mafia, and we didn't want to cop to be able to investigate the whole game, if he survived. Both of the counters to that Mafia are gone now.
245 Karkador 09-02-2015 01:25 PM ET (US)	/m242 But then there was a secondary objective, Czar. Actually, it's more like, as the game situation changed, I had to try to adapt. In the event that I did live, I wanted try to convince mafia I was so useless that they'd not bother trying to kill me, and this is why i maintained the ordinary kid claim and the seemingly bizarre, nonsense play. I hoped that, once mafia got over their "it's Karkador, kill him", fixation from the beginning, they'd decide I was just too disruptive to not leave in the game
246	The trick was making it to day 2. If I could drag something up in Day 1 from

Karkador 09-02-2015 01:28 PM ET (US)	...that...then I'd have a better idea of what to investigate. Whatever happens from there is much more favorable, because at least i'd have a result to go on. But Town is really too stupid, and I don't want to say that in a mean way, but it's true
247 CzarTim 09-02-2015 01:29 PM ET (US)	yeah, I can see that. The problem was of the 3 important town power roles, you were the least important. You didn't know that of course, but the stunt put the other 2 on people's radar and that hurt more than help. Getting nk'd before revealing info isn't a huge deal, muddying the waters in the day really hurts town though.
248 palmer_v1 09-02-2015 01:32 PM ET (US)	Who would you have investigated tonight?
249 Karkador 09-02-2015 01:33 PM ET (US)	It's a game with some of the loudest players in this game community. The water was opaque from the beginning
250 Karkador 09-02-2015 01:34 PM ET (US)	Sorian, who I see actually was a neutral player? looooooool
251 Karkador 09-02-2015 01:34 PM ET (US)	How would that have shown up on my report?
252	Deleted by author 09-02-2015 01:47 PM

254 CzarTim 09-02-2015 01:40 PM ET (US)	Kark would you have claimed ordinary had cab claimed miller first?
255 palmer_v1 09-02-2015 01:41 PM ET (US)	Yeah he had to advertise WIndows 10 today, which only one person seemed to catch onto at all. What is he advertising tomorrow?
256 CzarTim 09-02-2015 01:42 PM ET (US)	xbox

257 palmer_v1 09-02-2015 01:43 PM ET (US)	XboxOne w/ Kinect? I hope Kinect is part of it.
258 CzarTim 09-02-2015 01:44 PM ET (US)	maybe we can do kinect soon, I'm thinking windows phone on day 3 for the lols
259 Karkador 09-02-2015 01:45 PM ET (US)	/m252 Oh wow..haha...that would have been interesting. So I was **wrong** I dind't catch it because the rules pretty much said to ignore theme. I didn't even talk about Nintendo once. No wonder I was such a suspect
260 Karkador 09-02-2015 01:47 PM ET (US)	If cabbeh had claimed Miller right away (and I've never played with this role in a game...why would they ever not claim right away?), I might have just pushed for him to get lynched instead. I'm not sure if I really like that role at all.
261 CzarTim 09-02-2015 01:50 PM ET (US)	It's there to give scum a free mislynch in games without a sk.
262 palmer_v1 09-02-2015 01:53 PM ET (US)	What did I just miss with /m252 getting deleted? For Miller, yeah, I'm not sure now. I didn't think about the fact that claiming immediately is the best way to help town as Miller, which means Miller will ALWAYS claim immediately, which basically eliminates it as an actual role. What if we had made it the hidden miller type, where Cabbeh thought he was Ordinary Town, but he scanned as Mafia Goon? Sorian's role is the only one that is forced to use any of the theme, which seemed fine since he's a truly neutral role. He can't hurt either team, other than by playing pro-town or pro-mafia.
263 Karkador 09-02-2015 01:55 PM ET (US)	Well my guess is that Sorian would want to push in the general direction of what team looks like they're going to win first. To some extent, I guess I was right that he doesn't necessarily care who lives or dies, and generally just wants people to die so he can win already - it's just not coming from a factionally "anti" place.
264 Karkador 09-02-2015 01:57 PM ET (US)	Does Launch have some kind of target to protect?
265 CzarTim 09-02-2015	/m262 Just sorian's true alignment i don't like bastard millers. The thing is if we ~rarely~ have millers it gives mafia in

01:57 PM ET (US)	future games a fun gambit to pull. Claiming right away hurts town because it increases the chance of a PR getting nk'd. It is an anti-town role without a doubt, but sometimes those are needed.
266 CzarTim 09-02-2015 01:58 PM ET (US)	/m264 nope
267 Karkador 09-02-2015 01:58 PM ET (US)	okay let me restate the question what the hell is Launch doing
268 CzarTim 09-02-2015 02:00 PM ET (US)	he was tunneling, but you were being really scummy dude.
269 Karkador 09-02-2015 02:01 PM ET (US)	How?
270 CzarTim 09-02-2015 02:04 PM ET (US)	you were clearly lying or hiding something, and it didn't feel natural or pro-town. I wouldn't have voted for you in part one, but by the end I would have just wanted you gone if only to have better reads on everyone else. You were being coy.
271 Karkador 09-02-2015 02:06 PM ET (US)	Right, but there are power roles in the game. Half of Town has something to hide, and I can't just say "I have an important power role"
272 Karkador 09-02-2015 02:09 PM ET (US)	Especially when the only sign of a Doctor-ish role also roleblocks
273 Rats Off To Ya 09-02-2015 02:09 PM ET (US)	As Town I wouldn't have voted for Kark because he was drawing too much attention to himself to be scum, but as scum I might have night killed him because he was so clearly hiding something.
274 Rats Off To Ya 09-02-2015 02:11 PM ET (US)	This community has conditioned me to assume anyone pulling a deliberately suspicious gambit is probably a powerful Townie. I call it the "Blargonaut Rule."
275	I'm kind of sad the jailer is gone. I was interested to see if they would try to use it as

palmer_v1 09-02-2015 02:15 PM ET (US)	more of the doctor half or more of the role blocking half. Impartially, I think I probably would have gone after batsnacks and just ignored Launchpad v Karkador. I would also have backed off Batsnacks after his claim, preferring to give him an opportunity to prove it. I might have gone for an open policy lynch of blarg cause blarg.
276 CzarTim 09-02-2015 02:17 PM ET (US)	/m271 Sure but the best way to play a PR is to pretend you don't have one and play the game like an ordinary townie. You came in and pointed a spotlight at yourself and then acted shifty when people called B.S. Everyone who called you out for lying was 100% right, and you seemed bewildered by this. This is a game of social cues. Personally I am of the opinion that you should never lie as town, because it always hurts more than it helps. Or if you must lie it should be to make it sound like your ability is more / less powerful than it is to confuse scum.
277 Hyperactivity 09-02-2015 02:24 PM ET (US)	I just saw the NX thread Holy shit hahahaha they're screwed
278 Hyperactivity 09-02-2015 02:29 PM ET (US)	Yeah Kark, you were acting real scummy Launch will probably get lynched tomorrow barring anything else
279 TaylorSwift 09-02-2015 02:32 PM ET (US)	I skim the thread a lot of the time I can't imagine what it must be like to be in the thick of it
280 Rats Off To Ya 09-02-2015 02:37 PM ET (US)	I gave up trying to follow it pretty early on. I just skim and get the highlights from this thread. Also, now that MGS5 is out, ain't nobody got time for this shit.
281 Karkador 09-02-2015 02:40 PM ET (US)	The problem with me is that I don't want to accept mafia as a rote game with a A -> B -> C protocol for playing. I get that there are things that should and shouldn't be done, but people's insistence that you follow the script (and that they really understand the script) is what bugs me and kills the game a bit for me.
282 Karkador 09-02-2015 02:41 PM ET (US)	That attitude probably puts me pretty close in the Blarg camp (but without even half the charm), so I don't know how much longer I can stay in this community before people drive me out.
283 CzarTim 09-02-2015 02:50 PM ET (US)	/m281 If you want to go off-script, that's fine, but then sometimes you'll be down a jailer and cop after day one. The 'script' is there to minimize those mistakes. Going off-script also means you're making the game about yourself instead of the team. Being town-aligned means you have very little control and trying to take control back is usually interpreted as being anti-town. It's basically a player saying "put

	more trust in me individually than the group as a whole." Sure you know you're town, but no one else does. I could write another 10 paragraphs about how this applies to blarg's style of play, but I think you're already there with me on that one. That said, I think everyone has the right to play however they want and I thoroughly enjoyed reading this day phase. It was fun and exciting. As long as everyone had fun, I'm okay.
284 CzarTim 09-02-2015 02:54 PM ET (US)	didn't see your second post, but we love you no matter what. We'll never drive you away!
285 Karkador 09-02-2015 02:56 PM ET (US)	Jailer is on me, but I pushed to not lynch anyone else. Why would they lynch someone else
286 Karkador 09-02-2015 02:58 PM ET (US)	*Sorian*
287 Rats Off To Ya 09-02-2015 02:59 PM ET (US)	I like your style, Kark. I also have fears about this game becoming too rote. It's a dumb, meaningless forum game. If you're not taking risks, what's the point? I don't want a bunch of planks planking it up all the time.
288 CzarTim 09-02-2015 03:09 PM ET (US)	submitted night actions are already not looking good for one player
289 Bats 09-02-2015 03:25 PM ET (US)	omg not the cop too. You monsters.
290 Karkador 09-02-2015 03:48 PM ET (US)	Baz, I'm already a demon
291 palmer_v1 09-02-2015 04:34 PM ET (US)	I think the size of the games is a problem. Sorta like my defense of ONUW, I think this would be better with smaller, faster games. 48 Hour Day phase, 24 hour night, about 15 players.
292 Czartim 09-02-2015	Yep. 20+ players can be so fatiguing especially towards the end. The first three or four days are a slog because there are so many threads to talk about and so many people to analyze that it's almost too much.

04:47 PM ET (US)	Personally I'd like to drop the season format all together and just have a game always in sign up phase so people can get into the game they want when they want. >15 lowers the turn around time and maximizes the amount of games we can play. We've also had a surprising number of people come in late considering we're in community
293 palmer_v1 09-02-2015 04:57 PM ET (US)	It makes dead thread and spoilers particularly difficult to work out though. I'm not opposed to it. There was talk of us eventually breaking the seasons format eventually anywya.
294 palmer_v1 09-02-2015 04:59 PM ET (US)	Is it wrong though that I feel like it sorta punishes the good players*cough* who manage to stay alive and win games*cough*, since by their nature they'll play in fewer games overall. Or to spin it the opposite way, you're going to be recycling dead player more frequently, which may or may not be a good thing.
295 Czartim 09-02-2015 05:06 PM ET (US)	I think if we have more games going people will relax about being killed a bit. Right now I think people are so paranoid about getting killed because they don't want to wait three months for a new game that they play poorly out of self preservation. More games means you don't have to take a lynch or nk so seriously.
296 kingkitty 09-02-2015 06:39 PM ET (US)	i liked your plan kark
297 CzarTim 09-03-2015 08:30 AM ET (US)	The mafia finally figured out how to use their ability. e: oh wait, jailer's dead so it doesn't matter lol Edited 09-03-2015 08:58 AM
298 Karkador 09-03-2015 09:19 AM ET (US)	I told Palmer "no" to spoilers, and now I want spoilers
299 CzarTim 09-03-2015 09:24 AM ET (US)	One their roles is all but useless now that the cop and jailer are dead.
300 Karkador 09-03-2015 09:30 AM ET (US)	I'm interested in watching how this all shakes out, considering the insane Day 1
301 CzarTim 09-03-2015	Me too! I actually made a last second change to the set up that I wish I hadn't done now. Town is completely exposed at this point. There's no way to avoid a nk. I do still

09:47 AM ET (US)	think town has a chance though, but they really need to not spend a day focusing on that dumb love-triangle. Take the loss and focus on scummy posting.
302 Karkador 09-03-2015 09:53 AM ET (US)	Let's see how far Blarg pushes the "No Votes Club" / "Champions" thing next day ....if he lives
303 palmer_v1 09-03-2015 10:16 AM ET (US)	Come over to the spoiler dark side karkador. You know you want to see all the zany roles Czar came up with. Also yes, through town's incredible Day 1 play, you have almost entirely invalidated one of the NFA power roles. =p
304 Karkador 09-03-2015 10:25 AM ET (US)	I was under the impression this was a "normal" game
305 CzarTim 09-03-2015 10:33 AM ET (US)	There's one role that isn't super normal, but that's sorian's. Everything else isn't too crazy.
306 palmer_v1 09-03-2015 10:34 AM ET (US)	I meant fluff, sorry. The roles are basically standard, aside from Sorian's Neutral role, and even that is just a combo of some roles for the most part. The fluff he gave some of these roles is amusing.
307 palmer_v1 09-03-2015 10:37 AM ET (US)	I will say that he did end up using 3 roles that are new to GAF(AFAIK, can't speak for the 3 other ongoing games), 1 of which was jailer, and the other being Sorian. The third one will probably be quite a surprise.
308 CzarTim 09-03-2015 10:39 AM ET (US)	don't think there's been a miller either
309 Karkador 09-03-2015 10:41 AM ET (US)	okay fuck it i wanna know
310 CzarTim 09-03-2015 10:45 AM ET (US)	sent
311 Karkador 09-03-2015	Also, I'd like to say that from my perspective, cabbeh looked like a hunter for a moment because the Call of Duty claim was a little too orchestrated (with pictures and everything), he was hesitant with his own vote (looking like he was going to

12:32 PM ET (US)	take down whoever his vote was on), and I could see someone repurposing the theme of a bow&arrow to a sniper rifle or getting N0SC0p3d
312 CzarTim 09-03-2015 01:05 PM ET (US)	you guys playing too much onuw with that hunter and minion talk lol
313 Hyperactivity 09-03-2015 05:51 PM ET (US)	About to claim "he might be a minion" when I realize I'm not playing ONUW. IT's happened a couple times now
314 ynnny 09-04-2015 05:21 AM ET (US)	I finally caught up with 8 hours left to it recommencing lol nx o7 also am drunk atm yaaaaaaay
315 CzarTim 09-04-2015 08:13 AM ET (US)	dammit they killed sorian
316 CzarTim 09-04-2015 08:21 AM ET (US)	oh wait, there's still hope
317 CzarTim 09-04-2015 08:34 AM ET (US)	The mafia are spread out timezone wise and it's hurting them a lot.
318 CzarTim 09-04-2015 08:51 AM ET (US)	holy shit today is going to be insane 3 role claims, calling it now
319 ynnny 09-04-2015 10:25 AM ET (US)	awwwww did they kill sorachan already??? hahaha i cant wait to see d2 madness ^____^ i think maybe they've learned something from that epic d1 turnout... im gonna bet conservatively... 1 role claim for d2!
320 CzarTim 09-04-2015 10:38 AM ET (US)	actually ouro is dying!
321 CzarTim	hi ouro

09-04-2015 10:41 AM ET (US)	
322 Karkador 09-04-2015 10:42 AM ET (US)	I'm really wondering what mafia's planning
323 Karkador 09-04-2015 10:42 AM ET (US)	now to get berated by urrubbulluss
324 ynnny 09-04-2015 10:42 AM ET (US)	oh??? motherrrrr noooooo *prepares a seat for malorybolus*
325 TaylorSwift 09-04-2015 10:53 AM ET (US)	RIP you seemed too reasonable to be long for this game
326 Karkador 09-04-2015 10:54 AM ET (US)	Yep, it was a big departure from "tricky Ouro"
327 palmer_v1 09-04-2015 11:40 AM ET (US)	Gonna be quite a pileup today.
328 Ourobolus 09-04-2015 11:46 AM ET (US)	called it
329 Ourobolus 09-04-2015 11:46 AM ET (US)	fuck you kark
330 Karkador 09-04-2015 11:47 AM ET (US)	Is this going to be "fuck you kark - the thread"?
331 Ourobolus 09-04-2015	a little

11:47 AM ET (US)	
332 palmer_v1 09-04-2015 11:48 AM ET (US)	Oh, hi boss! How you doing? At least you still have Archer.
333 Karkador 09-04-2015 11:50 AM ET (US)	Well, you know what? I had a little bit of success. Weird success.
334 Ourobolus 09-04-2015 11:53 AM ET (US)	/m326 huh?
335 Karkador 09-04-2015 11:54 AM ET (US)	The only games I've played with you have been ONUW - quite different, of course, but I noticed a different personality in this game than in those. You seemed almost Timeaisis-like in your reservations. It's why I trusted you
336 swamped 09-04-2015 11:57 AM ET (US)	Wonder if they'll try to lynch Launchpad today...?
337 Ourobolus 09-04-2015 11:57 AM ET (US)	Ah, gotcha. Salva killed me, didn't he?
338 Karkador 09-04-2015 12:04 PM ET (US)	Nope
339 Ourobolus 09-04-2015 12:08 PM ET (US)	Can you PM me the roles?
340 Karkador 09-04-2015 12:09 PM ET (US)	Pray to Miyamoto
341 Karkador 09-04-2015	By the way, as far as gamerunner avatars have gone, Miyamoto has been the best/most infuriating so far. God damn that fucking photo with the Nintendo toys

12:11 PM ET (US)	
342 CzarTim 09-04-2015 12:12 PM ET (US)	i'm switching it every day. today is the gamecube!
343 Karkador 09-04-2015 12:13 PM ET (US)	If I survived in the game long enough, I was going to visit NintendoWorld here in NYC and cast a vote from there
344 Ourobolus 09-04-2015 12:13 PM ET (US)	Goddamn everyone wanted to kill me
345 palmer_v1 09-04-2015 12:15 PM ET (US)	I like that smug ass avatar you have. My favorite from a fluff perspective has been Ouro, but I might be biased by knowing the source material so well. I read almost everything he posts in Jessica Walter's voice, and he keeps it in character pretty well in the actual thread.
346 Ourobolus 09-04-2015 12:17 PM ET (US)	I gotta get back into it. Because you guys keep ending the day early I rarely have my shit together at the time.
347 Karkador 09-04-2015 12:18 PM ET (US)	Yeah if I knew the show, I'd probably appreciate it. Everybody seems to like it. Miyamoto does it for me because those smiling photos really get twisted in the context of the game, and the way it chimes in with the vote count during heated arguments
348 Karkador 09-04-2015 12:19 PM ET (US)	"8 Votes needed for majority" *is sitting with 6 votes on him* "FUCK OFF MIYAMOTO I KNOW"
349 palmer_v1 09-04-2015 12:22 PM ET (US)	Not my fault KGB has made it easy mode for us!
350 CzarTim 09-04-2015 12:22 PM ET (US)	You always had 6 votes.
351 haly 09-04-2015	Why is Ouro in this topic...? Isn't he still playing? Or did he get killed.

12:37 PM ET (US)	
352 palmer_v1 09-04-2015 12:40 PM ET (US)	He'll be dead soon. Czar received all Night actions already Edited 09-04-2015 12:40 PM
353 Ourobolus 09-04-2015 12:41 PM ET (US)	/m351 because everyone wanted to take out my awesomeness
354 TaylorSwift 09-04-2015 01:07 PM ET (US)	already sorian is posting paragraphs omg pls
355 CzarTim 09-04-2015 01:08 PM ET (US)	wait what WHY WOULD YOU POST THAT SORIAN
356 Karkador 09-04-2015 01:09 PM ET (US)	CzarTim's Roleclaim Radar got a new ping
357 CzarTim 09-04-2015 01:11 PM ET (US)	oh launch was talking about my fluff in the other dead thread. idc about that. mafia could use that as a shield too.
358 Karkador 09-04-2015 01:12 PM ET (US)	I was trying to remember what he meant by "the moderator calling out Kark"
359 CzarTim 09-04-2015 01:14 PM ET (US)	i think it was the #unnecessarygambit2015 thing but lol at him dodging responsibility after signing the contract.
360 Karkador 09-04-2015 01:15 PM ET (US)	Day 2 - every single player roleclaims
361 palmer_v1 09-04-2015	It sounds like Burbeting might be planning some gambit as well.

01:16 PM ET (US)	
362 TaylorSwift 09-04-2015 01:21 PM ET (US)	so, I'm assuming that handing out items is related to Sorian's second win condition?
363 Karkador 09-04-2015 01:22 PM ET (US)	Fireblend tiptoeing around the baby elephant in the room
364 CzarTim 09-04-2015 01:30 PM ET (US)	CALLED IT
365 TaylorSwift 09-04-2015 01:35 PM ET (US)	I'm in stitches
366 Karkador 09-04-2015 01:39 PM ET (US)	This is amazing
367 CzarTim 09-04-2015 01:40 PM ET (US)	no way they believe fire's claim. No way.
368 CzarTim 09-04-2015 01:43 PM ET (US)	woooow did he fuck up that claim wow
369 Ourobolus 09-04-2015 01:43 PM ET (US)	lol
370 Ourobolus 09-04-2015 01:44 PM ET (US)	Retro is dead? News to me. PUT ME BACK IN TIM
371 CzarTim 09-04-2015	rest in piece retro

01:44 PM ET (US)	
372 Karkador 09-04-2015 01:50 PM ET (US)	Mafia gonna cannibalize their own?
373 CzarTim 09-04-2015 01:52 PM ET (US)	tbh they should. It's an easy way to get brownie points, and then they can kill the watcher tonight
374 Karkador 09-04-2015 01:59 PM ET (US)	If they can majority Fireblend within hours of Day 2 starting, I will be proud.
375 Karkador 09-04-2015 02:01 PM ET (US)	OMG Launch will you just jump on the bus and letitgo
376 TaylorSwift 09-04-2015 02:06 PM ET (US)	shortest dayphase ever poor Fireblend
377 CzarTim 09-04-2015 02:08 PM ET (US)	I wrote fake flavor for the mafia team, but he kinda ignored it. Probably would have gone better if he had used it and claimed his real role.
378 swamped 09-04-2015 02:08 PM ET (US)	Omg RIP Fireblend. And great job Burb!
379 palmer_v1 09-04-2015 02:10 PM ET (US)	Sorian got his first xbox drop in.
380 CzarTim 09-04-2015 02:11 PM ET (US)	if burb is really town watcher, he's going to be nk'd immediately. come on guys...
381 palmer_v1 09-04-2015	Wait, I thought Sorian couldn't claim 3p?

02:12 PM ET (US)	
382 CzarTim 09-04-2015 02:14 PM ET (US)	i removed that rule
383 palmer_v1 09-04-2015 02:17 PM ET (US)	Ah, ok.
384 Karkador 09-04-2015 02:17 PM ET (US)	"I'll have to think so more on Burb's claim. It seems generous, basically offering up scum on a silver platter (Fireblend's defence didn't help). But it seems too easy." The overthinking begins
385 CzarTim 09-04-2015 02:21 PM ET (US)	turbo him, dummies
386 palmer_v1 09-04-2015 02:22 PM ET (US)	If they're really smart, they'll take time to look at stuff from yesterday in a new light, since they don't know what other power role may exist that could use guidance. Reality is all of the power roles have basically claimed now, so turbo turbo turbo.
387 TaylorSwift 09-04-2015 02:25 PM ET (US)	christ alive, everybody loves throwing their two cents at the wall don't they
388 CzarTim 09-04-2015 02:28 PM ET (US)	omg Launch come on mate
389 Karkador 09-04-2015 02:28 PM ET (US)	"Jesus, Darryl is talking so much sense it's making my head spin" I think Launch might be colorblind to red
390 Hyperactivity 09-04-2015 02:31 PM ET (US)	Sorian better take his vote off of Fireblend for a little bit claim he wants to "avoid the majority" Otherwise he wont get his xbox references in Oh, and NX mafia is just roleclaims everywhere
391 palmer_v1 09-04-2015	The list of unclaimed power roles is shorter than the list of claimed power roles.

02:32 PM ET (US)	
392 Karkador 09-04-2015 02:33 PM ET (US)	suicide by fanboy deficiency would probably outdo me, at least what an entertaining game
393 CzarTim 09-04-2015 02:33 PM ET (US)	sorian just needs 1 more xb1 mention windows phone tomorrow?
394 Karkador 09-04-2015 02:35 PM ET (US)	i have a windows phone
395 TaylorSwift 09-04-2015 02:35 PM ET (US)	ya, windows phone sounds like a riot meanwhile, I really think that these guys should be introduced to my friend Occam and his razor.
396 Ourobolus 09-04-2015 02:39 PM ET (US)	Launch is killing me here
397 Karkador 09-04-2015 02:42 PM ET (US)	Arguing with him was a pain in the ass. I actually PMed him an apology, just in case he felt it got too ugly. I typed out a lot of expletives that didn't make it into my final posts :P
398 Ourobolus 09-04-2015 02:43 PM ET (US)	I was trying to give him the benefit of the doubt the whole time. You did look scummy as fuck, and I was pretty sure Launch was just exasperated town.
399 Karkador 09-04-2015 02:46 PM ET (US)	I actually mentally crossed him off my list once I realized he was probably another Town yelling at clouds, but he was probably influencing Town opinion. I'm not sure if just ignoring him would have helped.
400 Karkador 09-04-2015 02:50 PM ET (US)	"Just another thought, the cowlicking isn't necessarily indicative of alignment" Stage 2
401 CzarTim 09-04-2015	im super happy someone had to type that out

02:51 PM ET (US)	
402 palmer_v1 09-04-2015 03:37 PM ET (US)	All according to keikaku. @Kark: Don't feel bad about cursing at people. Ouro has censored me a few times now. One of the times was cursing at Darryl in Mission chat. I'm not sure if he really thinks I'm upset or what.
403 Ourobolus 09-04-2015 03:44 PM ET (US)	Eh, it's mostly just when people are being dicks.
404 Karkador 09-04-2015 04:00 PM ET (US)	It's not so much the language as it is the snark and going for the throat. I stop myself from peppering in profanity to not look like a complete monster.
405 CzarTim 09-04-2015 05:01 PM ET (US)	how is this guy not turboed yet
406 palmer_v1 09-04-2015 05:03 PM ET (US)	Got your fluff ready for his demise?
407 CzarTim 09-04-2015 05:14 PM ET (US)	yeah but I have a cold, so it's whatever. I just don't know what they're sitting around talking though

416 CzarTim 09-04-2015 07:22 PM ET (US)	we're running out of roles to claim, I'm afraid.
417 ynnny 09-04-2015 07:40 PM ET (US)	whyyyyyyyyy arent they gunning down for that cream filled centre D:
418 Droplet 09-04-2015 08:25 PM ET (US)	This is the most GAFia game of GAFia I've ever seen. I don't think I've ever laughed at a roleclaim as much as I just did. I want a GAFia mafia now.
419 TaylorSwift 09-04-2015 08:39 PM ET (US)	please modkill Sorian for that image
420 Czartim 09-04-2015 08:41 PM ET (US)	I kinda want to
421 Czartim 09-04-2015	I love blarg

08:58 PM ET (US)	
422 ynnny 09-04-2015 09:01 PM ET (US)	lol blarg :>

425 Ourobolus 09-04-2015 10:08 PM ET (US)	I'm not in there to be the voice of reason.
426 CzarTim 09-04-2015 10:19 PM ET (US)	It's not helping that retro and time are awol. They just need to come in and vote
427 Rats Off To Ya 09-04-2015 11:07 PM ET (US)	I can't wait until I have the time to actually read this god damn game.
428 ynnny 09-05-2015 05:11 AM ET (US)	OMG blarg reaching his next level of blarginess!!! EPIC XD
429 TaylorSwift 09-05-2015 06:27 AM ET (US)	this is farcical
430 swamped 09-05-2015 07:23 AM ET (US)	Ahhhh i was wondering what Ordindary Blarg's style was...i don't really have words to describe it, I use 'crazy' for normal Blarg, but this requires a new word lol. Why does he always claim to be Mafia?! LOL!
431 CzarTim 09-05-2015	hey at least he's going to make it to day three

07:58 AM ET (US)	
432 swamped 09-05-2015 08:17 AM ET (US)	That's true!!! Good for him, he is tooo hilarious to lose
433 ynnny 09-05-2015 08:43 AM ET (US)	it will be a record for him to make it to d3 lol but dat role claim tho .... wth .... whyyyyyyy truly a blarg move for the ages!
434 Ourobolus 09-05-2015 09:30 AM ET (US)	wtf is blarg doing
435 Ourobolus 09-05-2015 10:02 AM ET (US)	you know what, i'm glad i'm dead
436 Czartim 09-05-2015 10:03 AM ET (US)	Holy hell, Launch. Like seriously?
437 Czartim 09-05-2015 10:07 AM ET (US)	"i believe this claim even though I admit it makes no sense"
438 ynnny 09-05-2015 10:07 AM ET (US)	hahahahahahahaha lol laaaaunnnccchhhhhiiieee rrrrreeeaaallllyyyy??????? @_____@;;;;;;;;;;;
439 ynnny 09-05-2015 10:09 AM ET (US)	maybe he's playing a trap card and using blarg's insane roleclaim to see who's going to fall on which side of the claim.... but idk lol very gambit. much @_____@;;;;;;;;
440 TaylorSwift 09-05-2015 10:10 AM ET (US)	I don't understand how these peoples' brains operate
441 CzarTim 09-05-2015	even the mafia believe blarg lololol thisfuckinggame

10:20 AM ET (US)	
442 Ourobolus 09-05-2015 10:25 AM ET (US)	Christ Time, not you too. Jesus fucking christ.
443 Ourobolus 09-05-2015 10:26 AM ET (US)	Tim, can I read the NFA thread?
444 CzarTim 09-05-2015 10:26 AM ET (US)	this is officially the worst town in gafia history.
445 CzarTim 09-05-2015 10:27 AM ET (US)	check the other thread
446 Ourobolus 09-05-2015 10:35 AM ET (US)	/m444 sigh
447 ynnny 09-05-2015 10:40 AM ET (US)	WTF .... OMG what. is. going. ON!!!????!!! Are they really going to buy that INSANE blarg ploy and lynch sorian instead??????? OMG???!!!??? How.... HOW....!!! x____x;;;;;; Edited 09-05-2015 10:42 AM
448 ynnny 09-05-2015 10:42 AM ET (US)	lol retro... Signing out of the madness o7 (can't blame him :)) Edited 09-05-2015 10:46 AM
449 OceanicAir 09-05-2015 10:45 AM ET (US)	Holy smokes, I was sure that a town could not get more self-destructive than SW town. But golly, it is down right miserable what's going on there. Dude effed up an already dodgy claim and people believe him!
450 ynnny 09-05-2015 10:48 AM ET (US)	OA, it's a thing to behold :D ... Still can't believe fireblend may actually weasel out of that mangled role claim lol

451 ynnny 09-05-2015 10:54 AM ET (US)	What's going on with launchie, czar? lol The lols keep coming with this game :D
452 Ourobolus 09-05-2015 10:57 AM ET (US)	What did launch think it did?
453 swamped 09-05-2015 10:58 AM ET (US)	What wait, what is Launch's role?
454 CzarTim 09-05-2015 11:03 AM ET (US)	so Launch's role was the last one added to the game, Palmer suggested it as a commuter because town was a bit weak. We then went back and forth on whether it should be a commuter or sleepwalker. We landed on sleepwalker but then I fucked up and sent him the role PM for the commuter because I forgot to change it. I caught my mistake before the game started and sent him the updated role explaining I had fucked up. Apparently he thought I was joking and didn't even read it though. Edited 09-05-2015 11:09 AM
455 CzarTim 09-05-2015 11:05 AM ET (US)	ok there we go. I now understand why Launch was playing so badly today. Right this ship. What's weird is I didn't even change the flavor lol
456 Hyperactivity 09-05-2015 11:07 AM ET (US)	fucking called it
457 OceanicAir 09-05-2015 11:09 AM ET (US)	I mean seriously ynnny, they are giving a person a second chance at a claim and to essentially cover holes in his story. I felt good about my Paranoid Rebel role in SW but if they were anything like this town I could have been far less thoughtful. Additionally, why do people want to vote out Sorian, who I believed claimed 3rd party? The point of the game is to remove mafia, not non-town members.
458 ynnny 09-05-2015 11:14 AM ET (US)	Gosh... Hope that'll help them find some semblance of sense, now. OA, yeah! I remember your paranoid rebel thing! 😆 can't fault town too badly though... They are in the height of their blarg phase... I wasn't there during blarg phase in SW but I heard it was legendary :>
459 Hyperactivity 09-05-2015 11:17 AM ET (US)	Day two with blarg typically means the neutrals die
460 palmer_v1 09-05-2015	Town is toing to be salty as fuck when they read this later.

11:27 AM ET (US)	
461 Karkador 09-05-2015 12:05 PM ET (US)	-_____-
462 CzarTim 09-05-2015 12:07 PM ET (US)	Launch still believes the lightening rod when he has proof it's b.s. I quit life.
463 CzarTim 09-05-2015 12:09 PM ET (US)	fucking finally
464 palmer_v1 09-05-2015 12:10 PM ET (US)	Yeah, lol
465 TaylorSwift 09-05-2015 12:13 PM ET (US)	I cannot believe that there is even a chance that Fireblend may survive this day
466 Czartim 09-05-2015 12:17 PM ET (US)	Who has lived in every game he's been in, Launch. Think
467 Karkador 09-05-2015 12:21 PM ET (US)	I think batsnacks should just start posting in the thread as normal, and claim he never actually died because L_P is not what he seems. They will believe it.
468 OceanicAir 09-05-2015 12:23 PM ET (US)	They're gonna lynch Blarg again aren't they? Lol. Don't know why he made up that role. Edit: lol Kark. Edited 09-05-2015 12:25 PM
469 Ourobolus 09-05-2015 12:27 PM ET (US)	I swear Blarg just never reads the alignment part of his PMs and just assumes he's neutral no matter what.
470 swamped 09-05-2015	Why are they piling on Tim lol. Come on guys, Fireblend's lie was sooooo transparent

12:46 PM ET (US)	
471 CzarTim 09-05-2015 12:49 PM ET (US)	no swamped, obviously a scum role not part of the main scum group that has a 2 shot lightening rod that kills the person if they're scum and then turns into an ordinary kid makes mmmmuuuuchhh more sense
472 Hyperactivity 09-05-2015 12:51 PM ET (US)	Make a mostly normal mafia game, what with everyone wanting a "normal" game. Game ends up worse than Star Wars. Fireblend fucked up so hard and people believe him. And people should be flat out ignoring blarg, wth is he doing
473 Karkador 09-05-2015 12:52 PM ET (US)	GAFia doesn't want normal
474 CzarTim 09-05-2015 12:53 PM ET (US)	GAFia *can't* do normal
475 Czartim 09-05-2015 01:04 PM ET (US)	The fact that fire is still voting sorian for no reason should be all you need to know
476 Hyperactivity 09-05-2015 01:08 PM ET (US)	I half believe Blarg realized who Sorian is, and in lieu of scum, wanted revenge or something It makes more sense than all the bullshit in the thread
477 TaylorSwift 09-05-2015 01:08 PM ET (US)	is there even any scumhunting going on any more
478 OceanicAir 09-05-2015 01:22 PM ET (US)	Ok, so at least Sorian is still on the Fireblend is lying train...
479 swamped 09-05-2015 01:22 PM ET (US)	I'm half inclined to believe that all these people know each other IRL and they are trying to get revenge on each other for unrelated things e.g. Sorian stole Blarg's last pudding
480 CzarTim	lol swamped, i'd buy it

09-05-2015 01:24 PM ET (US)	
481 CzarTim 09-05-2015 01:53 PM ET (US)	I'd get mad at blarg, but at this point people should know better
482 OceanicAir 09-05-2015 02:05 PM ET (US)	Ah, Sorian. The shining light of clarity in the fog of nonsense. He's gonna die isn't he? I think that Blarg is trying to do what squidy did to get Haly in the Archer game to try and lynch somebody.
483 CzarTim 09-05-2015 02:06 PM ET (US)	Never lie as town. Never lie as town. Never lie as town. Never lie as town.
484 Droplet 09-05-2015 02:08 PM ET (US)	Maybe there's a secret forum for all the players where they plan out the most ridiculous role claims possible just to spite Tim and everyone else watching right now.
485 CzarTim 09-05-2015 02:09 PM ET (US)	i'd buy that too
486 CzarTim 09-05-2015 02:40 PM ET (US)	this is a train wreck
487 Hyperactivity 09-05-2015 02:52 PM ET (US)	So now Blarg or sorian will die When they had so mch evidence at the beginning of this day that they said they wouldn't really mind if someone majoriteed (?, majority'd ?) Fireblend I can't believe this shit
488 Karkador 09-05-2015 02:56 PM ET (US)	"Train wreck" is right
489 Czartim 09-05-2015 03:15 PM ET (US)	Are you kidding me, Launch? Why would you claim that role on day one? That's so dumb.
490 Czartim	Like don't get me wrong I know I screwed up, but I corrected my mistake before the game started and now he's saying he wouldn't have played it right anyway.

09-05-2015 03:20 PM ET (US)	Sleepwalker exist to make scum think that person has an important role so they don't kill someone who does have an important role.
491 Czartim 09-05-2015 03:24 PM ET (US)	also lol if blarg dies day two.
492 Hyperactivity 09-05-2015 05:32 PM ET (US)	Launch has got it figured out Although I hate asking for flavor text and the like. It's bullshit and meta. Look, if a townie wants to prove they're town, then they could just show a screenshot of the pm or something At best, ask for role name, and that's as far as it should go
493 Czartim 09-05-2015 05:36 PM ET (US)	I wrote fake flavor too. Though fire didn't use his.
494 Droplet 09-05-2015 05:52 PM ET (US)	I don't think you can cp your role text. Making up flavor is fine though.
495 Czartim 09-05-2015 05:53 PM ET (US)	They are still acting like blarg is telling the truth when they have proof he isn't. I now officially want town to lose.
496 Droplet 09-05-2015 05:54 PM ET (US)	Does mafia still believe him?
497 Czartim 09-05-2015 05:55 PM ET (US)	Only fire did to be fair. They corrected him.
498 Czartim 09-05-2015 05:59 PM ET (US)	For salva when you see this: Town had a role claimed watcher who has a confirmed scum. Even if blarg were telling the truth you'd still want to kill fire first so a potential lightening rod would expose another scum. Launch dying is best case scenario for the night time.
499 Ourobolus 09-05-2015 06:02 PM ET (US)	Christ, how do they not realize why I kept posting about dying?? I didn't know there was a watcher, but dammit if Burb didn't pick up on it.
500	Scenario 1, we kill Fire, but now we have nothing else to go on

Karkador 09-05-2015 06:03 PM ET (US)	Scenario 2, we kill Blarg, which /might/ already restate the obvious about Fire, and something something we still will have nothing else to go on after that
501 Ourobolus 09-05-2015 06:03 PM ET (US)	/m495 Yeah...sadly I kinda hope NFA just wipes the floor with them at this point. It's getting sad.
502 Karkador 09-05-2015 06:09 PM ET (US)	This whining about bastard modding is also pretty uncalled for, considering Dangan
503 Czartim 09-05-2015 06:09 PM ET (US)	I think launch might just overtake kark as scum mvp lol
504 Karkador 09-05-2015 06:11 PM ET (US)	Hey, my vote was left on Fireblend by the end of Day 1. Has Launch even voted for Fire at this point
505 Karkador 09-05-2015 06:14 PM ET (US)	(he hasn't, lol)
506 CzarTim 09-05-2015 06:19 PM ET (US)	fair point!
507 Ourobolus 09-05-2015 06:25 PM ET (US)	They are all scum MVP
508 TaylorSwift 09-05-2015 06:31 PM ET (US)	they all need to take many, many deep breaths and possibly take some time away from the game to get their heads in order
509 CzarTim 09-05-2015 08:27 PM ET (US)	he still thinks his role is anti-town lol what a dumb ass
510 Ourobolus	Ridiculous belief of role claims aside, I feel for Launch since Blarg is tunneling him for literally no reason at all

09-05-2015 08:36 PM ET (US)	
511 OceanicAir 09-05-2015 08:38 PM ET (US)	So everyone pretty much agrees that Fireblend is lying right. So they can lynch him and work out the differences tomorrow. Also, wouldn't Launch dying as blarg said they would be good for town? Seems like he needs to remember town wins collectively, not living town. And if Blarg is lying (as most people think) then he has nothing to worry about (unless he was going to anyway lol).
512 CzarTim 09-05-2015 08:39 PM ET (US)	/m511 yes exactly /m510 I'd agree if Launch didn't have evidence blarg was lying. A lot of evidence actually.
513 CzarTim 09-05-2015 08:51 PM ET (US)	sorian mvp
514 swamped 09-05-2015 08:54 PM ET (US)	Hey, it's OceanicAir! Been a while since we've seen you around :D
515 CzarTim 09-05-2015 08:55 PM ET (US)	sanity prevails
516 Droplet 09-05-2015 08:56 PM ET (US)	The logic train has returned.
517 ynnny 09-05-2015 09:06 PM ET (US)	Aaaahh finally sorian and launchie found town's brain :D Sorachan so stout \o/ Poor launchie... though. Having to deal with blarg insane tunnelling is not something I'd wish for my worst enemies XD
518 CzarTim 09-05-2015 09:12 PM ET (US)	blarg tunnled on me in SW (though to be fair, after he was dead) and I found it hilarious The thing about blarg is he has zero sway over town and taking his accusations seriously is ridiculous. Blarg will never be able to make town lynch anyone but himself
519 OceanicAir 09-05-2015	/m514 Hey Swamped! I've been lurking around and more or less following the games as crazy as they are. But I've been busy with the start of grad school which is why I've gone quiet(er).

09:17 PM ET (US)	Also, where's the rest of the players? It's like the Sorian, Launch, Blarg show. I do find it kinda funny that town's MVP is a neutral player. Edited 09-05-2015 09:26 PM
520 ynnny 09-05-2015 09:23 PM ET (US)	To be fair, I think current blarg is banking on his carry over credits from cthulhu from when he was sort of telling the truth (and sort of was on towns side) but that town didn't believe him anyway and lynched him. But yeah... His shenanigans , though epic, always should never be taken too seriously cuz even when he was sort of pro-town in cthulhu, he failed to mention he was bp... Idk why. Except to run an ill-minded test on town, some sort of sick trust exercise or something. Had town trusted him on partial info, they'd been rewarded???? IDK I love reading blarg play as a spectator though XD but boy, I feel for the present NX players o7
521 CzarTim 09-05-2015 09:24 PM ET (US)	yep, well said YN
522 Droplet 09-05-2015 10:05 PM ET (US)	I'm kind of confused about Sorian's role claim. Is he expecting that someone tomorrow will be there to corroborate that they got licked by him or something?
523 CzarTim 09-05-2015 10:09 PM ET (US)	yes there should be. he just licked the dead guy today
524 Droplet 09-05-2015 10:15 PM ET (US)	Wait wait, it's actually part of his role?
525 CzarTim 09-05-2015 10:19 PM ET (US)	yep!
526 CzarTim 09-05-2015 10:30 PM ET (US)	salva pls
527 Droplet 09-05-2015	Sorian: Microsoft product pusher, serial cow licker, the plankest of planks. I can't believe this is a real role.

10:39 PM ET (US)	I also can't believe they've gone this long and still not killed Fireblend.
528 CzarTim 09-05-2015 11:06 PM ET (US)	he's just an artist trying to make his way poor guy is so misunderstood Edited 09-05-2015 11:06 PM
529 CzarTim 09-05-2015 11:36 PM ET (US)	I can't watch this lol This is just awful
530 Ourobolus 09-05-2015 11:38 PM ET (US)	What have you wrought, Tim
531 CzarTim 09-05-2015 11:39 PM ET (US)	this is why you turbo scum, town can talk itself out of anything.
532 Ourobolus 09-05-2015 11:39 PM ET (US)	You know what I think this is - we've got a relatively sizable amount of "experience" Gafia players in one game, so when people make shit up, the others are inclined to believe it somehow. Although i would also think that they'd recognize that their experience also lies in bullshitting.
533 CzarTim 09-05-2015 11:41 PM ET (US)	the funny thing is fire all but admitted to being scum and they ignored it
534 CzarTim 09-05-2015 11:44 PM ET (US)	squidyj save them
535 Hyperactivity 09-05-2015 11:45 PM ET (US)	Ouro, the smartest guys there are the new(er) ones And think about this- all these guys, save cabbeh, died early in their games
536 ynnny 09-05-2015 11:49 PM ET (US)	Squidy!!!! He'll sort them out!!! ^_____^ GAFia: Snatching defeat from the jaws of victory!
537 Droplet 09-05-2015	Holy shit, can that be the thread title for season 4?

11:56 PM ET (US)	
538 Karkador 09-05-2015 11:58 PM ET (US)	I'm a bit bummed that this is the town that voted me out. I should have easily been able to reverse the whole thing.
539 Droplet 09-06-2015 12:07 AM ET (US)	The logic train departs once again.
540 CzarTim 09-06-2015 12:16 AM ET (US)	come on Launch
541 OceanicAir 09-06-2015 02:48 AM ET (US)	If they don't lynch Fireblend today they will be completely and utterly screwed. It would also be nice if they, you know, let Fire defend himself...
542 OceanicAir 09-06-2015 03:01 AM ET (US)	Why don't people seem to understand that a lightning rod wouldn't give mafia an extra kill. It's the same as a vigilante or an overrider, which people seem to be able to stomach (even though town is 1 for 3 in its use). Whoever dies will be town, Launch or not, and if he hates his role that much it should make him happy. But I will laugh for days if they lynch Blarg and the mafia kill Launch anyways. Edited 09-06-2015 03:02 AM
543 palmer_v1 09-06-2015 03:35 AM ET (US)	Can someone recap blarg's claim for me? None of it makes sense.
544 Droplet 09-06-2015 04:02 AM ET (US)	Blarg please.

548 ynnny 09-06-2015 06:01 AM ET (US)	the crew seems to be dealing with things well, all things considering :D go nx crew!
549 ynnny 09-06-2015 06:38 AM ET (US)	OMG salva. Pls. *claws at own face*
550 OceanicAir 09-06-2015 08:43 AM ET (US)	While all of the lightning rod stuff gave me a headache, I do think I understood what Blarg was doing at the core. And salva, the tunnelling is most definitely real.
551 CzarTim 09-06-2015 10:11 AM ET (US)	/m543 it was something like he is a NFA 2-shot lightening rod that turns into an FA ordinary kid if he uses both of them.
552 CzarTim 09-06-2015 10:26 AM ET (US)	So here's the skinny: Fire is NFA. He is a jack of all trades that included a 1 shot switch which he used on sorian and ouro last night. So he actually didn't do the kill and the switch is real. This was an extremely dumb play by the mafia especially when you consider they asked me if a watcher would see him switch and I said yes. I'm not sure why they did that. This created a very weird interaction in Sorian licking himself. I did not consider this a possibility because what are the chances that the ONE switch in the game would redirect his lick onto himself? So we kind of had to talk about how that should play out. The way I interpreted the rules was this: Sorian's role PM explicitly says he cannot lick the same person twice. If a switch caused him to accidently lick the same person, I would have to send a "Your action failed" report since someone getting the cowlick message twice would be confusing. His PM also states that he does not need to lick himself to win. If being licked is a binary state, he started the game as 'yes'. Therefore I treated him being switched back to himself as licking a person already licked. This also made today the most interesting. If Sorian had proof that a switch happened, they would have believed fire's claim and probably not voted for him. This way allowed fire the ability to talk his way out of it (because a switch still could have happened) but not make it too easy.

	Fire, it seems, gave up. Which is super frustrating because he could have easily swung this around during blarg's bullshit.
553 ynnny 09-06-2015 11:03 AM ET (US)	:O the ONE switch in the game made sorian licked himself omg lewd~~~~ >/////< lol probability is hella trippy af :>
554 CzarTim 09-06-2015 11:27 AM ET (US)	Hi fire, sorry about that.
555 Fireblend 09-06-2015 04:13 PM ET (US)	It's alright, I had fun. I thought my chances of turning my fate around were so slim it'd be preferable to just stay silent and avoid saying things that could be used against me or my team later. It was a tough position to be in :P
556 OceanicAir 09-06-2015 04:22 PM ET (US)	Not a bad strategy really, town was doing more than enough mudslinging amongst themselves anyways. I did that myself in the SW game when I saw the writing on the wall. I just wanted to slow down discussion since as people say, discussion favors town and raindoc at that point wasn't posting a lot which would have stood out more. Also why I think people shouldn't have any extra rules to post.
557 Droplet 09-06-2015 04:54 PM ET (US)	This flavor is killing my heart.
558 CzarTim 09-06-2015 04:58 PM ET (US)	tbh my favorite flavor was kark's emoji one
559 Karkador 09-06-2015 05:14 PM ET (US)	I didn't see the emojis until my role flipped, lol My theory is that Tim triggered Stranger Danger and I ignored every link he sent me, which is also why I didn't realize the thread had gone up at game start
560 CzarTim 09-06-2015 05:15 PM ET (US)	you cant use the [img] tag in PMs apparently, so it was just a link to the image.
561 Karkador 09-06-2015 05:16 PM ET (US)	right i imagine that happened after dick pics were sent on gaf at some point
562 palmer_v1 09-06-2015	Oh goddamnit, someone sending dick pics to people in line should have been a role.

09:57 PM ET (US)	
563 palmer_v1 09-06-2015 09:58 PM ET (US)	Someone PM me a link to the other dead thread. don't post it here.
564 ynnny 09-07-2015 05:28 AM ET (US)	come back on already nx thread!!! i needs gafia entertainment in my life :V
565 swamped 09-07-2015 02:36 PM ET (US)	/m519 @Oceanic I see, good luck! Depends on the field obviously but i found that my first two years were very demanding, but now I have plenty of time for research and Mafia lol.
566 OceanicAir 09-07-2015 07:48 PM ET (US)	/m565 @swamped Thanks! I'm glad that I can now add you to the ever growing list of people across disciplines who say that the beginning sucks ;_; lol. Can't wait to get to the research portion to start... at least I think. Good luck with the rest yourself!
567 Ourobolus 09-07-2015 08:19 PM ET (US)	Now that Archer is over and was horribly removed from the NX line, I really gotta get in the next ONUW game.
568 CzarTim 09-08-2015 11:04 AM ET (US)	Welcome burb. I have to say that so far you are easily the town MVP. You correctly called the scum team on day one, managed not to out your power role until necessary, and used it correctly. You deserved better teammates than you got.
569 Ourobolus 09-08-2015 11:05 AM ET (US)	Yep, knew it would be Burb. ;_;
570 palmer_v1 09-08-2015 11:12 AM ET (US)	It had to be. NFA team would have been crazy to let Burb keep going. Hopefully people go back and see some of your spot on guesses.
571 ynnny 09-08-2015 11:45 AM ET (US)	Aaaawwwwwww burberagorn dies N2 ....yet again! ;____; *prepares seat for burbsy*
572 Burbeting 09-08-2015	Man, I was hoping for either a) there to be a doctor or b) mafia to let me live one more day and try to accuse me of bussing Fireblend. Oh well, can't say I was surprised. I'll read the dead thread now!

11:51 AM ET (US)	(Also Tim, I'll continue to update the Harry Potter picture :P). And yeah, I was informed by Tim that I am dead over an hour early.
573 Burbeting 09-08-2015 11:53 AM ET (US)	Also Ouro, at least I made sure that your death wasn't in vain. I'll post here bit more coherently later today.
574 CzarTim 09-08-2015 12:01 PM ET (US)	jailers are like super doctors, so no Town is out of power roles at this point, but it'll be easy for them to win. They might need to vote blarg out today just to be sure, but after that they can go through the blenders and win
575 Ourobolus 09-08-2015 12:03 PM ET (US)	/m573 I'm just glad that there was a Watcher picking up on my "i'm gonna die tonight" posts.
576 CzarTim 09-08-2015 12:03 PM ET (US)	if they do vote out blarg, they should just turbo him and not waste a day yelling at each other again.
577 Burbeting 09-08-2015 12:04 PM ET (US)	/m575 It was half reading all your posts saying that, and half of me thinking "if I was scum, I would definitely kill Ourobolos tonight."
578 Ourobolus 09-08-2015 12:06 PM ET (US)	/m577 I pretty much knew I was dead. I thought I was contributing a lot to town, but I was out of everyone's crosshairs. I was a pretty safe target.
579 Burbeting 09-08-2015 12:07 PM ET (US)	I'll post more after I have finished reading dead thread, and after the day begins, so the still living people can start gossiping my early demise :P
580 haly 09-08-2015 12:26 PM ET (US)	This game has the best flavor. Edited 09-08-2015 12:26 PM
581 CzarTim 09-08-2015 12:30 PM ET (US)	nobody on the left side of the image has died, must be redacted
582 Burbeting 09-08-2015	Blarg-Sorian-Launchpad chatterbox-triangle is still alive. This game topic will reach 100 pages for sure before the end then.

12:32 PM ET (US)	
583 Burbeting 09-08-2015 12:34 PM ET (US)	Also spoiler me Tim, I want to see if I was with my hunch or not. I actually wrote four pages of notes during my uni lecture today, wrote down my "these guys are mafia" predictions just in case I die now.
584 Ourobolus 09-08-2015 01:17 PM ET (US)	Welp, looks like NX is gonna keep away from NFA for today, unless something ridiculous happens...which is entirely plausible in this game.
585 Burbeting 09-08-2015 01:30 PM ET (US)	Okay, finished reading the dead thread, so time to chip my two cents so far: I wasn't going to reveal my hand this early, but the death of both Jailor and the Cop forced me to upstart my move. I thought it was obvious that Ouro was going to be the target number uno so it was where I went to look. After Sorian came immediatly forward, I was set to make my kamikaze-ish move. It failed though, since I was trying to get as short day as possible so that there wouldn't be unnecessary roleclaims or bullshit.... And then there was lot of unnecessary roleclaims and bullshit. Seriously Blarg, wtf were you thinking :D. Also sorry Fire, I kind of stopped your game in their tracks, huh. I know it can be frustrating. In general this game has me thinking "WTF are you doing??" I've been thinking about it for Bats, Karkador, Salva, Blarg and Fire :D. Sorry! I was happy in general how I played, and the fact that I got pretty close with the mafia. In my notes one of the two in mafia is in my "definitely mafia, get him killed tomorrow if you live" list, didn't catch the other though. Now to look from the sidelines, as the town bumbles (hopefully) to victory :P. And sorry Bats if our talks during day 1 got bit heated.
586 Burbeting 09-08-2015 01:50 PM ET (US)	In my notes there was two names on a list called "definitely mafia", one of them was right, other wasn't :P. Not going to reveal them because some people are here going without spoilers. There was some other notes too, but those are now not needed because I died.
587 Burbeting 09-08-2015 01:55 PM ET (US)	tbh interested about nfa thread, dunno if people here can read it or not. just for the reasoning they had for killing ouro.
588 Ourobolus 09-08-2015 02:04 PM ET (US)	I read it - basically I was a safe kill, like I said. I had some reservations about their players but I posted that I "trusted" them for the time being, so they figured they should get rid of me.
589 CzarTim	you were far too obvious for night one. retro would have been good.

09-08-2015 02:05 PM ET (US)	
590 Ourobolus 09-08-2015 02:11 PM ET (US)	Well at least my sacrifice worked! :P
591 Burbeting 09-08-2015 02:15 PM ET (US)	Mafia should have been savvy enough to think that there is a watcher that could watch them kill the obvious target... And wtf was the point of that switch Fire did. I think losing jack-of-all-trades was not a good pay-off for trying to hide the real killer
592 CzarTim 09-08-2015 02:19 PM ET (US)	they were savvy enough to think about it and yet did it anyway lol
593 Burbeting 09-08-2015 02:21 PM ET (US)	I'm going to presume there is no ninja. Because why on earth didn't they use the ninja if there was one. Or if they did use him... why did they do the switch. One of those "WTF are you doing" moments again.
594 Ourobolus 09-08-2015 02:23 PM ET (US)	From the NFA thread - [REDACTED] "I am currently leaning towards ouro. Only thing I am worried about is that his "I am probably going to die" remark may invite watchers/doctors to target him. Just a feeling, nothing concrete, and risk taking is part of the game."
595 Burbeting 09-08-2015 02:29 PM ET (US)	So they actually did think about it... and tried to subvert... without thinking the one who would do the subverting would be caught instead. Dummies. Luckily town too is dumb, as day 2 showed.
596 CzarTim 09-08-2015 02:29 PM ET (US)	currently town has 2 mislynches *if* sorian heel turns in lyol as he should. If they waste a day on salva and blarg, it's game over.
597 Ourobolus 09-08-2015 02:38 PM ET (US)	Don't worry, I'm currently working on 2016 Election Mafia. It'll be grand.
598 CzarTim 09-08-2015 02:41 PM ET (US)	sign me up!
599 CzarTim 09-08-2015	2 windows phone mentions already

02:55 PM ET (US)	
600 Ourobolus 09-08-2015 02:57 PM ET (US)	lol I keep forgetting about that part
601 Ourobolus 09-08-2015 03:07 PM ET (US)	And there's three! Launch gave him a reason to post it again, lol
602 CzarTim 09-08-2015 03:09 PM ET (US)	what should he do tomorrow, gang?
603 Burbeting 09-08-2015 03:13 PM ET (US)	Xbox One, the all-in-one games and entertainment system Yes, the complete litany
604 Burbeting 09-08-2015 03:13 PM ET (US)	also doritos and mountain dew
605 Ourobolus 09-08-2015 03:13 PM ET (US)	"the power of the cloud"
606 CzarTim 09-08-2015 03:14 PM ET (US)	we did that day 2 burb, you didnt even notice! well, not the whole thing Edited 09-08-2015 03:15 PM
607 Burbeting 09-08-2015 03:16 PM ET (US)	yeah I know you did xbone, but not the complete litany :P Well I'll think of something else
608 Burbeting 09-08-2015 03:17 PM ET (US)	"Bing is better than Google"
609 Burbeting 09-08-2015	Also if I was mafia, I would nk Prodigy, Launch and then Sorian Prodigy is proved town, not a danger, but still town. Launch & Sorian are too, but they provide noise, and they keep to make mistakes, so they can stay longer and

03:21 PM ET (US)	mislead people. MVP Scum trophies for Sorian & Launch
610 Burbeting 09-08-2015 03:25 PM ET (US)	Cabbeh ;) after that. People will stay suspicious of him till the late-game, at least. Might even lynch him too.
611 CzarTim 09-08-2015 03:26 PM ET (US)	scum shouldnt nk sorian, they can win a day early with him
612 Burbeting 09-08-2015 03:40 PM ET (US)	That's true
613 palmer_v1 09-08-2015 03:58 PM ET (US)	Office 365, Czartim.
614 Karkador 09-08-2015 04:30 PM ET (US)	Make him say "It is now safe to turn off your computer"
615 Ourobolus 09-08-2015 04:47 PM ET (US)	He has to work Buddy Holly by Weezer into his discussion.
616 Burbeting 09-08-2015 05:16 PM ET (US)	Give Squidjy the kgb mvp award too. He basically wants to kill all the town :P.
617 Burbeting 09-08-2015 05:21 PM ET (US)	Gafia: Where town is the town's greatest enemy
618 Burbeting 09-08-2015 05:23 PM ET (US)	Also I'll worship you tim if the final flavor reveals that instead of nx the surviving players get harry potter books instead. Hehehe
619 Rats Off To Ya	I second Bing. And they have to be positive mentions!

09-08-2015 06:04 PM ET (US)	
620 CzarTim 09-08-2015 06:06 PM ET (US)	sure that works
621 CzarTim 09-08-2015 06:10 PM ET (US)	Launch is going to get himself lynched lmao scum mvp for sure
622 CzarTim 09-08-2015 06:46 PM ET (US)	lynching sorian doesnt count as a mislynch, so it's not a huge deal, they just dont gain anything from it either
623 theprodigy 09-08-2015 06:49 PM ET (US)	I'm just popping in here to say this game is fucking hilarious for all the wrong reasons.
624 ynnny 09-08-2015 06:55 PM ET (US)	/m623 so true XD best game to spectate tbh :> make sorian advertise kinect :D
625 Fireblend 09-08-2015 09:58 PM ET (US)	Man, Town is killing it in this game! Its chances of winning, that is.
626 swamped 09-08-2015 10:53 PM ET (US)	Ummmm CzarTim your kids have gone haywire. What is the Salva vs Blarg thing lol. This is hilarious.
627 Hyperactivity 09-09-2015 01:32 AM ET (US)	God damnitt Blarg
628 Burbeting 09-09-2015 01:54 AM ET (US)	Town is going to lynch Salva, Blarg and LAunch. And then lose. Gaddamit.
629 Burbeting	The whole day 3 has been "people screaming at each other". Why are they all so tense?

09-09-2015 08:05 AM ET (US)	
630 Ourobolus 09-09-2015 08:21 AM ET (US)	Man these guys... #3397 - cab, don't use my reads for your targets. They were Day 1 reads. And clearly, despite Kark's and bat's weird-ass playing, they were incorrect.
631 Czartim 09-09-2015 09:17 AM ET (US)	The losing color is white.
632 Karkador 09-09-2015 09:21 AM ET (US)	"If I agree to this, then I'm going for a no lynch afterwards, I don't want another D1 double lynch again." - Someone who voted for me D1 >:C Edited 09-09-2015 09:21 AM
633 Ourobolus 09-09-2015 09:21 AM ET (US)	And Town loses, either way :/
634 Burbeting 09-09-2015 09:22 AM ET (US)	The mafia chat must be laughing their asses off. The town is so dummbb
635 Czartim 09-09-2015 09:28 AM ET (US)	I figure this game is already over. Might as well let them hang themselves
636 theprodigy 09-09-2015 09:28 AM ET (US)	So, link to the mafia chat? I wanna see what they're thinking now lol
637 Burbeting 09-09-2015 09:29 AM ET (US)	What a messsss
638 Burbeting 09-09-2015 09:30 AM ET (US)	/m636 seconded :D
639 Czartim 09-09-2015	The thing is the mafia aren't being super chatty and aren't playing too much better than town. It's just that town is playing so poorly it doesn't matter.

09:31 AM ET (US)	
640 Karkador 09-09-2015 09:33 AM ET (US)	mod-resurrect me back into the game, fuck it
641	Deleted by author 09-09-2015 09:34 AM
642 theprodigy 09-09-2015 09:43 AM ET (US)	lmao Karkador, maybe you should type up an elaborate post and pretend you're still in the game, they'd probably buy it too
643 Burbeting 09-09-2015 10:01 AM ET (US)	"You guys are so dumb I was resurrected"
644 Fireblend 09-09-2015 10:01 AM ET (US)	/m639 I had the feeling we were all on wildly different timezones. I'd wake up and see plenty of their posts, but then it'd take them a while to respond to mine. And lol @ what's going on in the thread now. Challenging other people with mario party minigames should have been something in the rules from the start. Edited 09-09-2015 10:02 AM
645 theprodigy 09-09-2015 10:05 AM ET (US)	town vs scum team battles in Mario Kart 8, Smash 4, and Splatoon, whichever side wins in 2 out of 3 games wins /s
646 palmer_v1 09-09-2015 10:06 AM ET (US)	I've wondered how to handle some roles that involve resurrection. The problem is you'd have to telegraph it with warnings not to to talk to anyone even after you're dead because there's a chance you can still affect the game. It means you don't get to enjoy the dead threads while hoping you come back which might not even happen.
647 Fireblend 09-09-2015 10:06 AM ET (US)	The Wizard Mafia
648 Burbeting 09-09-2015 10:15 AM ET (US)	**Test**
649 Burbeting 09-09-2015 11:17 AM ET (US)	Sorian: "This is only beneficial for town" Lol lol lol :(((

650 Karkador 09-09-2015 11:24 AM ET (US)	*facepalm* Maybe I could have gotten the message across better, but this is exactly what I mean by bloodthirsty Town making careless plays, with much higher odds that they'll just kill themselves
651 Karkador 09-09-2015 11:26 AM ET (US)	The sad thing is that they'll probably just immediately vote out the one who 'wins', anyway. Why not just hit them both with the chain lightning modkill
652 CzarTim 09-09-2015 11:39 AM ET (US)	lol this game
653 palmer_v1 09-09-2015 11:47 AM ET (US)	It was supposed to be such a normal game.
654 CzarTim 09-09-2015 11:49 AM ET (US)	too late for that shit!
655 Fireblend 09-09-2015 11:50 AM ET (US)	"I have a 15 player game I'd like to run mid-season, I already wrote the role PMs and theme is Nintendo NX launch night. Everyone's waiting in line but they don't have enough consoles so it's Fun-aligned (town) vs No-Fun-Allowed (mafia) to determine who gets one. The set-up is closed and **normal**." - CzarTim, 2015
656 Karkador 09-09-2015 11:51 AM ET (US)	RIP normalcy
657 Rats Off To Ya 09-09-2015 11:58 AM ET (US)	Long live GAFia!
658 Burbeting 09-09-2015 12:03 PM ET (US)	Lol I can't start target game yet, I want to see how our town blows themselves up first.
659 theprodigy 09-09-2015	let's start taking bets on the following: 1. how long it takes for SalvaPot to show up and pick one

02:26 PM ET (US)	2. who gets blown up bonus: which pick does the bomb get triggered on (i.e. if there's two left and then Salva gets blown up, that's the 4th pick of the first cycle) btw what happens if the bomb is the only one left, is blarg screwed or are you resetting? (pls reset, gotta follow the original game)
660 palmer_v1 09-09-2015 02:35 PM ET (US)	More important, was my random guess about Green correct?
661 CzarTim 09-09-2015 02:41 PM ET (US)	it's white
662 Burbeting 09-09-2015 02:43 PM ET (US)	The one who dies in the mario party game will get mario's head as their dead symbol.
663 theprodigy 09-09-2015 02:46 PM ET (US)	You know, since we're watching this right now, top 10 Mario Party minigames across the whole series?
664 theprodigy 09-09-2015 03:53 PM ET (US)	SalvaPot lives for this round! *grabs popcorn*
665 CzarTim 09-09-2015 03:53 PM ET (US)	i havent played any mario party since the last 64 one
666 Fireblend 09-09-2015 04:07 PM ET (US)	Bumper Balls is the GOAT anyway. It's all downhill from there.
667 CzarTim 09-09-2015 04:39 PM ET (US)	if it resets the new color is pink
668 Fireblend 09-09-2015	oh man the suspense is killing me.

04:40 PM ET (US)	
669 Fireblend 09-09-2015 04:41 PM ET (US)	It's funny because I'm already dead.
670 theprodigy 09-09-2015 04:41 PM ET (US)	RIP SalvaPot
671 Burbeting 09-09-2015 04:42 PM ET (US)	rip salva Time to fix the picture!
672 Karkador 09-09-2015 04:43 PM ET (US)	They're definitely going to kill Blarg after this

675 Karkador 09-09-2015 04:45 PM ET (US)	that was quick
676 CzarTim 09-09-2015 04:45 PM ET (US)	thanks fire, hi salva
677 Fireblend 09-09-2015 04:45 PM ET (US)	damn, Salva wasting no time posting here.
678 Burbeting 09-09-2015	Salva, WTH WTF for the whole town. That was super ultra mega dumb.

04:46 PM ET (US)	
679 SalvaPot 09-09-2015 04:48 PM ET (US)	So who is NFA anyway? I was sure I was going to get lynched anyway, so might as well have some fun in my way out.
680 CzarTim 09-09-2015 04:48 PM ET (US)	fire can spoil if he wants
681 theprodigy 09-09-2015 04:50 PM ET (US)	Next time there's 3-person LyLo in a GAF game and someone's in a position to determine the ultimate outcome it must be done via this minigame /s
682 SalvaPot 09-09-2015 04:51 PM ET (US)	I am assuming by a quick glance of this thread that blarg was not nfa =(
683 CzarTim 09-09-2015 04:53 PM ET (US)	he is ordinary too!
684 Burbeting 09-09-2015 04:54 PM ET (US)	I'm angry now that I was killed... I would be grilling one of the nfa as we speak :P. Well that's what I daydream, at least.
685 palmer_v1 09-09-2015 04:57 PM ET (US)	Wait, you modkilled Salva cause that game, Czartim?
686 theprodigy 09-09-2015 04:58 PM ET (US)	That was the point of the game. also: "It's Green! DO NOT PICK GREEN." PALMER IS A FRAUD
687 Burbeting 09-09-2015 04:59 PM ET (US)	The mafia has won. The town is just so oblivious to everything :P.
688 Burbeting 09-09-2015	But that's no compliment to the mafia either

04:59 PM ET (US)	
689 Fireblend 09-09-2015 05:02 PM ET (US)	lol I mentioned who the rest of NFA was in an earlier post here but then realized I wasn't sure if you guys knew who NFA were so decided to edit the names out.
690 Fireblend 09-09-2015 05:03 PM ET (US)	Shut up Burb, it's all part of NFA's plan to let the town self-destruct without them having to move a finger. We decided to let me die to provide the illusion of progress, obviously.
691 SalvaPot 09-09-2015 05:05 PM ET (US)	Oh man since day one with karkador I knew the game went downhill, also its amazing how we just keep on letting Sorian lead, lol.
692 Karkador 09-09-2015 05:07 PM ET (US)	Did I ruin NX
693 Fireblend 09-09-2015 05:08 PM ET (US)	Nah. You *elevated* it.
694 SalvaPot 09-09-2015 05:08 PM ET (US)	Nah, blarg did =P
695 SalvaPot 09-09-2015 05:08 PM ET (US)	I was thinking about how after you died everything went downhill
696 Burbeting 09-09-2015 05:10 PM ET (US)	/m690 oh so THATS why your switcher claim was so bogus in the towns eyes. it was all according to keikaku ;) (Note: Keikaku means a plan)
697 Karkador 09-09-2015 05:11 PM ET (US)	I'm thinking what happened is that Blarg got on the same page as me towards the end of my life, and then he tried to pick it back up the next day...but he went way off the rails trying to claim something outlandish to trap people
698 Burbeting 09-09-2015	Blarg's claim also gave alibi to Fire... you know... the only scum who was basically caught at that point.

700 Czartim 09-09-2015 05:18 PM ET (US)	I'd say kark dug town's grave and blarg buried town alive. It doesn't help that town is essentially focusing on the loud noises and letting scum slip by. Can't afford to do that in smaller games.
701 Ourobolus 09-09-2015 05:58 PM ET (US)	/m692 YES MOTHERFUCKER, YES
702 theprodigy 09-09-2015 06:04 PM ET (US)	Actually, Karkador, you provided some great amusement in this game.
703 Burbeting 09-09-2015 07:31 PM ET (US)	Now they are going to lynch Launch before blarg? They really want to die, huh. At nine players they don't really habe time for mislynches, since Sorian is not counted to town.
704 theprodigy 09-09-2015 07:33 PM ET (US)	So does Sorian win if it's just him+NFA, or does he have to be the last one standing?
705 CzarTim 09-09-2015 07:34 PM ET (US)	Launch being a lovable dummy aside, thinking he's scum this game is mad stupid.
706 CzarTim 09-09-2015 07:34 PM ET (US)	sorian can win with nfa, yes.
707 Burbeting 09-09-2015 07:41 PM ET (US)	Well this town can talk themselves to absolutely anything
708 CzarTim 09-09-2015 07:43 PM ET (US)	http://www.neogaf.com/forum/showpost.php?p...8223&postcount=3551 That post summarizes my feelings on Launch this game. More concerned with staying alive and proving he's town than finding scum. It reads really forced. That said, it fits well with Launch's meta and I don't think I could see scum acting so erratically.

709 Burbeting 09-09-2015 07:44 PM ET (US)	MVP trophy for everyone.
710 ynnny 09-09-2015 07:56 PM ET (US)	NX town = the mafiaest town that ever towned? it's all on kark! >:O (and blarg) (and salva) (and bats) (and launch) (and everyone else except for burbsy) !!!!! ~team effort~ yeeeeeeeeeeeeeeeeeeeey
711 CzarTim 09-09-2015 07:58 PM ET (US)	lol YN
712 Burbeting 09-09-2015 08:00 PM ET (US)	Time: oh wait it's Launch and Sorian! Grrrggghggg I want to bang my head against the wall.
713 CzarTim 09-09-2015 08:04 PM ET (US)	has there ever been a grand conspiracy between scum? People always want to believe, but who actually works that well together.
714 theprodigy 09-09-2015 08:06 PM ET (US)	NX=Nintendo's next system Nintendo's most notable character=Mario Mario=Italian mafia is an Italian term it all makes sense guys, that's why town is being weird
715 ynnny 09-09-2015 10:08 PM ET (US)	d'awwww its launch x sorian private chat in there seems like, sometimes XD
716 theprodigy 09-09-2015 10:16 PM ET (US)	"sometimes", aka whenever blarg isn't dominating the conversation or we're playing Mario Party
717 Burbeting 09-10-2015	at least Launch has been bit pushing the right directions in his last posts... not enough though.

03:32 AM ET (US)	
718 TaylorSwift 09-10-2015 02:37 PM ET (US)	so, what has happened whilst I was pretending to be a dog?
719 CzarTim 09-10-2015 02:49 PM ET (US)	literately nothing
720 Burbeting 09-10-2015 03:05 PM ET (US)	Bit of Mario Party. And then Launch and Sorian screaming at each other.
721 TaylorSwift 09-10-2015 03:12 PM ET (US)	wait Launch and Sorian have both signed up for the Election game noooooooooooooo
722 CzarTim 09-10-2015 03:20 PM ET (US)	me too, I'm always a top poster
723 Burbeting 09-10-2015 03:20 PM ET (US)	/m721 fuck
724 Burbeting 09-10-2015 03:26 PM ET (US)	thank you, tim.
725 Burbeting 09-10-2015 03:56 PM ET (US)	This idiot ducking town. Dumb dumb dumb dumb dumb.
726 Burbeting 09-10-2015 04:03 PM ET (US)	It's just seven players next day, so mafia needs to survive just one more day before the game ends (barring they don't kill Sorian). I do hope that the town will oust one of the mafia, though.
727 theprodigy 09-10-2015	Darryl with a classic Darryl post

04:06 PM ET (US)	
728 palmer_v1 09-10-2015 04:28 PM ET (US)	I'm not a slouch on post counts either.
729 CzarTim 09-10-2015 06:31 PM ET (US)	the mafia now think sorian can read their thread for some reason
730 theprodigy 09-10-2015 06:42 PM ET (US)	wait, what? lol
731 palmer_v1 09-10-2015 07:53 PM ET (US)	Yeah, they have actually tested it to see if he can. They're now wondering if he can see it, but is restricted from confirming it, which echos his marketing gig a bit.
732 ynnny 09-10-2015 08:46 PM ET (US)	/m731 omg XD they're testing...!!! 😆
733 Ourobolus 09-10-2015 08:49 PM ET (US)	Yeah, it's pretty funny.
734 Czartim 09-10-2015 08:56 PM ET (US)	I can't believe they're lynching launch. I mean what the hell.
735 Ourobolus 09-10-2015 08:59 PM ET (US)	/m734 Really, after all that's happened so far, you can't believe it?
736 Czartim 09-10-2015 09:03 PM ET (US)	You know what? I still had hope for some reason.
737 Ourobolus 09-10-2015	NFA should honestly just go to sleep at this point.

09:06 PM ET (US)	
738 Czartim 09-10-2015 09:10 PM ET (US)	They practically are
739 theprodigy 09-10-2015 09:12 PM ET (US)	From the flavor, shouldn't every member of "town" technically be for themselves and nobody else? :P
740 Czartim 09-10-2015 09:14 PM ET (US)	If town wins Shig will give everyone an NX, is scum win they keep all of them!
741 ynnny 09-10-2015 11:04 PM ET (US)	Good ol' sorian, chasing every leads down the rabbit hole :>
742 Fireblend 09-10-2015 11:22 PM ET (US)	This is hilarious.
743 theprodigy 09-10-2015 11:31 PM ET (US)	when is it not?
744 Ourobolus 09-11-2015 12:11 AM ET (US)	I want NFA to keep talking to phantom Sorian
745 theprodigy 09-11-2015 12:19 AM ET (US)	ok hold on, I have to see this lmao
746 Hyperactivity 09-11-2015 12:46 AM ET (US)	/m721 Put me on that list too
747 ynnny 09-11-2015	/m746 launch, sorian, czar, hyper, palmer ^_____^

12:51 AM ET (US)	I'm expecting to see a legit post-count-splosion Edited 09-11-2015 12:53 AM
748 palmer_v1 09-11-2015 02:37 AM ET (US)	I will be legit mad if Darryl's ability doesn't trigger.
749 palmer_v1 09-11-2015 02:39 AM ET (US)	I can't even: Darryl HE KNOWS BLARG IS BLUFFING ABOUT A NIGHT ACTION. HE HEARS US.
750 Ourobolus 09-11-2015 07:51 AM ET (US)	I almost want to send a link to Sorian. *almost*
751 Burbeting 09-11-2015 08:50 AM ET (US)	So will LP or Caboth die next night? My money is on LP.
752 Ourobolus 09-11-2015 09:05 AM ET (US)	Think they are thinking squidy right now.
753 ynnny 09-11-2015 10:43 AM ET (US)	squidy is always prime meaty target for mafia :D hes like wagyu or something :D
754 ynnny 09-11-2015 10:46 AM ET (US)	ahahaha blargichaaaa~~~ XD i wonder how many times has launch felt like homer simpson strangling blarg simpson in this game:>
755 Karkador 09-11-2015 11:01 AM ET (US)	I felt the same feeling that Darryl could somehow read the chats he wasn't supposed to be in during the AC Mafia game. He's either a l33t hacker or clairvoyant
756 Burbeting 09-11-2015 11:51 AM ET (US)	Who is going to die in NX tonight? Launch?
757 Burbeting	Oh. Hi Blarg!

09-11-2015 12:43 PM ET (US)	Wtf were you trying to do.
758 Fireblend 09-11-2015 01:05 PM ET (US)	The NFA thread is all sorts of fun. This is hilarious. Also welcome Blarg.
759 Burbeting 09-11-2015 01:13 PM ET (US)	Also if the town makes a mislynch tomorrow it's basically game over. As long as nfa don't nk Sorian, that is. Edited 09-11-2015 01:22 PM
760 Karkador 09-11-2015 01:20 PM ET (US)	...lol
761 Burbeting 09-11-2015 01:22 PM ET (US)	But as long Darryl is sure that Sorian knows them, they might actually kill him. Both parties of this game are big bunch of fooooools.
762 Burbeting 09-11-2015 01:25 PM ET (US)	Even if NFA wins, I'm mad, because nfa isn't even trying really. They just are. Blending. That's boring.
763 palmer_v1 09-11-2015 01:44 PM ET (US)	Blending in is all NFA need. What else do you expect them to do?
764 Burbeting 09-11-2015 01:46 PM ET (US)	Yeah, I know. I'm just frustrated at the town :D.
765 Karkador 09-11-2015 01:57 PM ET (US)	LaunchPadMcQ presents - Pleas for Forgiveness: The Game
766 Fireblend 09-11-2015 04:03 PM ET (US)	I'm glad I didn't get to live long enough to be licked by Sorian.
767 Burbeting 09-12-2015	So is LP going to die or not? Scums would be just dumb to kill anyone else at this point imo (Well maybee Cabot, but they could try to spin his role still..)

02:47 PM ET (US)	
768 theprodigy 09-12-2015 02:54 PM ET (US)	anyone wanna PM me the link to the NFA chat?
769 Burbeting 09-12-2015 02:58 PM ET (US)	/m768 I've been asking for it, but it seems there's not much worthwhile to read?
770 CzarTim 09-13-2015 11:37 AM ET (US)	I'll link it at the end of the game. So for some reason roy wants to prove that he's a town tracker by following sorian so he can reveal who sorian licked. This makes zero sense as a town tracker would be trying to find the killer not confirm someone already confirmed. However to make matters even more hilarious, sorian licked darryl, and since the mafia already thought he can read their chat...
771 Burbeting 09-13-2015 11:45 AM ET (US)	/m770 lolololol
772 Burbeting 09-13-2015 12:06 PM ET (US)	So is LP dead or DEAD.
773 CzarTim 09-13-2015 12:07 PM ET (US)	squid, actually. Hi squid.
774 CzarTim 09-13-2015 12:10 PM ET (US)	also hi blarg. sorry I was sick and forgot to send you the link.
775 Burbeting 09-13-2015 12:10 PM ET (US)	What. Also, hi Squid! And Blarg too. Edited 09-13-2015 12:11 PM
776 Ourobolus 09-13-2015 12:14 PM ET (US)	/m770 LOL
777	/m770 what on earth

TaylorSwift 09-13-2015 12:19 PM ET (US)	
778 Burbeting 09-13-2015 12:22 PM ET (US)	If roy still tries to go through with that tracker claim... Well he would be stupid to still do it. Because cars like bridges.
779 theprodigy 09-13-2015 12:39 PM ET (US)	rofl at El Topo, is there something between him and roy lol
780 Burbeting 09-13-2015 12:51 PM ET (US)	Finally the town is moving to the right direction..
781 Czartim 09-13-2015 12:55 PM ET (US)	This is why I love mafia. Town can royally fuck itself for most of the game and still come out ahead when they smell bullshit.
782 Burbeting 09-13-2015 01:10 PM ET (US)	It's just kinda sad they started to look at these guys when they basically ran out of options (mostly looking at you, Launch!) Lol at the confused grandma.
783 theprodigy 09-13-2015 01:11 PM ET (US)	ayyy tracker claim!
784 Burbeting 09-13-2015 01:12 PM ET (US)	And now lol Roy too. This day should be lot more fun to watch than day 3 was. Roy you idiot, if one of you is found scum, your claim will doom both of you.
785 CzarTim 09-13-2015 01:13 PM ET (US)	well, mafia just lost holy shit how badly did they mangle that. why didn't darryl just claim ordinary?
786 Burbeting 09-13-2015 01:14 PM ET (US)	Their only way of survicing is surviving this day and win. If Darryl dies, roy is super-fucked and vice versa.
787 TaylorSwift	it's hilarious how quickly this game has turned around

09-13-2015 01:18 PM ET (US)	
788 SalvaPot 09-13-2015 01:19 PM ET (US)	If I was in the game I would doubt roy claim, because I could say that one of his partners could have been licked and told him in the mafia chat.
789 Burbeting 09-13-2015 01:20 PM ET (US)	Sorry Roy and Darryl, but you both are right now IDIOTS :D. I will say that Roy has better chances of winning that Darryl does. But seriously. You guys didn't kill LP, a dude who is basically most confirmed town possible. Instead you killed Squid? Yes, maybe it was to frame Roy, but at the same time you basically destroyed lot of the smoke-screen of players you could hide in! What a dumbass move.
790 Burbeting 09-13-2015 01:21 PM ET (US)	/m788 If Darryl dies, people can easily count 1+1=2 from that. Same vice-versa. Exact reason why I I kept screaming here that this claim was now dumb as shit.
791 Burbeting 09-13-2015 01:22 PM ET (US)	Also I really want to post popcorn.gif in the topic. What a dumbfoundigly dumb series of moves. Town doesn't need to even find the mafia, they give themselves in on a silver platter.
792 theprodigy 09-13-2015 01:23 PM ET (US)	hey now, maybe town will do one more incredibly stupid thing to counter this blunder
793 TaylorSwift 09-13-2015 01:24 PM ET (US)	yeah, sorian's twigged game over tbh
794 Burbeting 09-13-2015 01:25 PM ET (US)	The both sides have been super dumb. So it's a real possibility.
795 Burbeting 09-13-2015 01:26 PM ET (US)	It's funny too, because the NFA was basically having the upper hand... until this day began. And it all has been shattering so fast.
796 Fireblend 09-13-2015 01:26 PM ET (US)	I... don't think NFA is making it out of this one.

797 theprodigy 09-13-2015 01:28 PM ET (US)	So, does Sorian still win if all NFA are eliminated?
798 CzarTim 09-13-2015 01:30 PM ET (US)	yeah he wins with town
799 Burbeting 09-13-2015 01:30 PM ET (US)	He wins as long as he is not dead. Btw Tim, what is Sorian going to advertise today?
800 CzarTim 09-13-2015 01:30 PM ET (US)	sorian is doing Bing
801 Burbeting 09-13-2015 01:34 PM ET (US)	If I was mafia: - I would have killed LP. That would have kept the room of hiding lot bigger. Framing Launch wasn't good reason to kill Squid. - As Darryl I would have claimed ordinary. No reason to, right? - As Roy I would have claimed some role, since he has been way too much "lol ;;)) I'm PR maybe". Maybe not Tracker though, since the game already had a watcher.
802 CzarTim 09-13-2015 01:34 PM ET (US)	from mafia chat "Sorian licking Darryl instead of somebody else is some really bad luck" yeah if only there was a way to avoid that...
803 CzarTim 09-13-2015 01:35 PM ET (US)	/m801 yep. also lol that town is not questioning how dumb it was to track sorian when a killer is out there.
804 Burbeting 09-13-2015 01:36 PM ET (US)	What was Roy's plan if Sorian had licked someone else? Was he going to just guess who Sorian had licked? Or is he Mafia Watcher?
805 CzarTim 09-13-2015 01:38 PM ET (US)	he is a mafia tracker. the plan to track sorian was to "prove" he's a tracker but that makes no sense. Launch's role btw existed to make the mafia think he had a PR by tracking him. That's why him belly aching about it being anti-town is hilarious to me.
806 Burbeting 09-13-2015	So Launch was basically "The Bait" :P. Anyway, if Town doesn't win this they are worst town ever.

01:40 PM ET (US)	
807 CzarTim 09-13-2015 01:41 PM ET (US)	the end of this day is going to be hilarious btw
808 Burbeting 09-13-2015 01:42 PM ET (US)	"I am willing to help you test option 2. The only thing I am afraid off, is that Darryl will actually flip mafia. He and Timeaisis where my main mafia candidates for today, so I wouldn't be that surprised if he actually flipped mafia. And that would put me in a Shitty spot, because how can I prove that I got your lick by following you, and not from Darryl through a scum chat? " Roy should propose that he would track Sorian again next night, so that he could prove that he is the real deal. Obviously it does rise the question "why not seek last scum" but still. I would take that lead.
809 Burbeting 09-13-2015 01:43 PM ET (US)	Well and now Sorian himself gave Roy that option.
810 Burbeting 09-13-2015 01:45 PM ET (US)	I'm so going to laught if Sorian just gave Roy a way to become "trusted town". Oh god :D. This town.
811 TaylorSwift 09-13-2015 01:49 PM ET (US)	l o l
812 Burbeting 09-13-2015 01:49 PM ET (US)	I hope Launch thinks that Roy is mafia tracker. Since you know, that would make sense.
813 Burbeting 09-13-2015 01:50 PM ET (US)	But it's like looking at two dummies fighting over who can act dumber.
814 Burbeting 09-13-2015 01:51 PM ET (US)	Is the NFA chat in full-on-panicmode?
815 TaylorSwift 09-13-2015	Roy can prove he's a tracker, sure, but he can't prove his alignment.

01:52 PM ET (US)	plus, mafia having a tracker would actually make Launch realise that his role may have a point
816 CzarTim 09-13-2015 01:52 PM ET (US)	they arent talking a lot.
817 Burbeting 09-13-2015 01:54 PM ET (US)	/m815 too bad realising anything seems to be the Final Boss for this town.
818 CzarTim 09-13-2015 01:55 PM ET (US)	/m815 I really dont know how he thinks his role is anti-town with a town watcher? like why would a watcher seeing him do nothing be anti-town lol
819 Burbeting 09-13-2015 01:55 PM ET (US)	"You wouldn't lynch a Grandma, right?"
820 CzarTim 09-13-2015 01:56 PM ET (US)	quote of the game
821 CzarTim 09-13-2015 01:58 PM ET (US)	sorian know full well I wrote fake flavor so him asking darryl about is funny
822 Burbeting 09-13-2015 02:03 PM ET (US)	Roy has given up saving the alarmingly fast sinking sink known also as M/R Darryl.
823 theprodigy 09-13-2015 02:04 PM ET (US)	you know something ridiculous is going to happen before the day ends
824 TaylorSwift 09-13-2015 02:05 PM ET (US)	oh, Sorian
825 Burbeting 09-13-2015	4) Roy is Mafia Watcher. You know, the pretty likely scenario? Seriously, my dear Launch.

02:05 PM ET (US)	
826 Burbeting 09-13-2015 02:06 PM ET (US)	Yes Sorian. Scum MVP prize for Sorian :P.
827 TaylorSwift 09-13-2015 02:07 PM ET (US)	people believe and disbelieve the strangest things
828 Czartim 09-13-2015 02:09 PM ET (US)	Something I think mafia have forgot: they can't do the action and make the kill. So Roy can't confirm the lick and kill someone
829 Czartim 09-13-2015 02:10 PM ET (US)	If darryl is lynched I mean
830 Burbeting 09-13-2015 02:11 PM ET (US)	In that case only good way of action is to nkill Sorian. No nk would look suspicious as fuck, but so would Roy guessing wrong. It would give nfa one day more of survival though.
831 Burbeting 09-13-2015 02:13 PM ET (US)	Or he could try and make an educated guess over the few possible candidates at that point.
832 Fireblend 09-13-2015 02:14 PM ET (US)	Sorian mafia MVP
833 CzarTim 09-13-2015 02:51 PM ET (US)	they're blowing it again
834 CzarTim 09-13-2015 02:52 PM ET (US)	fucking lol from the mafia chat: "If they lynch time instead of me or Darryl, I will seriously start to consider that everyone left is a neutral that also wins when we win, there is no other explanation."
835 Ourobolus 09-13-2015	Christ I take a nap and town digs themselves BACK INTO a hole?

02:53 PM ET (US)	
836 theprodigy 09-13-2015 02:55 PM ET (US)	LMAO I really want to see mafia chat now
837 TaylorSwift 09-13-2015 03:03 PM ET (US)	y u do this
838 Czartim 09-13-2015 03:07 PM ET (US)	Putting everything else aside, the sheer lack of ordinary kid claims should be proof that the scum are hiding behind PR claims
839 Czartim 09-13-2015 03:12 PM ET (US)	Mafia could end this now by turboing time and asking sorian to vote with them tomorrow. Edited 09-13-2015 03:12 PM
840 Czartim 09-13-2015 03:15 PM ET (US)	Going after time makes no sense unless they think he and darryl are scum together
841 TaylorSwift 09-13-2015 03:19 PM ET (US)	they seem to exist only in the present rip timeaisis
842 Squidyj 09-13-2015 03:20 PM ET (US)	They killed me at the right time and now I'm pissed.
843 Burbeting 09-13-2015 03:21 PM ET (US)	But Squid, you seemed to be very Pro-Darryl in your game...
844 Burbeting 09-13-2015 03:22 PM ET (US)	Also the town is so stupid that I can't even say oh my god, so I will just say lol my god.
845 Burbeting 09-13-2015	Wait a second. Roy and Darryl could already turbo Time out of the game.

03:50 PM ET (US)	Too bad Darryl is out somewhere :P.
846 CzarTim 09-13-2015 03:58 PM ET (US)	/m845 /m839
847 Burbeting 09-13-2015 03:59 PM ET (US)	But wouldn't they win automatically after tonight anyway..? They would have 2 vs 2 situation, since Sorian is not counted to FA?
848 CzarTim 09-13-2015 04:00 PM ET (US)	mafia need to control the vote to win. so they need to be 50% of the playerbase
849 theprodigy 09-13-2015 04:01 PM ET (US)	besides, the way this game has gone mafia would kill Sorian after turboing anyway
850 Burbeting 09-13-2015 04:08 PM ET (US)	Well in that case they won't turbo. Sorian is way too town-player in this game so that he might not take that offer at all.
851	Deleted by author 09-13-2015 04:09 PM
852 Czartim 09-13-2015 04:13 PM ET (US)	If he turns down the offer they can nk him out of spite
853 swamped 09-13-2015 04:14 PM ET (US)	He might vote with Mafia if they threaten to nk him. Sorian can't win if he dies
854 TaylorSwift 09-13-2015 04:16 PM ET (US)	they need to wake up and realise that this is their opportunity to win and they really have to take it
855 Squidyj 09-13-2015 04:22 PM ET (US)	Not Darryl most likely, I would've gone in on roy in this situation and talked a lot of shit about sorian. It was my plan going into today :(
856 theprodigy	wait a minute

09-13-2015 04:27 PM ET (US)	if they lynch a town member today, mafia kills someone, and then mafia teams up with Sorian to finish off another town member the next day...couldn't they just backstab Sorian on the resulting night phase and still win the game?
857 swamped 09-13-2015 04:30 PM ET (US)	They don't even have to backstab Sorian. They can win the game with 2 mafia, 1 neutral and 1 town. I feel like if they went down this route they should spare Sorian since he would have helped them win lol Edited 09-13-2015 04:31 PM
858 Czartim 09-13-2015 04:34 PM ET (US)	They could, but that's such a dick move
859 theprodigy 09-13-2015 04:35 PM ET (US)	no fun allowed, it would totally be in flavor
860 swamped 09-13-2015 04:37 PM ET (US)	Oh, what's Sorian's challenge for today?
861 theprodigy 09-13-2015 04:39 PM ET (US)	wait, how many times can Sorian skip his marketing gimmick? maybe he doesn't even have to worry about it for the rest of the game edit: is there an alternative win condition related to the licking, or is that just a role you threw in for the lols Edited 09-13-2015 04:45 PM
862 Czartim 09-13-2015 04:46 PM ET (US)	He fails on the second time. Looks like he's slipping today
863 Burbeting 09-13-2015 04:46 PM ET (US)	How many times can he fail?
864 OceanicAir 09-13-2015 05:02 PM ET (US)	So are they going to lynch Time? Why?
865 Burbeting 09-13-2015 05:03 PM ET (US)	Because... uhh... Because they don't really use common sense? :P
866 CzarTim	roy basically said he used his ability in an anti-town way and everyone is okay with that lol

09-13-2015 05:27 PM ET (US)	
867 TaylorSwift 09-13-2015 05:32 PM ET (US)	they don't actually stop to interrogate their thinking, they just keep rolling on
868 Burbeting 09-13-2015 06:20 PM ET (US)	If nothing else, nx is the best soap opera this late summer.
869 OceanicAir 09-13-2015 06:48 PM ET (US)	It really seems that acting as indignant/angry town is the best course for mafia.
870 TaylorSwift 09-13-2015 09:04 PM ET (US)	this new post from Launch is so hilarious if only he got over his 'my ability is useless' thing, he's actually one step away from putting the pieces together between this thought and Roy's role
871 theprodigy 09-13-2015 09:22 PM ET (US)	I'm 90% sure NFA doesn't realize they can work with Sorian, so no endgame blitz...for now
872 CzarTim 09-13-2015 09:23 PM ET (US)	they don't lol They did mention keeping him around so his win condition is activated and he leaves the game, but nothing about teaming up.
873 OceanicAir 09-13-2015 09:24 PM ET (US)	Reminds me of the endgame scenario of the SW game with raindoc and AbsolutBro. We were going nuts in the dead thread lol
874 CzarTim 09-13-2015 09:26 PM ET (US)	tru dat
875 Hyperactivity 09-13-2015 10:39 PM ET (US)	I see it's between darryl, time, and roy Are any of them scum, or is town already fucked past the point of redemption Oh, and I just saw the individual post counts WTF 800 and 750 posts
876 Hyperactivity	There we go, a bing advert

09-13-2015 10:41 PM ET (US)	Which number is that for today?
877 CzarTim 09-13-2015 10:42 PM ET (US)	hoy shit that was genius sorian
878 CzarTim 09-13-2015 10:43 PM ET (US)	darryl and roy are the last scum first bing mention for sorian unless I missed something
879 CzarTim 09-13-2015 10:44 PM ET (US)	Launch asks a question sorian cannot answer.
880 theprodigy 09-13-2015 10:47 PM ET (US)	sorian could have snuck in another bing mention oh well lol
881 Hyperactivity 09-13-2015 10:49 PM ET (US)	Is that the first time he's been directly asked?
882 CzarTim 09-13-2015 10:50 PM ET (US)	yep
883 CzarTim 09-13-2015 10:51 PM ET (US)	I wonder if sorian gave darryl the link on purpose as the first result has this tidbit: "One nasty strategy at early LyLo as Survivor is to vote a Townie immediately and let the scum perform an extended quickhammer for the win."
884 Hyperactivity 09-13-2015 10:55 PM ET (US)	Fuck I thought that was just a bing link Goddamn Sorian, you're the only one playing this game
885 theprodigy 09-13-2015 11:54 PM ET (US)	are these guys really gonna blow it by lynching Timeaisis?
886 CzarTim	of course

09-13-2015 11:56 PM ET (US)	
887 CzarTim 09-13-2015 11:57 PM ET (US)	best case scenario for town is to lynch roy today and save darryl for last.

898 Ourobolus 09-14-2015 02:32 PM ET (US)	Darryl is going full Darryl. C'mon Launch, you know it's him.

902 CzarTim 09-14-2015 02:43 PM ET (US)	I am not getting my hopes up. I can't
903 theprodigy 09-14-2015 02:58 PM ET (US)	not that it seems to matter at this point (then again, someone could easily fuck it up) but this is tecnically lylo if NFA play their cards right, isn't it?
904 CzarTim 09-14-2015 03:14 PM ET (US)	if sorian heel turns tomorrow, yes.
905 OceanicAir 09-14-2015 03:39 PM ET (US)	Why on Earth do these people allow backtracking so much?
906 Fireblend 09-14-2015	Sorian has to be intentionally helping NFA at this point, right? Go Sorian!

03:57 PM ET (US)	
907 palmer_v1 09-14-2015 03:58 PM ET (US)	Can someone recap what has happened for me? I see the Mafia chat and they're trying to arrange for Darryl to hammer someone. How did they finally get suspicion on them?
908 theprodigy 09-14-2015 04:00 PM ET (US)	wait, I wanna see the mafia chat too!
909 Burbeting 09-14-2015 04:00 PM ET (US)	The Mafia Basically fucked up so bad that I still can't believe it.
910 CzarTim 09-14-2015 04:01 PM ET (US)	darryl claimed 1-shot bp, roy tracked sorian last night to prove he's a town tracker for some reason. town didn't believe them, believed them, and now don't believe them again
911 Burbeting 09-14-2015 04:03 PM ET (US)	First mafia killed Squidjy, who was unknown ordinary kid, instead of killing someone who was proved town. This already made their space for blending dramatically tinier. They did it to frame Launch, but everybody was instantly "yeah this is bullshit framing move". Then Darryl and Roy both claimed PR's, and especially in Darryl's case there was absolutely no reason for it. Roy's claim and info tied him and Darryl together instantly. So if one of the dies, the alignment of the second is more or less sure.
912 palmer_v1 09-14-2015 04:16 PM ET (US)	No idea why either of them would claim. Do they think town has more power roles that can track them? They would have been home free.
913 CzarTim 09-14-2015 04:18 PM ET (US)	yup. roy had hinted at a role on day two for some reason, so he was forced.
914 Burbeting 09-14-2015 04:26 PM ET (US)	If Roy really wanted to claim Tracker, he should have at least changed the order around. For example, he could have said that he tracked Sorian N2, and that he saw him visit Cabot... it would have been shady, but would not have tied him to Darryl as much as he is now.
915 Burbeting 09-14-2015	But imho if I was Roy, I would have claimed ordinary, but one who tried to hint PR as a gambit, in order to possible get Scum kill me instead of them hunting the already known power roles.

04:29 PM ET (US)	Obviously this explanation would have been weak too but man... Not like this.
916 palmer_v1 09-14-2015 04:31 PM ET (US)	Wait, Roy is saying he can see who they target? Is that how we made the role?
917 Burbeting 09-14-2015 04:32 PM ET (US)	He said he can track a person and he'll know the names who that tracked visited. OG Roy plan was to track Sorian N3 and then he could prove himself by telling everyone who Sorian licked... ...Too bad Sorian licked Darryl N3.
918 CzarTim 09-14-2015 04:33 PM ET (US)	yeah? that's how trackers work. otherwise it's a motion detector... actually a motion detector would have been way better and we wouldn't have had to add Launch's role. Oh well.
919 palmer_v1 09-14-2015 04:33 PM ET (US)	He should pretended to be Commuter. Would have been believable after our gaffe with Launchpad, i.e. we sent Commuter to two people on accident, when one was supposed to be a sleepwalker. Bonus is it's not verifiable by anyone, and partially explains why might survive longer. Why are people so bad at lying in this game?
920 CzarTim 09-14-2015 04:34 PM ET (US)	the thing is he implied he knew blarg was lying about the lightening rod, so he needed something targetable.
921 palmer_v1 09-14-2015 04:35 PM ET (US)	/m918 All previous GAFia "Trackers" have only seen activity, not targets. Motion detector sees incoming OR outgoing activity, right? and Watcher is only incoming. I don't think we've used full power ones before.
922 CzarTim 09-14-2015 04:37 PM ET (US)	from the wiki "The Tracker is an informative role that can target a player at Night and learn who, if anybody, that player targeted the same night (but not the action the player performed). "
923 Ourobolus 09-14-2015 04:44 PM ET (US)	/m921 The watcher in Archer detected WHO visited a player.
924 CzarTim 09-14-2015 05:00 PM ET (US)	I missed sorian's second bing mention! http://www.neogaf.com/forum/showpost.php?p...2380&postcount=4089
925 palmer_v1	/m922 and /m923

09-14-2015 05:53 PM ET (US)	So there is a Motion Tracker, a Watcher, and a Tracker. A standard tracker sees the name of your target, if you used an action that targets, as well as the name of your action. All S1/S2 trackers only saw you you targeted someone, but never got a name for the target or ability. Watcher sees who targeted you, and with what action. GAFia S1/S2 Watchers only saw the name of people who targeted you. Motion detector I'm too lazy to look up, but we haven't had one in GAFia yet anyway. It's why I've had to ask in all my previous games what people mean when they say they're a cop, watcher, tracker, etc. GAF doesn't always conform to the norm. Edited 09-14-2015 05:54 PM
926 CzarTim 09-14-2015 06:20 PM ET (US)	there was a motion detector in SW. It notifies you if your target performed an action or if someone performed an action on them but not who else is involved or the actions performed. I don't understand what you are trying to say with the tracker thing, but a tracker sees who the person targets but not the action performed. That's what a tracker does. Just seeing if the target has an action would be a different role. Maybe we haven't had one in GAFia, but I just went off the wiki.

928 OceanicAir 09-14-2015 06:58 PM ET (US)	How the heck does this move save roy's skin? By all rights he should be killed in the next night phase. Remember town wins together, no need to selfishly extend your own playing time to keep yourself from getting lynched instead of dying the next freaking night phase.
929 Ourobolus 09-14-2015 07:00 PM ET (US)	/m925 Ah, I misread your earlier post.
930 Ourobolus 09-14-2015 08:27 PM ET (US)	Go, LaunchpadMcQUACKQUACKQUACK, go!
931 CzarTim 09-14-2015 08:51 PM ET (US)	I am so proud of Launch! Going from scum MVP to town MVP in zero time. My real concern is that they'll lynch cabot tomorrow for defending roy so much.
932 CzarTim 09-14-2015	sorian just PMed me: "I'd like to go on record and say that I think there are two scum left and its Darryl and Launch." So he is playing for the scum team now lol

09:18 PM ET (US)	
933 theprodigy 09-14-2015 09:35 PM ET (US)	so as of right now, who would you give town, scum, and overall MVP? inb4 "nobody gets scum MVP, they all played like shit"
934 OceanicAir 09-14-2015 09:51 PM ET (US)	If I'm being silly (with a bit of honesty) scum gets town MVP and town gets scum MVP. Truly though if town wins it really should go to Sorian, he really kept town on course. Scum? No clue lol.
935 CzarTim 09-14-2015 10:04 PM ET (US)	overall is sorian for sure. town is burb, but if launch can successfully push the roy / darryl lynches to win the game, I'll give it to him. Scum is harder to say, I think roy put up a better fight even if his strategy didn't make sense.
936 CzarTim 09-14-2015 10:09 PM ET (US)	I know town would never think of this, but assuming roy goes today, town really should policy lynch sorian tomorrow. This would force a 3-man lyol and give town the best chances of winning.
937 theprodigy 09-14-2015 10:12 PM ET (US)	idk, it feels like Darryl would be screwed if roy is gone ...though you know what I want to happen? one town, Sorian, Darryl remaining, Sorian literally ends up deciding which side wins the game
938 Hyperactivity 09-14-2015 10:46 PM ET (US)	/m925 I'm offended Deeply offended
939 ynnny 09-14-2015 10:50 PM ET (US)	Launchie! :D Such great sleuthing! LAUNCHIE FOR MVP!!!!! Sorian for lewd MVP :>
940 Hyperactivity 09-14-2015 10:57 PM ET (US)	I'm still having trouble believing Sorian's night action is to **lick** people
941 theprodigy 09-14-2015 11:40 PM ET (US)	what, you wouldn't let sorian lick you (͡° ͜ʖ ͡°)
942 Hyperactivity	LLEEEWWWWDDDDD

943 ynnny 09-15-2015 09:40 AM ET (US)	soyuri's licked players will form a PTSD support group after this game for having been licked and the ones that escaped licking will wear a badge of proudly escaping the fate from this humble beginnings, the two factions will one day clash and reconcile the long after effects of The Great Licking
944 palmer_v1 09-15-2015 11:26 AM ET (US)	Czartim, I think they just hit majority on Roy.
945 palmer_v1 09-15-2015 11:34 AM ET (US)	Nevermind, it's only 3 votes. Launchpad's vote made it sound like he was the hammer.
946 Ourobolus 09-15-2015 11:45 AM ET (US)	I swear to freaking god, if roy turns this around...
947 palmer_v1 09-15-2015 11:57 AM ET (US)	He's going the MYLO/LYLO route, I bet.
948 palmer_v1 09-15-2015 12:01 PM ET (US)	Or he shits all over Sorian. He's gonna be mad when he sees their chat.
949 Fireblend 09-15-2015 12:02 PM ET (US)	Risky play, but I think it's all NFA has left. Go NFA!
950 theprodigy 09-15-2015 12:09 PM ET (US)	I mean, he's not wrong about it being mylo (actually lylo,3 town+2 scum+Sorian means town is done), it's just that roy happens to be one of the correct targets lol
951 palmer_v1 09-15-2015 12:10 PM ET (US)	It might work. Terrible that town hadn't considered it. He can win if he gets them to vote sorian today and darryl tomorrow. Does anyone in this chat know Darryl's ability or is that still a secret?
952	I know it. Oh shit.

Ourobolus 09-15-2015 12:12 PM ET (US)	
953 Ourobolus 09-15-2015 12:14 PM ET (US)	WHAT? NO! LAUNCH WHAT ARE YOU DOING
954 Ourobolus 09-15-2015 12:15 PM ET (US)	Oh, I see. But still. C'mon. You're dancing around the target right in front of you.
955 theprodigy 09-15-2015 12:20 PM ET (US)	cabot and I aren't the only ones thinking launch wanting to lynch Sorian now is partly because he just doesn't want him to win, right? lol
956 theprodigy 09-15-2015 12:25 PM ET (US)	mass scum fakeclaiming? ...now that's creative, I'll grant you that
957 palmer_v1 09-15-2015 12:34 PM ET (US)	It almost happened in Star Wars. There came a point with 6 players. 3 were Ordinary Town. 1 was an undercover mafia who did not know the other scum and couldn't communicate with him. 1 was the last normal scum alive. 1 was me, a neutral who won if I could keep the last normal scum alive. If I had come out with my actual role, the normal scum would have probably supported me, and we just needed the undercover scum to vote with us to force a tie. Because we had no idea who he was, the correct move for town would have been to counterclaim as scum to force the issue. I ended up not doing it, but I really wish I had.
958 palmer_v1 09-15-2015 12:35 PM ET (US)	Hey, Ouro, can you check the vote sheet and update it? I can't access it from work.
959 Hyperactivity 09-15-2015 12:39 PM ET (US)	Why not no lynch I never understand the problem with doing that mylo, especially if there aren't any remaining roles. You simply bring the list of players down, and by pure chance, are more likely to kill the the scum It comes with downside of a lylo/mylo immediately afterwards, but I still like those odds more If the cult try and screw around with a no kill, keep no lynching. Stalemate them until you are sure of the scum catch
960	no lynch leaves you 3 town, 2 NFA, Sorian

theprodigy 09-15-2015 12:43 PM ET (US)	operation mass scumclaim would still be forced to take effect, otherwise the game would be over (NFA+Sorian stall out the day vote otherwise) it doesn't seem to help that much? edit: actually, wait a minute...if Sorian+NFA keep voting no lynch after that point, they win, mass fakeclaim isn't quite as effective as Timeaisis thinks it is Edited 09-15-2015 12:46 PM
961 palmer_v1 09-15-2015 12:47 PM ET (US)	True. The counter to a mass claim is to vote no lynch and just keep killing at night.
962 Ourobolus 09-15-2015 12:50 PM ET (US)	/m958 I don't think I have the link?
963 Fireblend 09-15-2015 12:50 PM ET (US)	Oh shit Cabot!
964 theprodigy 09-15-2015 12:51 PM ET (US)	so it really is lylo if everyone plays to win, unless they lynch sorian and give themselves another day
965 Ourobolus 09-15-2015 12:51 PM ET (US)	er, wait, never mind, forgot he put his in the thread.
966 Ourobolus 09-15-2015 12:53 PM ET (US)	fucking hell, cabot.

968 theprodigy 09-15-2015 12:54 PM ET (US)	if roy+sorian jumped on this wagon, it would be game over

976 Burbeting 09-15-2015 12:56 PM ET (US)	It seems roy will bite the bullet now
977 Ourobolus 09-15-2015 12:56 PM ET (US)	lol, there it is.
978 Fireblend 09-15-2015 12:56 PM ET (US)	Oh God. Darryl where are you.

981 Fireblend 09-15-2015 12:57 PM ET (US)	He better be lurking right now. He better be saving his vote for a last-minute save.
982 Burbeting 09-15-2015 12:57 PM ET (US)	Darryl has already voted Lunch.
983 Ourobolus 09-15-2015 12:58 PM ET (US)	Yeah, Darryl can't do anything. Sorian needs to choose.
984 Burbeting 09-15-2015 12:58 PM ET (US)	and here I was thinking I could already update the HArry Potter pic
985 Fireblend 09-15-2015 12:58 PM ET (US)	Oh, well shit.

990 Burbeting 09-15-2015 12:59 PM ET (US)	I want Roy to lose just so I can shit on him for mafia's choices today
991 palmer_v1 09-15-2015 12:59 PM ET (US)	If Darryl was here to change his vote, mafia would be better off.
992 Ourobolus 09-15-2015 12:59 PM ET (US)	YESSSSSSSSS

996 swamped 09-15-2015 01:00 PM ET (US)	Ahhhhh twas so close. Almost feel bad for NFA
997 OceanicAir 09-15-2015 01:00 PM ET (US)	That was epic!
998 theprodigy 09-15-2015 01:01 PM ET (US)	where the fuck is Darryl though, really?
999 palmer_v1 09-15-2015	Sorian hammers. That's got to be game for town. I bet Darryl kills Sorian to be a dick. Lord knows I would in his situation. We'll never get to enjoy his ability properly now.

01:01 PM ET (US)	What is Sorian's current lick list?
1000 Ourobolus 09-15-2015 01:01 PM ET (US)	/m998 Dunno. But he couldn't have done anything in this scenario other than try to convince others.
1001 Ourobolus 09-15-2015 01:02 PM ET (US)	/m999 I hope this happens.
1002 Burbeting 09-15-2015 01:02 PM ET (US)	Launch WhAT?
1003 theprodigy 09-15-2015 01:03 PM ET (US)	I would also kill Sorian just as one last fuck you lmao
1004 Burbeting 09-15-2015 01:03 PM ET (US)	Launch you do realise that post made you look like scum. For no reason.
1005 CzarTim 09-15-2015 01:04 PM ET (US)	lolololol
1006 Ourobolus 09-15-2015 01:04 PM ET (US)	lol: Roy: STILL, DARRYL, KILL FUCKING SORIAN, JUST DO IT, MAKE HIM PAY.
1007 Fireblend 09-15-2015 01:06 PM ET (US)	Welcome Roy! Look at the bright side, you've disproved that lynching me always results in a win for you :D yay me!
1008 CzarTim 09-15-2015 01:09 PM ET (US)	lol Launch
1009 theprodigy 09-15-2015	launch is the best troll

01:10 PM ET (US)	
1010 palmer_v1 09-15-2015 01:10 PM ET (US)	Launchpad doing his damnedest to snatch defeat from the jaws of victory.

1013 Burbeting 09-15-2015 01:12 PM ET (US)	Only reason I can think of is to make Darryl think there is more to his role, and get Darryl kill him next night.
1014 Ourobolus 09-15-2015 01:15 PM ET (US)	lol, fuckin darryl
1015 roytheone 09-15-2015 01:16 PM ET (US)	I'm exhausted.
1016 Ourobolus 09-15-2015 01:17 PM ET (US)	/m1015 being scum is hard, eh? :P
1017 Burbeting 09-15-2015 01:18 PM ET (US)	Rooooyyyy What the hell were you and Darryl doing :D. Sorry, but that was absolute trainwreck saved only by dum town.
1018 palmer_v1 09-15-2015 01:19 PM ET (US)	We may have been trash talking you and Darryl today.
1019 palmer_v1 09-15-2015	Oh, don't tell them Darryl's ability. Let that be a fun surprise, though it's semi-ruined now by your death.

01:20 PM ET (US)	
1020 theprodigy 09-15-2015 01:20 PM ET (US)	but if it makes you feel better, we've been trash talking basically everyone except Sorian the whole game
1021 roytheone 09-15-2015 01:21 PM ET (US)	You guys can say whatever you like, AT LEAST I DIDN'T JUST ROLL OVER AND DIE, AND WENT OUT WITH A LAST DITCH EFFORT. That is much more than you can say from some other scum groups.....
1022 Burbeting 09-15-2015 01:21 PM ET (US)	1. Why on earth did you kill Squid and not LP? 2. Why did Darryl claim PR and not ordinary? 3. Why did you go with the tracker plan with no changes after Sorian licked Darryl? Obviously you and Darryl were going to connected. Those questions for start :P.
1023 Fireblend 09-15-2015 01:22 PM ET (US)	/m1021 yeah! We sure fought to the last breath! >_>
1024 theprodigy 09-15-2015 01:22 PM ET (US)	shots fired at...Fire edit: of course roy and Fire would be on the same team #Smashjokes Edited 09-15-2015 01:23 PM
1025 palmer_v1 09-15-2015 01:27 PM ET (US)	Czartim, I need you to PM LaunchpadMcQ and tell him you just noticed another tiny mistake in his role PM. He's meant to be NFA Sleepwalker.
1026 CzarTim 09-15-2015 01:27 PM ET (US)	lol Palmer
1027 roytheone 09-15-2015 01:29 PM ET (US)	Guys, I have something to tell you: Having to play as scum while you have only two ingame days of experience (thanks again El topo! ;) FUCKING SUCKS ASS.
1028 Ourobolus 09-15-2015 01:29 PM ET (US)	How about zero days experience? <--- AC Mafia :P
1029 theprodigy 09-15-2015	Sorian is basically town now that Darryl doesn't have NK leverage over him if he doesn't play along, so he might as well do the spite kill

01:30 PM ET (US)	
1030 Burbeting 09-15-2015 01:30 PM ET (US)	/m1027 you did very well though... until Night 3 and Day 4. Edited 09-15-2015 01:45 PM
1031 Burbeting 09-15-2015 01:33 PM ET (US)	But I really do want to hear answers to those questions, curious.
1032 theprodigy 09-15-2015 01:33 PM ET (US)	who would you kill if you were Darryl? just curious
1033 roytheone 09-15-2015 01:33 PM ET (US)	/m1028 sure, but I was in a team of only 3 players, and Darryl admitted he had little time to play and communicating with him in the thread was a bit problematic, and Fire was gone very soon, so I was basically left on my own for a good part of this game. For someone with my lack of experience, that was incredibly overwhelming. I was just lost about what to do for 80 % of the game, and had nobody to ask advice to. Edited 09-15-2015 01:33 PM
1034 Ourobolus 09-15-2015 01:38 PM ET (US)	I'm just messing with you. I thought you guys were going to take it until this day phase.
1035 Czartim 09-15-2015 01:42 PM ET (US)	Roy you did very good for a first time scum! Don't feel bad!
1036 Burbeting 09-15-2015 01:46 PM ET (US)	/m1033 it's always a shitty situation when you as a scum can't ask help or scheme together efficientely :(.
1037 palmer_v1 09-15-2015 01:50 PM ET (US)	Are there enough players to split into regional groups? It feels like you could get at least two NA games, and one central europe game going.
1038 roytheone 09-15-2015 01:50 PM ET (US)	/m1022 1. Why on earth did you kill Squid and not LP? My preferred targets where Squidyj and LP, Darryl his preferred targets Squidyj and cabot (for some reason? Really don't understand him wanting to kill Cabot at all). Because Darryl was very busy and our schedules where such that there wasn't really

	a moment were both of us could talk at the same time, we couldn't discuss it in depth and just went with the guy we both thought could be a risk. 2. Why did Darryl claim PR and not ordinary? No fucking idea, you have to ask him. 3. Why did you go with the tracker plan with no changes after Sorian licked Darryl? Obviously you and Darryl were going to connected. I asked darryl for advice there, he came with me refusing to role claim, which I thought would actually be the worst option here. I feared that if I waited too long, that would become suspicious, so I had to act quickly. I was afraid that if I quickly made up a lie, I would make so many mistakes that it would take like 10 minutes before I would have been lynched. So I went with the truth. Those questions for start :P. Edited 09-15-2015 01:52 PM
1039 Burbeting 09-15-2015 01:59 PM ET (US)	/m1037 I don't think regional games are that much better either because it would basically force some players from not ever playing. It could be used for games like ONUW or similar quicktopic games, since those tend to be fast.
1040 Burbeting 09-15-2015 02:01 PM ET (US)	I just don't understand why Squidjy... Why kill someone who was in the unknown zone. Killing him made the space for you two to hide in dramatically smaller when killing LP would have not disrupted the status quo. And yeah, have to ask Darryl when the game ends. That claim was just unneeded. Also sory if you and Fireblend got to talk more, and I took him away from you.
1041 roytheone 09-15-2015 02:01 PM ET (US)	BTW, do you guys have access to the mafia thread?
1042 swamped 09-15-2015 02:01 PM ET (US)	/m1039 Speaking of, you should host another Target game! I want to play the Blargohunt version again.
1043 Burbeting 09-15-2015 02:03 PM ET (US)	/m1042 Have to sort out the problems with it's rules first. Mostly with how much and how clear clues one can give.
1044 Burbeting 09-15-2015 02:04 PM ET (US)	Roy, no. I would want to though, I'd love to see your reactions during d2 if there were any :P.
1045 roytheone	That really sucked, because N1 was a pure miscommunication mess. We talked about switch killing someone, but after thinking about it, Darryl literately said: "so it

09-15-2015 02:08 PM ET (US)	is useless then?" I went to bed, I woke up, checked the thread and there was Darryl telling us he had already targeted Sorian and that we needed to switch Sorian with our real target. WTF dude, we just agreed that switch killing was useless! I kept my cool in the mafia thread, but I was NOT AMUSED.
1046 theprodigy 09-15-2015 02:09 PM ET (US)	Darryl for town MVP
1047 Burbeting 09-15-2015 02:12 PM ET (US)	Oh wow. Well killing Ouro was kind of a risk in itself too, since he basically shouted "doctors and watchers, come here!" Blarg must have been a godsend to you.
1048 palmer_v1 09-15-2015 02:13 PM ET (US)	Yeah cause that got Fireblend killed early and for absolutely no gain.
1049 Ourobolus 09-15-2015 02:14 PM ET (US)	/m1047 :)
1050 roytheone 09-15-2015 02:14 PM ET (US)	/m1047 it was one of the three moments I was actually mad at Darryl, but managed to keep my cool in the thread because I thought actually attacking him would just be bad for us both.
1051 CzarTim 09-15-2015 02:16 PM ET (US)	Darryl has not been on his A game for sure.
1052 Burbeting 09-15-2015 02:19 PM ET (US)	My orginal plan for D3 was to grill Darryl until he dropped. He really hasn't been on his best here..
1053 Fireblend 09-15-2015 02:22 PM ET (US)	Yeah, the timezone difference really screwed with us.
1054 CzarTim 09-15-2015 02:27 PM ET (US)	sorian licked launch. only time and L-P are not licked Also sorian failed his bing mentions today as his 3rd one came after the hammer. Suggestions for tomorrow? Edited 09-15-2015 02:28 PM
1055 CzarTim	We haven't done the Surface yet

09-15-2015 02:30 PM ET (US)	
1056 roytheone 09-15-2015 02:30 PM ET (US)	You want to know what the thing is that pissed me of the most in regards to darryl? I will literally copy one of his messages here: "we're communicating fine. this game hasn't had much for us to talk about really. if we were coordinating more it'd probably just fuck us, luckily 99% of the town is acting so suspicious we don't have to put in work. if they were trying i'd likely have just got a replacement because i haven't had a whole lot of time" And this: "I have read about 5% of the posts in the main thread and I've never even posted a read list. I have no clue how I have gotten by." Seriously, If you only have time to read 5% of the posts, GET A REPLACEMENT. It doesn't matter town is playing like crap for now, that could change any day, and then we would be fucked because it would be too late to get a replacement. I am still kind of mad about this.
1057 Ourobolus 09-15-2015 02:32 PM ET (US)	lol, just noticed this post from Darryl: "Sorry Ouro. I knew it was risky to try to kill you but we did it anyways. It was the mistake that probably lost us the game"
1058 theprodigy 09-15-2015 02:38 PM ET (US)	Darryl for town MVP! (has anyone actually given town MVP to badly playing scum or vice versa)
1059 CzarTim 09-15-2015 03:01 PM ET (US)	this is what *should* happen: Dar kills L_P tonight town turbos sorian tomorrow Dar kills time this would leave a cab / dar / launch 3 man lyol.
1060 theprodigy 09-15-2015 03:04 PM ET (US)	why turbo Sorian? besides, Darryl is the obvious target now...I think
1061 Burbeting 09-15-2015 03:05 PM ET (US)	because Sorian said out loud that he will help scums if he can do it as the hammer. So if they mislynch tomorrow (they wouldn't but..) they would be doomed.
1062 CzarTim 09-15-2015	it puts town in the best position to win. having a 1 in 3 shot vs a 1 in 4 shot with a neutral muddying the water. They aren't going to be positive it's Darryl tomorrow, lynching sorian is the safest bet.

03:07 PM ET (US)	
1063 theprodigy 09-15-2015 03:08 PM ET (US)	yes but now Sorian can also win with town in a 3 person setup, because the threat of getting killed in retaliation if he doesn't help scum is gone (besides I wanna see him decide the winner lol) Edited 09-15-2015 03:09 PM
1064 palmer_v1 09-15-2015 03:38 PM ET (US)	I just assumed Darryl gets lynched tomorrow regardless of who is left.
1065 roytheone 09-15-2015 03:41 PM ET (US)	/m1064 That is the main reason why I wanted him to kill sorian. There is a 90 % chance he will get lynched tomorrow, killing anyone else than Sorian will not really impact anything, at least killing sorian would make one more person lose! It's.....something.
1066 theprodigy 09-15-2015 03:44 PM ET (US)	I want him to do that, and then if he gets lynched the next day, go out with something like "at least I got my revenge on Sorian for betraying us by not hammering launch"
1067 CzarTim 09-15-2015 03:47 PM ET (US)	to be fair to sorian, he really thought the scum team was launch and darryl. he was trying to help you guys, he was just wrong. There was a point in the day where both you guys could have turboed time and won the game.
1068 theprodigy 09-15-2015 03:48 PM ET (US)	oh yeah, that too man, inactivity really killed the mafia in this game edit: how would you guys react if Darryl somehow won Edited 09-15-2015 03:53 PM
1069 roytheone 09-15-2015 03:56 PM ET (US)	BTW, I really hope that the next game I will not be mafia. I just didn't really enjoy it. The scheming and making plans during the night was fun, and the chaos at the end of day 4 was exhilarating, but the normal, day time posting sucked. Having to fear that ever post could out you, that a single wrong sentence could fuck up your complete team was not great. I have spend up to an hour sometimes to make a pretty small post simply because I was afraid it would not sound enough as a town post and I would let down my team :(Being inexperienced and not really being able to ask for advice defiantly didn't help either. It was all very stressful and I constantly had the feeling I had no clue what I was doing. In the end, even though there were some fun moments, I fear I didn't really enjoyed this game all that much because of that :(
1070 theprodigy 09-15-2015 04:00 PM ET (US)	you could just go full blarg
1071 CzarTim	yeah roy, it's tough. What I'd recommend next time is just post as if you're town and don't worry about it. Now you know that even if you do take the time, it can still bite

09-15-2015 04:09 PM ET (US)	you in the ass. So just treat posting in thread as playing a character "town roy" and don't sweat if you fuck up. It's just a game.
1072 CzarTim 09-15-2015 04:12 PM ET (US)	I mean this is a game that caught fire red handed and still almost lynched a townie.
1073 OceanicAir 09-15-2015 04:17 PM ET (US)	/m1069 I completely understand how you felt roy. I felt that a huge weight came off from me when I got lynched. I did enjoy the escaping a day through chaos, but other than that it was pure stress for me at least.
1074 roytheone 09-15-2015 04:17 PM ET (US)	/m1071 yeah, I did got a bit better at it later in the game :) I do think a big help would have been if Darryl just got a replacement like he was thinking about. If you only can read about 5 % of the posts in the thread, you should bow out IMO. It doesn't really matter if town is playing good or bad at that moment, you are kind of a handicap for your teammates then. (Don't want to be a dick, but that is just how I think about it). Edited 09-15-2015 04:18 PM
1075 roytheone 09-15-2015 05:51 PM ET (US)	Kinda skimmed through the thread, and now I am mad because someone said I would be mad when I read this thread ;) Also, burb hasn't really shit on me yet for my bad plays, still waiting for the real shitting to begin burb! ;) Also also, I read that I am the frontrunner for the best scum award? Jay, I may still walk away this game as some kind of winner! ;) And yes, I sucked in this game, but let's be fair: I was far from the only one that sucked! ;)
1076 theprodigy 09-15-2015 05:57 PM ET (US)	it's not hard to win best scum award when your teammates either gave up or made tons of misplays ;) (and yes, nearly everyone played badly)
1077 roytheone 09-15-2015 06:07 PM ET (US)	/m1076 hey, if I win, I as a very inexperienced player would have beaten one of the most experienced scum players in this community! That would be a thing I could be kind of proud of! That everyone sucked: eh, details, winning is winning!
1078 roytheone 09-15-2015 06:16 PM ET (US)	BTW, do you guys think sorian knows he screwed up majorly by voting me and not launch and now is just awaiting death? That would at least give me some satisfaction ;)
1079 CzarTim 09-15-2015 06:43 PM ET (US)	he basically told me "shit happens"

1080 roytheone 09-15-2015 07:05 PM ET (US)	BTW, Tim, didn't sorian say he would be the hammer for whoever town wants to lynch now? I think you know what I am getting at here. That would be hilarious.
1081 roytheone 09-15-2015 07:27 PM ET (US)	Darryl is probably not going to play tomorrow :(kind of an anticlimax.
1082 CzarTim 09-15-2015 07:46 PM ET (US)	not sure what to do about that :(
1083 CzarTim 09-15-2015 08:56 PM ET (US)	ouro can you please PM me an election mafia dead thread link? e: YN got me Edited 09-15-2015 11:42 PM
1084 ynnny 09-15-2015 11:20 PM ET (US)	finally caught up. wow that was intense and amazing seeming :> royroy <3 you did wonderfully as a first time scum, i think :D (did you see i picked you and fireblend as gut picks in the dead thread's early days?) had a feelsies that you'd be a baddie this time somehow :> down to the wire~ aaaaa excite *_____*
1085 CzarTim 09-16-2015 02:28 AM ET (US)	... he killed cabot
1086 roytheone 09-16-2015 03:23 AM ET (US)	/m1085 w.....why? Why Cabot? If you don't go for sorian, Why not L_P who is more confirmed town and was much more suspicious of Darryl than Cabot? I get the feeling he didn't read shit in the thread again and just did a random pick :(Also, if you know that you can't play tomorrow and thus will lose 100 % (seriously, Darryl should really, REALLY just have gotten a replacement earlier), why not fulfill the dying wish of both of your teammates? Sure, it isn't optimal play, but if you can't play anyway, why not?
1087 Burbeting 09-16-2015 03:28 AM ET (US)	Killing Cabot was dumb, when Timeaisis was hungry for his blood.
1088 roytheone 09-16-2015 04:05 AM ET (US)	/m1087 Darryl has been phoning this game in. He was so busy with his abroad trip preparation that he can't really read the thread. So almost all his actions are random or based on metagaming. The more I think about it, the more mad I get that he didn't got a replacement. He at least could have told me and fire that he had little time and let us decide if we wanted to keep him or get a replacement. I really feel that what he did was kinda unfair towards me and fire :(

1089 CzarTim 09-16-2015 04:18 AM ET (US)	Yeah, that's super lame. If I had known how little he was paying attention, I would have replaced him like I did retro and GD.
1090 ynnny 09-16-2015 04:25 AM ET (US)	/m1088 aww royroy :(yeah i agree that if someone gots too busy with rl and cant even spend enough time for the game, the other players suffer. aaaah too bad, really. mafia seems to almost gots this one in the bag earlier on. such a waste~ ;___;
1091 roytheone 09-16-2015 04:45 AM ET (US)	Already decided about the final day situation, Tim? If Darryl really can't be there, then: - leaving him in the game would be a huge anticlimax. - modkilling him would be an even bigger anticlimax. -replacing him now would also not be possible. All options are kinda bad :(
1092 CzarTim 09-16-2015 05:16 AM ET (US)	I believe the first option is the lesser of the three evils, unfortunately. Hopefully town doesn't fuck it up.
1093 roytheone 09-16-2015 05:49 AM ET (US)	/m1092 you never know with this town! I think I will just consider the end of day 4 the real end of this game, and day 5 will just be a afterthought like those epilogues from Lord of the Rings :)
1094 Burbeting 09-16-2015 10:23 AM ET (US)	Only good reason I can think for killing Cabot is to make it look like people who aren't oppopsing Darryl are killed.
1095 roytheone 09-16-2015 12:02 PM ET (US)	/m1094 that may be a good plan earlier in the game, but in this phase of the game when Town is so cautious about misslynching? Doubt it will do much at all.
1096 palmer_v1 09-16-2015 12:52 PM ET (US)	They're desperate to start the next day early.
1097 roytheone 09-16-2015 01:01 PM ET (US)	/m1096 That's what happens when you fire your security guard, chaos will ensue, kids will think they can just force employees to open the shop early. Anyway, how I think the day will go: Darryl will immediately be a hot topic of discussion. Somebody will say that they shouldn't vote for Darryl while he hasn't posted yet. They will wait a while for him to show up. Eventually they will lose their patience and hammer Darryl. Game over. Not the most exciting end ever.....
1098	Damn, Launch is eager today.

roytheone 09-16-2015 03:01 PM ET (US)	
1099 theprodigy 09-16-2015 03:01 PM ET (US)	modkill launch and end the day before it begins Kappa
1100 roytheone 09-16-2015 03:04 PM ET (US)	Hey, look, Darryl is actually present, lets see if he actually has time to read the thread today and, you know, play the game.
1101 CzarTim 09-16-2015 03:07 PM ET (US)	sorian has dropped all pretenses lol
1102 palmer_v1 09-16-2015 03:09 PM ET (US)	I bet $5 via paypal that Sorian still loses today. What product is he selling today? Did he mess it up yesterday? Can we still modkill him if they turbo too fast for him?
1103 theprodigy 09-16-2015 03:11 PM ET (US)	gee, I don't know, maybe Surface? I can't tell though /s
1104 swamped 09-16-2015 03:12 PM ET (US)	Bahaha so it's the surface today? My dad would be proud.
1105 roytheone 09-16-2015 03:12 PM ET (US)	I really hope that something happens with Sorian today, I am probably not allowed to say what here, right, Tim?
1106 Ourobolus 09-16-2015 03:13 PM ET (US)	Launch, L_P, and Time should just lynch Sorian for shits and giggles.
1107 CzarTim 09-16-2015 03:13 PM ET (US)	yeah keep it a surprise, but that would be amazing. L_P with the common sense.
1108 theprodigy	Timeaisis is right, if Sorian is around with 3 left then whoever votes the other guy first wins, cause he'll just bandwagon on and win

09-16-2015 03:16 PM ET (US)	
1109 palmer_v1 09-16-2015 03:17 PM ET (US)	"Scenario 3, don't do this. I'm putting in hard work for this neutral win. Throw me a bone here." NO! No pity for Neutrals. Earn that shit!
1110 roytheone 09-16-2015 03:18 PM ET (US)	/m1108 hahaahahahahahah. nope. Not completely true.
1111 palmer_v1 09-16-2015 03:19 PM ET (US)	I think my favorite part of mafia is the last 5-6 players where shit gets tense and you slowly lose trust in everyone you trusted before. I want every game to just start at LYLO.
1112 theprodigy 09-16-2015 03:20 PM ET (US)	actually with what you guys are saying Darryl must have some special ability... hmm maybe this is still technically mylo? also lol palmer you would say that after your run as a neutral :P
1113 palmer_v1 09-16-2015 03:20 PM ET (US)	/m1110 This could become very funny soon.
1114 roytheone 09-16-2015 03:22 PM ET (US)	/m1113 it would be the best ending to this game, THE BEST.
1115 theprodigy 09-16-2015 03:22 PM ET (US)	/m1111 sure, we can make very fast 5-player games with 3 town, 2 scum ;)
1116 theprodigy 09-16-2015 03:25 PM ET (US)	if nothing else, tell me this: if the game reaches 3-man lylo, does Darryl have an ability that allows him to guarantee a win?
1117 roytheone 09-16-2015 03:27 PM ET (US)	/m1116 no
1118 Ourobolus 09-16-2015	/m1107 omg i just remembered lol

03:28 PM ET (US)	
1119 theprodigy 09-16-2015 03:30 PM ET (US)	/m1117 wait...so what kind of ability could stop town+Sorian from quickhammering Darryl while still not guaranteeing a win for him? .... edit: oh wait, is this special something some sort of hammer revenge kill from the grave... Edited 09-16-2015 03:31 PM
1120 Burbeting 09-16-2015 03:35 PM ET (US)	Sounds like something that allows for Darryl to kill Sorian easily during the day.
1121 theprodigy 09-16-2015 03:36 PM ET (US)	but that would also guarantee him a win, and roy said it doesn't Edited 09-16-2015 03:37 PM
1122 Burbeting 09-16-2015 03:38 PM ET (US)	Override?
1123 theprodigy 09-16-2015 03:45 PM ET (US)	the GAF version of override would allow him to lynch someone else and then NK/endgame the remaining player, thus also guaranteeing a win though
1124 Czartim 09-16-2015 03:52 PM ET (US)	I'm about to head out for a couple hours. Tell them that if it ends early.
1125 roytheone 09-16-2015 03:53 PM ET (US)	Will do.
1126 Burbeting 09-16-2015 03:58 PM ET (US)	If you can roy, spoil me on pm about Darryl's mystery magical powers and what you are talking bout'. Won't spoil it here, obviously.
1127 roytheone 09-16-2015 04:07 PM ET (US)	Done
1128	Saw it.

Burbeting 09-16-2015 04:09 PM ET (US)	
1129 theprodigy 09-16-2015 04:41 PM ET (US)	what is Darryl doing, switching around his vote like that? lol btw PM me too, I gotta get my reaction gifs ready
1130 roytheone 09-16-2015 04:44 PM ET (US)	I have long given up on trying to understand what Darryl is doing. Even with our separate chat, I still didn't know what he was doing 80 % of the time.
1131 theprodigy 09-16-2015 05:16 PM ET (US)	hey, where's my PM?
1132 cabot 09-16-2015 05:22 PM ET (US)	I was so close. so fuckin' close
1133 roytheone 09-16-2015 05:30 PM ET (US)	Hey Cabot.
1134 cabot 09-16-2015 05:33 PM ET (US)	if it isn't roy. The man I once knew as a friend.
1135 Karkador 09-16-2015 05:37 PM ET (US)	I like Darryl as a player. He doesn't do the conventional thing, but he's also not that crazy of a player, either. He keeps you guessing, but his decisions don't seem random or anything, either.
1136 Karkador 09-16-2015 05:38 PM ET (US)	I like that we can describe a playstyle in his name
1137 roytheone 09-16-2015 05:40 PM ET (US)	/m1134 I actually prevented you being night killed during N3, so I expect a thank you for that! /m1135 I like his general style, my problems with him this game are not about that.
1138 theprodigy	you know who's playstyle we describe in his name? blarg

09-16-2015 05:45 PM ET (US)	
1139 roytheone 09-16-2015 06:09 PM ET (US)	Lol, sorian is trying to understand what the idea was behind our N1 actions. It was literally Darryl jumping the gun and targeting someone which we didn't agree on, so good luck figuring that out sorian!
1140 theprodigy 09-16-2015 06:12 PM ET (US)	that's the benefit of making bizarre decisions: if someone tries to analyze it the only thing they'll get out of it is a headache!
1141 Burbeting 09-16-2015 06:17 PM ET (US)	/m1134 The OTP is broken
1142 Fireblend 09-16-2015 06:17 PM ET (US)	I'm happy to know my actions are still contributing to our glorious NFA win. Go Sorian!
1143 Burbeting 09-16-2015 06:18 PM ET (US)	At least you can trust me, Cabby!
1144 cabot 09-16-2015 06:25 PM ET (US)	This game really made me consider not signing up for S4, I'll be honest. I stopped enjoying it long ago. It just became stress in the end for me. It didn't help that I played badly.
1145 cabot 09-16-2015 06:26 PM ET (US)	tim your abandoning of the lover chat didnt help matters. Stop dying
1146 cabot 09-16-2015 06:30 PM ET (US)	I'll take Karkador's line about my claim being too rehearsed as a compliment. I wrote that post in about 5 minutes, It was very much an on the whim decision. Googling CoD Kid and viewing image results gets you lots of silly photos like the ones I posted.
1147 CzarTim 09-16-2015 06:31 PM ET (US)	sorry that you didn't have fun cabot :(
1148 roytheone	/m1144 wait, you didn't enjoy this game because it was to stressful? Wow, even when we are on opposite sides we STILL manage to think the same thing!

09-16-2015 06:32 PM ET (US)	
1149 cabot 09-16-2015 06:33 PM ET (US)	I just think a combination of the two highest posters, and Blarg was enough to push me over the edge. I also felt frustrated because no one seemed to listen to my points on batsnacks and Fireblend. I took his claim apart in a detailed post and it wasnt ever mentioned again. I lost a lot of incentive after that I'm afraid. Nothing really to do with you, Tim. Just felt it was a big bang of badness.
1150 cabot 09-16-2015 06:35 PM ET (US)	Also I simultaneously felt spineless (not finishing Fire off) and idiotic (voting Launch) in the span of one single game. Disaster
1151 CzarTim 09-16-2015 06:36 PM ET (US)	/m1149 you know, I agree with that. the biggest downside of super posters is they hog the conversation to the point that everything else is drowned out. When they're wrong, which is just as often as everyone else, it is far more damaging. Edited 09-16-2015 06:36 PM
1152 cabot 09-16-2015 06:42 PM ET (US)	roy please tell me you enjoyed that kevin james tennis gif earlier today. I was chuckling so hard at that at work. It was so good
1153 roytheone 09-16-2015 06:42 PM ET (US)	/m1151 those super posters where good for me because I could hide behind them, but waking up time and time again to often 5+ pages of new posts wasn't that fun.
1154 cabot 09-16-2015 06:43 PM ET (US)	/m1151 Don't worry though, I'll be there or be a square. It's over now. I can remember all the good things about GAFia!
1155 roytheone 09-16-2015 06:46 PM ET (US)	/m1152 I enjoyed it :) BTW, just to make it clear: that whole Kevin James part of my role was 100 % made up by me, it was never really part of my role.
1156 cabot 09-16-2015 06:47 PM ET (US)	alright alright mr modesty over here. Just settle down.
1157 ynnny 09-16-2015	cabochon <3 my wonderful cablette of goodness *____* awwwww you almost got an nx ;____;

06:48 PM ET (US)	is ok. here's a harry potter book instead :>
1158 cabot 09-16-2015 06:49 PM ET (US)	hey yeeny i made it, i made it out alive!!!!!!!!!!!!!!!!!! In real life I mean, which is much more important
1159 cabot 09-16-2015 06:52 PM ET (US)	just read the election thread and saw the replacement. Fuck.
1160 roytheone 09-16-2015 06:53 PM ET (US)	/m1156 https://lh3.googleusercontent.com/-TbGC9Ge...ks/w800-h800/00.gif
1161 ynnny 09-16-2015 06:56 PM ET (US)	^_____^ yaaaaaaaay~ i always like ur energy and ur style cabochon! you pump so much personality into your posts :> always entertaining to read chu~ but .... yeah, actually.... im feeling similar feelings with you about gafia atm :x ..... SYNC RATIO: DRIFT COMPATIBLE???? XD
1162 theprodigy 09-16-2015 07:02 PM ET (US)	your posting style is rather eccentric, not blarg-tier of course but it's something
1163 swamped 09-16-2015 07:05 PM ET (US)	/m1149 i kind of really really want to try out a game where there's a posting limit for every player. I think it would make the game feel more relaxed as well. Sometime should try moderating one for season 4.5
1164 CzarTim 09-16-2015 07:09 PM ET (US)	the only issue with a post limit is I fear scum could hide behind it as an excuse. Also what happens if someone role claims when most people have used up their limit? Can people still vote? I think we really just need to start asking mega-posters (myself included) to cool it a bit.
1165 cabot 09-16-2015 07:13 PM ET (US)	Isn't it obvious? You tell them they can only speak in memes!
1166 CzarTim 09-16-2015 07:17 PM ET (US)	why are they wasting their time on this shit and not discussing who's scum lol

1167 theprodigy 09-16-2015 07:23 PM ET (US)	why are you still asking questions about actions in this game lol
1168 CzarTim 09-16-2015 07:25 PM ET (US)	after they found their common sense yesterday, I was back on town's side. :(
1169 CzarTim 09-16-2015 08:10 PM ET (US)	this is hilarious. apparently as scum just always do the most illogical thing possible so people waste so much time talking about it, they don't scum hunt
1170 theprodigy 09-16-2015 08:19 PM ET (US)	http://assets.neogafllc.netdna-cdn.com/for...dateline=1442203202
1171 Squidyj 09-16-2015 11:39 PM ET (US)	I just want to thank launch for wasting my time and attention with his overacting when I was alive :("I thought it was a good idea as town to be completely and utterly insincere and give the impression that I'm not telling the truth" - LaunchpadMcCokedup.
1172 CzarTim 09-16-2015 11:41 PM ET (US)	lol yep
1173 Hyperactivity 09-16-2015 11:50 PM ET (US)	/m1069 And then you have a good a day and all the votes switch to you in the laast 10 minutes out of nowehere Feels bad man
1174 swamped 09-16-2015 11:53 PM ET (US)	/m1164 I think a post limit will be like a new challenge. For example, it might dissuade people from last minute role-claims. I'm thinking it might also give Mafia more of an advantage, because it won't be as difficult to catch up with the posts (I think this was a problem with this season's mafias?). Anyway, I'm quite sure the dynamic in a post-limit game will be very different to normal, but it might encourage people to play in diverse styles. I'm not saying we have a main game like that, but a small experimental one just to see how it goes.
1175 theprodigy 09-16-2015 11:56 PM ET (US)	lol at LaunchpadMcCokedup what's the highest and average post volume in a single day anyway? I'm curious if anyone has actually bothered figuring this out
1176 swamped 09-17-2015	LOL I'm actually kind of scared to see those numbers, but I will likely be in awe too.

12:02 AM ET (US)	
1177 Karkador 09-17-2015 12:05 AM ET (US)	Just make a game where people automatically die at a certain post count
1178 CzarTim 09-17-2015 12:06 AM ET (US)	/m1174 I'd def. like to see it tried. Though you'd need blarg / sorian / launch in there as a control group.
1179 theprodigy 09-17-2015 12:08 AM ET (US)	although it would be hilarious if so many players slammed into the post limit that a majority couldn't submit a vote for the day
1180 swamped 09-17-2015 12:13 AM ET (US)	/m1177 I was thinking more along the lines of communism, but this Karkadorian evil dictatorship works too XD /m1178 If we ran a game like that I would sooo want one of those three (or all of them!) in it. Really curious about how they'd play! Edit: I bet every Blargonaut post will be some indecipherable riddle. /m1179 Hopefully the post limit isn't too stifling, but still presents a good challenge. Maybe, like, a max of 40 posts per person per day phase? That sounds like a lot... Edited 09-17-2015 12:24 AM
1181 theprodigy 09-17-2015 12:17 AM ET (US)	/m1177 make a game where the player with the lowest post count at the end of a day and anyone who crosses a certain number of posts all die 1-upping that Karkadorian dictatorship with even more deadly rules! (that would be a much better psychology experiment than an actual ruleset lol) Edited 09-17-2015 12:22 AM
1182 Hyperactivity 09-17-2015 12:44 AM ET (US)	Just keep certain posters away from each other. Make a category of"super-posters" and then limit two of them per game Or throw them all in one game because they're the only ones that can keep up with that many posts
1183 cabot 09-17-2015 02:21 AM ET (US)	/m1182 that's exactly what NX was in the end hyper !
1184 cabot 09-17-2015 02:24 AM ET (US)	You know minus our beautiful Tim here as a player
1185	I have more posts than L_P lol

CzarTim 09-17-2015 03:05 AM ET (US)	
1186 roytheone 09-17-2015 03:15 AM ET (US)	/m1185 if L_P hadn't had that Becky power that everyone sees as town, I think he would have been lynched already.
1187 CzarTim 09-17-2015 03:17 AM ET (US)	next game I run, scum is getting a day vig lol
1188 roytheone 09-17-2015 03:27 AM ET (US)	BTW, I just realized that of they don't Lynch Darryl or sorian today, we actually have a decent shot at winning. Darryl will kill L_P, if he doesn't that would be the dumbest move ever. Sorian knows this and will not lick L_P but the other person. That means he would achieve his alt win and it would be 1 VS 1. Unless the remaining town has a special power, the vote will tie and darryl NK the final guy. Edited 09-17-2015 03:27 AM
1189 CzarTim 09-17-2015 03:29 AM ET (US)	yup, thats why i said they should turbo sorian today
1190 theprodigy 09-17-2015 03:41 AM ET (US)	there's no double vote town member is there? (fairly sure it would have been played already, but just making sure)
1191 cabot 09-17-2015 03:43 AM ET (US)	/m1186 absolutely agreed. Funnily enough it seems to be a bit of a running pattern. I had the same vibes from nin in Election even after my power. Damn these confirmed townies acting scummy as hell.
1192 roytheone 09-17-2015 04:10 AM ET (US)	Owh, sorian said he spend his complete evening trying to figure out what our strategy was during day 2. I wonder how he will react when he realizes we didn't had a strategy and were just winging it the whole time. His evening was kind of a waste :(
1193 cabot 09-17-2015 04:14 AM ET (US)	roy we'll have a night together and it wont be a waste #lewdhints
1194 roytheone 09-17-2015 04:31 AM ET (US)	/m1193 I thought you didn't liked me anymore :(So, which movie do you want us to watch together tonight? Zookeeper? Paul blart: mall cop? Grown ups 2? I also have all the seasons of "the king of Queens" on DVD!
1195	I was just irrationally upset, much like Launch in this entire game.

cabot 09-17-2015 04:40 AM ET (US)	I still love you
1196 roytheone 09-17-2015 04:58 AM ET (US)	/m1195 #returnoftherealOTP Also, I don't blame you for being upset, seeing Kevin James has often that effect on people.
1197 cabot 09-17-2015 06:19 AM ET (US)	It went all downhill after Hitch
1198 ynnny 09-17-2015 06:50 AM ET (US)	d'awwww my boys from archer otp returns *_____*
1199 Burbeting 09-17-2015 08:33 AM ET (US)	No matter how NX ends, it will win the "most convoluted soap opera ever" award from me.
1200 cabot 09-17-2015 09:13 AM ET (US)	it's definitely 2/10 saunas from me. Needed more hawt steaminess
1201 roytheone 09-17-2015 09:13 AM ET (US)	/m1199 It will win the "lets never talk about this game again" award from me ;)
1202 cabot 09-17-2015 09:18 AM ET (US)	i mean you did survive pretty long though roy, it had some benefit.
1203 Karkador 09-17-2015 09:30 AM ET (US)	Launch with the metagame post **SUICIDE: Karkador**
1204 Karkador 09-17-2015 09:32 AM ET (US)	Also, earlier, Launch with the "I was just *acting*like scum, for a reason" post, after all the shit he gave me for doing the same **STABSTABSTAB: Karkador**
1205 roytheone	/m1202 I think that is more because El topo wasn't part of this game ;)

09-17-2015 09:44 AM ET (US)	Also, did you somehow pissed of Darryl? He wanted to NK you for no apparent reason.
1206 roytheone 09-17-2015 09:54 AM ET (US)	Launch: "One thing I'll never forget about Darryl, though, is that even though he doesn't post much, he's usually around. He was insanely active on the mafia board in AC, but only posted in the main thread a quarter of that." Launch is 1000% wrong on this front. Darryl had very little time to play this game, he was also barely active on the mafia board.
1207 Burbeting 09-17-2015 09:59 AM ET (US)	/m1200 I think I'm going to a sauna this weekend again ;).
1208 Burbeting 09-17-2015 10:00 AM ET (US)	Also if Darryl wins this, it will be so Hillary.
1209 cabot 09-17-2015 10:00 AM ET (US)	I genuinely have been completely bemused by Launch's play in this game, and as I said to Tim, I think lynching him after he was wrong on both batsnacks and kark would have probably been better. Yeah you'll read this and scorn launch, suck it son.
1210 cabot 09-17-2015 10:02 AM ET (US)	/m1207 you're my hero who I can't really see because in a sauna nobody sees. It's a steam room of suspicion
1211 Burbeting 09-17-2015 10:05 AM ET (US)	But seriously, I'm starying to think that if I don't mod next season, I'll just stop analysing anything and just play blargy. Maybe that way I would survive farther than d2.
1212 cabot 09-17-2015 10:06 AM ET (US)	please do not.
1213 roytheone 09-17-2015 10:08 AM ET (US)	/m1211 yeah, because blarg always makes it incredibly far in every game he is in! ;)
1214 Burbeting 09-17-2015 10:09 AM ET (US)	He made it farther than me in NX at least :P.
1215 cabot	you had a roleclaim that killed a mafia.

09-17-2015 10:31 AM ET (US)	if only our dear batsnacks was there to save you.
1216 Burbeting 09-17-2015 10:32 AM ET (US)	Not like I was bent on hunting dear batsy :P.
1217 cabot 09-17-2015 10:34 AM ET (US)	no my friend you were not. Neither was I. I just wish he helped himself by trying to defend himself a bit better instead of saying "I've claimed jailer. That's all I need to do" damn it batsnacks.
1218 cabot 09-17-2015 10:35 AM ET (US)	launch and sorian are like a married couple.
1219 cabot 09-17-2015 10:36 AM ET (US)	/m1205 I was friendly to him in PMs after Archer. Obviously a kill worthy offense
1220 Burbeting 09-17-2015 10:49 AM ET (US)	At this point I won't be surprised if Darryö NK's Launch if they lynch Time...
1221 roytheone 09-17-2015 10:53 AM ET (US)	/m1220 I hope not, we could actually win if he kills L_P
1222 Burbeting 09-17-2015 10:54 AM ET (US)	Also SoriTimeLaunch should just turbo Darryl and be done with it.
1223 Burbeting 09-17-2015 11:00 AM ET (US)	"I don't believe this to be true. If he wasn't posting, it was on purpose. " Lololol
1224 roytheone 09-17-2015 11:41 AM ET (US)	/m1222 really, the theme of this game is: "Town making stuff waaaaay harder for them than is necessary". The specific day theme of today is: "Sorian and Launch overthinking LITERALLY EVERYTHING". /m1223, Yeah, I would like to see Launch his reaction when he gets to see our mafia chat. I think he really expects it to be full of Darryl making incredibly smart plans,

	analyzing every situation in depth and giving us useful advice. While in reality, he really was pretty much absent for 90% of the game :)
1225 Ourobolus 09-17-2015 11:45 AM ET (US)	*yawn*
1226 roytheone 09-17-2015 11:50 AM ET (US)	/m1225 yeah, this day is pretty boring and will probably end in an anticlimax. Just pretend that the end of day 4 was the real end of this game :) I do find it funny every time Sorian says something about a post I made in the line of "well, clearly this post was meant to do this, this and this and it was all planned and on purpose from Roy!" LOL, no Sorian, I was just making it up as I went, there was rarely any big idea behind my posts :)
1227 theprodigy 09-17-2015 12:32 PM ET (US)	"To the actual scum, kudos for playing so well." ayy lmao
1228 Fireblend 09-17-2015 01:11 PM ET (US)	Sorian: Sorian's worst enemy.
1229 roytheone 09-17-2015 01:12 PM ET (US)	/m1227 thanks L_P! But the reality is that everybody sucked so much ass, that us sucking didn't really matter for a good portion of this game! Really, I think it would be fair if everybody would lose this game out of principle, nobody deserves to win ;)
1230 cabot 09-17-2015 01:19 PM ET (US)	L_P is still alive roy you buffoon
1231 cabot 09-17-2015 01:19 PM ET (US)	you've got your prodigys mixed up
1232 roytheone 09-17-2015 01:29 PM ET (US)	I know, I just meant that that remark was a response to the same quote theprodigy quoted.
1233 cabot 09-17-2015 02:06 PM ET (US)	likely story my friend ;)
1234 CzarTim 09-17-2015	Sorian is in the same position as yesterday. He doesn't care who is lynched, he wins either way. His "helping town" shtick is only to avoid getting lynched like he knows he should.

02:27 PM ET (US)	
1235 CzarTim 09-17-2015 02:37 PM ET (US)	L_P and darryl are going to vote time Launch and time are going to vote darryl. A neutral will decide the game. This is why you always lynch neutrals, people.
1236 Karkador 09-17-2015 02:40 PM ET (US)	I told them on Day 1
1237 theprodigy 09-17-2015 02:44 PM ET (US)	eh now it's not entirely true he doesn't care who gets lynched, if you know what I'm getting at ;)
1238 CzarTim 09-17-2015 02:52 PM ET (US)	he doesn't know that :P
1239 Ourobolus 09-17-2015 03:14 PM ET (US)	I like that Darryl is still talking to Sorian in the NFA chat.
1240 Ourobolus 09-17-2015 03:15 PM ET (US)	C'mon Launch. Add your vote and end this.
1241 theprodigy 09-17-2015 03:39 PM ET (US)	is Darryl really gonna get out of this day alive or will they swing back in time?
1242 Ourobolus 09-17-2015 03:45 PM ET (US)	FUCKING VOTE, LAUNCH
1243 roytheone 09-17-2015 03:50 PM ET (US)	Does Sorian really belief that whole "Roy and Time planned the end of day 4" theory, or is he just fucking with everyone?
1244 Burbeting 09-17-2015	Sorian's problem is that he thinks that the team scum is SUPER SMART He should realize nobody in this game has been particularly smart.

03:57 PM ET (US)	
1245 roytheone 09-17-2015 04:00 PM ET (US)	/m1244 I actually think that in hindsight, you may have been the best (or least crap ;)) player in this game, even with the limit time you got.
1246 Czartim 09-17-2015 04:00 PM ET (US)	This has been consistent with GAFia since day one. People always assume scum is playing some big plan, when they rarely are. Just assume everyone is fumbling in the dark.
1247 roytheone 09-17-2015 04:04 PM ET (US)	BTW, my "epiphany" was really just that: a last minute epiphany that I got when I was in the bathroom.
1248 theprodigy 09-17-2015 04:06 PM ET (US)	/m1245 always assume GAF members are idiots? good call Kappa
1249 Ourobolus 09-17-2015 04:07 PM ET (US)	/m1248 Squidy has an alt
1250 CzarTim 09-17-2015 04:08 PM ET (US)	/m1247 if only you had thought about it a few days earlier, you'd have won the game already!
1251 roytheone 09-17-2015 04:11 PM ET (US)	Alright, you know what I am going to do? I am going to collect all quotes from this day that say something in the line of "scum team is very smart, scum team has a lot of plans" and then when the game ends, I am going to post all those quotes with a bunch of those J.jonah Jameson Laughing gifs between the quotes.
1252 CzarTim 09-17-2015 04:13 PM ET (US)	lol, do that!
1253 palmer_v1 09-17-2015 04:27 PM ET (US)	Do it
1254 Burbeting 09-17-2015	/m1245 Check my reads post on day 1. Check who I name as "suspicious people" ;).

04:27 PM ET (US)	
1255 Czartim 09-17-2015 04:32 PM ET (US)	It is nice to see a game end with actual scum hunting and not process of elimination.
1256 theprodigy 09-17-2015 04:33 PM ET (US)	Burbeting pls, I'm lazy, just link me :P
1257 Burbeting 09-17-2015 04:36 PM ET (US)	" So TL;DR: Town: Cabbeh, Sorian, Ourobolos, Blargonaut Town, but with Scum possibility: Lone_Prodigy (depends on Karkador) Neutral or Not Enough Info: TheGoddamn, Karkador, Launchpad, RetroMG Suspecting at least a bit because blending: roytheone, Darryl, Fireblend, SalvaPot "
1258 roytheone 09-17-2015 04:38 PM ET (US)	/m1257 I saw that post, yes. I brought it up when we were discussing who to NK during N1, I said something in the vain of: "burb is a very good player, but he has literately all of us in his suspect list, so we probably shouldn't kill him tonight".
1259 palmer_v1 09-17-2015 04:43 PM ET (US)	/m1258 Depends on the other players. Sometimes you can get away with that kind of thing because nobody would think you're dumb enough to do it.
1260 Burbeting 09-17-2015 04:49 PM ET (US)	When the game ends I think I'll copy paste that quote because I want to feel like I actually did something important even though I died early :P.
1261 CzarTim 09-17-2015 04:49 PM ET (US)	oh man, if sorian hammers he's going to kill me.
1262 Ourobolus 09-17-2015 04:51 PM ET (US)	I really hope he does it. Just to see his reaction.
1263 palmer_v1 09-17-2015 04:53 PM ET (US)	Hammer the shit out of him Sorian. Smash him like the fist of an angry god.

1264 Fireblend 09-17-2015 04:53 PM ET (US)	Crossing my fingers that he does.
1265 palmer_v1 09-17-2015 04:53 PM ET (US)	L_P go take a nap, you're going to ruin this!
1266 palmer_v1 09-17-2015 04:54 PM ET (US)	If nothing else, they should know L_P isn't scum, since he didn't hammer.
1267 theprodigy 09-17-2015 04:56 PM ET (US)	is hammering as scum (well, if Darryl wasn't scum in this case) even a guaranteed win? there's nothing stopping the other two remaining players from just lynching you the next day
1268 Fireblend 09-17-2015 04:56 PM ET (US)	lol L_P
1269 Ourobolus 09-17-2015 04:57 PM ET (US)	Oh god. Sorian has to choose. Do it. Pick Darryl. DO IT.
1270 palmer_v1 09-17-2015 04:57 PM ET (US)	[QUOTE=Lone_Prodigy;179173672][highlight]VOTE: Timeaisis[/highlight] All you, Sorian.[/QUOTE] YAAAAAAAAAAAAAS
1271 roytheone 09-17-2015 04:58 PM ET (US)	Tim, if sorian hammers Darryl, are we allowed to post some gifs hinting that he fucked up during the twilight period, or should we give no hint at all?
1272 theprodigy 09-17-2015 04:58 PM ET (US)	nvm Edited 09-17-2015 04:59 PM
1273 Karkador 09-17-2015	I would LOVE for Sorian to hammer Darryl

04:59 PM ET (US)	
1274 palmer_v1 09-17-2015 04:59 PM ET (US)	I vote for no hints whatsoever until tim has done the full, final, write up.
1275 CzarTim 09-17-2015 04:59 PM ET (US)	sure. but he's not. the reason sorian is going after time is because he hasnt licked time. he's trying to win by licking
1276 CzarTim 09-17-2015 05:00 PM ET (US)	sorian hinted to me yesterday that this was his plan
1277 palmer_v1 09-17-2015 05:01 PM ET (US)	Brave of him. Also boring for us.
1278 theprodigy 09-17-2015 05:01 PM ET (US)	wait, how does the licking condition work, lick the majority and leave or lick everyone and leave?
1279 CzarTim 09-17-2015 05:02 PM ET (US)	yes, he needs to lick everyone. he hasnt licked L_P or time, if either of those two are lynched, he wins.
1280 roytheone 09-17-2015 05:03 PM ET (US)	/m1275 doesn't that mean we almost certain are actually going to win this?
1281 CzarTim 09-17-2015 05:04 PM ET (US)	yup.
1282 theprodigy 09-17-2015 05:05 PM ET (US)	why doesn't Sorian just hammer now? he's available
1283 CzarTim 09-17-2015	I'd feel bad, but town hasn't been thinking this through. It's not like sorian hid this from them

05:05 PM ET (US)	
1284 Karkador 09-17-2015 05:06 PM ET (US)	lmao and this is why *sing-songy* You lynch neutraallllsss
1285 roytheone 09-17-2015 05:07 PM ET (US)	/m1284 unless you are scum :)
1286 Ourobolus 09-17-2015 05:08 PM ET (US)	FFFFUUUUCCCKKKK YOOOOOOUUUUU SOOOOOOORIIIIAAAAANNNN
1287 Burbeting 09-17-2015 05:08 PM ET (US)	NX Mafia: Snatcing Defeat from the jaws of victory! Darryl-kun might not even understand that he is basically winning now, so that he might NK Sorian :P.
1288 CzarTim 09-17-2015 05:08 PM ET (US)	darryl killed L-P game over!
1289 theprodigy 09-17-2015 05:10 PM ET (US)	he PM'd you that quickly? damn and here I was hoping Darryl would do something dumb like kill Sorian, because that would just fit this game so much
1290 Burbeting 09-17-2015 05:10 PM ET (US)	Game oovveerr. Tim, Is Darryl's flavor really Grandma?
1291 roytheone 09-17-2015 05:11 PM ET (US)	SORIAN! SORIAN! SORIAN! SORIAN! SORIAN!
1292 OceanicAir 09-17-2015 05:11 PM ET (US)	So is this another game where where everybody but town wins? Lol.
1293 Burbeting	Time to make final version of NX picture, and a picture of grandmother and her child having fun (Darryl and Sorian) :P.

09-17-2015 05:13 PM ET (US)	And mark my words, my first post to the thread will be: "YOUU MOOROOONNSS!"
1294 theprodigy 09-17-2015 05:14 PM ET (US)	town MVP: nobody, fuck you scum MVP: Sorian overall MVP: Sorian
1295 roytheone 09-17-2015 05:15 PM ET (US)	I am probably not allowed to pm sorian yet?
1296 CzarTim 09-17-2015 05:17 PM ET (US)	no darryl is a shrieking mom lynch bomb
1297 Burbeting 09-17-2015 05:19 PM ET (US)	/m1296 okay, then I'll need to find mom and a son picture
1298 roytheone 09-17-2015 05:19 PM ET (US)	BTW, is the night still going to happen or are you going to end now?
1299 Karkador 09-17-2015 05:19 PM ET (US)	so the moral of the story is that only the scalpers and the one conniving motherfucker who doesn't even like Nintendo are the only ones who are going to get an NX
1300 Burbeting 09-17-2015 05:20 PM ET (US)	Also pls Tim, I need that final flavor where the revelation is that the two of the actually get harry potter books :P.
1301 Burbeting 09-17-2015 05:26 PM ET (US)	http://i.imgur.com/P2zEdFb.png The picture of the Winners :P (seeing as we will get most likely the final flavor soon). The moral of the story is: Don't talk yourselves out of the easy solution. The easy solution is the right one.
1302 theprodigy 09-17-2015 05:29 PM ET (US)	so this is hardly related to the game, but how often do games with multiple scum factions appear? (not just GAF, in general) also, related: has there ever been a game with multiple town factions
1303	/m1301 hey, me and fire also won! >:(

roytheone 09-17-2015 05:31 PM ET (US)	
1304 Burbeting 09-17-2015 05:32 PM ET (US)	There was one in Cthulu. In general, they are rare, but not that uncommon. They need to have tight balance though.
1305 Burbeting 09-17-2015 05:33 PM ET (US)	/m1303 you left the line, no NX for u.
1306 CzarTim 09-17-2015 05:34 PM ET (US)	multiple scum teams arent uncommon but they are usually marked better than CoC was so people know.
1307 roytheone 09-17-2015 05:36 PM ET (US)	/m1305 I don't want a stinking nx, I just want my job back :(
1308 Burbeting 09-17-2015 05:40 PM ET (US)	Looking at the Harry Potter pic now, the scum team + the neutral were the front line of people. I must have *Divination* powers!
1309 Fireblend 09-17-2015 05:52 PM ET (US)	/m1305 bullshit, I want my recognition.
1310 Burbeting 09-17-2015 05:53 PM ET (US)	/m1309 Back to the bus where I sent you.
1311 palmer_v1 09-17-2015 05:56 PM ET (US)	Sent dead thread link to timeaisis.
1312 Timeaisis 09-17-2015 05:57 PM ET (US)	Hey.
1313 Timeaisis	Some one break it down for me.

09-17-2015 05:57 PM ET (US)	
1314 Burbeting 09-17-2015 05:59 PM ET (US)	/m1313 you guys suck
1315 roytheone 09-17-2015 05:59 PM ET (US)	Darryl killed l_p already, sorian gets his alt win. Only darryl and launch left. We win.
1316 Burbeting 09-17-2015 06:00 PM ET (US)	Most likely next flavor ends the game, since Darryl already sent the kill action. so no real need to have the final night phase.
1317 theprodigy 09-17-2015 06:00 PM ET (US)	/m1314 lmao
1318 Timeaisis 09-17-2015 06:01 PM ET (US)	So Darryl is scum huh. I fucking knew it.
1319 Timeaisis 09-17-2015 06:02 PM ET (US)	Dammit, LP. Goddammit.
1320 Burbeting 09-17-2015 06:03 PM ET (US)	You guys had all the keys to victory during the start of day 4 with those colossal fuck-ups scums had.
1321 roytheone 09-17-2015 06:04 PM ET (US)	Time, you constantly talking today about "going hard on me" was slightly erotic for me :)
1322 Fireblend 09-17-2015 06:05 PM ET (US)	I just want to point out I'm 2 for 2 in mafia games so far. Apparently I'm so good I don't have to make it past day 2 to know I'll win. Also, roy, I suppose you're right: should absolutely lynch me every time, as counterproductive as it may seem.
1323 Burbeting 09-17-2015	Also I finally get to post those popcorn gifs just to torment Sorian a bit :P.

06:05 PM ET (US)	Hurry up with results Tim, I want to post lot of posts in the thread about post-gamey!
1324 theprodigy 09-17-2015 06:06 PM ET (US)	wait what's this joke about "lynch Fire every time and win" about
1325 Timeaisis 09-17-2015 06:08 PM ET (US)	Yeah, no shit. Apparently no one saw Darryl as what he is except me and Launch. Edited 09-17-2015 06:08 PM
1326 Fireblend 09-17-2015 06:09 PM ET (US)	/m1324 every time Roy and me are on the same game (including the ONUW games), lynching me has been the right thing to do for Roy, even in this one when we were on the same team lol
1327 Burbeting 09-17-2015 06:09 PM ET (US)	/m1325 I will tell you I kept screaming at the screen "Kill Darryl now!" multiple times :P. He was one of my prime scum candidates if I would have survived till day 3 (well Blarg would have been the other one though).
1328 roytheone 09-17-2015 06:09 PM ET (US)	/m2324 we played 4 ONUW games together, every time fire was lynched, I won, and if he wasn't, I lost. So we joked that I should also Lynch him this game. But I actually did Lynch him, and we actually did won!
1329 Timeaisis 09-17-2015 06:10 PM ET (US)	/m1327 I was screaming it, too. Trust me.
1330 Timeaisis 09-17-2015 06:11 PM ET (US)	I blame LP and Sorian, mostly. I knew Sorian was gonna be a bastard, anyway. Should've killed him earlier.
1331 Burbeting 09-17-2015 06:11 PM ET (US)	Let's scream togerther. MS Paint pictures are ready and waiting for deployment.
1332 Timeaisis 09-17-2015 06:11 PM ET (US)	Do the pictures say: "YOU FUCKING IDIOTS I TOLD YOU SO!?" Because they should.
1333 Burbeting 09-17-2015	Tim used the victory picture already. And yesss the harry potter got into flavor!

06:13 PM ET (US)	
1334 Rats Off To Ya 09-17-2015 06:15 PM ET (US)	I hope I never have to play against scum Darryl. Dude is good. I don't how he does it, but he's good.
1335 Timeaisis 09-17-2015 06:16 PM ET (US)	Darryl is freaking good at being scum. I'm not sure how, either. He's always super suspicious but somehow always makes it.
1336 Rats Off To Ya 09-17-2015 06:18 PM ET (US)	It should be GAFia policy to lynch Darryl on Day One. Just in case.
1337 theprodigy 09-17-2015 06:19 PM ET (US)	to be fair, this was mostly on town derping extra hard
1338 Timeaisis 09-17-2015 06:20 PM ET (US)	Hey, I wasn't derping for the record. Except the part where I let Sorian live.
1339 Burbeting 09-17-2015 06:20 PM ET (US)	This whole game was about town going super mega derp mode.
1340 roytheone 09-17-2015 06:31 PM ET (US)	The funny thing is darryl had barely time to play, he literally only read about 5 % of the posts in the thread. And he still beats you guys!
1341 Timeaisis 09-17-2015 06:34 PM ET (US)	I think you mean we beat ourselves. :P
1342 Rats Off To Ya 09-17-2015 06:38 PM ET (US)	I wasn't following this game super closely, but it seemed like you were doing a great job, Time. But we can only do so much with the hands we're dealt.
1343	How do I make it so I can view 1000 posts on the page or whatever?

Sorian 09-17-2015 06:46 PM ET (US)	
1344 roytheone 09-17-2015 06:46 PM ET (US)	/m1341 yeah, we were a crappy Mafia team, but you guys were also a crappy town team. Basically everyone was crappy :)
1345 roytheone 09-17-2015 06:46 PM ET (US)	Add /p1000.1 to the url
1346 ynnny 09-17-2015 06:51 PM ET (US)	omg timeaisis died? lol... .... lol ok i better catch up and hi timeaiai~ i was super rooting for you in there when you hit the nail spot on your guesses for the both mafias :3 too bad town can talk itself out of anything XD;;;;
1347 roytheone 09-17-2015 06:54 PM ET (US)	Not just dead, the game is over.
1348 Sorian 09-17-2015 06:57 PM ET (US)	/m55 Dat reverse psychology, windows phone was an easy one and I was secretly hoping that I had just added it to my rotation :P
1349 ynnny 09-17-2015 06:58 PM ET (US)	royroy i see now XD haha~ i just got to work~ aaahhhhh gafia always moves a lot during my sleep hours ;___;
1350 Burbeting 09-17-2015 07:06 PM ET (US)	Sorry for all my screaming and ranting in here :P. It's easy to be angry on hindsight about town blunders. ((you guys did suck a bit maybe))
1351 Timeaisis 09-17-2015 07:21 PM ET (US)	We sure did, Burb. We sure did.
1352 theprodigy 09-17-2015 07:28 PM ET (US)	btw since this game got rather close to activating a lynch bomb: what would happen in a hypothetical scenario where the only two remaining players are a double-vote town and lynch bomb scum, does the game actually end with nobody winning after the inevitable double kill?

1353 roytheone 09-17-2015 07:31 PM ET (US)	That's why there wasn't a dubbel vote in this game I think. L_p his Becky power wouldn't have set it off. Edited 09-17-2015 07:39 PM
1354 CzarTim 09-17-2015 07:36 PM ET (US)	/m1352 that sounds right. everyone loses!
1355 Sorian 09-17-2015 07:44 PM ET (US)	/m355 This is all gold, lolololol Super class play amirite? I'm such a lucky shit.
1356 Sorian 09-17-2015 07:49 PM ET (US)	I'm reading the part when Blarg fake claimed, I'm in stiches.
1357 Greyhound 09-17-2015 08:09 PM ET (US)	This game was a mistake
1358 Burbeting 09-17-2015 08:12 PM ET (US)	Hi Blarg. I remember you wanted to TURBO TURBO me.
1359 theprodigy 09-17-2015 08:17 PM ET (US)	/m1357 it's nothing but trash
1360 Sorian 09-17-2015 10:53 PM ET (US)	I just got through this whole thread. It was beautiful. ;_; I did actually think Time was scum but there was some bias there because I WANTED the scum to be Time or L_P cause of my lickey lickey. It's pretty obvious in hindsight (and at the time since I pointed a bunch of stuff out) that the scum was Darryl but fuck it, it worked out :D Also, yeah, silly me for thinking that scum had any type of real plan.
1361 cabot 09-18-2015 05:38 AM ET (US)	I'm sorry for going in on you hard Time. I'm sorry for everything. WAAAAAAAAAAAAAAAAAAAAGH
1362 palmer_v1 09-18-2015 12:00 PM ET (US)	How mad would people have been if Darryl's Lynch Bomb had gotten someone? I wasn't sure how much of a dick move that role was, but I knew it would be amusing.
1363	I really wanted Sorian to trigger it.

Ourobolus★ 09-18-2015 12:04 PM ET (US)	
1364 Sorian★ 09-18-2015 12:10 PM ET (US)	You're a bastard Ouro. But nah, lynch bombs are good imo. Wouldn't have been a dick move at all though I can't even imagine my heartbreak if I had voted Darryl last night instead of Time.
1365 palmer_v1★ 09-18-2015 12:24 PM ET (US)	We all wanted Sorian to trigger it. Theoretically, Kark was meant to investigate and as a full cop would know he's a lynch bomb, then the Vig could Day kill him safely. Those two sorta blew their loads immediately though.
1366 Sorian★ 09-18-2015 12:33 PM ET (US)	I put in work for that neutral win Palmer, I now understand the neutral struggle.
1367 Lone_Prodigy 09-18-2015 01:15 PM ET (US)	I got a day kill which would make me town and harmless the rest of the game. I'm sure as heck using it ASAP. Then again I may have been salty at getting offed N1 in Cthulhu (even though I deserved it).
1368 palmer_v1★ 09-18-2015 01:52 PM ET (US)	/m1366 I don't think you had it EASIER than me, but it seemed less stressful. You could generally just play exactly how town should since you didn't care what happened overall. I had to play a meta game of figuring out what the hell Raindoc was, and then play for his team. You were totally alone, and I sort of had help from Johnny, and Raindoc once he figured it out.
1369 Sorian★ 09-18-2015 02:01 PM ET (US)	The most stressful parts of my game were the night phase results. I had full confidence that I could keep myself alive from lynching but I was under the impression (and I was right) that scum hadn't figured out how huge of an asset I would be to them if they could deliver me to end game safely. Waiting for Tim to post night results was excruciating each day, especially the last day because I really thought the last scum player would spite me for hammering their partner and mess up my win condition at the (probably) expense of their own win condition.
1370 roytheone★ 09-18-2015 02:12 PM ET (US)	/m1369 but but but.....you could read our scum chat! (yeah, we were kind of idiots for thinking that ;)
1371 Sorian★ 09-18-2015 02:20 PM ET (US)	I laughed, if only I had put a bolded word into that post. It would have been magic.
1372 palmer_v1★ 09-18-2015	I wasn't following the actual thread at that point, but it was funny to see them randomly talking to you here and there.

03:21 PM ET (US)	
1373 Sorian★ 09-18-2015 03:24 PM ET (US)	It was a riot to read, I'm used to the town being paranoid not the scum. That's fantastic that I got people talking to themselves. (Kudos to Darryl for talking to me just a couple more times after roy died too)
1374 roytheone★ 09-18-2015 04:15 PM ET (US)	To be fair, there were some ridiculous coincidences of us planning to go for someone and you almost immediately doing exactly that in the game thread. After my attempt to test it failed, it became more of a running gag than anything else :)
1375 Sorian★ 09-18-2015 04:27 PM ET (US)	/m1374 Except for that fear that you guys thought I wasn't allowed to confirm in any way :P
1376 swamped★ 09-18-2015 04:39 PM ET (US)	So, where's the mafia thread link?
1377 CzarTim★ 09-18-2015 04:40 PM ET (US)	http://www.quicktopic.com/51/H/mYDHRAgXiq2
1378 roytheone★ 09-18-2015 04:48 PM ET (US)	/m1375 I would call it more hope than fear, we would have loved it if we really could communicate with you!
